INDEPENDENT AUDITORS' REPORT

To the Board of Directors,
Crossroad Academy Charter School:

We have audited the accompanying special purpose financial statements of Crossroad Academy Charter School (a division of Community and Economic Development Organization of Gadsden County, Inc.), which comprise the statement of financial position as of June 30, 2019 and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers the internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our audit opinion.

As discussed in Note 1(c) to the special purpose financial statements, the accompanying financial statements were prepared for the purpose of complying with Section 218.39, Florida Statutes, and Section 10.856(2), Rules of the Auditor General for Audits of Charter Schools and Similar Entities, and are intended to present the financial position and the changes in net assets and its cash flows of only that portion of the financial reporting entity of Community and Economic Development Organization of Gadsden County, Inc. that is attributable to the transactions of Crossroad Academy Charter School. These financial statements do not purport to, and do not, present fairly the financial position of Community and Economic Development Organization of Gadsden County, Inc. as of June 30, 2019 and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Opinion

In our opinion, the special purpose financial statements referred to above present fairly, in all material respects, the financial position of Crossroad Academy Charter School as of June 30, 2019 and the changes in net assets and its cash flows for the year then ended in conformity with the basis of accounting described in Note 1(c).

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 29, 2019, on our consideration of Crossroad Academy Charter School's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Crossroad Academy Charter School's internal control over financial reporting and compliance.

NOTES TO SPECIAL PURPOSE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2019**

(1) **Summary of Significant Accounting Policies:**

The following is a summary of the more significant accounting policies and practices of Crossroad Academy Charter School (“the Organization”) which affect significant elements of the accompanying financial statements:

- (a) **Purpose of Crossroad Academy Charter School**—Crossroad Academy Charter School was formed to provide a year round, alternative educational system to assist “at risk” students in preparing academically, socially, and culturally to be responsible participants in our society.
- (b) **Basis of Accounting**—The financial statements of the Organization have been prepared on the accrual basis of accounting, and accordingly, reflect all significant receivables, payables and other liabilities.
- (c) **Basis of Presentation**—The financial statements were prepared solely for the purpose of complying with Chapter 10.850, Rules of the Auditor General of the State of Florida, and are not intended to be a complete presentation of Community and Economic Development Organization of Gadsden County, Inc.. Financial statement presentation follows the recommendations of the Financial Accounting Codification, *Financial Statements of Not-for-Profit Organizations*. Accordingly, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.
- (d) **Property and Equipment**—Property and equipment acquired by the Organization is considered to be owned by the Organization. However, funding sources may maintain an equitable interest in the property purchased with grant monies as well as the right to determine the use of any proceeds from the sale of these assets. The Federal Government has a reversionary interest in those assets purchased with its funds which have cost of \$5,000 or more and an estimated useful life of at least one year. The State of Florida has a reversionary interest in those assets purchased with funds which have a cost of \$1,000 or more and an estimated useful life of at least one year.

Property and equipment with a value greater than \$1,000 and an estimated useful life of at least one year is recorded at cost when purchased. Depreciation is computed using the straight-line method over the estimated useful life of the assets, ranging from five to thirty nine years.

- (e) **Cash and Cash Equivalents**—For the purpose of reporting cash flows, cash and cash equivalents include cash on hand, amounts due from banks, and certificates of deposit with original maturities of less than ninety days.
- (f) **Use of Estimates**—The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

(2) **Concentrations of Credit Risk:**

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors,
Crossroad Academy Charter School

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Crossroad Academy Charter School, which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated August 29, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Crossroad Academy Charter School's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the effectiveness of Crossroad Academy Charter School's internal control. Accordingly, we do not express an opinion on the effectiveness of Crossroad Academy Charter School's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during the audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Crossroad Academy Charter School's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

In connection with our audit, we did not have any such findings.
