Management Letter	48 – 50

#### MANAGEMENT'S DISCUSSION AND ANALYSIS

This section of the annual financial report of Nap Ford Community School, Inc. - Legends Academy (the "School") presents management's discussion and analysis of the School's financial performance during the fiscal year ended June 30, 2022. Please read it in conjunction with the School's financial statements, which follow this section.

#### FINANCIAL HIGHLIGHTS

- The School's total net position decreased as compared to the prior year.
- During 2022, the School's expenses exceeded revenues by \$877,960, which is a decrease from the prior year when revenues exceeded expenses by \$361,941.
- Overall, revenues decreased by approximately \$323,000, which was a 7% decrease from the prior year.
- Overall, expenses increased by approximately \$917,000, which was a 21% increase from the prior year.
- Total assets and deferred outflows of resources were \$16,416,727, and total liabilities and deferred inflows of resources were \$17,200,454, resulting in net position of \$(783,727) as of June 30, 2022.

#### **OVERVIEW OF THE FINANCIAL STATEMENTS**

This annual report consists of three parts – management's discussion and analysis (this section), the basic financial statements and required supplementary information. The basic financial statements include two kinds of statements that present different views of the School:

- The first two statements are *government-wide financial statements* that provide both long-term and short-term information about the School's overall financial status.
- The remaining statements are fund financial statements that focus on individual parts of the School, reporting the School's operations in more detail than the government-wide statements.
  - The *governmental funds* financial statements tell how general school services were financed in the short term, as well as what remains for future spending.

The financial statements also include *notes* that explain some of the information in the financial statements and provide more detailed data. The statements are followed by a section of *required supplementary information* that further explains and supports the information in the financial statements.

This document also includes the following information required by the Uniform Guidance: schedule of expenditures of federal awards and accompanying note, independent auditor's report on compliance for the major program and on internal control over compliance required by the Uniform Guidance and the schedule of findings and questioned costs. In addition, it includes the independent auditor's report on internal control over financial reporting and on compliance and other matters based on an audit of financial statements performed in accordance with *Government Auditing Standards*, as well as the management letter required by the Rules of the Auditor General, Chapter 10.850.

The following table summarizes the major features of the School's financial statements, including the portion of the School they cover and the types of information they contain. The remainder of this overview section of management's discussion and analysis explains the structure and contents of each of the statements.

	Government-wide Statements	Fund Statements Governmental Funds
Scope	Entire School	The activities of the School that are not proprietary or fiduciary
Required financial statements	Statement of net position Statement of activities	Balance sheet – governmental funds Statement of revenues, expenditures and changes in fund balances – governmental funds
Accounting basis and measurement focus	Accrual accounting and economic resources focus	Modified accrual accounting and current financial resources focus
Type of asset/liability information	All assets, deferred outflows of resources, liabilities and deferred inflows of resources, both financial and capital, and short-term and long-term	Only assets/deferred outflows of resources expected to be used up and liabilities/deferred inflows of resources that come due during the year or soon thereafter; no capital assets included
Type of inflow/outflow information	All revenues and expenses during the year, regardless of when cash is received or paid	Revenues for which cash is received during or soon after the end of the year; expenditures when goods or services have been received and payment is due during the year or soon thereafter

#### **Government-wide Financial Statements**

The government-wide financial statements report information about the School as a whole using accounting methods similar to those used by private sector companies. The statement of net position includes all of the School's assets, deferred outflows of resources, liabilities and deferred inflows of resources. All of the current year's revenues and expenses are accounted for in the statement of activities, regardless of when cash is received or paid.

The two government-wide financial statements report the School's net position and how it has changed. Net position - the difference between the School's assets and deferred outflows of resources and its liabilities and deferred inflows of resources - is one way to measure the School's financial condition. Over time, increases or decreases in the School's net position are an indicator of whether its financial condition is improving or deteriorating, respectively. To assess the overall health of the School, one needs to consider additional nonfinancial factors such as changes in the School's student base, the quality of the education and the safety of the School.

The government-wide financial statements of the School are generally divided into three categories:

<u>Governmental Activities</u> – Most of the School's basic services are included here, such as instruction and school administration. Funds received through the Florida Education Finance Program ("FEFP") and state and federal grants finance most of these activities.

<u>Business-Type Activities</u> – In certain instances, the School may charge fees to help it cover the costs of certain services it provides. The School currently has no business-type activities.

<u>Component Units</u> – There currently are no component units included within the reporting entity of the School.

#### **Fund Financial Statements**

The fund financial statements provide more detailed information about the School's most significant funds, not the School as a whole. A fund is a self-balancing set of accounts which the School uses to keep track of specific sources of funding and spending for particular purposes. Some funds are required by state law, and the School may establish other funds to control and manage money for particular purposes, such as for federal grants.

The School has one type of fund:

Governmental Funds – Most of the School's basic services are included in governmental funds, which focus on (1) how cash and other financial assets that can readily be converted to cash flow in and out and (2) the balances left at year-end that are available for spending. Consequently, the governmental funds statements provide a detailed short-term view that helps one determine whether there are more or fewer financial resources that can be spent in the near future to finance the School's programs. Because this information does not encompass the additional long-term focus of the government-wide statements, we provide additional information on the subsequent page that explains the differences between them.

#### FINANCIAL ANALYSIS OF THE SCHOOL AS A WHOLE

#### **Net Position**

The School's combined net position as of June 30, 2022 and 2021 is summarized as follows – see table below:

	Governmental Activities				Increase
		2022		2021	(Decrease)
Current and other assets	\$	10,160,464	\$	1,553,958	554%
Capital assets, net		5,630,021		485,366	1060%
Deferred outflows of resources		626,242		895,138	-30%
Total assets and deferred outflows		16,416,727		2,934,462	459%
Current and other liabilities		-		2,120	-100%
Long-term liabilities		16,117,628		2,665,905	505%
Deferred inflows of resources		1,082,826		172,204	529%
Total liabilities and deferred inflows		17,200,454		2,840,229	506%
Net position:					
Net investment in capital assets		(290,634)		398,722	-173%
Unrestricted		(493,093)		(304,489)	-62%
Total net position	\$	(783,727)	\$	94,233	-932%

Capital assets, net and long-term liabilities increased and the net investment in capital assets decreased due to current year fixed asset additions in excess of depreciation expense. These additions were financed with debt. Deferred outflows of resources and deferred inflows of resources changed due to the remeasurement of the pension liability. Current and other assets increased due to an increase in restricted cash as a result of the debt issuance. Total net position changed due to the current year operating deficit and the activity noted above.

