### **Report on the Audit of the Financial Statements**

#### ***Opinion***

We have audited the accompanying special purpose financial statements of Early Beginnings Academy (the "School"), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Early Beginnings Academy as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Early Beginnings Academy, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The School's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

To the Board of Directors of  
United Cerebral Palsy of South Florida Charter Schools, Inc.  
d/b/a United Community Options of South Florida Charter Schools  
Miami, Florida

***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

United Cerebral Palsy of South Florida Charter Schools, Inc.

**Emphasis of Matter**

As explained in Note 1 to the special purpose financial statements, the financial statements being presented is only for the School referred to above, which is a program of United Cerebral Palsy of South Florida Charter Schools, Inc. d/b/a United Community Options of South Florida Charter Schools (a not-for-profit organization). The special purpose financial statements do not include the statements of financial position, activities and changes in net assets, functional expenses and cash flows of United Cerebral Palsy of South Florida Charter Schools, Inc. Accordingly, the accompanying special purpose financial statements are not intended to present the financial position of United Cerebral Palsy of South Florida Charter Schools, Inc. as of June 30, 2022 and 2021 or its results of operations and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated September 15, 2022, on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

**Note 1 NATURE OF ACTIVITIES**

**Nature of Activities**

United Cerebral Palsy of South Florida Charter Schools, Inc. d/b/a United Community Options of South Florida Charter Schools (the Organization) is a non-profit organization incorporated under the laws of the State of Florida to provide educational and support services to developmentally disabled children and adolescents ages birth through 22 years; be a community resource for children and adolescents with developmental disabilities; and provide daycare, after school and other related services to children and adolescents of the community, including operating charter schools organized pursuant to Section 228.056 of the Florida Statutes (2001).

The Organization on behalf of Early Beginnings Academy (the School) entered into a contract where the School operates under a charter with the School Board of Miami-Dade County, Florida (the School Board) that was approved for a second renewal on June 18, 2015 for an additional 10 years ending on June 30, 2025. The charter may be renewed by mutual written agreement between the School and the School Board. At the end of the term of the charter, the School Board may choose not to renew the charter under grounds specified in the charter in which case the School Board is required to notify the School in writing at least 90 days prior to the charter’s termination. Pursuant to Section 228.056(11)(e), Florida Statutes (2001), the charter school contract provides that in the event the School is dissolved or terminated, any unencumbered funds and all school property purchased with public funds automatically revert to the School Board. During the term of the charter, the School Board may also terminate the charter if good cause is shown.

The School provides special education for students grades Pre-K to 5<sup>th</sup> grade. The maximum enrollment capacity of the school is 150 students.

The School is accounted for as a program of the Organization. The governing body of the School is the Organization’s Board of Directors.

**EARLY BEGINNINGS ACADEMY  
NOTES TO SPECIAL PURPOSE FINANCIAL STATEMENTS  
YEARS ENDED JUNE 30, 2022 AND 2021**

**Note 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Presentation**

The financial statements, disclosures and account classifications are presented pursuant to the accounting regulations promulgated by the State of Florida Department of Education. The special purpose financial statements present the financial position, activities, net assets, functional expenses and cash flows for the Early Beginnings Academy only and do not include the assets, liabilities, net assets and statements of activities, functional expenses and cash flows of United Cerebral Palsy of South Florida Charter Schools, Inc.

For financial reporting purposes, Early Beginnings Academy is a program of United Cerebral Palsy of South Florida Charter Schools, Inc. and is included in the Organization's annual financial statements.

The financial statements have been prepared in accordance with U.S. generally accepted accounting principles ("US GAAP"), which require the School to report information regarding its financial position and activities according to the following net asset classifications:

*Net assets without donor restrictions:* Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the School. These net assets may be used at the discretion of the School's management and the board of directors.

*Net assets with donor restrictions:* Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the School, or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

**Cash and Cash Equivalents**

For the purposes of the statement of cash flows, short-term marketable investments purchased with an original maturity date of three months or less are considered to be cash equivalents.

**Credit Risk**

Financial instruments which potentially subject the School to concentration of credit risk consist principally of cash and accounts receivable. The School maintains its cash in bank deposit accounts which, at times, may exceed the Federal Deposit Insurance Corporation ("FDIC") insured limits up to \$250,000. At June 30, 2022, the School had uninsured cash balances of approximately \$696,000.

