## **INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors of  
United Cerebral Palsy of South Florida Charter Schools, Inc.  
d/b/a United Community Options of South Florida Charter Schools  
Miami, Florida

We have audited the accompanying special purpose financial statements of Early Beginnings Academy (the "School"), which comprise the statements of financial position as of June 30, 2020 and 2019, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these special purpose financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these special purpose financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the special purpose financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the special purpose financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the special purpose financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the special purpose financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Board of Directors of  
United Cerebral Palsy of South Florida Charter Schools, Inc.  
d/b/a United Community Options of South Florida Charter Schools  
Miami, Florida

### **Opinion**

In our opinion, the special purpose financial statements referred to above present fairly, in all material respects, the financial position of Early Beginnings Academy as of June 30, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Emphasis of Matter**

As explained in Note 1 to the special purpose financial statements, the financial statements being presented is only for the School referred to above, which is a program of United Cerebral Palsy of South Florida Charter Schools, Inc. d/b/a United Community Options of South Florida Charter Schools. The special purpose financial statements do not include the statements of financial position, activities and changes in net assets, functional expenses and cash flows of United Cerebral Palsy of South Florida Charter Schools, Inc. (a not-for-profit organization). Accordingly, the accompanying special purpose financial statements are not intended to present the financial position of United Cerebral Palsy of South Florida Charter Schools, Inc. as of June 30, 2020 and 2019 or its results of operations and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated September 14, 2020, on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

**Note 1 NATURE OF ACTIVITIES**

**Nature of Activities**

United Cerebral Palsy of South Florida Charter Schools, Inc. d/b/a United Community Options of South Florida Charter Schools (the Organization) is a non-profit organization incorporated under the laws of the State of Florida to provide educational and support services to developmentally disabled children and adolescents ages birth through 22 years; be a community resource for children and adolescents with developmental disabilities; and provide daycare, after school and other related services to children and adolescents of the community, including operating charter schools organized pursuant to Section 228.056 of the Florida Statutes (2001).

The School currently operates under a charter with the School Board of Miami-Dade County, Florida (the School Board) that was approved for a second renewal on June 18, 2015 for an additional 10 years ending on June 30, 2025. The charter may be renewed by mutual written agreement between the School and the School Board. At the end of the term of the charter, the School Board may choose not to renew the charter under grounds specified in the charter in which case the School Board is required to notify the School in writing at least 90 days prior to the charter's termination. Pursuant to Section 228.056(11)(e), Florida Statutes (2001), the charter school contract provides that in the event the School is dissolved or terminated, any unencumbered funds and all school property purchased with public funds automatically revert to the School Board. During the term of the charter, the School Board may also terminate the charter if good cause is shown.

The School provides special education for students grades Pre-K to 3<sup>rd</sup> grade. The maximum enrollment capacity of the school is 150 students.

The School is accounted for as a program of the Organization. The governing body of the School is the Organization's Board of Directors.

**Note 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Presentation**

The financial statements, disclosures and account classifications are presented pursuant to the accounting regulations promulgated by the State of Florida Department of Education. The special purpose financial statements present the financial position, activities, net assets, functional expenses and cash flows for the Early Beginnings Academy only and do not include the assets, liabilities, net assets and statements of activities, functional expenses and cash flows of United Cerebral Palsy of South Florida Charter Schools, Inc.

For financial reporting purposes, Early Beginnings Academy is a program of United Cerebral Palsy of South Florida Charter Schools, Inc. and is included in the Organization's annual financial statements.

**Classification of Net Assets**

Activities of the School are recorded in its statements of financial position and activities according to two classes of net assets (net assets without donor restrictions or with donor restrictions) based upon the existence or absence of donor-imposed restrictions.

**Cash and Cash Equivalents**

For purposes of the statement of cash flows, short-term marketable investments purchased with an original maturity date of three months or less are considered to be cash equivalents.

**Credit Risk**

Financial instruments which potentially subject the School to concentration of credit risk consist principally of cash and accounts receivable. The School maintains its cash in bank deposit accounts which, at times, may exceed the Federal Deposit Insurance Corporation ("FDIC") insured limits up to \$250,000. At June 30, 2020, the School had uninsured cash balances of approximately \$594,000.

**EARLY BEGINNINGS ACADEMY  
NOTES TO SPECIAL PURPOSE FINANCIAL STATEMENTS  
YEARS ENDED JUNE 30, 2020 AND 2019**

**Note 2 NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Contributions**

Contributions received are recorded as net assets with donor restrictions or net assets without donor restrictions depending on the existence or nature of any donor restrictions. However, donor-restricted contributions whose restrictions are met in the same reporting period are reported as net assets without donor restrictions.

Contributions of donated non-cash assets are recorded at their fair values in the period received. Contributions of donated services that create or enhance non-financial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received.

**Accounts Receivable**

The School uses the allowance method to account for uncollectible accounts receivable. The allowance for doubtful accounts is based on management analysis of possible bad debts. As of June 30, 2020 and 2019, there was no allowance for doubtful accounts.

**Property and Equipment**

Property and equipment are recorded at cost, except for donated assets which are recorded at their estimated fair value at the date of donation. The straight-line method is used to provide for depreciation over three to ten year estimated useful lives of the assets. The School capitalizes assets with a cost greater than \$1,000 and a useful life greater than one year. Maintenance and repairs are expensed as incurred; replacements and improvements are capitalized.