#### **Change in Net Position**

The School's total revenues decreased by 7% to \$4,323,891, and the total cost of all programs and services increased by 21% to \$5,201,851 – see table below.

	Government	Increase	
	2022	2021	(Decrease)
Revenues:			
Federal sources passed through local school district State and local sources Contributions and other revenue	\$ 803,674 2,881,893 638,324	\$ 912,941 3,223,800 509,734	-12% -11% 25%
Total revenues	4,323,891	4,646,475	-7%
Expenses:			
Instruction	3,015,102	2,902,805	4%
Instruction-related technology	56,126	42,722	31%
Board	33,816	35,331	-4%
General administration	94,126	98,719	-5%
School administration	371,294	209,709	77%
Facilities acquisition and construction	672,939	-	100%
Fiscal services	140,638	130,185	8%
Food services	276,778	122,300	126%
Operation and maintenance of plant	493,329	732,104	-33%
Interest	47,703	10,659	348%
Total expenses	5,201,851	 4,284,534	21%
Change in net position	\$ (877,960)	\$ 361,941	-343%

Federal sources passed through local school district decreased due to decreases in both the charter school start-up grant program and Title I funding, offset by an increase in food program revenues as a result of increased participation. The decrease in state and local sources is due to a decrease in student enrollment. Contributions and other revenue increased due to increased revenue from PPP loan forgiveness, offset by a decrease in donations and fundraising events.

School administration increased due to an increase in purchased services. The increase in facilities acquisition and construction is the result of additional expenses related to the School's new building construction. Food services increased due to additional food service expenditures resulting from increased in-person school attendance in the current year. The decrease in operation and maintenance of plant is the result of reduced rental expenses as the School implemented GASB 87 related to leases. Interest increased due to the addition of long-term debt in the current year.

#### FINANCIAL ANALYSIS OF THE SCHOOL'S FUNDS

As the School completed the year, its governmental funds reported a combined fund balance of \$10,160,464. Both revenues and expenditures changed for the same reasons described above.

#### **General Fund Budgetary Highlights**

For 2022, actual general fund revenues were approximately \$65,000 above the final budget, which represents a budget variance of 2%.

Actual general fund expenditures were approximately \$6,944,000 above the final budget, which represents a 211% budget variance. The variance was due to facilities acquisition and construction and capital outlay expenditures related to the new building construction that were not budgeted.

#### **Special Revenue Fund Budgetary Highlights**

For 2022, actual special revenue fund revenues were approximately \$29,000 below the final budget, which represents a budget variance of 3%.

Actual special revenue fund expenditures were approximately \$8,000 below the final budget, which represents a 1% budget variance.

#### CAPITAL ASSET AND DEBT ADMINISTRATION

#### **Capital Assets**

The School's investment in capital assets at the end of fiscal 2022 amounts to \$5,630,021 (net of accumulated depreciation). See table below:

	Government	Increase	
	2022	2021	(Decrease)
Construction in progress	\$ 3,219,091	\$ -	100%
Land	1,750,000	-	100%
Buildings	119,575	119,575	0%
Leased facility	730,000	-	100%
Leasehold improvements	394,182	394,182	0%
Furniture, fixtures and equipment	702,490	702,490	0%
Less: accumulated depreciation	(1,285,317)	(730,881)	-76%
Total capital assets, net	\$ 5,630,021	\$ 485,366	1060%

The School is constructing a new building, purchased land and implemented lease accounting under GASB 87 in the current year. More detailed information about the School's capital assets is presented in Note 4 to the financial statements.

#### **Long-term Debt**

As of June 30, 2022, the School had \$16,117,628 in long-term liabilities outstanding. This year's major long-term debt additions include the following:

- Bonds payable of \$14,777,352
- Lease liability of \$730,000

Scheduled payments reduced the amount outstanding in the current year. More detailed information about the School's long-term liabilities is presented in Note 6 to the financial statements.

#### **ECONOMIC FACTORS AND NEXT YEAR'S BUDGET**

The following economic indicators were taken into account when adopting the general fund budget for 2023:

- Increased student enrollment
- Projected decrease in donations and fundraising events

Amounts available for appropriation in the general fund are approximately \$3,784,000, an increase of 13% from the final 2022 amount of \$3,337,273. Budgeted expenditures are expected to be approximately \$3,745,000, a decrease of 63% from the final 2022 amount of \$10,235,999, primarily due to a decrease in construction-related expenditures. The School has added no major new programs to the 2023 budget.

If these estimates are realized, the School's budgetary general fund balance is expected to increase by the close of 2023.

#### CONTACTING THE SCHOOL'S FINANCIAL MANAGEMENT

This financial report is designed to provide interested parties with a general overview of the School's finances and to demonstrate the School's accountability for the money it receives. Should additional information be required, please contact the School's administrative offices at P.O. Box 2031, Orlando, Florida 32802.

### INDEPENDENT AUDITOR'S REPORT ON BASIC FINANCIAL STATEMENTS AND SUPPLEMENTARY INFORMATION

To the Board of Directors of Nap Ford Community School, Inc. – Legends Academy

#### REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

#### **Opinions**

We have audited the accompanying financial statements of the governmental activities, each major fund and the aggregate remaining fund information of Nap Ford Community School, Inc. – Legends Academy (the "School"), as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the School's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund and the aggregate remaining fund information of Nap Ford Community School, Inc. – Legends Academy as of June 30, 2022, and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the School and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

To the Board of Directors of Nap Ford Community School, Inc. – Legends Academy Page 2

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered
  in the aggregate, that raise substantial doubt about the School's ability to
  continue as a going concern for a reasonable period of time.

