#### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Ocean Studies Charter School, Inc. and Subsidiary Tavernier, Florida

#### **Report on the Financial Statements**

We have audited the accompanying consolidated financial statements of the governmental activities, and each major fund of Ocean Studies Charter School, Inc. and its wholly owned subsidiary OSCS Properties, LLC, (collectively the "School") a component unit of the District School Board of Monroe County, as of and for the year ended June 30, 2020, and the related notes to the consolidated financial statements, which collectively comprise the School's basic financial statements as listed in the table of contents.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express opinions on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### **Opinions**

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of Ocean Studies Charter School, Inc. and its subsidiary, as of June 30, 2020, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4 through 8 and budgetary comparison information on pages 23 through 24 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 20, 2020, on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

**CERTIFIED PUBLIC ACCOUNTANTS** 

Verdep. De armes. Trupllo

Coral Gables, Florida October 20, 2020

#### **Management's Discussion and Analysis**

Ocean Studies Charter School, Inc. and Subsidiary June 30, 2020

The corporate officers of the School have prepared this narrative overview and analysis of the School's financial activities for the fiscal year ended June 30, 2020.

#### FINANCIAL HIGHLIGHTS

- 1. The assets of the School exceeded its liabilities at June 30, 2020 by \$904,570 (net position).
- 2. The net position of the School increased by \$484,177 for the year ended June 30, 2020.
- 3. The School's total fund balance decreased by \$217,675 for the year and had an ending fund balance of \$134,413 at June 30, 2020.

#### Overview of the Financial Statements

This discussion and analysis are intended to serve as an introduction to the School's basic financial statements. The School's financial statements for the year ended June 30, 2020 are presented in accordance with GASB Codification Section 2200. The financial statements have three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other required supplementary information in addition to the basic financial statements themselves.

#### Government-Wide Financial Statements

The *government-wide financial statements* are designed to provide readers with a broad overview of the School's finances, in a manner similar to a private-sector business.

The *Statement of Net Position* presents information on all of the School's assets and liabilities. The difference between the two is reported as *net position*. Over time, increases or decreases in net position may serve as an indicator of whether the financial position of the School is improving or deteriorating.

The *Statement of Activities* presents information on how the School's net position changed during the fiscal year. All changes in net position are reported as soon as the underlying event resulting in the change occurs, without regard to the timing of related cash flows. Accordingly, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods.

The government-wide financial statements can be found on pages 9 - 10 of this report.

#### Fund Financial Statements

A "fund" is a collection of related accounts grouped to maintain control over resources that have been segregated for specific activities, projects, or objectives. The School, like other state and local governments, uses fund accounting to ensure and report compliance with finance-related legal requirements.

All of the funds of the School are governmental funds. *Governmental Funds* are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements.

Governmental Fund financial statements, however, focus on *near-term* inflows and outflows of spendable resources, as well as on the balances of spendable resources which are available at the end of the fiscal year. Such information may be used to evaluate a government's requirements for near-term financing.

Prior to the start of the School's fiscal year, the Board of the School adopts an annual budget for its general and special revenue fund. A budgetary comparison statement has been provided for the School's governmental funds to demonstrate compliance with the School's budget. The basic governmental fund financial statements can be found on pages 11 - 14 of this report.

#### Notes to Financial Statements

The notes to the financial statements provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

The notes to the financial statements can be found on pages 15 - 22 of this report.

#### GOVERNMENT-WIDE FINANCIAL ANALYSIS

As noted earlier, over time net position may serve as a useful indicator of a school's financial position. A summary of the School's net position as of June 30, 2020 and 2019 follows:

Assets	2020		2019
Cash	\$ 250,554	\$	399,868
Prepaid expenses and other assets	51,501		34,748
Capital assets, net	2,459,176		68,305
Total Assets	\$ 2,761,231	\$	502,921
Liabilities and Net Position	h 167 610	Φ.	02.520
Accounts and wages payable and accrued liabilities		\$	82,528
Loan/Capital lease payable	1,689,019		_
Total Liabilities	1,856,661		82,528
Net investment in capital assets Unrestricted	770,157 134,413		68,305 352,088
Total Net Position	904,570		420,393
Total Liabilities and Net Position	\$ 2,761,231	\$	502,921

At June 30, 2020, the School's total assets were \$2,761,231 and total liabilities were \$1,856,661. At June 30, 2020, the School reported total net position of \$904,570.

