April 24, 2020

The Honorable Board of County Commissioners
Lake County, Florida

The Comprehensive Annual Financial Report of Lake County, Florida, as of September 30, 2019, and for the 2018-2019 fiscal year is hereby transmitted. The accuracy of the presented data and the completeness and fairness of the presentation, including all disclosures, is the responsibility of the County. Management believes that the presented data is materially accurate and is designed to report the financial position and the results of operations as measured by the financial activity of the County's various funds. The necessary disclosures to enable the reader to gain the maximum understanding of the County's financial affairs have been included.

The adequacy of internal control must be considered in the development and evaluation of the County's accounting system. I believe that the County's internal control, as discussed in the accompanying transmittal letter, adequately safeguards assets and provides reasonable assurance of proper recording of financial transactions.

This report has been prepared following the guidelines recommended by the Government Finance Officers Association (GFOA) of the United States and Canada. The GFOA awards Certificates of Achievement to those governments whose annual financial reports are judged to conform substantially with high standards of public financial reporting, including accounting principles generally accepted in the United States. Lake County has been awarded a Certificate of Achievement for its annual financial reporting for the past 38 years commencing in 1981 and including the 2018 fiscal year. The Certificate of Achievement program requires the inclusion of all funds of the County. The financial statements for the year ended September 30, 2019, include all of the Constitutional Officers, dependent special districts, and other agencies of the County. It is my belief that the accompanying fiscal year 2019 financial report will meet program standards and it will be submitted to the GFOA for review.

State law requires that the financial statements of the County be audited by an independent certified public accountant selected by the Board. This requirement has been met and our independent certified public accountant's opinion is included in the Financial Section of this report.

April 24, 2020
Page Two

The preparation of this Comprehensive Annual Financial Report could not have been accomplished without the dedicated efforts of my Chief Financial Officer, Accounting Director and Finance Department staff. Their continual efforts of upgrading the accounting and financial reporting system of the County have made substantial improvements to the quality of the information being reported to the County Commission, state oversight boards, and the citizens of Lake County.

Respectfully submitted,

April 24, 2020

The Honorable Board of
County Commissioners and
Citizens of Lake County, Florida

We are pleased to present the Comprehensive Annual Financial Report (CAFR) of Lake County, Florida, for the fiscal year ended September 30, 2019. This report was prepared by the County Finance Department under the direction of the Clerk of Courts in his capacity as County Comptroller.

This report consists of management's representations concerning the finances of Lake County, Florida. Consequently, management assumes full responsibility for the completeness and reliability of all information presented in this report. To provide a reasonable basis for making these representations, Lake County's management has established a comprehensive internal control framework that is designed to protect the County's assets from loss, theft, or misuse and to compile the County's financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP). Because the cost of internal controls should not outweigh their benefits, the County's internal control framework has been designed to provide reasonable, rather than absolute, assurance that the financial statements will be free from material misstatement. We believe that the County's internal accounting controls adequately safeguard assets and provide reasonable assurance of the proper recording of financial transactions. As management, we assert that to the best of our knowledge and belief, this financial report is accurate and complete in all material respects.

In accordance with Chapter 218, Florida Statutes, Lake County's financial statements have been audited by independent certified public accountants. The independent auditor's report has been included in the financial section of this report. The independent audit involved examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; assessing the accounting principles used and significant estimates made by management; and evaluating the overall financial statement presentation. Based upon the results of the audit, the auditors concluded that there was a reasonable basis for rendering an unmodified opinion that Lake County's financial statements for the fiscal year

ended September 30, 2019 are fairly presented in conformity with GAAP. In addition to meeting the requirements set forth in state statutes, the audit was also designed to meet the requirements of the State of Florida and Federal Single Audit Acts. The standards governing single audit engagements require the independent auditor to report on the government's internal controls and compliance with legal requirements with special emphasis on the administration of federal and state awards. Information related to the single audit, including schedules of federal and state financial assistance and the independent auditor's reports thereon are included in this report.

GAAP requires that management provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of Management's Discussion and Analysis (MD&A). This letter of transmittal is designed to complement the MD&A and should be read in conjunction with it. Lake County's MD&A can be found immediately following the report of the independent certified public accountants.

Profile of Lake County

Lake County is located in the center of the state approximately 65 miles from the east and west coasts at the northwestern edge of Central Florida. The County was created in June, 1887, by the Florida Legislature and encompasses 954 square miles of land and over 200 square miles of lakes. The current estimated population is 356,495. There are fourteen municipalities located within the County including: Astatula, Clermont, Eustis, Fruitland Park, Groveland, Howey-in-the-Hills, Lady Lake, Leesburg, Mascotte, Minneola, Montverde, Mount Dora, Tavares and Umatilla.

The County is a political subdivision of the State of Florida pursuant to Article VIII, Section (1), Constitution of the State of Florida. The Board of County Commissioners (the Board) is the principal legislative and governing body of the County, as provided by the Florida Constitution and Chapter 125, Florida Statutes. The Board consists of five members elected county-wide by district for staggered terms, with a chairman elected by the commissioners for a one-year term to serve as the presiding officer. In addition to the Board, there are five elected Constitutional Officers serving four-year terms: the Tax Collector, Property Appraiser, Clerk of the Circuit Court and Comptroller (Clerk), Sheriff and Supervisor of Elections.

The County provides a full range of services contemplated by statute and ordinance, including general governmental services, public safety, physical environment, transportation, economic environment, human services, culture and recreation and court-related services.

The chief administrative official of the County is the County Manager. The County Manager is hired by the Board and is responsible to them for the administration and operation of all Board departments and the execution of all Board policies. The County Manager is also responsible to the Board for the preparation of the annual budget and for the control of Board expenditures during the year.

The annual budget serves as the foundation of the County's planning and control of revenues and expenditures. The Board funds a portion, or in certain instances all, of the operating budgets of the County's Constitutional Officers. Constitutional Officers, except the Tax Collector and Property Appraiser, are required to submit their budget requests to the Board by June 1. The Tax Collector and Property Appraiser must submit their budgets to the State of Florida Department of Revenue. A tentative proposed budget is presented to the Board in mid-July. The budget is adopted after two advertised public hearings held in September. At the end of the fiscal year, Florida Statutes require that any budget excess of the Constitutional Officers be returned to the Board.

The budget is prepared by fund, department, and object code. After the budget is adopted, no transfers can be made between funds without a public hearing. Certain transfers within a department may be approved by the County Manager or by the Board, depending on the dollar amount. Budget to actual comparisons are provided in this report for each individual governmental fund for which an appropriated annual budget is adopted. For the general fund, this comparison is on page 42 as part of the basic financial statements for governmental funds. For other governmental funds, the comparison for each fund for which a budget has been adopted is presented on pages 44 to 46 and 116 to 147.

The financial statements present Lake County (the primary government described above) and its blended component units, which includes the Mt. Plymouth-Sorrento Community Redevelopment Agency (CRA), which was created for the purpose of financing redevelopment projects in eastern Lake County.

The information presented in the financial statements is perhaps best understood when it is considered from the broader perspective of the specific environment within which Lake County operates.

Local Economy. The local economy continues to improve in 2019. For the seventh year in a row, the assessed taxable value of real and personal property increased. The increase, about \$1.8 billion, represents about 8.0% of the total assessed value of \$22.4 billion. In addition, the unemployment rate for the County remained at a low rate of 2.9% at year end. State and national rates were lower than the prior year at 3.2% and 3.5%, respectively.

Economic development continues to be an ongoing priority of the Board. In addition to efforts to draw new businesses to the area, Lake County has expanded advertising and tourism efforts under the trademarked branding "Real Florida. Real Close." The County has hosted many sporting events to support the local economy, including competition fishing and sand volleyball tournaments. In 2019, the County completed construction on a new \$1.9 million Hickory Point Beach Athletic Center facility to attract additional tournaments and increase sports tourism. This facility was funded through tourist development taxes.

In 2019, the County was selected by Kroger Company (Kroger) and Ocado as the site of their second U.S. high-tech customer fulfillment center. Kroger is investing approximately \$55 million in the 375,000 square foot facility. The center will be an automated warehouse facility with digital and robotic capabilities, and will benefit the County's economy by creating approximately 400 high wage jobs.

Federal and state grants continue to provide for various programs that benefit the County. Affordable housing, community development, road projects, public transportation and public safety are programs that are supported in part by federal and state funding. The County received a total of \$32,609,368 million in state and federal assistance in 2019, of which approximately \$10 million was received from the Federal Emergency Management Agency (FEMA) for expenses incurred for Hurricane Irma, a significant storm in September 2017.

All of these items encourage economic growth and benefit the Lake County citizens.

Relevant Financial Policies. The County has established an economic stabilization reserve policy to ensure that sufficient cash is available in the following year to meet the County's obligations until anticipated revenues are available and to protect the County's essential service programs during periods of economic downturn or unforeseen catastrophic events. One of the goals of this policy is for the General Fund to maintain a reserve of fund balance from 7% to 12% of the total budget. The unassigned fund balance increased from \$6,908,660 at September 30, 2018 to \$13,501,616 at September 30, 2019. This represented a reserve increase from 5% to 10% of the total budget. The increase in fund balance was primarily related to the FEMA grant revenue mentioned above.

Another financial policy the Board has adopted addresses shortfalls in budgeted revenues. During the course of the year, if actual revenues are expected to fall short of the budgeted amount, expenditures are reduced to ensure that a shortage of funds or a significant use of fund balance does not occur.

Long-term Financial Planning. The County's General Fund millage was adopted at the rollback rate of 5.1180 mills to follow the Board's direction to keep taxes at

the lowest possible level for County residents and businesses, while still maintaining levels of services.

In November 2015, Lake County citizens approved the renewal of the one-cent discretionary infrastructure sales tax with 71 percent of the vote. The current sales tax levy began in 1988 and was subsequently extended in 2001 for another 15-year period. The sales tax will continue to be divided equally among the County, School District and cities. Future County projects paid for through these funds will include public safety vehicles and equipment; sidewalk and road improvements; parks, trails and recreation; water quality and other infrastructure needs.

The County issued \$19,980,000 in Sales Surtax Revenue Bonds in 2018 to fund the construction of an animal shelter and upgrade the County's public safety network. The bonds are secured by a pledge of the infrastructure sales tax discussed above. In October 2019, the County refinanced these bonds at a lower rate, saving the County approximately \$1 million. The new bonds include an additional \$10 million to fund road resurfacing projects.

Major Initiatives. The County continued to promote quality of life, spending approximately \$1.5 million on South Lake Park, a \$19 million project expected to be completed over future years. The County also spent approximately \$1 million in additional park improvements, including lighting, parking and facilities. The County also continued a \$7 million project for the new animal shelter, spending about \$540,000 in 2019.

Another goal of the County is to enhance public safety. The County completed the transition of Lake Emergency Medical Services, Inc., formerly a component unit, into the county organization. This transition was made to increase coordination of services and provide improved overall service. The County also distributed new radios county-wide to law enforcement and fire service vehicles allowing emergency personnel to better communicate with other agencies and improve response times.

Another emphasis of the Board is the completion of significant road projects and road maintenance. The County continued the CR466A project in northern Lake County, spending approximately \$1.7 million on Phase III of this project in 2019. The County also spent approximately \$8.3 million on the ongoing Citrus Grove Road project in south Lake County. These projects were partially funded by grants from the Florida Department of Transportation.

Awards and Acknowledgements

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial

Reporting to Lake County for its Comprehensive Annual Financial Report for the fiscal year ended September 30, 2018. This was the 38th consecutive year that Lake County has received this award. In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized comprehensive annual financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe our current comprehensive annual financial report continues to meet the Certificate of Achievement Program's requirements and we are submitting it to GFOA to determine its eligibility for another certificate.

In addition, both the Board and Clerk's Office participate in GFOA's Distinguished Budget Award program. In order to qualify for the Distinguished Budget Presentation Award, a budget document must be judged proficient in several categories, including policy documentation, financial planning and organization. The Board has received this award for 13 fiscal years and the Clerk's Office for the last 28 fiscal years.

The preparation of the Comprehensive Annual Financial Report on a timely basis was made possible by the dedicated efforts of the County Finance Department under the Clerk of the Circuit Court and Comptroller of Lake County as auditor and comptroller to the Board of County Commissioners. In addition, without the support of the Board of County Commissioners, Constitutional Officers, County Manager, and their respective staffs, as well as our external auditors, MSL, P.A., preparation of this report would not have been possible.

Respectfully submitted,

Kristy Mullane, CPA
Chief Financial Officer

INDEPENDENT AUDITOR'S REPORT

Honorable Board of County Commissioners
Lake County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activity, each major fund, and the aggregate remaining fund information of Lake County, Florida (the County) as of and for the year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activity, each major fund, and the aggregate remaining fund information of the County as of September 30, 2019, and the respective changes in financial position, and, where applicable, cash flows thereof and the respective budgetary comparisons for the General Fund, Road Impact Fee Fund, Public Transportation Fund, and Mt. Plymouth-Sorrento CRA Fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Honorable Board of County Commissioners
Lake County, Florida

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and required supplementary information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements as a whole. The introductory section, combining and individual fund statements and schedules, Financial Data Schedules – HUD Section 8, and the statistical section, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements.

The combining and individual fund statements and schedules and Financial Data Schedules – HUD Section 8 are the responsibility of management and were derived from, and relate directly to, the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual fund statements and schedules and the Financial Data Schedules – HUD Section 8 are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The introductory section and statistical section have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 23, 2020, on our consideration of the County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

This page intentionally left blank.

Management's Discussion and Analysis

As management of Lake County, Florida, (County) we offer readers of the County's financial statements this narrative overview and analysis of the financial activities of Lake County government for the fiscal year ended September 30, 2019. We encourage readers to consider the information presented here in conjunction with additional information that we have furnished in the letters of transmittal, which can be found at pages 3 to 10 of this report.

Financial Highlights

- Lake County's assets and deferred outflows of resources exceeded its liabilities and deferred inflows of resources at September 30, 2019 by \$307,544,177 (net position). The amount of unrestricted net position is a net deficit of \$152,636,820. The net deficit is primarily the result of the County's proportionate share of the State of Florida Retirement System's net pension liability.
- The County's total net position decreased \$488,592 from the previous year, with an increase in current year operations of \$1,434,364 resulting from business-type activity, and a decrease of \$1,922,956 resulting from governmental activities.
- At September 30, 2019, Lake County's governmental fund statements report combined ending fund balances of \$102,211,223, an increase of \$8,023,241 from the previous fiscal year. Of this amount, \$13,501,616 remains unassigned in the governmental funds with the remaining balance either nonspendable, restricted, committed or assigned in the various governmental fund types.
- The General Fund, the County's primary operating fund, reported an unassigned fund balance of \$13,501,616 and an increase in total fund balance from the last fiscal year of \$9,671,315. The unassigned general fund balance of \$13,501,616 represents approximately 10% of total general fund expenditures.
- Total bonded debt outstanding at year-end amounted to \$107,865,000 of which \$58,105,000 related to direct placements.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to Lake County's basic financial statements. The County's basic financial statements are comprised of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. There is additional supplementary information following the financial statements that may be of interest to the reader.

Government-Wide Financial Statements

Government-wide financial statements are designed to provide the reader with a broad overview of the County's financial position, in a manner similar to a private-sector business. They include a **Statement of Net Position** and a **Statement of Activities**. These statements appear on pages 31 to 33 of the report.

The **Statement of Net Position** presents the County's assets and deferred outflows of resources less its liabilities and deferred inflows of resources at year end. The difference between these amounts is reported as net position. Changes in net position over time may serve as a useful indicator of whether the financial position of the County is improving or deteriorating.

The **Statement of Activities** presents information showing how the County's net position changed during the fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (for example, accounts payable and earned but unused vacation leave.)

Both statements attempt to distinguish functions of the County that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activity). Governmental activities include general government, public safety, physical environment, transportation, economic environment, human services, culture and recreation, and court-related expenses. Business-type activity includes a solid waste system and landfills to dispose of solid waste.

Fund financial statements. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The County, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the County's funds can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental funds. Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating the County's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the Governmental Fund Balance Sheet and the Governmental Fund Statement of Revenues, Expenditures and Changes in Fund Balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The County maintains 35 individual governmental funds. Information is presented separately in the Governmental Fund Balance Sheet and in the Governmental Fund

Statement of Revenues, Expenditures and Changes in Fund Balances for the General Fund, Road Impact Fee Special Revenue Fund, Public Transportation Special Revenue Fund, Mt. Plymouth-Sorrento CRA Special Revenue Fund, Sales Surtax Revenue Note Debt Service Fund, and Sales Tax Capital Projects Fund, all of which are considered to be major funds. Data from the other 29 governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these nonmajor governmental funds is provided in the form of combining statements elsewhere in this report.

Each Constitutional Officer adopts an annual appropriated budget for its general fund. The general funds of the Board and Constitutional Officers are then combined and eliminations of intergovernmental receivables, payables and operating transfers are made. A budgetary comparison statement of this consolidated General Fund has been provided to demonstrate compliance with the county-wide adopted budget.

The basic governmental fund financial statements can be found on pages 34 to 46 of this report.

Proprietary funds. The County maintains and presents two types of proprietary funds: enterprise and internal service, which can be found on pages 48 to 51 of this report.

Enterprise funds are used to report the same functions presented as business-type activity in the government-wide financial statements. The County has one enterprise fund which is used to account for the activities of its solid waste management system.

Internal service funds are an accounting tool used to accumulate and allocate costs internally among various functions. The County uses internal service funds to account for its fleet of vehicles, and for its self-insured health and general liability programs. Because both of these services predominately benefit governmental rather than business-type functions, they have been included within governmental activities in the government-wide financial statements.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The Landfill Fund is considered to be a major fund of the County. Conversely, all internal service funds are combined into a single, aggregated presentation in the proprietary fund financial statements. Individual fund data for the internal service funds is provided in the form of combining statements elsewhere in this report.

Fiduciary funds. Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are *not* reflected in the government-wide financial statements because the resources of those funds are *not* available to support the County's own programs.

The basic fiduciary fund financial statement can be found on page 52 of this report.

Notes to financial statements. The notes provide additional information that is essential to a full understanding of the information provided in the government-wide and fund financial statements. The notes to the financial statements can be found on pages 53 to 89 of this report.

Other information. The combining statements referred to earlier in connection with nonmajor governmental funds and internal service funds are presented immediately following the notes to the financial statements. Combining and individual fund statements and schedules can be found on pages 100 to 174 of this report.

Government-Wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of the County's financial position. In the case of Lake County, governmental activities assets and deferred outflows of resources exceed liabilities and deferred inflows of resources by \$301,759,712 at September 30, 2019.

By far the largest portion of the County's governmental activities net position, \$376,029,533, reflects its investment in capital assets (e.g., infrastructure, land, buildings, machinery, and equipment), less any related debt used to acquire those assets that is still outstanding. These capital assets are used to provide services to citizens; consequently, these assets are *not* available for future spending. Although the investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

The following is a summary of Lake County net position for governmental and business-type activities for 2019 and 2018, with amounts expressed in thousands:

	Governmental Activities		Business-Type Activity		Total	
	2019	2018	2019	2018	2019	2018
Current and other assets	\$ 138,977	\$ 124,226	\$ 4,339	\$ 3,149	\$ 143,316	\$ 127,375
Capital Assets	475,646	472,817	10,848	10,772	486,494	483,589
Total Assets	614,623	597,043	15,187	13,921	629,810	610,964
Deferred Outflows	68,774	64,975	432	473	69,206	65,448
Long-term liabilities outstanding	320,557	300,644	8,140	8,404	328,697	309,048
Other liabilities	34,832	33,992	1,614	1,500	36,446	35,492
Total Liabilities	355,389	334,636	9,754	9,904	365,143	344,540
Deferred Inflows	26,248	23,699	81	140	26,329	23,839
Net Position:						
Net investment in capital assets	376,030	380,161	10,847	10,771	386,877	390,932
Restricted	73,304	62,777	-	-	73,304	62,777
Unrestricted (deficit)	(147,574)	(139,255)	(5,063)	(6,421)	(152,637)	(145,676)
Total Net Position	\$ 301,760	\$ 303,683	\$ 5,784	\$ 4,350	\$ 307,544	\$ 308,033

An additional portion of the County's governmental activities net position, \$73,303,691, represents resources that are subject to external restrictions on how they may be used. The remaining balance of governmental activities net position is an unrestricted deficit of \$147,573,512 resulting primarily from the County's net pension liability.

External restrictions may be imposed by creditors (such as through debt covenants), grantors, contributors, laws or regulations of other governments, or imposed by law through constitutional provisions or enabling legislation.

Enabling legislation may include ordinances passed by the County which requires that revenues collected be spent for particular purposes. Some examples of these restrictions include revenues from gas taxes, road impact fees, fire special assessments, and infrastructure sales tax.

Net position in the Landfill Fund (Business-type Activity) consists of the net investment in capital assets of \$10,847,773 and unrestricted net deficit of \$5,063,308 resulting from the landfill closure/post-closure care liability and the County's net pension liability; the overall net position is \$5,784,465.

Governmental Activities

Governmental activities account for 98% of the County's net position. One of the major components of general revenue collected by governmental activities is property taxes. Overall property taxes collected amounted to \$123,327,147, an increase of \$10,604,060 from the prior year. This increase was due to an increase in taxable value of about 10%. Other taxes amounted to \$29,433,833 and include infrastructure sales tax (\$16,765,845), gas taxes (\$7,818,519), communications services taxes (\$1,483,132) and tourist development taxes (\$3,366,337).

Other variances in governmental activities include:

- Other ad valorem taxes include the Stormwater Management, Parks and Roads Municipal Services Taxing Unit Fund, the Lake County Ambulance Fund, the Municipal Services Taxing Unit for Fire Protection Fund and Voter Approved Debt. The tax rate for the stormwater, parks and roads MSTU was .4957 mills, consistent with prior year. The Ambulance fund adopted a millage rate of .4629 mills, the same as last year. The MSTU for Fire Protection is used to provide funds for advanced life support services by the Fire department. This millage was .4704 in 2019 and 2018. The Voter Approved Debt millage was .1324 in 2019 and .1524 in 2018. These funds are used to pay debt service on bonds issued to purchase environmentally sensitive land. Collections from these four taxes amounted to about \$21 million of the total approximately \$123 million that was collected, an increase from \$20 million in the previous year.
- Charges for services increased approximately \$6 million, resulting from an increase in revenue from the fire assessment of about \$2.2 million due to increased assessment rates, an increase in emergency management services revenue of about \$1.2 million and an increase in revenue for school resource officers of about \$1.2 million.
- Other revenue increased approximately \$9 million, primarily due to recognition of lease revenue from the municipalities for reimbursement of public safety radios and due to increased interest rates.
- Public Safety expenses increased approximately \$12 million, primarily the result of increased expenses related to an increase in the net pension liability.

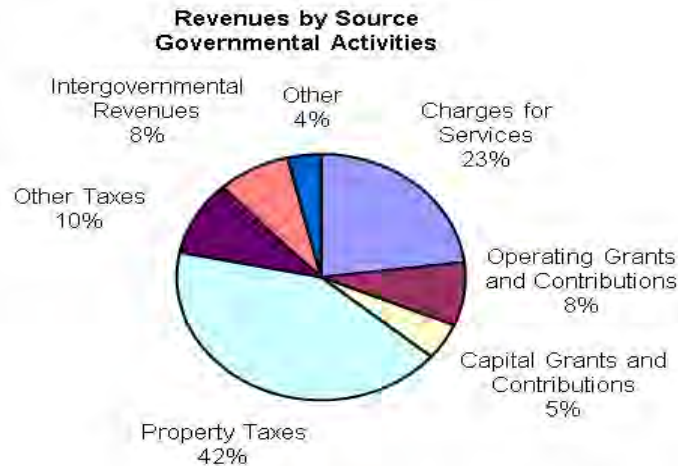

The following is a summary of Lake County governmental and business-type activities for 2019 and 2018, including revenues and expenses, with amounts expressed in thousands:

	Governmental Activities		Business-Type Activities		Total	
	2019	2018	2019	2018	2019	2018
Revenues:						
Program Revenues:

The following graph is a comparison of program revenues and program expenses for all governmental activities. This chart is intended to give the reader an idea of the degree to which governmental activities are self-supporting.