To the Board of Directors of Nap Ford Community School, Inc. – Legends Academy Page 3

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 1 - 7, the budgetary comparison information on pages 35 – 36 and the pension information on pages 37 – 38 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational. economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements. and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### **Supplementary Information**

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the School's basic financial statements. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

To the Board of Directors of Nap Ford Community School, Inc. - Legends Academy Page 4

#### OTHER REPORTING REQUIRED BY GOVERNMENT AUDITING STANDARDS

In accordance with Government Auditing Standards, we have also issued our report dated October 13, 2022 on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the School's internal control over financial reporting and compliance.

# RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES

#### FOR THE YEAR ENDED JUNE 30, 2022

Net changes in fund balances - total governmental funds	\$	8,608,626
Amounts reported for governmental activities in the statement of activities are different because:		
Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense. This is the amount by which capital outlays (\$5,699,091) exceed depreciation expense (\$554,436) in the current period.		5,144,655
Pension income or expense resulting from GASB 68 included in the statement of activities does not provide or require the use of current financial resources and, therefore, is not reported as a net change in fund balances in the governmental funds.		85,105
Debt proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net position.	(	15,507,352)
Principal payments on long-term debt are expenditures in the governmental funds, but the repayments reduce long-term liabilities in the statement of net position.		791,006
Change in net position of governmental activities	\$	(877,960)

#### **NOTES TO FINANCIAL STATEMENTS**

#### FOR THE YEAR ENDED JUNE 30, 2022

#### 1 ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

#### Organization

Nap Ford Community School, Inc. (the "Company") is a not-for-profit corporation organized pursuant to Chapter 617, Florida Statutes, the Florida Not-For-Profit Corporation Act and Section 1002.33, Florida Statutes. Legends Academy (the "School") operated as part of the Company. The governing body of the School is the not-for-profit corporation Board of Directors, which is composed of six members.

The general operating authority of the School is contained in Section 1002.33, Florida Statutes. The School operates under a charter of the sponsoring school district, the District School Board of Orange County, Florida (the "School Board"). The current charter is effective until June 30, 2031 and may be renewed in increments of five or fifteen years by mutual written agreement between the School and the School Board. At the end of the term of the charter, the School Board may choose not to renew the charter under grounds specified in the charter. In this case, the School Board is required to notify the School in writing at least 90 days prior to the charter's expiration. During the term of the charter, the School Board may also terminate the charter if good cause is shown. In the event of termination of the charter, any property purchased by the School with public funds and any unencumbered public funds, except capital outlay funds, revert back to the School Board. Any unencumbered capital outlay funds revert back to the Florida Department of Education ("FDOE") to be distributed among eligible charter schools. The School meets the definition of a governmental entity under the Governmental Accounting Standards Board's ("GASB") accounting guidance; therefore, for financial reporting purposes, the School is required to follow generally accepted accounting principles applicable to state and local governmental units.

Criteria for determining if other entities are potential component units of the School which should be reported with the School's basic financial statements are identified and described in the GASB's Codification of Governmental Accounting and Financial Reporting Standards. The application of these criteria provides for identification of any entities for which the School is financially accountable and other organizations for which the nature and significance of their relationship with the School are such that exclusion would cause the School's basic financial statements to be misleading or incomplete. Based on these criteria, no component units are included within the reporting entity of the School.

#### **Basis of Presentation**

The School's financial statements have been prepared in accordance with generally accepted accounting principles as prescribed by the GASB. Accordingly, both government-wide and fund financial statements are presented.

The government-wide financial statements report information about the School as a whole using accounting methods similar to those used by private-sector companies. The statement of net position includes all of the School's assets, deferred outflows of resources, liabilities, and deferred inflows of resources. All of the current year's revenues and expenses are accounted for in the statement of activities regardless of when cash is received or paid.

### NOTES TO FINANCIAL STATEMENTS (continued)

Program revenues consist of charges for services, operating grants and contributions, and capital grants and contributions. Charges for services refer to amounts received from those who purchase, use or directly benefit from goods, services or privileges provided by a given function. Grants and contributions consist of revenues that are restricted to meeting the operational or capital requirements of a particular function. Revenues not classified as program revenues are reported as general revenues.

The government-wide financial statements of the School are generally divided into three categories:

<u>Governmental Activities</u> – Most of the School's basic services are included here, such as instruction and school administration. Funds received through the Florida Education Finance Program ("FEFP") and state and federal grants finance most of these activities.

<u>Business-Type Activities</u> – In certain instances, the School may charge fees to help it cover the costs of certain services it provides. The School currently has no business-type activities.

<u>Component Units</u> – There currently are no component units included within the reporting entity of the School.

The fund financial statements provide more detailed information about the School's most significant funds, not the School as a whole. A fund is an accounting entity having a self-balancing set of accounts for recording assets, deferred outflows of resources, liabilities, deferred inflows of resources, fund balance, revenues, expenditures, and other financing sources and uses. Resources are allocated to and accounted for in individual funds based on the purpose for which they are spent and the means by which spending activities are controlled. The funds in the financial statements of this report are as follows:

#### Governmental Funds:

<u>General Fund</u> – To account for all financial resources not required to be accounted for in another fund.

<u>Special Revenue Fund</u> – To account for the proceeds of specific revenue sources and grants that are restricted by law or administrative action to expenditure for specific purposes and to provide a single source of accountability for all funds received.

<u>Capital Projects Fund</u> – To account for all resources for the acquisition of capital items by the School purchased with capital outlay funds.

For purposes of these statements, the general and special revenue funds are considered major funds. The capital projects fund is considered non-major and is included as the other governmental fund.

### NOTES TO FINANCIAL STATEMENTS (continued)

#### **Basis of Accounting**

Basis of accounting refers to when revenues and expenses/expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The government-wide financial statements are presented using the accrual basis of accounting and an economic resources focus. Under the accrual basis of accounting, revenues and expenses are recognized when they occur.

