### **Report on the Audit of the Financial Statements**

#### *Opinion*

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Wayman Academy of the Arts, Inc. (the "Academy"), a component unit of Duval County School District as of June 30, 2022, which comprises the Academy's basic financial statements as listed in the table of contents for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Wayman Academy of the Arts, Inc., as of June 30, 2022, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### *Basis for Opinion*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Wayman Academy of the Arts, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wayman Academy of the Arts, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wayman Academy of the Arts, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wayman Academy of the Arts, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplementary Information***

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on pages 6–10 and 28-30 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated September 28, 2022, on our consideration of Wayman Academy of the Arts, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Wayman Academy of the Arts, Inc.'s internal control over financial reporting and compliance.

**Wayman Academy of the Arts, Inc.**  
Management's Discussion and Analysis  
As of June 30, 2022

This section of the Academy's financial statements presents management's analysis of the Academy's financial performance during the fiscal year that ended on June 30, 2022. The purpose of this discussion and analysis is to assist the reader in focusing on significant financial issues, provide an overview and analysis of the Academy, identify changes in the Academy's financial position, identify material deviations from the approved budget, and highlight significant issues in individual funds. Please read it in conjunction with the financial statements, which follow this section.

### **Financial Highlights**

- The Academy's total net position increased by \$7,092 in 2022, and increased \$765,130 in 2021. The slight 2022 increase was attributable to an increase in revenue from GEER and ESSER funding, as operating expenses remained virtually flat. The 2021 increase was attributable to an increase in the revenue based on the COVID hold harmless provisions implemented by the Florida Department of Education. Actual enrollment was down 10 students (4.93%) to 193 students. Student enrollment was 203 in 2021, and 245 in 2020.
- Operating revenue for 2022 decreased 22.7%. Operating revenue for 2022 was lower due to the end of 2021 hold harmless provisions by the Florida Department of Education, which provided FEFP funding based on pre-COVID projected enrollment numbers, which were slightly higher than actual enrollment.
- Operating expenses remained almost the same from 2021 to 2022, slightly increasing by .80%, due to increased food service costs. Operating expenses also remained almost the same from 2020 to 2021, slightly decreasing by .78% due to lower food service costs.

### **Overview of Financial Statements**

The financial statements consist of two parts: Management's Discussion and Analysis and the Basic Financial Statements. The Basic Financial Statements also include notes that explain in more detail some of the information in the Basic Financial Statements.

The Basic Financial Statements consist of a series of financial statements. The Statement of Net Position and the Statement of Activities provide information about the activities of the Academy as a whole and present a longer-term view of the Academy's finances. Fund financial statements tell how these services were financed in the short term as well as what remains for future spending. Fund financial statements also report the Academy's operations in more detail than the entity-wide statements by providing information at the individual fund level.

### **Government-Wide Financial Statements**

The government-wide financial statements are designed to provide readers with a broad overview of the Academy's finances, in a manner similar to a private-sector business.

The statement of net position presents information on all of the Academy's assets and liabilities, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Academy is improving or deteriorating.

The statement of activities presents information showing how the Academy's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected funding and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions of the Academy that are principally supported by district, state, and federal funding (governmental activities). Basic instruction, exceptional instruction, and food services are examples of the Academy's governmental activities.

The government-wide financial statements include only the Academy itself, which is a component unit of the School Board of Duval County, Florida. The School Board of Duval County, Florida includes the operations of the Academy in their operational results.

The government-wide financial statements can be found on pages 11 and 12 of this report.

### **Fund Financial Statements**

A fund is a collection of related accounts grouped together to maintain control over resources that have been segregated for specific activities or objectives. The Academy, like state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the operations of the Academy are presented in governmental funds only.

### **Governmental Funds**

Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term* inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the near-term financing decisions. Both the governmental fund balance sheet and the Academy's statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The Academy maintains various individual government funds. Information is presented separately in the governmental fund balance sheet and statement of revenues, expenditures, and changes in fund balances. The Academy reports the general fund as its only major fund.

The basic governmental fund financial statements can be found on pages 13 through 16 of this report.

The Academy adopts an annual appropriated budget for its entire operations. Budgetary comparison schedules with required notes have been provided to demonstrate compliance with this budget and can be found on pages 28 through 30 of this report.

### **Notes to the financial statements**

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on pages 17-26 of this report.