**Accounts Receivable**

The School uses the allowance method to account for uncollectible accounts receivable. The allowance for doubtful accounts is based on prior years' experience and management analysis of possible bad debts. As of June 30, 2022 and 2021, there was no allowance for doubtful accounts.

**EARLY BEGINNINGS ACADEMY  
NOTES TO SPECIAL PURPOSE FINANCIAL STATEMENTS  
YEARS ENDED JUNE 30, 2022 AND 2021**

**Note 2 NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Contributions**

Contributions received are recorded as net assets with donor restrictions or net assets without donor restrictions depending on the existence or nature of any donor restrictions. However, donor-restricted contributions whose restrictions are met in the same reporting period are reported as net assets without donor restrictions.

Contributions of donated non-cash assets are recorded at their fair values in the period received. Contributions of donated services that create or enhance non-financial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received.

**Property and Equipment**

Property and equipment are recorded at cost, except for donated assets which are recorded at their estimated fair value at the date of donation. The straight-line method is used to provide for depreciation over three to ten years estimated useful lives of the assets. The School capitalizes assets with a cost greater than \$1,000 and a useful life greater than one year. Maintenance and repairs are expensed as incurred; replacements and improvements are capitalized.

**Impairment of Long Lived Assets**

The School's management evaluates the recoverability of the investment in long-lived assets on an ongoing basis and recognizes any impairment in the year of determination. Long-lived assets were tested for impairment as of June 30, 2022, and in the opinion of management, there was no impairment.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Revenue Sources**

*School Board of Miami-Dade County*

Student funding is provided by the State of Florida Department of Education (FDOE) through the School Board of Miami-Dade County, Florida. This funding is received on a pro-rata basis over the twelve month period based on the student attendance reported by the school during the designated Full-Time Equivalent (FTE) survey periods.

In accordance with the charter agreement, the School Board retains five percent as an administrative fee, approximately \$42,300 and \$45,000 during the years ended June 30, 2022 and 2021 and are reflected as a reduction against FEFP funding on the statement of activities.

**Note 2 NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Revenue Sources (Continued)**

*Capital Outlay Funds*

Section 1013.62(1), Florida Statutes, establishes eligibility criteria and allocation procedures for the distribution of capital outlay funds to charter schools. Distributions from capital outlay funds are sent on a monthly basis to the sponsoring school district, which in turn remits funds to the charter schools. Pursuant to Section 1013.62(2), Florida Statutes, charter school capital outlay funds may be used only for specific purposes in which the School has complied. The School receives an annual allocation of charter school capital outlay funds for leasing of school facilities.

*Other Sources*

The School also receives federal awards for the enhancement of various educational programs. This assistance is generally received based on applications submitted and approved by various granting agencies. For federal awards which require incurring eligible expenditures, revenue is recognized to the extent eligible expenditures have been incurred. In the fiscal year 2022 and 2021, the School received a federal award through Individuals with Disability Education Act (IDEA).

**Functional Allocation of Expenses**

The School allocates expenses on a functional basis among its programs and supporting services. Expenses that can be identified as belonging to a specific program and/or support service are allocated directly according to their natural expense classification.

**Tax Status**

The Organization, and therefore the School, is a non-profit organization exempt from federal income taxes under Sec. 501(c)(3) of the Internal Revenue Code and has been classified as a public charity. The School's activities have been in furtherance of the Organization's tax-exempt purpose and there is no unrelated business income subject to taxation. As of June 30, 2022, with a few exceptions, the School is no longer subject to income tax examinations by the United States federal taxing authority for any tax year before 2019.

**Note 3 PROPERTY AND EQUIPMENT**

For the years ended June 30, 2022 and 2021, the School's property and equipment consisted of the following:

	2022	2021
Building improvements	\$ 58,858	\$ 58,858

Upon non-renewal or termination of the School's contract with the School Board, any property, improvements, furnishings and equipment purchased with public funds shall automatically revert to the School Board. As of June 30, 2022, the cost and the net book value of property and equipment purchased with public funds was \$298,696 and \$139,909, respectively.