The modified accrual basis of accounting and current financial resources focus is followed by the governmental funds. Under the modified accrual basis, revenues are recognized when they become measurable and available. Available means collectible within the current period or soon enough thereafter to pay current liabilities. The School considers revenues to be available if they are collected within 60 days of the end of the fiscal year. Under the modified accrual basis of accounting, expenditures are generally recognized when the related fund liability is incurred. The principal exceptions to this general rule are: (1) interest on general long-term debt is recognized when due and (2) expenditures related to liabilities reported as general long-term debt are recognized when due.

#### **Budgetary Basis Accounting**

Budgets are presented on the modified accrual basis of accounting. During the fiscal year, expenditures were controlled at the fund level.

#### **Cash and Cash Equivalents**

Investments with an original maturity of three months or less at the time they are purchased are considered to be cash equivalents. The School maintains its cash accounts in financial institutions subject to insurance coverage issued by the Federal Deposit Insurance Corporation (the "FDIC"). Under FDIC rules, the Company is entitled to aggregate coverage of \$250,000 per account type per separate legal entity per financial institution. As of June 30, 2022, the Company had deposits in financial institutions with custodial credit risk exposure in excess of FDIC coverage totaling approximately \$520,000. The School has not historically experienced losses on its cash and cash equivalents.

#### Receivables

Receivables consist of amounts due from contributors or from governmental agencies for various programs. Allowances are reported when management estimates that accounts may be uncollectible.

### NOTES TO FINANCIAL STATEMENTS (continued)

#### **Capital Assets and Depreciation**

Expenditures for capital assets acquired for general School purposes are reported in the governmental fund that financed the acquisition. Purchased capital assets are reported at cost, net of accumulated depreciation, in the government-wide financial statements. Donated assets are recorded at fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets, which range as follows:

	<u>Years</u>
Buildings	10
Leased facility	3
Leasehold improvements	3 - 5
Furniture, fixtures and equipment	3 - 5

Information relative to changes in capital assets is described in Note 4.

#### **Compensated Absences**

Compensated absences (i.e. paid absences for employee vacation leave and sick leave) are recorded as expenditures in governmental funds when leave is used or when accrued as payable to employees entitled to cash payment in lieu of taking leave. In the government-wide financial statements, compensated absences are recorded as an expense when earned by the employees. The liability for compensated absences is classified as a long-term liability that is due within one year because the amount of vacation and sick time to be used after the following year cannot be reasonably estimated. Information relative to changes in long-term liabilities is described in Note 6.

#### **Long-term Liabilities**

Long-term obligations that will be financed by resources to be received in the future by the governmental funds are reported in the government-wide financial statements, not in the governmental funds. Information relative to changes in long-term liabilities is described in Note 6.

#### **Fund Balance Spending Policy**

The School's adopted spending policy is to spend from the restricted fund balance first, followed by committed, assigned, then the unassigned fund balance. Most funds were designated for one purpose at the time of their creation. Therefore, expenditures made out of the fund will be allocated to the applicable fund balance classifications in the order of the aforementioned spending policy. If expenditures are incurred that meet the purpose of more than one fund, they will be allocated to restricted fund balance first and then follow the order above. Funds can only be committed by formal action of the Board of Directors. The Board of Directors has delegated authority to assign funds to the Executive Director. There are no minimum fund balance requirements for any of the School's funds.

### NOTES TO FINANCIAL STATEMENTS (continued)

#### **Revenue Sources**

Revenues for current operations are received primarily from the School Board pursuant to the funding provisions included in the School's charter. As such, the School's revenue stream is largely dependent upon the general state of the economy and the amounts allotted to the FDOE by the state legislature. In accordance with the funding provisions of the charter and Section 1002.33(18), Florida Statutes, the School reports the number of full-time equivalent students and related data to the School Board.

Under the provisions of Section 1011.62, Florida Statutes, the School Board reports the number of full-time equivalent students and related data to the FDOE for funding through the FEFP. Funding for the School is adjusted during the year to reflect the revised calculations by the FDOE under the FEFP and the actual weighted full-time equivalent students reported by the School during the designated full-time equivalent student survey periods. The School Board receives a 5% administrative fee from the School, which is reflected as a general administration expense/expenditure in the accompanying financial statements.

The School receives federal awards for the enhancement of various educational programs. This assistance is generally received based on applications submitted to and approved by various granting agencies. For federal awards in which a claim to these grant proceeds is based on incurring eligible expenditures, revenue is recognized to the extent that eligible expenditures have been incurred.

The School is also eligible for charter school capital outlay funding. The amounts received under this program are based on the School's actual and projected student enrollment during the fiscal year. Funds received under this program may only be used for lawful capital outlay expenditures and, as such, any unexpended amounts are reflected as restricted net position and restricted fund balance in the accompanying financial statements.

#### **Income Taxes**

The Company is an organization exempt from income taxation under Section 501(a) as an entity described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended. Accordingly, no provision for federal income taxes is included in the accompanying financial statements.

#### **Use of Estimates**

In preparing the financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets, deferred outflows of resources, liabilities and deferred inflows of resources as of the date of the statement of net position and the balance sheet – governmental funds and affect revenues and expenses/expenditures for the period presented. Actual results could differ significantly from those estimates.

### NOTES TO FINANCIAL STATEMENTS (continued)

#### **Subsequent Events**

The School has evaluated subsequent events through October 13, 2022, the date these financial statements were available to be issued.

#### **Recently Adopted Accounting Pronouncement**

In June 2017, the GASB issued Statement No. 87, *Leases*, which requires recognition of certain lease assets and liabilities for leases that previously were classified as operating leases. It establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. Under this guidance, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, thereby enhancing the relevance and consistency of information about a school's leasing activities. The School adopted the standard on July 1, 2021 on a prospective basis. Upon adoption of the standard, \$730,000 was recorded in leased building asset, and \$730,000 was recorded as a lease liability in the statement of net position. In addition, \$730,000 was recorded as other financing sources and facilities acquisition and construction expenditures in the general fund in the statement of revenues, expenditures and changes in fund balances – governmental funds. There was no effect on the School's beginning net position or fund balance.