A summary and analysis of the School's revenues and expenses for the years ended June 30, 2020 and 2019 follows:

REVENUES	2020	2019
Program Revenues		
State capital outlay funding	\$ 55,361	\$ 40,963
General Revenues		
FEFP nonspecific revenue	1,234,224	1,067,748
Fundraising & other revenue	486,299	154,890
Total Revenues	1,775,884	1,263,601
EXPENSES		
Instruction	575,213	594,112
Instructional support services	3,700	201
Instruction and curriculum development services	23,197	29,973
Instructional staff training services	2,722	3,973
Instructional-related technology	12,863	8,976
General administrative	-	20
School administration	295,158	280,191
Facilities acquisition & construction	2,791	-
Fiscal services	-	148
Food services	2,650	3,445
Central services	6,849	8,240
Pupil transportation services	3,605	13,675
Operation of plant	308,609	297,623
Maintenance of plant	22,742	21,098
Interest expense	31,608	377
Total Expenses	1,291,707	1,262,052
Change in Net Position	484,177	1,549
Net Position at Beginning of Year	420,393	418,844
Net Position at End of Year	\$ 904,570	\$ 420,393

The School's total revenues for the year ended June 30, 2020 were \$1,775,884, while its total expenses were \$1,291,707 for a net increase of \$484,177. The School's total revenues increased from prior year primarily due to the additional enrollment in addition to contributions received for the purchase of a new property for the future facility of the School.

#### **ACCOMPLISHMENTS**

The School has experienced an exceptional year. Despite the surprises from COVID-19, we successfully completed our new location in Key Largo! Our new building has been renovated, our parking lot is complete, and the classrooms are full of students!

The new building has a brand new marine science lab complete with new furniture and tanks for learning. Some of our new furniture has been built from recycled plastic from the ocean! Our Board of Directors and Construction Committee worked hard to ensure that our building would be ready for the beginning of the 2020-2021 school year.

Last year, we earned the recognition of an Everglades Champion School thanks to the hard work and dedication of our Everglades Champion Committee. We are the only school in Monroe County to have earned this status.

An unexpected turn of events last year in March led us to become a virtual school overnight. Our teachers rose to the challenge and created lessons and live meetings in less than a week. We were successfully up and running, providing instruction to our students, two weeks before the rest of our district. Thanks to our amazing teachers, students were connected and engaged in virtual learning.

#### SCHOOL LOCATION

The School operates in the Tavernier, Florida from its facility located at 92295 Overseas Hwy, Tavernier, FL 33070.

#### CAPITAL IMPROVEMENT REQUIREMENT

The School maintains a continuous capital improvements program to enhance facilities and update fixtures and equipment as required.

#### FINANCIAL ANALYSIS OF THE GOVERNMENT'S FUND

As noted earlier, the School uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

#### **GOVERNMENTAL FUNDS**

The focus of the School's *governmental funds* is to provide information on near-term inflows, outflows, and balances of *spendable* resources. Such information is useful in assessing the School's financing requirements. In particular, *unassigned fund balance* may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

At the end of the fiscal year, the School's governmental funds reported combined ending fund balance of \$134,413.

#### **CAPITAL ASSETS**

The School's investment in capital assets, as of June 30, 2019, amounts to \$2,459,176 (net of accumulated depreciation). This investment in capital assets includes land, building and leasehold improvements, furniture, fixtures and equipment and audio-visual materials and computer software. During the year ended June 30, 2020, the School purchased facilities with a mortgage payable.

#### LOAN PAYABLE

In December 2019, the School and OSCS Properties, LLC (a wholly owned subsidiary of Ocean Studies Charter School, Inc.) purchased its new facilities located in Key Largo, Florida for \$1,800,000. The purchased was primarily financed with a mortgage loan payable of advances totaling up to \$1,700,000. The note is collateralized by the School's building and land and matures in December 2029. The note payable bears interest of 3.950%. The balance at June 30, 2020 was \$1,654,174.

#### GOVERNMENTAL FUND BUDGET ANALYSIS

Prior to the start of the School's fiscal year, the Board of the School adopted an annual budget. A budgetary comparison statement has been provided for the governmental funds to demonstrate compliance with the School's budget.