The following pie chart illustrates the composition of governmental activities revenue and its percent in relation to total governmental revenues.

Business-Type Activity

The County has only one business-type activity which is the solid waste management system. The system consists of one operating and six closed landfills. The operating landfill is the Central Landfill Phase III. The six closed landfills are located in Astatula, Umatilla, Lady Lake and Clermont. The Phase III landfill, consisting of two cells, the Ash Cell and Municipal Solid Waste Cell, was completed in 2009. The Ash Cell started accepting waste in 2011. Currently, disposal of waste is primarily transported to a landfill outside Lake County, instead of the Lake County Landfill.

The activities of the solid waste management system are reported in the Landfill Fund. Overall, the fund finished the year favorably when compared to prior year with an increase in net position of \$1,434,364 compared to a decrease of \$592,002 in 2018. Revenues increased from 2018 to 2019 at approximately \$13.2 million and \$14.9 million, respectively. This was the result of increased assessment rates in 2019. Operating expenses (excluding the amounts for landfill closure and post closure costs), remained fairly consistent for 2018 and 2019 at approximately \$16 million and \$15.9 million, respectively. This resulted in an operating loss for 2018 and 2019 of \$2.8 and \$1.2 million, respectively. The County's transfer in from the General Fund increased from approximately \$3.1 million in 2018 to \$3.5 million in 2019.

All of these factors and the impact of recording the County's net pension liability resulted in a deficit of unrestricted net position of \$5,063,308 with an overall positive net position of \$5,784,465 which increased from the net position of \$4,350,101 for 2018.

The following chart is a comparison of expenses, revenues and transfers by year for business-type activities:

Financial Analysis of the County’s Funds

As noted earlier, the County uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental funds. The focus of governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the County’s financing requirements. In particular, assigned and unassigned fund balance may serve as a useful measure of a government’s net resources available for spending at the end of the fiscal year.

The combined ending fund balance for all governmental funds at September 30, 2019 was \$102,211,223, an increase of \$8,023,241 from the prior year. The combined fund balance includes approximately \$7 million in restricted bond proceeds which is discussed under section "Long-Term Debt" on pages 27 to 28. The fund balance in the General Fund increased by \$9.7 million to \$17,480,421, increasing the unassigned fund balance to \$13,501,616. The increase in the fund balance in the General Fund resulted primarily from increased revenues related to property taxes and reimbursements from the Federal Emergency Management Agency (FEMA) for Hurricane Irma, a storm that significantly affected the County in September 2017. For additional information, refer to the section "Governmental Activities" beginning on page 21.

The ending fund balances in governmental funds for 2019 and 2018 were classified as follows:

	<u>2019</u>	<u>2018</u>
Nonspendable	\$ 168,805	\$ 190,446
Restricted	76,798,662	81,383,642
Committed	7,556,035	4,585,163
Assigned	4,186,105	1,120,071
Unassigned	13,501,616	6,908,660
Total Fund Balances	<u>\$ 102,211,223</u>	<u>\$ 94,187,982</u>

The County's chief operating fund is the General Fund. The General Fund as presented in the accompanying financial statements includes the general funds of the Board of County Commissioners, Clerk of the Circuit Court and Comptroller, Sheriff, Tax Collector, Property Appraiser and Supervisor of Elections. Eliminations have been made in combining these funds so that intergovernmental transactions have been eliminated.

In addition to the General Fund, the County has five governmental funds that are considered major funds under criteria set forth by GASB Statement Number 34. Those funds include the Road Impact Fee Special Revenue Fund, Public Transportation Special Revenue Fund, the Mt. Plymouth-Sorrento CRA Special Revenue Fund, the Sales Surtax Revenue Note Debt Service Fund, and the Sales Tax Capital Projects Fund. A brief discussion of these funds follows:

Road Impact Fees: This fund is used to account for impact fees collected from the issuance of building permits in the County. Funds collected must be used for new road construction or reconstruction in the district in which collected within six years of collection. This period can be extended under certain circumstances. In 2014, the number of impact fee districts were reduced from six to three. The reduction to three impact fee districts was a recommendation from an impact fee study to provide greater flexibility in planning road projects. In 2019, the number of impact fee districts was increased from three to four, splitting the central district into two separate areas. Revenues were \$5,297,845 in 2019 and \$4,741,993 in 2018. Expenditures were \$4,922,799 in 2019 and \$3,222,501 in 2018. The increase in impact fee revenues resulted from increased rates and the improving economy. The increase in expenditures primarily related to an increase in impact fee projects including Citrus Grove Road in south Lake County.

Public Transportation: This fund was created to account for certain County transportation services, including providing services to the transportation disadvantaged residents of Lake County. A majority of the funding for these services comes from federal and state cost-reimbursable grants. Revenues were \$6,820,384 in 2019 and \$8,077,320 in 2018 and expenditures were \$8,384,815 in 2019 and \$9,317,695 in 2018. Transfers from the General Fund were \$1,390,070 in 2019 and \$1,213,617 in 2018. The decreases are related to grant revenue and expenditures for paratransit and fixed route service.

Mt. Plymouth-Sorrento CRA: The fund was created in 2015 to account for revenues and expenditures for the CRA redevelopment projects. The primary revenue source is certain ad valorem taxes collected within the boundaries of the CRA. Revenues were \$69,210 in 2019 and \$21,969 in 2018; there were expenditures of \$30,135 in 2019 and \$725 in 2018. Increases in tax revenues related to increased property values.

Sales Surtax Revenue Note Debt Service: This fund was established to account for the debt payments from the \$19,980,000 Sales Surtax Revenue Bond, Series 2018 which will be used to fund the construction of a new animal shelter and upgrade the County's emergency radio system. Revenues and expenditures were \$554,906 and \$887,444 in 2019, respectively.

Sales Tax Capital Projects: This fund accounts for the construction of various capital projects, using discretionary infrastructure sales surtax revenues from a locally imposed one-cent sales tax. Transfers in from the County Sales Tax Fund were \$14,876,405 in 2019 and \$14,109,583 in 2018. Expenditures in 2019 were \$10,208,334 compared to \$8,133,717 in 2018. Significant projects included various building and improvements projects of about \$3.5 million, county-wide resurfacing, sidewalks and road improvements of approximately \$3.1 million and equipment and vehicle purchases of about \$3.6 million.

Proprietary funds: The County's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail. The County's only enterprise fund is the Landfill Fund, and financial highlights are discussed above, under business-type activity.

General Fund Budgetary Highlights

Differences between the original budget and the final amended budget was \$4,348,447 (increase in appropriations for expenditures). The increases related to budgeted amounts for general government and public safety for the Constitutional Officers of approximately \$2 million including approximately \$1 million for the Sheriff, and an increase in non-departmental amounts for general government and public safety related to budgeted amounts of about \$1 million for non-capital expenditures for the new radio project and \$400,000 related to Hurricane Dorian, a storm which occurred in September 2019.

Actual revenues were higher than the final adopted budget by \$2,015,537 as a result of higher tax collections and charges for services. This was offset by approximately \$1 million in revenues under budgeted amounts for reimbursements related to Hurricane Irma.

Actual expenditures in the General Fund were under the final amended budget by \$3,545,191. A brief description of some of these differences follows:

- General government differences of \$1,858,413 from spending in personal services and operating expenses by the Constitutional Officers being lower than budgeted amounts, and projects being delayed.
- Differences in public safety of \$470,617 primarily from public safety projects being delayed and savings in code enforcement.
- Differences in human services of \$551,970 primarily due to savings in the office of community services of approximately \$300,000 related to personal services and operating costs for indigent care.

Capital Assets and Debt Administration

Capital assets. The County's investment in capital assets for its governmental and business-type activity as of September 30, 2019, amounts to \$486,494,265 (net of accumulated depreciation). This investment in capital assets includes land, buildings, improvements, machinery and equipment, park facilities, and roads completed and put into use during the period from fiscal year 1980 to 2019.

The County has a locally imposed Infrastructure Sales Surtax, a one-cent sales tax that can be used for infrastructure. These funds are used for public safety vehicles and equipment; sidewalk and road improvements; trails and recreation; water quality and other infrastructure needs.

Additions to building included the completion of the Hickory Point Beach Athletic Center for about \$1.9 million. Other building spending included approximately \$540,000 for the new Animal Shelter and approximately \$300,000 for the continued renovation of the existing courthouse; these projects remain in construction work in progress. In improvements other than building, the County completed \$400,000 in improvements to PEAR Park, and spent approximately \$1.5 million on the new South Lake Regional Park and an additional \$750,000 in other park improvements; these projects remain in construction work in progress.

The County continued improvements on CR466A, a major road project in northern Lake County, spending approximately \$1.7 on Phase IIIA. In addition the County spent about \$8.3 million on Citrus Grove Road in south Lake County, of which approximately \$4.8 and \$3.5 million was related to construction of Phase I and right of way for Phase III, respectively. The construction phases of both projects remain in construction work in progress. In addition the County completed approximately \$1.6 million and \$600,000, respectively, in county-wide resurfacing and sidewalk improvement projects.

All of these governmental projects were offset by approximately \$28 million of depreciation expenses.

The following is a summary of Lake County's capital assets for governmental and business-type activities for 2019 and 2018, net of accumulated depreciation, with amounts expressed in thousands.

	LAKE COUNTY'S CAPITAL ASSETS					
	Governmental Activities		Business-Type Activity		Total	
	2019	2018	2019	2018	2019	2018
Land	\$ 99,909	\$ 97,286	\$ 3,183	\$ 2,913	\$ 103,092	\$ 100,199
Buildings	154,004	157,656	349	432	154,353	158,088
Improvements other than buildings	18,794	19,679	7,030	7,088	25,824	26,767
Machinery and equipment	21,873	20,425	286	339	22,159	20,764
Infrastructure	140,948	152,246	-	-	140,948	152,246
Construction work in progress	40,118	25,525	-	-	40,118	25,525
Total	\$ 475,646	\$ 472,817	\$ 10,848	\$ 10,772	\$ 486,494	\$ 483,589

Additional information on capital assets can be found in Note 5 to the financial statements.

Long-Term Debt

At September 30, 2019, Lake County had debt outstanding of \$107,865,000 of which \$58,105,000 related to direct placements:

\$25,845,000 in Capital Improvement Refunding Revenue Bonds, Series 2015A:

These bonds were issued to partially refund the Capital Improvement Revenue Bonds, Series 2007, that were originally issued to provide funds to acquire, construct and equip various capital improvements, including the courthouse and other government buildings in downtown Tavares. The bonds are secured by a pledge of the half cent sales tax. The bond, a direct placement, is held by Regions Capital Advantage, Inc. Final maturity is in 2026. The balance at September 30, 2019 was \$20,040,000.

\$50,140,000 in Capital Improvement Refunding Revenue Bonds, Series 2015B:

These bonds were issued to partially refund the Capital Improvement Revenue Bonds, Series 2007, that were originally issued to provide funds to acquire, construct and equip various capital improvements, including the courthouse and other government buildings in downtown Tavares. These bonds are secured by a pledge of the half cent sales tax. Final maturity is in 2037. The bonds are rated AA- by Fitch, Inc. and A1 by Moody's Investors Service, Inc. The balance at September 30, 2019 was \$49,760,000.

\$20,950,000 in Limited General Obligation Refunding Bonds, Series 2015:

These bonds were issued to partially refund the Limited General Obligation Bonds, Series 2007. These bonds are secured by ad valorem taxes assessed at an amount not to exceed 1/3 of 1 mill as approved by referendum on November 2, 2004. The bonds were issued to acquire and improve lands within the County, to protect drinking water sources, preserve natural areas and protect open space from overdevelopment. The bond, a direct placement, is held by Citizens First Bank. Final maturity is in 2026. The balance at September 30, 2019 was \$16,215,000.

\$3,635,000 Sales Tax Refunding Revenue Bond (Pari-Mutuel Revenues Replacement Program), Series 2011: The County issued this bond in 2011 in a current refunding of the Sales Tax Revenue Bonds (Pari-Mutuel Revenues Replacement Program) Series 2000 that were previously outstanding. The refunding was undertaken to reduce debt service payments. The refunding bond is secured by sales tax revenues which are paid to the County by the State of Florida as a replacement for funds previously distributed from pari-mutuel wagering revenues. Final maturity is in 2030. The original bonds were issued in 2001 to fund county-wide recreation projects. In 2013, the bond was modified and reissued at a reduced rate resulting in a net present value savings of \$195,930. The interest rate decreased from 3.91% to 3.12%. The bond, a direct placement, is held by Branch Banking & Trust Company. The balance outstanding at September 30, 2019 was \$2,305,000.

\$19,980,000 in Sales Surtax Revenue Bonds, Series 2018: These bonds are secured by a pledge of the levy of the one cent local government Infrastructure Sales Surtax Revenues. These bonds were issued to provide funds to construct a new animal shelter and upgrade the County's public safety radio network. The bond, a direct placement, is held by Citizen's First Bank. Final maturity is in 2033. The balance at September 30, 2019 was \$19,545,000.

Additional information on debt can be found in Note 6 to the financial statements.

Economic Factors and Next Year's Budgets and Rates

- The unemployment rate was estimated at 2.9% for Lake County, 3.2% for the State of Florida and 3.5% for the nation at September 30, 2019. Last year's rate for the County was also 2.9%.
- Over the last 12 months, inflation nationally as indicated by the consumer price index increased 1.7% as of September 30, 2019.

These factors were considered in preparing the County's budget for Fiscal Year 2020. In addition, at its final budget hearing on September 24, 2019, the Board adopted the following millage rates:

General Fund:	5.0734	mills
Stormwater, Parks and Roads:	0.4957	mills
Lake County Ambulance Fund:	0.4629	mills
Voter Approved Debt:	0.1100	mills
Fire/EMS MSTU:	0.4704	mills

Requests for Information

This financial report is designed to provide a general overview of the Lake County finances for all of those with an interest in the government's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Lake County Clerk of the Circuit Court and Comptroller's Office, County Finance Department, 315 West Main Street, Tavares, Florida 32778.

**LAKE COUNTY, FLORIDA
RECONCILIATION OF THE BALANCE SHEET - GOVERNMENTAL
FUNDS TO THE NET POSITION - GOVERNMENTAL ACTIVITIES
September 30, 2019**

Amounts reported for governmental activities in the statement of net position are different because:

Fund balances-total governmental funds	\$ 102,211,223
Capital assets used in governmental activities are not financial resources and, therefore, are not reported in the funds. This is the amount of capital assets net of accumulated depreciation, excluding the capital assets of the Internal Service Funds of \$59,732.	475,586,760
Internal Service Funds are used by management to charge the costs of fleet maintenance and insurance to individual funds. The assets and liabilities of the Internal Service Funds are included in governmental activities in the Statement of Net Position.	10,671,813
Long-term obligations, including bonds payable, are not due and payable in the current period and, therefore, are not reported in the governmental funds, excluding the long-term obligations of the Internal Service Funds of \$51,560.	(122,575,199)
Deferred outflows of resources related to refunding of bonds are not due and payable in the current period and therefore, are not reported in the governmental funds.	3,611,817
Revenue related to leases are not measureable and available in the current period and therefore, are reported in the governmental funds as deferred inflows of resources.	4,169,180
Net pension liability and deferred outflows and inflows of resources related to pensions are not reported in the governmental funds but will be recognized in pension expense on a long-term basis and, therefore, are reported in the Statement of Net Position. This is the net effect of deferred outflows, deferred inflows, and net pension liability, excluding the Internal Service Funds amounts of \$248,243, \$46,296 and \$607,810 respectively.	(128,172,316)
Total OPEB liability and deferred outflows and inflows of resources related to OPEB are not reported in the governmental funds but will be recognized in OPEB expense on a long-term basis and, therefore, are reported in the Statement of Net Position. This is the net effect of deferred outflows, deferred inflows and total OPEB liability.	<u>(43,743,566)</u>
Net position of governmental activities	<u>\$ 301,759,712</u>

**LAKE COUNTY, FLORIDA
RECONCILIATION OF THE STATEMENT OF REVENUES,
EXPENDITURES, AND CHANGES IN FUND BALANCE - GOVERNMENTAL FUNDS
TO THE STATEMENT OF ACTIVITIES
For The Year Ended September 30, 2019**

Amounts reported for governmental activities in the statement of activities are different because:

Net change in fund balances-total governmental funds	\$ 8,037,450
Governmental funds report capital outlays as expenditures. However, in the Statement of Activities, the cost of those assets are allocated over their estimated useful lives and reported as depreciation expense. This is the amount by which capital outlays of \$30,508,927 were greater than depreciation of \$27,585,549 in the current period, excluding Internal Service Fund depreciation of \$5,191.	2,923,378
The net effect of miscellaneous transactions involving capital assets (i.e. sales, trade-ins, and donations) is to decrease net position.	(102,726)
The issuance of long-term debt provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position. Also, governmental funds report the effect of premiums, discounts, and similar items when debt is first issued, whereas these amounts are deferred and amortized in the statement of activities. This amount is the net effect of these differences in the treatment of long-term debt and related items.	5,639,702
The amortization of deferred outflows resulting from the refunding of long-term debt.	(256,664)
Net adjustment to pension expense resulting from changes in net pension liability and deferred outflows and inflows of resources related to long-term pension obligations, excluding Internal Service Fund amount of \$19,759.	(22,317,485)
Net adjustment to OPEB expense resulting from changes in total OPEB liability, and deferred outflows and inflows of resources related to long-term OPEB obligations.	(2,383,722)
Some expenses reported in the Statement of Activities do not require the use of current financial resources and therefore, are not reported as expenditures in governmental funds, excluding Internal Service Fund amounts of (\$28,571).	(1,118,602)
Some revenues reported in the Statement of Activities are not measurable and available in the current period and therefore, are not reported in the governmental funds.	4,169,180
Internal Service Funds are used by management to charge the costs of fleet maintenance and insurance to individual funds. The net revenue (expense) of the Internal Service Funds is reported with governmental activities.	3,486,533
Change in net position of governmental activities	\$ (1,922,956)

The notes to the financial statements are an integral part of this statement.

LAKE COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of Lake County, Florida, (the County), have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the County's accounting policies are described below.

A. Reporting Entity:

Lake County is a political subdivision of the State of Florida pursuant to Article VIII, Section (1), Constitution of the State of Florida. The County is guided by an elected Board of County Commissioners (the Board) which is governed by state statutes. In addition to the members of the Board, there are five elected Constitutional Officers: the Tax Collector, Property Appraiser, Clerk of the Circuit Court and Comptroller (Clerk), Sheriff and the Supervisor of Elections. The entities controlled by these officials are combined and comprise the primary government.

The Board funds a portion, or in certain instances all, of the operating budgets of the County's Constitutional Officers. The payments by the Board to fund the operations of the Constitutional Officers are recorded as "Transfers Out" on the financial statements of the Board and as "Transfers In" on the financial statements of the Constitutional Officers. Florida Statutes require the applicable budget excess of the Constitutional Officers to be returned to the Board at the close of the fiscal year. Accordingly, such amounts are recorded as "Transfers Out" by the Constitutional Officers and "Transfers In" by the Board.

Information is reported for each of the County's Constitutional Officers within the General Fund. Eliminations of intragovernmental receivables, payables, and transfers for governmental activities have been made and are reported in the financial statements.

The accompanying financial statements present Lake County (the primary government described above) and its component units. A component unit is a legally separate organization for which the County is financially accountable. Blended component units, although legally separate entities, are in substance, part of the County's operations. A description of the County's component units and the criteria for their inclusion in the County's financial statements follows:

Blended Component Units: Mt. Plymouth-Sorrento Community Redevelopment Agency (CRA); Lake County Municipal Services Taxing Unit for Fire Protection; Greater Hills Municipal Service Benefit Unit; Greater Groves Municipal Service Benefit Unit; Village Green Street Lighting; Greater Pines Municipal Services; Picciola Island Street Lighting; Valencia Terrace Street Lighting and Sylvan Shores Street Lighting. Lake Emergency Medical Services, Inc. formerly a blended component unit of the Board became part of the Board effective October 1, 2018.

 NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

These funds are supported by taxes or fees collected from the residents who benefit from these services. However, pursuant to Florida Statutes, County Resolutions, County Ordinances or interlocal agreements, the Board of County Commissioners is the governing body of these organizations. Additionally, there is a financial benefit or burden relationship between the component unit and the Board. These funds are included as special revenue funds. None of the component units issue stand-alone financial statements.

The following is a listing of the name and legal authority for each component unit of Lake County, Florida.

<u>Name</u>	<u>Legal Authority</u>
Mt. Plymouth-Sorrento Community Redevelopment Agency (CRA)	County Resolution 2012-76, 2012-77
Lake County Municipal Services Taxing Unit for Fire Protection	County Ordinances 1985-13, 1989-9(G), 1990-24, 29; 1991-18, 1998-64
Greater Hills Municipal Service Benefit Unit	County Resolution 1995-169
Greater Groves Municipal Service Benefit Unit	County Resolution 1993-226
Village Green Street Lighting	County Resolution 1993-224
Greater Pines Municipal Services	County Resolution 1993-227
Picciola Island Street Lighting	County Resolution 1997-167
Valencia Terrace Street Lighting	County Resolution 1999-147
Sylvan Shores Street Lighting	County Resolution 2017-13

B. Government-wide and fund financial statements:

The government-wide financial statements (i.e., the Statement of Net Position and the Statement of Activities) report information on all of the non-fiduciary activities of Lake County and its component units. For the most part, the effect of interfund activity has been removed from these statements. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from the County's Landfill Fund, a business-type activity, which relies primarily on user fees.

The Statement of Activities demonstrates the degree to which the direct expenses of a given function, such as general government, public safety, transportation, physical and economic environment, human services, culture and recreation and court-related expenses, are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements or a particular function

LAKE COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

or segment. Taxes and other items, including unrestricted intergovernmental revenues, not properly included among program revenues are reported instead as general revenues.

Separate financial statements are provided for governmental funds, proprietary funds, and fiduciary funds, even though fiduciary funds are excluded from the government-wide financial statements. Major individual governmental funds and the Landfill Fund are reported as separate columns in the fund financial statements.

C. Measurement Focus, Basis of Accounting, and Financial Statement Presentation: The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary fund statements. The fiduciary fund financial statements, which include only agency funds, are reported using the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as soon as all eligibility requirements imposed by the provider have been met.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the Landfill Fund and internal service funds are charges to customers for sales and services. Operating expenses for the Landfill Fund and internal service funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the County generally considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

Property taxes, special assessments, intergovernmental revenues, charges for services and interest associated with the current fiscal period are all considered to be susceptible to accrual and have been recognized as revenues of the current fiscal period. All other revenue items are considered to be measurable and available only when cash is received by the County.

LAKE COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

The County reports the following major governmental funds:

The General Fund is the County's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund. The general funds of the Clerk, Property Appraiser, Sheriff, Tax Collector and Supervisor of Elections are included in the County's General Fund.

The Road Impact Fee Special Revenue Fund accounts for impact fees and related expenditures for road improvements pursuant to County Ordinance. Primary revenue sources are impact fees, which assist in the provision of new infrastructure, the need for which is created by new development.

The Public Transportation Fund accounts for the activities of the County as Community Transportation Coordinator, responsible for ensuring that coordinated transportation services are provided to the transportation disadvantaged residents of Lake County in accordance with Chapter 427, Florida Statutes. Primary revenue sources are restricted federal and state grants.

The Mt. Plymouth-Sorrento CRA Fund accounts for the activities of the Mt. Plymouth-Sorrento Community Redevelopment Trust Fund, created on April 22, 2014, by Lake County Ordinance 2014-17, for the purpose of financing or re-financing community redevelopment projects in the redevelopment area. Primary revenue sources are certain ad valorem taxes collected within the boundary of the redevelopment area.