#### 2 INTERFUND ACTIVITIES

Due to/from other funds consisted of the following balances as of June 30, 2022:

	Interfund Receivables		nterfund ayables
General fund	\$	47,400	\$ -
Special revenue fund		-	 47,400
Total interfund	\$	47,400	\$ 47,400

The amount payable by the special revenue fund to the general fund is to cover temporary cash shortages related to the timing of receipts.

#### 3 OTHER ASSETS

Other assets consist of the following as of June 30, 2022:

Prepaid expenses Deposits	\$ 35,370 17,954
Total other assets	\$ 53,324

# NOTES TO FINANCIAL STATEMENTS (continued)

#### 4 CHANGES IN CAPITAL ASSETS

Capital asset activity during fiscal year 2022 was as follows:

	Beginning			Ending
	Balance	Increases	Decreases	Balance
Governmental activities: Capital assets not being depreciated:				
Construction in progress	\$ -	\$ 3,219,091	\$ -	\$ 3,219,091
Land		1,750,000		1,750,000
Total capital assets not being depreciated		4,969,091		4,969,091
Capital assets being depreciated:	440 ===			440 575
Buildings	119,575	-	-	119,575
Leased facility	-	730,000	-	730,000
Leasehold improvements	394,182	-	-	394,182
Furniture, fixtures and equipment	702,490			702,490
Total capital assets being depreciated	1,216,247	730,000		1,946,247
Less accumulated depreciation for:				
Buildings	(13,951)	(11,746)	-	(25,697)
Leased facility	-	(350,400)	-	(350,400)
Leasehold improvements	(316,406)	(147,289)	-	(463,695)
Furniture, fixtures and equipment	(400,524)	(45,001)		(445,525)
Total accumulated depreciation	(730,881)	(554,436)		(1,285,317)
Capital assets being depreciated, net	485,366	175,564		660,930
Governmental activities capital assets, net	\$ 485,366	\$ 5,144,655	\$ -	\$ 5,630,021

Depreciation expense was charged to functions as follows:

Governmental activities:	
Instruction	\$ 513,672
School administration	40,764
Total governmental activities depreciation expense	\$ 554,436

### NOTES TO FINANCIAL STATEMENTS (continued)

#### 5 COMMITMENTS AND CONTINGENT LIABILITIES

#### **Grants**

The School participates in state and federal grant programs, which are governed by various rules and regulations of the grantor agencies. Costs charged to the respective grant programs are subject to audit and adjustment by the grantor agencies; therefore, to the extent that the School has not complied with the rules and regulations governing the grants, refunds of any money received may be required and the collectibility of any related receivable as of June 30, 2022 may be impaired. In the opinion of the School, there are no significant contingent liabilities relating to compliance with the rules and regulations governing the respective grants; therefore, no provision has been recorded in the accompanying financial statements for such contingencies.

#### **Legal Matters**

In the normal course of conducting its operations, the School occasionally becomes party to various legal actions and proceedings. In the opinion of management, the ultimate resolution of such legal matters will not have a significant adverse effect on the accompanying financial statements.

#### **Risk Management Program**

Workers' compensation coverage, health and hospitalization, general liability, professional liability and property coverages are being provided through purchased commercial insurance with minimum deductibles for each line of coverage. Settled claims resulting from these risks have not historically exceeded commercial coverage.

#### **Construction Commitments**

At June 30, 2022, the School had entered into two construction contracts for building and renovation of the campus facilities. The open commitments under those contracts was approximately \$7,780,000 at June 30, 2022.

### NOTES TO FINANCIAL STATEMENTS (continued)

#### **6 LONG-TERM LIABILITIES**

Long-term liabilities activity during 2022 was as follows:

	_	nning			_			Ending		e Within
<u>-</u>	Bala	ınce	Inc	creases	De	ecreases	B	alance	_0	ne Year
Governmental activities:										
Compensated absences	\$ 1	4,820	\$	-	\$	-	\$	14,820	\$	14,820
Lease liability (see Note 10)	2	28,735		730,000		(370,735)		388,000		357,385
Bonds payable		-	14	,777,352		(8,689)	14	1,768,663		16,852
Note payable	5	7,909		-		(22,903)		35,006		25,737
PPP note payable	38	88,679		-		(388,679)		-		-
Net pension liability	2,17	75,762		-	(	1,264,623)		911,139		
Governmental activities,										
long-term liabilities	\$ 2,66	55,905	\$15	5,507,352	\$ (	2,055,629)	\$16	5,117,628	\$	414,794

#### **Bonds Payable**

On December 2, 2021, Capital Trust Agency (the "Issuer") issued Educational Facilities Revenue and Revenue Refunding Bond, Series 2021A, in the principal amount of \$13,850,000 (the "Series 2022A Bond") and its Taxable Educational Facilities Revenue Bond, Series 2021B, in the principal amount of \$325,000 (the "Series 2021B Bond;" together with the Series 2021A Bond, the "Bonds"). The Bonds were used to (i) acquire and renovate certain land and buildings in Orlando, Florida, and (ii) to pay for capitalized interest and other costs of issuing the bonds.

The Bonds were privately placed with USBank (the "Lender") and do not constitute a debt, liability or obligation of the Issuer, Capital Trust Agency or of the State of Florida or of any other political subdivision. The School incurred \$562,800 in issuance fees in connection with this debt, which are included in facilities acquisition and construction in the accompanying financial statements. Proceeds from this note are recorded in the general fund.

The Issuer has no obligation for the debt beyond the resources provided by the facilities. The School shall pay directly to the Lender, for the account of the Issuer, on or before the dates required under the Bonds and under the financing agreement. The Series 2021A Bond is subject to an interest rate of 5.00%, and Series 2021B is subject to an interest rate of 5.25%. The bonds were issued at par. The bond was issued with a premium of approximately \$600,000 which is amortized over the life of the debt.