	All Governmental Funds							
	Orig	ginal Budget	Fi	nal Budget		Actual

### OCEAN STUDIES CHARTER SCHOOL, INC. AND SUBSIDIARY CONSOLIDATED STATEMENT OF NET POSITION FOR THE YEAR ENDED JUNE 30, 2020

Change in Fund Balance - Governmental Funds

\$ (217,675)

Amounts reported for governmental activities in the statement of activities are different because:

Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense.

Capital outlays 2,414,399 Depreciation expense (23,528)

The proceeds from debt issuance provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net assets. Repayment of debt principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net assets.

Repayments of principal

4,585

Proceeds from loan

(1,693,604)

Change in Net Position of Governmental Activities

\$ 484,177

#### NOTE 1 – ORGANIZATION AND OPERATIONS

#### **Reporting Entity**

Ocean Studies Charter School, Inc. (the "School") is a charter school sponsored by the School Board of Monroe County, Florida (the "District") and is a component unit of the District. The School is a Not-For Profit Corporation organized pursuant to Chapter 617, Florida Statutes, the Florida Not For Profit Corporation Act and Section 1002.33(7) 12, Florida Statutes, to offer a quality public education based on the best practices in accelerated learning and reflecting the diversity of the children of Monroe County.

OSCS Properties, LLC was formed in December 2019, for the purpose of purchasing property and leasing the facilities to Ocean Studies Charter School, Inc. located at 100360 Overseas Highway in Key Largo, Florida. OSCS Properties, LLC is a disregarded entity for tax purposes. Collectively Ocean Studies Charter School, Inc. and OSCS Properties, LLC are referred together as the School.

The School will offer a rigorous academic program, producing students who meet or exceed the Florida State Standards in English Language Arts, Math, Science, and Social Studies. While nurturing curiosity, creativity and imagination, we will encourage children to become independent, responsible and self-motivated learners. Through a uniquely prepared environment and the use of special didactic materials, the students progress through individual educational programs centered on the fascinating marine environment surrounding their community. The governing body of the School is the not for profit corporation's Board of Directors, which is composed of six members. The School's charter started April 26, 2011 and operations began July, 2011.

The general operating authority of the School is contained in Section 1002.33(1), Florida Statutes. The School operates under a charter of the sponsoring school district and is a component unit of the Monroe County District Board (the "District"). The current charter is effective until July 15, 2029.

Criteria for determining if other entities are potential component units of the School which should be reported with the School's basic financial statements are identified and described in the Governmental Accounting Standards Board's (GASB) Codification of Governmental Accounting and Financial Reporting Standards, Section 2100 and 2600. The application of these criteria provide for identification of any entities for which the School is financially accountable and other organizations for which the nature and significance of their relationship with the School are such that exclusion would cause the School's basic financial statements to be misleading or incomplete. Based on these criteria, no component units are included within the reporting entity of the School.

#### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Basis of Presentation**

Based on the guidance provided in the American Institute of Certified Public Accountants Audit and Accounting Guide – Audits per State and Local Governments and provisions of Florida Statutes, the School is presented as a governmental organization for financial statement reporting purposes.

#### **Principles of Consolidation**

The consolidated financial statements include the accounts of Ocean Studies Charter School, Inc. and OSCS Properties, LLC. All significant inter-company accounts and transactions have been eliminated in the consolidation of the accounts of the School and its subsidiary.

#### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Government-wide and Fund Financial Statements**

Government-wide Financial Statements

The government-wide financial statements include the statement of net position and the statement of activities. These statements report information for the School as a whole. Both statements report only governmental activities as the School does not engage in any business type activities.

The statement of activities reports the expenses of a given function offset by program revenues directly connected with the functional program. A function is an assembly of similar activities and may include portions of a fund or summarize more than one fund to capture the expenses and program revenues associated with a distinct functional activity. Program revenues include: (1) charges for services which report fees, (2) operating grants and contributions which finance annual operating activities, and (3) capital grants and contributions which fund the acquisition, construction, or rehabilitation of capital assets. These revenues are subject to externally imposed restrictions to these program uses. Other revenue sources not properly included with program revenues are reported as general revenues.