The Sales Surtax Revenue Note Debt Service Fund accounts for the accumulation of monies for the payment of the \$19,980,000 Sales Surtax Revenue Bonds, Series 2018. The bonds are secured by a pledge of the levy of the one-cent local government Infrastructure Sales Surtax Revenues. The fund also accounts for amounts related to the leases for equipment purchased with a portion of the debt proceeds that has been leased to other entities in a direct financing lease arrangement. The payments received by the County through these lease agreements will pay all the related debt service principal and interest amounts.

The Sales Tax Capital Projects Fund accounts for the construction of various projects using discretionary infrastructure sales surtax revenues.

Lake County has the following major proprietary fund:

The Landfill Fund accounts for the operating of the County's solid waste system and landfills.

Additionally, Lake County has the following fund types:

Special revenue funds account for the proceeds of specific revenue sources (other than major capital projects) that are legally restricted to expenditures for specified purposes.

LAKE COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

Debt service funds account for the accumulation of resources for and the payment of principal and interest on the Capital Improvement Revenue Bonds, Limited General Obligation Bonds, the Sales Tax Revenue Refunding Bond (Pari-Mutuel Revenues Replacement Program), and various Notes Payable.

Capital projects funds account for financial resources to be used for the acquisition or construction of major capital facilities.

Internal service funds account for the provision of health and general liability insurance coverage and fleet management services provided to other County departments or outside agencies and other governments, on a cost reimbursement basis.

Agency funds account for situations where the County's role in handling funds is purely custodial, such as the receipt, temporary investment and subsequent payment to individuals, agencies or other governments. Activities of the agency funds are primarily related to the collection and payment of taxes, educational impact fees, and court registry deposits.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements.

D. Cash and Cash Equivalents and Restricted Cash and Investments:

Cash and cash equivalents and restricted cash and investments consist primarily of cash held in demand, savings accounts and certificates of deposit in qualified public depositories. Restricted cash and investments are comprised of bond proceeds to be used for capital projects.

Section 218.415, Florida Statutes, gives the County the authority to invest surplus funds in:

- (a) Direct obligations of the United States Treasury
- (b) Interest-bearing time deposits or savings accounts in qualified public depositories
- (c) Federal agencies and instrumentalities
- (d) Other instruments as defined in the Statute

All investments are stated at fair value. Investment income includes interest earnings and unrealized gains and losses on investments.

E. Inventories:

Inventories are stated at cost, using the first-in, first-out (FIFO) method. For the "consumption method" of accounting for inventories, the cost of an item is recorded as an expenditure at the time the item is used. The "purchases method" of accounting for inventories records the cost of an inventory item when it is purchased. In the governmental fund financial statements, all governmental fund inventories are accounted for using the purchases method, except for postage in the General Fund, which is accounted for using the consumption method. In the government-wide statements, all inventories are reported using the consumption method.

LAKE COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

F. Property Taxes – Lien and Levy Dates:

All real and tangible personal property taxes are due and payable on November 1 of each year or as soon thereafter as the assessment roll is open for collection. The Tax Collector mails a notice of taxes levied by the various governmental entities in the County to each property owner on the assessment roll. Taxes may be paid upon receipt of such notice with discounts at the rate of four percent (4%) if paid in the month of November, three percent (3%) if paid in the month of December, two percent (2%) if paid in the month of January, and one percent (1%) if paid in the month of February. Taxes paid during the month of March are without discount. All unpaid taxes on real and tangible personal property become delinquent on April 1 of the year following the year in which taxes were assessed.

Prior to May 1 of each year, a list of delinquent personal property taxpayers is advertised. Warrants are issued directing seizure and sale of the personal property of the taxpayer if the delinquent taxes are not paid before May 1. On or before June 1 of the year following the year in which taxes were assessed, tax certificates are sold on all real estate parcels with outstanding taxes. These parcels are advertised once a week for four weeks prior to the tax certificate sale.

The key dates in the property tax cycle are as follows:

Assessment date	January 1
Assessment roll validated	July 1
Millage Resolution approved	By September 30
Beginning of fiscal year for which taxes have been levied	October 1
Tax bills rendered and due	November 1
Property taxes payable:	
Maximum Discount	November 30
Delinquent	April 1
Tax Certificates Sold	May 31

Collections of County, municipal, and independent taxing district taxes and remittances are accounted for in the Tax Collector's Tax Collections Trust Fund.

G. Capital Assets:

Capital assets, which include property, plant, equipment, and infrastructure assets, (see below), are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are defined as assets with an initial, individual cost of more than \$5,000 for equipment or \$25,000 for land, improvements other than buildings, buildings and infrastructure, and an estimated useful life in excess of one year. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated acquisition value at the date of donation.

LAKE COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

The cost of infrastructure assets, including roads, bridges, curbs and gutters, streets, sidewalks, drainage systems and lighting systems, acquired during the period from October 1, 1979 to September 30, 2019 are recorded in the government-wide financial statements.

Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets of business-type activities is included as part of the capitalized value of the assets constructed. No interest was capitalized in 2019.

Property, plant, and equipment is depreciated (amortized for intangible assets) using the straight line method over the following estimated useful lives:

<u>Assets</u>	<u>Years</u>
Buildings and improvements	40
Improvements other than buildings	10
Infrastructure	10-50
Vehicles/Computer equipment	6
Furniture/Office equipment	10
Heavy equipment	20
Buses	10

H. Budgets and Budgetary Accounting:

Chapters 129 and 200, Florida Statutes, govern the County's annual budgetary process. The total of the estimated receipts, including balances brought forward, must equal the total of the appropriations and reserves, therefore enabling a balanced budget.

Pursuant to legal requirements, an annual appropriated budget is adopted by resolution subject to public hearing. Such resolution sets the budget appropriations on a fund by fund basis for the Board governmental fund types and the proprietary fund types. However, other Board approved policies, more fully discussed below, set the legal level of control at the major object level within a department. Since reporting budget to actual comparisons at the major object level would significantly increase the size of the Comprehensive Annual Financial Report, aggregation of such account classifications through revenue "source" and expenditure "function" is presented in this report, which represents a higher level of summarization than the legal level of control for the Board. In addition, a detailed report comparing budgeted to actual expenditures is generated at year end and is made available to interested parties.

The Constitutional Officers submit, at various times, to the Lake County Board of County Commissioners, and to certain divisions within the Department of Revenue, State of Florida, a proposed operating budget for the fiscal year commencing the following October 1. The tentative budget is reviewed and/or modified by the Board, after which public hearings are conducted pursuant to Section 200.065, Florida Statutes. Prior to October 1, the budget is legally enacted by approval of the Board of County

LAKE COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

Commissioners. The Department of Revenue, State of Florida, has the final authority on the operating budgets for the Tax Collector and the Property Appraiser included in the General Fund. The Clerk's Courts Fund budget included in the special revenue funds is certified by the Florida Clerk of Courts Operations Corporation (CCOC).

In addition to the legal requirements discussed above, the Board has adopted management control and approval guidelines for expenditures and budget amendments. Key components of these management guidelines are as follows:

- (1) Transfers of budgeted amounts between major object codes of a department within a fund must be approved by the Board if they exceed \$25,000.
- (2) Transfers of budgeted amounts between funds must be approved by the Board following a public hearing.
- (3) No expenditure or encumbrance may occur without a sufficient budgetary balance.
- (4) All encumbered and unencumbered appropriations lapse at the close of the fiscal year. Encumbered amounts must be re-appropriated in the next fiscal year.

For the Fiscal Year 2019, the Board of County Commissioners adopted budgets for the following funds and fund types: all governmental fund types, Landfill Fund and internal service funds. The original budget is adopted before final audited beginning fund balances are available, resulting in differences between the beginning fund balance for the original and the final budget presentation in the governmental funds.

Except for the Landfill Fund and Fleet Management Fund (proprietary fund types), all budgets are prepared on a basis consistent with GAAP. The budget for these funds is prepared on an accrual basis and is in conformance with GAAP, except that capital outlay expenses are budgeted for management purposes and subsequently recorded as assets at year end.

I. Accrued Benefits Payable:

The County's policy is to permit employees to accumulate earned but paid time off. All paid time off is accrued when incurred in the government-wide and proprietary fund financial statements.

J. Deferred Outflows/Inflows of Resources:

Deferred Outflow on Refunding of Revenue Bonds - The difference between the re-acquisition price and the net carrying amount of refunded bonds is presented on the balance sheets at September 30, 2019, as a deferred outflow of resources and is amortized as an adjustment to interest expense on a straight-line basis over the life of the refunded bonds or the life of the refunding bonds, whichever is shorter.

Deferred Outflows Related to Pensions - These deferred outflows of resources are an aggregate of items related to pensions as calculated in accordance with GASB Statement No. 68, *Accounting and Financial Reporting for Pensions*. Deferred outflows related to

LAKE COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

pensions will be recognized as either pension expense or a reduction in the net pension liability in future reporting years. Details on the composition of the deferred outflows of resources related to pensions are further discussed in Note 10.

Deferred Outflows Related to OPEB - These deferred outflows of resources are an aggregate of items related to OPEB as calculated in accordance with GASB Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*. Deferred outflows related to OPEB will be recognized as either OPEB expense or a reduction in the total OPEB liability in future reporting years. Details on the composition of the deferred outflows of resources related to OPEB are further discussed in Note 11.

Deferred Inflows Related to Pensions - These deferred inflows of resources are an aggregate of items related to pensions as calculated in accordance with GASB Statement No. 68, *Accounting and Financial Reporting for Pensions*. Deferred inflows related to pensions will be recognized as a reduction to pension expense in future reporting years. Details on the composition of the deferred inflows of resources related to pensions are further discussed in Note 10.

Deferred Inflows Related to OPEB - These deferred inflows of resources are an aggregate of items related to OPEB as calculated in accordance with GASB Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*. Deferred outflows related to OPEB will be recognized as either OPEB expense or a reduction in the total OPEB liability in future reporting years. Details on the composition of the deferred outflows of resources related to OPEB are further discussed in Note 11.

Deferred Inflows Related to Leases - These deferred inflows of resources are an estimate of the present value of lease payments owed to the County that do not meet the revenue recognition requirements for governmental fund reporting but are included in revenue and ending net position on the government-wide financial statements. Details on these lease arrangements are further discussed in Note 15.

K. Fund Equity/Restricted Net Position:

In the fund financial statements, governmental funds report fund balance in one of the following categories and amounts are considered to have been spent when expenditures are incurred for these purposes:

Nonspendable: Resources that cannot be spent, such as inventory or prepaids.

Restricted: Balances that can only be spent for specific purposes, such as constraints imposed by external sources or by enabling legislation.

Committed: Resources that can only be used for a specific purpose imposed by an ordinance enacted prior to the end of the fiscal year by the Board, the highest level of decision-making authority for the County.

LAKE COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

Assigned: Amounts that are designated for specific purposes by Board action as authorized under budget policy, but are neither restricted or committed.

Unassigned: Unassigned fund balance is the residual amount remaining in the General Fund after the above spending constraints have been considered.

The portion of the fund balance included as a budgetary resource in the subsequent year's budget, and purchase orders which are expected to be completed in the next fiscal year, are included as an assigned fund balance in the General Fund.

Additionally, the Board has a General Fund reserve for cash balances to be carried over pursuant to Florida Statutes. This reserve is to be used for paying expenses from October 1 to such time that revenues for the ensuing fiscal year are expected to be available. In addition, this reserve protects the County's essential government programs during periods of economic downturn or other unforeseen catastrophic events that may occur. The goal is to maintain between 7% to 12% of the total operating budget in this reserve. This reserve is included in the unassigned fund balance in the General Fund.

When determining the classification of fund balance, the Board considers that restricted funds, committed funds, and assigned funds are used in that order before using unassigned funds.

Net position is restricted when constraints are placed on its use by external creditors such as through debt covenants, grantors, and donors or imposed by law, such as through constitutional provisions or enabling legislation. The majority of the restrictions placed on net position for the County are those imposed by enabling legislation, such as the use of gas taxes, road impact fees, infrastructure sales taxes and fire special assessments.

L. Long-Term Obligations:

In the government-wide financial statements, and for proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund type statement of net position. Bond premiums and discounts are amortized systematically over the term of the bonds. Bonds payable are reported net of the applicable bond premium or discount.

In the fund financial statements, governmental fund types recognize bond premiums and discounts during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

M. Use of Estimates:

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect: the reported amounts of assets and liabilities, the

LAKE COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenditures/expenses during the reporting period. Actual results could differ from those estimates.

2. RECONCILIATION OF GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS

The Governmental Fund Balance Sheet includes a reconciliation between Fund Balance - Total Governmental Funds and Net Position – Governmental Activities as reported in the government-wide Statement of Net Position. One element of that reconciliation explains that “Long-term obligations, including bonds payable, are not due and payable in the current period and, therefore, are not reported in the funds.” The details of this \$122,575,199 difference are as follows:

Bonds Payable	\$ 107,865,000
Add: Bond Premium	1,389,057
Note Payable	625,986
Compensated Absences (excluding Internal Service Fund \$51,560)	<u>12,695,156</u>
Net Adjustment	<u>\$ 122,575,199</u>

3. DEPOSITS AND INVESTMENTS

Pooled cash accounts are maintained for each fund of the Board of County Commissioners, Sheriff, and Clerk. Each fund’s portion of this pool is displayed on the fund financial statement balance sheets as “Pooled Cash and Investments” and is included in the cash and cash equivalents on the Statement of Net Position. Interest earned from investments with pooled cash is allocated to each of the funds based on the fund’s average daily equity balance. Each of the Constitutional Officers maintains various cash deposit and investment accounts.

Deposits

The County’s deposits consist of interest and non-interest bearing demand accounts which are covered entirely by federal depository insurance or by a multiple financial institution collateral pool pursuant to the Public Depository Security Act of the State of Florida. This Act requires that the County maintain deposits only in “qualified public depositories”. All qualified public depositories must deposit with the State Treasurer eligible collateral in such amounts as required by the Act. In addition, qualified public depositories are required under the Act to assume mutual responsibility against loss caused by the default or insolvency of other qualified public depositories of the same type. Should a default or insolvency occur, the State Treasurer will implement procedures for payment of losses according to the validated claims of the County.

Investments

Pursuant to Florida Statutes, the County is authorized to invest in the Florida Local Government Investment Trust (FLGIT). The fund is managed by an independent advisor with oversight by the Florida Court Clerks and Comptrollers Association and the Florida Association of Counties.

LAKE COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

FLGIT, a short term bond fund, is accounted for as a fluctuating Net Asset Value (NAV) pool. Accounting valuations reflect estimates of the market value of the securities rather than their amortized cost. Securities are valued at most recent sales price or most recent published bid or other quotation. The fair value of investments is determined on a daily basis. Participants fair value is determined by the number of units in the fund times the market value per share. Contributions and withdrawals are recorded at the unit value on the execution date. As of September 30, 2019, the fair value of the investment in FLGIT is \$12,184,095.

Interest Rate Risk

In an effort to minimize interest rate risk, the County's Investment Ordinance requires that the weighted average maturity of the portfolio in total not exceed two years. In addition, no individual security can have a maturity greater than five years. FLGIT has a weighted average maturity of 2.00 years.

Credit Risk

Authorized investments as listed in the County's Investment Ordinance include only those securities with the highest credit ratings. FLGIT has an investment rating of AA+ by Fitch, Inc.. This rating indicates the fund portfolio holdings provide extremely strong protection against losses from credit defaults.

A reconciliation of cash and investments as shown on the Statement of Net Position follows:

	Total		
Cash on Hand and Carrying Amount of Deposits			\$ 128,275,006
Carrying Amount of Investments Total			<u>12,184,095</u> <u>\$ 140,459,101</u>
	Gov't-Wide	Fiduciary	Total
Cash and Cash Equivalents	\$ 113,553,702	\$ 19,557,267	\$ 133,110,969
Non-Current Restricted Cash and Investments	<u>7,348,132</u>	<u>-</u>	<u>7,348,132</u>
Total	<u>\$ 120,901,834</u>	<u>\$ 19,557,267</u>	<u>\$ 140,459,101</u>

4. ASSESSMENTS RECEIVABLE

Assessments receivable at September 30, 2019, consist primarily of \$152,513 in secondary roads, which is classified as non-current. These assessments are reported in the County Transportation Trust Fund and are administered by the Board. Assessments to the fund become due and payable thirty days after the final assessment roll is approved by the Board. All assessments not paid within the period are paid in equal installments over a seven or ten-year period, with interest ranging from 3.25% to 6.25% per annum. Any assessments payable in installments may be paid at any time, together with accrued interest to date.

6. LONG-TERM DEBT

A. Lake County, Florida, Board of County Commissioners Sales Tax Refunding Revenue Bond (Pari-Mutuel Revenues Replacement Program), Series 2011:

In 2011, the County issued a \$3,635,000 direct placement in a current refunding of the Sales Tax Revenue Bonds (Pari-Mutuel Revenues Replacement Program) Series 2000 that were previously outstanding. The refunding was undertaken to reduce debt service payments over the next 20 years by \$549,256 and resulted in an economic gain of \$385,387. In 2013, the bond was modified and reissued at a reduced interest rate, resulting in a net present value savings of \$195,930. The prior interest rate was 3.91%. The original bonds were issued to provide funds to finance the cost of acquisition, construction and equipping of certain capital improvements to be made within the County including the acquisition of land for a regional park and various walking and biking trails. The bond is secured by a pledge of sales tax revenues received by the County as a replacement of the funds previously distributed under Chapter 550, Florida Statutes, from racetrack and jai alai fronton revenues. Annual principal and interest payments are expected to use 85% of the pledged revenues in Fiscal Year 2020. For the current year, principal and interest payments and sales tax replacement revenues totaled \$252,376 and \$297,667, respectively. Bond principal payments are due in annual installments beginning October 1, 2011 continuing until October 1, 2030. The bond bears interest of 3.12%. The bond contains remedies for default and a provision that upon event of default, outstanding amounts become immediately due and may include interest rate escalations.

LAKE COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

The annual requirements to amortize the outstanding direct placement Pari-Mutuel Revenues Replacement Refunding Bond at September 30, 2019 are as follows:

Fiscal Year Ending Sept. 30	Principal	Interest	Total
2020	\$ 180,000	\$ 71,916	\$ 251,916
2021	185,000	66,300	251,300
2022	185,000	60,528	245,528
2023	195,000	54,756	249,756
2024	205,000	48,672	253,672
2025-2029	1,110,000	144,300	1,254,300
2030	245,000	7,644	252,644
Total	<u>\$ 2,305,000</u>	<u>\$ 454,116</u>	<u>\$ 2,759,116</u>

B. Lake County, Florida, Board of County Commissioners Capital Improvement Revenue Bonds, Series 2015A and Series 2015B:

In 2015, the County issued two Capital Improvement Refunding Revenue Bonds, Series 2015A and 2015B in the amounts of \$25,845,000 and \$50,140,000, respectively. The 2015A amount was a direct placement. The bonds were issued to refund \$71,580,000 of the outstanding Capital Improvement Revenue Bonds, Series 2007 that were originally issued to provide funds to acquire, construct and equip various capital improvements. The Series 2015A bond bears interest at the rate of 2.27% with a final maturity of June 1, 2026 and the Series 2015B bonds bear interest at rates ranging from 2.00% to 5.00% with a final maturity of June 1, 2037.

The County advance refunded the 2007 Capital Improvement Revenue Bonds to reduce its total debt service payments by \$5,790,833 and to obtain an economic gain (difference between the present values of the debt service payments on the old and new debt) of \$4,490,065. The reacquisition price exceeded the net carrying amount of the old debt by \$3,630,349. This amount is being amortized over 22 years. Current year amortization was \$165,016, with an accumulated amortization of \$660,064 and a balance of \$2,970,285 remaining.

The refunding bonds are secured by a pledge of the County's Half Cent Sales Tax received from the State. Annual principal and interest payments are expected to use approximately 31.00% of the pledged revenues in Fiscal Year 2020. For the current year, principal payments and interest and fiscal charges totaled \$3,124,155 for Series 2015A and \$2,240,187 for Series 2015B. Half Cent Sales Tax revenues totaled \$16,970,639. The bonds contain remedies for default and a provision for interest rate escalations upon the occurrence and event of default.

LAKE COUNTY, FLORIDA

C. Lake County, Florida, Board of County Commissioners Limited General Obligation Bonds, Series 2015:

On June 24, 2015, the County issued a \$20,950,000 Limited General Obligation Refunding Bond, Series 2015, which was a direct placement, to refund \$19,370,000 of outstanding Limited General Obligation Bonds, Series 2007 which were originally issued to provide funds to acquire and improve lands within the County, to protect drinking water sources, preserve natural areas, protect open space from overdevelopment, provide parks and trails and improve water quality. The Series 2015 bonds bear interest at the rate of 2.220% and have a final maturity of April 1, 2026.

The County advance refunded the 2007 Limited General Obligation Bonds to reduce its total debt service payments by \$1,966,290 and to obtain an economic gain (difference between the present values of the debt service payments on the old and new debt) of \$1,745,292. The reacquisition price exceeded the net carrying amount of the old debt by \$1,008,123. This amount is being amortized over 11 years. Current year amortization was \$91,648, with an accumulated amortization of \$366,591 and a balance of \$641,532 remaining.

The refunding bonds are secured by a pledge of not more than one-third of one mill of ad valorem taxes which was approved by referendum in 2004. Annual principal and interest payments are expected to use approximately 102.00% of the pledged revenues in Fiscal Year 2020. For the current year, principal payments and interest and fiscal charges totaled \$2,521,926. Limited ad valorem revenues and fund balance available for debt service totaled \$2,637,858 and \$694,159, respectively. The bond contains remedies for events of default that are dependent upon judicial actions that may be limited. In the event a default is longer than 30 days after notice to the County, the registered owners of not less than 25% in aggregate principal of the individual outstanding debt instruments shall be entitled to the appointment of a receiver of the pledged revenues. The receiver

LAKE COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

shall be entitled to take possession of various funds and accounts established by the County upon issuance of that debt, and shall collect all pledged revenues to apply towards satisfaction of the outstanding principal and interest.

The annual requirements to amortize the outstanding direct placement 2015 Limited General Obligation Bonds at September 30, 2019 are as follows:

Fiscal Year Ending Sept. 30	Principal	Interest	Total
2020	\$ 2,165,000	\$ 359,973	\$ 2,524,973
2021	2,215,000	311,910	2,526,910

Total	<u>\$ 16,215,000</u>	<u>\$ 1,462,906</u>	<u>\$ 17,677,906</u>

D. Lake County, Florida, Infrastructure Sales Surtax Revenue Bond, Series 2018: In 2018, the County issued \$19,980,000 in a direct placement to provide funds to design and construct a new animal shelter and replace the inventory of emergency radios for both the County and Cities within Lake County. Bond principal payments are due in annual installments beginning December 1, 2018 and continuing until December 1, 2032. The bonds bear an interest rate of 2.89%. The bonds are secured by a pledge of the levy of the one cent local government Infrastructure Sales Surtax Revenues. Annual principal and interest payments are expected to use approximately 11.38% of the pledged revenues in Fiscal Year 2020. The current year principal and interest payment was \$435,000 and \$452,444, respectively with a remaining principal balance of \$19,545,000. The bond contains remedies for default and provisions for interest rate escalations in the event of default.

The annual requirements to amortize the outstanding direct placement Infrastructure Sales Surtax Revenue Bond, Series 2018 at September 30, 2019 are as follows:

Fiscal Year Ending Sept. 30	Principal	Interest	Total
2020	\$ 1,495,000	\$ 543,248	\$ 2,038,248
2021	1,535,000	499,464	2,034,464

Internal service funds predominantly serve the governmental funds. Accordingly, long-term liabilities for them are included as part of the totals for governmental activities. At year end, Internal Service Fund accrued benefits payable of \$51,560 and net pension liability of \$607,810, are included in the above governmental activities amounts. Also, for the governmental activities, compensated absences and net pension liability are generally liquidated by the respective fund where the salaries were incurred. The other post-employment benefits annual required contributions above are generally paid by the insurance funds.

