March 12, 2020

To the Honorable Board of County Commissioners and the Citizens of Santa Rosa County:

State law requires that every general purpose local government publish, within forty-five days after the completion of the audit report but no later than nine months after the close of each fiscal year, a complete set of audited financial statements. This report is published to fulfill that requirement for the fiscal year ended September 30, 2019.

Management assumes full responsibility for the completeness and reliability of the information contained in this report, based upon a comprehensive framework of internal control that it has established for this purpose. Because the cost of internal control should not exceed anticipated benefits, the objective is to provide reasonable, rather than absolute, assurance that the financial statements are free of any material misstatements.

Warren Averett, LLC, Certified Public Accountants, have issued an unmodified (“clean”) opinion on Santa Rosa County’s financial statements for the year ended September 30, 2019. The independent auditor’s report is located at the front of the financial section of this report.

Management’s discussion and analysis (MD&A) immediately follows the independent auditor’s report and provides a narrative introduction, overview, and analysis of the basic financial statements. MD&A complements this letter of transmittal and should be read in conjunction with it.

Profile of the Government

Santa Rosa County, established in 1842 by an act of the Florida Legislature, is located on the Northwest Florida Gulf Coast. The County currently occupies 1,012 square miles and serves an estimated population of 178,928. Santa Rosa County is empowered to levy a property tax on both real and personal property located within its boundaries.

Santa Rosa County is a Non-Charter County established under the Constitution and the Laws of the State of Florida. Santa Rosa County includes the Board of County Commissioners, the Clerk of the Courts, the Property Appraiser, the Sheriff, the Supervisor of Elections and the Tax Collector.

The Board of County Commissioners serves as the legislative and policy setting body of Santa Rosa County as established under Section 125 of the Florida Statutes. As such, the Board enacts all legislation and authorizes programs and expenditures within the County. The Board appoints a professionally trained County Administrator who is responsible for policy and budget development and implementation.

The Board is comprised of five members elected countywide. Each member must reside within the particular district for which seat he/she seeks election. Each year the Board organizes itself selecting a Chair and Vice-Chair from among its members to preside at Commission meetings.

The Clerk of Circuit Court performs a wide range of record keeping, information management and financial management in the judicial system and county government.

The Property Appraiser is primarily responsible for identifying, locating and valuing all property within the county for ad valorem tax purposes. He is also responsible for administering exemptions, mapping all parcels and classifying agricultural lands.

The Sheriff provides for the public safety of the citizens of Santa Rosa County through the enforcement of state criminal laws and county ordinances. Preventing and reducing crime and violence through departmental and community based programs.

The Supervisor of Elections administers the election of the elected officials within the county. She maintains the voter registration list, establishes polling places, and educates voters.

The Tax Collector collects and distributes taxes established by city, county, state and other local governments.

Santa Rosa County provides a full range of services including police and fire protection; the construction and maintenance of streets and other infrastructure; water and sewer service on Navarre Beach; solid waste disposal and recycling; the Peter Prince Airport; Industrial Park facilities and recreational and cultural activities.

Local Economy

Santa Rosa County has long been considered a “bedroom community” of the larger Pensacola metropolitan statistical area. Knowing that residential growth does not sustain a healthy tax base, the County has aggressively been promoting the area as a good place to bring new and expanding businesses. The County has an Industrial Park to provide attractive inducements to businesses willing to invest capital and hire employees at above average wages. A second industrial park, Whiting Aviation Park, near Whiting Field provides access to a 6,000 foot runway.

Santa Rosa County has experienced an estimated 18% growth in population over the past 9 years and the prospect for further growth is very good. The infrastructure to support that growth lags behind. To reduce that lag in infrastructure growth, the citizens of the County passed a local option sales tax in 2016. The County has repaved numerous roads and upgraded drainage systems throughout the County.

Tourism, a significant industry for the County, has surged over the last couple of years. Tourism had suffered considerable damage from the destruction caused by hurricanes and the BP Oil Spill. The leisure and hospitality industry accounts for approximately 15.9% of the County’s workforce.

Long-Term Financial Planning and Relevant Financial Policies

Unrestricted fund balance (the total of the committed, assigned, and unassigned components of fund balance) in the general fund at year end was 48% of total general fund revenues. This amount is favorable and would cover approximately 6 months' worth of expenditures and transfers out.

Major Initiatives

For the year, staff, following specific directives from the Board of County Commissioners and the County Administrator, was involved in a variety of projects throughout the year. These projects reflect the County's commitment to ensuring that its citizens are able to live and work in a desirable environment.

In the current year, approximately 52 miles of roads were paved or resurfaced and performed numerous maintenance on drainage systems.

Economic development secured \$8 million in funding from Triumph Gulf Coast, Inc. for Project Runner which will add 400 jobs above the county average wage and facilitated expansion plans for Project Lionheart which will add 90 high wage jobs.

Awards and Acknowledgements

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to Santa Rosa County, Florida for its comprehensive annual financial report for the fiscal year ended September 30, 2018. In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized comprehensive annual financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current comprehensive annual financial report continues to meet the Certificate of Achievement Program's requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

A comprehensive annual financial report of this nature could not have been prepared on a timely basis without the dedicated efforts of the Finance Department who worked many hours on this project. I would like to thank them for their invaluable assistance in the preparation of this report.

I would also like to thank the Board of County Commissioners and their staff, and the other Constitutional Officers for their personal interest and dedicated support in planning and conducting the financial operations of the County in a responsible and progressive manner.

INDEPENDENT AUDITORS' REPORT

The Honorable Board of County Commissioners
Santa Rosa County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Santa Rosa County, Florida, (the "County") as of and for the year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the County's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the County as of September 30, 2019, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, the budgetary comparison schedules for the general fund, road and bridge fund, and the local option sales tax fund, the schedules of proportionate share of the net pension liability, the schedules of the County's contributions, the schedules of changes in total liability and related ratios for other post-employment benefits, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements. The introductory section, combining individual fund statements and budgetary comparison schedules, and statistical section are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining individual fund statements and budgetary comparison schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining individual fund statements and budgetary comparison schedules are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 20, 2020 tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control over financial reporting and compliance.

Warren Averett, LLC

March 20, 2020
Pensacola, Florida

MANAGEMENT'S DISCUSSION AND ANALYSIS

As management of Santa Rosa County (County), we offer readers of the County's financial statements this narrative overview and analysis of the financial activities of the County for the fiscal year ended September 30, 2019. We encourage readers to consider the information presented here in conjunction with additional information that we have furnished in our letter of transmittal, which can be found on pages 1-4 of this report.

FINANCIAL HIGHLIGHTS

- The assets and deferred outflows of resources of the County exceeded its liabilities and deferred inflows at the close of the most recent fiscal year by \$201,955,112 (*net position*). Of this amount, (\$1,819,338) represents unrestricted net position, which may normally be used to meet the government's ongoing obligations to citizens and creditors. In the current year, unrestricted fund balance became negative due to the changes in pension liability in accordance with Governmental Accounting Standards Board (GASB) Statement No. 68 as discussed in Note K.
- The County's total net position increased by \$9,659,141; governmental activities increased by \$3,670,266 and business-type activities decreased by \$5,988,875. The increase in total net position was primarily due to increases in revenues from the Local Option Sales Tax and not expending funds which were budgeted by year end and increased property tax revenues due to increased property values in the governmental activities and in business-type activities, the increase primarily related to an increase in landfill revenues due to increased rates without a large adjustment to landfill closure and maintenance.
- At the close of the current fiscal year, the County governmental funds reported combined fund balances of \$79,616,113, a decrease of \$2,405,697 in comparison with the prior year. Approximately 43% of this amount (\$34,076,699) is available for spending at the government's discretion (*unassigned fund balance*).
- At the end of the current fiscal year, unrestricted fund balance (the total of the committed, assigned, and unassigned components of fund balance) for the governmental funds were \$61,202,213, or approximately 77% of total general fund expenditures.
- The County's total outstanding long-term notes decreased by \$1,340,527 during the current fiscal year due to normal debt service principal reductions.

OVERVIEW OF THE FINANCIAL STATEMENTS

The County's basic financial statements consist of three components; 1) *Government-wide financial statements*, 2) *Fund financial statements*, and 3) *Notes to the financial statements*. This report also includes supplementary information intended to furnish additional detail to support the basic financial statements themselves.

Government-wide financial statements

The *Government-wide financial statements* are designed to provide readers with a broad overview of the County's finances, in a manner similar to a private-sector business.

The *statement of net position* presents financial information on all of the County's assets, liabilities and deferred inflows/outflows of resources, with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the County is improving or deteriorating.

The *statement of activities* presents information showing how the County's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported for

some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions of the County that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities of the County include general government, public safety, physical environment, transportation, economic environment, human services, and culture and recreation. The business-type activities of the County include a water/sewer service, solid waste disposal, and hangar rentals.

The government-wide financial statements can be found on pages 23-25 of this report.

Fund financial statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The County, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the County can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental Funds

Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in assessing a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The County maintains fifteen individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the general fund, road and bridge fund, and the local option sales tax fund, which are considered to be major funds. Data from the other twelve governmental funds are combined into a single aggregated presentation. Individual fund data for each of these non-major governmental funds is provided in the form of combining statements in the combining and individual fund statements and schedules section of this report.

The County adopts annual appropriated budgets for its governmental funds. Budgetary comparison schedules are provided as required supplementary information for the general fund and road and bridge fund.

The basic governmental fund financial statements can be found on pages 26-29 of this report.

Proprietary Funds

The County maintains two different types of proprietary funds. Enterprise funds are used to report the same functions presented as business-type activities in the government-wide financial statements. The County uses enterprise funds to account for its water/sewer service, solid waste disposal, inspections, and hangar rentals. Internal services funds are an accounting device used to accumulate and allocate costs internally among the County's various functions. The County uses internal service funds to account for the management of its retained risks and for its fleet of vehicles. Because both of these services predominantly benefit governmental rather than business-type functions, they have been included within governmental activities in the government-wide financial statements.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for the water/sewer services, solid waste disposal, and hangar rentals, of which the water/sewer services and solid waste disposal are considered to be major funds of the County. The internal service fund is presented in the proprietary fund financial statements.

The basic proprietary fund financial statements can be found on pages 30-32 of this report.

Fiduciary Funds

Fiduciary funds are used to account for resources held for the benefit of parties outside of the government. Fiduciary funds are not reported in the government-wide financial statements because the resources of those funds are not available to support the County's own programs. The accounting used for fiduciary funds is much like that used for proprietary funds.

The County maintains an Agency fund which reports resources held by the County in a custodial capacity for individuals, private organizations and other governments.

The fiduciary fund financial statements can be found on pages 33 of this report.

Notes to the financial statements

The notes provide additional information that is necessary to acquire a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on pages 35-68 of this report.

Other information

In addition to the basic financial statements and accompanying notes, this report also presents *required supplementary information* concerning the County's progress in funding its obligation to provide pension and OPEB benefits to its employees. Required supplementary information can be found starting on page 70 of this report.

The combining statements referred to earlier in connection with nonmajor governmental funds are presented immediately following the required supplementary information. Combining and individual fund statements and schedules can be found starting on page 82 of this report.

Government-Wide Overall Financial Analysis

As noted earlier, net position over time, may serve as a useful indicator of a government's financial position. In the case of the County, assets and deferred outflows of resources exceeded liabilities plus deferred inflows by \$201.9 million as of September 30, 2019.

Santa Rosa County's Net Position

	Governmental		Business-type		Total	
	Activities		Activities			
	2019	2018	2019	2018	2018	2018
Current and other assets	\$ 97,848	\$ 97,828	\$ 27,371	\$ 26,575	\$ 125,219	\$ 124,403
Capital assets	165,022	148,839	26,283	19,257	191,305	168,096
Total assets	262,870	246,667	53,654	45,832	316,524	292,499
Deferred outflows of resources	28,652	27,385	1,172	1,248	29,824	28,633
Long-term liabilities						
outstanding	101,064	88,827	23,045	21,737	124,109	110,564
Other liabilities	10,959	8,792	1,995	1,530	12,954	10,322
Total liabilities	112,023	97,619	25,040	23,267	137,063	120,886
Deferred inflow of resources	6,954	7,558	376	391	7,330	7,949
Net position						
Net investment in						
capital assets	160,555	143,546	25,192	17,650	185,747	161,196
Restricted	18,027	16,814	-	522	18,027	17,336
Unrestricted	(6,037)	8,514	4,218	5,250	(1,819)	13,764
Total net position	<u>\$ 172,545</u>	<u>\$ 168,874</u>	<u>\$ 29,410</u>	<u>\$ 23,422</u>	<u>\$ 201,955</u>	<u>\$ 192,296</u>

The largest portion of the County's net position (92%) reflects its investment in capital assets (e.g., land, buildings, equipment, improvements, construction in progress and infrastructure), less any related outstanding debt that was used to acquire those assets. The County uses these capital assets to provide a variety of services to its citizens; consequently, these assets are not available for future spending. Although the County's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

An additional portion of the County's net position (9%) represents resources that are subject to external restrictions on how they may be used. The remaining balance of (\$1,819,343) is unrestricted and may normally be used to meet the government's ongoing obligations to its citizens and creditors. The County's unrestricted net position became negative in the current year due to the nonsensical GASB Statement No. 68 adjustment in

the amount of \$10,926,954 which requires the County to record an estimated liability and expense for potential future pension costs. The estimated liability and expense are based on the following assumptions:

- when an employee will retire;
- when an employee will die;
- future pay increases for employees;
- what inflation will be in the future;
- what investment returns will be going forward;
- the best rate to discount those estimated future payments.

See page 62 of this report which shows significant variations in the liability due to the discount rate assumptions.

At the end of the current fiscal year, the County is able to report positive balances in all reported categories of net position except governmental activities unrestricted net position due to GASB 68.

Santa Rosa County Net Position September 30, 2019 and 2018

However, the County's overall net position increased \$9,659,145 from operations. The reasons for this overall increase are discussed in the following sections for governmental activities and business-type activities.

Governmental Activities

During the current fiscal year, net position for governmental activities increased \$3,670,270 from the prior fiscal year leaving an ending net position of \$172,544,559. This increase primarily relates to the Local Option Sales Tax Fund which had an increase in revenues and didn't expend all the funds which were budgeted for by year end. This was due to the timing of the projects, some of which included the Pea Ridge connector and Spencerfield traffic relief. An increase in property tax revenue as a result of increased property values also contributed to the increase in governmental activities. Expenditure increases related primarily to GASB Statement No. 68 as discussed above, an increase in Sheriff office expenditures for additional staffing and road and stormwater projects.

The following graph displays the Governmental Activities current program revenues and expenditures by function for fiscal year 2019.

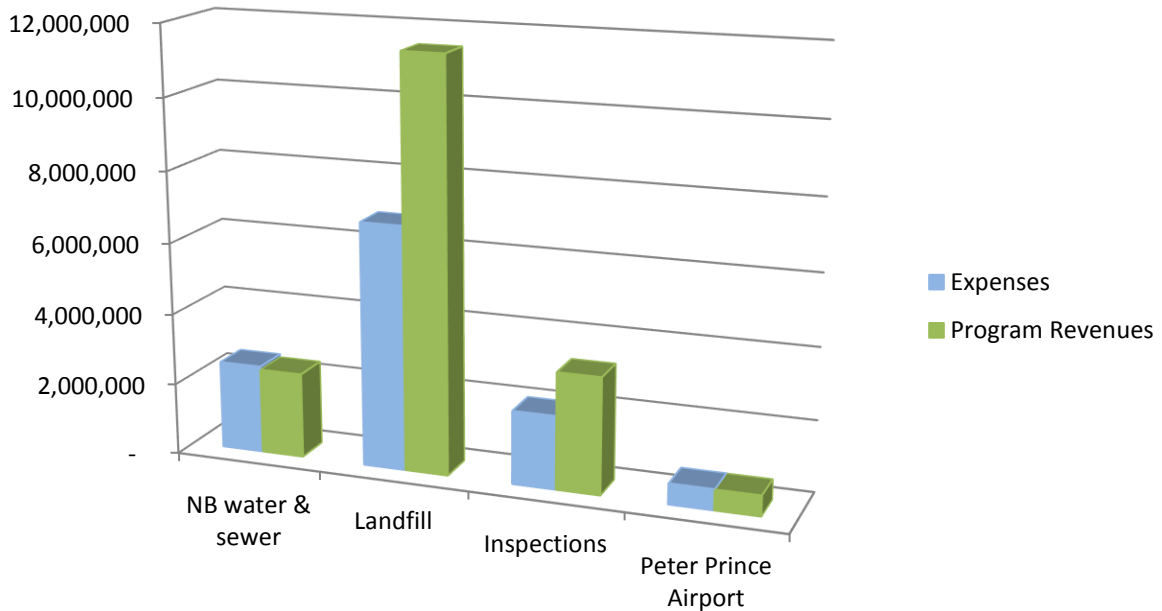

Expenses and Program Revenues - Governmental Activities

Business-type Activities

During the current fiscal year, net position for business-type activities increased \$5,988,875 from the prior fiscal year leaving an ending net position was \$29,410,553. The increase is attributable to increased landfill revenues due to increased rates without a large adjustment in the landfill closure and maintenance liability as was the case last year.

Expenses and Program Revenues - Business-Type Activities

Financial Analysis of Governmental Funds

As noted earlier, the County uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

The focus of the County's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for discretionary use as they represent the portion of fund balance which has not yet been limited to use for a particular purpose by either external party, the County itself, or a group or individual that has been delegated authority to assign resources for use for particular purposes by the County.

At September 30, 2019, the County's governmental funds reported combined fund balances of \$79,616,113, a decrease of \$2,405,697 in comparison with the prior year. Approximately 43% of this amount (\$34,076,699) constitutes unassigned fund balance, which is available for spending at the government's discretion. The remainder of the fund balance is either nonspendable, restricted, committed, or assigned to indicate that is is 1) not in spendable form (\$387,233), 2) restricted for particular purposes (\$18,026,667), 3) committed for particular purposes (\$15,683,795), or 4) assigned for particular purposes (\$11,441,719).

General Fund Components of Fund Balance September 30, 2019 and 2018

The General fund is the primary operating fund of the County. At the end of the current fiscal year, unassigned fund balance of the general fund was \$34,347,223, while total fund balance decreased to \$43,706,774. As a measure of the general fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total general fund expenditures. Unassigned fund balance represents approximately 38 % of total general fund expenditures, while total fund balance represents approximately 49% of that same amount.

**Other Governmental Funds Components of Fund Balance
September 30, 2019 and 2018**

The fund balance of the County’s general fund decreased by \$2,736,912 during the current fiscal year. This decrease primarily relates to GASB 68 adjustments and increased Sheriff office expenditures for additional staffing.

The road and bridge fund, a major fund, had a \$3,100,106 decrease in fund balance during the current fiscal year which put the overall fund balance at \$7,558,013. The fund reports an assigned fund balance of \$6,926,907, and accounts for fuel and other taxes designated for road improvements. During the year, fund balance decreased primarily due to increased expenditures for road and stormwater projects.

The local option sales tax fund, the remaining major governmental fund, had a \$915,299 increase in fund balance during the current fiscal year which put the overall fund balance at \$3,901,785. The primary reason for the increase in the fund was an increase in revenue from the prior year and not expending funds which were budgeted by year end. This was due to the timing of the projects some of which included the Pea Ridge connector and Spencerfield traffic relief

Financial Analysis of Proprietary Funds

The County’s proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail.

Unrestricted net position of the Navarre Beach fund at the end of the year was \$1,802,615 and for the Landfill fund was \$1,280,380. The total change in net position for both funds was \$(119,672) and \$4,650,989, respectively. The decrease for the Navarre Beach fund resulted primarily because of increased operating costs without an offsetting adjustment to water/sewer rates. As discussed in the business –type activities section, the increase in the landfill fund is attributable to increased revenues due to increased rates without a large adjustment in the landfill closure and maintenance liability as was the case last year.

General Fund Budgetary Highlights

Original budget compared to final budget. During the year, the General Fund’s original expenditure budget was increased by \$11,453,602. There was also a need to make amendments to reallocate appropriations among departments when it became clearer which departments would actually be charged for certain expenditures.

The largest amendments from the original budget related to general government for jail upgrades, physical environment for Navarre Beach Pier Restrooms, and transfers out for new hangars and the new judicial facility.