### **Government-Wide Financial Analysis**

As noted previously, net position may serve over time as a useful indicator of the Academy's financial position. In the case of the Academy, assets exceeded liabilities (net position) by \$1,310,245 and \$1,303,153 for the years ended June 30, 2022 and June 30, 2021, respectively.

The largest portion of net position is the unrestricted portion. Another portion of the Academy's net position reflects its investment in capital assets (e.g., land, furniture, fixtures and equipment and software). The Academy uses these capital assets to provide services to students; consequently, these assets are not available for future spending.

Comparison of the condensed statement of net position and the statement of activities are provided below.

A summary of the Academy's Statement of Net Position is presented in Table A-1.

<i>Table A-1 Condensed Statement of Net Assets</i>	<u>2022</u>	<u>2021</u>

Total liabilities and net position (deficit)	<u>\$ 1,327,081</u>	<u>\$ 1,321,998</u>

Current assets increased over the prior year primarily due to an increase in cash. Other assets increased over the prior year primarily due to acquisition of property and equipment.

Net position consists of amounts invested in capital assets (original costs of capital assets, net of related accumulated depreciation) and unrestricted net position, which relate to the residual amounts left after all operations of the Academy have been paid for. This amount will be used to fund future operations not covered through normal operations.

While the Statement of Net Position shows the change in financial position of net assets, the Statement of Activities provides answers as to the nature and source of these changes. Table A-2 provides an overview of the Statement of Activities:

As can be seen in Table A-2, net position increased from the prior year. This is primarily a result of an increase in operating revenue.

### Individual Fund Analysis

The special revenue and capital projects fund balances were \$0 at the beginning of the fiscal year, and \$0 at the end of the fiscal year. The general fund received \$121,585 from the special revenue fund for the fiscal year ended June 30, 2022. The general fund's beginning and ending balance was \$1,045,607 and \$743,180 respectively.

### Capital Assets

The Academy's investment in capital assets, as of June 30, 2022, amounts to \$567,065 (net of accumulated depreciation). This investment in capital assets includes building improvements, equipment, furniture and equipment, and motor vehicles. Capital asset additions in 2022 totaled \$384,562. The Academy maintains a continuous capital improvements program to enhance facilities and update fixtures and equipment as required.

### General Fund Budget Analysis and Highlights

As can be seen on Table B-1, there were no significant budget variances that are expected to have a significant effect on future operations or on the Academy's liquidity.

### **Economic Factors and Events Affecting Operations**

The Academy's current charter agreement with the Duval County School District expires June 30, 2035. The continued viability of the Academy is predicated on maintaining this charter with the Duval County School District. Management fully expects to maintain this contract during this time.

### **Requests for Information**

This financial report is intended to provide a general overview of the Academy's finances for all those with an interest in the Academy's finances. ## Wayman Academy of the Arts, Inc.

Notes to Basic Financial Statements

Year ended June 30, 2022

### NOTE 1: REPORTING ENTITY

Wayman Academy of the Arts, Inc. (the “Academy”), is a nonprofit corporation incorporated in the State of Florida. The Internal Revenue Service notified the Academy in August 21, 2000 that it was a non-profit charitable organization under IRC § 501(c)(3). The Academy was incorporated on November 12, 1999 as an educational organization.

The Academy operates under a charter of the sponsoring school district, the Duval County School District (the “District”). The current charter is effective until June 30, 2035 and may be renewed by mutual agreement between the Academy and the District. At the end of the term in the charter, the District may choose not to renew the charter under grounds specified in the charter. In this case, the District is required to notify the Academy in writing at least 90 days prior to the charter’s expiration. During the term of the charter, the District may also terminate the charter if good cause is shown. The Academy is considered a component unit of the District.

Criteria for determining if other entities are potential component units of the Academy which should be reported with the Academy’s general-purpose financial statements are identified and described in the Governmental Accounting Standards Board’s (GASB) *Codification of Governmental Accounting and Financial Reporting Standards*, § 2100 and 2600. The application of these criteria provides for identification of any entities for which the Academy is financially accountable and other organizations for which the nature and significance of their relationship with the Academy are such that exclusion would cause the Academy’s general-purpose financial statements to be misleading or incomplete. Based on these criteria, no component units are included within the reporting entity of the Academy.

### NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Basis of Presentation

Based on the guidance provided in the American Institute of Certified Public Accountants' Audit and Accounting Guide – *Audits per State and Local Governments* and provisions of Florida Statutes, the Academy is presented as a governmental organization for financial statement reporting purposes.

