INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Potentials Charter School
A Component Unit of The Arc of Palm Beach County, Inc.

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Potentials Charter School which is a component unit of The Arc of Palm Beach County, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Potentials Charter School as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Potentials Charter School and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Potentials Charter School's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Potentials Charter School's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Potentials Charter School's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 16, 2023, on our consideration of Potentials Charter School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Potentials Charter School's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Potentials Charter School's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

June 30, 2023

NOTE A – SCHOOL AND ACTIVITIES

Potentials Charter School, a component of The Arc of Palm Beach County, Inc., (the “School”) was established in May 1998 pursuant to a charter school contract (the “Charter”) between the School Board of Palm Beach County, Florida (the “School Board”) and The Arc of Palm Beach County, Inc. (the “Arc”). The School operates as a separate component of the Arc. Under the Charter, the School provides education to developmentally disabled children from preschool through the eighth grade in Palm Beach County, Florida. The School combines an intensive classroom learning experience for its students with therapeutic services and technical support. The School’s facilities, located in central Palm Beach County, can serve a maximum of thirty-two students.

The Charter, which is effective through June 30, 2031, requires the School Board to provide the School’s primary source of funding based upon the number of full-time equivalent students served by the School.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the School is presented to assist in understanding the School’s financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America and have been applied consistently in the preparation of these financial statements.

1. Basis of presentation

The accompanying financial statements have been prepared on the accrual basis of accounting. The School reports information regarding its financial position and activities according to two classes of net assets as follows:

Net Assets Without Donor Restrictions

Net assets without donor restrictions are available for use at the discretion of the Board and/or management for general operating purposes. From time to time the Board may designate a portion of these net assets for specific purposes which makes them unavailable for use at management’s discretion.

Net Assets With Donor Restrictions

Net assets with donor restrictions consist of assets whose use is limited by donor-imposed restrictions, time and/or purpose restrictions.

The School reports gifts of cash and other assets as revenue with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, the net assets are reclassified as net assets without donor restriction and reported in the statement of activities as net assets released from restrictions.

**Potentials Charter School, A Component of
The Arc Of Palm Beach County, Inc.**

NOTES TO FINANCIAL STATEMENTS

June 30, 2023

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

2. Contributed non-financial assets

In September 2020, the FASB issued ASU No. 2020-07, Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Non-financial Assets, which requires the monitoring and tracking of gifts in kind by asset category, while also noting any donor-imposed restrictions. The School adopted ASU No. 2020-07 effective July 1, 2021. The adoption has no significant impact on the School's financial statements.

The School does not recognize any support, revenue or expense from services contributed by individual volunteers since no objective basis is available to measure the value of such services. However, a substantial number of volunteers have donated significant amounts of time in the School's program services.

The School's primary facility is owned by the Arc. The facility is rented to the School without charge. The estimated fair rental value of the building and land is reported as support and expense in the period the premises are used (see Note D).

3. Accounts and pledges receivable

Accounts and pledges receivable at June 30, 2023 and 2022 are receivable in less than one year and are stated at the amount of the uncollected balances, adjusted by an allowance for doubtful accounts, if necessary. Management's periodic evaluation of the adequacy of the allowance is based on past experience and adverse situations that may affect the funding service's ability to pay. There was no allowance for doubtful accounts at June 30, 2023 and 2022.

4. Property and equipment and depreciation

Purchases of property and equipment are recorded at cost. Donations of property and equipment are recorded as support at their estimated fair values. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Absent donor stipulations regarding how long donated assets must be maintained, the School reports expirations of donor restrictions when the donated or acquired assets are placed in service. Depreciation of property and equipment, consisting principally of furniture, fixtures, and equipment, is calculated on the straight-line method over the estimated useful lives ranging from 3 to 30 years.

**Potentials Charter School, A Component of
The Arc Of Palm Beach County, Inc.**

NOTES TO FINANCIAL STATEMENTS

June 30, 2023

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

5. Revenue Recognition

The School follows Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers* which outlines a five-step model whereby revenue is recognized as performance obligations within a contract are satisfied and ASU No. 2018-08, *Not-for-Profit Entities: Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*, which clarifies how transactions should be accounted for as contributions (nonreciprocal transactions) or exchange transactions and whether a contribution is conditional.