Plymouth-Sorrento CRA Fund which is restricted for other purposes. The restricted balance for the major debt service fund includes \$17,462 for the Sales Surtax Revenue Debt Service Fund.

LAKE COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

The restricted fund balances for the major capital project funds include \$17,953,567 in the Sales Tax Capital Projects Fund which is restricted for construction. Other funds restricted for construction include the Sales Surtax Revenue Bond Capital Projects Fund in the amount of \$7,250,356; the Library Impact Fee Trust Fund in the amount of \$2,452,909; the Park Impact Fee Trust Fund in the amount of \$809,766; the County Sales Tax Fund in the amount of \$716,652 and the Facilities Expansion Capital Projects Fund in the amount of \$97,776. Impact Fees, infrastructure sales taxes and bond proceeds in these funds must be spent on capital outlay in accordance with legislation and bond covenants.

The Sheriff's Insurance Fund has a deficit of \$1,022,960 due primarily for larger than expected claims in prior years. This deficit has decreased by \$1,360,250 in the current year as a result of increased premium rates. Rate increases are expected to fund the remaining deficit in future years.

The Fleet Management Fund has a deficit of \$713,695 mainly due to the effect of GASB Statement No. 68, *Accounting and Financial Reporting for Pensions* in the amount of \$607,810. The deficit will be funded through increased charges for services to departments in future years.

Net investment in capital assets consists of the following:

Governmental activities:	
Capital assets	\$ 475,646,492
Less: Capital-related borrowings	(109,880,043)
Less: Capital-related accounts and retainage payable	(696,865)
Add: Deferred outflows on refundings of capital related debt	3,611,817
Add: Restricted cash (unspent bond proceeds)	7,348,132
Net investment in capital assets	\$ 376,029,533
Business-Type activities:	
Capital assets	\$ 10,847,773
Net investment in capital assets	\$ 10,847,773

8. COMMITMENTS AND CONTINGENCIES

A. Various suits and claims, arising in the ordinary course of County operations, are pending against the County. The ultimate effect of such litigation cannot be ascertained at this time. It is the opinion of management and the County's legal counsel that the liabilities which may arise from such action would not result in losses which would materially affect the financial position of the County or the changes in its financial position.

B. Pursuant to County Ordinance, road impact fees are collected by the County based on the transportation impact of new development. Fees and expenditures are segregated by district. Effective February 11, 2019, the North Transportation Benefit District was divided into two districts known as the North Central and Northeast/Wekiva Benefit Districts.

LAKE COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

Transportation fees collected before February 11, 2019, shall be expended in the district in which they were collected, utilizing the districts previously established.

Any funds not expended or encumbered by the end of the calendar quarter immediately following six (6) years from the date the road impact fee was paid, shall, upon application of the fee payer, be returned without interest. This six-year period may be extended for up to an additional three (3) years by action of the Board.

The following is a summary of road impact fees by district which may be subject to refunds within the time limitations:

Fiscal Year Ending Sept. 30	North Central	Northeast/ Wekiva	South	Central	North
2023	\$ -	\$ -	\$ 2,862,938	\$ 125,512	\$ 357,426
2024	-	-	4,102,788	276,388	240,067
2025	76,672	227,095	4,336,193	331,946	84,034
	<u>\$ 76,672</u>	<u>\$ 227,095</u>	<u>\$ 11,301,919</u>	<u>\$ 733,846</u>	<u>\$ 681,527</u>

C. Pursuant to County Ordinance, fire, library and park impact fees are collected by the Board to accommodate new development without decreasing the current level of services. Park impact fees are collected in districts: Central, North and South. Any funds not expended or encumbered by the end of the calendar quarter immediately following six (6) years from the date the impact fee monies were paid shall be returned to the landowner without interest, provided an application for refund is presented within one hundred eighty days (180) from the expiration of the six-year period. This six-year period may be extended by action of the Board for up to an additional three years.

The following is a summary of fire, library, and park impact fees which may be subject to refunds within the time limitations:

Fiscal Year Ending Sept. 30	Fire	Library	Park - Central	Park - North	Park - South
2021	\$ -	\$ -	\$ -	\$ -	\$ 41,363
2022	-	450,901	-	-	90,726
2023	-	679,779	-	2,108	132,955
2024	217,269	508,809	-	60,794	150,609
2025	698,611	585,656	38,130	58,683	125,098
	<u>\$ 915,880</u>	<u>\$ 2,225,145</u>	<u>\$ 38,130</u>	<u>\$ 121,585</u>	<u>\$ 540,751</u>

D. Developer Agreements:

The County has entered into several developer agreements which may result in future financial obligations. These agreements with various developers are primarily for capital costs associated with road construction or transportation projects, in which a future asset may be contributed to the County or will benefit the County. The County has agreed to

LAKE COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

provide up to \$27 million in credits, waivers, reductions and/or direct payments for future building impact fees in return for the developer capital contributions.

E. Grants:

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies. If any expenditures are disallowed as a result of these audits, the claims for reimbursement to the grantor agency would become a liability of the County. In the opinion of management, any such adjustments would not be significant.

F. Risk Management:

The County is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. Effective October 1, 1985, the Board of County Commissioners elected to self-insure its general liability. In addition, effective October 1, 1989, the County elected to self-insure its automobile, workers' compensation and property liabilities. Effective October 1, 1999, the County elected to self-insure its medical coverage.

The County established an Insurance Fund (an internal service fund) to account for its uninsured risks of loss. Under this program, the Insurance Fund provides coverage for up to a maximum of \$100,000 per occurrence for each property claim, \$50,000 for each general liability claim, \$200,000 for each workers' compensation claim, and \$300,000 for each medical claim. The County purchases commercial insurance for claims in excess of coverage provided by the Fund.

Effective October 1, 2006, the Sheriff began to self-insure its medical coverage. The Sheriff established an Insurance Fund to account for its uninsured risks of loss. Specific stop loss coverage has been obtained for all medical claims exceeding \$195,000 per individual per year subject to an additional aggregating specific deductible of \$150,000. In addition, the Sheriff purchases aggregate stop loss coverage for total claims exceeding 120% of the attachment factors.

Each participating entity of the County and Sheriff makes payments to its respective Insurance Fund based on actuarial estimates as well as historical data for the amounts needed to pay prior and current year claims. The latest actuarial estimates, based on industry standards, relate to the fiscal year ended September 30, 2019.

Claims expenses and liabilities are reported when it is probable that a loss has occurred and the amount of the loss can be reasonably estimated. Settlements have not exceeded coverages for each of the last three fiscal years. All other coverages continue to be insured through commercial carriers.

LAKE COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

The liability at the end of the year is classified as current based on historical amounts of claims payments. Changes in the reported liability during the past two years are as follows:

	Liability Balance Oct. 1, 2017	Current Year Claims and Changes in Estimates	Claims Payments	Liability Balance Sept. 30, 2018
Board of County Commissioners:				
General Liability	\$ 2,104,000	\$ 2,109,495	\$ (2,371,595)	\$ 1,841,900
Health	847,000	12,068,765	(12,112,765)	803,000
	<u>2,951,000</u>	<u>14,178,260</u>	<u>(14,484,360)</u>	<u>2,644,900</u>
Sheriff:				
Health	1,054,681	7,321,377	(8,085,299)	290,759
Total	<u>\$ 4,005,681</u>	<u>\$ 21,499,637</u>	<u>\$ (22,569,659)</u>	<u>\$ 2,935,659</u>

	Liability Balance Oct. 1, 2018	Current Year Claims and Changes in Estimates	Claims Payments	Liability Balance Sept. 30, 2019
Board of County Commissioners:

9. CONDUIT DEBT

From time to time, the County has issued Industrial Revenue Bonds to provide financial assistance to private-sector entities for the acquisition and construction of industrial and commercial facilities deemed to be in the public interest. The bonds are secured by the property financed and are payable solely from payments received on the underlying mortgage loans. Upon repayment of the bonds, ownership of the acquired facilities transfers to the private-sector entity served by the bond issuance. Neither the County, the State of Florida, nor any political subdivision thereof is obligated in any manner for repayment of the bonds. Accordingly, the bonds are not reported as liabilities in the accompanying financial statements.

As of September 30, 2019, the aggregate principal amount outstanding was \$69,749,596.

10. RETIREMENT PLAN

Substantially all County full-time employees participate in the State of Florida Retirement System ("System"), a cost sharing multiple-employer public employee retirement system (PERS). The System offers a choice between a defined benefit plan ("Pension Plan") and a defined contribution plan ("Investment Plan") for all state, county, district school board, community college and university employees, and is controlled by the State

LAKE COUNTY, FLORIDA
 NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

Legislature and administered by the State of Florida, Department of Administration, Division of Retirement. Employees of both plans also participate in the Retiree Health Insurance Subsidy Program ("HIS Plan"), which is a defined benefit plan.

The Pension Plan provides for vesting of benefits after six to eight years of creditable service. Normal retirement benefits are available to employees who retire at or after age 62 to 65 with six to eight years or more of service. Early retirement is available after six to eight years of service with a 5% reduction of benefits for each year prior to the normal retirement age. Retirement benefits are based upon age, average compensation and years-of-service credit, where average compensation is computed based on an individual's five to eight highest years of earnings. Benefits also include disability and survivor's benefits, as established by Florida Statutes.

Pension Plan members may participate in a Deferred Retirement Option Plan (DROP), after reaching eligibility for normal retirement or through the available deferral period for eligible members. This plan allows employees to defer receipt of retirement benefits while continuing employment for a System employer for a period up to sixty months. Accumulated system benefits earn either 1.30% or 6.5% interest compounded monthly, depending on the employee's participation date. The employer continues to contribute to the System on behalf of the employee as indicated above.

The HIS Plan is established in accordance with Section 112.363, Florida Statutes. The benefit is a monthly payment to assist retirees in paying their health insurance costs. Current benefits are based on \$5 per year of service, ranging from \$30 - \$150 per month. To be eligible, retirees must provide proof of health insurance coverage, which may include Medicare.

The Investment Plan provides for vesting after one year of creditable service. Under this plan, the employer makes contributions to a participant's account and the participant directs where the contributions are invested among the plan's investment funds. Upon termination, vested participants receive amounts accumulated in their investment accounts. Participating employer contributions are based upon actuarially determined State-wide rates established by the State of Florida.

Expressed as percentages of annual covered payroll, employer contribution rates for the Pension Plan and the Investment Plan are applied to employee salaries as follows:

Membership Category	July 1, 2018 Employer's Contribution Rates	July 1, 2019 Employer's Contribution Rates
Regular	8.26%	8.47%
Special Risk (Fire and Police)	24.50%	25.48%
Senior Management	24.06%	25.41%
Elected State Officer (Includes County Officials)	48.70%	48.82%
Deferred Retirement Option Plan (DROP)	14.03%	14.60%

LAKE COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

These employer contribution rates include HIS contribution rates of 1.66% and 1.66% effective July 1, 2019 and July 1, 2018, respectively. Effective July 1, 2011, employee contribution rates of 3% were applied to all members, except DROP participants.

The County's contribution to all plans for the years ended September 30, 2019, 2018, and 2017 was \$16,722,475, \$13,840,435 and \$12,749,715, respectively, equal to the required contributions for each year. Employee contributions for all plans were \$2,784,264, \$2,446,773, and \$2,331,437 for the years ended September 30, 2019, 2018, and 2017, respectively.

Pension Liabilities, Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At September 30, 2019, the County reported a liability of \$146,199,295 and \$31,415,030 for its proportionate share of the Pension Plan and HIS Plan net pension liability. The net pension liability was measured as of June 30, 2019, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2019 for the Pension Plan and July 2018 with updated procedures used to determine liabilities for July 2019 for the HIS Plan. The County's proportionate share of the net pension liability was based on the County's 2018-19 fiscal year contributions relative to the 2017-18 fiscal year contributions of all participating members. At June 30, 2019, the County's proportionate share for the Pension Plan was 0.424521502 percent, which was an increase of 0.026531723 percent from its proportionate share measured as of June 30, 2018. At June 30, 2019, the County's proportionate share for the HIS Plan was 0.280767113 percent, which was an increase of 0.016510704 percent from the proportionate share measured as of June 30, 2018.

The Pension Plan and HIS Plan liability is allocable to the Board and Constitutional Officers as follows:

	Pension Plan	HIS Plan
Board of County Commissioners	\$ 61,318,374	\$ 14,657,994
Clerk of Courts	6,837,456	2,553,288
Property Appraiser	2,782,491	647,999
Sheriff	69,759,580	11,846,155
Supervisor of Elections	1,209,817	301,682
Tax Collector	4,291,577	1,407,912
Total	\$ 146,199,295	\$ 31,415,030

For the year ended September 30, 2019, the County recognized pension expense of \$35,224,273 for the Pension Plan and \$2,501,086 for the HIS Plan.

LAKE COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

The deferred outflows of resources and deferred inflows of resources related to the Pension Plan are as follows:

Description	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 8,671,498	\$ 90,730
Change of assumptions	37,550,270	-
Net difference between projected and actual earnings on Pension Plan investments	-	8,088,508
Changes in proportion and differences between County Pension Plan contributions and proportionate share of contributions	7,813,446	4,382,596
County Pension Plan contributions subsequent to the measurement date	<u>3,839,212</u>	<u>-</u>
Total	<u>\$ 57,874,426</u>	<u>\$ 12,561,834</u>

The deferred outflows of resources and deferred inflows of resources related to the HIS Plan are as follows:

Description	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 381,571	\$ 38,467
Change of assumptions	3,637,563	2,567,609
Net Difference between projected and actual earnings on HIS Plan investments	20,272	-
Changes in proportion and differences between County HIS Plan contributions and proportionate share of contributions	2,328,269	1,175,271
County HIS Plan contributions subsequent to the measurement date	<u>425,058</u>	<u>-</u>
Total	<u>\$ 6,792,733</u>	<u>\$ 3,781,347</u>

The deferred outflows of resources related to the Pension Plan and HIS Plan, totaling \$3,839,212 and \$425,058, respectively, resulting from County contributions to the Plans subsequent to the measurement date, will be recognized as a reduction of the net pension liability in the fiscal year ended September 30, 2020.

LAKE COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

Other amounts reported as deferred outflows of resources and deferred inflows of resources related to the Pension Plan and HIS Plan will be recognized in pension expense as follows:

Fiscal Year Ending Sept. 30	Pension Plan	HIS Plan
2020	\$ 6,063,908	\$ 291,967
2021	6,570,855	389,942
2022	6,195,165	419,745
2023	5,966,150	392,017
2024	6,252,057	385,807
Thereafter	10,425,245	706,850
Total	<u>\$ 41,473,380</u>	<u>\$ 2,586,328</u>

Pension Plan Actuarial Assumptions

The total pension liability in the June 30, 2019 actuarial valuation was determined using the following actuarial assumption, applied to all periods included in the measurement:

Inflation	2.60%
Salary increases	3.25%, average, including inflation
Discount Rate	6.9%, net of pension plan investment expense
Mortality	PUB 2010 base table, projected generationally with Scale MP-2018

The actuarial assumptions used in the July 1, 2019 valuation were based on the results of an actuarial experience study for the period July 1, 2013 through June 30, 2018.

The long-term expected rate of return on Pension Plan investments was not based on historical returns, but instead is based on a forward-looking capital market economic model. The allocation policy's description of each asset class was used to map the target allocation to the asset classes shown below. Each asset class assumption is based on a consistent set of underlying assumptions and includes an adjustment for the inflation assumption.

The target allocation and best estimates of arithmetic and geometric real rates of return for each major asset class, as outlined in the Pension Plan's Investment Policy, are summarized in the following table:

Asset Class	Target Allocation	Annual Arithmetic Return
Cash	1 %	3.3 %
Fixed Income	18	4.1
Global Equity	54	8.0
Real Estate (Property)	10	6.7
Private Equity	11	11.2
Strategic Investments	6	5.9

LAKE COUNTY, FLORIDA
 NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

Pension Plan Discount Rate

The discount rate used to measure the total pension liability was 6.90%, which is a decrease from 7.00% from the prior year. The Pension Plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the discount rate for calculating the total pension liability is equal to the long-term expected rate of return.

HIS Plan Actuarial Assumptions

The total pension liability in the July 1, 2018 actuarial valuation, which has been updated at July 1, 2019 to determine liability amounts, was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.60%
Salary increases	3.25%, average, including inflation
Municipal bond rate	3.50%
Mortality	Generational RP-2000 with Projection Scale BB

HIS Plan Discount Rate

The discount rate used to measure the total pension liability was 3.50%, which is a decrease from 3.87% in the prior year. In general, the discount rate for calculating the total pension liability is equal to the single rate equivalent to discounting at the long-term expected rate of return for benefit payments prior to the projected depletion date. Because the HIS benefit is essentially funded on a pay-as-you-go basis, the depletion date is considered to be immediate, and the single equivalent discount rate is equal to the municipal bond rate selected by the HIS Plan sponsor. The Bond Buyer General Obligation 20-Bond Municipal Bond Index was adopted as the applicable municipal bond index.

Sensitivity of the County's Proportionate Share of the Net Position Liability to Changes in the Discount Rate

The following represents the County's proportionate share of the net pension liability calculated using the current discount rate, as well as what the County's proportionate share of the net pension liability would be if it were calculated using a discount rate that is one percentage point lower or one percentage point higher than the current rate:

	1% Decrease (5.90%)	Current Discount Rate (6.90%)	1% Increase (7.90%)
Pension Plan proportionate share of the net pension liability	\$ 252,729,897	\$ 146,199,295	\$ 57,228,223
	1% Decrease (2.50%)	Current Discount Rate (3.50%)	1% Increase (4.50%)
HIS Plan proportionate share of the net pension liability	\$ 35,861,868	\$ 31,415,030	\$ 27,711,318

LAKE COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

The Florida Retirement System issues a publicly available financial report that includes financial statements and required supplementary information for the plan. Detailed information regarding the Pension and HIS Plans' fiduciary net position is available in the separately issued FRS Pension Plan and Other State-Administered Systems Comprehensive Annual Financial Report for the year ended June 30, 2019.

The report can be obtained by contacting the Division of Retirement at:

Department of Management Services
Division of Retirement
Bureau of Research and Education Section
P.O. Box 9000
Tallahassee, FL 32315-9000
850-488-5706 or toll free at 877-377-1737

11. OTHER POST-EMPLOYMENT BENEFITS (OPEB)

A. Retiree Health Coverage:

Plan Description

The County administers a single-employer defined benefit healthcare plan (OPEB plan) available to retirees and their eligible dependents. The County and its Constitutional Officers are required by Florida Statutes to offer retirees and their eligible dependents the same health and medical coverage that is offered to active employees, at the same cost. County employees are eligible to receive coverage upon retirement under Florida Retirement System plan provisions, as discussed in Note 10. The OPEB plan does not issue a separate, audited GAAP-basis report. No assets are accumulated in a trust that meets the criteria in paragraph 4 of GASB Statement No. 75, *Accounting and Reporting for Post-employment Benefits Other Than Pensions*, (OPEB).

Benefits Provided

Participants in the OPEB plan become participants in the County's group health self-insurance program, and receive the healthcare benefits of that program for themselves and their dependents.

Contributions

Contribution requirements of plan members are established and may be amended by the Board and each Constitutional Officer. The County's employer OPEB contribution consists of an implicit rate subsidy only. To determine healthcare plan costs, the County is required to comingle the claims experience of retirees with that of active employees. However, retirees and active employees pay the same premium, thus creating an implicit rate subsidy.

LAKE COUNTY, FLORIDA
 NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

Employees Covered by Benefit Terms

The following employees were covered by the benefit terms as of October 1, 2018, the latest actuarial valuation date:

Retirees currently receiving benefits	86
Active employees	1,784
Total	1,870

Total OPEB Liability

The County's total OPEB liability of \$34,685,096 at September 30, 2019 was measured as of October 1, 2018. The measurement period was October 1, 2017 to September 30, 2018.

This liability is allocable to the Board and Constitutional Officers as follows:

Board of County Commissioners	\$	4,678,069
Clerk of Courts		762,858
Property Appraiser		396,816
Sheriff		28,381,550
Supervisor of Elections		110,197
Tax Collector		355,606
	\$	34,685,096

Actuarial Assumptions

The total OPEB liability at September 30, 2019 was based on an actuarial valuation dated October 1, 2018 using the following actuarial assumptions:

Inflation		2.60%
Salary Increase		3.25%
Discount Rate		3.63 to 4.15%
Healthcare Cost Trend Rates		8 - 4.5%

Mortality rates were based on the SOA PUB-2010 Mortality Table fully generational using Scale MP-2018.

A municipal bond rate was used as the discount rate to determine the total OPEB liability for the program. The discount rate used to measure the total OPEB liability at September 30, 2019 and September 30, 2018 was 4.15% and 3.63%, respectively, based on the Bond Buyer General Obligation 20-Bond Municipal Bond Index.

An experience study was not done, as it was not considered necessary to support the actuarial results.

LAKE COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

Changes in the Total OPEB Liability (TOL)

	Change in TOL
TOL Balance at September 30, 2018	\$ 38,391,852
Changes for the Year:	
Service cost	2,223,008
Interest	1,467,556
Changes in benefit term	41,650
Changes in assumptions	(5,663,592)

Net Changes	(3,706,756)
TOL Balance at September 30, 2019	\$ 34,685,096

Sensitivity of the total OPEB Liability to Changes in the Discount Rate

The following table presents the total OPEB liability, calculated using the discount rate of 4.15%, as well as what the County's total OPEB liability would be if it were calculated using a discount rate that is one percentage-point lower (3.15%) or one percentage-point higher (5.15%) than the current discount rate:

	1% Decrease (3.15%)	Current Discount Rate (4.15%)	1% Increase (5.15%)
Total OPEB liability	\$ 39,976,812	\$ 34,685,096	\$ 30,347,146

Sensitivity of the total OPEB Liability to Changes in the Healthcare Cost Trend Rates

The current healthcare trend rate starts at an initial rate of 8%, decreasing to an ultimate rate of 4.5%. The following table represents the total OPEB liability, as well as what the County's total OPEB liability would be if it were calculated using a healthcare cost trend that is one percentage-point lower, (assuming an initial rate of 7%, decreasing to an ultimate rate of 3.5%), or one percentage-point higher, (assuming an initial rate of 9%, decreasing to an ultimate rate of 5.5%).

	1% Decrease (7 - 3.5%)	Current Discount Rate (8 - 4.5%)	1% Increase (9 - 5.5%)
Total OPEB liability	\$ 29,110,103	\$ 34,685,096	\$ 41,986,892

LAKE COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

For the year ended September 30, 2019, the County recognized OPEB expense of \$2,383,722. At September 30, 2019, the County has deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	Deferred Outflows of Resources		Deferred Inflows of Resources
Differences between expected and actual experience	\$ 186,609	\$	3,457,011
Changes in assumptions	262,313		6,528,915
Contributions subsequent to the measurement date	478,534		-
Total	\$ 927,456	\$	9,985,926

The deferred outflows of resources of \$478,534 resulting from the contributions to the plan subsequent to the measurement date will be recognized in the fiscal year ended September 30, 2020.

Other amounts reported as deferred outflows of resources and deferred inflows of resources shown above will be recognized in OPEB expense in the following years:

Fiscal Year Ending Sept. 30		
2020	\$	(869,418)
2021		(869,418)
2022		(869,418)
2023		(869,418)
2024		(869,418)
Thereafter		(5,189,914)
Total	\$	(9,537,004)

B. Other Post Employment Benefits:

In addition to the retiree health benefits described above, the Clerk provides post employment health care benefits to employees under a plan established through Nationwide Retirement Solutions, Inc. (Nationwide). Twenty-five percent of accrued sick pay for certain employees with less than ten years of service and 75% for employees with ten years or more of service is paid into the trust upon termination, retirement or death. The maximum contribution is limited to 1,440 hours. Contributions are invested according to instructions given by the employee and earnings accumulate tax exempt under section 501(c)(9) of the Internal Revenue Code. Upon separation of service, the account must be used to reimburse any qualified health insurance premiums paid by the employee.