Final budget compared to actual results. The General Fund under spent the final budget by \$9,153,403 or 8.6%. The primary reasons actual expenditures were less than the final budget was primarily for funds budgeted for building maintenance improvements to the jail, Navarre Beach pier repairs, and Navarre Beach renourishment activities which weren't expended in the current year that were budgeted for.

Santa Rosa County's General Fund Budget to Actual

	Original Budget	Final Budget	Change in Budget	Actual	Actual Variance from Budget
General government	\$ 30,115,891	\$ 31,539,997	\$ 1,424,106	\$ 25,900,425	\$ (5,639,572)

Capital Assets and Debt Administration

Capital assets. The County's investment in capital assets for its governmental and business-type activities as of September 30, 2019, amounts to \$191,305,411 (net of accumulated depreciation). This investment in capital assets includes land, buildings, machinery, equipment, vehicles, park facilities, roads, highways, and the water treatment facility. The total increase in capital assets for the current fiscal year was approximately 13.8%.

Capital Assets at Year-end (Net of Depreciation, in Thousands)

	Governmental Activities		Business-type Activities		Totals	
	2018	2018	2018	2018	2019	2018
Land	\$ 23,059	\$ 21,393	\$ 1,306	\$ 1,306	\$ 24,365	\$ 22,699
Construction in progress	17,664	4,563	11,816	2,730	29,480	7,293
Buildings	11,960	14,412	1,535	1,663	13,495	16,075
Improvements other than building	87,929	86,986	10,471	12,454	98,400	99,440
Machinery, furniture and equip.	24,410	21,486	1,156	1,107	25,566	22,593
Totals	<u>\$ 165,022</u>	<u>\$ 148,840</u>	<u>\$ 26,284</u>	<u>\$ 19,260</u>	<u>\$ 191,306</u>	<u>\$ 168,100</u>

Major capital asset events during the current fiscal year included the following:

- Cell expansion at the landfill at a cost of \$7,361,753
- Donation of infrastructure from developers in the amount of \$7,271,102
- New equipment for the Sheriff's office at a cost of \$4,580,466.

- Settler’s Colony drainage project at a cost \$3,251,954
- Venetian Way Coronado drainage project at a cost of \$2,029,552
- Costs associated with the new judicial facility totaled \$1,335,234 in the current year.

Additional information on the County’s capital assets can be found in Note F on pages 48-49 of this report.

Long-term Debt. At the end of the current fiscal year, the County had total notes outstanding of \$5,557,629. Of this amount, \$3,457,511 is debt backed by various revenues of the County and \$2,100,118 is special assessment debt for which the County is liable in the event of default by the property owners subject to the assessment.

**Outstanding Debt at Year-end
(in Thousands)**

	Governmental		Business-type		Totals	
	Activities		Activities			
	2019	2018	2019	2018	2019	2018
Revenue bonds	\$ 2,343	\$ 3,097	\$ -	\$ -	\$ 2,343	\$ 3,097
Notes payable	24	58	1,091	1,606	1,115	1,664
Special assessment notes	2,100	2,137	-	-	2,100	2,137
Totals	\$ 4,467	\$ 5,292	\$ 1,091	\$ 1,606	\$ 5,558	\$ 6,898

The County’s total debt decreased by \$1,340,527, (19%) during the current fiscal year. The reason for the decrease was due to normal debt service principal reductions.

Additional information on the County’s long-term debt can be found in Note G on pages 50-54 of this report.

Economic Factors and Next Year’s Budgets and Rates

The following economic factors currently affect the County and were considered in developing the 2019-20 fiscal year budget.

- The taxable assessed property values increased 8.5%.
- Sales tax revenues are expected to generate approximately \$9 million.

Requests for Information

This financial report is designed to provide a general overview of the County’s finances for all those with an interest in the government’s finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Office of the Finance Director, 6495 Caroline Street, Suite B, Milton, FL 32570.

**RECONCILIATION OF THE BALANCE SHEET
OF GOVERNMENTAL FUNDS TO
THE STATEMENT OF NET POSITION**

September 30, 2019

Total Governmental Funds Balances		\$ 79,616,113
 <i>Amounts reported for governmental activities in the statement of net position are different because:</i>		
Capital assets used in governmental activities are not financial resources and therefore are not reported in the funds:		
Total capital assets, net, see Note F		165,022,367
Deferred outflows of resources are presented in governmental activities on the Statement of Net Position, but are not reported in the governmental funds:		
Deferred outflows on pension	25,415,812	
Less: Internal Service Fund Deferred outflows on pensions	(59,167)	
Deferred outflows on health insurance subsidy	3,235,997	
Less: Internal Service Fund Deferred outflows on health insurance subsidy	<u>(11,456)</u>	28,581,186
Long term liabilities are not due and payable in the current period and therefore are not reported in the funds:		
Total long-term liabilities, see Note G	(15,574,268)	
Net pension liability, see Note K	(82,838,438)	
Net OPEB liability, see Note N	(6,712,021)	
Add: interest payable due to interest accruals	(45,142)	
Less: Enterprise Funds net pension liability	3,677,653	
Less: Enterprise Funds net OPEB liability	382,951	
Less: Internal Service Fund insurance claims payable	3,328,736	
Less: Internal Service Fund compensated absences	14,236	
Less: Internal Service Fund other postemployment benefits liability	27,939	
Less: Internal Service Fund net pension liability	164,790	
Less: Internal Service Fund net health insurance subsidy liability	<u>72,649</u>	(97,500,915)
Deferred inflows of resources are presented in governmental activities on the Statement of Net Position, but are not reported in the governmental funds:		
Deferred inflows on pension	(4,329,835)	
Less: Internal Service Fund deferred inflows on pensions	18,688	
Deferred inflows on health insurance subsidy	(1,468,754)	
Less: Internal Service Fund deferred inflows on health insurance subsidy	5,232	
Deferred inflows on OPEB	(1,156,093)	
Less: Internal Service Fund deferred inflows on OPEB	<u>3,805</u>	(6,926,957)
Internal service funds are used by management to charge the costs of providing insurance coverage to individual funds and therefore, the assets and liabilities of the internal service fund are included in governmental activities in the Statement of Net Position.		
		<u>3,752,765</u>
Net Position of Governmental Activities		<u>\$ 172,544,559</u>

**RECONCILIATION OF THE STATEMENT OF REVENUES,
EXPENDITURES AND CHANGES IN FUND BALANCES OF
GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES**

For the year ended September 30, 2019

Net Change in Fund Balances - Total Governmental Funds \$ (2,365,261)

*Amounts reported for governmental activities in the
statement of activities are different because:*

Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense. In the current period these amounts are:

Current period investment in capital assets	29,168,866
Current period depreciation	(12,626,561)
Current period loss on disposal of capital assets, net of proceeds	(357,723)

In the statement of activities, interest is accrued on outstanding loans, whereas in governmental funds, an interest expenditure is reported when due.

Change in interest payable	13,225
----------------------------	--------

Repayment of debt principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position. Also debt proceeds are an other financing source in the governmental funds, but the issuance increases long-term liabilities in the statement of net position.

Current period change in compensated absences	(212,344)
Current period note payments	787,980
Current period special assessment note payments	312,099
Current period debt proceeds	(275,000)
Current period change in pension liability	(11,843,582)
Current period change in health insurance subsidy	(1,651,655)
Current period increase in other post employment benefits liability	695,175
Current period change in deferred outflow of resources on pensions	417,452
Current period change in deferred inflow of resources on pensions	1,195,605
Current period change in deferred outflow of resources on health insurance subsidy	853,241
Current period change in deferred inflow of resources on health insurance subsidy	259,250
Current period change in deferred inflow of resources on OPEB	(852,436)

Revenue from sale of property related to long-term receivable recognized in current year in the governmental fund, whereas on the accrual basis, revenue was recognized at the time of sale.

(436,375)

Internal service funds are used by management to charge the costs of providing insurance coverage and therefore, the change in net position of the internal service fund is included in governmental activities in the Statement of Activities.

628,750

Some expenses reported in the statement of activities do not require the use of current financial resources and therefore are not reported as expenditures in the funds

Change in reserve for inventory	(40,436)
---------------------------------	----------

Change in Net Position of Governmental Activities

\$ 3,670,270

NOTE A - SUMMARY OF ACCOUNTING POLICIES

A summary of the significant accounting policies applied consistently in the preparation of the financial statements follows:

1. Reporting Entity

The Governmental Accounting Standards Board (GASB) has established standards for defining the financial reporting entity. In developing these standards, the GASB assumed that all governmental organizations are responsible to elected officials at the federal, state, or local level. Financial reporting by a state or local government should report the elected officials' accountability for those organizations. As concluded by the GASB, the financial reporting entity consists of (a) the primary government, (b) organizations for which the primary government is financially accountable, and (c) other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

Santa Rosa County, Florida (the County) is a political subdivision of the State of Florida created pursuant to Article 8, Section 1(e), of the Constitution of the State of Florida and Chapter 7 of the Florida Statutes. It is governed by a five member Board of County Commissioners (the Board) elected from single-member districts. The Board has no powers other than those expressly vested in it by the Florida Statutes and its governmental powers cannot be delegated. The Board appoints an administrator to administer all policies emanating from its statutory powers and authority. In addition to the Board, there are five elected Constitutional Officers, pursuant to Article 8, Section 1(d) of the Constitution of the State of Florida: Clerk of Courts, Sheriff, Tax Collector, Property Appraiser and Supervisor of Elections.

These financial statements include the operating activities of the Board, Clerk of Courts, Sheriff, Tax Collector, Property Appraiser and Supervisor of Elections.

Dependent Special Districts

Blackwater Soil & Water Conservation District - The Blackwater Soil & Water Conservation District (Blackwater) was created by the Florida Legislature in 1942 pursuant to Florida Statute Section 582. Santa Rosa County was established as the local governing authority and is Blackwater's only source of funding. Blackwater does not meet the criteria as a legally separate entity in that it cannot buy, sell, own, lease and mortgage property in its own name. The activities of Blackwater are included in these financial statements as a department of the County within the General Fund.

Pace Property Finance Authority - The Pace Property Finance Authority (Authority) was created in 1990 by County Resolution No. 90-12 pursuant to Chapter 617 of the Florida Statutes. In accordance with Florida Statutes Section 189.403, the Authority qualifies as a dependent special district. Additionally, the Authority is a component unit of the County. However, the Authority meets the criteria for inclusion in more than one reporting entity - Pace Water System as well as the County. In these cases, judgment must be exercised by management of the reporting entities as to which reporting entity the organization should be included. The Authority has the same elected governing body as the Pace Water System. Additionally,

Santa Rosa County, Florida
NOTES TO FINANCIAL STATEMENTS
September 30, 2019

NOTE A - SUMMARY OF ACCOUNTING POLICIES – Continued

both the Authority and Pace Water System own portions of a single water/sewer system; thus, their capital assets are part of an interconnected system. Finally, the Authority's debt was issued solely to finance the Pace water/sewer system improvements. Based on these facts, management has decided to include the Authority in the combined financial statements of Pace Water System rather than as a component unit of the County.

Santa Rosa County Health Facilities Authority - The Santa Rosa County Health Facilities Authority (Authority) was created in 1982 by County Ordinance No. 82-02 pursuant to Section 154, Florida Statutes. In accordance with Florida Statutes Section 189.403, the Authority qualifies as a dependent special district. Additionally, the Authority is a component unit of the County. The County appoints the five (5) members of the Authority. Additionally, the County may abolish the Authority at any time by ordinance or resolution as long as all bonded indebtedness incurred by the Authority has been paid. The Authority exists solely to assist health facilities within the County with the acquisition, construction, financing, and refinancing of projects through issuance of conduit debt. All bonds issued by the Authority were subsequently defeased through issuance of new debt culminating with the issuance of \$58 million in new bonds in 2003. The debt outstanding is a limited obligation of the Authority and not a general obligation of the Authority or the County. The Authority is not obligated to pay the principal and interest on the bonds except from the revenues of the Authority pursuant to its loan agreement with Gulf Breeze Hospital. The Authority has no financial activity and the bonds issued under the Authority's name are recorded in the books of the hospital.

Santa Rosa County Housing Finance Authority - The Santa Rosa County Housing Finance Authority (Authority) was created in 1984 by County Resolution No. 84-18 pursuant to Chapter 78-89, Laws of Florida codified as Chapter 159, Part IV, Section 159.601 through 159.623. In accordance with Florida Statutes Section 189.403, the Authority qualifies as a dependent special district. Additionally, based on the criteria outlined above, the Authority is a component unit of Santa Rosa County. The Santa Rosa County Board of County Commissioners, through various resolutions and interlocal agreements with the Escambia County Housing Finance Authority (ECHFA), has authorized ECHFA to allow qualified residents of Santa Rosa County to apply for and obtain preferential mortgages from proceeds generated by bonds issued by ECHFA. Accordingly, there is no financial activity related to the Santa Rosa County Housing Finance Authority to be reflected in these financial statements.

2. Basis of Presentation - Fund Accounting

The accounting system is organized and operated on a fund basis. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations.

The County groups its funds into two broad fund categories as either governmental or proprietary in nature. Governmental funds include the general, special revenue, debt service and capital project funds. Proprietary funds include enterprise funds and an internal service fund.

Santa Rosa County, Florida
NOTES TO FINANCIAL STATEMENTS
September 30, 2019

NOTE A - SUMMARY OF ACCOUNTING POLICIES - Continued

3. Basis of Accounting

GOVERNMENT-WIDE FINANCIAL STATEMENTS

The government-wide financial statements (i.e., the Statement of Net Position and the Statement of Activities) report information on all the non-fiduciary activities of the primary government. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which primarily rely on fees and charges for support. Fiduciary funds are excluded from the government-wide financial statements.

The government-wide statements are prepared using the economic resources measurement focus and the accrual basis of accounting. This is the same approach used in the preparation of the proprietary fund financial statements but differs from the manner in which governmental fund financial statements are prepared. Therefore, the governmental fund financial statements include a reconciliation with brief explanations to better identify the relationship between the government-wide statements and the governmental fund financial statements.

The government-wide Statement of Activities presents a comparison between expenses and program revenues for each segment of the business-type activities of the County and for each governmental program. Direct expenses are those that are specifically associated with a service, program or department and are therefore clearly identifiable to a particular function. Program revenues include charges paid by the recipients of the goods or services offered by the programs and grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Revenues not classified as program revenues are presented as general revenues. The comparison of program revenues and expenses identifies the extent to which each program or business segment is self-financing or draws from the general revenues of the County.

Net position should be reported as restricted when constraints placed on net position use are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments or imposed by law through constitutional provisions or enabling legislation. The net position restricted for other purposes result from special revenue funds and the restrictions on their use. In a fund with both restricted and unrestricted positions, qualified expenses are considered to be paid first from restricted net position then from unrestricted net position. The government-wide statement of net position reports \$18,026,667 of restricted net position, of which \$6,493,476 is restricted by enabling legislation.

FUND FINANCIAL STATEMENTS

The Fund financial statements, as presented herein, focus primarily on the major funds of the governmental and proprietary categories. Each major fund is presented in a separate column. Nonmajor funds are aggregated and presented in a single column. The internal service fund is presented in a single column on the face of the proprietary fund statements.

Santa Rosa County, Florida
NOTES TO FINANCIAL STATEMENTS

NOTE A - SUMMARY OF ACCOUNTING POLICIES - Continued

GOVERNMENTAL FUNDS

All governmental funds are accounted for using the modified accrual basis of accounting and the current financial resources measurement focus. Under this basis revenues are recognized in the accounting period in which they become measurable and available. Expenditures are recognized in the accounting period in which the fund liability is incurred, if measurable.

The major governmental funds are:

- General Fund – This is the County’s primary operating fund. It accounts for all financial resources except those required to be accounted for in another fund.
- Road and Bridge Fund – Accounts for that portion of state fuel taxes and fees designated for road improvement projects.
- Local Option Sales Tax Fund – Accounts for ½-cent local option sales surtax designated for capital improvement projects.

Revenue Recognition

In applying the susceptible to accrual concept under the modified accrual basis, the following revenue sources are deemed both measurable and available (i.e., collectible within the current year or within one month of year-end and available to pay obligations of the current period – except for certain grant revenues which are recognized as revenues in the same period the grant expenditures occurred). This includes investment earnings, property taxes, special assessments, and fines and forfeitures. Certain state-levied locally shared taxes including motor vehicle license tax and fuel taxes are considered derived non-exchange transactions. These types of transactions are subject to income recognition when the underlying transaction occurs. Reimbursements due for federally funded projects are accrued as revenue at the time the expenditures are made, or when received in advance, deferred until expenditures are made.

Other revenues, including licenses and permits, certain charges for services and miscellaneous revenues, are recorded as revenue when received in cash because they are generally not measurable until actually received.

Expenditure Recognition

The measurement focus of governmental fund accounting is on decreases in net financial resources (expenditures) rather than expenses. Most expenditures are measurable and are recorded when the related fund liability is incurred. However, principal and interest on governmental long-term debt, which has not matured, are recognized when paid. Allocations of costs, such as depreciation and amortization, are not recognized in the governmental funds.

Santa Rosa County, Florida
NOTES TO FINANCIAL STATEMENTS
September 30, 2019

NOTE A - SUMMARY OF ACCOUNTING POLICIES - Continued

PROPRIETARY FUNDS

All proprietary funds use the accrual basis of accounting and the economic resources measurement focus. These funds account for operations that are primarily financed by user charges. Revenues are recognized when earned and expenses are recognized when incurred. Allocations of costs, such as depreciation, are recorded in proprietary funds. Unbilled utility service receivables are recorded at each year-end.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of all the County's enterprise funds and internal service fund are charges to customers for sales and services. Operating expenses for enterprise funds and internal service funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

The major proprietary funds are:

- Navarre Beach Fund – Accounts for the operation and maintenance of the water and sewer system of Navarre Beach.
- Landfill Fund – Accounts for the operation of the solid waste disposal facilities of the County.

The County's only internal service fund is the Self Insurance Fund. This fund accounts for the risk management activities of the Board and the other elected officials. Costs are billed to the departments and other elected officials at the actual and estimated costs of providing insurance coverage. At year-end, uncovered costs are billed to the departments, if necessary. Billings in excess of costs are credited to the departments. The policy of the County is not to eliminate interfund activity, i.e. the estimated insurance costs billed to the departments, in the government-wide statement of activities, so as to better reflect the true operating costs of those departments.

FIDUCIARY FUNDS

Agency funds are used to account for monies held on behalf of individuals and companies that use the County as a depository as well as for property taxes, fines, court costs, licenses and fees collected on behalf of other governments. The County has thirteen agency fiduciary funds.

Santa Rosa County, Florida
NOTES TO FINANCIAL STATEMENTS
September 30, 2019

NOTE A - SUMMARY OF ACCOUNTING POLICIES - Continued

4. Budgets and Budgetary Accounting

Florida Statutes Chapters 129 and 200 govern the preparation, adoption, and administration of the County's annual budget. The budget must be balanced, i.e., the estimated revenues plus beginning fund balance brought forward must equal appropriations and be prepared on a basis consistent with generally accepted accounting principles (GAAP) as applicable to governmental units. The Board may, at any time within a fiscal year, amend a budget for that year as follows:

Appropriations for expenditures in any fund may be decreased and other appropriations in the same fund correspondingly increased by motion recorded in the minutes. The budget officer may authorize certain inter-departmental and intra-departmental budget amendments, provided that the total appropriation of the fund is not changed. All annual appropriations lapse at fiscal year end.

Budgets are required for all governmental funds except:

Special Revenue Funds:

- Sheriff's Grants
- Sheriff's Second Dollar
- Sheriff's Prisoner Recreation
- Sheriff's Federal Seizure
- Sheriff's Local Option Sales Tax

Budgets are not initially authorized but subsequently amended for the following funds:

Special Revenue Funds:

- Disaster
- Grants

5. Cash and Cash Equivalents

For purposes of the statements of cash flows, all highly liquid investments (including restricted assets) with a maturity of three months or less when purchased are considered to be cash equivalents.