The School receives its revenue from the Florida Education Finance Program (FEFP), Special revenue, and grants. FEFP revenue is recorded in accordance with the funding provisions of the charter and Section 1002.33(17), Florida Statutes, the School reports the number of full-time equivalent (FTE) students and related data to the District. Under the provisions of Section 1011.62, Florida Statutes, the District reports the number of FTE students and related data to the Florida Department of Education (FDOE) for funding through the Florida Education Finance Program. Funding for the School is adjusted during the year to reflect revised calculations by the FDOE under the Florida Education Finance Program and actual weighted FTE students reported by the School during designated FTE student survey periods. Special revenue is recognized as determined by Florida DOE or other authorities. Grants are reported as net assets with donor restrictions if they are received with donor stipulations which limit the use of the donated assets. When donor restrictions expire, that is, when the stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities and changes in net assets as net assets released from restrictions.

The adoption of ASC 958-605 and ASC 606 had no significant impact on the School's financial statements.

6. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions which affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

7. Certain risk matters

The School operates as a component unit of the Arc and is exposed to the risks that its activities will no longer be funded by certain governmental agencies or supported by the Arc. Management believes that any decline in funding would result in a corresponding reduction in the scope of educational services it could provide to developmentally disabled children.

**Potentials Charter School, A Component of
The Arc Of Palm Beach County, Inc.**

NOTES TO FINANCIAL STATEMENTS

June 30, 2023

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

7. Certain risk matters (continued)

The School maintains cash deposits at several financial institutions located in Palm Beach County, Florida. Deposits located at the financial institutions are insured by the Federal Deposit Insurance Corporation (FDIC) and during the year balances may fluctuate above and below this amount. At June 30, 2023 and 2022, the School held approximately \$32,900 and \$180,000, respectively, in excess of FDIC limits. The School has not experienced any losses in such accounts and does not believe it is exposed to any significant credit risk on cash.

8. Income taxes

The Arc is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Management has concluded that as of June 30, 2023 there are no uncertain tax positions taken or expected to be taken by the School that would require recognition of a liability (or asset) or disclosure in the financial statements. The School is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. New accounting pronouncements

In February 2016, the FASB issued ASU 2016-02, *Leases*, that requires lessees to put most leases on their balance sheets and recognize expenses on their income statements in a manner similar to today's capital lease accounting. For lessors, the guidance modifies the classification criteria for accounting for sales-type and direct financing leases. The new guidance was effective for fiscal years beginning after December 15, 2021. The adoption had no significant impact on the School's financial statements.

10. Subsequent events

Management has evaluated the effect subsequent events would have on the financial statements through the date these financial statements were available to be issued on November 16, 2023.

**Potentials Charter School, A Component of
The Arc Of Palm Beach County, Inc.**

NOTES TO FINANCIAL STATEMENTS

NOTE D – RELATED PARTY TRANSACTIONS

1. Leasing arrangements

The School occupies a portion of a building owned by the Arc under an informal leasing arrangement. Contributed non-financial rent expense totaled approximately \$16,000 for donated land for 2023 and 2022. The building is on land owned by the School Board and leased to the School pursuant to a long-term lease with the School Board.

2. Allocation of expenses

The Arc allocates certain occupancy and other expenses, including certain payroll and related expenses, utilities, repairs and maintenance, and insurance to the School based on square footage. For the years ended June 30, 2023 and 2022, allocations to the School approximated \$281,000 and \$183,000, respectively.

The Arc also advances funds, as needed, to the School to subsidize its operations. The School received no cash subsidies from the Arc during 2023 and 2022. As of June 30, 2023 and 2022, the School has a due from the Arc balance of approximately \$1,425,000 and \$979,500, respectively, as shown in the accompanying statements of financial position. The net amounts due to the Arc have no stipulated repayment terms and are non-interest bearing.

Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries, benefits, payroll taxes, professional services, and insurance, which are allocated on the basis of estimates of time and effort.

(a nonprofit organization), which comprise the statement of financial position as of June 30, 2023, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 16, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Potentials Charter School's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Potentials Charter School's internal control. Accordingly, we do not express an opinion on the effectiveness of Potentials Charter School's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Potentials Charter School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Potentials Charter School's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Potentials Charter School's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