#### Fund Financial Statements

Fund financial statements are provided for governmental funds. The operations of the funds are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, equity, revenues and expenditures. Major individual governmental funds, namely, the general, special revenue and capital project funds are reported as separate columns in the fund financial statements:

<u>General Fund</u> – is the School's primary operating fund. It accounts for all financial resources not accounted for and reported in another fund.

<u>Capital Projects Fund</u> – used to account for financial resources used for the acquisition or construction of major capital facilities and for the proceeds and related expenditures of charter school capital outlay funding.

#### Measurement Focus, Basis of Accounting and Financial Statement Presentation

The financial statements of the School are prepared in accordance with generally accepted accounting principles (GAAP). The School's reporting entity applies all relevant Governmental Accounting Standards Board (GASB) Codification of Accounting and Financial Reporting Guidelines. The government-wide statements report using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Revenues from non-exchange transactions are reported according to Governmental Accounting Standards Board (GASB) Codification Section 1600.111 and Section N50 "Accounting and Financial Reporting for Non-Exchange Transactions". On the accrual basis, revenues from grants and donations are recognized in the fiscal year in which all eligibility requirements have been satisfied.

Governmental fund financial statements report using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized when they are both measurable and available. Measurable means the amount of the transaction can be determined. Available means collectible within the current period or soon enough thereafter to pay current liabilities. The School considers revenues to be available if they are collected within 90 days of the end of the fiscal year. Florida Education Finance Program (FEFP) revenues are recognized when received. A one-year availability period is used for revenue recognition for all other governmental fund revenues. When grant terms provide that the expenditure of funds is the prime factor for determining eligibility for federal, state, and other grant funds, revenue is recognized at the time the expenditure is made.

#### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Measurement Focus, Basis of Accounting and Financial Statement Presentation (Continued)

Expenditures are recorded when the related fund liability is incurred, except for long-term debt principal and interest which are reported as expenditures in the year due.

#### **Budgetary Basis Accounting**

Budgets are presented on the modified accrual basis of accounting. During the fiscal year, expenditures were controlled at the object level (e.g., salaries, purchased services, and capital outlay).

#### Cash and Cash Equivalents

The School's cash is considered to be cash on hand and demand deposits, with original maturities of three months or less.

#### Accounts receivable

Accounts receivable consists of after school care fees pending to be collected. Any bad debts are expensed in the subsequent period when they are determined to be uncollectible.

#### **Due from Governmental Agencies**

Due from other agency consists of amounts due from other governmental units for revenues from federal, federal through state, state, or other sources and from advances made to other governmental units.

#### Capital Assets, Depreciation and Amortization

Capital assets purchased or acquired are carried at historical cost or estimated historical cost. The School capitalization levels are \$1,000 on tangible personal property. Other costs incurred for repairs and maintenance are expensed as incurred. Capital assets are depreciated using the straight-line method. When capital assets are disposed, the costs and applicable accumulated depreciation are removed from the respective accounts, and the resulting gain or loss is recorded in operations.

Estimated useful lives, in years, for depreciable assets are as follows:

Furniture, fixtures and equipment	3-10 Years
Playground Equipment	3-10 Years
Motor Vehicles	5 Years
Improvements other than building	5 Years
Building improvements	Life of the lease

#### Compensated Absences

The School grants a specific number of days for sick/personal leave. Full-time employees are eligible for one day per month to up to ten days of active work during the ten-month period (a "benefit year"). All sick/personal leave days must be used by the fiscal year end. There is an opportunity to "cash out" unused sick days; however, the employees may only cash out if they have used three days or less of their sick leave in that benefit year.

GASB Codification Section C60, *Accounting for Compensated Absences*, provides that compensated absences that are contingent on a specific event that is outside the control of the employer and employee should be accounted for in the period those events take place. Accordingly, these financial statements do not include an accrual for compensated days available to be used in future benefit years.

#### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Budgetary Basis Accounting (Continued)**

#### Compensated Absences (Continued)

The School also provides certain days to be used for specific personal matters such as family death and jury duty. Because the use of such days is contingent upon those events taking place and such events are out of the control of both the employer and the employee, there is no accrual for such days.