#### Government-Wide and Fund Financial Statements

The government-wide financial statements include the statement of net position and the statement of activities. These statements report information for the Academy as a whole. Both statements report only governmental activities as the Academy does not engage in any business type activities. For the most part, the effect of inter-fund activity has been eliminated.

The statement of activities reports the expenses of a given function offset by program revenues directly connected with the functional program. A function is an assembly of similar activities and may include portions of a fund or summarize more than one fund to capture the expenses and program revenues associated with a distinct functional activity. Program revenues include: (1) charges for services which report fees, (2) operating grants and contributions which finance annual operating activities, and (3) capital grants and contributions which fund the acquisition, construction, or rehabilitation of capital assets.

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Government-Wide and Fund Financial Statements (Continued)

These revenues are subject to externally imposed restrictions to these program uses. Other revenue sources not properly included with program revenues are reported as general revenues.

Fund Financial Statements

Fund financial statements are provided for governmental funds. The operations of the funds are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, equity, revenues and expenditures. Major individual governmental funds, namely, the general, special revenue and capital project funds are reported as separate columns in the fund financial statements:

*General Fund* - is the Academy's primary operating fund. It accounts for all financial resources not accounted for and reported in another fund.

*Special Revenue Fund* - used to account for the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service and capital projects.

*Capital Projects Fund* - used to account for financial resources used for the acquisition or construction of major capital facilities and for the proceeds and related expenditures of the charter school capital outlay funding.

Measurement Focus, Basis of Accounting and Financial Statement Presentation

The financial statements of Wayman Academy of the Arts, Inc., (the "Academy") are prepared in accordance with generally accepted accounting principles (GAAP). The Academy's reporting entity applies all relevant Governmental Accounting Standards Board (GASB) Codification of Accounting and Financial Reporting Guidelines.

The government-wide statements report using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Revenues from non-exchange transactions are reported according to Governmental Accounting Standards Board (GASB) Codification § 1600.111 and § N50 "Accounting and Financial Reporting for Non-Exchange Transactions". On the accrual basis, revenues from grants and donations are recognized in the fiscal year in which all eligibility requirements have been satisfied.

Governmental fund financial statements report using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized when they are both measurable and available. Measurable means the amount of the transaction can be determined. Available means collectible within the current period or soon enough thereafter to pay current liabilities. The Academy considers revenues to be available if they are collected within 90 days of the end of the fiscal year. Florida Education Finance Program (FEFP) revenues are recognized when received.

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Measurement Focus, Basis of Accounting and Financial Statement Presentation (Continued)

A one-year availability period is used for revenue recognition for all other governmental fund revenues. When grant terms provide that the expenditure of funds is the prime factor for determining eligibility for federal, state, and other grant funds, revenue is recognized at the time the expenditure is made. Expenditures are recorded when the related fund liability is incurred, except for long-term debt principal and interest which are reported as expenditures in the year due.

Budgetary Basis Accounting

Budgets are presented on the modified accrual basis of accounting. During the fiscal year, expenditures were controlled at the object level (e.g., salaries, purchased services, and capital outlay).

Cash and Cash Equivalents

Cash deposits consist of demand deposits and a money market account with a financial institution. Deposits on hand at financial institutions are insured by the Federal Deposit Insurance Company up to \$250,000. The Academy had approximately \$247,971 in excess of FDIC limits as of June 30, 2022.

The Academy's deposits must be placed with banks and savings and loans which are qualified as public depositories, prior to receipt of public monies, under Chapter 280, Florida statutes and the Academy's policy. The Academy maintains its cash accounts with two qualified public depository. The accounts routinely exceed the federally insured limit of \$250,000. Monies deposited in amounts greater than the insurance coverage are secured by the bank's pledging securities with the state treasurer in the collateral pool. The Academy has not experienced any losses in such accounts and does not believe it is exposed to any significant credit or custodial risk.

Federal Income Taxes

The Academy is a nonprofit organization and is exempt from income tax under § 501(c)(3) of the Internal Revenue Code. Therefore, no provision for income taxes is made in the accompanying financial statements.

Compensated Absences

The Academy grants a specific number of sick days. Full time employees are eligible to one day per month to up to ten days of active work during the ten-month period (a "benefit year"). In the event that available time is not used by the end of the benefit year, employees may "rollover" all unused days for use in future benefit years. Upon termination, there is an opportunity to "cash out" unused sick days.