Santa Rosa County, Florida
NOTES TO FINANCIAL STATEMENTS
September 30, 2019

NOTE A - SUMMARY OF ACCOUNTING POLICIES - Continued

6. Investments

Investments in U.S. Treasury bills, government backed securities and the Florida Local Government Investment Trust Fund are recorded at fair value. As permitted by GASB Statement No. 72, bank certificates of deposit and short term money market investments are reported at amortized cost rather than fair value.

7. Inventory

Inventory consists of gas, oil, automotive parts, road signs, culverts, and various other items used by the road department and insecticides used by mosquito control operations. Inventory is valued at cost (first in, first out). The cost is recorded as an expenditure at the time the inventory is purchased.

In the fund level statements, reported inventories are equally offset by a nonspendable fund balance since such amounts will not convert to cash even though they are a component of net current assets.

8. Accounting for Capital Assets

Capital assets, which include property, plant, equipment, and infrastructure assets are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are defined by the government as assets with an initial, individual cost of more than \$1,000 and an estimated useful life in excess of two years. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at acquisition value at the acquisition date.

The cost of normal maintenance and repairs that does not add to the value of an asset or materially extends an asset's life is not capitalized.

Major outlays for capital assets and improvements are capitalized as projects are constructed. The County does not capitalize interest expense on borrowings used to finance construction of capital assets, as the capitalizable interest, after netting of interest earnings, is normally insignificant.

Property, plant and equipment of the County is depreciated using the straight-line method over the following estimated useful lives:

Buildings	20 - 50 years
Water Distribution System	20 years
Improvements	10 - 20 years
Equipment	3 - 10 years
Infrastructure	40 years

Santa Rosa County, Florida
NOTES TO FINANCIAL STATEMENTS
September 30, 2019

NOTE A - SUMMARY OF ACCOUNTING POLICIES - Continued

9. Compensated Absences

It is the policy of the County to permit employees to accumulate a limited amount of earned but unused leave benefits which will be paid to employees upon separation from service. Unpaid compensated absences are recorded as a liability when the benefits are earned in the government-wide and proprietary fund financial statements. The valuation of accrued leave benefits is calculated in accordance with GASB Statement No. 16. For the governmental activities, compensated absences are generally liquidated by the General (75%) and the Road and Bridge (25%) funds.

10. Property Taxes

Real and personal property valuations are determined each year as of January 1 by the Property Appraiser's office. Florida Statutes require that all property be assessed at 100 percent of just value.

All property taxes become due and payable on November 1, and are delinquent on April 1 of the following year. Discounts of 4, 3, 2 and 1 percent are allowed for early payment in November through February, respectively. The Tax Collector advertises as required by statute and sells tax certificates for unpaid taxes on real property. Certificates not sold are considered "County Held Certificates." Persons owning land upon which a tax certificate has been sold may redeem the land by paying the face amount of the tax certificate, plus interest and other costs.

Property taxes levied on property valuations as of January 1, 2019 and expected to be collected during the period November 2019 through March 2020 are as follows:

General Fund	\$ 63,136,945
--------------	---------------

These taxes, although measurable, are not recognized as revenue at September 30, 2019, since they are not considered to be collectible within the current period or soon enough thereafter to be used to pay current period liabilities.

11. Landfill Closure Costs

Under the terms of current state and federal regulations, the County is required to place a final cover on closed landfill areas, and to perform certain monitoring and maintenance functions for a period of up to thirty years after closure. The County recognizes these costs of closure and post-closure maintenance over the active life of each landfill area, based on landfill capacity used during the period.

12. Allowance for Uncollectible Amounts

Accounts receivable for the County are reported net of allowance for doubtful accounts. The allowance for doubtful accounts represents those accounts which are deemed uncollectible based upon past collection history.

Santa Rosa County, Florida
NOTES TO FINANCIAL STATEMENTS
September 30, 2019

NOTE A - SUMMARY OF ACCOUNTING POLICIES - Continued

13. Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the County is bound to observe constraints imposed upon the use of the resources in the governmental funds. The classifications are as follows:

Nonspendable - The nonspendable fund balance category includes amounts that cannot be spent because they are not in spendable form, or legally or contractually required to be maintained intact. The “not in spendable form” criterion includes items that are not expected to be converted to cash. It also includes the long-term amount of interfund loans.

Restricted - Fund balance is reported as restricted when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments or is imposed by law through constitutional provisions or enabling legislation. Enabling legislation authorizes the County to assess, levy, charge, or otherwise mandate payment of resources (from external resource providers) and includes a legally enforceable requirement that those resources be used only for the specific purposes stipulated in the legislation. Legal enforceability means that the County can be compelled by an external party-such as citizens, public interest groups, or the judiciary to use resources created by enabling legislation only for the purposes specified by the legislation.

Committed - The committed fund balance classification includes amounts that can be used only for the specific purposes imposed by formal action (ordinance) of the County. Those committed amounts cannot be used for any other purpose unless the County removes or changes the specified use by taking the same type of action (ordinance) it employed to previously commit those amounts. In contrast to fund balance that is restricted by enabling legislation, committed fund balance classification may be redeployed for other purposes with appropriate due process. Constraints imposed on the use of committed amounts are imposed by the Board, separate from the authorization to raise the underlying revenue; therefore, compliance with these constraints are not considered to be legally enforceable. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed for use in satisfying those contractual requirements.

Assigned – Amounts in the assigned fund balance classification are intended to be used by the County for specific purposes but do not meet the criteria to be classified as restricted or committed. In governmental funds other than the General Fund, assigned fund balances represent the intended use established by the Board for the remaining amounts that are not restricted or committed. In the General Fund, assigned amounts represent intended uses established by the Board.

Unassigned - Unassigned fund balance is the residual classification for the General Fund and includes all spendable amounts not contained in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance resulting from overspending for specific purposes for which amounts had been restricted, committed, or assigned.

Santa Rosa County, Florida
NOTES TO FINANCIAL STATEMENTS
September 30, 2019

NOTE A - SUMMARY OF ACCOUNTING POLICIES - Continued

The County applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

NOTE B - CASH AND INVESTMENTS

At September 30, 2019, the bank held deposits of \$105,779,823 (before outstanding checks and deposits in transit) consisting of amounts held in checking, savings, money market or time deposit accounts. All deposits with financial institutions were 100% insured by federal depository insurance or by collateral pursuant to the Public Depository Security Act of the State of Florida.

The County's cash and cash equivalents consist of cash and short-term investments with original maturities of three months or less from the date of acquisition.

Pursuant to Florida Statutes Section 218.415, the County adopted an investment policy which outlines the County's investment responsibilities, objectives, and policies. The County's investment policy authorizes the County to invest in the following:

- a. The Local Government Surplus Funds Trust Fund (SBA) (Maximum of 75%)*;
- b. Florida Local Government Investment Trust (FLGIT) (State Investment Trust) (100% allowed)*;
- c. Qualified money market mutual funds (Maximum of 50%)*;
- d. U.S. Treasury bills, notes and bonds (100% allowed);
- e. Obligations guaranteed by the U.S. Government as to principal and interest such as obligations of the Government National Mortgage Association (GNMA) (Maximum of 5%)*;
- f. Non-callable Government Agency securities (Maximum of 25%)*:
 - (i) Federal Farm Credit Bank (FFCB),
 - (ii) Federal Home Loan Mortgage Corporation (FHLMC),
 - (iii) Federal Home Loan Bank (FHLB),
 - (iv) Federal National Mortgage Association (FNMA).This classification of government agency securities does not include any mortgage debt of any government agency;
- g. Time deposits and savings accounts in banks or savings and loan associations doing business in Florida (Maximum of 50%)*;
- h. Repurchase agreements for investments authorized in categories d, e, or f above. (Maximum of 40%)*

*To limit the County's concentration of credit risk these are the maximum percentages of the County's total portfolio that can be in each type of investment.

Interest rate risk is limited by no security having a maturity exceeding 2 years. The weighted average to maturity for the portfolio shall be less than 365 days or 1 year. Investments placed with the FLGIT, which

Santa Rosa County, Florida
NOTES TO FINANCIAL STATEMENTS
September 30, 2019

NOTE B - CASH AND INVESTMENTS - Continued

typically invests in instruments with maturities of less than 5 years, are exempt from this limitation. The average maturity of investments held in the FLGIT as of September 30, 2019 is 2.00 years.

The FLGIT, also known as Florida Trust, is a local government investment pool created by the Florida Association of Court Clerks and Comptroller, and the Florida Association of Counties for the purpose of providing public entities with an investment program by providing investment vehicles for funds that can be invested in short- to intermediate-term securities and have returns generally greater than the national average for money market instruments. The fair values of the County's positions in the pool are the same as the value of the pool shares. The Florida Trust offers two separately rated, open-ended, professionally managed funds available only to public entities in Florida.

The Investment Trust:

A short-term bond fund with an investment portfolio structured to maintain safety of principal and maximize available yield through a balance of quality and diversification. As of September 30, 2019, the Investment Trust managed \$827 million and had a price per share of \$25.91 and a Fitch rating of AAf. This short-term bond fund invests in U.S. Treasuries and Agency Securities, Mortgages, Commercial Paper, Asset-Backed Securities, and "A" rated Corporate Securities.

The Day to Day Fund:

The Florida Trust Day to Day Fund is a money market product created in response to demand to provide a fiscally conservative diversification option for Florida local governments. Fund features include same day transactions and online account management. The fund is AAAM-rated by Fitch and is governed by the same board and advisory committee that oversees the Investment Trust.

The County's investments as defined by GASB Statement No. 72 "Fair Value Measurement and Application" are reported at fair value based on level 1 inputs for quoted prices for identical investments in active markets.

Schedule of Cash and Investments at September 30, 2019

	Carrying Amount
Investments:	
FLGIT Investment Trust Fund	\$ 12,342,444
Total Investments	12,342,444
Cash:	
Cash in Bank	39,454,490
Day to Day Trust	57,044,109
Petty Cash	3,575
Total Cash	96,502,174
Total Cash and Investments	\$ 108,844,618

Santa Rosa County, Florida
NOTES TO FINANCIAL STATEMENTS
September 30, 2019

NOTE B - CASH AND INVESTMENTS - Continued

Restricted cash and investments typically consist of funds set aside for the payment of debt and funds set aside to ensure assets producing the pledged revenues are repaired and replaced as needed. These assets are restricted since their use is limited by the applicable bond indentures. Other restricted assets consist of funds restricted to the payment of future landfill closure costs.

Restricted cash and investments by category and by fund are as follow

	Landfill Fund
Landfill escrow	\$ 17,044,192

NOTE C – DUE FROM OTHER GOVERNMENTAL UNITS

At September 30, 2019, amounts due from other governmental units were as follows:

	General Fund	Road and Bridge Fund	Local Option Sales Tax Fund	Nonmajor Governmental Funds	Nonmajor Enterprise Funds	Self Insurance Fund
Federal Government - Grants	\$ 1,949,229	\$ --	\$ --	\$ 273,091	\$ --	\$ --

NOTE D – INTERFUND TRANSACTIONS - Continued

Transfers are used to (1) move revenues from the fund that statute or budget requires to collect them to the fund that statute or budget requires to expend them, (2) move receipts restricted to debt service from the funds collecting the receipts to the debt service fund as debt service payments become due, and (3) move unrestricted revenues collected in the general fund to finance various programs in accordance with budgetary authorizations.

Interfund balances result from the time lag between the dates that (1) interfund goods and services are provided or reimbursable expenditures occur, (2) transactions are recorded in the accounting system, and (3) payments between funds are made.

NOTE G- LONG-TERM DEBT

1. Changes in Long-Term Debt

Special assessment notes are fully secured by annual assessments made against property owners of the specific area that benefited from the proceeds of the notes. The County has no legal obligation to levy ad valorem taxes or cover the notes in case of default by the property owners. The County does, however, maintain a moral commitment to cover the debt payments until such time as the property owners can make the payments.

The following is a summary of changes in long-term debt for the year.

	Balance October 1, 2018	Additions	Deductions	Balance September 30, 2019	Amount Due within One Year
Governmental activities:

2. Descriptions of Notes

The County has general obligation notes, revenue notes and special assessment notes payable outstanding at year end. There are no lines of credit issued for the County. The notes payable for the 911 system and the Bernath Place MSBU have clauses making outstanding amounts payable immediately upon default. Otherwise, there are no significant termination events with finance-related consequences or subjective acceleration clauses contained in the County debt issues. All of the County notes payable have been issued as direct borrowings or direct placements.

Notes payable at September 30, 2019 are comprised of the following:

General government – General Obligation notes payable

\$5,279,240 note payable to bank for the purchase and installation of equipment for a new 911 system. The note is due in 7 annual payments of \$809,011 including interest at 1.786% with final payment due in 2021. 2,342,849

General government – Revenue notes payable

\$287,870 note payable to bank for the acquisition and construction of improvements for the Bagdad Heritage Trail Project. The note is due in 40 quarterly payments of \$5,888 to 9,370 plus interest at 3.98% with final payment due in 2020, secured by North Santa Rosa tourist development tax revenues. 24,074

General government – Special Assessment notes payable

\$700,000 special assessment note payable to bank for the acquisition and installation fire control equipment in the Santa Rosa County Fire Protection MSBU. The note is due in 60 quarterly payments of \$9,134 to \$14,526 plus interest at 3.14% with final payment due in 2025. Annual assessments will be made against property owners sufficient to retire the maturing principal and interest. 331,879

\$275,000 special assessment note payable to bank for the construction of certain infrastructure improvements in the Bernath Place MSBU. The note is due in 10 annual payments of \$27,500 plus interest paid semiannually at 3.95% with final payment due in 2029. Annual assessments will be made against property owners sufficient to retire the maturing principal and interest. 275,000

\$268,350 special assessment note payable to bank for the construction of certain infrastructure improvements in the Skiwatch Estates MSBU. The note is due in 40 quarterly payments of \$7,625 including interest at 2.56% with final payment due in 2021. Annual assessments will be made against property owners sufficient to retire the maturing principal and interest. 66,121

Santa Rosa County, Florida
NOTES TO FINANCIAL STATEMENTS
September 30, 2019

NOTE H - CONDUIT DEBT OBLIGATIONS

The County has issued certain limited-obligation debt instruments, including: 1) industrial development revenue bonds to provide financial assistance to private-sector entities for the acquisition and construction of industrial and commercial facilities deemed to be in the public interest; and 2) municipal service benefit unit revenue notes to finance the acquisition, construction, reconstruction and equipping of capital improvements within the municipal service benefit unit. The debt instruments are secured by the property financed and are payable solely from payments received on the underlying mortgage loans. Neither the County nor the State, nor any political subdivision thereof, is obligated in any manner for repayment of the debt instruments. Accordingly, the debt instruments are not reported as liabilities in the accompanying financial statements.

Debt issues related to conduit financings outstanding at September 30, 2019 are as follows:

	<u>Date Issued</u>	<u>Final Maturity</u>	<u>Amount Issued</u>	<u>Outstanding 9/30/2019</u>
Baptist Hospital, 2003	8/21/2003	10/1/2021	\$ 57,905,000	\$ 57,905,000

NOTE I - LANDFILL CLOSURE AND POSTCLOSURE CARE COSTS

State and federal laws and regulations require the County to place a final cover on its landfill sites when the landfill stops accepting waste and to perform certain maintenance and monitoring functions at sites for thirty years after closure. Although closure and postclosure care costs are paid only near or after the date that a landfill stops accepting waste, the County reports a portion of these closure and postclosure care costs as an operating expense in each period based on landfill capacity used as of each balance sheet date. The \$17.2 million reported as landfill closure and postclosure care liability (current and noncurrent) at September 30, 2019, represents the cumulative amount reported to date based on the following percentage usage of the estimated capacity of each of the County's landfills:

Central Class I Landfill	58%
Central Class III Landfill (New)	35%
Central Class III Landfill (Old)	Closed 10/98

Santa Rosa County, Florida
NOTES TO FINANCIAL STATEMENTS
September 30, 2019

NOTE I - LANDFILL CLOSURE AND POSTCLOSURE CARE COSTS - Continued

The estimated cost of postclosure care for the Central Class III (Old) landfill has been recognized in prior years with any changes in estimates being recorded in the current year. The County will recognize the remaining estimated cost of closure and postclosure care for the Central Class I and Class III (New) landfills in the amount of \$17.4 million as their remaining estimated capacity is filled. These amounts are based on what it would cost to perform all closure and postclosure care in 2019. The estimated remaining lives of the Central Class I and Class III landfills are 10 and 16 years, respectively. Cost of closure and life estimates are based on the areas currently in use, and not on potential areas of expansion. Actual costs may be higher due to inflation, changes in technology, or changes in regulations.

The County is required by state and federal laws and regulations to make annual contributions to a trust to finance closure and postclosure care. At September 30, 2019, the County held cash and investments of \$17,044,192 to cover the escrow requirement of \$17,044,192. These cash and investments are reported as restricted assets in these financial statements. The County expects that future inflation costs will be paid from interest earnings on these restricted cash and investments and from charges to future landfill users or future tax revenue.

NOTE J - COMMITMENTS AND CONTINGENCIES

1. Litigation

The County is a defendant in various lawsuits. Although the outcome of these lawsuits is not presently determinable, in the opinion of the County's attorney the resolution of these matters will not have a material adverse effect on the financial condition of the County.

2. Federal and State Grants

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by grantors cannot be determined at this time although the County expects such amounts, if any, to be immaterial.

Santa Rosa County, Florida
NOTES TO FINANCIAL STATEMENTS
September 30, 2019

NOTE K – PENSION AND HEALTH INSURANCE SUBSIDY

1. Retirement Plan

Participation - Employees of the County participate in the Florida Retirement System, a cost-sharing multiple-employer retirement system, established by Chapter 121, Florida Statutes. Participation is compulsory for full-time and part-time employees working in regularly established positions. Elected officials may elect not to participate in the system. Eligible employees may elect to participate in the Deferred Retirement Option Program (DROP), deferring receipt of retirement benefits while continuing employment with a Florida Retirement System employer.

Benefit Provisions – The Florida retirement system offers two retirement plans – the FRS Pension Plan and the FRS Investment Plan. An employee may participate in only one of the plans. Both plans, effective July 1, 2011, are funded monthly by a combination of employer and employee contributions.

The FRS Pension Plan is a defined benefit plan which provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Normal retirement benefits are available to employees who retire at age 62 or 65 (depending on hire date) with 6 or 8 (depending on hire date) or more years of service, or to those employees who have at least 30 or 33 (depending on hire date) years of creditable service, regardless of age. Retirement age and years of service requirements may vary depending on membership class. Early retirement is available after 6 years of service with a 5% reduction of benefits for each year prior to the normal retirement age. Retirement benefits are based upon age, average compensation, and years-of-service credit where average compensation is computed as the average of an individual's five (if enrolled prior to July 1, 2011) or eight (if enrolled on or after July 1, 2011) highest years of earnings.

The FRS Investment Plan is a defined contribution plan in which participants are vested after one year of service. The employer makes contributions each month based on a percentage of the employee's gross salary and membership class. The contribution percentage is the same whether participating in the Pension Plan or Investment Plan. Members in the Investment Plan decide how their funds are allocated between various investment accounts and the funds are portable upon termination if the participant is vested. Members in the investment plan are not eligible for participation in the Deferred Retirement Option Program (DROP).

For DROP participants, the deferred monthly benefit plus interest compounded monthly, accrues for the specified period of the DROP participation. Upon retirement, the participant receives the total accumulated DROP benefits and begins to receive current benefits at the previously determined rate.

Contributions - Chapter 121 requires the employer to pay contributions based upon state-wide rates established by the State of Florida. Employees contribute 3% of their salary. During 2019, the County contributed an average of 8.31% of each qualified regular employee's gross salary, 42.78% percent of the elected officials' salary, 24.75% of each special risk employee's salary, and 14.17% for each DROP participant. The County's contributions to the Pension Plan, funded on a pay-as-you-go basis, were equal to the actuarially determined contribution requirements for the year. The County's contributions to the Investment Plan were equal to the legislatively mandated contribution rates, which are equal to a percentage of the members' gross monthly salary based on membership class. Contributions to the Investment plan totaled \$899,405, \$721,606, and \$576,762 for the years ended September 30, 2019, 2018 and 2017,

Santa Rosa County, Florida
NOTES TO FINANCIAL STATEMENTS
September 30, 2019

NOTE K – PENSION AND HEALTH INSURANCE SUBSIDY – Continued

respectively. Contributions to the Pension plan totaled \$6,561,808, \$5,639,544, and \$5,204,750 for the years ended September 30, 2019, 2018 and 2017, respectively.