### NOTES TO FINANCIAL STATEMENTS (continued)

The financing agreement for the bonds described above contains certain covenants with which the School must comply including requirements for cash on hand and a debt service ratio. At least 45 days of operating expenses are required to be held in cash. A ratio of 1.0 or 1.1 times is required for the debt service coverage ratio. The calculation of those covenants is as follows:

Cash on Hand		
Unrestricted cash		\$ 776,295
Total expenses Issuance costs Depreciation and amortization	\$ 5,201,851 562,800 554,436	
Operating expenses	4,084,615	
Operating expenses per day		 11,191
Number of days operating expense	in cash	 69
Debt Service Coverage Ratio Change in net position Plus issuance costs paid from debt Plus depreciation and amortization	•	\$ (877,960) 562,800 554,436
Principal and interest requirements	of the bond	 239,276 100,000 2.00

#### **Note Payable**

The School has entered into a note payable with a financial institution. Principal and interest payments of \$2,374 are due monthly at an interest rate of 11.7%. The note matures in October 2023 and is secured by three portable classroom buildings.

Future debt service requirements related to the note payable are as follows:

Year Ended June 30,	P	rincipal	In	nterest	 Total
2023	\$	25,737	\$	2,751	\$ 28,488
2024		9,269		227	 9,496
	\$	35,006	\$	2,978	\$ 37,984

#### **PPP Note Payable**

In March 2021, the School entered into a \$388,679 note payable agreement pursuant to the Coronavirus, Aid, Relief, and Economic Security Act's ("CARES Act") Paycheck Protection Program ("PPP"). During the year ended June 30, 2022, the entire balance was forgiven, and the income is included in contributions and other revenue in the accompanying financial statements.

### NOTES TO FINANCIAL STATEMENTS (continued)

#### 7 PENSION PLANS

#### **Pension Plan Descriptions**

The Florida Department of Management Services, Division of Retirement ("Division"), is part of the primary government of the State of Florida and is responsible for administering the Florida Retirement System Pension Plan and Other State-Administered Systems ("System"). The School participates in two defined benefit plans administered by the Division. The Division issued a publicly-available, audited annual comprehensive financial report ("ACFR") on behalf of the System that includes financial statements, notes and required supplementary information for each of the pension plans. Detailed information about the plans is provided in the ACFR, which is available online or by contacting the Division.

The Florida Retirement System ("FRS") Pension Plan is a cost-sharing, multiple-employer qualified defined benefit pension plan with a Deferred Retirement Option Program ("DROP") available for eligible employees. The FRS was established and is administered in accordance with Chapter 121, Florida Statutes. The Florida Legislature establishes and amends the contribution requirements and benefit terms of the FRS Pension Plan. Retirees receive a lifetime pension benefit with joint and survivor payment options. FRS membership is compulsory for employees filling regularly established positions in a state agency, county agency, state university, state community college, or district school board, unless restricted from FRS membership under sections 121.053 and 121.122, Florida Statutes, or allowed to participate in a non-integrated defined contribution plan in lieu of FRS membership. Participation by cities, municipalities, special districts, charter schools and metropolitan planning organizations is optional.

The Retiree Health Insurance Subsidy ("HIS") Program is a cost-sharing, multiple-employer defined benefit pension plan established and administered in accordance with section 112.363, Florida Statutes. The Florida Legislature establishes and amends the contribution requirements and benefit terms of the HIS Program. The benefit is a monthly payment to assist retirees of the state-administered retirement systems in paying their health insurance costs. For the fiscal year ended June 30, 2021, eligible retirees and beneficiaries received a monthly HIS payment equal to the number of years of service credited at retirement multiplied by \$5. The minimum payment is \$30 and the maximum payment is \$150 per month, pursuant to section 112.363, Florida Statutes. To be eligible to receive a HIS benefit, a retiree under one of the state-administered retirement systems must provide proof of eligible health insurance coverage, which may include Medicare.

Employee contributions required pursuant to section 121.71(3), Florida Statutes, are accounted for by the FRS as employer-paid employee contributions and are treated as employer contributions under 26 U.S.C. s. 414(h)(2) allowing these contributions to be deducted on a pretax basis. Pension expense reported by the School is reduced by these amounts.

Total employer contributions are determined on a uniform basis (blended rate) as required by Part III of Chapter 121, Florida Statutes. Employer contributions reflected in the financial statements represent contributions specific to each defined benefit plan and do not equal total blended contributions remitted by the employer.

### NOTES TO FINANCIAL STATEMENTS (continued)

Contribution rates were as follows:

	Percent of Gross Salary			
Class or Plan	Employee	Employer (A)		
Florida Retirement System, Regular	3%	10.82%		
Florida Retirement System, Reemployed Retiree	(B)	(B)		

- (A) Employer rates include 1.66% for the Retiree Health Insurance Subsidy and 0.06% for administration of the Florida Retirement System Investment Plan and provision of educational tools for both plans, and any applicable unfunded actuarial liability rates.
- (B) Contribution rates are dependent upon the retirement class in which reemployed.

### Information about the Employer's Proportionate Share of the Collective Net Pension Liability

#### Assumptions and Other Inputs

The FRS Actuarial Assumption Conference is responsible for setting the assumptions used in the funding valuations of the defined benefit pension plan pursuant to section 216.136(10), Florida Statutes. The Division determines the assumptions in the valuations for GASB 67 reporting purposes. The FRS Pension Plan's GASB 67 valuation is performed annually. The HIS Program has a valuation performed biennially that is updated for GASB reporting in the year a valuation is not performed. The most recent experience study for the FRS Pension Plan was completed in 2019 for the period July 1, 2013, through June 30, 2018. Because the HIS Program is funded on a pay-as-you-go basis, no experience study has been completed for that program. The actuarial assumptions that determined the total pension liability for the HIS Program were based on certain results of the most recent experience study for the FRS Pension Plan.

The total pension liability for each cost-sharing defined benefit plan was determined using the individual entry age actuarial cost method. Inflation increases for both plans is assumed at 2.40%. Payroll growth, including inflation, for both plans is assumed at 3.25%. Both the discount rate and the long-term expected rate of return used for FRS Pension Plan investments is 6.80%. The plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the discount rate for calculating the total pension liability is equal to the long-term expected rate of return.