LAKE COUNTY, FLORIDA
 NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

12. INTERFUND BALANCES AND TRANSFERS

Interfund receivables and payables generally represent temporary loans between funds to cover operating expenditures or intragovernmental balances due to/from the Board and the Constitutional Officers. All balances are expected to be repaid within one year. Interfund transfers generally represent permanent transfers of funds for administrative costs paid to the General Fund, and for debt service payments and capital outlay.

The composition of interfund balances in the fund financial statements as of September 30, 2019 is as follows:

Due To/From Other Funds:

<u>Receivable Fund</u>	<u>Payable Fund</u>	<u>Amount</u>
General Fund	Major Governmental Funds	\$ 3,210,421
General Fund	Nonmajor Governmental Fund	1,273,298
General Fund	Internal Service Funds	1,082,697
Major Governmental Fund	Nonmajor Governmental Fund	997,047
Total		<u>\$ 6,563,463</u>

Intragovernmental Receivables and Payables:

<u>Receivable Fund</u>	<u>Payable Fund</u>	<u>Amount</u>
General Fund	Nonmajor Governmental Funds	\$ 226,473
Nonmajor Governmental Funds	General Fund	529,199
Internal Service Funds	General Fund	100,371
Total		<u>\$ 856,043</u>

Interfund transfers for the fund financial statements for the year ended September 30, 2019 consist of the following:

<u>Transfers Out</u>	<u>Transfers In</u>			<u>Total</u>
	<u>General Fund</u>	<u>Major Funds</u>	<u>Nonmajor Funds</u>	
General Fund	\$ -	\$ 1,390,070	\$ 11,769,625	\$ 13,159,695
Nonmajor Governmental Funds	5,031,061	15,226,405	7,082,280	27,339,746

Transfers out exceed transfers in for transfers made to and from the Landfill Fund and the Internal Service Funds as follows:

Landfill Fund transfer out to General Fund	\$	(1,007,736)
General Fund transfer into Landfill Fund		3,496,626
Board Insurance Fund transfer out to General Fund		(380,998)
General Fund transfer into Board Insurance Fund		372,114
Total Net Transfers	\$	2,480,006

13. LANDFILL CLOSURE AND POSTCLOSURE COSTS

The County is required by federal and state laws and regulations to place a final cover over its existing landfills after they stop accepting waste, and perform certain maintenance and monitoring functions for a period of 5 to 30 years after closure. New landfills must be constructed in accordance with federal and state requirements. In addition, the County complies with closure and postclosure costs financial assurance requirements imposed by the State. Annually, a report is filed with the Florida Department of Environmental Protection detailing the amount of such costs and the County's financial ability to pay them when due.

The County has estimated the closure and long-term care costs for each landfill and recorded a liability in the Landfill Fund.

The following schedule reflects the changes in estimates and payments for the year ended September 30, 2019:

<u>Landfill</u>	Balance Oct. 1, 2018	Changes in Estimates	Payments	Balance Sept. 30, 2019
Construction and Demolition	\$ 459,939	\$ -	\$ -	\$ 459,939
Loghouse	240,325	(32,550)	15,515	192,260
Umatilla	139,273	(9,555)	7,854	121,864
Lady Lake	60,688	(27,481)	2,195	31,012
Central Landfill Phase I	738,561	(41,285)	50,296	646,980
Central Landfill Phase II	2,250,879	(15,667)	20,014	2,215,198
Central Landfill Phase III	3,537,208	77,818	-	3,615,026
Totals	\$ 7,426,873	\$ (48,720)	\$ 95,874	\$ 7,282,279

Although closure and postclosure care costs will be paid only near or after the date that each landfill stops accepting waste, the County reports a portion of these closure and postclosure care costs as an operating expense each year based on landfill capacity used as of each balance sheet date.

At September 30, 2019, the Loghouse, Umatilla, Lady Lake, Central Landfill Phase I and Central Landfill Phase II landfills had no remaining capacity.

LAKE COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

The following schedule reflects the estimated closure and postclosure care costs for each landfill as of September 30, 2019:

<u>Landfill</u>	<u>Remaining Postclosure Care Period</u>	<u>Closure Costs</u>	<u>Postclosure Care</u>	<u>Total Liability</u>
Construction and Demolition	5 years	\$ 411,669	\$ 48,270	\$ 459,939
Loghouse	4 years	-	192,260	192,260
Umatilla	7 years	-	121,864	121,864
Lady Lake	1 years	-	31,012	31,012
Central Landfill Phase I	6 years	-	646,980	646,980
Central Landfill Phase II	26 years	-	2,215,198	2,215,198
Central Landfill Phase III	30 years	1,037,742	2,577,284	3,615,026
Totals		<u>\$ 1,449,411</u>	<u>\$ 5,832,868</u>	<u>\$ 7,282,279</u>

The Central Landfill Phase III was completed in 2009 and began accepting waste in 2011. The landfill consists of two cells, the Ash Cell and the Municipal Solid Waste Cell. The remaining closure and post closure care costs to be recognized for the Ash Cell portion of the Phase III landfill are \$128,260 and \$318,542 based on 89% of capacity used to date. The remaining life of the Phase III landfill cannot be estimated as the County is currently transporting and disposing of waste to a landfill outside the County. One year of Postclosure Care amounting to \$299,171 has been included in the current portion of long-term obligations in the Landfill Fund.

These amounts are based on what it would cost the County to perform all closure and postclosure care in 2019. Actual costs may be higher due to inflation, changes in technology or changes in regulations.

14. EXPENDITURES IN EXCESS OF APPROPRIATIONS

The following departments had expenditures in excess of appropriations at the major object level at September 30, 2019:

<u>Fund/Department/Object</u>	<u>Budget</u>	<u>Actual</u>	<u>Variance</u>
General Fund/Sheriff/Personal Operations	\$ 68,981,324	\$ 68,983,246	\$ (1,922)

The expenditures in excess of appropriations were primarily the result of the expenditure of unanticipated revenues.

15. LEASES

The County (Lessor) has entered into agreements with certain cities within Lake County (Lessee) for the purchase of emergency radios to be used by the cities. Lake County issued debt in the prior year to finance the purchase of the radios and is collecting a proportionate share of the amounts owed from each participating city. The cities were given the option to pay up front or spread the payments over a 10-year period. The 10-year arrangements are being accounted for as direct financing leases on the financial

LAKE COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

statements of the County. At September 30, 2019, there are amounts due from other governments and a deferred inflows of resources on the governmental fund financial statements in the amounts of \$4,169,180 which is equal to the estimated present value of the amounts to be received.

Annual anticipated undiscounted cash flow from direct financing leases for each year for the next five years and thereafter are as follows:

Fiscal Year Ending Sept. 30	Amount
2020	\$ 532,721
2021	532,721
2022	532,721
2023	532,721
2024	532,721
Thereafter	2,130,882
Total	<u>\$ 4,794,487</u>

The difference between the lease amounts due from other governments of \$4,169,180 and the undiscounted cash flows of \$4,794,487 is due to the discounting of the future amounts owed to the estimated present value using an interest rate of 2.89% over a 10-year period with payments due at the beginning of each fiscal year.

16. SUBSEQUENT EVENTS

In 2018, the County issued \$19,980,000 in bonds to provide funds to design and construct a new animal shelter and replace the inventory of emergency radios for both the County and cities within Lake County. On October 22, 2019, the County issued a \$28,045,000 Infrastructure Sales Surtax Revenue Bond, Series 2019, which bears interest at 1.85% with a final maturity of December 1, 2032. The bond proceeds will be used to refund the Infrastructure Sales Surtax Revenue Bond, Series 2018 and pay for \$10 million in road resurfacing projects. With this refinancing, there will be an estimated savings of \$1 million to the County and its municipal partners.

The COVID -19 pandemic, created by the spread of a novel strain of the coronavirus, has created economic disruptions throughout the country resulting in significant declines in financial markets and overall economic activity as of the date of issuance of the financial statements. The operations and business of the County could be significantly adversely affected. The extent to which the COVID-19 pandemic may impact business activity or investment results will depend on future developments, which are highly uncertain and cannot be predicted, including new information which may emerge concerning the severity of the virus and the actions required to contain it or treat its impact among others.

NONMAJOR GOVERNMENTAL FUNDS

SPECIAL REVENUE FUNDS

LIBRARY IMPACT FEE TRUST FUND

To account for revenues and expenditures for library impact fees collected pursuant to County Ordinance.

PARK IMPACT FEE TRUST FUND

To account for revenues and expenditures for park impact fees collected pursuant to County Ordinance.

COUNTY TRANSPORTATION TRUST FUND

To account for revenues and expenditures incurred to carry on all work on roads and bridges in the County in accordance with Section 336.022, Florida Statutes.

FISH CONSERVATION TRUST FUND

To account for the revenues and expenditures for fish stocking and conservation in accordance with Chapter 67-1604, Laws of Florida.

COMMUNITY DEVELOPMENT FUND

To account for the revenues and expenditures in accordance with the Community Development Block Grant from the U.S. Department of Housing and Urban Development, under Title I of the Housing and Community Development Act.

LAKE COUNTY AMBULANCE FUND

To account for ad valorem tax revenues collected for the Lake County Municipal Service Taxing Unit for Ambulance and Emergency Medical Services in accordance with County Ordinance.

STORMWATER MANAGEMENT, PARKS AND ROADS FUND

To account for ad valorem tax revenues and disbursements of the Stormwater Management, Parks and Roads Municipal Services Taxing Unit established by County Ordinance 1990-25, in accordance with Sections 125.0101 and 197.3632, Florida Statutes.

EMERGENCY 9-1-1 FUND

To account for revenues and expenditures for Emergency 9-1-1 telephone services in accordance with Section 365.171, Florida Statutes.

RESORT/DEVELOPMENT TAX FUND

To account for revenues and expenditures of the Tourist Development Tax in accordance with Section 125.0104, Florida Statutes and County Ordinance 1984-7. A majority vote of the qualified electors of the County approved this local option tax November 6, 1984.

AFFORDABLE HOUSING ASSISTANCE TRUST FUND

To account for revenues received from the State Housing Initiative Partnership Program pursuant to Sections 420.9072 - 420.9079, Florida Statutes.

SECTION 8 FUND

To account for revenues and expenditures for housing assistance to qualified persons in accordance with a grant from the U.S. Department of Housing and Urban Development.

FEDERAL/STATE GRANTS FUND

To account for revenues and expenditures for certain Federal and State grants including public safety grants for emergency management and homeland security, transportation grants for highway planning and construction, and various community safety and compliance grants.

RESTRICTED LOCAL PROGRAMS FUND

To account for revenues and expenditures for certain restricted local programs including crime prevention, teen court, traffic education, and boating improvements.

MUNICIPAL SERVICE BENEFIT UNITS/ SPECIAL ASSESSMENTS FUNDS

To account for the financing of public improvements and services deemed to benefit the properties against which special assessments are levied in accordance with Sections 125.0101 and 197.3632, Florida Statutes.

LAW ENFORCEMENT TRUST FUND

To account for the proceeds from the sale of confiscated property in accordance with Section 932.7055, Florida Statutes.

COUNTY SALES TAX FUND

To account for revenues collected from the discretionary infrastructure sales surtax pursuant to Chapter 212, Part I, Florida Statutes.

BUILDING SERVICES FUND

To account for revenues collected and expenditures for permitting, inspections and plans review for the building services of the County.

LAKE COUNTY MSTU - FIRE PROTECTION FUND

To account for the revenues and expenditures for county-wide consolidated fire protection. County Ordinance created this Municipal Services Taxing Unit.

FIRE RESCUE IMPACT FEE TRUST FUND

To account for revenues and expenditures for fire rescue impact fees collected pursuant to County Ordinance.

COUNTY-WIDE LIBRARY FUND

To account for the State, Local and County revenues and expenditures received and disbursed on behalf of the County-Wide Library system.

CLERK SPECIAL REVENUE FUNDS

To account for revenues and expenditures for the modernization of the public records system pursuant to Section 28.24, Florida Statutes, for the operations of the court-related functions of the Clerk's Office pursuant to Sections 28.35, 28.36, and 28.37, Florida Statutes, and for additional Clerk court-related operational needs and program enhancements pursuant to Section 28.37, Florida Statutes.

SHERIFF SPECIAL REVENUE FUNDS

To account for revenues and expenditures of various Special Revenue projects of the Lake County Sheriff's Office, including law enforcement trust and grant funds, and to account for the operations of the Commissary operated for the benefit of County jail inmates.

EMERGENCY MEDICAL SERVICES FUND

To account for revenues and expenditures related to providing emergency medical services to Lake County citizens.

DEBT SERVICE FUNDS

NOTES PAYABLE DEBT SERVICE FUND

To account for payments on various notes payable issued to provide funding for the acquisition of land, equipment and buildings.

PARI-MUTUEL REVENUE BONDS DEBT SERVICE FUND

To accumulate monies for payment of the \$3,635,000 Pari-Mutuel Revenues Replacement Refunding Bonds, Series 2011. Financing is provided by sales tax revenues collected by the State pursuant to Chapter 212, Part 1, Florida Statutes. Beginning July 1, 2000, the State began using sales tax revenues to replace revenues formerly distributed to counties from racetrack and jai alai fronton monies.

PUBLIC LANDS PROGRAM DEBT SERVICE FUND

To accumulate monies for the payment of the \$20,950,000 Limited General Obligation Refunding Bond, Series 2015. The bonds are secured by a pledge of not more than one third of one mill of ad valorem taxes pursuant to a referendum approved by the voters in 2004.

FACILITIES EXPANSION DEBT SERVICE FUND

To accumulate monies for the payment of the \$25,845,000 Capital Improvement Refunding Revenue Bonds, Series 2015A and the \$50,140,000 Capital Improvement Refunding Revenue Bonds, Series 2015B. The Bonds are secured by a pledge of Half-Cent Sales Tax distributed to the County by the State of Florida.

CAPITAL PROJECTS FUNDS

SALES SURTAX REVENUE BOND CAPITAL PROJECTS FUND

To account for the proceeds from the Sales Surtax Revenue Bond, Series 2018 used to construct a new animal shelter and upgrade the County's emergency radio system.

FACILITIES EXPANSION PROJECTS FUND

To account for bond proceeds used to acquire, construct and equip various capital improvements, including the Downtown Tavares Center for Governmental Operations and the Courthouse Expansion.

**LAKE COUNTY, FLORIDA
OVERVIEW OF STATISTICAL SECTION CONTENTS**

Financial Trends Information

These schedules show trend information to help the reader understand how the County's financial performance and financial condition have changed over time.

Revenue Capacity Information

These schedules provide information to help the reader assess the County's most significant local revenue source-property taxes.

Debt Capacity Information

These schedules provide information to help the reader assess the County's current debt load and its ability to issue additional debt in the future.

Demographic and Economic Information

These schedules offer demographic and economic indicators to help the reader understand the environment within which the County operates.

Operating Information

These schedules provide service and infrastructure data related to County services and activities in order to help the reader better understand the information presented in the financial statements.

Note: These figures include property tax levies of the General County, Lake County Ambulance MSTU, Lake County Stormwater Management, Parks and Roads MSTU, Lake County Voted Debt Service, Mt. Plymouth-Sorrento CRA Trust and Lake County Fire MSTU. Property taxes become due and payable on November 1st of each year. A four (4) percent discount is allowed if the taxes are paid in November, with the discount declining by one (1) percent each month thereafter. Accordingly, taxes collected will never be 100 percent of the tax levy. Taxes become delinquent on April 1st of each year. Tax certificates for the full amount of any unpaid real property taxes and assessments must be sold not later than June 1st of each year.

Resource Recovery Plant - Revenue earned from electricity production	\$ -	\$ -	\$ -	\$ - (1)

(1) The County's service agreement with Covanta, Inc. expired June 30, 2014.

(2) The increase from FY 2016 to FY 2017 is due mainly for debris collection from two hurricanes occurring in the same fiscal year.

(3) Lake Emergency Medical Services, Inc. became part of the Board of County Commissioners on October 1, 2018.

(4) The increase from FY 2018 to FY 2019 is due to Hurricane Irma debris collections from Municipalities and the County.

The notes to the Schedule of Expenditures of Federal Awards and State Financial Assistance are an integral part of this schedule.

Lake County, Florida

Notes to Schedule of Expenditures of Federal Awards and State Financial Assistance

Year Ended September 30, 2019

1. Summary of Significant Accounting Policies

General

The Schedule of Expenditures of Federal Awards and State Financial Assistance has been prepared using the modified accrual basis of accounting. The modified accrual basis of accounting recognizes revenues when they become measurable and available and expenditures generally when a liability is incurred.

2. Contingency

The grant revenue amounts received are subject to audit and adjustment. If any expenditures are disallowed by the grantor agencies as a result of such an audit, any claim for reimbursement by the grantor agencies would become a liability of the County. In the opinion of management, all grant expenditures are in compliance with the terms of the grant agreements and applicable federal and state laws and regulations.

3. Indirect Cost

The County did not elect to use the 10 percent de minimis indirect cost rate for any of its Federal Programs.

4. Prior Period Expenditures

The total amounts reported for CFDA 97.036 *Disaster Grants - Public Assistance* for FY 2019 were related to expenditures incurred in prior years and obligated by FEMA through approved project worksheets during Fiscal Year 2019.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND STATE PROJECT AND ON INTERNAL CONTROL OVER COMPLIANCE AND REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS AND STATE FINANCIAL ASSISTANCE REQUIRED BY THE UNIFORM GUIDANCE AND CHAPTER 10.550, RULES OF THE AUDITOR GENERAL

Honorable Board of County Commissioners
Lake County, Florida

Report on Compliance for Each Major Federal Program and State Project

We have audited the compliance of Lake County, Florida (the County) with the types of compliance requirements described in the OMB *Compliance Supplement* and the requirements described in the Department of Financial Services' *State Projects Compliance Supplement* that could have a direct and material effect on each of the County's major federal programs and state projects for the year ended September 30, 2019. The County's major federal programs and state projects are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs and state projects.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the County's major federal programs and state projects based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations*, Part 200, *Uniform Administrative Requirements, Cost Principles, and the Audit Requirements for Federal Awards* (Uniform Guidance); and Chapter 10.550, *Rules of the Auditor General*. Those standards, the Uniform Guidance, and Chapter 10.550, *Rules of the Auditor General*, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program or state project occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program and state project. However, our audit does not provide a legal determination of the County's compliance.

Opinion on Each Major Federal Program and State Project

In our opinion, the County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended September 30, 2019.

Report on Internal Control over Compliance

Management of the County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to in the first paragraph. In planning and performing our audit of compliance, we considered the County's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program and state project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for each major federal program and state project and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards and State Financial Assistance Required by the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*

We have audited the financial statements of the governmental activities, the business-type activity, each major fund, and the aggregate remaining fund information of the County as of and for the year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the County's basic financial statements. We issued our report thereon dated April 23, 2020, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance is presented for purposes of additional analysis, as required by the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*, and is not a required part of the basic financial statements.

Honorable Board of County Commissioners
Lake County, Florida

Report on Schedule of Expenditures of Federal Awards and State Financial Assistance Required by the Uniform Guidance and Chapter 10.550, Rules of the Auditor General (Cont.)

Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards and State Financial Assistance is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

**INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Honorable Board of County Commissioners
Lake County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activity, each major fund, and the aggregate remaining fund information of Lake County, Florida (the County) as of and for the year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the County’s basic financial statements, and have issued our report thereon dated April 23, 2020.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County’s internal control. Accordingly, we do not express an opinion on the effectiveness of the County’s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Honorable Board of County Commissioners
Lake County, Florida

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain other matters that we reported to County management in a separate letter dated April 23, 2020.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the County's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S MANAGEMENT LETTER

Honorable Board of County Commissioners
Lake County, Florida

Report on the Financial Statements

We have audited the basic financial statements of Lake County, Florida (the County) as of and for the year ended September 30, 2019, and have issued our report thereon dated April 23, 2020.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations*, Part 200, *Uniform Administrative Requirements, Cost Principles, and the Audit Requirements for Federal Awards* (Uniform Guidance); and Chapter 10.550, *Rules of the Auditor General*.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*, Independent Auditor's Report on Compliance for Each Major Federal Program and State Project and on Internal Control over Compliance and Report on Schedule of Expenditures of Federal Awards and State Financial Assistance Required by the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*, Schedule of Findings and Questioned Costs, and Independent Accountant's Report on an examination conducted in accordance with AICPA *Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports and schedule, which are dated April 23, 2020, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings or recommendations made in the preceding annual financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., *Rules of the Auditor General*, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The legal authority is disclosed in the notes to the financial statements.

Honorable Board of County Commissioners
Lake County, Florida

Financial Condition and Management

Sections 10.554(1)(i)5.a. and 10.556(7), *Rules of the Auditor General*, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the County has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and identification of the specific condition(s) met. In connection with our audit, we determined that the County did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), *Rules of the Auditor General*, we applied financial condition assessment procedures. It is management's responsibility to monitor the County's financial condition, and our financial condition assessment was based, in part, on representations made by management and the review of financial information provided by same.

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we address in the management letter any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Special District Component Units

Section 10.554(1)(i)5.c., *Rules of the Auditor General*, requires that we determine whether or not a special district that is a component unit of a county, municipality, or special district, provided the financial information necessary for proper reporting of the component unit, within the audited financial statements of the county, municipality, or special district in accordance with Section 218.39(3)(b), Florida Statutes. There were no special district component units that were required to provide financial information to the County for the year ended September 30, 2019.

Additional Matters

Section 10.554(1)(i)3., *Rules of the Auditor General*, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, federal and other granting agencies, County Commission, and applicable management and is not intended to be, and should not be, used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANT'S REPORT

Honorable Board of County Commissioners
Lake County, Florida

We have examined the compliance of Lake County, Florida (the County) with the requirements of Sections 218.415, 365.172(10), and 365.173(2)(d), Florida Statutes, during the year ended September 30, 2019. Management is responsible for the County's compliance with those requirements. Our responsibility is to express an opinion on the County's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the County complied with those requirements. An examination involves performing procedures to obtain evidence about the County's compliance with those requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion. Our examination does not provide a legal determination on the County's compliance with specified requirements.

In our opinion, the County complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2019.

INDEPENDENT AUDITOR'S REPORT

To the Honorable Gary Cooney,
Clerk of the Circuit Court and
Comptroller of Lake County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the Lake County, Florida Clerk of the Circuit Court and Comptroller (the "Clerk") as of and for the fiscal year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the Clerk's financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Clerk's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Clerk's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Clerk as of September 30, 2019, and the respective changes in financial position, and the respective budgetary comparisons for the General Fund, Courts Fund, and Public Records Modernization Trust Fund for the fiscal year then ended, in conformity with accounting principles generally accepted in the United States of America.

To the Honorable Gary Cooney,
Clerk of the Circuit Court and
Comptroller of Lake County, Florida

INDEPENDENT AUDITOR'S REPORT
(Concluded)

Emphasis-of-Matter

As described in Note 1 to the financial statements, the accompanying financial statements were prepared for the purpose of complying with Section 218.39, Florida Statutes, and Section 10.557(3), *Rules of the Auditor General for Local Governmental Entity Audits*. These financial statements are not intended to be a complete presentation of the financial position of Lake County, Florida as of September 30, 2019, and the changes in its financial position for the fiscal year then ended, in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 9, 2020, on our consideration of the Clerk's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Clerk's internal control over financial reporting and compliance.

Notes to Financial Statements

September 30, 2019

1. Summary of Significant Accounting Policies

The following is a summary of the significant accounting principles and policies used in the preparation of the accompanying special-purpose financial statements.

Reporting Entity – The Lake County, Florida, Clerk of the Circuit Court and Comptroller (the Clerk) is a separately elected constitutional officer, as provided by Article VIII, Section 1(d), Florida Constitution, and for financial reporting purposes by Chapter 218, Florida Statutes. In addition, for financial reporting purposes, the Clerk is deemed to be a part of the primary government of Lake County, Florida (the County), and is, therefore, included as such in the Lake County, Florida, Comprehensive Annual Financial Report (CAFR).

