INDEPENDENT AUDITORS' REPORT

The Honorable County Commissioners Putnam County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate discretely presented component unit and remaining fund information of Putnam County, Florida (the "County"), as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the County's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate discretely presented component unit and remaining fund information of the County as of September 30, 2021, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 19 to the financial statements, the prior year financial statements have been restated in the amount of \$1,302,766 in the fiduciary funds. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and the required supplementary information listed in the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements. The information listed in the table of contents as "supplementary information", including the Schedule of Expenditures of Federal Awards and State Financial Assistance, which is required by the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), and Chapter 10.550, Rules of the Auditor General, is presented for purposes of additional analysis and is not a required part of the basic financial statements. The supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with

auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 31, 2022 on our consideration of the County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to solely describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the County's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control over financial reporting and compliance.

PUTNAM COUNTY, FLORIDA

Management's Discussion and Analysis September 30, 2021

The County's discussion and analysis is designed to provide an objective and easy to read analysis of the County's financial activities for the fiscal year ended September 30, 2021. It is intended to provide a broad overview using a short-term and long-term analysis of the County's activities based on information in the financial report and fiscal policies that have been adopted by the Board of County Commissioners. Please read it in conjunction with the Letter of Transmittal and the County's financial statements. *All amounts, unless otherwise indicated, are expressed in thousands of dollars.*

Financial Highlights

Government-wide Statements

- Putnam County's assets and deferred outflows of resources exceeded its liabilities and deferred inflows of resources at September 30, 2021 by \$196,267 (*net position*). Of this amount, \$3,458 represents unrestricted net position.
- Total net position is comprised of the following:
 - 1) Net Investment in Capital Assets of \$168,486 includes property, equipment, intangibles and infrastructure, net of accumulated depreciation, and reduced for outstanding debt related to the purchase or construction of those capital assets, including retainages and amounts owed contractors for work completed through September 30, 2021.
 - 2) Net position of \$24,323 is restricted by constraints imposed from outside of the County such as debt covenants, grantors, laws, or regulations.
 - \$3,458 of net position is unrestricted and therefore available to maintain the County's continuing obligations to citizens and creditors. The unrestricted net position was a deficit of (\$5,224) in fiscal year 2020. The increase in net position is mostly due to a \$44,573 reduction in net pension liabilities, offset by a \$7,099 decrease in deferred outflows and a \$32,722 increase in deferred inflows.
- The County's total net position increased \$16,815 from the previous year with an increase of \$13,161 in governmental activities and an increase of \$3,654 from business activities.

The increase in governmental activities is mostly attributed to a \$9,714 CARES Act grant, a \$6,368 increase in property taxes, and a \$1,025 increase in local infrastructure surtaxes. Governmental expenses increased \$5,617 mostly from \$7,022 in expenditures related to CARES Act programs. The increase in business activities is mostly from a \$4,189 increase in net position in the Waste Management Fund, offset by (\$366) loss in the East Putnam Water Fund, and (\$169) loss in the Port Authority Fund.

Fund Statements

- At September 30, 2021, the County's governmental funds reported combined ending fund balances of \$48,145, an increase of \$6,186 over the prior fiscal year. A detail of the components of ending fund balance follow in the Financial Analysis section on governmental funds.
- Governmental fund assets were \$65,475 at year end which is mostly made up of cash and equivalents of \$56,109, net receivables of \$1,107 and \$6,030 balances due from other governments.
- Liabilities in the governmental funds totaled \$13,183 at year-end with most of the balance in unearned revenues of \$7,237, accounts payable and accrued liabilities of \$2,189, retainage of \$1,989, and due to other funds of \$1,454.
- The governmental funds also have a \$4,146 balance of deferred inflows which includes \$2,733 of FDOT grant receivables and \$987 ambulance receivables which are not available in the current period and therefore not recognized as revenue.
- Governmental Fund revenues increased \$18,182 or 22.4% from the prior year. Tax revenues increased \$7,503 from higher property values, and intergovernmental revenue increased \$9,916 from CARES Act reimbursements.
- Governmental Fund expenditures increased \$17,167 or 23.7% from the prior year. Public safety increased \$5,016 from more expenses due to the COVID-19 virus and economic environment expenses increased \$11,209 from small business and individual assistance with CARES Act monies. Other increases are \$706 in transportation and \$775 in human services. These increases are offset by (\$612) less capital outlay expenses and (\$302) less culture and recreation expenses.
- The County's governmental funds had net transfers out of \$4,143 which is \$1,435 more than fiscal year 2020.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to Putnam County's Comprehensive Annual Financial Report (Report). The Report contains the Basic Financial Statements which include three components: Government-wide Financial Statements, Fund Financial Statements and Notes to the Financial Statements. The report also contains the Statistical Section, Compliance Section, and Other Supplementary Information.