Because the HIS Program uses a pay-as-you-go funding structure, a municipal bond rate of 2.16% was used to determine the total pension liability for the program (Bond Buyer General Obligation 20-Bond Municipal Bond Index). Mortality assumptions for both the FRS Pension Plan and the HIS Program were based on the PUB-2010 base table.

### NOTES TO FINANCIAL STATEMENTS (continued)

The following changes in actuarial assumptions occurred in 2021:

- FRS: Decreasing the maximum amortization period to 20 years for all current and future amortization bases.
- HIS: The municipal bond rate used to determine total pension liability was decreased from 2.21% to 2.16%.

The following tables demonstrate the sensitivity of the net pension liability to changes in the discount rate. The sensitivity analysis shows the impact to the collective net pension liability if the discount rate was 1% lower or 1% higher than the current discount rate as of June 30, 2021:

#### School's Proportionate Share of FRS School's Proportionate Share of HIS **Net Pension Liability Net Pension Liability** Current Current 1% Discount 1% 1% **Discount** 1% Increase Decrease Rate Increase Decrease Rate 5.80% 6.80% 7.80% 1.16% 2.16% 3.16% \$ 1,200,670 268,482 \$ (510,722) 742,974 \$ 642,657 560.470

#### The Pension Plans' Fiduciary Net Positions

Detailed information about the pension plans' fiduciary net positions are available in the System's separately issued ACFR. The components of the collective net pension liability of the participating employers for each defined benefit plan for the measurement date of June 30, 2021, are shown below (in thousands):

	FRS	HIS
Total pension liability	\$ 209,636,046	\$ 12,719,121
Plan fiduciary net position	 (202,082,183)	 (452,618)
Net pension liability	\$ 7,553,863	\$ 12,266,503
Plan fiduciary net position as a percentage		
of the total pension liability	96.40%	3.56%

The total pension liability for the FRS Pension Plan was determined by the plan's actuary and reported in the plan's GASB 67 valuation as of June 30, 2021. The fiduciary net position used by the actuary to determine the net pension liability (as shown above) was determined on the same basis used by the plan. Update procedures were not used.

The total pension liability for the HIS was determined by the plan's actuary and reported in the plan's GASB 67 valuation as of June 30, 2021. The fiduciary net position used by the actuary to determine the net pension liability (as shown above) was determined on the same basis used by the plan.

### NOTES TO FINANCIAL STATEMENTS (continued)

<u>Pension Liabilities, Pension Expense, Deferred Outflows of Resources and Deferred Inflows of</u> Resources Related to Pensions

As of June 30, 2022, the School reported a liability of \$911,139 for its proportionate share of the net pension liabilities. The School's proportionate share was calculated using accrued retirement contributions related to the reporting periods included in the System's fiscal years ended June 30, 2013 through June 30, 2021 for employers that were members of the FRS and HIS during those fiscal years. The proportion calculated based on contributions for each of the fiscal years was applied to the net pension liability and other pension amounts applicable to that fiscal year to determine the School's proportionate share of the liability, deferred outflows of resources, deferred inflows of resources and associated pension expense.

The School's proportions are as follows:

	FRS	HIS
June 30, 2021	0.0036%	0.0052%
June 30, 2020	0.0035%	0.0054%
Change	0.0001%	-0.0002%

In accordance with GASB 68, paragraphs 54 and 71, changes in the School's proportionate share of the net pension liability are recognized in pension expense in the current measurement period, except as indicated below. For each of the following, a portion is recognized in pension expense in the current reporting period, and the balance is amortized as deferred outflows or deferred inflows of resources using a systematic and rational method over a closed period, as defined below:

- Differences between expected and actual experience with regard to economic and demographic factors are amortized over the average expected remaining service life of all employees that are provided with pensions through the pension plan (active and inactive employees).
- Changes of assumptions or other inputs are amortized over the average expected remaining service life of all employees that are provided with pensions through the pension plan (active and inactive employees).
- Changes in proportion and differences between contributions and proportionate share of
  contributions are amortized over the average expected remaining service life of all
  employees that are provided with pensions through the pension plan (active and inactive
  employees).
- Differences between expected and actual earnings on pension plan investments are amortized over five years.

Employer contributions to the pension plans from the School are not included in collective pension expense; however, employee contributions are used to reduce pension expense. The average expected remaining service life of all employees provided with pensions through the pension plans as of June 30, 2021, was 5.7 years for FRS and 6.4 years for HIS.

### NOTES TO FINANCIAL STATEMENTS (continued)

For the year ended June 30, 2022, the School recognized a reduction in pension expense of \$85,105. As of June 30, 2022, the School reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources		Į.	Deferred nflows of esources
Differences between expected and actual experience	\$	67,523	\$	269
Changes of assumptions		234,207		26,479
Net difference between projected and actual earnings on pension plan investments		670		936,667
Changes in proportion and differences between School contributions and proportionate share of contributions		121,842		119,411
School contributions subsequent to the measurement date		202,000		
Total	\$	626,242	\$	1,082,826

Deferred outflows of resources related to the School's contributions paid subsequent to the measurement date and prior to the School's fiscal year end will be recognized as a reduction of the net pension liability in the subsequent reporting period. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pension expense will be recognized as follows:

Reporting Period Ended	
June 30:	 Amount
2022	\$ (111,150)
2023	(140,996)
2024	(183,604)
2025	(234,870)
2026	10,293
Thereafter	1.743

### NOTES TO FINANCIAL STATEMENTS (continued)

#### 8 RESTRICTED FUND BALANCE

Restricted fund balance represents amounts that have been collected or are receivable by the School for specific purposes, which are restricted as to the use of such funds. Included in the restricted fund balance is \$9,271,014 in the general fund as of June 30, 2022. This balance represents the restricted cash from the bond issuance, which must be used for building construction.