The Lake County Board of County Commissioners (the Board) funds a major portion or, in certain instances, all of the operating budgets of the County's Constitutional Officers. The payments by the Board to fund the operations of the Constitutional Officers are recorded as transfers out on the financial statements of the Board and as transfers in on the financial statements of the Constitutional Officers. Repayments to the Board are recorded as transfers out on the financial statements of the Constitutional Officers and as transfers in on the financial statements of the Board. The Clerk is funded primarily through Board transfer, with the exception of the courts funding.

Pursuant to Article V of the Constitution of the State of Florida, selected salaries, costs, and expenses of the state courts system and court-related functions shall be funded from a portion of the revenues derived from statutory fines, fees, service charges and costs collected by the clerks of the court. The budgets for the individual clerk's offices are certified by the Florida Clerks of Court Operations Corporation (CCOC). The Clerk submitted monthly the portion of court revenues (fines, fees, service charges and costs) collected in the prior month that exceeded its monthly budget for deposit in the Clerks of the Court Trust Fund.

Annually, no later than January 25 for the previous county fiscal year, the cumulative excess of all fines, fees, services charges and costs retained by the Clerk will be submitted to the Department of Revenue. The amount due to other governments at September 30, 2019 of \$710,028 represents the September 2019 monthly revenues of \$520,636 less the remaining excess court funding due to CCOC at September 30, 2019 of \$177,797 plus excess jury funding of \$11,595.

Lake County, Florida,
Clerk of the Circuit Court and Comptroller

Notes to Financial Statements (continued)

1. Summary of Significant Accounting Policies (continued)

Basis of Presentation – These financial statements are fund financial statements that have been prepared in conformity with reporting guidelines established by the Governmental Accounting Standards Board (GASB) and are presented to comply with the requirements of Section 218.39, *Florida Statutes*, and Section 10.557(3) of the *Rules of the Auditor General for Local Governmental Entity Audits*. The basic financial statements for the County as a whole, which include the funds of the Clerk, are prepared in conformity with accounting principles generally accepted in the United States of America (GAAP). The Clerk uses the following funds:

Governmental Funds:

General Fund – The General Fund is a governmental fund used to account for all revenue and expenditures applicable to the general operations of the Clerk that are not required either legally or by GAAP to be accounted for in another fund.

Special Revenue Fund: Courts Fund – The Courts Fund is a governmental fund used to account for all revenue and expenditures related to the performance of court-related functions, pursuant to Sections 28.35, 28.36 and 28.37, Florida Statutes.

Special Revenue Fund: Public Records Modernization Trust Fund – The Public Records Modernization Trust Fund is a governmental fund used to account for all revenue and expenditures related to the modernization of the public records system pursuant to Section 28.24, Florida Statutes.

Fiduciary Funds:

Agency Funds – The Agency Funds are used to account for funds held by the Clerk as a trustee and such non-budgeted receipts as court-ordered fines and costs, tax deeds proceeds, witness fees, alimony and child support payments, and other deposits. These funds are held by the Clerk until remitted to other entities, governmental units, or individuals.

Lake County, Florida,
Clerk of the Circuit Court and Comptroller

Notes to Financial Statements (continued)

1. Summary of Significant Accounting Policies (continued)

Basis of Accounting and Measurement Focus – Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting refers to the timing of the measurements made regardless of the measurement focus applied.

Governmental funds are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when they become both measurable and available to finance expenditures of the current period. Primary revenues consisting of charges for services, intergovernmental revenue, investment income, and transfers in are treated as susceptible to accrual under the modified accrual basis of accounting. The Clerk considers receivables collected within 60 days after year-end to be available and recognizes them as revenues of the current year. Expenditures are recorded when the liability is incurred except for accumulated sick and vacation pay for current employees, which are not recorded until paid.

Agency Funds are custodial in nature, in which assets are equally offset by liabilities to other entities, governmental units, or individuals. The accrual basis of accounting is used for recognizing assets and liabilities for these funds.

Use of Estimates - The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Budgetary Process – The Clerk prepares a budget in two parts – the budget relating to the requirements of the Clerk of the Board of County Commissioners and other county-related duties, and the budget relating to the state court system.

The Clerk follows the procedures noted below in establishing the budgetary data reflected in the financial statements.

1. Section 218.35, Florida Statutes, requires the Clerk, as a fee officer, to establish an annual budget reflecting resources available and functions for which funds are to be expended.
2. The proposed budget is filed with the Board by June 1 preceding the fiscal year of the budget.

Lake County, Florida,
Clerk of the Circuit Court and Comptroller

Notes to Financial Statements (continued)

1. Summary of Significant Accounting Policies (continued)

Budgetary Process, Continued -

3. The Clerk's fee office budget can be amended as necessary during the year.
4. Formal budgetary integration is employed as a management control device during the year for the Clerk's General and Special Revenue funds. Appropriations for the General Fund lapse at the close of the fiscal year. Any excess of revenues over expenditures in the Clerk's General Fund is required to be remitted to the General Fund of the Board within 31 days of the close of the fiscal year in accordance with Section 218.36, of the Florida Statutes.
5. The budgets for the Clerk's General and Special Revenue funds are adopted on a basis consistent with GAAP.

The Clerk follows the additional procedures noted below in establishing the budget for the Courts fund:

1. The proposed budget is filed with the CCOC by June 1 preceding the fiscal year of the budget.
2. The CCOC Budget Committee reviews, modifies and recommends budgets submitted by the clerks of the court pursuant to FS 28.36.
3. Before October 1 of each year, the CCOC Executive Council shall approve the total of the clerks' combined budgets or any individual clerk's budget.

Pooled Cash and Investments - The Clerk follows the policy of investing surplus funds as authorized by Sections 28.33, 219.075 and 218.415 of the Florida Statutes. Pooled cash and investments are stated at fair value.

Capital Assets - The tangible personal property used by the Clerk is reported as capital assets in the statement of net position as part of the basic financial statements of the County. Upon acquisition, such assets are recorded as expenditures of the Clerk and capitalized at cost in the capital asset accounts of the County. The Clerk maintains custodial responsibility for the capital assets used by its office.

Lake County, Florida,
Clerk of the Circuit Court and Comptroller

Notes to Financial Statements (continued)

1. Summary of Significant Accounting Policies (continued)

Accrued Liabilities – Accrued liabilities consist primarily of wages payable, including related taxes and employee benefits.

Compensated Absences – The Clerk’s policy is to grant all full-time, permanent employees annual and sick leave based on length of employment. Annual leave can be accumulated; however, it is limited to certain amounts based on longevity, with a maximum of 300 hours. Upon termination of employment, the employee can receive a cash benefit, based on the employee’s current wage rate and the annual leave not taken. Sick leave is accumulated at the rate of seven and one-half hours for each full calendar month of continuous employment. The Clerk’s policy permits the payment of accrued sick pay upon termination, retirement, or death, based on the length of employment, into the Clerk’s post-employment health plan (see Note 5). The maximum payment may not exceed 1,440 hours (75% of 1,920 accumulated sick hours).

The Clerk calculates accumulated annual and sick leave and the related fringe benefits at each year-end based on each employee’s accumulated unused hours and current rate of pay. Generally, employees use their compensated absences as earned. The amount expected to be paid to terminated employees in the next year is recorded as an accrued liability and the remaining balance is recorded as a long-term liability in the statement of net assets as part of the basic financial statements of the County.

Fund Balance – Fund balances in the Clerk Special Revenue Funds are classified as restricted. Fund balances can only be spent for specific purposes, based on enabling legislation, as described in Note 1, Basis of Presentation.

2. Pooled Cash

The Clerk maintains a cash pool that is available for use by all funds. Interest earned from investments with pooled cash is allocated to the General Fund, Special Revenue Funds, and certain Agency Funds based on the fund’s daily average equity balance. At September 30, 2019, the Clerk’s bank deposits were entirely covered by federal depository insurance, by collateral held by a qualified public depository, or by collateral pledged with the State Treasurer pursuant to Chapter 280, Florida Statutes. Under this Chapter, in the event of default by a participating financial institution, all participating institutions are obligated to reimburse the governmental entity for the loss.

Lake County, Florida,
Clerk of the Circuit Court and Comptroller

Notes to Financial Statements (continued)

3. Accumulated Compensated Absences

The long-term portion of compensated absences is recorded and reported by the County in its basic financial statements. The following is a summary of changes in the long-term compensated absences liability during fiscal year 2019:

Compensated absences, September 30, 2018	\$1,307,587
Additions	787,112
Payments	<u>(660,095)</u>
Compensated absences, September 30, 2019	<u>\$1,434,604</u>

4. Retirement Plan

Substantially all full-time Clerk employees are participants in the Florida Retirement System (the System), a multiple employer, cost-sharing public retirement system, which is controlled by the State Legislature and administered by the State of Florida Department of Administration, Division of Retirement. The System offers a choice between a defined benefit plan (Pension Plan) and a defined contribution plan (Investment Plan). Employees also participate in the Retiree Health Insurance Subsidy Program (HIS Plan) which is a defined benefit plan.

The Pension Plan provides for vesting of benefits after six to eight years of creditable service. Normal retirement benefits are available to employees who retire at or after age 62 to 65 with six or eight or more years of service, respectively. Early retirement is available after six to eight years of service with a 5% reduction of benefits for each year prior to the normal retirement age. Retirement benefits are based on age, average compensation and years of service credit where average compensation is computed as the average of an individual's five to eight highest years of earnings. A post-employment health insurance subsidy is also provided to eligible retired employees through the System in accordance with Florida Statutes.

Pension Plan members may participate in the Deferred Retirement Option Plan (DROP), after reaching eligibility for normal retirement or through the available deferral period for eligible members. This plan allows employees to defer receipt of retirement benefits while continuing employment for a period up to sixty months. Accumulated System benefits earn 6.5% interest compounded monthly for members whose DROP participation began prior to July 1, 2011; the amount was reduced to 1.3% for members whose DROP participation began on or after that date. The employer continues to contribute to the System on behalf of the employee.

Lake County, Florida,
Clerk of the Circuit Court and Comptroller

Notes to Financial Statements (continued)

4. Retirement Plan (continued)

The Investment Plan provides for vesting after one year of creditable service. Under this plan, the employer makes contributions to a participant's account and the participant directs where the contributions are invested among the plan's investment funds. Upon termination, vested participants receive amounts accumulated in their investment accounts.

The HIS Plan is established in accordance with Section 112.363, Florida Statutes. The benefit is a monthly payment to assist retirees in paying their health insurance costs. Current benefits are based on \$5 per year of service, ranging from \$30 - \$150 per month. To be eligible, retirees must provide proof of health insurance coverage, which may include Medicare.

Participating employer contributions are based on statewide rates established by the state of Florida. These rates are applied to employee salaries as follows: regular employees, 8.26% and 8.47%; senior management, 24.06% and 25.41%; elected officials, 48.70% and 48.82%; and DROP, 14.03% and 14.60%; from October 1, 2018 to June 30, 2019, and July 1, 2019 to September 30, 2019, respectively. These employer contribution rates include HIS contribution rates of 1.66%. The Clerk's contributions to the System for the years ended September 30, 2019, 2018, and 2017 were \$817,577, \$779,841 and \$730,855, respectively, and are equal to the actuarially determined contribution requirements for each year. Employee contributions of 3% were applied to all employee salaries except DROP participants. Employee contributions for the years ended September 30, 2019, 2018, and 2017 were \$214,179, \$204,248 and \$195,380, respectively.

For financial reporting purposes, the Clerk is deemed to be part of the primary government of Lake County, Florida (the County). A liability, if any, related to the System retirement benefits will be recorded in the financial statements of Lake County, Florida for the year ended September 30, 2019.

The Clerk has no responsibility to the System other than to make the periodic contributions required by state statutes. The Florida Division of Retirement issues a publicly available financial report that includes financial statements and required supplementary information for the System. The report may be obtained by writing to Florida Division of Retirement, PO Box 9000, Tallahassee, FL 32315-9000, or by calling 844-377-1888.

Lake County, Florida,
Clerk of the Circuit Court and Comptroller

Notes to Financial Statements (continued)

5. Other Post-Employment Benefits

The Clerk contributes to a defined contribution post-employment health plan. The Clerk contributes 25% of accrued sick pay for employees with less than ten years of service and 75% for employees with ten years or more of service, into the trust upon termination, retirement or death. The maximum contribution is limited to 1,440 hours (75% of 1,920 accumulated sick hours).

Contributions are invested according to instructions given by the employee and earnings accumulated are tax exempt under Section 501(c)(9) of the Internal Revenue Code. Upon separation from service, the account may be used to reimburse any qualified health insurance premiums paid by the employee.

The Board healthcare plan is also available to eligible employees of the Clerk. The Board is required by Florida Statutes to offer retirees and their eligible dependents the same health and medical coverage that is offered to active employees, at the same cost. To determine healthcare plan costs, the Board is required to comingle the claims experience of active employees and retirees, thus creating an implicit rate subsidy for retirees. A detailed plan description and any liability for Clerk employees related to the County's postemployment benefits other than pensions will be recorded in the financial statements of Lake County, Florida for the year ended September 30, 2019.

6. Risk Management

The Clerk is exposed to various risks related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Clerk is covered for general liability, automobile, workers' compensation, property and health liabilities under Lake County's self-insured fund. No settlements in excess of claims have been incurred during the current or prior period.

Other Reports

**INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Honorable Gary Cooney,
Clerk of the Circuit Court and
Comptroller of Lake County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Lake County, Florida Clerk of the Circuit Court and Comptroller (the “Clerk”) as of and for the fiscal year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the Clerk’s basic financial statements and have issued our report thereon dated January 9, 2020.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Clerk’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Clerk’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Clerk’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Honorable Gary Cooney,
Clerk of the Circuit Court and
Comptroller of Lake County, Florida

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Clerk's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Pursuant to provisions of Chapter 10.550, *Rules of the Auditor General*, we reported certain matters to management of the Clerk in a separate management letter and Independent Accountant's Report dated January 9, 2020.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S MANAGEMENT LETTER

To the Honorable Gary Cooney,
Clerk of the Circuit Court and
Comptroller of Lake County, Florida

We have audited the financial statements of the Lake County, Florida Clerk of the Circuit Court and Comptroller (the "Clerk") as of and for the fiscal year ended September 30, 2019, and have issued our report thereon dated January 9, 2020.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States and Chapter 10.550, *Rules of the Auditor General*.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards* and our Independent Accountant's Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports, which are dated January 9, 2020, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. In connection with the preceding audit, there were no findings or recommendations.

Official Title and Legal Authority

Section 10.554(1)(i)4., *Rules of the Auditor General*, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The legal authority is disclosed in the notes to the financial statements.

Financial Management

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we address in the management letter any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

To the Honorable Gary Cooney,
Clerk of the Circuit Court and
Comptroller of Lake County, Florida

Additional Matters

Section 10.554(1)(i)3., *Rules of the Auditor General*, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, federal and other granting agencies, the Clerk, and applicable management and is not intended to be, and should not be, used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANT'S REPORT

To the Honorable Gary Cooney,
Clerk of the Circuit Court and
Comptroller of Lake County, Florida

We have examined the Lake County, Florida Clerk of the Circuit Court and Comptroller's (the "Clerk") compliance with the requirements of Sections 28.35, 28.36, 61.181 and 218.415, Florida Statutes, during the year ended September 30, 2019. Management is responsible for the Clerk's compliance with those requirements. Our responsibility is to express an opinion on the Clerk's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the Clerk's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Clerk's compliance with specified requirements.

In our opinion, the Clerk complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2019.

INDEPENDENT AUDITOR'S REPORT

To the Honorable Peyton Grinnell,
Sheriff of Lake County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the Lake County, Florida Sheriff (the "Sheriff") as of and for the fiscal year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the Sheriff's basic financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Sheriff's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Sheriff's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Honorable Peyton Grinnell,
Sheriff of Lake County, Florida

Opinion

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the respective financial position of the Sheriff as of September 30, 2019, and the respective change in financial position, and, where applicable, cash flows, thereof, and the budgetary comparison for the General Fund for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America.

Emphasis-of-Matter

As described in Note 1 to the financial statements, the accompanying financial statements were prepared for the purpose of complying with Section 218.39, Florida Statutes, and Section 10.557(3), *Rules of the Auditor General for Local Governmental Entity Audits*. These financial statements are not intended to be a complete presentation of the financial position of Lake County, Florida as of September 30, 2019, and the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 10, 2020, on our consideration of the Sheriff's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Sheriff's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

Year Ended September 30, 2019

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of the more significant accounting policies used in the preparation of these financial statements.

Reporting Entity

The Lake County, Florida Sheriff (the “Sheriff”) is a separate constitutional officer, as provided by Article VIII, Section 1(d), Florida Constitution, and for financial reporting purposes by Chapter 218, Florida Statutes. In addition, for financial reporting purposes, it is deemed to be a part of the primary government of Lake County, Florida (the “County”) and is, therefore, included as such in the Lake County, Florida Comprehensive Annual Financial Report (“CAFR”).

By ordinance adopted on September 28, 1993, the Lake County Board of County Commissioners (the “Board”) designated the Sheriff as the Chief Correctional Officer of the Lake County Correctional Facility and the County correctional system in its entirety. As a result, operation of the County correctional system was transferred to the Sheriff as of midnight on October 3, 1993.

Basis of Presentation

These financial statements are fund financial statements that have been prepared in conformity with the reporting guidelines established by the Governmental Accounting Standards Board and are presented to comply with the requirements of Section 218.39, Florida Statutes, and Section 10.557(3) of the *Rules of the Auditor General for Local Governmental Entity Audits*. The basic financial statements for the County as a whole, which includes the funds of the Sheriff, were prepared in conformity with accounting principles generally accepted in the United States of America (“GAAP”). The Sheriff uses the following funds:

Governmental Funds:

General Fund – The General Fund is a governmental fund and is used to account for all revenues and expenditures applicable to the general operations of the Sheriff that are not required either legally or by accounting principles generally accepted in the United States of America to be accounted for in another fund.

Other Governmental Funds – Other Governmental Funds include several special revenue funds used to account for the proceeds of specific revenue sources designated for law enforcement and to account for the purchase and sale of items from the jail’s commissary.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Presentation (Continued)

Internal Service Fund:

Insurance Fund – The Insurance Fund, a proprietary fund, is used to account for the revenues and expenses of the Employee Group Health Insurance Program for the Sheriff.

Fiduciary Funds:

Agency Funds – Agency Funds are used to account for cash bonds and other funds, held by the Sheriff as a trustee, and such non-budgeted receipts as civil process fees, held by the Sheriff, until remitted to the Board.

Basis of Accounting

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements and also refers to the timing of the measurements made regardless of the measurement focus applied.

Governmental Funds are reported using the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when they become both measurable and available to finance expenditures of the current period.

Expenditures are recorded when the liability is incurred, except for accumulated sick and vacation pay, which are not recorded until paid. The Sheriff considers receivables collected within 60 days after year-end to be available and recognizes them as revenues of the current year. Revenues susceptible to accrual include charges for services, intergovernmental, interest, and Board appropriations.

Substantially all of the Sheriff's funding is appropriated by the Board. In applying the "susceptible to accrual" concept to intergovernmental revenues, there are essentially two types of revenues. In one, monies must be expended on the specific purpose or project before any amounts will be paid to the Sheriff; therefore, revenues are recognized when the expenditures have been incurred. Grant revenues are recorded in this manner. In the other, monies are generally unrestricted and are revocable only for failure to comply with prescribed compliance requirements. These resources are reflected as revenues at the time of receipt or earlier, if measurable and available to finance expenditures of the current period.

The Internal Service Fund is reported using the economic resources measurement focus and the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recognized when incurred. Operating revenues and expenses consist of contributions for insurance purposes and the payments for claims and related expenses. Nonoperating revenue consists of investment income.

Agency Funds are accounted for under the economic resources method and accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenditures are recognized when incurred.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

Budgetary Process

Chapter 30 of the Florida Statutes governs the preparation, adoption, and administration of the Sheriff's annual budget. The budget is prepared on a basis consistent with accounting principles generally accepted in the United States of America.

Budget amendments are defined as line-item changes, which either increase or decrease the total budget. Budget amendments must be approved by the Board. Budget transfers between appropriation categories (personal services, operating, and capital outlay) must be approved, in writing, by the Board. Transfers between expenditure items within the same appropriation category do not need written approval from the Board.

The Sheriff had excess expenditures over appropriations for Personal Services in the amount of \$1,922 in the General Fund for fiscal year 2019. These excess expenditures were funded by unanticipated miscellaneous revenues of \$34,812 in the General Fund for fiscal year 2019.

Surplus Funds

The Sheriff follows the policy of investing surplus funds, as authorized by Section 218.415, Florida Statutes.

Inventories

Inventories primarily consist of materials and supplies and are stated at the lower of cost (determined on a first-in, first-out basis) or market. These inventories are accounted for under the purchase method, whereby the cost is recorded as an expenditure when purchased.

Capital Assets

Capital assets, which include vehicles and equipment, are recorded as capital outlay expenditures in the Governmental Funds at the time goods are received and a liability is incurred. These assets are then capitalized at cost in the statement of net assets as part of the basic financial statements of the County. The capitalization threshold for reporting purposes of capital assets is \$5,000, in accordance with County policy. The State of Florida, however, requires the Sheriff to maintain an inventory of all assets valued at \$1,000 or more.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Capital Assets (Continued)

Donated and confiscated capital assets are recorded in the statement of net assets of the County at fair value at the time received. Capital assets are depreciated using the straight-line method over three to ten years. Depreciation expense is recorded in the statement of activities as part of the basic financial statements of the County.

Interfund Balances

Interfund receivables and payables represent temporary loans between funds to cover grant expenditures and provide short-term financing. All balances are expected to be repaid within one year.

Compensated Absences

The Sheriff's policy is to grant all permanent, full-time employees annual and sick leave, based on length of employment. Upon termination of employment, the employee can receive a cash benefit, based upon the employee's current wage rate and the annual or sick leave not taken, subject to certain limits, as established by policy. Annual leave may be accumulated up to a maximum of 324 hours. There is no limit on the amount of sick leave that may be accrued, but upon termination, employees will be paid for one-fourth of any accrued sick leave up to 500 hours.

The Sheriff records accumulated annual and sick leave, and related fringe benefits at each year-end, based on each employee's accumulated, unused hours and current rate of pay. Accumulated compensated absences are recorded and reported by the County in its basic financial statements.

Fund Balances

Fund balance in the General Fund and other governmental funds is reported in the following categories as of September 30, 2019:

Nonspendable – includes fund balance amounts that cannot be spent either because they are not in spendable form or because of legal or contractual requirements. This would include inventories.

Restricted – includes fund balance amounts that are constrained for specific purposes, which are externally imposed by third parties (creditors, grantors, contributors) or amounts constrained due to constitutional provisions or enabling legislation.

Unassigned – includes residual fund balance in the General Fund, which has not been classified within the above-mentioned categories. At September 30, 2019, the General Fund had no unassigned fund balance.

When both restricted and unrestricted (committed, assigned, and unassigned) fund resources are available for use, it is the Sheriff's policy to generally use restricted resources first, and then unrestricted resources.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Refund of Excess Fees

Florida Statutes provide that the excess of the Sheriff's General Fund revenues over expenditures held by the Sheriff at the end of the fiscal year are to be refunded to the Board. The amount of unrestricted excess at the end of the fiscal year is reported as a liability, and the transfer and distribution of total excess revenues are reported as other financing use (transfer out).

NOTE 2 - POOLED CASH

The Sheriff maintains a cash pool that is available for use by all funds, except those for which cash must be segregated due to legal restrictions. Interest earned from investments of pooled cash is allocated to each of the funds based on the fund's daily average equity balance.

Bank Deposits

The Sheriff's cash and cash equivalents consisted of interest- and noninterest-bearing demand accounts. All bank balances as of September 30, 2019 are covered by federal depository insurance or by a multiple, financial institution collateral pool, pursuant to the Public Depository Security Act of the State of Florida. There were no investments other than bank deposits for the year ended September 30, 2019.