**Impairment of Long Lived Assets**

The School's management evaluates the recoverability of the investment in long-lived assets on an ongoing basis and recognizes any impairment in the year of determination. Long-lived assets were tested for impairment as of June 30, 2020, and in the opinion of management, there was no impairment.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Reclassification**

Certain reclassifications have been made to the 2019 financial statement presentation to correspond to the current year's format. Net assets and changes in net assets are unchanged due to these reclassifications.

**EARLY BEGINNINGS ACADEMY  
NOTES TO SPECIAL PURPOSE FINANCIAL STATEMENTS  
YEARS ENDED JUNE 30, 2020 AND 2019**

**Note 2 NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Revenue Sources**

Student funding is provided by the State of Florida Department of Education (FDOE) through the School Board of Miami-Dade County, Florida. This funding is received on a pro-rata basis over the twelve month period based on the student attendance reported by the school during the designated Full-Time Equivalent (FTE) survey periods.

In accordance with the charter agreement, the School Board retains five percent as an administrative fee, approximately \$41,800 and \$39,200 during the years ended June 30, 2020 and 2019 and are reflected as a reduction against FEFP funding on the statement of activities.

Section 1013.62(1), Florida Statutes, establishes eligibility criteria and allocation procedures for the distribution of capital outlay funds to charter schools. Distributions from capital outlay funds are sent on a monthly basis to the sponsoring school district, which in turn remits funds to the charter schools. Pursuant to Section 1013.62(2), Florida Statutes, charter school capital outlay funds may be used only for specific purposes in which the School has complied. The School receives an annual allocation of charter school capital outlay funds for leasing of school facilities.

The School also receives federal awards for the enhancement of various educational programs. This assistance is generally received based on applications submitted and approved by various granting agencies. For federal awards which require incurring eligible expenditures, revenue is recognized to the extent eligible expenditures have been incurred. In the fiscal year 2020 and 2019, the School received a federal award through Individuals with Disability Education Act (IDEA).

**Functional Allocation of Expenses**

The School allocates expenses on a functional basis among its programs and supporting services. Expenses that can be identified as belonging to a specific program and/or support service are allocated directly according to their natural expense classification.

**Note 3 TAX STATUS**

The Organization, and therefore the School, is a non-profit organization exempt from federal income taxes under Sec. 501(c)(3) of the Internal Revenue Code and has been classified as a public charity. The School's activities have been in furtherance of the Organization's tax-exempt purpose and there is no unrelated business income subject to taxation. As of June 30, 2020, with a few exceptions, the School is no longer subject to income tax examinations by the United States federal taxing authority for any tax year before 2017.

The North Shore location for the school year 2019-2020 will be non-operational and the School will be relocating the students to the Civic location. The lease is through June 30, 2024, with options to renew for two five-year periods. The annual cost shall be \$150,000 payable in twelve equal monthly installments of \$12,500. **Note 6 EMPLOYEE BENEFIT PLAN**

The School has a 403(b) retirement plan. Under 403(b), the employees may contribute up to 100 percent of their annual compensation, subject to certain statutory limitations. The School matches employee contributions at 50 percent up to 6 percent of the employees' compensation. The School's contributions to the 403(b) vest ratably over two to six years of service as specified in the plan. For the years ended June 30, 2020 and 2019, the School's cost under the retirement plan was approximately \$2,282 and \$1,750, respectively. The plan is held in a trust for the exclusive benefit of the participants and their beneficiaries; consequently, the School has no fiduciary responsibility and the net assets of the plan are not included in the School's special purpose financial statements.

**EARLY BEGINNINGS ACADEMY  
NOTES TO SPECIAL PURPOSE FINANCIAL STATEMENTS  
YEARS ENDED JUNE 30, 2020 AND 2019**

**Note 7 ECONOMIC DEPENDENCE**

For the year ended June 30, 2020, revenues for program services from the School Board represented 99% of the School's total program revenues. The School's ability to continue operating and to provide program services is predicated on the School Board's continued support and funding of its programs. If a significant reduction were to occur, it would have an adverse effect on the School's ability to continue operating the programs and services being provided.

**Note 8 LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS**

The School has \$1,176,481 of financial assets available within one year of the statement of financial position date to meet cash needs for general operating expenditures, consisting of cash of \$1,079,357 and accounts receivable, net of \$97,124. None of the financial assets are subject to donor or other contractual restrictions that make them unavailable for general expenditures within one year of the statement of financial position date. As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due.

**Note 9 SUBSEQUENT EVENTS**

Management has evaluated subsequent events through September 14, 2020, which is the date the financial statements were available to be issued. The School will add grades 4<sup>th</sup> through 5<sup>th</sup> for the school year 2020-2021.

As a result of the spread of the COVID-19 Coronavirus and the resulting stay-at-home orders issued by the State of Florida in which the Organization operates, the Organization may experience a reduction in revenue. The duration of the reduction in revenue may be only temporary. However, the related financial impact and duration cannot be reasonably estimated at this time.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON  
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors of  
United Cerebral Palsy of South Florida Charter Schools, Inc.  
d/b/a United Community Options of South Florida Charter Schools  
Miami, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the special purpose financial statements of Early Beginnings Academy (the School), which comprise the statement of financial position as of June 30, 2020, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 14, 2020.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the special purpose financial statements, we considered the School's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the special purpose financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

United Cerebral Palsy of South Florida Charter Schools, Inc.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