Government-wide Financial Statements

The Government-wide Financial Statements are designed to provide readers with a broad overview of the County's finances, in a manner similar to a private-sector business. These statements include a **Statement of Net Position** and a **Statement of Activities**.

• The *Statement of Net Position* presents information on all of the County's assets, deferred outflows of resources, liabilities and deferred inflows, with the difference between sum of assets and deferred outflows of resources minus liabilities and deferred inflows reported as net position. Changes in net position over time may serve as a useful indicator of whether the financial position of the County is improving or deteriorating.

• The Statement of Activities presents information showing how the government's net position changed during the fiscal year. Changes in net position are reported as soon as the underlying economic transactions occur, regardless of when cash is received or paid. Therefore, some of the revenues or expenses reported in the Statement of Activities will have cash flows in future fiscal periods. For example, certain sales taxes are shown as revenues although cash receipts will occur early in the following fiscal year; an increase in unused vacation leave is recorded as an expense although related cash outflows will occur in the future. Furthermore, this statement demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. Please refer to the Notes to the Financial Statements for further elaboration regarding direct expenses and program versus general revenues.

The *Government-wide Financial Statements* show a distinction between activities that are supported primarily by taxes and intergovernmental revenues (i.e., governmental activities) and activities that attempt to recover all or most of their costs through user fees and charges (i.e., business-type activities). The governmental activities of the County include general government, public safety, physical environment, transportation, economic environment, human services, court related activities, and culture and recreation. Business-type activities of the County are the Water and Wastewater Utility System, Port Authority and the Waste Management System.

Fund Financial Statements

A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The County uses fund accounting to ensure and demonstrate compliance with legal, legislative, contractual, and other finance-related provisions. The fund statements focus on the *major* funds of the County (i.e., the most significant funds, either quantitatively or qualitatively). All of the County's funds may be divided into three categories: *governmental*, *proprietary* and *fiduciary* funds.

Governmental funds

Governmental funds are used to account for essentially the same functions that are reported as governmental activities in the Government-wide Financial Statements. However, unlike the Government-wide Financial Statements, Governmental Fund Financial Statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Reconciliations of the differences between the Government-wide and the Fund Financial Statements are provided immediately after the *Balance Sheet-Governmental Funds* and the *Statement of Revenues, Expenditures, and Changes in Fund Balances-Governmental Funds*, respectively, in the *Basic Financial Statements*. Governmental funds presented individually in the County's statements include four major funds: the General Fund, the Miscellaneous Grants Fund, the Better Place Plan Fund, and the Road Projects Fund. Although there are numerous smaller governmental funds in the County, they have been presented in a total column labeled as *Other Governmental Funds*.

Budget and actual comparison statements are also presented as *Required Supplementary Information* (RSI) for the General Fund and for each major special revenue fund with an annually adopted budget, if any. Combining statements for the County's non-major funds and budget and actual comparison schedules for any non-major funds or major capital project funds with annually appropriated budgets are presented in the *Supplemental Information* section of this report.

Proprietary funds

The *Proprietary Fund Financial Statements* may be found in the *Basic Financial Statements*. The County maintains two different types of proprietary funds. *Enterprise funds* are used to report in greater detail the same functions presented as business-type activities in the Government-wide Financial Statements. The County uses enterprise funds to account for its Water and Wastewater Utility System, Port Authority and its Waste Management System. In-depth information between water and wastewater services is provided in the *Supplemental Information* section. *Internal Service Funds* are an accounting device used to accumulate and allocate costs internally among the County's various functions. The County uses internal service funds to account for its Fleet Maintenance, Group Insurance Reserve and Risk Management Funds. These programs are included within governmental activities in the Government-wide Financial Statements because they predominantly benefit governmental rather than business-type functions. The internal service funds are combined into a single presentation in the Proprietary Fund Financial Statements. Individual fund data for the internal service funds are provided in the *Supplemental Information* section of the report.