#### 9 SCHEDULE OF STATE AND LOCAL REVENUE SOURCES

The following is a schedule of state and local revenue sources and amounts:

District School Board of Orange County, Florida:	
Florida Education Finance Program	\$ 1,619,786
Class size reduction	349,915
Special millage	271,543
Discretionary millage	191,501
Capital outlay	182,944
Supplemental academic instruction	80,064
Teacher salary increase allocation	71,053
ESE guaranteed allocation	38,402
Instructional materials	27,209
Safe schools	20,955
Reading allocation	14,146
Compression adjustment	8,560
Teacher lead pay	5,225
Compression allocation	341
Digital classroom allocation	249
Total	\$ 2,881,893

The administration fee paid to the School Board during 2022 totaled \$94,126, which is reflected as a general administration expense/expenditure in the accompanying financial statements.

#### 10 RELATED PARTY TRANSACTIONS

#### **Lease Agreements**

The Company has entered into various lease agreements for facilities and equipment used by the School. The School pays the monthly rent on behalf of the Company, which totals approximately \$33,000. The lease is recorded with an implied interest rate of 5.25%. The School makes the payments on behalf of the Company.

# NOTES TO FINANCIAL STATEMENTS (continued)

Total leased assets as of June 30, 2022 consist of the following:

	GovernmentalActivities		
Leased facility	\$ 730,000		
Less accumulated depreciation	 (350,400)		
	\$ 379,600		

Future debt service requirements related to the lease are as follows:

 Year Ended June 30,	Principal		Interest		Total		
 2023	\$	357,385	\$	11,850	\$	369,235	
2024		30,615		135		30,750	
	\$	388,000	\$	11,985	\$	399,985

#### NOTE TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

#### FOR THE YEAR ENDED JUNE 30, 2022

#### 1 SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

The accompanying schedule of expenditures of federal awards includes the federal grant activity of the Company and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (the Uniform Guidance).

For fiscal year 2022, the School did not elect to use the 10% de minimis indirect cost rate.

# INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of Nap Ford Community School, Inc. - Legends Academy

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund and the aggregate remaining fund information of Nap Ford Community School, Inc. - Legends Academy (the "School"), as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the School's basic financial statements, and have issued our report thereon dated October 13, 2022.

#### REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

#### REPORT ON COMPLIANCE AND OTHER MATTERS

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **PURPOSE OF THIS REPORT**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Orlando, Florida October 13, 2022

BKHM, P.A.

## INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR THE MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNOFRM GUIDANCE

To the Board of Directors of Nap Ford Community School, Inc. - Legends Academy

#### REPORT ON COMPLIANCE FOR THE MAJOR FEDERAL PROGRAM

#### **Opinion on the Major Federal Program**

We have audited Nap Ford Community School, Inc. - Legends Academy's (the "School") compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on the School's major federal program for the year ended June 30, 2022. The School's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the School complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on the major federal program for the year ended June 30, 2022.

#### **Basis for Opinion on the Major Federal Program**

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the School and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of School's compliance with the compliance requirements referred to above.

#### **Responsibilities of Management for Compliance**

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the School's federal program.

#### Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the School's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the School's compliance with the requirements of the major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, Government Auditing Standards, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the School's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the School's internal control over compliance relevant
  to the audit in order to design audit procedures that are appropriate in the
  circumstances and to test and report on internal control over compliance in
  accordance with the Uniform Guidance, but not for the purpose of expressing an
  opinion on the effectiveness of the School's internal control over compliance.
  Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

#### REPORT ON INTERNAL CONTROL OVER COMPLIANCE

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

#### **PURPOSE OF THIS REPORT**

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

None

## SCHEDULE OF FINDINGS AND QUESTIONED COSTS (continued)

#### **SECTION IV - STATUS OF PRIOR YEAR AUDIT FINDINGS**

There were no prior year audit findings.

# ADDITIONAL INFORMATION REQUIRED BY RULES OF THE AUDITOR GENERAL, CHAPTER 10.850

#### REPORT ON THE FINANCIAL STATEMENTS

We have audited the financial statements of the governmental activities, each major fund and the aggregate remaining fund information of Nap Ford Community School, Inc. - Legends Academy (the "School"), as of and for the year ended June 30, 2022, and have issued our report thereon dated October 13, 2022.

#### **AUDITOR'S RESPONSIBILITY**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards ("Uniform Guidance"); and Chapter 10.850, Rules of the Auditor General.

#### OTHER REPORTING REQUIREMENTS

We have issued our Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*, Independent Auditor's Report on Compliance for the Major Federal Program and on Internal Control over Compliance Required by the Uniform Guidance, and Schedule of Findings and Questioned Costs. Disclosures in those reports and schedule, which are dated October 13, 2022, should be considered in conjunction with this management letter.

#### PRIOR AUDIT FINDINGS

Section 10.854(1)(e)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings and recommendations in the preceding annual financial audit report.

#### **OFFICIAL TITLE**

Section 10.854(1)(e)5., Rules of the Auditor General, requires the name or official title of the entity and the school code assigned by the Florida Department of Education be disclosed in this management letter. The official title of the entity is Nap Ford Community School, Inc. - Legends Academy, and the school code assigned by the Florida Department of Education is 0080.

#### FINANCIAL CONDITION AND MANAGEMENT

Sections 10.854(1)(e)2. and 10.855(11), Rules of the Auditor General, require us to apply appropriate procedures and communicate whether or not the School has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, we determined that the School did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.854(1)(e)6.a. and 10.855(12), Rules of the Auditor General, we applied financial condition assessment procedures for the School. It is management's responsibility to monitor the School's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same. The financial condition assessment was done as of the fiscal year-end.

Section 10.854(1)(e)3., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

#### **TRANSPARENCY**

Sections 10.854(1)(e)7. and 10.855(13), Rules of the Auditor General, require us to apply appropriate procedures and communicate the results of our determination as to whether the School maintains on its website the information specified in Section 1002.33(9)(p), Florida Statutes. In connection with our audit, we determined that the School maintained on its website the information specified in Section 1002.33(9)(p), Florida Statutes.

#### ADDITIONAL MATTERS

Section 10.854(1)(e)4., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

#### PURPOSE OF THIS LETTER

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, federal and other granting agencies, the Board of Directors, applicable management, and the District School Board of Orange County, Florida and is not intended to be, and should not be, used by anyone other than these specified parties.