#### Government-wide Fund Net Position

Government-wide fund net position are divided into three components:

- <u>Net investment in capital assets</u> consists of the historical cost capital assets less accumulated depreciation and reduced by the outstanding balances of any borrowings that are attributable to the acquisition or improvement of those assets plus deferred outflows of resources less deferred inflows of resources. The net investment in capital assets for the year ending June 30, 2020, was \$770,157.
- Restricted net assets consists of net assets with constraints placed on their use either by external groups such as creditors, grantors, contributors or laws or regulations of other governments less related liabilities and deferred inflows of resources. The restricted net position for the year ending June 30, 2020 was \$0.
- <u>Unrestricted</u> all other net position is reported in this category.

#### Governmental Fund Balances

In the governmental fund financial statements, fund balances are classified as follows:

- <u>Nonspendable</u> fund balance associated with inventories, prepaid expenses, long-term loans and notes receivable, and property held for resale (unless the proceeds are restricted, committed, or assigned). At June 30, 2020, the School had \$134,413 in nonspendable fund balance.
- Restricted fund balance category includes amounts that can be spent only for the specific purposes stipulated by constitution, external resource providers, or through enabling legislation. At June 30, 2020, there is no restricted fund balance.
- <u>Committed</u> fund balance classification includes amounts that can be used only for the specific purposes determined by a formal action of the School's Board of Directors. At June 30, 2020, there is no committed fund balance.
- <u>Assigned</u> fund balance classification are intended to be used by the School's management for specific purposes but do not meet the criteria to be classified as restricted or committed. At June 30, 2020, there is no assigned fund balance.
- <u>Unassigned</u> fund balance is the residual classification for the School's general fund and includes all spendable amounts not contained in the other classifications.

#### Order of Fund Balance Spending Policy

The School's policy is to apply expenditures against non-spendable fund balance, restricted fund balance, and committed fund balance at the end of the fiscal year by adjusting journal entries. First Non-spendable fund balances are determined. Then restricted fund balances for specific purposes are determined (not including non-spendable amounts). Then any remaining fund balance amounts for the non-general funds are classified as restricted fund balance. It is possible for the non-general funds to have negative unassigned fund balance when non-spendable amounts plus the restricted fund balances for specific purposes amounts exceed the positive fund balance for the non-general fund. As of June 30, 2020, there are no minimum fund balance requirements for any of the School's funds.

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Budgetary Basis Accounting (Continued)**

#### **Revenue Sources**

Revenues for operations will be received primarily from the District School Board of Monroe County (the "School Board") pursuant to the funding provisions included in the School's charter. In accordance with the funding provisions of the charter and Section 1002.33, Florida Statutes, the School will report the number of full-time equivalent (FTE) students and related data to the School Board. Under the provisions of Section 1011.62, Florida Statutes, the School Board reports the number of the full-time equivalent (FTE) students and related data to the Florida Department of Education (FDOE) for funding through the Florida Education Finance Program. Funding for the School is adjusted during the year to reflect the revised calculations by the FDOE under the Florida Education Finance Program and the actual weighted full-time equivalent students reported by the School during the designated full-time equivalent student survey periods. In addition, the School receives an annual allocation of charter school capital outlay funds for leasing of School facilities.

The School may also receive federal awards for the enhancement of various educational programs. Federal awards are generally received based on applications submitted to and approved by various granting agencies. For federal awards in which a claim to these grant proceeds is based on incurring eligible expenditures, revenue is recognized to the extent that eligible expenditures have been incurred. Any excess amounts are recorded as deferred revenues until expensed. Additionally, other revenues may be derived from various fundraising activities and certain other programs.

#### Income Taxes

Ocean Studies Charter School, Inc. qualifies as a tax exempt organization under the Internal Revenue Code Section 501(c)(3), and is, therefore, exempt from income tax. Accordingly, no tax provision has been made in the accompanying financial statements. OSCS Properties, LLC is a disregarded entity for tax purposes and therefore is not required to file a tax return form.

#### Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

#### **Subsequent Events**

The School has evaluated subsequent events and transactions for potential recognition or disclosure through October 20, 2020, which is the date the financial statements were available to be issued.