Fiduciary funds

Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Custodial funds are the only type of fiduciary fund used by the County. The amounts in these fiduciary funds are not included in the Government-wide Financial Statements because the resources of these funds are not available to support the County's own programs. However, the Statement of Fiduciary Net Position and the Statement of Changes in Fiduciary Net Position in the Basic Financial Statements are provided for information on the fiduciary funds. In addition, the individual custodial funds are presented in the Supplemental Information section of this report.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the Government-wide and Fund Financial Statements.

Other Information

Combining and individual statements and schedules referred to earlier, which present more detailed views of nonmajor funds, as well as individual fund budget and actual comparison schedules for the nonmajor funds and major capital project fund, are found in the *Supplemental Information* section of the Financial Statements.

Government-wide Financial Analysis

Net Position

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the County, assets and deferred outflows of resources exceeded liabilities and deferred inflows of resources by \$196,267 at the close of the fiscal year ended September 30, 2021. By far the largest portion of the County's net position, \$168,486 or 85.9%, reflects its investment in capital assets such as land, buildings, infrastructure, intangibles and equipment, less any related outstanding debt (including retainages and amounts owed to contractors for work completed through September 30, 2021) used to acquire those assets. The County uses these capital assets to provide services to its citizens. Consequently, these assets are *not available* for future spending. Although the County's investment in its capital assets is reported net of related debt and applicable obligations, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities. The payment of maintenance and debt service costs on those capital assets will require future government resources.

Putnam County Summary Statement of Net Position

	Governmental Activities			Business-type Activites				Total				Percent Change

An additional portion of the County's net position, \$24,323, is restricted, meaning it is subject to constraints on how the funds may be used, such as by laws, grantors, debt covenants, regulations or capital projects. At the end of the current fiscal year, the County's unrestricted net position was \$3,458.

Change in Net Position

Governmental activities increased the County's net position by \$13,161 and Business-type activities increased the County's net position by \$3,654. See further details on pages xi and xii.

Governmental Activities

The County's governmental net position increased \$13,161 in fiscal year 2021, which is \$10,238 higher than fiscal year 2020. Revenues increased \$16,043 over the prior year and expenses increased \$5,617. Significant changes in revenues and expenses consist mostly of the following:

- Operating grants increased \$7,040 in fiscal year 2021 from \$9,714 CARES Act grant.
- Property Taxes increased \$6,368 from higher property values.
- Local infrastructure surtaxes increased \$1,025.
- Economic environment expenses are \$11,201 higher than fiscal year 2020 from small business and rental assistance grants.
- Public Safety expenses were \$4,651 lower than fiscal year 2020 due to less COVID-19 expenses.

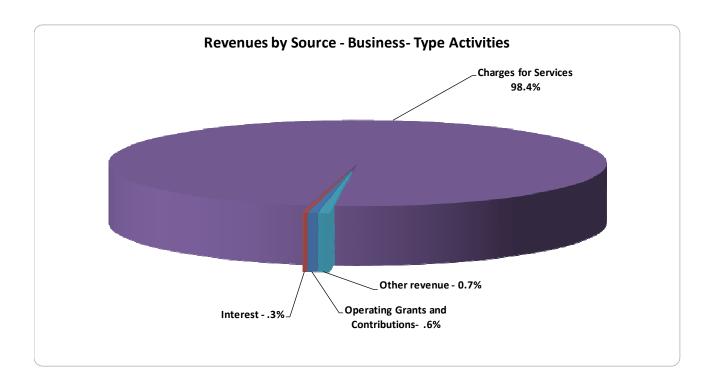

Business-type Activities

As noted on page x, business-type activities increased the County's net position by \$3,654 which was \$2,022 less than FY20. Revenues decreased (\$2,954) from 2020 and expenses decreased (\$744) from 2020. In addition, transfers were \$188 higher than fiscal year 2020. Key elements of the changes include:

- User charges in the Waste Management fund were (\$1,023) lower.
- The East Putnam Water fund had (\$1,634) less capital grants for septic to sewer conversions.
- The Port Authority revenues were (\$100) less because there were no grants during this year.
- Earnings on investments were (\$288) less than fiscal year 2020 as rates fell at the beginning of the COVID-19 pandemic.
- Expenses in the Waste Management Fund decreased \$642, mostly from a decrease in landfill closure and long-term cares costs.
- Interest expenses in the East Putnam Water fund decreased \$36 as principal balances on notes payable and bonds decreased.
- The Port Authority expenses increased \$49 from higher repairs & maintenance costs.

Financial Analysis of the County's Funds

As mentioned earlier, the County uses fund accounting to ensure and demonstrate compliance with finance-related requirements.

Governmental funds

The focus of the County's governmental funds is to provide information on near-term inflows, outflows and balances of spendable resources. This difference in focus and purpose creates significant variances between the Governmental Fund Financial Statements and the Government-wide Financial Statements. For the year ended September 30, 2021, the net increase in fund balances per the Governmental Funds Financial Statements totaled \$6,186 while the governmental activities column of the Government-wide Financial Statements reported an increase of \$13,161 in net position. A detailed reconciliation between these two amounts is provided on page 6 of the accompanying Financial Statements.

Unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year. At September 30, 2021, the County's total governmental funds reported combined ending fund balances of \$48,145, of which \$3,869 constitutes unassigned fund balance. At September 30, 2021, the unassigned fund balance in the County's general fund decreased \$865 or 15.2% from the prior year to \$4,836.

The County's fund balance also includes \$932 which is committed for the Sheriff's commissary and \$19,057 which is assigned (\$17,041 for subsequent year's expenditures and \$2,016 for road and bridge maintenance).

The remainder of the governmental fund balance is made up of \$24,228 that is restricted (primarily \$11,220 for Better Place Plan, \$3,588 for Fire Protection, \$1,485 for Court Improvement, \$1,683 for Tourist Development, \$1,024 for Local Housing Assistance, \$1,762 for Public Records Modernization, and \$854 for debt service).

The following funds experienced the most significant changes in fund balance for the year: The General Fund increased \$3,391 mostly due to higher ad valorem taxes as the result of increased property values. Although the fund balance in the Miscellaneous Grant Fund increased only \$.57, its revenues increased \$10,888 over the prior year and its expenses increased \$6,861 over the prior year from CARES Act monies received and paid out. The Better Place Plan Fund increased \$3,153 as the result of delayed capital expenditures due to supply shortages, the Road Projects fund decreased (\$2,108) because county bridge repair grants are on a delayed reimbursement contract from FDOT. The Fire Taxing Fund increased \$1,721 from CARES Act reimbursements for public safety payroll.

Proprietary Funds

The proprietary funds that are enterprise fund type provide the same type of information found in the Government-wide Financial Statements, business type activities, but in more detail. Two of the proprietary enterprise funds, Waste Management and East Putnam Water, are major funds. At September 30, 2021, total net position increased \$3,654 to \$60,006. Unrestricted net position totaled \$19,245. Other factors concerning the finances of the proprietary enterprise funds were previously addressed in the discussion of the County's business-type activities.

General Fund Budgetary Highlights

The General Fund budget to actual schedule is presented as *Required Supplementary Information* on page 54 of the accompanying Financial Statements. Primary variances between original and final budgeted amounts for the year are composed of the following:

- Intergovernmental revenue was increased \$455 to account for unanticipated grant funds.
- Miscellaneous revenue was increased \$181.
- Budgeted Public Safety expenditures were increased by \$2,575 to account for more operating supplies due to the COVID-19 pandemic.
- Physical Environment was increased \$454.

A comparison of actual revenues versus the final budget reflects that total revenues were \$3,955 higher than budget mostly from \$678 higher taxes due to higher property values, \$1,464 more intergovernmental revenue from unanticipated grants, and \$1,342 more charges for services.

A review of General Fund actual expenditures versus the final General Fund budget reveals that expenditures were \$14,365 under final budget. This was primarily attributable to Reserve for Contingencies, Public Safety, and General Government expenditures being \$10,272, \$1,582 and \$1,228 under budget, respectively. Along with conservative fiscal management, expenditures are under budget because capital purchases and other projects were delayed due to the COVID-19 pandemic.