NOTE 3 - CAPITAL ASSETS

A summary of changes in capital assets, reported in the notes to the County's basic financial statements, is as follows:

	Balance September 30, 2018	Increases	Decreases	Balance September 30, 2019
Vehicles and equipment	\$ 16,722,250	\$ 2,260,742	\$ (998,485)	\$ 17,984,507
Accumulated depreciation	(13,046,635)	(1,092,065)	927,784	(13,210,916)
Capital assets, net	<u>\$ 3,675,615</u>	<u>\$ 1,168,677</u>	<u>\$ (70,701)</u>	<u>\$ 4,773,591</u>

The main office building, garage, jails, and radio maintenance facility used by the Sheriff are provided by the Board at no cost.

NOTE 4 - ACCUMULATED COMPENSATED ABSENCES

Compensated absences are recorded and reported by the County in its basic financial statements. The following is a summary of changes in the liability during fiscal year 2019:

Compensated absences, September 30, 2018	\$ 5,439,968
Additions	5,732,628
Deletions	(5,016,308)
Compensated absences, September 30, 2019	<u>\$ 6,156,288</u>

NOTE 5 - RETIREMENT PLAN

Substantially all full-time employees of the Sheriff are participants in the Florida Retirement System (the “System”), a multiple-employer, cost-sharing public retirement system, which is controlled by the State Legislature and administered by the State of Florida Department of Administration, Division of Retirement. The System offers a choice between a defined-benefit plan (“Pension Plan”) and a defined-contribution plan (“Investment Plan”).

The Pension Plan provides for vesting of benefits after six years of creditable service. Normal retirement benefits are available to employees who retire at or after age 62 to 65, with six or more years of service. Early retirement is available after six to eight years of service, with a 5% reduction of benefits for each year prior to the normal retirement age. Retirement benefits are based upon age, average compensation, and years of service credit, where average compensation is computed as the average of an individual’s five to eight highest years of earnings. A post-employment health insurance subsidy is also provided to eligible, retired employees through the System in accordance with Florida Statutes.

Pension Plan members may also participate in the Deferred Retirement Option Plan (“DROP”), after reaching eligibility for normal retirement, or through the available deferral period for eligible members. This plan allows employees to defer receipt of retirement benefits, while continuing employment for a period up to sixty months. Accumulated System benefits earn 6.5% interest compounded monthly for members whose DROP participation began prior to July 1, 2011; the amount was reduced to 1.3% for members whose DROP participation began on or after that date. The employer continues to contribute to the System on behalf of the employee.

The Investment Plan provides for vesting after one year of creditable service. Under this plan, the employer makes contributions to a participant’s account, and the participant directs where the contributions are invested among the plan’s investment funds. Upon termination, vested participants receive amounts accumulated in their investment accounts.

Participating employer contributions are based on statewide rates established by the State of Florida. These rates were applied to employee salaries, as follows: regular employees, 8.26% and 8.47%; special risk, 24.50% and 25.48%; senior management, 24.06% and 25.41%; elected officials, 48.70% and 48.82%; and DROP, 14.03% and 14.60%; from October 1, 2018 to June 30, 2019, and July 1, 2019 to September 30, 2019, respectively.

The Sheriff’s contributions to the System for the years ended September 30, 2019, 2018, and 2017, were \$7,473,593, \$6,882,570, and \$6,448,955, respectively, and are equal to the actuarially determined contribution requirements for each year. Employee contributions were \$1,014,122, \$986,053, and \$960,651 for the fiscal years ended September 30, 2019, 2018 and 2017, respectively.

NOTE 5 - RETIREMENT PLAN (Continued)

For financial reporting purposes, the Sheriff is deemed to be part of the primary government of the County. A liability related to the Sheriff's proportionate share of the FRS retirement benefits, along with a detailed plan description, will be reported in the financial statements of the County for the fiscal year ended September 30, 2019.

The Sheriff has no responsibility to the System other than to make the periodic contributions required by State Statutes. The Florida Division of Retirement issues a publicly available financial report that includes financial statements and required supplementary information for the System. The report may be obtained by writing to the Florida Division of Retirement, 2639 Monroe Street, Building C, Tallahassee, Florida 32399-1560, or by calling 850-488-5541.

NOTE 6 - RISK MANAGEMENT

The Sheriff established an Insurance Fund (an Internal Service Fund) to account for its uninsured risks of loss relating to providing health insurance coverage for all of the Sheriff's employees. Specific stop-loss reinsurance has been obtained for all medical claims exceeding \$185,000 per individual per year subject to an additional aggregating specific deductible of \$150,000. In addition, the Sheriff purchased aggregate stop-loss coverage for total claims exceeding 125% of the attachment factors. During the fiscal year ended September 30, 2019, the Sheriff did not receive any stop-loss proceeds as a result of this coverage.

The General Fund of the Sheriff makes payments to the Insurance Fund based on actuarial estimates, as well as historical data, for the amounts needed to pay prior- and current-year claims. The latest actuarial evaluation and estimates, based on industry standards, relate to the fiscal year ended September 30, 2019.

Claims expenses and liabilities are reported when it is probable that a loss has occurred and the amount of the loss can be reasonably estimated. These losses include an estimate of claims that have been incurred but not reported. Changes in the reported liability resulted from the following:

	Liability Balance - Beginning of Year	Current-Year Claims and Changes in Estimates	Claims Payments	Liability Balance - End of Year
Fiscal 17-18 Health	<u>\$ 1,054,681</u>	<u>\$7,321,377</u>	<u>\$(8,085,299)</u>	<u>\$ 290,759</u>
Fiscal 18-19 Health	<u>\$ 290,759</u>	<u>\$7,085,107</u>	<u>\$(6,980,405)</u>	<u>\$ 395,461</u>

All other coverages continue to be insured through commercial carriers, and settlements have not exceeded coverage in the last three fiscal years.

NOTE 7 - DEFICIT FUND EQUITY

The Sheriff's Insurance Fund has a net deficit of \$(1,022,960) which is the result of cumulative prior year claims in excess of premiums. The 2018 deficit was reduced by \$1,360,250 in fiscal year 2019 and will continue to be funded through increased premium rates in future years.

NOTE 8 - LITIGATION

In the ordinary course of performing his duties, the Sheriff becomes a party to various lawsuits and claims. As of the date of these financial statements, the Sheriff's attorney has advised that no such contingencies, which might have a material effect on these financial statements, were pending. Accordingly, no provision has been made in the basic financial statements for any such contingencies.

NOTE 9 - OTHER POST-EMPLOYMENT BENEFITS

All eligible employees of the Sheriff participate in the County plan. A detailed plan description and the amount of any liability for the employees of the Sheriff have been reported in the County CAFR for the fiscal year ended September 30, 2019.

NOTE 10 - SUBSEQUENT EVENT

On March 11, 2020, the World Health Organization declared the novel strain of coronavirus (COVID-19) a global pandemic and recommended containment and mitigation measures worldwide. As of the date of this report, the Sheriff's operations remained uninterrupted. However, the Sheriff cannot reasonably estimate the length or severity of this pandemic, or the extent to which the disruption may materially impact the Sheriff's financial operations in fiscal 2020.

OTHER REPORTS

**INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Honorable Peyton Grinnell,
Sheriff of Lake County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Lake County, Florida Sheriff (the “Sheriff”) as of and for the fiscal year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the Sheriff’s basic financial statements, and have issued our report thereon dated April 10, 2020.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Sheriff’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Sheriff’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Sheriff’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Honorable Peyton Grinnell,
Sheriff of Lake County, Florida

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Sheriff's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We also reported on compliance and other matters in accordance with Chapter 10.550, *Rules of the Auditor General*, in the Independent Auditor's Management Letter and Independent Accountant's Report dated April 10, 2020.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S MANAGEMENT LETTER

To the Honorable Peyton Grinnell,
Sheriff of Lake County, Florida

Report on the Financial Statements

We have audited the financial statements of the Lake County, Florida Sheriff (the "Sheriff") as of and for the fiscal year ended September 30, 2019, and have issued our report thereon dated April 10, 2020.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States and Chapter 10.550, *Rules of the Auditor General*.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards* and Independent Accountant's Report on an examination conducted in accordance with AICPA *Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports, which are dated April 10, 2020, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. In connection with the preceding audit, there were no findings or recommendations.

Official Title and Legal Authority

Section 10.554(1)(i)4., *Rules of the Auditor General*, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The legal authority is disclosed in the notes to the financial statements.

To the Honorable Peyton Grinnell,
Sheriff of Lake County, Florida

Financial Management

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., *Rules of the Auditor General*, requires that we address noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Sheriff and applicable management and is not intended to be, and should not be, used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANT'S REPORT

To the Honorable Peyton Grinnell,
Sheriff of Lake County, Florida

We have examined the Lake County, Florida Sheriff's (the "Sheriff") compliance with the requirements of Section 218.415, Florida Statutes, during the fiscal year ended September 30, 2019. Management is responsible for the Sheriff's compliance with those requirements. Our responsibility is to express an opinion on the Sheriff's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Sheriff complied with those requirements. An examination involves performing procedures to obtain evidence about the Sheriff's compliance with those requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion. Our examination does not provide a legal determination on the Sheriff's compliance with specified requirements.

In our opinion, the Sheriff complied, in all material respects, with the aforementioned requirements for the fiscal year ended September 30, 2019.

INDEPENDENT AUDITOR'S REPORT

To the Honorable David Jordan,
Tax Collector of Lake County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the Lake County, Florida Tax Collector (the "Tax Collector") as of and for the fiscal year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the Tax Collector's basic financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Tax Collector's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Tax Collector's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Honorable David Jordan,
Tax Collector of Lake County, Florida

Opinion

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the respective financial position of the Tax Collector as of September 30, 2019, and the respective change in financial position, and the budgetary comparison for the general fund for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America.

Emphasis-of-Matter

As described in Note 1 to the financial statements, the accompanying financial statements were prepared for the purpose of complying with Section 218.39, Florida Statutes, and Section 10.557(3), *Rules of the Auditor General for Local Governmental Entity Audits*. These financial statements are not intended to be a complete presentation of the financial position of Lake County, Florida as of September 30, 2019, and the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 10, 2020, on our consideration of the Tax Collector's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Tax Collector's internal control over financial reporting and compliance.

TAX COLLECTOR**

NOTES TO FINANCIAL STATEMENTS

Fiscal Year Ended September 30, 2019

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of the significant accounting policies used in the presentation of these financial statements.

Reporting Entity

The Lake County, Florida Tax Collector (the “Tax Collector”) is a separately elected county official established pursuant to the Constitution of the State of Florida. For financial reporting purposes, the Tax Collector is deemed to be a part of the primary government of Lake County, Florida (the “County”) and, therefore, is included as such in the County’s Comprehensive Annual Financial Report (“CAFR”).

Basis of Presentation

These financial statements are fund financial statements that have been prepared in conformity with the reporting guidelines established by the Government Accounting Standards Board and are presented to comply with the requirements of Section 218.39, Florida Statutes, and Section 10.557(3), *Rules of the Auditor General for Local Governmental Entity Audits*. The basic financial statements for the County as a whole, which include the funds of the Tax Collector, were prepared in conformity with accounting principles generally accepted in the United States of America (“GAAP”). The Tax Collector utilizes the following funds:

- *The General Fund*, a governmental fund, is used to account for all revenues and expenditures applicable to the general operations of the Tax Collector that are not required either legally or by GAAP to be accounted for in another fund.
- *The Agency Fund*, which is a fiduciary fund, is custodial in nature and does not involve measurement of results of operations (assets equal liabilities). The Agency Fund is used to (1) account for collection of motor vehicle registration receipts, and the subsequent remittance of those receipts to the state of Florida, (2) account for the collection and distribution of local property tax monies, and (3) account for funds generated from the sale of miscellaneous licenses from the state of Florida, including business tax receipts, hunting and fishing licenses, boat title and registration collections, driver license services, concealed weapons permits, and the collection of tourist development taxes.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Accounting

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and are reported in the financial statements. Basis of accounting also refers to the timing of the measurements made, regardless of the measurement focus applied.

The modified accrual basis of accounting is followed by the General Fund. Under the modified accrual basis of accounting, revenues are recognized when they become both measurable and available to finance expenditures of the current period. Expenditures are recorded when the liability is incurred, except for accumulated sick and vacation pay, which are not recorded until paid.

Charges for services on the collection of property taxes are recognized as revenue in the fiscal year for which taxes are levied, provided they are collected within 60 days after the end of the fiscal year. Certain other miscellaneous revenues are recorded as revenues when received because they are generally not measurable until actually received. Investment revenues are recorded as earned.

The Agency Fund is accounted for under the economic measurement focus and, accordingly, the accrual basis of accounting is used for recognizing assets and liabilities.

Budgetary Requirement

Expenditures are controlled by appropriations in accordance with the budget requirements set forth in the Florida Statutes. The budgeted revenues and expenditures reported in the financial statements reflect all approved amendments.

Florida Statutes, Section 195.087, governs the preparation, adoption, and administration of the Tax Collector's annual budget. This budget is submitted to the Property Tax Oversight Program of the State of Florida Department of Revenue for approval. A copy of the budget is concurrently submitted to the Board of County Commissioners (the "Board"). The budget is adopted on a basis consistent with accounting principles generally accepted in the United States of America.

Budget amendments are defined as line-item changes, which either increase or decrease the total budget. Budget amendments must be approved, in writing, by the Florida Department of Revenue. Budget transfers between appropriation categories (personnel services, operating, capital outlay, and debt service) must be approved by the Florida Department of Revenue. Transfers between expenditure items within the same appropriation category do not need written approval from the Florida Department of Revenue. Appropriations lapse at year-end.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*Continued*)

Property Tax Collections

Chapter 197, Florida Statutes, governs property tax collections.

- *Current Taxes* – All property taxes become due and payable on November 1 and are delinquent on April 1 of the following year. Discounts of 4%, 3%, 2%, and 1% are allowed for early payment in November through February, respectively.
- *Unpaid Taxes – Sale of Tax Certificates* – The Tax Collector advertises, as required by Florida Statutes, and then sells tax certificates on all real property for unpaid taxes. Certificates not purchased are issued to the County. Any person owning real property upon which a tax certificate has been sold may redeem the real property by paying the Tax Collector the face amount of the tax certificate, plus interest and other costs.
- *Tax Deeds* – The owner of a tax certificate may, after two years, when the taxes have been delinquent (after April 1), file an application for tax deed sale. The County, as a certificate owner, is required to exercise similar procedures two years after taxes have been due (November 1). Tax deeds are issued to the highest bidder for the property, which is sold at a public auction. The Clerk of the Circuit Court of the County administers these sales.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures/expenses during the reporting period. Actual results could differ from those estimates.

Surplus Funds

The Tax Collector follows the policy of investing surplus funds, as authorized by Section 219.075, Florida Statutes.

Capital Assets

The tangible personal property used by the Tax Collector is reported as capital assets in the statement of net position as part of the basic financial statements of the County. Upon acquisition, such assets are recorded as expenditures in the General Fund of the Tax Collector and are capitalized at cost in the capital asset accounts of the County. The Tax Collector maintains custodial responsibility for the capital assets used by its office.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Compensated Absences

The Tax Collector’s policy is to grant all permanent, full-time employees Paid Time Off (“PTO”) based on length of employment. PTO hours can be accumulated; however, the carryover limitation per fiscal year is 1,200 hours. Upon separation of employment, the employee can receive a cash benefit based upon the employee’s current wage rate and the PTO hours not taken. Maximum payouts are as follows:

<u>Years of Service</u>	<u>Hours Not to Exceed</u>
0 – 5 years	200 hours
6 – 10 years	400 hours
11+ years	700 hours

The Tax Collector records accumulated PTO and the related fringe benefits at each year-end based on each employee’s accumulated, unused hours and rate of pay. The accumulated, unused portion at September 30 is recorded in the statement of net position as part of the basic financial statements of the County.

Refund of Excess Fees

Florida Statutes provide that the excess of the Tax Collector’s fee revenue over expenditures is to be distributed to each governmental agency in the same proportion as the fees paid by the governmental agency bear to the total fee income received by the Tax Collector. The amount of undistributed excess fees at the end of the fiscal year is reported as amounts due to the Board and other taxing districts, and the transfer and distribution of total excess fees to be remitted to the Board are reported as an other financing use.

NOTE 2 - CASH AND CASH EQUIVALENTS

The Tax Collector’s cash and cash equivalents consisted of interest and noninterest-bearing demand accounts. All bank balances as of September 30, 2019, are covered by federal depository insurance or by a multiple financial institution collateral pool, pursuant to the Public Depository Security Act of the State of Florida. In addition to deposits amounting to \$7,548,533, the Tax Collector had \$23,841 in cash on hand at September 30, 2019.

NOTE 3 - ACCOUNTS PAYABLE

Accounts payable in the General Fund are due to various vendors. Accounts payable in the Agency Funds are primarily tax certificate redemptions due to individuals.

NOTE 4 - ACCUMULATED COMPENSATED ABSENCES

The amount of vested, accumulated compensated absences payable, based upon the Tax Collector’s PTO policy is reported as a liability in the statement of net position in the County’s basic financial statements. The change in accumulated compensated absences during the year ended September 30, 2019 is as follows:

Beginning balance	\$ 261,777
Additions	875,924
Deletions	<u>(526,766)</u>
Ending balance	<u>\$ 610,934</u>

NOTE 5 - RETIREMENT PLAN

Substantially all full-time employees of the Tax Collector are participants in the Florida Retirement System (the “System”), a multiple-employer, cost-sharing, public retirement system, which is controlled by the State Legislature and administered by the State of Florida Department of Administration, Division of Retirement. The System offers a choice between a defined-benefit plan (“Pension Plan”) and a defined-contribution plan (“Investment Plan”).

The Pension Plan provides for vesting of benefits after six to eight years of creditable service. Normal retirement benefits are available to employees who retire at or after age 62 to 65 with six or more years of service. Early retirement is available after six to eight years of service, with a 5% reduction of benefits for each year prior to the normal retirement age. Retirement benefits are based upon age, average compensation, and years of service credit, where average compensation is computed as the average of an individual’s five to eight highest years of earnings. A post-employment health insurance subsidy is also provided to eligible, retired employees through the System in accordance with Florida Statutes.

Pension Plan members may also participate in the Deferred Retirement Option Plan (“DROP”), after reaching eligibility for normal retirement, or through the available deferral period for eligible members. This plan allows employees to defer receipt of retirement benefits, while continuing employment for a period of up to 60 months. Accumulated System benefits earn either 1.3% or 6.5% interest compounded monthly, depending on the employee’s participation date. The employer continues to contribute to the System on behalf of the employee.

The Investment Plan provides for vesting after one year of creditable service. Under this plan, the employer makes contributions to a participant’s account and the participant directs where the contributions are invested among the plan’s investment funds. Upon termination, vested participants receive amounts accumulated in their investment accounts.

Participating employer contributions are based on statewide rates established by the State of Florida. These rates are applied to employee salaries, as follows: regular employees, 8.26% and 8.47%; senior management, 24.06% and 25.41%; elected officials, 48.70% and 48.82%; and DROP, 14.03% and 14.60%; from October 1, 2018 to June 30, 2019, and July 1, 2019 to September 30, 2019, respectively.

NOTE 5 - RETIREMENT PLAN (Continued)

The Tax Collector's contributions to the System during the years ended September 30, 2019, 2018, and 2017, were \$489,897, \$412,128, and \$352,983, respectively, and are equal to the actuarially determined contribution requirements for each year. Employee contributions were \$122,033, \$110,768, and \$96,712 for the years ended September 30, 2019, 2018 and 2017, respectively.

For financial reporting purposes, the Tax Collector is deemed to be part of the primary government of the County. A liability related to the Tax Collector's proportionate share of the FRS retirement benefits, along with a detailed plan description, will be reported in the financial statements of the County for the fiscal year ended September 30, 2019.

The Tax Collector has no responsibility to the System other than to make the periodic contributions required by State Statutes. The Florida Division of Retirement issues a publicly available financial report that includes financial statements and required supplementary information for the System. The report may be obtained by writing to the Florida Division of Retirement, 2639 Monroe Street, Building C, Tallahassee, Florida 32399-1560.

NOTE 6 - RISK MANAGEMENT

The Tax Collector is exposed to various risks related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees, and natural disasters. All insurance coverage is held by commercial carriers, and no settlements in excess of claims have been incurred in the past three fiscal years.

NOTE 7 - OTHER POST-EMPLOYMENT BENEFITS

All eligible employees of the Tax Collector participate in the County plan. For a detailed plan description and any OPEB liability for the employees of the Tax Collector, see the financial statements of the County for the fiscal year ended September 30, 2019.

OTHER REPORTS

**INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Honorable David Jordan,
Tax Collector of Lake County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Lake County, Florida Tax Collector (the “Tax Collector”) as of and for the fiscal year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the Tax Collector’s basic financial statements and have issued our report thereon dated February 10, 2020.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Tax Collector’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Tax Collector’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Tax Collector’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Honorable David Jordan,
Tax Collector of Lake County, Florida

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Tax Collector's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Pursuant to provisions of Chapter 10.550, *Rules of the Auditor General*, we reported certain matters to management of the Tax Collector in a separate management letter and Independent Accountant's Report dated February 10, 2020.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S MANAGEMENT LETTER

To the Honorable David Jordan,
Tax Collector of Lake County, Florida

Report on the Financial Statements

We have audited the financial statements of the Lake County, Florida Tax Collector (the "Tax Collector") as of and for the fiscal year ended September 30, 2019, and have issued our report thereon dated February 10, 2020.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and Chapter 10.550, *Rules of the Auditor General*.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards* and Independent Accountant's Report on an examination conducted in accordance with AICPA Professional Standards, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports, which are dated February 10, 2020, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. In connection with the preceding audit, there were no findings or recommendations.

Official Title and Legal Authority

Section 10.554(1)(i)4., *Rules of the Auditor General*, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The legal authority is disclosed in the notes to the financial statements.

To the Honorable David Jordan,
Tax Collector of Lake County, Florida

Financial Management

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., *Rules of the Auditor General*, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, federal and other granting agencies, the Tax Collector, and applicable management, and is not intended to be, and should not be, used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANT'S REPORT

To the Honorable David Jordan,
Tax Collector of Lake County, Florida

We have examined the Lake County, Florida Tax Collector's (the "Tax Collector") compliance with the requirements of Section 218.415, Florida Statutes, during the fiscal year ended September 30, 2019. Management is responsible for the Tax Collector's compliance with those requirements. Our responsibility is to express an opinion on the Tax Collector's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Tax Collector complied with those requirements. An examination involves performing procedures to obtain evidence about the Tax Collector's compliance with those requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion. Our examination does not provide a legal determination on the Tax Collector's compliance with specified requirements.

In our opinion, the Tax Collector complied, in all material respects, with the aforementioned requirements for the fiscal year ended September 30, 2019.

INDEPENDENT AUDITOR'S REPORT

To the Honorable Carey Baker,
Property Appraiser of Lake County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the Property Appraiser of Lake County, Florida (the "Property Appraiser") as of and for the fiscal year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the Property Appraiser's basic financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Property Appraiser's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Property Appraiser's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Honorable Carey Baker,
Property Appraiser of Lake County, Florida

Opinion

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the respective financial position of the Property Appraiser as of September 30, 2019, and the respective change in financial position, and the budgetary comparison for the general fund for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America.

Emphasis-of-Matter

As described in Note 1 to the financial statements, the accompanying financial statements were prepared for the purpose of complying with Section 218.39, Florida Statutes, and Section 10.557(3), *Rules of the Auditor General for Local Governmental Entity Audits*. These financial statements are not intended to be a complete presentation of the financial position of Lake County, Florida as of September 30, 2019, and the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 4, 2019, on our consideration of the Property Appraiser's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Property Appraiser's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

Fiscal Year Ended September 30, 2019

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of the significant accounting policies used in the preparation of these financial statements.