GASB Codification § C60, Accounting for Compensated Absences, provides that compensated absences that are contingent on a specific event that is outside the control of the employer and employee should be accounted for in the period those events take place. Accordingly, these financial statements do not include an accrual for sick days available to be used in future benefit years.

**Wayman Academy of the Arts, Inc.**

Notes to Basic Financial Statements

Year ended June 30, 2022

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Compensated Absences (Continued)

The Academy also provides certain days to be used for specific personal matters such as family death and jury duty. Because the use of such days is contingent upon those events taking place and such events are out of the control of both the employer and the employee, there is no accrual for such days.

Advertising Costs

The Academy's policy is to expense advertising costs when incurred. The total advertising costs charged to expense as of June 30, 2022 was \$7,800.

Capital Assets and Depreciation

Capital assets purchased or acquired are carried at historical cost or estimated historical cost. The Academy's capitalization levels are \$750 on tangible personal property. Other costs incurred for repairs and maintenance are expensed as incurred. Capital assets are depreciated using the straight-line method. When capital assets are disposed, the costs and applicable accumulated depreciation are removed from the respective accounts, and the resulting gain or loss is recorded in operations.

Estimated useful lives, in years, for depreciable assets are as follows:

<b>Class of Asset</b>	<b>Estimated Life in Years</b>
Building equipment and improvements	5-20
Furniture and equipment	5-10
Vehicles	10

Long-term Liabilities

Long-term debt and other long-term obligations, if any, are reported in the government-wide financial statements. Long-term liabilities are not reported in the governmental funds because governmental funds use the current financial resources measurement focus.

Government –Wide Fund Net Position

Government-wide fund net position are divided into three components:

*Net investment in capital assets* - consists of the historical cost capital assets less accumulated depreciation and reduced by the outstanding balances of any borrowings that are attributable to the acquisition or improvement of those assets plus deferred outflows of resources less deferred inflows of resources.

*Restricted net position* - consists of net position with constraints placed on their use either by external groups such as creditors, grantors, contributors or laws or regulations of other governments less related liabilities and deferred inflows of resources. The restricted net position for the year ending June 30, 2022 was \$0.

**Wayman Academy of the Arts, Inc.**

Notes to Basic Financial Statements

Year ended June 30, 2022

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Government –Wide Fund Net Position (Continued)

*Unrestricted* - all other net position is reported in this category.

Budgeting

An operating budget is adopted and maintained by the governing board for the Academy pursuant to the requirements of Florida Statutes. The budget is adopted using the same basis of accounting that is used in the preparation of the basic financial statements, except for the reporting of the District's 5% administration fee.

Governmental Fund Balances

In accordance with Governmental Accounting Standards Board's (GASB) Statement No. 54, *Fund Balance Reporting and Government Fund Type Definitions*, fund balances are reported in the governmental fund balance sheet to be classified using hierarchy based primarily on the extent to which the Academy is bound to honor constraints on the specific purposes for which amounts in those funds can be spent. Governmental fund balances are classified as follows:

*Nonspendable* – Includes amounts that cannot be spent because they are not in spendable form or legally or contractually required to be maintained intact. The Academy classifies prepaid expenses, long-term notes receivable and deposits as nonspendable since they are not expected to be converted to cash within the next year.

*Restricted* – Includes amounts that are restricted to specific purposes or constrained either by (a) external impositions by creditors, grantors, contributors, or (b) laws or regulations of other governments or (c) impositions by law through constitutional provisions or enabling legislation.

*Committed* – Includes amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the Academy's highest level of decision-making authority, the Board of Directors. The committed amounts cannot be used for any other purpose unless the Board of Directors removes or changes the specified use by taking a subsequent formal action.

*Assigned* – Includes amounts that the Board of Directors intends to use for specific purposes, but they are neither restricted or committed. The Academy classifies existing fund balances to be used in the subsequent year's budget for elimination of a deficit as assigned.

*Unassigned* – Is the residual classification for the general fund. This represents fund balance that has not been assigned to other funds and that has not been restricted, committed, or assigned to specific purposes within the general fund.

Minimum Fund Balance

As of June 30, 2022, there are no minimum fund balance requirements for any of the Academy's funds.