Financial Report of the Plan - The Florida Retirement System issues a stand-alone financial report. A copy can be obtained by contacting the State of Florida, Division of Retirement, Tallahassee, Florida.

Health Insurance Subsidy Pension Plan

Plan Description. The Health Insurance Subsidy Plan (HIS Plan) is a cost-sharing multiple-employer defined benefit pension plan established under section 112.363, Florida Statutes, and may be amended by the Florida Legislature at any time. The benefit is a monthly payment to assist retirees of State-administered retirement systems in paying their health insurance costs and is administered by the Division of Retirement within the Florida Department of Management Services.

Benefits Provided. For the fiscal year ended September 30, 2019, eligible retirees and beneficiaries received a monthly HIS payment of \$5 for each year of creditable service completed at the time of retirement, with a minimum HIS payment of \$30 and a maximum HIS payment of \$150 per month, pursuant to Section 112.363, Florida Statutes. To be eligible to receive a HIS Plan benefit, a retiree under a State-administered retirement system must provide proof of health insurance coverage, which may include Medicare.

Contributions. The HIS Plan is funded by required contributions from FRS participating employers as set by the Florida Legislature. Employer contributions are a percentage of gross compensation for all active FRS members. For the fiscal year ended September 30, 2019, the contribution rate was 1.66% of payroll pursuant to section 112.363, Florida Statutes. The County contributed 100% of its statutorily required contributions for the current and preceding three years. HIS Plan contributions are deposited in a separate trust fund from which payments are authorized. HIS Plan benefits are not guaranteed and are subject to annual legislative appropriation. In the event the legislative appropriation or available funds fail to provide full subsidy benefits to all participants, benefits may be reduced or canceled.

The County's contributions to the HIS Plan totaled \$769,092 for the fiscal year ended September 30, 2019.

2. Pension Liabilities, Pension Expense, Deferred Outflows of Resources, and Deferred Inflows of Resources Related to Pensions

At September 30, 2019, the County reported a liability of \$82,838,438 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2019, and the total pension liability used to calculate the net pension liability was determined from an actuarial valuation as of July 1. The County's proportion of the net pension liability was based on the County's 2018-19 fiscal year contributions relative to the 2018-19 fiscal year contributions of all participating members. At June 30, 2019, the County's change in proportion was an increase from its proportion measured as of June 30, 2018. The following table presents the information on the County's proportionate share of the FRS and HIS:

Santa Rosa County, Florida

Santa Rosa County, Florida
NOTES TO FINANCIAL STATEMENTS
September 30, 2019

NOTE K – PENSION AND HEALTH INSURANCE SUBSIDY – Continued

The deferred outflows of resources related to pensions, totaling \$1,766,417, resulting from County contributions to the Plan subsequent to the measurement date, will be recognized as a reduction of the net pension liability in the fiscal year ended September 30, 2020. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Fiscal Year Ending September 30,	FRS	HIS	County Total Deferred Outflow (Deferred Inflow)
2020	\$ 6,989,400	\$ 471,449	\$ 7,460,849
2021	2,510,324	413,276	2,923,600
2022	5,135,945	265,416	5,401,361
2023	3,960,496	58,178	4,018,674
2024	1,319,932	180,890	1,500,822
Thereafter	381,110	268,023	649,133
	<u>\$ 20,297,207</u>	<u>\$ 1,657,232</u>	<u>\$ 21,954,439</u>

Actuarial Assumptions - The total pension liability in the July 1, 2019 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

<u>FRS</u>	
Inflation	2.60%
Salary increases	3.25%, average, including inflation
Investment rate of return	6.90%, net of pension plan investment expense, including inflation
<u>HIS</u>	
Inflation	2.60%
Salary increases	3.25%, average, including inflation
Investment rate of return	3.50%, net of pension plan investment expense, including inflation

Mortality rates were based on the Generational RP-2000 with Projection Scale BB.

The actuarial assumptions used in the July 1, 2019 valuation were based on the results of an actuarial experience study for the period July 1, 2013 – June 30, 2018.

The long-term expected rate of return on pension plan investments was not based on historical returns, but instead is based on a forward-looking capital market economic model. The allocation policy's description of each asset class was used to map the target allocation to the asset classes shown below. Each asset class assumption is based on a consistent set of underlying assumptions and includes an adjustment for the inflation assumption. The target allocation and best estimates of arithmetic and geometric real rates of return for each major asset class are summarized in the following table:

Santa Rosa County, Florida
NOTES TO FINANCIAL STATEMENTS
September 30, 2019

NOTE K – PENSION AND HEALTH INSURANCE SUBSIDY – Continued

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Annual Arithmetic Return</u>	<u>Compound Annual (Geometric) Return</u>	<u>Standard Deviation</u>
Cash	1%	3.3%	3.3%	1.2%
Fixed income	18%	4.1%	4.1%	3.5%
Global equity	54%	8.0%	6.8%	16.5%
Real estate (property)	10%	6.7%	6.1%	11.7%
Private equity	11%	11.2%	8.4%	25.8%
Strategic investments	6%	5.9%	5.7%	6.7%
Total	<u><u>100%</u></u>			
Assumed inflation - mean			2.6%	1.7%

* As outlined in the Plan's investment policy

Discount Rate – The discount rate used to measure the total FRS pension liability was 6.90%. The FRS Plan’s fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the discount rate for calculating the total pension liability is equal to the long-term expected rate of return. For the HIS plan, the discount rate used to measure the total pension liability was 3.50%. In general, the discount rate for calculating the total pension liability is equal to the single rate equivalent to discounting at the long-term expected rate of return for benefit payments prior to the projected depletion date. Because the HIS benefit is essentially funded on a pay-as-you-go basis, the depletion date is considered to be immediate, and the single equivalent discount rate is equal to the municipal bond rate selected by the HIS Plan sponsor. The Bond Buyer General Obligation 20-Bond Municipal Bond Index was adopted as the applicable municipal bond index.

Sensitivity of the County’s Proportionate Share of the Net Pension Liability to Changes in the Discount Rate – The following presents the County’s proportionate share of the net pension liability calculated using the discount rate for the respective plans, as well as what the County’s proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1-percentage point lower or 1-percentage point higher than the current rate:

<u>FRS Net Pension Liability</u>			<u>HIS Net Pension Liability</u>		
<u>1% Decrease</u>	<u>Current</u>	<u>1% Increase</u>	<u>1% Decrease</u>	<u>Current</u>	<u>1% Increase</u>
<u>(5.90%)</u>	<u>(6.90%)</u>	<u>(7.90%)</u>	<u>(2.50%)</u>	<u>(3.50%)</u>	<u>(4.50%)</u>
\$ 116,410,788	\$ 67,341,361	\$ 26,360,089	\$ 17,690,708	\$ 15,497,077	\$ 12,961,515

Detailed information about the pension plan’s fiduciary net position is available in the separately issued FRS financial report.

Santa Rosa County, Florida
NOTES TO FINANCIAL STATEMENTS
September 30, 2019

NOTE M - RISK MANAGEMENT

The County is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. In 1986 the County established a Self-Insurance Fund (an internal service fund) to account for and finance its uninsured risks of loss. Under this program the County is self-insured with respect to the following exposures:

- Workers Compensation
- Auto Physical Damage
- Auto Liability
- Construction and Road Equipment
- Portable Communication Equipment

The County is covered by outside insurance for the following exposures:

- Boats
- Employee Fidelity
- Buildings and Contents, \$5,000 deductible
- General Liability, \$25,000 deductible
- Public Officials' Liability, \$25,000 deductible

Conventional insurance remains in effect for buildings, contents and Sheriff's general, automobile and professional liability. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years. The Board of County Commissioners and other County elected officials participate in the program and make payments to the Self Insurance Fund based on historical estimates of the amounts needed to pay prior and current year claims and to establish a reserve for catastrophic losses. The claims liability of \$3,328,736 is based on the requirements of Governmental Accounting Standards Board Statement No. 10, which requires that a liability for claims be reported if information prior to the issuance of the financial statements indicates that it is probable that a liability has been incurred at the date of the financial statements and the amount of the loss can be reasonably estimated.

Liabilities for incurred losses to be settled by fixed or reasonably determined payments over a long period of time are reported at their present value using an expected future investment yield assumption of 3.9 - 7 percent. These liabilities are reported at their present value of \$275,079 at September 30, 2019.

Santa Rosa County, Florida
NOTES TO FINANCIAL STATEMENTS
September 30, 2019

NOTE M - RISK MANAGEMENT - Continued

Changes in the Fund's claims liability amount in fiscal years 2018 and 2019 were as follows:

	Beginning-of- Fiscal-Year Liability	Current-Year Claims and Changes in Estimates	Claim Payments	Balance at Fiscal Year-End
2017 - 2018	\$ 3,929,978	\$ 980,464	\$ 1,607,441	\$ 3,303,001
2018 - 2019	\$ 3,303,001	\$ 1,678,647	\$ 1,652,912	\$ 3,328,736

The following table presents a summary of the claims payable liability at year end:

Current claims payable	\$ 559,573
Current claims-structured settlements	16,731
Total claims payable, current	576,304
Long-term claims payable	2,494,084
Long-term claims-structured settlements	258,348
Total claims payable, long-term	2,752,432
Total claims payable	\$ 3,328,736

The County is a member of the Florida Association of Counties Trust, a pooled liability program providing general liability coverage and public officials' liability coverage, excluding the Sheriff. The County pays an annual premium as a participant of the pooled liability program. During 1994, the first year of participation, the County paid an extraordinary loss fund payment of \$249,886. The liability coverage is not designed to be assessable; however, should the pool fail to meet its obligations, the County may be required to contribute additional funds or cover its own obligations. No accrual for future assessments has been recorded in the financial statements as such assessments do not appear probable based on past experience of the pool, and experience of the pool subsequent to the County's fiscal year end through the date of these financial statements. In the event the County elected to terminate its participation in the pool, the extraordinary loss fund payment would be refunded to the County, given adequate funding of the pool.

NOTE N – POST EMPLOYMENT HEALTH CARE BENEFITS

Plan Description – Pursuant to the provisions of Section 112.0801, Florida Statutes, former employees who retire from the County and eligible dependents, may continue to participate in the County’s purchased health and hospitalization insurance coverage (the Plan) at the same group rate as for active employees and participating retirees are required to reimburse the County 100% of the health insurance premium a month in advance. The Plan is a single-employer plan. The County subsidizes the premium rates paid by the retirees by allowing them to participate in the plan at reduced or blended group (implicitly subsidized) premium rates for both active and retired employees. These rates provide an implicit subsidy for retirees because, on an actuarial basis, their current and future claims are expected to result in higher costs to the plan on average than those of active employees. The County also provides an insurance subsidy for employees with at least 10 years (8 years elected) creditable service. The subsidy pays \$3 per year of service limited to the individual’s premium payment up to a maximum of \$90 per month. No stand-alone financial report is issued.

Funding Policy – The County has not advance-funded or established a funding methodology for the annual Other Postemployment Benefit (OPEB) costs or the net OPEB liability. For the 2019 fiscal year, 290 retirees and eligible dependents received postemployment health care benefits. The County provided required contributions of \$273,218 toward the annual OPEB cost, comprised of benefit payments made on behalf of retirees insurance net of retiree contributions totaling \$591,943. Required contributions are based on projected pay-as-you-go financing.

Net OPEB Liability – The following table shows the changes in the County’s net OPEB liability:

	Total OPEB Liability (a)	Plan Fiduciary Net Position (b)	Net Opeb Liability (a) - (b)
Balance as of September 30, 2017 for FYE 2018	\$ 7,453,859	\$ -	\$ 7,453,859

NOTE N – POST EMPLOYMENT HEALTH CARE BENEFITS - Continued

Deferred Inflows/Outflows of Resources related to OPEB – For the fiscal year ended September 30, 2019, the County recognized an OPEB expense of \$441,037. In addition, the County reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

Description	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ --	\$ 650,454
Change of assumptions	--	576,438
Net difference between projected and actual earnings on OPEB plan investments	--	--
County contributions subsequent to the measurement date	--	--
Total	\$ --	\$ 1,226,892

The deferred outflows of resources related to OPEB, totaling \$0, resulting from County contributions to the OPEB Plan subsequent to the measurement date, will be recognized as a reduction of the net OPEB liability in the fiscal year ended September 30, 2020. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in expense as follows:

Fiscal Year Ending September 30,	Amount
2020	\$ (145,133)
2021	(145,133)
2022	(145,133)
2023	(145,133)
2024	(145,133)
Thereafter	(501,227)
	\$ (1,226,892)

Santa Rosa County, Florida
NOTES TO FINANCIAL STATEMENTS
September 30, 2019

NOTE N – POST EMPLOYMENT HEALTH CARE BENEFITS - Continued

Actuarial Methods and Assumptions – Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment and termination, mortality, and the healthcare cost trends. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. Projections of benefits for financial reporting purposes are based on the substantive plan provisions, as understood by the employer and participating members, and include the type of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and participating members. The actuarial methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations.

The County’s OPEB actuarial valuation as of October 1, 2018, used the entry age normal actuarial cost method to estimate the net OPEB liability as of September 30, 2019 as required by GASB Statement 75. The discount rate used to determine the liability under GASB 75 is based on an index rate for 20-year tax exempt general obligation municipal bonds with an average rating of AA/Aa or higher. This rate was 3.83% as of September 30, 2018. The inflation rate assumption is 2.4%. The salary scale assumption used was the Florida Retirement System salary scale assumption of 3.25%.

The required schedules of changes in net OPEB liability and plan fiduciary net position, immediately following the notes, presents multiyear trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the net OPEB liability.

NOTE O – SUBSEQUENT EVENT

On March 11, 2020, the World Health Organization declared the novel strain of the coronavirus (“COVID-19”) a pandemic. The COVID-19 outbreak is disrupting supply chains and affecting production and services across a range of industries, including but not limited to tourism and travel. The extent of the impact of COVID-19 on the County’s operational and financial performance will depend on certain developments, including the duration and spread of the outbreak, impact on our citizens, employees, vendors and economical mitigation measures to be taken by federal and state government, all of which are uncertain and cannot be predicted. At this point, the extent to which COVID-19 may impact the County’s financial condition or results of operations is uncertain and cannot be estimated.

NOTES TO REQUIRED SUPPLEMENTAL INFORMATION
September 30, 2019

BUDGETARY INFORMATION

Florida Statutes Chapters 129 and 200 govern the preparation, adoption, and administration of the County's annual budget. The budget must be balanced, i.e., the estimated revenues plus beginning fund balance brought forward must equal appropriations and be prepared on a basis consistent with generally accepted accounting principles (GAAP) as applicable to governmental units. The County may, at any time within a fiscal year, amend a budget for that year as follows:

Appropriations for expenditures in any fund may be decreased and other appropriations in the same fund correspondingly increased by motion recorded in the minutes. The budget officer may authorize certain inter-departmental and intra-departmental budget amendments, provided that the total appropriation of the fund is not changed. All annual appropriations lapse at fiscal year-end.

OTHER POST-EMPLOYMENT BENEFITS

Benefit changes: None

Changes of assumptions: The discount rate was changed as follows:

<u>Discount Rate</u>	
9/30/2018	3.50%
9/30/2019	3.83%

COMBINING INDIVIDUAL FUND STATEMENTS AND SCHEDULES

NONMAJOR GOVERNMENTAL FUNDS

SPECIAL REVENUE FUNDS

Fine and Forfeiture Fund - accounts for fines, forfeitures and various other assessments used for law enforcement purposes.

State Matching Program Fund - accounts for state and local funding used for mosquito and other arthropod control.

Grants Fund - accounts for state and federal funding not associated with any other fund.

Enhanced 911 Telephone System Fund - accounts for funds used to maintain the 911 telephone system.

Electric Franchise Fee Fund – accounts for funds from the Electric Franchise fee.

Local Option Tourist Tax Fund - accounts for tax revenues to be used for tourist development activities.

Impact Fees Fund – accounts for impact fees collected to provide for new infrastructure.

SHIP (State Housing Initiative Partnership) Fund - accounts for state funds received to provide housing assistance to low and middle income families.

Disaster Fund – accounts for federal, state and local funding relating to recovery from natural disasters.

MSBU (Municipal Service Benefit Unit) Fund – accounts for special assessments levied against property owners for capital improvements or services rendered for benefit of the affected areas.

Clerk's Courts Fund – accounts for the court related activities of the Clerk of the Court.

Clerk's Courts Technology Fund – accounts for the court technology related activities of the Clerk of the Court.

Clerk's RMTF (Records Modernization Trust Fund) – accounts for fees received that are legally restricted for the modernization of the public records maintained by the Clerk's office.

Clerk's Child Support Title IV-D – accounts for activities related to Title IV-D child support cases. The funding provides assistance to the plaintiff and enforcement of collections through the Office of Child Support Enforcement.

NONMAJOR GOVERNMENTAL FUNDS

SPECIAL REVENUE FUNDS - Continued

Sheriff's Grants Fund – accounts for federal and state grants received by the Sheriff's department for specific programs. Not budgeted.

Sheriff's Second Dollar Fund – accounts for shared fine revenues which are legally restricted for law enforcement training purposes. Not budgeted.

Sheriff's Prisoner Recreation Fund – accounts for jail commissary and vending machine revenues that are restricted to providing recreational facilities and equipment for prisoners. Not budgeted.

Sheriff's Federal Seizure Fund – accounts for shared seizure revenues from the United States Department of Justice which are to be used for law enforcement purposes. Not budgeted.

Sheriff's Local Option Sales Tax Fund – accounts for appropriations from the half-cent local option sales tax revenues which are restricted for capital-related purchases and construction projects.

DEBT SERVICE FUND

Debt Service Fund - accounts for the funds used to pay down debt related to governmental funds.

CAPITAL PROJECTS FUNDS

District One Capital Projects Fund - accounts for the construction of sports and recreation facilities in District One.

District Two Capital Projects Fund - accounts for the construction of sports and recreation facilities in District Two.

District Three Capital Projects Fund - accounts for the construction of sports and recreation facilities in District Three.

District Four Capital Projects Fund - accounts for the construction of sports and recreation facilities in District Four.

District Five Capital Projects Fund - accounts for the construction of sports and recreation facilities in District Five.

Other Capital Projects Fund - accounts for the purchase or construction of other capital facilities which are not financed by proprietary funds or trust funds.

STATISTICAL SECTION

Statistical Section

This part of Santa Rosa County's comprehensive annual financial report presents detailed information as a context for understanding what the information in the financial statements, note disclosures and required supplementary information says about the government's overall financial health.

Contents	Page
Financial Trends These schedules contain trend information to help the reader understand how the government's financial performance and well-being have changed over time.	121
Revenue Capacity These schedules contain information to help the reader assess the governments most significant local revenue source, the property tax.	127
Debt Capacity These schedules present information to help the reader assess the affordability of the government's current levels of outstanding debt and the government's ability to issue additional debt in the future.	131
Demographic and Economic Information These schedules offer demographic and economic indicators to help the reader understand the environment which the government's financial activities take place.	134
Operating Information These schedules contain service and infrastructure data to help the reader understand how the information in the government's financial report relates to the services the government provides and the activities it performs.	137

Sources: Unless otherwise noted, the information in these schedules is derived from the comprehensive financial reports for the relevant year.

COMPLIANCE SECTION

**INDEPENDENT ACCOUNTANTS' REPORT ON EXAMINATION OF
COMPLIANCE REQUIREMENTS IN ACCORDANCE WITH CHAPTER 10.550,
RULES OF THE AUDITOR GENERAL**

The Honorable Board of County Commissioners
Santa Rosa County, Florida

We have examined Santa Rosa County, Florida's, (hereinafter referred to as the "the County") compliance with the following requirements for the year ended September 30, 2019:

- (1) Florida Statute 218.415 in regards to investments.
- (2) Florida Statute 288.8018 in regards to the Deepwater Horizon Oil Spill receipts and expenditures.
- (3) Florida Statutes 365.172 and 365.173 in regards to use of E-911 revenues and expenditures.

Management is responsible for the County's compliance with those requirements. Our responsibility is to express an opinion on the County's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the County's compliance with specified requirements.

In our opinion, the County has complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2019.