**Note 4 RELATED PARTY TRANSACTIONS**

United Cerebral Palsy of South Florida Charter Schools, Inc. and United Cerebral Palsy Association of Miami, Inc. d/b/a United Community Options of Miami (UCOM) are considered to be related parties for financial statement reporting purposes. UCOM is tax-exempt not-for-profit corporation who provides services to the developmentally disabled and the handicapped. UCOM provides to the School managerial, administrative, accounting and other related services, general liability and property insurance coverage, educational leadership services, funds for startup costs and working capital, and leases classroom space and facilities to the School.

UCOM provides administrative and educational leadership services to the School. Fees for these services can be adjusted based on the School's financial ability. The fees from UCOM for administrative and educational leadership services for the years ended June 30, 2022 and 2021 was \$236,586 and \$388,433, respectively.

In addition, the agreement provides for the following services:

Purchased instructional and non-instructional services and classroom personnel: Reimbursement for services provided by UCOM staff are based on an allocation of total time spent on service to the School for identified positions based on their salary and benefits.

Therapy: UCOM will coordinate and supervise therapy services for school students during the school year. The charges for these services are based on the time spent on services provided.

Transportation: UCOM provides the coordination and supervision of all transportation services to the School. The charges for these services are based on an allocation methodology as approved in the annual budget.

The fees for these services from UCOM for the year ended June 30, 2022 and 2021 was \$725,209 and \$765,776, respectively.

The School leases its classroom facilities from UCOM. On July 1, 2019, the School and UCOM entered into a new lease agreement for classroom facilities. The lease is through June 30, 2024, with options to renew for two five-year periods. The annual cost shall be adjusted every year and agreed to by both parties. The annual cost for 2022 was \$314,402 payable in twelve equal monthly installments of \$26,200. The lease contains a rent adjustment to fair market square footage that may be instituted at the end of each year depending on the school financial ability. In 2022, rent was reduced based on the School's financial ability. For the years ended June 30, 2022 and 2021, the rent expense for the School were \$252,000 and \$261,828, respectively.

**Note 4 RELATED PARTY TRANSACTIONS (Continued)**

The minimum future lease payments for the School for the year ended June 30, are as follows:

<u>Years</u>	<u>Total</u>
2023	314,402
2024	314,402

UCOM's central office is located at 2700 West 81<sup>st</sup> Street, Hialeah, Florida and its main program facility is located at 1411 N.W. 14<sup>th</sup> Street, Miami, Florida. As of June 30, 2022, the UCOM was indebted to The School in the amount of \$68,097.

**Note 5 EMPLOYEE BENEFIT PLAN**

The School has a 403(b) retirement plan. Under 403(b), the employees may contribute up to 100 percent of their annual compensation, subject to certain statutory limitations. The School matches employee contributions at 50 percent up to 6 percent of the employees' compensation. The School's contributions to the 403(b) vest ratably over two to six years of service as specified in the plan. For the years ended June 30, 2022 and 2021, the School's cost under the retirement plan was approximately \$5,089 and \$3,321, respectively. The plan is held in a trust for the exclusive benefit of the participants and their beneficiaries; consequently, the School has no fiduciary responsibility and the net assets of the plan are not included in the School's special purpose financial statements.

**Note 6 ECONOMIC DEPENDENCE**

For the year ended June 30, 2022, revenue received from the School Board represented 97% of the School's total revenue. The School's ability to continue operating is predicated on the School Board's continued support and funding. If a significant reduction were to occur, it would have an adverse effect on the School's ability to continue operating the programs and services being provided.

**Note 7 LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS**

The School has \$1,011,279 of financial assets available within one year of the statement of financial position date to meet cash needs for general operating expenditures, consisting of cash of \$926,170 and accounts receivable, net of \$85,109. None of the financial assets are subject to donor or other contractual restrictions that make them unavailable for general expenditures within one year of the statement of financial position date. As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due.

**Note 8 SUBSEQUENT EVENTS**

Management has evaluated subsequent events through September 15, 2022, which is the date the financial statements were available to be issued. The School's management had no subsequent events to disclose.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the special purpose financial statements of Early Beginnings Academy (the School), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 15, 2022.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the special purpose financial statements, we considered the School's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the special purpose financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