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Recently Adopted Accounting Pronouncements

In March 2012, the Government Accounting Standards Board (GASB) issued GASB Statement 65, *Items Previously Reported as Assets and Liabilities*. GASB 65 clarifies the appropriate reporting of deferred outflows of resources and deferred inflows of resources to ensure consistency in financial reporting. GASB Concepts Statement (CON) 4, *Elements of Financial Statements*, specifies that recognition of deferred outflows and deferred inflows should be limited to those instances specifically identified in authoritative GASB pronouncements. Consequently, guidance was needed to determine which balances being reported as assets and liabilities should actually be reported as deferred outflows of resources and deferred inflows of resources, according to the definitions in CON 4. Based on those definitions, GASB 65 reclassifies and recognizes certain items currently being reported as assets and liabilities as deferred outflows of resources and deferred inflows of resources. The requirements of GASB 65 were effective for the fiscal year 2017. The Academy does not have any items that qualify for reporting in this category.

Order of Fund Balance Spending Policy

The Academy's policy is to apply expenditures against non-spendable fund balance, restricted fund balance, committed fund balance at the end of the fiscal year by adjusting journal entries. First, non-spendable fund balances are determined. Then restricted fund balances for specific purposes are determined (not including non-spendable amounts). Then any remaining fund balance amounts for the non-general funds are classified as restricted fund balance. It is possible for the non-general funds to have negative unassigned fund balances when non-spendable amounts plus the restricted fund balances for specific purposes amounts exceed the positive fund balance for the non-general fund.

Revenue Sources

Revenues for current operations are received primarily from the District pursuant to the funding provisions included in the Academy's charter. In accordance with the funding provisions of the charter and §1002.33, Florida Statutes, the Academy reports the number of full-time equivalent (FTE) students and related data to the District. Under the provisions of §1011.62, Florida Statutes, the District reports the number of full-time equivalent (FTE) students and related data to the Florida Department of Education (FDOE) for funding through the Florida Education Finance Program. Funding for the Academy is adjusted during the year to reflect the revised calculations by the FDOE under the Florida Education Finance Program and the actual weighted full-time equivalent students reported by the Academy during the designated FTE survey periods.

The Academy receives federal awards for the enhancement of various educational programs. This assistance is generally received based on applications submitted to and approved by the various granting agencies. For federal awards in which a claim to these grant proceeds is based on incurring eligible expenditures, revenue is recognized to the extent that eligible expenditures have been made. Amounts received in advance for which eligible expenditures have not been made are recorded as deferred revenue.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. In addition, certain amounts are rounded to the nearest dollar for financial statement purposes.

Subsequent Events

The date to which events occurring after June 30, 2022, the date of the most recent balance sheet, have been evaluated for possible adjustment to the financial statements or disclosure is September 28, 2022, which is the date on which the financial statements were available to be issued.

**NOTE 3: INTER-FUND TRANSFERS**

From time to time, the Academy will transfer funds from the special revenue fund to the general fund and the capital projects fund to cover those fund's operating deficits. As of June 30, 2022, the amount of these transfers equaled \$121,585 to the general fund from the special revenue fund.

**NOTE 4: FUNDING AND CREDIT CONCENTRATIONS**

The Academy receives substantially all of its support and revenue from federal, state and local funding sources, passed through the District, in the form of performance and budget-based contracts. Continuing operation of the Academy is greatly dependent upon the continued support of these government agencies.

**NOTE 5: EMPLOYEE BENEFITS**

The Academy offers all of its full-time employees, who have attained 21 years of age, a retirement plan under Internal Revenue Code Section 401(k). The employee is allowed to contribute up to a maximum of 10% of their annual gross compensation, subject to certain limitations. The Academy does not provide any matching contribution at this time.

**NOTE 6: RISK MANAGEMENT PROGRAMS**

The Academy is exposed to various risks of loss related to torts, thefts of or damage to and destruction of assets, errors and omissions and natural disasters. Workers' compensation, general liability, errors and omissions, and property insurance are being provided through the Academy's insurance with minimal deductibles for each line of coverage. Any settled claims have not exceeded covered amounts.

All depreciation expense was shown as unallocated on the Statement of Activities. Depreciation expense as of June 30, 2022 was \$75,042.

**NOTE 10: COMMITMENTS AND CONTINGENT LIABILITIES**

*Florida Education Finance Program Revenue* - The Academy receives substantially all of its funding from the District under the Florida Education Finance Program (FEFP), which is based in part on a computation of the number of full-time equivalent (FTE) students attending different instructional programs. The accuracy of FTE student data submitted by individual schools and used in the FEFP computations is subject to audit by the state and, if found to be in error, could result in refunds to the state or in decreases to future funding allocations. Additionally, the Academy participates in a number of federal, state and local grants which are subject to financial and compliance audits.