Warren Averett, LLC

Pensacola, Florida
March 20, 2020

**INDEPENDENT AUDITORS' REPORT ON THE SCHEDULE OF RECEIPTS AND
EXPENDITURES OF FUNDS RELATED TO THE DEEPWATER HORIZON OIL SPILL**

The Honorable Board of County Commissioners
Santa Rosa County, Florida

We have audited the financial statements of the governmental activities, the business type activities, each major fund, and the aggregate remaining fund information of Santa County, Florida as of and for the year ended September 30, 2019, and have issued our report thereon dated March 20, 2020 which contained an unmodified opinion on those financial statements.

The Schedule of Receipts and Expenditures of Funds related to the Deepwater Horizon Oil Spill on page 141 is presented for the purpose of additional analysis as required by Florida Statute 288.8018 and the Rules of the Auditor General Chapter 10.557(3)(f), and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

MANAGEMENT LETTER

The Honorable Board of County Commissioners
Santa Rosa County, Florida

Report on the Financial Statements

We have audited the financial statements Santa Rosa County, Florida (hereinafter referred to as the "County"), as of and for the year ended September 30, 2019, and have issued our report thereon dated March 20, 2020.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements of Federal Awards (Uniform Guidance); and Chapter 10.550 *Rules of the Florida Auditor General*.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control Over Financial Reporting and Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*; Independent Auditor's Report on Compliance for Each Major Federal Program and State Project and Report on Internal Control over Compliance; Schedule of Findings and Questioned Costs; and Independent Accountants' Report on Examination of Compliance Requirements in Accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports and schedules, which are dated March 20, 2020, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. Corrective actions have been taken to address findings and recommendations made in the preceding financial audit report.

Financial Condition and Management

Sections 10.554(1)(i)5.a. and 10.556(7), *Rules of the Auditor General*, require that we apply appropriate procedures and report the results of our determination as to whether or not the County has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and identification of the specific condition(s) met. In connection with our audit, we determined that the County did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), *Rules of the Auditor General*, we applied financial condition assessment procedures. It is management's responsibility to monitor the County's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same.

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we communicate in the management letter any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Special District Component Units

Section 10.554(1)(i)5.d, *Rules of the Auditor General*, requires that we determine whether or not a special district that is a component unit of the County provided the financial information necessary for proper reporting of the component unit, within the audited financial statements of the County in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we determined that all special district component units provided the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes.

Additional Matters

Section 10.554 (1)(i)3., *Rules of the Auditor General*, requires that we communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, and applicable management and is not intended to be and should not be used by anyone other than these specified parties.

The Honorable Board of County Commissioners
Santa Rosa County, Florida

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities, business-type activities, each major fund and the aggregate remaining fund information of Santa Rosa County, Florida, (hereinafter referred to as "County"), as of and for the year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated March 20, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts.

Compliance and Other Matters – Continued

However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH
MAJOR FEDERAL PROGRAM AND STATE PROJECT AND ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND CHAPTER 10.550,
RULES OF THE AUDITOR GENERAL**

Board of County Commissioners
Santa Rosa County, Florida

Report on Compliance for Each Major Federal Program and State Project

We have audited the compliance of Santa Rosa County, Florida (hereinafter referred to as "County"), with the types of compliance requirements described in the U. S. Office of Management and Budget (OMB) *Compliance Supplement*, and the requirements described in the State of Florida Department of Financial Services' *State Projects Compliance Supplement*, that could have a direct and material effect on each of the County's major federal programs and state projects for the year ended September 30, 2019. The County's major federal program and state projects are identified in the summary of auditor results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal and state statutes, regulations, and the terms and conditions of its federal and state awards applicable to its federal programs and state projects.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the County's major federal programs and state projects based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and Chapter 10.550, *Rules of the Auditor General*. Those standards, the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program or state project occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program and state project. However, our audit does not provide a legal determination of the County's compliance with those requirements.

Opinion on Each Major Federal Program and State Project

In our opinion, the County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended September 30, 2019.

Report on Internal Control over Compliance

Management of the County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the County's internal control over compliance with requirements that could have a direct and material effect on each major federal program or state project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for each major federal program and state project and to test and report on internal control over compliance in accordance with the Uniform Guidance and the Florida Department of Financial Services *State Projects Compliance Supplement*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards and State Financial Assistance Required by the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Santa Rosa County, Florida, as of and for the year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the County's basic financial statements. We issued our report thereon dated March 20, 2020, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance is presented for the purposes of additional analysis as required by the Uniform Guidance, and Chapter 10.550, *Rules of the Auditor General*, and is not a required part of the financial statements.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements.

The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards and State Financial Assistance is fairly stated in all material respects in relation to the financial statements as a whole.

Purpose of this Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*. Accordingly, this report is not suitable for any other purpose.

**SANTA ROSA COUNTY, FLORIDA
NOTES TO THE SCHEDULE OF EXPENDITURES OF
FEDERAL AWARDS AND STATE FINANCIAL ASSISTANCE
FOR THE YEAR ENDED SEPTEMBER 30, 2019**

1. BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance (the Schedule) includes the federal and state grant activity of Santa Rosa County, Florida under programs of the federal and state government for the year ended September 30, 2019. The information in this Schedule is presented in accordance with the requirements of Title 2 *U.S. Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), Chapter 69I-5, State Financial Assistance, Rules of the Department of Financial Services, and Chapter 10.550, *Rules of the Auditor General*. Therefore, some amounts presented in this Schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

2. SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the schedule are reported on the modified accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance and Chapter 69I-5, State Financial Assistance, Rules of the Department of Financial Services, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Santa Rosa County, Florida elected to utilize the 10 percent de minimis indirect cost rate allowed under the Uniform Guidance.

INDEPENDENT AUDITORS' REPORT

Honorable Donald Spencer – Clerk of Court and Comptroller
Santa Rosa County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of each major fund and the aggregate remaining fund information of the Office of Clerk of Court and Comptroller of Santa Rosa County, Florida (hereinafter referred to as “Clerk”) as of and for the year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the Clerk’s financial statements, as listed in the table of contents.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors’ Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors’ judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Clerk’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Clerk’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of each major fund and the aggregate remaining fund information of the Clerk, as of September 30, 2019, and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above have been prepared for the purpose of complying with the Rules of the Auditor General, State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of each major fund, and aggregate remaining fund information, only for that portion of the major funds, and the aggregate remaining fund information, of Santa Rosa County, Florida that are attributable to the Clerk. They do not purport to, and do not present fairly the financial position of Santa Rosa County, Florida, as of September 30, 2019, and the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to these matters.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the budgetary comparison schedules and notes on pages 14-16 be presented to supplement the basic financial statements. Such information, although not a part of the financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the financial statements, and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements. The accompanying supplementary information, the combining fund financial statement on page 17, is presented for purposes of additional analysis and is not a required part of these financial statements. These statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements.

The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects in relation to the financial statements taken as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 15, 2020, on our consideration of the Clerk's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, rules, regulations, contracts and grant agreements and other matters included under the heading "*Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with Government Auditing Standards.*" The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

**SANTA ROSA COUNTY, FLORIDA CLERK OF COURT AND COMPTROLLER
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2019**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the financial statements follows:

Reporting Entity

The Office of the Clerk of Court and Comptroller of Santa Rosa County, Florida (the "Clerk") was established as a constitutional office of Santa Rosa County, Florida (the "County") by Article VIII, Section 1 (d) of the Constitution of the State of Florida. The Clerk is an elected official of the County and serves as Clerk of the Circuit Court (duties described in Chapter 28, Florida Statutes), Clerk of the County Court (duties described in Chapter 34, Florida Statutes) and Clerk and Accountant to the Santa Rosa County Board of County Commissioners (the "BOCC") (in this capacity the Clerk is required to keep the minutes of the county commission, keep the accounts of the County, invest county funds and perform such other duties as provided by law). The Clerk's office is funded by appropriations from the BOCC and by fees charged for providing court-related services. Although the Clerk is operationally autonomous from the BOCC, it does not hold sufficient corporate powers to be considered a legally separate entity for financial reporting purposes. Therefore, the Clerk is considered part of the County's primary government.

These financial statements of the Clerk are not intended to be a complete presentation of the financial position and results of operations of the County, taken as a whole. As permitted by Chapter 10.556(4), Rules of the Auditor General State of Florida, the financial statements consist of only the *fund level* financial statements, as defined in GASB Statement No. 34, and do not include presentations of *government-wide* financial statements of the Clerk.

Fund Accounting

The accounting system of the Clerk's office is organized and operated on a fund basis. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts recording cash and financial resources, together with all related liabilities and residual equities or balances and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations.

The funds utilized by the Clerk are as follows:

Governmental Funds

These funds utilize a modified accrual basis of accounting. The measurement focus is upon determination of financial position and changes in financial position (sources, uses and balances of financial resources rather than upon net income determination).

**SANTA ROSA COUNTY, FLORIDA CLERK OF COURT AND COMPTROLLER
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2019**

1. SUMMARY OF ACCOUNTING POLICIES – CONTINUED

Governmental Funds – Continued

The Clerk reports the following major governmental funds:

General Fund is used to account for all financial resources that are generated from operations of the office, appropriations from the BOCC and any other resources not required to be accounted for in another fund.

Courts Fund is a special revenue fund used to account for all court-related activities and court-related financial resources of the Clerk.

Courts Technology Fund is a special revenue fund used to account for the court-related technology needs of the Clerk.

Records Modernization Trust Fund is a special revenue fund used to account for monies collected according to Chapter 28.24, Florida Statutes, to be used exclusively for equipment, personnel training and technical assistance in modernizing the official records system and to pay for equipment and start-up costs necessitated by a statewide recording system.

Non-major governmental fund of the Clerk is as follows:

Title IV-D Fund is a special revenue fund used to account for activities related to Title IV-D child support cases. The funding provides assistance to the plaintiff and enforcement of collections through the Office of Child Support Enforcement.

Fiduciary Funds

The Clerk uses agency funds to account for assets being held in a custodial capacity for individuals, private organizations and/or other governments. Assets equal liabilities in agency funds.

Basis of Accounting

Basis of accounting refers to *when* revenues and expenditures are recognized in the accounts and reported in the financial statements. The basis of accounting relates to the timing of the measurement made, regardless of the measurement focus applied. All governmental funds are accounted for using the modified accrual basis of accounting. Revenues are recognized when they become both measurable and available as net current assets. The Clerk considers receivables collected within 60 days after year-end to be available and recognizes them as revenues of the current year. Expenditures are recognized when the related fund liability is incurred. Agency funds use the accrual basis of accounting.

Cash and Cash Equivalents

The Clerk's cash and cash equivalents consists of cash on hand, demand deposits and short-term investments with original maturities of three months or less from the date of acquisition

**SANTA ROSA COUNTY, FLORIDA CLERK OF COURT AND COMPTROLLER
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2019**

1. SUMMARY OF ACCOUNTING POLICIES – CONTINUED

Accounting for Capital Assets

Capital assets (vehicles, equipment and other tangible property and certain intangible property costing at least \$1,000, with a useful life of more than one year) are recorded as expenditures at the time of purchase. These assets are capitalized at cost and are accounted for in the County's government-wide financial statements.

Compensated Absences

Employees accumulate a limited amount of earned, but unused annual, sick and compensatory leave, which will be paid upon separation from service. Unpaid, compensated absences are recorded as a liability, when the benefits are earned in the County's government-wide financial statements. For the governmental fund statements, expenditures are recognized when payments are made to employees.

Unspent Revenue

Annually, the Clerk must remit to the Board any unspent revenues attributable to non-court-related functions. Additionally, the Clerk must calculate and remit to the Department of Revenue Clerks of Courts Trust Fund the unspent revenues attributable to state-funded, court-related functions. These amounts are reported as due to other governmental units at year-end.

Fund Balances

Fund balances are classified either as non-spendable or as restricted, committed, assigned and unassigned based on the extent to which there are external and internal constraints on the spending of these fund balances.

2. CASH

At September 30, 2019, the banks reported deposits before outstanding checks of approximately \$8.4 million, all of which were held by a financial institution designated as a qualified public depository by the State Treasurer. All deposits were fully-insured through a combination of federal depository insurance and participation of the financial institution in the multiple financial institution collateral pool as specified in Chapter 280, Florida Statutes. Accordingly, risk of loss due to bank failure is not significant.

3. PENSION AND RETIREMENT PLAN

Substantially, all full-time employees of the Clerk are covered by the Florida Retirement System (FRS). The FRS was established in 1970 by Chapter 121, Florida Statutes and is administered by the Florida Department of Management Services, Division of Retirement. Changes to the FRS can be made only by an act of the Florida Legislature. Rules governing the operation and administration of the system may be found in Chapter 60S of the Florida Administrative Code. The FRS issues a financial report that includes financial statements and required supplementary information. The report may be obtained at www.myfrs.com or by writing to FRS, 2639-C North Monroe Street, Tallahassee, Florida 32399.

**SANTA ROSA COUNTY, FLORIDA CLERK OF COURT AND COMPTROLLER
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2019**

3. PENSION AND RETIREMENT PLAN – CONTINUED

The FRS offers two retirement plans – the FRS Pension Plan and the FRS Investment Plan. An employee may participate in only one of the plans. Both plans, effective July 1, 2011, are funded monthly by a combination of employer and employee contributions.

The FRS Pension Plan is a multiple employer cost sharing defined benefit plan, which provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. For employees who were enrolled in the plan prior to July 1, 2011, normal retirement benefits are available at age 62 with six or more years of service, or to those employees who have at least 30 years of creditable service, regardless of age. Early retirement is available after six years of service with a 5% reduction of benefits for each year prior to the normal retirement age.

For employees enrolling in the plan for the first time on or after July 1, 2011, normal retirement benefits are available at age 65 with eight or more years of service, or to those employees who have at least 33 years of creditable service, regardless of age. Early retirement is available after eight years of service with a 5% reduction of benefits for each year prior to the normal retirement age.

Retirement age and years of service requirements also vary depending on membership class. Retirement benefits are based upon age, average compensation and years-of-service credit where average compensation is computed as the average of the members highest five (if enrolled prior to July 1, 2011) or eight (if enrolled on or after July 1, 2011) fiscal years of earnings.

The FRS Investment Plan is a defined contribution plan funded monthly by employer and employee contributions based on salary and membership class. Employer contributions vest after one year of service, whereas employee contributions vest immediately. Members in the Investment Plan decide how their funds are allocated between various investment accounts, and the vested funds are portable upon termination.

The final retirement benefit is equal to the vested contributions plus investment earnings less expenses and losses allocated to the member's account. Members in the Investment Plan are not eligible for participation in the Deferred Retirement Option Program (DROP).

DROP is available for members of the FRS Pension Plan, who are vested and elect to participate in DROP within one year after reaching normal retirement age. Under this program, a member effectively retires while continuing to be employed for up to five years. While in DROP, the member's deferred monthly retirement benefits accumulate, earning interest and cost-of-living increases. When the DROP period is over, the participant terminates covered employment and begins receiving their predetermined monthly retirement benefit, as well as the accrued DROP benefit. Disability retirees are not eligible to participate in DROP, and DROP participants do not qualify for disability retirement.

Prior to July 2011, the plans were noncontributory for employees with all contributions being the participating FRS employer's responsibility. Effective July 1, 2011, participating employees contribute 3% of their gross salaries each pay period to the plan. Participating employer contributions are based upon rates established by the State of Florida.

**SANTA ROSA COUNTY, FLORIDA CLERK OF COURT AND COMPTROLLER
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2019**

3. PENSION AND RETIREMENT PLAN – CONTINUED

Blended contribution rates for the fiscal year ended September 30, 2019, were as follows: regular employees – 8.31%, special risk employees – 24.75%, elected officials – 48.73%, senior management employees – 24.40% and DROP participants – 14.17%. The Clerk’s contributions to the Pension Plan, funded on a pay-as-you-go basis, were equal to the actuarially determined contributions for each year. Contributions to the Investment Plan were equal to the legislatively-mandated contribution rates. Contributions to both plans totaled \$387,572, \$355,131 and \$351,182 for the years ended September 30, 2019, 2018 and 2017, respectively.

Net Pension Liability – Proportionate Share

The Clerk has a net FRS pension liability determined in accordance with GASB Statement No. 68, *Accounting and Financial Reporting for Pensions*. This long-term liability is only reported in the county-wide financial statements and is not a current liability of the governmental funds. All required disclosures and schedules may be found in the County’s Comprehensive Annual Financial Report of Santa Rosa County, Florida.

4. OTHER POST-EMPLOYMENT BENEFIT (OPEB) PLAN

The Board offers post-employment health care benefits (OPEB) to all retired employees of the Clerk’s Office and their dependents. Participating retirees are required to reimburse the Board for 100% of the premium cost, which is netted against the premium payment, so that no net expense is initially recorded in the Board’s financial statements. However, these retirees are receiving an “implicit subsidy” because the premium is a group rate, which includes active, lower cost employees. This implicit subsidy has a cost; however, this annual cost and the total OPEB liability are measured as the portion of the actuarial present value of projected benefit payments that is attributed to past periods of employee service. The total OPEB liability and other required disclosures have been calculated for the County as a whole, and not separately for the Clerk’s Office. Accordingly, these calculations and disclosures can be found in the County’s Comprehensive Annual Financial Report.

5. FUND BALANCES

Fund balances consist of the following:

Non-spendable fund balances include amounts that cannot be spent because they are not in spendable form or are legally or contractually required to be maintained intact. The Clerk does not have any non-spendable fund balances.

**SANTA ROSA COUNTY, FLORIDA CLERK OF COURT AND COMPTROLLER
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2019**

5. FUND BALANCES – CONTINUED

The remaining fund balances are classified as follows depending on the Clerk’s ability to control their spending:

Restricted fund balances can only be used for specific purposes, which are externally imposed by creditors, grantors, contributors or laws or regulations or are imposed by law through constitutional provisions or enabling legislation. As of September 30, 2019, the Clerk had restricted fund balances for state court operations of \$654,708 and for records modernization and court equipment and technology of \$769,680.

Committed fund balances can only be used for specific purposes imposed internally by the Clerk’s formal action of highest level of decision-making authority. At year end, the Clerk had no committed fund balances.

Assigned fund balances are fund balances intended to be used for specific purposes, but which do not meet the more formal criterion to be considered either restricted or committed. At year end, the Clerk had no assigned fund balances.

Unassigned fund balances represent the residual positive fund balance within the General Fund, which has not been assigned to other funds and has not been restricted, committed or assigned. In funds other than the General Fund, unassigned fund balances are limited to negative residual balances. At year end, the Clerk had no unassigned fund balances because all unspent revenues of the General Fund are required to be returned to the BOCC, and there were no negative residual balances in the special revenue funds.

6. CLAIMS AND CONTINGENCIES

The Clerk is involved from time to time in routine civil litigation incidental to the ordinary course of operations. In the opinion of management and legal counsel, there are no lawsuits or claims outstanding, which might materially affect the financial position of the Clerk’s Office.

7. RISK MANAGEMENT

The Clerk is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Board maintains a Self-Insurance Fund (an internal service fund) to account for and finance its uninsured risks of loss.

