## **Independent Auditor's Report**

To The Board of Directors  
Capstone Adaptive Learning and Therapy Centers, Inc.  
Capstone Academy Milton  
Pensacola, Florida

We have audited the accompanying financial statements of Capstone Academy Milton (Program of Capstone Adaptive Learning and Therapy Centers, Inc.) (a nonprofit organization) which comprise the statement of financial position as of June 30, 2017, and the related statements of activities and changes in net assets and cash flows for the year then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

*To The Board of Directors  
Capstone Adaptive Learning and Therapy Centers, Inc.  
Capstone Academy Milton  
Pensacola, Florida*

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Capstone Academy Milton (Program of Capstone Adaptive Learning and Therapy Centers, Inc.) as of June 30, 2017, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated August 11, 2017, on our consideration of Capstone Academy Milton's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Capstone Academy Milton's internal control over financial reporting and compliance.

**Note 1—Summary of Significant Accounting Policies**

**Organization and Purpose**

Capstone Academy was organized on August 27, 2004, by Capstone Adaptive Learning and Therapy Centers, Inc., (Capstone) formerly known as United Cerebral Palsy of Northwest Florida, Inc., a nonprofit corporation, to serve as a charter school for three- to five-year-old children with, or in danger of, developmental delay, pursuant to a charter school contract with The School Board of Escambia County, Florida. The Milton location started January 1, 2010, and its contract is with the School Board of Santa Rosa County, Florida (the “Board”). The charter school also provides a Voluntary Prekindergarten Program for four-year-old children in the community, after-school care and therapy services.

**Basis of Presentation**

The accompanying special purpose financial statements of Capstone Academy Milton (the “School”) are prepared pursuant to the rules of the Florida Auditor General and are a component part of Capstone Adaptive Learning and Therapy Centers, Inc. The land, building and substantially all of the operating equipment acquired by Capstone for the School are not included in the accompanying financial statements (see Note 5).

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Cash and Cash Equivalents**

Cash and cash equivalents include all highly liquid investments purchased with an original maturity of ninety days or less. There are no cash equivalents at June 30, 2017.

**Note 1—Summary of Significant Accounting Policies (continued)**

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Financial Statement Presentation

The School reports information regarding financial position and activities according to three classes of net assets: Unrestricted, temporarily restricted, and permanently restricted. Net assets are classified based on externally imposed restrictions, if any, that may or may not be met by actions of management or by the passage of time. There were no temporarily or permanently restricted net assets as of June 30, 2017.

Property and Equipment

Property and equipment are recorded at cost. Donated property and equipment are recorded at their estimated market value on the date of contribution. Expenditures which equal or exceed \$500 and materially increase values, change capacities, or extend useful lives are capitalized. Repairs and maintenance costs are charged to operations when incurred. Certain equipment was acquired with public funds and shall revert to the Board upon termination of the charter. Depreciation is computed using the straight-line method. The estimated useful life of its property and equipment is three (3) to ten (10) years.

Long-lived assets held and used by the School are reviewed for impairment whenever events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. In the event that facts and circumstances indicate the cost of any long-lived assets may be impaired, an evaluation of recoverability would be performed. As of June 30, 2017, none of the School's long-lived assets were considered to be materially impaired.

Public Support

Public support revenue from local governments and government grants is recorded based upon the terms of the grantor allotment which generally provides that revenue is earned when the allowable costs of the specific grant provisions have been incurred or the performance of the services has been rendered.

Income Taxes

Capstone is exempt from federal income taxes under Internal Revenue Service Code Section 501(c)(3). As a result, there is no provision for taxes in the accompanying financial statements.

Events Occurring After Reporting Date

The School has evaluated events and transactions that occurred between June 30, 2017, and August 11, 2017, which is the date that the financials were available to be issued, for possible recognition or disclosure in the financial statements.

**Note 2—Receivables**

Receivables consist of amounts related to service fees charged and are stated at the amount management expects to collect. Management considers receivables to be fully collectible; accordingly, no allowance for uncollected amounts was necessary as of June 30, 2017.

**Note 3—Due to Capstone Pensacola**

The Pensacola charter school in Escambia County, Florida, has been in operation since 2004. This payable represented advances received from Pensacola for Milton's operations and was repaid during the year ended June 30, 2017.

**Note 4—Florida Education Finance Program**

Revenues for current operations are received primarily from the Santa Rosa County School District (the “District”) pursuant to the funding provisions included in the School’s charter. In accordance with funding provisions of the charter and Section 1002.33(17), Florida Statutes, the School reports the number of full-time equivalent students and related data to the District. Under the provisions of Section 1011.62, Florida Statutes, the District reports the number of full-time equivalent students and related data to the Florida Department of Education (the “Department”) for funding through the Florida Education Finance Program (FEFP). Funding for the School is adjusted during the year to reflect the revised calculations by the Department under the FEFP and the actual weighted full-time equivalent students reported by the School during the designated full-time equivalent survey periods. The District receives a 5% administrative fee from the School and is calculated based on the unweighted full-time equivalent students. For the period ended June 30, 2017, administrative fees paid the District included in the statements of activities under general administration expenses totaled \$5,540.

**Note 5—Related Party Transactions**

The School is managed and operated by Capstone Adaptive Learning and Therapy Centers, Inc., a nonprofit organization, originally organized in 1953. The mission of Capstone Adaptive Learning and Therapy Centers, Inc., is advancing the independence for children and adults with a spectrum of abilities and disabilities.

**Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards***

To The Board of Directors  
Capstone Adaptive Learning and Therapy Centers, Inc.  
Capstone Academy Milton  
Pensacola, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Capstone Academy Milton (Program of Capstone Adaptive Learning and Therapy Centers, Inc.) (a nonprofit organization), which comprise the statement of financial position as of June 30, 2017, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated August 11, 2017.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Capstone Academy Milton's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Capstone Academy Milton's internal control. Accordingly, we do not express an opinion on the effectiveness of Capstone Academy Milton's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

To The Board of Directors  
Capstone Adaptive Learning and Therapy Centers, Inc.  
Capstone Academy Milton  
Pensacola, Florida

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Capstone Academy Milton's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