It is the opinion of the Academy that the amount of revenue, if any, which may be remitted back to the state due to errors in the FTE student data or the amount of grant expenditures which may be disallowed by grantor agencies would not be material to the financial position of the Academy.

*Legal Matters* – In the normal course of conducting its operations, the Academy may occasionally become a party to various legal actions and proceedings. In the opinion of management, the ultimate resolution of any such legal matters will not have a significant adverse effect on the accompanying financial statements for any such contingencies.

*Lease Commitment* - The Academy currently leases its facilities and transportation equipment from the West Jacksonville Economic Development Corporation. The agreement calls for monthly lease payments of \$30,000 for the facilities and \$3,000 for transportation equipment. This lease has been renewed through June 30, 2023.

2024	-
2025	-
2026	-
2027	-

**NOTE 11: FUND BALANCE CLASSIFICATION POLICIES AND PROCEDURES**

Committed fund balances require a majority vote by the Board of Directors of the Academy. A majority vote is also required to modify or rescind an existing fund balance commitment. Assignment of fund balances can only occur at the direction of the Chairman of the Board of Directors or by a committee or individual designated by the Chairman.

The Academy considers restricted or unrestricted amounts to have been spent when an expenditure is incurred for purposes for which both restricted and unrestricted fund balance is available and whether committed, assigned, or unassigned amounts are considered to have been spent when an expenditure is incurred for purposes for which amounts in any of those unrestricted fund balance classifications could be used.

As of June 30, 2022, there were no encumbrances, significant or otherwise, stabilization arrangements or minimum fund balance policies that require disclosure by major fund and non-major funds in the aggregate in conjunction with required disclosures about other significant commitments.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF  
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING  
STANDARDS***

To the Board of Directors  
Wayman Academy of the Arts, Inc.,  
a Charter School and a Component Unit of the  
Duval County School District  
1176 LaBelle Street  
Jacksonville, FL 32205

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the Wayman Academy of the Arts, Inc. (the "Academy"), a component unit of the School Board of Duval County, Florida, as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Wayman Academy of the Arts, Inc.'s basic financial statements, and have issued our report thereon dated September 28, 2022.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Academy's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control. Accordingly, we do not express an opinion on the effectiveness of the Academy's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Academy's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

 Jacksonville, FL 32205

**Report on the Financial Statements**

We have audited the financial statements of the Wayman Academy of the Arts, Inc., Jacksonville, Florida, as of and for the fiscal year ended June 30, 2022, and have issued our report thereon dated September 28, 2022.

**Auditor’s Responsibility**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.850, Rules of the Auditor General.

**Other Reporting Required by *Government Auditing Standards***

We have issued our Independent Auditor’s Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*. Disclosures in those reports, which are dated September 28, 2022, should be considered in conjunction with this management letter.

**Prior Audit Findings**

Section 10.854(1)(e)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no recommendations made in the preceding two years’ audit reports.

**Official Title**

Section 10.854(1)(e)5., Rules of the Auditor General, requires the name or official title and the school code assigned by the Florida Department of Education be disclosed in this letter. The official title and school code assigned by the Florida Department of Education are Wayman Academy of the Arts, Inc. and 161131.

## **Financial Condition and Management**

Sections 10.854(1)(e)2. and 10.855(11), Rules of the Auditor General, require us to apply appropriate procedures and communicate whether or not the Wayman Academy of the Arts, Inc. has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and identification of the specific conditions met. In connection with our audit, we determined that the Wayman Academy of the Arts, Inc. did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.854(1)(e)6.a. and 10.855(12), Rules of the Auditor General, we applied financial condition assessment procedures for the Wayman Academy of the Arts, Inc. It is management's responsibility to monitor the Wayman Academy of the Arts, Inc.'s financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same.

Section 10.854(1)(e)3., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

## **Transparency**

Sections 10.854(1)(e)7. and 10.855(13), Rules of the Auditor General, require us to apply appropriate procedures and communicate the results of our determination as to whether the Wayman Academy of the Arts, Inc. maintains on its Web site the information specified in Section 1002.33(9)(p), Florida Statutes. In connection with our audit, we determined that the Wayman Academy of the Arts, Inc. has maintained on its Web site the information specified in Section 1002.33(9)(p), Florida Statutes.

## **Additional Matters**

Section 10.854(1)(e)4., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

## **Purpose of This Letter**

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Board of Directors, and applicable management and is not intended to be and should not be used by anyone other than these specified parties.