#### NOTE 3 – CAPITAL ASSETS

The following schedule provides a summary of changes in capital assets, acquired substantially with public funds, for the year ended June 30, 2020:

Capital Assets	Balance at 7/1/2019 Additions		Additions						letions		alance at /30/2020					
	\$	/1/2017											\$	ictions	\$	
Land	Ф	-	-	180,000	Ф	-	т.	180,000								
Building and improvements		-		2,087,765		-		2,087,765								
Improvements other than building		94,887		-		-		94,887								
Furniture & equipment		7,305		87,204		-		94,509								
Vehicles		45,850		59,430		-		105,280								
Audio visual materials & computer software		2,072		-		-		2,072								
Total Capital Assets		150,114		2,414,399		-		2,564,513								
Less Accumulated Depreciation																
Improvements other than building		(38,741)		(9,438)		-		(48,179)								
Furniture & equipment		(7,305)		(1,454)		-		(8,759)								
Vehicles		(33,691)		(12,636)		-		(46,327)								
Audio visual materials & computer software		(2,072)		-		-		(2,072)								
<b>Total Accumulated Depreciation</b>		(81,809)		(23,528)		-		(105,337)								
Capital Assets, net	\$	68,305	\$	2,390,871	\$	-	\$	2,459,176								

In December 2019, the School purchased facilities totaling \$1,800,000 with a loan payable from a financial institution (See Note 4). In addition, the School renovated the facilities totaling approximately \$468,000, which is included in building and improvements. The School expects to start using the facilities in the 2020-2021 fiscal year. Depreciation expense for the year ended June 30, 2020, was \$23,528 and is included in operation of plant in the statement of activities.

#### NOTE 4- LOAN PAYABLE

In December 2019, the School purchased facilities through a loan payable from a financial institution with advances up to \$1,700,000. The loan requires monthly payments of interest only for 12 months commencing on January 20,2020, followed by 107 monthly payments of principal and interest of \$10,308 and a balloon payment on December 20, 2029. The interest rate is fixed at 3.950% per annum. The loan is secured by the School's assets.

In addition, the School purchased buses totaling \$39,420. The loan is payable in 48 monthly installments of \$891 and bears interest at 4.060% and matures on December 18, 2023.

#### NOTE 4 - LOAN PAYABLE (Continued)

The Following schedule provides a summary of changes for the year ended June 30, 2020:

	Balance at					Balance at							
	7/1/2019 Add		lditions	Repayments		6/30/2020							
Bus loan payable	\$	-	\$	39,430	\$	4,585	\$	34,845					
Mortgage payable		-	1,654,174		1,654,174		1,654,174			-		1,654,174	
	\$	-	\$ 1,	693,604	\$	4,585	\$ 1	,689,019					

Future maturities are as follows:

Year Ending June 30,	_	
2021	\$	38,738
2022		70,172
2023		73,006
2024		70,562
2025		67,901
Thereafter	1	,368,640
Total	\$ 1	,689,019

#### NOTE 5 – DEPOSITS POLICY AND CREDIT RISK

It is the School's policy to maintain its cash and cash equivalents in one financial institution. Deposits at FDIC-insured financial institutions are insured up to \$250,000 per depositor, per financial institution. The School is a charter school under Ocean Studies Charter School, Inc. All bank accounts are opened under the account ownership of Ocean Studies Charter School, Inc., therefore, bank balances at times may potentially be in excess of FDIC coverage. As of June 30, 2020, bank balances in potential excess of FDIC coverage was \$0.

#### NOTE 6 - GRANTS

In the normal course of operations, the School receives grant funds from various federal, state and local agencies. The grant programs are subject to audit by agents of the granting authority, the purpose of which is to ensure compliance with conditions precedent to the granting of funds. Any liability for reimbursement which may arise as the result of these audits is not reflected in these financial statements.

#### NOTE 7 – RISK MANAGEMENT

The School is exposed to various risks of loss related to torts, thefts of, damage to and destruction of assets, errors and omissions and natural disasters for which the School carries commercial insurance. Settlement amounts have not exceeded insurance coverage in the past. In addition, there were no reductions in insurance coverage from those in the prior year. The School does not sponsor a public entity risk pool and has had no settlements that have exceeded their insurance coverage.

#### NOTE 8 – OTHER MATTERS

In January 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a "Public Health Emergency of International Concern," which continues to spread throughout the world and has adversely impacted global commercial activity and contributed to significant declines and volatility in financial markets. The coronavirus outbreak and government responses are creating disruption in global supply chains and adversely impacting many industries. The outbreak could have a continued material adverse impact on economic and market conditions and trigger a period of global economic slowdown. The rapid development and fluidity of this situation precludes any prediction as to the ultimate material adverse impact of the coronavirus outbreak. Nevertheless, the outbreak presents uncertainty and risk with respect to the School, its performance, and its financial results.