Under this program the County is self-insured with respect to the following exposures:

- Workers Compensation
- Auto Physical Damage
- Auto Liability
- Construction and Road Equipment
- Portable Communication Equipment

**SANTA ROSA COUNTY, FLORIDA CLERK OF COURT AND COMPTROLLER
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2019**

7. RISK MANAGEMENT – CONTINUED

The County is covered by outside insurance for the following exposures:

- Building and contents, \$5,000 deductible
- Employee Fidelity
- General Liability, \$25,000 deductible
- Public Officials' Liability, \$25,000 deductible

Conventional insurance remains in effect for buildings and contents. There also were no significant reductions in insurance coverage from the prior year and settled claims resulting from conventional insurance risks have not exceeded coverage in any of the past three fiscal years. The County is a member of the Florida Association of Counties Trust, a pooled liability program providing general liability coverage and public official's liability coverage. The Clerk participates in the program and makes payments to the Self-Insurance Fund based on historical estimates of amounts needed to pay prior and current year claims and to establish a reserve for catastrophe losses.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Honorable Donald Spencer – Clerk of Court and Comptroller
Santa Rosa County, Florida

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of each major fund and the aggregate remaining fund information of the Office of Clerk of Court and Comptroller of Santa Rosa County, Florida (hereinafter referred to as “Clerk”), as of and for the year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the Clerk’s financial statements and have issued our report thereon dated January 15, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Clerk’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Clerk’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Clerk’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency or a combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Clerk's financial statements are free of material misstatement, we performed tests of compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

**INDEPENDENT ACCOUNTANTS' REPORT ON EXAMINATION OF
COMPLIANCE REQUIREMENTS IN ACCORDANCE WITH CHAPTER 10.550,
RULES OF THE AUDITOR GENERAL**

Honorable Donald Spencer – Clerk of Court and Comptroller
Santa Rosa County, Florida

We have examined the Office of Clerk of Court and Comptroller of Santa Rosa County, Florida's (hereinafter referred to as the "Clerk") compliance with Florida Statute 218.415 in regards to investments, Florida Statutes 28.35 and 28.36 in regard to certain court-related functions and Florida Statute 61.181 in regard to operation of a depository for alimony and child support for the year ended September 30, 2019. Management is responsible for the Clerk's compliance with those requirements. Our responsibility is to express an opinion on the Clerk's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Clerk complied, in all material respects, with the specified requirements. An examination involves performing procedures to obtain evidence about whether the Clerk complied with the specified requirements. The nature, timing and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Clerk's compliance with specified requirements.

In our opinion, the Clerk complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2019.

MANAGEMENT LETTER

Honorable Donald Spencer – Clerk of Court and Comptroller
Santa Rosa County, Florida

Report on the Financial Statements

We have audited the financial statements (“financial statements”) of each major fund and the aggregate remaining fund information of the Office of Clerk of Court and Comptroller of Santa Rosa County, Florida (hereinafter referred to as “Clerk”), as of and for the year ended September 30, 2019, and have issued our report thereon dated January 15, 2020.

Auditors’ Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and Chapter 10.550, *Rules of the Auditor General*.

Other Reporting Requirements

We have issued our Independent Auditors’ Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards* and Independent Accountant’s Report on Examination of Compliance Requirements in Accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports, which are dated January 15, 2020, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no recommendations made in the preceding audit report.

Financial Management

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554 (1)(i)3., *Rules of the Auditor General*, requires us to communicate noncompliance with provisions of contracts or grant agreements or abuse that have occurred or are likely to have occurred that have an effect on the financial statements that is less than material, but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, the Clerk and the Santa Rosa County Board of County Commissioners and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT

Honorable Gregory S. Brown
Santa Rosa County Property Appraiser

Report on the Financial Statements

We have audited the accompanying financial statements of the general fund of the Santa Rosa County Florida Property Appraiser (the Property Appraiser), as of and for the fiscal year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the Property Appraiser's financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to an express opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the general fund of the Property Appraiser as of September 30, 2019, and the changes in financial position thereof for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of the general fund of the Property Appraiser. They do not purport to, and do not, present fairly the financial position of Santa Rosa County, Florida as of September 30, 2019, and the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to these matters.

Other Matters**Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that the budgetary comparison schedule, as listed in the table of contents, be presented to supplement the financial statements. Such information, although not a required part of the financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the financial statements, and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report on our consideration of the Property Appraiser's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, rules, regulations, contracts and grant agreements and other matters included under the heading "Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*". The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Property Appraiser's internal control over financial reporting and compliance.

**SANTA ROSA COUNTY, FLORIDA
PROPERTY APPRAISER
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2019**

1. SUMMARY OF ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the financial statements follows.

Reporting Entity

The Santa Rosa County, Florida Property Appraiser (the "Property Appraiser"), as established by Article VIII of the Constitution of the State of Florida, is an elected official of Santa Rosa County, Florida (the "County"). Although the Property Appraiser is operationally autonomous from the Santa Rosa County Board of County Commissioners (the "Board"), it does not hold sufficient corporate powers to be considered a legally separate entity for financial reporting purposes. Therefore, the Property Appraiser is considered part of the County's primary government.

The financial statements of the Property Appraiser are not intended to be a complete presentation of the financial position and results of operations of the County taken as a whole. As permitted by Chapter 10.556(4), Rules of the Auditor General State of Florida, the financial statements consist of only the fund level financial statements as defined in GASB Statement No. 34, and do not include presentations of government-wide financial statements of the Property Appraiser.

Fund Accounting

The accounting system of the Property Appraiser is organized and operated on a fund basis. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts recording cash and financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations.

The general fund of the Property Appraiser is used to account for all financial resources, which are generated from operations of the office, appropriations from the Board or any other resources not required to be accounted for in another fund. The measurement focus is upon determination of financial position and changes in financial position (sources, uses and balances of financial resources rather than upon net income determination).

Basis of Accounting

Basis of accounting refers to *when* revenues and expenditures are recognized in the accounts and reported in the financial statements. The basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied. The general fund uses the modified accrual basis of accounting. Its revenues are recognized when they become both measurable and available as net current assets. The Property Appraiser considers receivables collected within 60 days after year-end to be available and recognizes them as revenues of the current year. Expenditures are recognized when the related fund liability is incurred, except for compensated absences.

Accounting for Capital Assets

Capital assets (vehicles, equipment and other tangible and certain intangible property costing at least \$1,000 with a useful life of more than one year) are recorded as expenditures at the time of purchase. These assets are capitalized at cost and accounted for in the County's government-wide financial statements.

**SANTA ROSA COUNTY, FLORIDA
PROPERTY APPRAISER
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2019**

1. SUMMARY OF ACCOUNTING POLICIES – CONTINUED

Compensated Absences

Employees accumulate a limited amount of earned, but unused annual and sick leave, which will be paid upon separation from service. Unpaid compensated absences are recorded as a liability when the benefits are earned in the County's government-wide financial statements. For the general fund, compensated absence expenditures are recognized when payments are made to employees.

Unspent Revenue and Fund Balance

In accordance with Section 218.36(2), Florida Statutes, unspent revenue is remitted to the Board at fiscal year-end. This unspent revenue is reported as "Due to Board of County Commissioners." Therefore, fund balance is zero.

Subsequent Events

The Property Appraiser has evaluated events and transactions that occurred between September 30, 2019 and December 27, 2019, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

2. CASH

At September 30, 2019, the bank reported deposits before outstanding checks of \$398,440, all of which were held by a financial institution designated as "a qualified public depository" by the State Treasurer. All deposits were fully insured through a combination of Federal depository insurance and participation of the financial institution in the multiple financial institution collateral pool as specified in Chapter 280, Florida Statutes. Accordingly, risk of loss due to bank failure is not significant.

3. PENSION AND RETIREMENT PLAN

Substantially all full-time employees of the Property Appraiser are covered by the Florida Retirement System (FRS). The FRS was established in 1970 by Chapter 121, Florida Statutes and is administered by the Florida Department of Management Services, Division of Retirement. Changes to the FRS can be made only by an act of the Florida Legislature. Rules governing the operation and administration of the system may be found in Chapter 60S of the Florida Administrative Code. The FRS issues a financial report that includes financial statements and required supplementary information. The report may be obtained at www.myfrs.com or by writing to FRS, 2639-C North Monroe Street, Tallahassee, Florida 32399.

The FRS offers two retirement plans – the FRS Pension Plan and the FRS Investment Plan. An employee may participate in only one of the plans. Both plans, effective July 1, 2011, are funded monthly by a combination of employer and employee contributions.

The FRS Pension Plan is a multiple employer, cost-sharing defined benefit plan, which provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. For employees who were enrolled in the plan prior to July 1, 2011, normal retirement benefits are available at age 62 with six or more years of service, or to those employees who have at least 30 years of creditable service, regardless of age.

**SANTA ROSA COUNTY, FLORIDA
PROPERTY APPRAISER
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2019**

3. PENSION AND RETIREMENT PLAN – CONTINUED

Early retirement is available after six years of service with a 5% reduction of benefits for each year prior to the normal retirement age. For employees enrolling in the plan for the first time on or after July 1, 2011, normal retirement benefits are available at age 65 with eight or more years of service, or to those employees who have at least 33 years of creditable service, regardless of age.

Early retirement is available after eight years of service with a 5% reduction of benefits for each year prior to the normal retirement age. Retirement age and years of service requirements also vary depending on membership class.

Retirement benefits are based upon age, average compensation and years-of-service credit where average compensation is computed as the average of the members highest five (if enrolled prior to July 1, 2011) or eight (if enrolled on or after July 1, 2011) fiscal years of earnings.

The FRS Investment Plan is a defined contribution plan funded monthly by employer and employee contributions based on salary and membership class. Employer contributions vest after one year of service, whereas employee contributions vest immediately. Members in the Investment Plan decide how their funds are allocated between various investment accounts, and the vested funds are portable upon termination. The final retirement benefit is equal to the vested contributions plus investment earnings, less expenses and losses allocated to the member's account. Members in the Investment Plan are not eligible for participation in the Deferred Retirement Option Program (DROP).

The Deferred Retirement Option Program (DROP) is available for members of the FRS Pension Plan, who are vested and elect to participate in DROP within one year after reaching normal retirement age. Under this program, a member effectively retires while continuing to be employed for up to five years. While in DROP, the member's deferred monthly retirement benefits accumulate, earning interest and cost-of-living increases. When the DROP period is over, the participant terminates covered employment and begins receiving their predetermined monthly retirement benefit, as well as the accrued DROP benefit.

Disability retirees are not eligible to participate in DROP and DROP participants do not qualify for disability retirement.

Prior to July 2011, the plans were noncontributory for employees with all contributions being the participating FRS employer's responsibility. Effective July 1, 2011, participating employees contribute 3% of their gross salaries each pay period to the plan. Participating employer contributions are based upon statewide rates established by the State of Florida. Average contribution rates for the fiscal year ended September 30, 2019, were as follows: regular employees-8.31%, special risk employees-24.75%, elected officials-48.73%, senior management employees-24.40%, and DROP participants-14.17%.

The Property Appraiser's contributions to the Pension Plan, funded on a pay-as-you-go basis, were equal to the actuarially determined contributions for each year. Contributions to the Investment Plan were equal to the legislatively-mandated contribution rates.

**SANTA ROSA COUNTY, FLORIDA
PROPERTY APPRAISER
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2019**

3. PENSION AND RETIREMENT PLAN – CONTINUED

Contributions to both plans totaled \$193,353, \$190,046 and \$170,753 for the years ended September 30, 2019, 2018, and 2017, respectively.

Net Pension Liability - Proportionate Share

The Property Appraiser has a net FRS pension liability determined in accordance with GASB Statement No. 68, *Accounting and Financial Reporting for Pensions*. This long-term liability is only reported in the countywide financial statements and is not a current liability of the general fund. All required disclosures and schedules may be found in the countywide financial statements of Santa Rosa County, Florida.

4. OTHER POSTEMPLOYMENT BENEFIT (OPEB) PLAN

The Board offers post-employment health care benefits (OPEB) to all retired employees of the Property Appraiser's Office and their dependents. Participating retirees are required to reimburse the Board for 100% of the premium cost, which is netted against the premium payment, so that no net expense is initially recorded in the Board's financial statements. However, these retirees are receiving an "implicit subsidy" because the premium is a group rate, which includes active, lower cost employees. This implicit subsidy has a cost; however, this annual cost and the total OPEB liability is measured as the portion of the actuarial present value of projected benefit payments that is attributed to past periods of employee service. The total OPEB liability and other required disclosures have been calculated for the County as a whole and not separately for the Property Appraiser's Office. Accordingly, these calculations and disclosures can be found in the County's Comprehensive Annual Financial Report.

5. RISK MANAGEMENT

The Property Appraiser is exposed to various risks of loss related to torts: theft and damage of assets, errors and omissions, injuries to employees and natural disasters. The Board has a Self-Insurance Fund (an internal service fund) to account for and finance its uninsured risks of loss.

The County is self-insured with respect to the following exposures:

- Workers Compensation
- Auto Physical Damage
- Auto Liability
- Construction and Road Equipment
- Portable Communication Equipment

**SANTA ROSA COUNTY, FLORIDA
PROPERTY APPRAISER
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2019**

5. RISK MANAGEMENT – CONTINUED

The County is covered by outside insurance for the following exposures:

- Buildings and contents – \$5,000 deductible
- Boats
- Employee Fidelity
- General Liability – \$25,000 deductible
- Public Officials' Liability – \$25,000 deductible

Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years. The County is a member of the Florida Association of Counties Trust, a pooled liability program providing general liability coverage and public official's liability coverage.

The Property Appraiser participates in the County's self-insurance program and makes payments to the Self-Insurance Fund based on historical estimates of the amounts needed to pay prior and current year claims and to establish a reserve for catastrophe losses.

6. LITIGATION

The Property Appraiser is contingently liable with respect to lawsuits and other claims, which might be filed incidental to the ordinary course of operations. In the opinion of management, based on the advice of legal counsel, there are no lawsuits or claims outstanding, which will have a material adverse effect on the financial position of the Property Appraiser's Office.

Budget and Budgetary Accounting

The Property Appraiser operates under budget procedures pursuant to Section 195.087, Florida Statutes. The Property Appraiser's budget is adopted on a basis consistent with accounting principles generally accepted in the United States of America. The legal level of budgetary control is at the fund level.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Honorable Gregory S. Brown
Santa Rosa County Property Appraiser

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Santa Rosa County, Florida Property Appraiser (the Property Appraiser) as of and for the year ended September 30, 2019, and the related notes to the financial statements, and have issued our report thereon dated December 27, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Property Appraiser's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Property Appraiser's internal control. Accordingly, we do not express an opinion on the effectiveness of the Property Appraiser's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency or a combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Property Appraiser's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing and not to provide an opinion on the effectiveness of the Property Appraiser's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Property Appraiser's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

**INDEPENDENT ACCOUNTANTS' REPORT ON EXAMINATION OF
COMPLIANCE REQUIREMENTS IN ACCORDANCE WITH CHAPTER 10.550,
RULES OF THE AUDITOR GENERAL**

Honorable Gregory S. Brown
Santa Rosa County Property Appraiser

We have examined the Office of the Property Appraiser of Santa Rosa County, Florida's (hereinafter referred to as "Property Appraiser") compliance with Florida Statute 218.415 in regards to investments for the year ended September 30, 2019.

Management is responsible for the Property Appraiser's compliance with those requirements. Our responsibility is to express an opinion on the Property Appraiser's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Property Appraiser complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Property Appraiser complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence that we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Property Appraiser's compliance with specified requirements.

In our opinion, the Property Appraiser complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2019.

MANAGEMENT LETTER

Honorable Gregory S. Brown
Santa Rosa County Property Appraiser

Report on the Financial Statements

We have audited the financial statements of the general fund of the Office of the Property Appraiser of Santa Rosa County, Florida, as of and for the fiscal year ended September 30, 2019, and the related notes to the financial statements, and have issued our report thereon dated December 27, 2019.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, *Rules of the Auditor General*.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*; and Independent Accountants' Report on Examination of Compliance Requirements in Accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports, which are dated December 27, 2019 should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no recommendations made in the preceding audit report.

Financial Management

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., *Rules of the Auditor General*, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, the Property Appraiser, the Santa Rosa County Board of County Commissioners, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT

Honorable Robert Johnson, Sheriff
Santa Rosa County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of each major fund and the aggregate remaining fund information of the Office of the Sheriff of Santa Rosa County, Florida ("Sheriff") as of and for the year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the Sheriff's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Sheriff's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of each major fund and the aggregate remaining fund information of the Sheriff as of September 30, 2019, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above have been prepared for the purpose of complying with the Rules of the Auditor General, State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of each major fund, and aggregate remaining fund information, only for that portion of the major funds, and the aggregate remaining fund information, of Santa Rosa County, Florida that are attributable to the Sheriff. They do not purport to, and do not, present fairly the financial position of Santa Rosa County, Florida as of September 30, 2019, and the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to these matters.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the budgetary comparison information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the financial statements, and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements. The accompanying combining fund financial statements, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of these financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report on our consideration of the Sheriff's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters.

Other Reporting Required by *Government Auditing Standards* – Continued

The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Sheriff's internal control over financial reporting and compliance.

**SANTA ROSA COUNTY, FLORIDA SHERIFF
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2019**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the financial statements is as follows:

Reporting Entity

The Office of the Sheriff of Santa Rosa County, Florida (the "Sheriff"), as established by Article VIII of the Constitution of the State of Florida, is an elected official of Santa Rosa County, Florida (the "County"). Although the Sheriff is operationally autonomous from the Santa Rosa County Board of County Commissioners (the "Board"), the Sheriff does not hold sufficient corporate powers to be considered a legally separate entity for financial reporting purposes. Therefore, the Sheriff is considered part of the County's primary government.

These financial statements are not intended to be a complete presentation of the financial position and results of operations of the County taken as a whole. As permitted by Chapter 10.556(4), Rules of the Auditor General State of Florida, the financial statements consist of only the *fund level* financial statements as defined in Governmental Accounting Standards Board ("GASB") Statement No. 34, and do not include presentations of *government-wide* financial statements of the Sheriff.

Fund Accounting

The accounting system of the Sheriff is organized and operated on a fund basis. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts recording cash and financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations. The funds utilized by the Sheriff's office are as follows:

Governmental Funds

These funds utilize a modified accrual basis of accounting. The measurement focus is based upon determination of financial position and changes in financial position (sources, uses, and balances of financial resources rather than upon net income determination). The Sheriff reports the following major governmental funds:

General Fund is used to account for all financial resources which are generated from operations of the office, appropriations from the Board or any other resources not required to be accounted for in another fund.

Jail Commissary Fund accounts for jail commissary and vending machine revenues that are used to provide recreational facilities and equipment for inmates.

Grants Fund accounts for grant revenues and expenditures according to the terms of each grant.

**SANTA ROSA COUNTY, FLORIDA SHERIFF
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2019**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Governmental Funds – Continued

Non-major governmental funds of the Sheriff are as follows:

Second Dollar accounts for shared fine revenues from the Board, which are used for law enforcement training purposes.

Federal Seizure accounts for shared seizure revenues from the United States Department of Justice, which are used for law enforcement purposes.

LOST accounts for the half-penny local options sales tax (LOST) made effective January 1, 2018, which is used towards capital projects.

Fiduciary Funds

The Sheriff uses agency funds to account for assets held in a custodial capacity for others.

Basis of Accounting

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements and relates to the timing of the measurements made, regardless of the measurement focus applied. All governmental funds are accounted for using the modified accrual basis of accounting. Revenues are recognized when they become both measurable and available as net current assets. The Sheriff considers receivables collected within 60 days after year-end to be available and recognizes them as revenues of the current year. Expenditures are recognized when the related fund liability is incurred. Agency funds use the accrual basis of accounting.

Cash and Cash Equivalents

For financial statement reporting, all highly liquid investments with a maturity of three months or less when purchased are considered to be cash equivalents.

Inventory

Inventory, which consists of expendable supplies held for consumption, is stated at cost using the average cost method. Inventory is recorded when consumed rather than when purchased.

Accounting for Capital Assets

Capital assets (vehicles, equipment, and other tangible and certain intangible property costing at least \$1,000 with a useful life of more than one year) are recorded as expenditures by the acquiring fund at the time of purchase. The Sheriff does not engage in the acquisition of public domain (infrastructure) assets.

All capital assets are valued at historical cost, or estimated historical cost if actual historical cost is not available. Donated capital assets are valued at estimated acquisition value on the date donated.

**SANTA ROSA COUNTY, FLORIDA SHERIFF
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2019**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Accounting for Capital Assets – Continued

Depreciation of vehicles and equipment is calculated using the straight-line method over the estimated useful lives of the assets of 3 to 10 years.

Capital assets and related depreciation expense are reported as a component of the County's comprehensive annual financial report and are not reflected in the Sheriff's governmental fund financial statements. Buildings and improvements are owned by the Board of County Commissioners.

Compensated Absences

Employees accumulate a limited amount of earned but unused sick leave, annual leave, and compensatory time, which will be paid upon separation from service. Unpaid compensated absences are recorded as a liability when the benefits are earned in the County's comprehensive annual financial report. For the governmental fund financial statements, expenditures are not recognized until payments are made to employees.