Reporting Entity

The Lake County, Florida Property Appraiser (the “Property Appraiser”) is a separate constitutional official established by Article VIII, Section 1(d), Florida Constitution, and for financial reporting purposes by Chapter 218, Florida Statutes. In addition, for financial reporting purposes, the Property Appraiser is deemed to be a part of the primary government of Lake County, Florida (the “County”) and, therefore, is included as such in the Lake County, Florida Comprehensive Annual Financial Report (“CAFR”).

Basis of Presentation

These financial statements are fund financial statements that have been prepared in conformity with the reporting guidelines established by GASB and are presented to comply with the requirements of Section 218.39, Florida Statutes, and Section 10.557(3) of the *Rules of the Auditor General for Local Governmental Entity Audits*. The basic financial statements for the County as a whole, which include the funds of the Property Appraiser, were prepared in conformity with accounting principles generally accepted in the United States of America (“GAAP”). The Property Appraiser utilizes the following fund:

- *The General Fund*, a governmental fund, is used to account for all revenues and expenditures applicable to the general operations of the Property Appraiser.

Basis of Accounting

Basis of accounting refers to the timing of when revenues and expenditures are recognized in the accounts and reported in the special purpose financial statements, regardless of the measurement focus applied.

The modified accrual basis of accounting is followed by the General Fund. Under the modified accrual basis of accounting, revenues are recognized when they become both measurable and available to finance expenditures of the current period. Expenditures are recorded when the liability is incurred, except for accumulated sick and vacation pay, which are not recorded until paid. Charges for services and investment revenue are recorded as earned.

The Property Appraiser considers receivables collected within 60 days after year-end to be available and recognizes them as revenues of the current year.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Budgetary Requirement

Expenditures are controlled by appropriations, in accordance with the budget requirements set forth in the Florida Statutes. The budgeted revenues and expenditures reported in the financial statements reflect all approved amendments.

Section 195.087, Florida Statutes, governs the preparation, adoption, and administration of the Property Appraiser's annual budget. This budget is submitted to the Ad Valorem Tax Division of the Florida State Department of Revenue for approval. A copy of the budget is concurrently furnished to the Board of County Commissioners. The budget is adopted on a basis consistent with accounting principles generally accepted in the United States of America. Appropriations lapse at year-end.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

Surplus Funds

The Property Appraiser follows the policy of investing surplus funds, as authorized by Sections 219.075 and 218.415, Florida Statutes.

Capital Assets

The tangible personal property used by the Property Appraiser is reported as capital assets in the statement of net position as part of the basic financial statements of the County. Upon acquisition, such assets are recorded as expenditures in the General Fund of the Property Appraiser and are capitalized at cost in the capital asset accounts of the County. The Property Appraiser maintains custodial responsibility for the capital assets used by its office.

Compensated Absences

The Property Appraiser's policy is to grant all permanent, full-time employees annual and sick leave based on length of employment. Annual leave can be accumulated; however, it is limited to 60 days. Upon termination of employment, the employee can receive a cash benefit, based upon the employee's current wage rate and the annual leave not taken. Sick leave is accumulated at the rate of one day for each full calendar month of continuous employment. There is no limit on the amount of sick leave that can be accumulated. No sick leave benefits are granted upon termination of employment.

The Property Appraiser records accumulated leave and the related fringe benefits at each year-end based on each employee's accumulated, unused hours and rate of pay. Accumulated compensated absences are recorded and reported by the County in its basic financial statements.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Refund of “Excess Fees”

Florida Statutes provide that the excess of the Property Appraiser’s fees revenue over expenditures is to be distributed to each governmental agency in the same proportion as the fees paid by the governmental agency bear to total fee income of the Property Appraiser.

The County funds a major portion of the operating budget of the Property Appraiser. The payments by the County to fund the operations of the Property Appraiser are recorded as transfers out on the basic financial statements of the County and as transfers in from the Board on the financial statements of the Property Appraiser. Repayments to the County are recorded as transfers out on the financial statements of the Property Appraiser and as transfers in on the basic financial statements of the County.

NOTE 2 - CASH AND CASH EQUIVALENTS

The Property Appraiser’s cash and cash equivalents consisted of interest and noninterest-bearing demand accounts. All bank balances as of September 30, 2019 are covered by federal depository insurance or by a multiple financial institution collateral pool, pursuant to the Public Depository Security Act of the State of Florida.

NOTE 3 - ACCUMULATED COMPENSATED ABSENCES

The amount of vested accumulated compensated absences payable, based upon the Property Appraiser’s annual leave and sick leave policy, is reported as a liability in the statement of net position in the County’s basic financial statements. The change in accumulated compensated absences during the year ended September 30, 2019 is as follows:

Beginning balance	\$ 139,144
Additions	101,592
Deletions	<u>(90,872)</u>
Ending balance	<u>\$ 149,864</u>

NOTE 4 - RETIREMENT PLAN

Substantially all full-time employees of the Property Appraiser are participants in the Florida Retirement System (the “System”), a multiple-employer, cost-sharing, public retirement system, which is controlled by the State Legislature and administered by the State of Florida Department of Administration, Division of Retirement. The System offers a choice between a defined-benefit plan (“Pension Plan”) and a defined-contribution plan (“Investment Plan”).

NOTE 4 - RETIREMENT PLAN (Continued)

The Pension Plan provides for vesting of benefits after six to eight years of creditable service. Normal retirement benefits are available to employees who retire at or after age 62 to 65 with six or more years of service. Early retirement is available after six to eight years of service, with a 5% reduction of benefits for each year prior to the normal retirement age. Retirement benefits are based upon age, average compensation, and years of service credit, where average compensation is computed as the average of an individual's five to eight highest years of earnings. A post-employment health insurance subsidy is also provided to eligible, retired employees through the System in accordance with Florida Statutes.

Pension Plan members may also participate in the Deferred Retirement Option Plan ("DROP"), after reaching eligibility for normal retirement, or through the available deferral period for eligible members. This plan allows employees to defer receipt of retirement benefits, while continuing employment for a period up to sixty months. Accumulated System benefits earn either 1.3% or 6.5% interest compounded monthly, depending on the employee's participation date. The employer continues to contribute to the System on behalf of the employee.

The Investment Plan provides for vesting after one year of creditable service. Under this plan, the employer makes contributions to a participant's account, and the participant directs where the contributions are invested among the plan's investment funds. Upon termination, vested participants receive amounts accumulated in their investment accounts.

Participating employer contributions are based on statewide rates established by the state of Florida. These rates are applied to employee salaries, as follows: regular employees, 8.26% and 8.47%; senior management, 24.06% and 25.41%; elected officials, 48.70% and 48.82%; and DROP, 14.03% and 14.60%, from October 1, 2018 to June 30, 2019, and July 1, 2019 to September 30, 2019, respectively. The Property Appraiser's contributions to the System for the years ended September 30, 2019, 2018, and 2017 were \$305,477, \$285,297, and \$255,937, respectively, and are equal to the actuarially determined contribution requirements for each year. Employee contributions were \$54,403, \$54,115, and \$52,220, for the years ended September 30, 2019, 2018, and 2017, respectively.

For financial reporting purposes, the Property Appraiser is deemed to be part of the primary government of the County. A liability related to the Property Appraiser's proportionate share of the FRS retirement benefits, along with a detailed plan description, will be reported in the financial statements of Lake County, Florida for the fiscal year ended September 30, 2019.

The Property Appraiser has no responsibility to the System other than to make the periodic contributions required by State Statutes. The Florida Division of Retirement issues a publicly available financial report that includes financial statements and required supplementary information for the System. The report may be obtained by writing to the Florida Division of Retirement, 2639 Monroe Street, Building C, Tallahassee, Florida 32399-1560.

NOTE 5 - OTHER POST-EMPLOYMENT BENEFITS

All eligible employees of the Property Appraiser participate in the Lake County, Florida plan. For a detailed plan description and any liability for the employees of the Property Appraiser, see the financial statements of Lake County, Florida for the fiscal year ended September 30, 2019.

NOTE 6 - RISK MANAGEMENT

The Property Appraiser is exposed to various risks related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. All insurance coverage is held by commercial carriers, and no settlements in excess of claims have been incurred in the past three fiscal years.

NOTE 7 - CONTINGENCIES

Various lawsuits and claims arising in the ordinary course of operations are pending against the Property Appraiser. These primarily relate to property assessments within the County. The ultimate effect of such litigation cannot be ascertained at this time. In the opinion of management for the Property Appraiser, the liabilities that may arise from such action would not result in losses that would materially affect the financial position of the Property Appraiser or its changes in financial position.

OTHER REPORTS

**INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Honorable Carey Baker,
Property Appraiser of Lake County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Property Appraiser of Lake County, Florida (the “Property Appraiser”) as of and for the fiscal year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the Property Appraiser’s basic financial statements and have issued our report thereon dated December 4, 2019.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Property Appraiser’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Property Appraiser’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Property Appraiser’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Honorable Carey Baker,
Property Appraiser of Lake County, Florida

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Property Appraiser's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Pursuant to provisions of Chapter 10.550, *Rules of the Auditor General*, we reported certain matters to management of the Property Appraiser in a separate management letter and Independent Accountant's Report dated December 4, 2019.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S MANAGEMENT LETTER

To the Honorable Carey Baker,
Property Appraiser of Lake County, Florida

Report on the Financial Statements

We have audited the financial statements of the Property Appraiser of Lake County, Florida (the "Property Appraiser") as of and for the fiscal year ended September 30, 2019, and have issued our report thereon dated December 4, 2019.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and Chapter 10.550, *Rules of the Auditor General*.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards* and Independent Accountant's Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports, which are dated December 4, 2019, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. In connection with the preceding audit, there were no findings or recommendations.

Official Title and Legal Authority

Section 10.554(1)(i)4., *Rules of the Auditor General*, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The legal authority is disclosed in the notes to the financial statements.

To the Honorable Carey Baker,
Property Appraiser of Lake County, Florida

Financial Management

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we address in the management letter any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., *Rules of the Auditor General*, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, federal and other granting agencies, the Property Appraiser, and applicable management, and is not intended to be, and should not be, used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANT'S REPORT

To the Honorable Carey Baker,
Property Appraiser of Lake County, Florida

We have examined the Property Appraiser of Lake County, Florida's (the "Property Appraiser") compliance with the requirements of Section 218.415, Florida Statutes, during the fiscal year ended September 30, 2019. Management is responsible for the Property Appraiser's compliance with those requirements. Our responsibility is to express an opinion on the Property Appraiser's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the Property Appraiser's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Property Appraiser's compliance with specified requirements.

In our opinion, the Property Appraiser complied, in all material respects, with the aforementioned requirements for the fiscal year ended September 30, 2019.

INDEPENDENT AUDITOR'S REPORT

To the Honorable Alan Hays,
Supervisor of Elections of Lake County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the Supervisor of Elections of Lake County, Florida (the "Supervisor") as of and for the fiscal year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the Supervisor's basic financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Supervisor's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Supervisor's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Honorable Alan Hays,
Supervisor of Elections of Lake County, Florida

Opinion

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the respective financial position of the Supervisor as of September 30, 2019, and the respective change in financial position, and the budgetary comparison for the general fund for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America.

Emphasis-of-Matter

As described in Note 1 to the financial statements, the accompanying financial statements were prepared for the purpose of complying with Section 218.39, Florida Statutes, and Section 10.557(3), *Rules of the Auditor General for Local Governmental Entity Audits*. These financial statements are not intended to be a complete presentation of the financial position of Lake County, Florida as of September 30, 2019, and the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 12, 2019, on our consideration of the Supervisor's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Supervisor's internal control over financial reporting and compliance.

SUPERVISOR OF ELECTIONS**

NOTES TO FINANCIAL STATEMENTS

Fiscal Year Ended September 30, 2019

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of the significant accounting policies used in the preparation of these financial statements.

Reporting Entity

The Lake County, Florida Supervisor of Elections (the “Supervisor”) is a separate constitutional official established by Article VIII, Section 1(d), Florida Constitution, and for financial reporting purposes by Chapter 218, Florida Statutes. In addition, for financial reporting purposes, the Supervisor is deemed to be a part of the primary government of Lake County, Florida (the “County”) and, therefore, is included as such in the Lake County, Florida Comprehensive Annual Financial Report (“CAFR”).

Basis of Presentation

These financial statements are fund financial statements that have been prepared in conformity with the reporting guidelines established by GASB and are presented to comply with the requirements of Section 218.39, Florida Statutes, and Section 10.557(3) of the *Rules of the Auditor General for Local Governmental Entity Audits*. The basic financial statements for the County as a whole, which include the funds of the Supervisor, were prepared in conformity with accounting principles generally accepted in the United States of America (“GAAP”). The Supervisor utilizes the following fund:

- *The General Fund*, a governmental fund, is used to account for all revenues and expenditures applicable to the general operations of the Supervisor.

Basis of Accounting

The General Fund is reported using the current financial resources measurement focus and the modified accrual basis of accounting. Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting refers to the timing of the measurements made, regardless of the measurement focus applied.

Under the modified accrual basis of accounting, revenues are recognized when they become both measurable and available to finance expenditures of the current period. Expenditures are recorded when the liability is incurred, except for accumulated sick and vacation pay, which are not recorded until paid.

The Supervisor considers receivables collected within 60 days after year-end to be available and recognizes them as revenues of the current year.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Budgetary Requirement

Expenditures are controlled by appropriations, in accordance with the budget requirements set forth in the Florida Statutes. The budgeted revenues and expenditures reported in the financial statements reflect all approved amendments.

Chapter 129, Florida Statutes, governs the preparation, adoption and administration of the annual budget. On or before June 1, the Supervisor must submit to the Board of County Commissioners (the "Board") a tentative budget for the ensuing year for inclusion in the County's annual budget. After adoption, any amendments to the amount of the Board transfer must be approved by the Board. The budget is prepared on the modified accrual basis of accounting. Expenditures may not exceed appropriations at the major object code level within a department. A legally adopted budget is prepared for the General Fund. Appropriations lapse at year-end.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

Inventory

Inventory is comprised of postage on hand at September 30. Inventory is stated at cost, using the first-in, first-out ("FIFO") method. Using the consumption method of accounting for inventory, the cost of an item is recorded as an expenditure at the time the item is used.

Capital Assets

The tangible personal property used by the Supervisor is reported as capital assets in the statement of net position as part of the basic financial statements of the County. Upon acquisition, such assets are recorded as expenditures in the General Fund of the Supervisor and are capitalized at cost in the capital asset accounts of the County. The Supervisor maintains custodial responsibility for the capital assets used by its office.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Compensated Absences

Employees accrue vacation leave based on their employment date or length of employment. They may earn from 10 to 20 days of vacation per year and accumulate up to 240 hours. Upon termination, retirement or death, employees can elect to have accrued vacation leave paid into the employee's deferred compensation 457(b) plan account (see Note 6) or to the employee as a lump-sum cash distribution.

The Supervisor calculates accumulated vacation leave at year-end based on each employee's accumulated unused hours and rate of pay, plus salary-related fringe benefits.

Employees earn one day of sick leave for each month of employment. Sick leave can be carried forward from year to year. The maximum number of sick leave hours that may be accrued is unlimited. Upon termination, retirement or death, 25% of accrued sick pay, for employees with less than six years of service, and 50% for employees with six years or more of service, up to a maximum of 480 hours or 960 hours, respectively, is available for payout. Employees can elect to have their applicable accrued sick leave paid into the employee's deferred compensation 457(b) plan account (see Note 6), or to the employee as a lump-sum cash distribution. The Supervisor calculates accumulated sick leave at year-end based on each employee's accumulated unused hours and rate of pay, plus salary-related fringe benefits, based on length of employment.

Accumulated compensated absences for vacation and sick leave are recorded and reported by the County in its basic financial statements.

Transfers

The County substantially funds the operating budget of the Supervisor. The payments by the County to fund the operations of the Supervisor are recorded as transfers out by the County and as transfers in by the Supervisor. Any excess of revenues over expenditures of the Supervisor is recorded as an operating transfer out by the Supervisor and as an operating transfer in by the County.

NOTE 2 - CASH AND CASH EQUIVALENTS

The Supervisor's cash and cash equivalents consisted of noninterest-bearing demand accounts. All bank balances as of September 30, 2019 are covered by federal depository insurance or by a multiple financial institution collateral pool, pursuant to the Public Depository Security Act of the State of Florida.

NOTE 3 - ACCUMULATED COMPENSATED ABSENCES

The amount of vested accumulated compensated absences payable, based upon the Supervisor's annual leave and sick leave policy, is reported as a liability in the statement of net position in the County's basic financial statements. The change in accumulated compensated absences during the year ended September 30, 2019 is as follows:

Beginning balance	\$ 104,908
Additions	75,668
Deletions	<u>(44,623)</u>
Ending balance	<u>\$ 135,953</u>

NOTE 4 - RETIREMENT PLAN

Substantially all full-time employees of the Supervisor are participants in the Florida Retirement System (the "System"), a multiple-employer, cost-sharing public retirement system, which is controlled by the State Legislature and administered by the State of Florida Department of Administration, Division of Retirement. The System offers a choice between a defined-benefit plan ("Pension Plan") and a defined-contribution plan ("Investment Plan"). Employees also participate in the Retiree Health Insurance Subsidy Program ("HIS Plan"), which is a defined-benefit plan.

The Pension Plan provides for vesting of benefits after six to eight years of creditable service. Normal retirement benefits are available to employees who retire at or after age 62 to 65, with six to eight or more years' service. Early retirement is available after six to eight years of service, with a 5% reduction of benefits for each year prior to the normal retirement age. Retirement benefits are based on age, average compensation and years of service credit, where average compensation is computed as the average of an individual's five to eight highest years of earnings. Pension Plan members may also participate in the Deferred Retirement Option Plan ("DROP"), after reaching eligibility for normal retirement, or through the available deferral period for eligible members. This plan allows employees to defer receipt of retirement benefits, while continuing employment for a period up to sixty months. Accumulated system benefits earn either 1.3% or 6.5% interest compounded monthly, depending on the employee's participation date. The employer continues to contribute to the System on behalf of the employee.

The Investment Plan provides for vesting after one year of creditable service. Under this plan, the employer makes contributions to a participant's account and the participant directs where the contributions are invested among the plan's investment funds. Upon termination, vested participants receive amounts accumulated in their investment accounts.

The HIS Plan is established in accordance with Section 112.363, Florida Statutes. The benefit is a monthly payment to assist retirees in paying their health insurance costs. Current benefits are based on \$5 per year of service, ranging from \$30 - \$150 per month. To be eligible, retirees must provide proof of health insurance coverage, which may include Medicare.

NOTE 4 - RETIREMENT PLAN (Continued)

Participating employer contributions are based on statewide rates established by the state of Florida. These rates are applied to employee salaries, as follows: regular employees, 8.26% and 8.47%; elected officials, 48.70% and 48.82%; and DROP, 13.26% and 14.60%, for the period from October 1, 2018 to June 30, 2019 and July 1, 2019 to September 30, 2019, respectively. These employer contribution rates include HIS contribution rates of 1.66%. The Supervisor's contributions for fiscal 2019, 2018 and 2017, were \$134,602, \$113,264, and \$104,593, respectively, and are equal to the actuarially determined contribution requirements for each year. Contribution rates of 3% were applied to all employee salaries except DROP participants. Employee contributions were \$25,602 in fiscal year 2019, \$19,950 in fiscal year 2018, and \$18,162 in fiscal year 2017.

For financial reporting purposes, the Supervisor is deemed to be part of the primary government of Lake County, Florida (the "County"). A liability, if any, related to the Supervisor's proportionate share of the System retirement benefits, along with a detailed plan description, will be reported in the financial statements of Lake County, Florida for the year ended September 30, 2019.

The Supervisor has no responsibility to the System other than to make the periodic contributions required by state statutes. The Florida Division of Retirement issues a publicly available financial report that includes financial statements and required supplementary information for the System. The report may be obtained by writing to Florida Division of Retirement, 2639 Monroe Street, Building C, Tallahassee, Florida 32399-1560.

NOTE 5 - OTHER POST-EMPLOYMENT BENEFITS

The Board healthcare plan is available to eligible employees of the Supervisor. The Board is required by Florida Statutes to offer retirees and their eligible dependents the same health and medical coverage that is offered to active employees, at the same cost.

To determine healthcare plan costs, the Board is required to comingle the claims experience of active employees and retirees, thus creating an implicit rate subsidy for retirees. A detailed plan description and any liability for the Supervisor's employees related to the County's postemployment benefits other than pensions will be recorded in the financial statements of Lake County, Florida for the year ended September 30, 2019.

The Supervisor also participates in a defined-contribution, post-employment health plan. There are no employer contributions to this plan. Employees hired before July 5, 2009 may participate in this plan. Contributions are invested according to instructions given by the employee and earnings accumulate tax exempt under Section 501(c)(9) of the Internal Revenue Code. Upon separation from service, the account can be used to reimburse any qualified health insurance premiums paid by the employee.

NOTE 5 - OTHER POST-EMPLOYMENT BENEFITS *(Continued)*

The employees of the Supervisor can also elect to participate in a deferred compensation 457(b) plan. There are no employer contributions to this plan. If elected by the employee, their sick leave or vacation payout is contributed by the Supervisor to this plan (see Note 1).

NOTE 6 - RISK MANAGEMENT

The Supervisor is exposed to various risks related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees, and natural disasters. The Supervisor is covered for general liability, automobile, workers' compensation and property liabilities under the Board's self-insured fund. Other coverage is held by commercial carriers, and no settlements in excess of claims have been incurred in the past three fiscal years.

OTHER REPORTS

**INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Honorable Alan Hays,
Supervisor of Elections of Lake County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Supervisor of Elections of Lake County, Florida (the “Supervisor”) as of and for the fiscal year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the Supervisor’s basic financial statements and have issued our report thereon dated December 12, 2019.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Supervisor’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Supervisor’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Supervisor’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Honorable Alan Hays,
Supervisor of Elections of Lake County, Florida

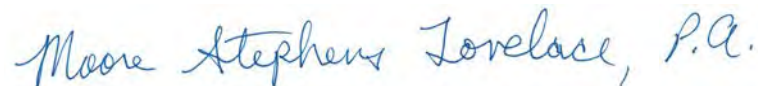

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Supervisor's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Pursuant to provisions of Chapter 10.550, *Rules of the Auditor General*, we reported certain matters to management of the Supervisor in a separate management letter and Independent Accountant's Report dated December 12, 2019.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Orlando, Florida
December 12, 2019

INDEPENDENT AUDITOR'S MANAGEMENT LETTER

To the Honorable Alan Hays,
Supervisor of Elections of Lake County, Florida

Report on the Financial Statements

We have audited the financial statements of the Supervisor of Elections of Lake County, Florida (the "Supervisor") as of and for the fiscal year ended September 30, 2019, and have issued our report thereon dated December 12, 2019.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and Chapter 10.550, *Rules of the Auditor General*.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards* and Independent Accountant's Report on an examination conducted in accordance with AICPA Professional Standards, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports, which are dated December 12, 2019, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. In connection with the preceding audit, there were no findings or recommendations.

Official Title and Legal Authority

Section 10.554(1)(i)4., *Rules of the Auditor General*, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The legal authority is disclosed in the notes to the financial statements.

To the Honorable Alan Hays,
Supervisor of Elections of Lake County, Florida

Financial Management

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we address in the management letter any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., *Rules of the Auditor General*, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, federal and other granting agencies, the Supervisor, and applicable management, and is not intended to be, and should not be, used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANT'S REPORT

To the Honorable Alan Hays,
Supervisor of Elections of Lake County, Florida

We have examined the Supervisor of Elections of Lake County, Florida's (the "Supervisor") compliance with the requirements of Section 218.415, Florida Statutes, during the fiscal year ended September 30, 2019. Management is responsible for the Supervisor's compliance with those requirements. Our responsibility is to express an opinion on the Supervisor's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the Supervisor's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Supervisor's compliance with specified requirements.

In our opinion, the Supervisor complied, in all material respects, with the afore-mentioned requirements for the fiscal year ended September 30, 2019.