## OCEAN STUDIES CHARTER SCHOOL, INC. AND SUBSIDIARY SCHEDULE OF REVENUES, EXPENDITURES AND CHANGES IN FUND BALANCE - BUDGET AND ACTUAL – GENERAL FUND FOR THE YEAR ENDED JUNE 30, 2020

Net change in fund balance	\$		_\$	-	\$				

See accompanying note to the required supplemental information.

### OCEAN STUDIES CHARTER SCHOOL, INC. AND SUBSIDIARY NOTES TO REQUIRED SUPPLEMENTAL INFORMATION FOR THE YEAR ENDED JUNE 30, 2020

#### NOTE A - BUDGETARY INFORMATION

#### **Budgetary basis of accounting**

The School's annual budget is adopted for the entire operations at the combined governmental level and may be amended by the Board. The budget presented for the year ended June 30, 2020, has been amended according to Board procedures. During the fiscal year, expenditures were controlled at the fund level.

Although budgets are adopted for the entire operation, budgetary comparisons have been presented for the general and capital project funds for which a legally adopted budget exists.

Budgets are presented on the modified accrual basis of accounting. During the fiscal year, expenditures were controlled at the object level (e.g., salaries, purchased services, and capital outlay).

Manny Alvarez, C.P.A. Monique Bustamante, C.P.A. Pedro M. De Armas, C.P.A. Eric E. Santa Maria, C.P.A. Alejandro M. Trujillo, C.P.A.

> Michelle del Sol, C.P.A. Cristy C. Rubio, C.P.A. Tommy Trujillo, C.P.A. Javier Verdeja, C.P.A.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors of Ocean Studies Charter School, Inc. and Subsidiary Tavernier, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and each major fund of Ocean Studies Charter School, Inc. (the "School"), as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the School's basic financial statements, and have issued our report thereon dated October 20, 2020.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

#### MANAGEMENT LETTER

Board of Directors of Ocean Studies Charter School, Inc. and Subsidiary Tavernier, Florida

#### **Report on the Financial Statements**

We have audited the financial statements of Ocean Studies Charter School, Inc. and Subsidiary (the "School"), as of and for the fiscal year ended June 30, 2020, and have issued our report thereon dated October 20, 2020.

#### **Auditor's Responsibility**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and Chapter 10.850, Rules of the Auditor General.

#### **Other Reports Requirements**

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with Government Auditing Standards. Disclosures in that report, which is dated October 20, 2020, should be considered in conjunction with this management letter.

#### **Prior Audit Findings**

Section 10.854(1)(e)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings or recommendations made in the preceding annual financial audit report.

#### **Official Title**

Section 10.854(1)(e)5, Rules of the Auditor General, requires the name or official title of the entity and the school code assigned by the Florida Department of Education be disclosed in this management letter. The official title of the entity and the school code assigned by the Florida Department of Education of the school is Ocean Studies Charter School and #440381.

#### **Financial Condition and Management**

Sections 10.854(1)(e)2. and 10.855(11), Rules of the Auditor General, require us to apply appropriate procedures and communicate whether or not the School has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, we determined that the School did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.854(1)(e)6.a. and 10.855(12), Rules of the Auditor General, we applied financial condition assessment procedures for the School. It is management's responsibility to monitor the School's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same. The financial condition assessment procedures applied in connection with our audit, has led us to believe that the School's overall financial condition as of June 30, 2018 is not deteriorating.

Section 10.854(1)(e)3., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

#### **Transparency**

Sections 10.854(1)(e)7. and 10.855(13), Rules of the Auditor General, require that we report the results of our determination as to whether the School maintains on its Web site the information specified in Section 1002.33(9)(p), Florida Statutes. In connection with our audit, we determined that the School maintained on its Web site the information specified in Section 1002.33(9)(p), Florida Statutes.

#### **Additional Matters**

Section 10.854(1)(e)4., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Section 10.854(1)(e)4., Rules of the Auditor General, requires that we address noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

#### **Purpose of this Letter**

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Board of Directors, and applicable management and is not intended to be and should not be used by anyone other than these specified parties.