Unspent Appropriations from the Board

In accordance with Section 30.50 (6), Florida Statutes, excess appropriations are returned to the Board at fiscal year-end and are reported in the "due to other governmental units" liability account. Charges for services, interest income, and other miscellaneous revenues collected by the Sheriff are considered to be "agency" transactions not available for expenditure by the Sheriff, and are remitted to the Board on a monthly basis.

Fund Balances

Fund balances are classified as either non-spendable or as restricted, committed, assigned, and unassigned, based on the extent to which there are external and internal constraints on the spending thereof.

2. CASH

The Sheriff's deposits at year-end were held by a financial institution designated as a "qualified public depository" by the State Treasurer. All deposits were fully insured through a combination of Federal depository insurance and participation of the financial institution in the multiple financial institution collateral pool as specified in Chapter 280, Florida Statutes. At September 30, 2019, the reported amount of the Sheriff's deposits was \$3,405,631 and the bank balance was \$4,188,092, consisting entirely of deposits in checking accounts with a financial institution.

**SANTA ROSA COUNTY, FLORIDA SHERIFF
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2019**

3. INTERFUND BALANCES

Interfund balances at September 30, 2019 consisted of the following:

<u>Fund</u>	<u>Receivable</u>	<u>Payable</u>
General Fund	\$ 1,132,249	\$ 14,937
Jail Commissary Fund	-	31,343
Grants	14,937	914,221
Non-major governmental funds	-	186,685
	<u>\$ 1,147,186</u>	<u>\$ 1,147,186</u>

Amounts due to the General Fund from grants and non-major governmental funds are related to advances which will be paid back to the General Fund after taxes are collected and reimbursement is received from grantors, respectively. Amounts due to the General Fund from the Jail Commissary Fund are for various expenditures paid by the General Fund on behalf of the Jail Commissary Fund.

4. PENSION AND RETIREMENT PLAN

Substantially all full-time employees of the Sheriff are covered by the Florida Retirement System (FRS). The FRS was established in 1970 by Chapter 121, Florida Statutes, and is administered by the Florida Department of Management Services, Division of Retirement. Changes to the FRS can be made only by an act of the Florida Legislature. Rules governing the operation and administration of the system may be found in Chapter 60S of the Florida Administrative Code. The FRS issues a financial report that includes financial statements and required supplementary information. The report may be obtained at www.myfrs.com or by writing to FRS, 2639-C North Monroe Street, Tallahassee, Florida 32399.

The FRS offers two retirement plans – the FRS Pension Plan and the FRS Investment Plan. An employee may participate in only one of the plans. Both plans, effective July 1, 2011, are funded monthly by a combination of employer and employee contributions.

The FRS Pension Plan is a multiple employer cost sharing defined benefit plan which provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. For employees who were enrolled in the plan prior to July 1, 2011, normal retirement benefits are available at age 62 with 6 or more years of service, or to those employees who have at least 30 years of creditable service, regardless of age. Early retirement is available after 6 years of service with a 5% reduction of benefits for each year prior to the normal retirement age.

For employees enrolling in the plan for the first time on or after July 1, 2011, normal retirement benefits are available at age 65 with 8 or more years of service, or to those employees who have at least 33 years of creditable service, regardless of age.

**SANTA ROSA COUNTY, FLORIDA SHERIFF
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2019**

4. PENSION AND RETIREMENT PLAN – CONTINUED

Early retirement is available after 8 years of service, with a 5% reduction of benefits for each year prior to the normal retirement age. Retirement age and years of service requirements also vary depending on membership class. Retirement benefits are based upon age, average compensation, and years-of-service credit where average compensation is computed as the average of the members highest 5 (if enrolled prior to July 1, 2011) or 8 (if enrolled on or after July 1, 2011) fiscal years of earnings.

The FRS Investment Plan is a defined contribution plan funded monthly by employer and employee contributions based on salary and membership class. Employer contributions vest after 1 year of service whereas employee contributions vest immediately. Members in the Investment Plan decide how their funds are allocated between various investment accounts and the vested funds are portable upon termination. The final retirement benefit is equal to the vested contributions plus investment earnings less expenses and losses allocated to the member's account. Members in the Investment Plan are not eligible for participation in the Deferred Retirement Option Program (DROP).

DROP is available for members of the FRS Pension Plan who are vested and elect to participate in DROP within 1 year after reaching normal retirement age. Under this program, a member effectively retires while continuing to be employed for up to 5 years. While in DROP, the member's deferred monthly retirement benefits accumulate, earning interest and cost-of-living increases.

When the DROP period is over, the participant terminates covered employment and begins receiving their predetermined monthly retirement benefit, as well as the accrued DROP benefit. Disability retirees are not eligible to participate in DROP and DROP participants do not qualify for disability retirement.

Prior to July 2011, the plans were noncontributory for employees with all contributions being the participating FRS employer's responsibility. Effective July 1, 2011, participating employees contribute 3% of their gross salaries each pay period to the plan. Participating employer contributions are based upon state-wide rates established by the State of Florida. Average contribution rates for the fiscal year ended September 30, 2019 were as follows: regular employees – 8.31%, special risk employees – 24.75%, elected officials – 48.73%, senior management employees – 24.40%, and DROP participants – 14.17%. The Sheriff's contributions to the Pension Plan, funded on a pay-as-you-go basis, were equal to the actuarially determined contributions for each year. Contributions to the Investment Plan were equal to the legislatively-mandated contribution rates. Contributions to both plans totaled \$4,770,306, \$3,890,234, and \$3,487,545 for the years ended September 30, 2019, 2018, and 2017, respectively.

Net Pension Liability – Proportionate Share

The Sheriff has a net FRS pension liability determined in accordance with GASB Statement No. 68, *Accounting and Financial Reporting for Pensions*. This long-term liability is only reported in the County's comprehensive annual financial report and is not a current liability of the governmental funds. All required disclosures and schedules may be found in the comprehensive annual financial report of Santa Rosa County, Florida.

**SANTA ROSA COUNTY, FLORIDA SHERIFF
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2019**

5. OTHER POST-EMPLOYMENT BENEFIT (OPEB) PLAN

The Sheriff offers post-employment health care benefits (OPEB) to all retired employees and their dependents. Participating retirees are required to reimburse the Sheriff for 100% of the premium cost, which is netted against the premium payment, so that no net expenditure is initially recorded in the financial statements. However, these retirees are receiving an “implicit subsidy” because the premium is a group rate, which includes active lower cost employees. This implicit subsidy has a cost; however, the annual cost and the total OPEB liability is measured as the portion of the actuarial present value of projected benefit payments that is attributed to past periods of employee service. The total OPEB liability and other required disclosures have been calculated for the County as a whole and not separately for the Sheriff. Accordingly, these calculations and disclosures can be found in the County’s comprehensive annual financial report.

6. GRANT ASSISTANCE

The Sheriff serves as implementing agency for various grants, which are reported in the Single Audit Report prepared by the Board.

7. RISK MANAGEMENT

The Sheriff is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Board of County Commissioners has established a Self-Insurance Fund (an internal service fund) to account for and finance its uninsured risks of loss. Under this program, the County is self-insured with respect to the following exposures:

- Auto Physical Damage
- Auto Liability
- Construction and Road Equipment
- Portable Communication Equipment
- Workers’ Compensation

The County is covered by outside insurance for the following exposures:

- Employee Fidelity
- General Liability, \$25,000 deductible
- Public Officials’ Liability, \$25,000 deductible
- Building Contents, \$5,000 deductible

Conventional insurance provided by the Florida Sheriff’s Risk Management Fund remains in effect for the Sheriff’s general and professional liability, the Sheriff’s automobiles, and the Sheriff’s medical catastrophic insurance for treatment of prisoners. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

**SANTA ROSA COUNTY, FLORIDA SHERIFF
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2019**

7. RISK MANAGEMENT – CONTINUED

Workers' compensation coverage is provided by the Florida Sheriff's Workers' Compensation Self Insurance Fund. Annual premium costs under this coverage were \$804,271 and \$677,038 for the years ended September 30, 2019 and 2018, respectively. Coverage limits under the policy include \$1,000,000 bodily injury for each accident and \$1,000,000 bodily injury by disease for each employee with a \$1,000,000 limit.

8. FUND BALANCES

Fund balances are classified as follows:

Non-spendable fund balances include amounts that cannot be spent because they are not in spendable form or are legally or contractually required to be maintained intact.

Other fund balance amounts are classified depending on the Sheriff's ability to control the spending of the fund balances as follows:

Restricted fund balances can only be used for specific purposes which are externally imposed by creditors, grantors, contributors, and other governments (via laws and regulations), or are imposed by law through constitutional provisions or enabling legislation.

Committed fund balances can only be used for specific purposes imposed internally by the Sheriff's formal action of highest level of decision-making authority. At year-end, the Sheriff had no committed fund balances.

Assigned fund balances are fund balances intended to be used for specific purposes, but which do not meet the more formal criterion to be considered either restricted or committed. At year-end, the Sheriff had no assigned fund balances.

Unassigned fund balances represent the residual positive fund balance within the General Fund, which has not been assigned to other funds and has not been restricted, committed, or assigned. In funds other than the General Fund, unassigned fund balances are limited to negative residual balances. At year-end, the Sheriff had no unassigned fund balances because all unspent Board appropriations of the General Fund are required to be remitted to the Board and there were no negative residual balances in the special revenue funds.

9. CLAIMS AND CONTINGENCIES

The Sheriff is involved from time to time in routine civil litigation incidental to the ordinary course of operations. In the opinion of management and legal counsel, there are no lawsuits or claims outstanding which might materially affect the financial position of the Sheriff's Office.

BUDGETS AND BUDGETARY ACCOUNTING

The Sheriff operates under budget procedures pursuant to Chapters 30 and 129, Florida Statutes. The General Fund's budget is prepared on a basis consistent with accounting principles generally accepted in the United States of America. The Sheriff is not legally required to prepare a budget for the other governmental funds; therefore, comparative budget and actual results are not presented for these funds. The legal level of budgetary control is the fund level.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

Honorable Robert Johnson, Sheriff
Santa Rosa County, Florida

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of each major fund and the aggregate remaining fund information of the Office of the Sheriff of Santa Rosa County, Florida (hereinafter referred to as the "Sheriff"), as of and for the year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the Sheriff's financial statements, and have issued our report thereon dated January 30, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Sheriff's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Sheriff's internal control. Accordingly, we do not express an opinion on the effectiveness of the Sheriff's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Sheriff's financial statements are free of material misstatement, we performed tests of compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Sheriff's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Sheriff's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

**INDEPENDENT ACCOUNTANTS' REPORT ON EXAMINATION OF COMPLIANCE
REQUIREMENTS IN ACCORDANCE WITH CHAPTER 10.550,
RULES OF THE AUDITOR GENERAL**

Honorable Robert Johnson, Sheriff
Santa Rosa County, Florida

We have examined the Office of the Sheriff of Santa Rosa County, Florida's (hereinafter referred to as the "Sheriff") compliance with Florida Statute 218.415 in regards to investments for the year ended September 30, 2019. Management is responsible for the Sheriff's compliance with those requirements. Our responsibility is to express an opinion on the Sheriff's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Sheriff complied, in all material respects, with the specified requirements. An examination involves performing procedures to obtain evidence about whether the Sheriff complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Sheriff's compliance with specified requirements.

In our opinion, the Sheriff complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2019.

MANAGEMENT LETTER

Honorable Robert Johnson, Sheriff
Santa Rosa County, Florida

Report on the Financial Statements

We have audited the financial statements of each major fund and the aggregate remaining fund information of the Office of the Sheriff of Santa Rosa County, Florida (hereinafter referred to as the "Sheriff") as of and for the year ended September 30, 2019, and the related notes to the financial statements, and have issued our report thereon dated January 30, 2020.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and Chapter 10.550, *Rules of the Florida Auditor General*.

Other Report Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards* and Independent Accountant's Report on Examination of Compliance Requirements in Accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports, which are dated January 30, 2020, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. No recommendations were made in the preceding annual financial report.

Financial Management

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554 (1)(i)3., *Rules of the Auditor General*, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material, but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, the Sheriff, and the Santa Rosa County Board of County Commissioners, and is not intended to be, and should not be, used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT

Honorable Tappie Villane
Supervisor of Elections of Santa Rosa County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the general fund of the Santa Rosa County, Florida Supervisor of Elections, as of and for the year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the Supervisor of Elections' financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Supervisor of Elections' internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the general fund of the Supervisor of Elections, as of September 30, 2019, and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to previously were prepared solely for the purpose of complying with the *Rules of the Auditor General of the State of Florida* (the “Rules”). In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of that portion of the general fund attributable solely to the operations of the Supervisor of Elections. They do not purport to and do not present fairly the financial position of Santa Rosa County, Florida, as of September 30, 2019, and the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the budgetary comparison schedule, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management’s responses to our inquiries, the financial statements, and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report on our consideration of the Supervisor of Elections’ internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters included under the heading “*Independent Auditors’ Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards.*” The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Supervisor of Elections’ internal control over financial reporting and compliance.

SANTA ROSA COUNTY, FLORIDA SUPERVISOR OF ELECTIONS
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

1. SUMMARY OF ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the financial statements follows.

Reporting Entity

The Santa Rosa County, Florida Supervisor of Elections (the “Supervisor of Elections”), as established by Article VIII of the Constitution of the State of Florida, is an elected official of Santa Rosa County, Florida (the “County”). Although the Supervisor of Elections is operationally autonomous from the Santa Rosa County Board of County Commissioners (the “Board”), it does not hold sufficient corporate powers of its own to be considered a legally separate entity for financial reporting purposes. Therefore, the Supervisor of Elections is reported as a part of the primary government of the County.

These financial statements are not intended to be a complete presentation of the financial position and results of operations of the County, taken as a whole. As permitted by Chapter 10.556(4), *Rules of the Auditor General State of Florida*, the financial statements consists of only the *fund level* financial statements, as defined in Government Accounting Standards Board (GASB) Statement No. 34, and do not include presentations of *government-wide* financial statements of the Supervisor of Elections.

Pursuant to the provisions of 129.202, Florida Statutes, the Supervisor of Elections has elected to have the Office of the Clerk of Court and Comptroller of Santa Rosa County maintain the books and records pertaining to the operations of the Supervisor of Elections. Therefore, the Supervisor of Elections does not maintain a separate cash account, and all cash activity for the Supervisor of Elections is recorded in the common cash account of the Board. The “Due from Board of County Commissioners” account on the balance sheet represents the amount of cash held on behalf of the Supervisor of Elections.

Fund Accounting

The accounting system of the Supervisor of Elections is organized and operated on a fund basis. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts, recording cash and financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations.

The general fund of the Supervisor of Elections is used to account for all financial resources, which are generated from operations of the office, appropriations from the Board or any other resources not required to be accounted for in another fund.

This fund utilizes a modified accrual basis of accounting. The measurement focus is upon determination of financial position and changes in financial position (sources, uses and balances of financial resources rather than upon net income determination).

SANTA ROSA COUNTY, FLORIDA SUPERVISOR OF ELECTIONS
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

1. SUMMARY OF ACCOUNTING POLICIES – CONTINUED

Basis of Accounting

Basis of accounting refers to *when* revenues and expenditures are recognized in the accounts and reported in the financial statement. The basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied. All governmental funds are accounted for using the modified accrual basis of accounting. Their revenues are recognized when they become both measurable and available as net current assets. The Supervisor of Elections considers receivables collected within sixty days after year-end to be available and recognizes them as revenues of the current year. Expenditures are recognized when the related fund liability is incurred.

Accounting for Capital Assets

Capital assets (vehicles, equipment and other tangible and certain intangible property costing at least \$1,000 with a useful life of more than one year) are recorded as expenditures in the fund level financial statements at the time of purchase. These assets are also capitalized at cost and accounted for in the County's comprehensive annual financial report.

Compensated Absences

Employees accumulate a limited amount of earned, but unused sick and annual leave, which will be paid upon separation from service. Unpaid compensated absences are recorded as a liability when the benefits are earned in the County's comprehensive annual financial report. For the governmental fund statements, expenditures are recognized when payments are made to employees.

2. PENSION AND RETIREMENT PLAN

Substantially, all full-time employees of the Supervisor of Elections are covered by the Florida Retirement System (FRS). The FRS was established in 1970 by Chapter 121, Florida Statutes and is administered by the Florida Department of Management Services, Division of Retirement. Changes to the FRS can be made only by an act of the Florida Legislature. Rules governing the operation and administration of the system may be found in Chapter 60S of the Florida Administrative Code. The FRS issues a financial report that includes financial statements and required supplementary information. The report may be obtained at www.myfrs.com or by writing to FRS, 2639-C North Monroe Street, Tallahassee, Florida 32399.

**SANTA ROSA COUNTY, FLORIDA SUPERVISOR OF ELECTIONS
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2019**

2. PENSION AND RETIREMENT PLAN – CONTINUED

The FRS offers two retirement plans – the FRS Pension Plan and the FRS Investment Plan. An employee may participate in only one of the plans. Both plans, effective July 1, 2011, are funded monthly by a combination of employer and employee contributions.

The FRS Pension Plan is a multiple employer, cost-sharing defined benefit plan, which provides retirement and disability benefits, annual cost-of-living adjustments and death benefits to plan members and beneficiaries. For employees who were enrolled in the plan prior to July 1, 2011, normal retirement benefits are available at age 62 with six or more years of service or to those employees who have at least 30 years of creditable service, regardless of age. Early retirement is available after six years of service with a 5% reduction of benefits for each year prior to the normal retirement age.

For employees enrolling in the plan for the first time on or after July 1, 2011, normal retirement benefits are available at age 65 with eight or more years of service or to those employees who have at least 33 years of creditable service, regardless of age. Early retirement is available after eight years of service with a 5% reduction of benefits for each year prior to the normal retirement age.

Retirement age and years of service requirements also vary depending on membership class. Retirement benefits are based upon age, average compensation, and years-of-service credit, where average compensation is computed as the average of the members highest five (if enrolled prior to July 1, 2011) or eight (if enrolled on or after July 1, 2011) fiscal years of earnings.

The FRS Investment Plan is a defined contribution plan funded monthly by employer and employee contributions based on salary and membership class. Employer contributions vest after one year of service whereas employee contributions vest immediately. Members in the Investment Plan decide how their funds are allocated between various investment accounts, and the vested funds are portable upon termination. The final retirement benefit is equal to the vested contributions plus investment earnings less expenses and losses allocated to the member's account. Members in the Investment Plan are not eligible for participation in the Deferred Retirement Option Program (DROP).

DROP is available for members of the FRS Pension Plan who are vested and elect to participate in DROP within one year after reaching normal retirement age. Under this program, a member effectively retires while continuing to be employed for up to five years. While in DROP, the member's deferred monthly retirement benefits accumulate, earning interest and cost-of-living increases. When the DROP period is over, the participant terminates covered employment and begins receiving their predetermined monthly retirement benefit, as well as the accrued DROP benefit. Disability retirees are not eligible to participate in DROP, and DROP participants do not qualify for disability retirement.

SANTA ROSA COUNTY, FLORIDA SUPERVISOR OF ELECTIONS
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

2. PENSION AND RETIREMENT PLAN – CONTINUED

Prior to July 2011, the plans were noncontributory for employees with all contributions being the participating FRS employer's responsibility. Effective July 1, 2011, participating employees contribute 3% of their gross salaries each pay period to the plan. Participating employer contributions are based upon state-wide rates established by the State of Florida. Average contribution rates for the fiscal year ended September 30, 2019, were as follows: regular employees, 8.31%; special risk employees, 24.75%; elected officials, 48.73%; senior management employees, 24.40%; and DROP participants, 14.17%.

The Supervisor of Elections contributions to the Pension Plan, funded on a pay-as-you-go basis, were equal to the actuarially determined contributions for each year. Contributions to the Investment Plan were equal to the legislatively-mandated contribution rates. Contributions to both plans totaled \$88,831, \$80,715 and \$73,239 for the years ended September 30, 2019, 2018 and 2017, respectively.

Net Pension Liability - Proportionate Share

The Supervisor of Elections has a net FRS pension liability determined in accordance with GASB Statement No. 68, *Accounting and Financial Reporting for Pensions*. This long-term liability is only reported in the county-wide financial statements and is not a current liability of the General Fund. All required disclosures and schedules may be found in the county's comprehensive annual financial report of Santa Rosa County, Florida.

3. OTHER POST-EMPLOYMENT BENEFIT (OPEB) PLAN

The Board offers post-employment health care benefits (OPEB) to all retired employees of the Supervisor of Election's Office and their dependents. Participating retirees are required to reimburse the Board for 100% of the premium cost, which is netted against the premium payment, so that no net expense is initially recorded in the Board's financial statements. However, these retirees are receiving an "implicit subsidy" because the premium is a group rate, which includes active, lower-cost employees. This implicit subsidy has a cost; however, this annual cost and the total OPEB liability is measured as the portion of the actuarial present value of projected benefit payments that is attributed to past periods of employee service. The total OPEB liability and other required disclosures have been calculated for the County, as a whole, and not separately for the Supervisor of Election's Office. Accordingly, these calculations and disclosures can be found in the County's comprehensive annual financial report.

**SANTA ROSA COUNTY, FLORIDA SUPERVISOR OF ELECTIONS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019**

4. RISK MANAGEMENT

The Supervisor of Elections is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Board uses a Self-Insurance Fund (an internal service fund) to account for and finance its uninsured risks of loss. Under this program, the County is self-insured with respect to the following exposures:

- Workers Compensation
- Auto Physical Damage
- Auto Liability
- Construction and Road Equipment
- Portable Communication Equipment

The County is covered by outside insurance for the following exposures:

- Buildings and contents – \$5,000 deductible
- Boats
- Employee Fidelity
- General Liability – \$25,000 deductible
- Public Officials' Liability – \$25,000 deductible

Conventional insurance remains in effect for buildings and their contents. There also were no significant reductions in insurance coverage from the prior year, and settled claims resulting from conventional insurance risks have not exceeded coverage in any of the past three fiscal years. The County is a member of the Florida Association of Counties Trust, a pooled liability program providing general liability coverage and public officials' liability coverage. The Supervisor of Elections participates in the program and makes payments to the Self-Insurance Fund based on historical estimates of the amounts needed to pay prior and current year claims and to establish a reserve for catastrophic losses.

Budgets and Budgetary Accounting

The Supervisor of Elections operates under budget procedures pursuant to Florida Statutes. The Supervisor of Elections' budget is adopted on a basis consistent with accounting principles generally accepted in the United States of America. Budget appropriations lapse at the end of the year and are not carried over to the following year. The legal level of budgetary control is at the fund level.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

Honorable Tappie Villane
Supervisor of Elections of Santa Rosa County, Florida

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the general fund of the Office of the Supervisor of Elections of Santa Rosa County, Florida (hereinafter referred to as "Supervisor of Elections"), as of and for the year ended September 30, 2019, and the related notes to the financial statements, and have issued our report thereon dated January 14, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Supervisor of Elections' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Supervisor of Elections' internal control. Accordingly, we do not express an opinion on the effectiveness of the Supervisor of Elections' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency or combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency or a combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was, for the limited purpose, described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Supervisor of Elections' financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT ACCOUNTANTS' REPORT ON EXAMINATION OF
COMPLIANCE REQUIREMENTS IN ACCORDANCE WITH CHAPTER 10.550,
RULES OF THE AUDITOR GENERAL**

Honorable Tappie Villane
Supervisor of Elections of Santa Rosa County, Florida

We have examined the Office of the Supervisor of Elections of Santa Rosa County, Florida's (hereinafter referred to as the "Supervisor of Elections") compliance with Florida Statute 218.415 in regards to investments for the year ended September 30, 2019.

Management is responsible for the Supervisor of Elections' compliance with those requirements. Our responsibility is to express an opinion on the Supervisor of Elections' compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the Supervisor of Elections' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Supervisor of Elections' compliance with specified requirements.

In our opinion, the Supervisor of Elections complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2019.

MANAGEMENT LETTER

Honorable Tappie Villane
Supervisor of Elections of Santa Rosa County, Florida

Report on the Financial Statements

We have audited the financial statements of the general fund of the Office of the Supervisor of Elections of Santa Rosa County, Florida (hereinafter referred to as the "Supervisor of Elections"), as of and for the year ended September 30, 2019, and the related notes to the financial statements, and have issued our report thereon dated January 14, 2020.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, *Rules of the Florida Auditor General*.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control Over Financial Reporting and Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*; and Independent Accountants' Report on Examination of Compliance Requirements in Accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports, which are dated January 14, 2020, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. No recommendations were made in the preceding annual financial audit report.

Financial Management

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554 (1)(i)3., *Rules of the Auditor General*, requires us to communicate noncompliance with provisions of contracts or grant agreements or abuse that have occurred or are likely to have occurred that have an effect on the financial statements that is less than material, but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, the Supervisor of Elections, Santa Rosa County Board of County Commissioners and applicable management and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT

Honorable Stan Colie Nichols
Tax Collector of Santa Rosa County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements (hereinafter referred to as "financial statements") of the general fund and the tax fund of the Office of the Tax Collector of Santa Rosa County, Florida (hereinafter referred to as "Tax Collector"), as of and for the year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the Tax Collector's financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Tax Collector's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Tax Collector's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the general fund and tax fund of the Tax Collector, as of September 30, 2019, and the respective changes in financial position, where applicable, thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the *Rules of the Auditor General of the State of Florida* (the "Rules"). In conformity with the Rules, the accompanying financial statements are intended to present the financial position of the general fund and tax fund and changes in financial position of the general fund of Santa Rosa County that are attributable to the Tax Collector. They do not purport to and do not present fairly the financial position of Santa Rosa County as of September 30, 2019, and the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the budgetary comparison information, as listed in the table of contents, be presented to supplement the financial statements. Such information, although not a required part of the financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the financial statements and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report on our consideration of the Tax Collector's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, rules, regulations, contracts and grant agreements and other matters included under the heading "*Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards.*" The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Tax Collector's internal control over financial reporting and compliance.

SANTA ROSA COUNTY, FLORIDA TAX COLLECTOR
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

1. SUMMARY OF ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the financial statements follows.

Reporting Entity

The Office of the Tax Collector of Santa Rosa County, Florida (the "Tax Collector"), as established by Article VIII, Section 1(d), of the Constitution of the State of Florida, is an elected official of Santa Rosa County, Florida (the "County"). Although the Tax Collector is operationally autonomous from the Santa Rosa County Board of County Commissioners (the "Board"), it does not hold sufficient corporate powers to be considered a legally separate entity for financial reporting purposes. Therefore, the Tax Collector is considered part of County's primary government for external financial reporting purposes.

These financial statements of the Tax Collector are not intended to be a complete presentation of the financial position and results of operations of the County taken as a whole. As permitted by Chapter 10.556(4), *Rules of the Auditor General State of Florida*, the financial statements consist of only the fund level financial statements, as defined in Governmental Accounting Standards Board ("GASB") Statement No. 34, and do not include presentations of government-wide financial statements of the Tax Collector.

Fund Accounting

The accounting system of the Tax Collector is organized and operated on a fund basis. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts recording cash and financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

The funds utilized by the Tax Collector are as follows:

Governmental Funds

These funds utilize a modified accrual basis of accounting. The measurement focus is upon determination of financial position and changes in financial position (sources, uses and balances of financial resources rather than upon net income determination).

General Fund – The general fund of the Tax Collector is used to account for all financial resources which are generated from operations of the office and any other resources not required to be accounted for in another fund.

Fiduciary Funds

The Tax Collector's sole fiduciary fund is an agency fund (the "Tax Fund"). Agency funds are used to account for assets held in a custodial capacity for others. Assets equal liabilities in agency funds and results of operations are not measured. The Tax Fund is used primarily to account for receipts of various types of taxes, licenses and fees collected on behalf of state, county and municipal governmental agencies.

SANTA ROSA COUNTY, FLORIDA TAX COLLECTOR
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

1. SUMMARY OF ACCOUNTING POLICIES – CONTINUED

Basis of Accounting

Basis of accounting refers to *when* revenues and expenditures are recognized in the accounts and reported in the financial statements. The basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied. All governmental funds are accounted for using the modified accrual basis of accounting. The revenues are recognized when they become both measurable and available as net current assets. The Tax Collector considers receivables collected within 60 days after year-end to be available and recognizes them as revenues of the current year. Expenditures are recognized when the related fund liability is incurred. Agency funds use the accrual basis of accounting.

Cash and Cash Equivalents

Cash equivalents are highly-liquid investments with maturities of three months or less when purchased.

Accounting for Capital Assets

Capital assets are recorded as expenditures at the time of purchase by the Tax Collector. These assets (vehicles, equipment and other tangible property and certain intangible property costing at least \$1,000 with a useful life of more than one year) are capitalized at cost and accounted for in the County's government-wide financial statements.

Compensated Absences

Employees accumulate a limited amount of earned, but unused annual and sick leave, which will be paid upon separation from service. Compensated absence expenditures are not recognized in the General Fund until payments are made to employees. However, these unpaid compensated absences are recorded as a liability when the benefits are earned in the County's government-wide financial statements.

Unspent Revenue and Fund Balance

In accordance with Section 218.36, Florida Statutes, unspent revenue is remitted proportionately to the various taxing districts at fiscal year-end. As a result, no fund balance exists at year end in the General Fund.

2. CASH

At September 30, 2019, the bank reported deposits before outstanding checks and deposits of \$1,606,048; all of which was held by a financial institution designated as a "qualified public depository" by the State Treasurer.

All deposits were fully insured through a combination of Federal depository insurance and participation of the financial institution in the multiple financial institution collateral pool as specified in Chapter 280, Florida Statutes. Accordingly, the Tax Collector does not believe it is exposed to any significant credit risk on its cash balances.

**SANTA ROSA COUNTY, FLORIDA TAX COLLECTOR
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019**

3. INVESTMENTS

Florida Statutes authorize the Tax Collector to invest in obligations of the U.S. Treasury and interest-bearing time deposits or savings accounts in banks participating in the multiple financial institution collateral pool.

During the year, the Tax Collector invested surplus funds in the Florida Fixed Income Trust ("FL-FIT") Cash Pool, an external investment pool. The investment in the pool is measured and reported at fair market value using the guidelines established by Generally Accepted Accounting Principles ("GAAP"). FL-FIT follows Financial Accounting Standards Board ("FASB") Accounting Standards Topic ASC 820 *Fair Value Measurement and Disclosure* for financial reporting purposes. ASC 820 defines fair value, establishes a single framework for measuring fair value, and requires disclosures about fair value measurement. FL-FIT does not meet all of the specific criteria outlined in GASB 79 paragraph 4, therefore the Tax Collector measures this investment in the FL-FIT pool at fair value in accordance with paragraph 11 of GASB Statement 31.

The FL-FIT Cash Pool is rated by S&P Global. The current rating is AAf/S1+. The dollar weighted average days to maturity to final ("WAM") of FL-FIT Cash Pool at September 30, 2019, is 135 days.

The Trust is not required to register (and has not registered) with the SEC; however, the fund is an external investment pool that has historically adopted operating procedures consistent with those required by Florida Statutes. At September 30, 2019, the Tax Collector had \$406,237 invested in the FL-FIT Cash Pool.

4. PENSION AND RETIREMENT PLAN

Substantially all full-time employees of the Tax Collector are covered by the Florida Retirement System (FRS). The FRS was established in 1970 by Chapter 121, Florida Statutes and is administered by the Florida Department of Management Services, Division of Retirement. Changes to the FRS can be made only by an act of the Florida Legislature. Rules governing the operation and administration of the system may be found in Chapter 60S of the Florida Administrative Code. The FRS issues a financial report that includes financial statements and required supplementary information. The report may be obtained at www.myfrs.com or by writing to FRS, 2639-C North Monroe Street, Tallahassee, Florida 32399.

The FRS offers two retirement plans – the FRS Pension Plan and the FRS Investment Plan. An employee may participate in only one of the plans. Both plans, effective July 1, 2011, are funded monthly by a combination of employer and employee contributions.

The FRS Pension Plan is a multiple employer, cost-sharing defined benefit plan, which provides retirement and disability benefits, annual cost-of-living adjustments and death benefits to plan members and beneficiaries. For employees who were enrolled in the plan prior to July 1, 2011, normal retirement benefits are available at age 62 with six or more years of service or to those employees who have at least 30 years of creditable service, regardless of age.

SANTA ROSA COUNTY, FLORIDA TAX COLLECTOR
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

4. PENSION AND RETIREMENT PLAN – CONTINUED

Early retirement is available after six years of service with a 5% reduction of benefits for each year prior to the normal retirement age. For employees enrolling in the plan for the first time on or after July 1, 2011, normal retirement benefits are available at age 65 with eight or more years of service or to those employees who have at least 33 years of creditable service, regardless of age. Early retirement is available after eight years of service with a 5% reduction of benefits for each year prior to the normal retirement age. Retirement age and years of service requirements also vary depending on membership class. Retirement benefits are based upon age, average compensation and years-of-service credit, where average compensation is computed as the average of the member's highest five (if enrolled prior to July 1, 2011) or eight (if enrolled on or after July 1, 2011) fiscal years of earnings.

The FRS Investment Plan is a defined contribution plan funded monthly by employer and employee contributions based on salary and membership class. Employer contributions vest after one year of service whereas employee contributions vest immediately. Members in the Investment Plan decide how their funds are allocated between various investment accounts, and the vested funds are portable upon termination. The final retirement benefit is equal to the vested contributions plus investment earnings less expenses and losses allocated to the member's account. Members in the Investment Plan are not eligible for participation in the Deferred Retirement Option Program (DROP).

DROP is available for members of the FRS Pension Plan, who are vested and elect to participate in DROP within one year after reaching normal retirement age. Under this program, a member effectively retires while continuing to be employed for up to five years. While in DROP, the member's deferred monthly retirement benefits accumulate, earning interest and cost-of-living increases. When the DROP period is over, the participant terminates covered employment and begins receiving their predetermined monthly retirement benefit, as well as the accrued DROP benefit. Disability retirees are not eligible to participate in DROP, and DROP participants do not qualify for disability retirement.

Prior to July 2011, the plans were noncontributory for employees with all contributions being the participating FRS employer's responsibility. Effective July 1, 2011, participating employees contribute 3% of their gross salaries each pay period to the plan. Participating employer contributions are based upon state-wide rates established by the State of Florida. Average contribution rates for the fiscal year ended September 30, 2019, were as follows: regular employees – 8.31%, special risk employees – 24.75%, elected officials – 48.73%, senior management employees – 24.40%, and DROP participants – 14.17%. The Tax Collector's contributions to the Pension Plan, funded on a pay-as-you-go basis, were equal to the actuarially determined contributions for each year. Contributions to the Investment Plan were equal to the legislatively-mandated contribution rates. Contributions to both plans totaled \$237,683, \$215,015 and \$196,231 for the years ended September 30, 2019, 2018 and 2017, respectively.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019**

4. PENSION AND RETIREMENT PLAN – CONTINUED

Net Pension Liability-Proportionate Share

The Tax Collector has a net FRS pension liability determined in accordance with GASB Statement No. 68, *Accounting and Financial Reporting for Pensions*. This long-term liability is only reported in the county-wide financial statements and is not a current liability of the General Fund. All required disclosures and schedules may be found in the comprehensive annual financial report of Santa Rosa County, Florida

5. OTHER POST-EMPLOYMENT BENEFIT (OPEB) PLAN

The Board offers post-employment health care benefits (OPEB) to all retired employees of the Tax Collector’s Office and their dependents. Participating retirees are required to reimburse the Board for 100% of the premium cost, which is netted against the premium payment, so that no net expense is initially recorded in the Board’s financial statements. However, these retirees are receiving an “implicit subsidy” because the premium is a group rate, which includes active, lower cost employees. This implicit subsidy has a cost; however, this annual cost and the total OPEB liability is measured as the portion of the actuarial present value of projected benefit payments that is attributed to past periods of employee service. The total OPEB liability and other required disclosures have been calculated for the County as a whole, and not separately for the Tax Collector’s Office. Accordingly, these calculations and disclosures can be found in the County’s comprehensive annual financial report.

6. LEASES

The Tax Collector leases certain office space and equipment under operating lease agreements with expiration dates through February 2021. Future minimum rental commitments under these leases are as follows:

Fiscal year end September 30:

2020	\$ 28,800
2021	<u>12,000</u>
Total minimum future rental payments	<u><u>\$ 40,800</u></u>

Total lease payments for the year ended September 30, 2019 were \$28,800.

7. RISK MANAGEMENT

The Tax Collector is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Board has established a Self-Insurance Fund (an internal service fund) to account for and finance its uninsured risks of loss.

**SANTA ROSA COUNTY, FLORIDA TAX COLLECTOR
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019**

7. RISK MANAGEMENT – CONTINUED

Under this program the County is self-insured with respect to the following exposures:

- Workers Compensation
- Auto Physical Damage
- Auto Liability
- Construction and Road Equipment
- Portable Communication Equipment

The County is covered by outside insurance for the following exposures:

- Buildings and Contents, \$5,000 deductible
- Boats
- Employee Fidelity
- General Liability, \$25,000 deductible
- Public Officials' Liability, \$25,000 deductible

Conventional insurance remains in effect for buildings and their contents. There also were no significant reductions in insurance coverage from the prior year and settled claims resulting from conventional insurance risks have not exceeded coverage in any of the past three fiscal years. The County is a member of the Florida Association of Counties Trust, a pooled liability program providing general liability coverage and public officials' liability coverage. The Tax Collector participates in the program and makes payments to the Self-Insurance Fund based on historical estimates of amounts needed to pay prior and current year claims and to establish a reserve for catastrophe losses.

8. LITIGATION

The Tax Collector is contingently liable with respect to lawsuits and other claims, which might be filed incidental to the ordinary course of operations. In the opinion of management, based on the advice of legal counsel, there are no lawsuits or claims outstanding, which will have a material adverse effect on the financial position of the Tax Collector's Office.

Budgets and Budgetary Accounting

The Tax Collector establishes an annual budget pursuant to Section 195.087, Florida Statutes. The budget is submitted to the Florida Department of Revenue for approval. A copy is provided to the Board and is incorporated into the overall county budget. The Tax Collector's budget is adopted on a basis consistent with accounting principles generally accepted in the United States of America. The legal level of budgetary control is the fund level.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

Honorable Stan Colie Nichols
Tax Collector of Santa Rosa County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the general fund and the tax fund of the Tax Collector of Santa Rosa County, Florida (hereinafter referred to as "Tax Collector"), as of and for the year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the Tax Collector's financial statements, and have issued our report thereon dated January 14, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Tax Collector's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Tax Collector's internal control. Accordingly, we do not express an opinion on the effectiveness of the Tax Collector's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency or a combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Tax Collector's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT ACCOUNTANTS' REPORT ON EXAMINATION OF COMPLIANCE
REQUIREMENTS IN ACCORDANCE WITH CHAPTER 10.550,
RULES OF THE AUDITOR GENERAL**

Honorable Stan Colie Nichols
Tax Collector of Santa Rosa County, Florida

We have examined the Office of the Tax Collector of Santa Rosa County, Florida's (hereinafter referred to as "Tax Collector") compliance with Florida Statute 218.415, in regard to investments for the year ended September 30, 2019. Management is responsible for the Tax Collector's compliance with those requirements. Our responsibility is to express an opinion on the Tax Collector's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Tax Collector complied, in all material respects, with the specified requirements. An examination involves performing procedures to obtain evidence about whether the Tax Collector complied with the specified requirements. The nature, timing and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Tax Collector's compliance with specified requirements.

In our opinion, the Tax Collector complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2019.

MANAGEMENT LETTER

Honorable Stan Colie Nichols
Tax Collector of Santa Rosa County, Florida

Report on the Financial Statements

We have audited the financial statements of the general fund and the tax fund of the Office of the Tax Collector of Santa Rosa County, Florida (hereinafter referred to as "Tax Collector"), as of and for the fiscal year ended September 30, 2019, and the related notes to the financial statements, and have issued our report thereon dated January 14, 2020.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550 *Rules of the Florida Auditor General*.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*; and Independent Accountant's Report on Examination of Compliance Requirements in Accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports, which are dated January 14, 2020, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no recommendations made in the preceding audit report.

Financial Management

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554 (1)(i)3., *Rules of the Auditor General*, requires us to communicate noncompliance with provisions of contracts or grant agreements or abuse that have occurred or are likely to have occurred that have an effect on the financial statements that is less than material, but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Tax Collector and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.