Capital Assets

The County's financial statements present capital assets in two groups: those assets subject to depreciation such as infrastructure, equipment, operational facilities, intangible assets, and those assets not subject to depreciation such as land and construction in progress.

The County's investment in capital assets for its governmental and business-type activities as of September 30, 2021, totals \$202,801 (net of accumulated depreciation). This investment in capital assets includes land, buildings, building improvements, equipment, computer software, infrastructure (including roads and bridges), construction in progress, the Landfill, and the Water and Sewer Distribution System. Currently, infrastructure, buildings, improvements, and the water and sewer distribution system represent the largest components of capital assets.

Major capital asset events during the current fiscal year include the following:

- The County continued its program to resurface, widen and add paved roads and improve bridges during the year at a capitalized cost of \$7,511.
- The County Health Department was renovated at a cost of \$358.
- The Sheriff bought new vehicles totaling \$1,967 and a bearcat for \$224.
- The County EMS department purchased two ambulances and a truck at a cost of \$528.
- The East Putnam Water Fund spent \$5,462 for the expansion of the waste-water system. (currently classified as Construction in Progress)

Additional information on the County's Capital Assets may be found in Note 8 beginning on page 30 of the accompanying Financial Statements.

Long-term Obligations

County-wide, total long-term obligations decreased (\$43,516) from the prior year, mostly from a decrease of (\$44,573) in net pension liability and a decrease of (\$995) in notes payables and revenue bonds. Decreases are offset by a \$1,231 increase in landfill closure and long-term care costs, \$367 increase in other post employment benefits and a \$347 increase in compensated absences.

Governmental Activities:

- The County made the following principal payments during the year: revenue bonds \$262; and capital leases \$257.
- Governmental obligations for compensated absences increased \$340 or 13.6% to \$2,847.
- The net pension liability decreased \$43,835 or 69.7% to \$19,081 at year-end.

Business-type Activities:

- Principal payments of \$562 were made on notes payable and \$172 on revenue bonds during the year.
- Total accrued landfill closure and long-term care costs increased by \$1,231.
- The net pension liability decreased \$738 or 66.5% to \$372 at year-end.

Additional information on the County's long-term obligations can be found in Note 9 beginning on page 32 of the accompanying Financial Statements.

Economic Factors and Next Year's Budgets and Rates

- The unemployment rate for the County stayed relatively the same, increasing only .1% from 6.6% at September 2020 to 6.7% at September 2021.
- During 2021, the taxable value of real property increased \$462,053 million or 16.4%, and the taxable value of personal property increased \$221,462 million or 20.5% over the 2020 fiscal year. The millage rate decreased .1542 from 9.5946 in fiscal year 2020 to 9.4404 in 2021.
- The population increased slightly from 73,321 in 2020 to an estimated 73,673 in 2021.
- The County's overall budget for fiscal year 2022 increased \$56,094 or 34.9% to \$216,959 and is based on a millage rate of 9.4404.

Requests for Information

This financial report is designed to present users with a general overview of the County's finances and to demonstrate the County's accountability. If you have questions concerning any of the information provided in this report or need additional information, contact the Putnam County Clerk of Courts, Finance and Accounting, P.O. Box 758, Palatka, Florida 32178-0758. Additional financial information can be found on our website at http://www.putnam-fl.com/coc/ and click on *Clerks in the Sunshine*.

Putnam County, Florida Reconciliation of the Balance Sheet to the Statement of Net PositionGovernmental Funds September 30, 2021

FUND BALANCES - TOTAL GOVERNMENTAL FUNDS		\$ 48,144,735
Amounts reported for governmental activities in the statement of net position are different because:		
Capital assets used in governmental activities are not current financial resources and therefore are not reported in the funds. Capital Assets - Net		146,916,040
·		
Certain receivables are not available in the current period and therefore are not recognized as revenues in the Governmental Funds	re	4,146,457
Interest on long-term debt is not recognized under the modified accrual basis of accounting until due, rather than as it accrues.		
Accrued Interest on Long-term Debt		(289,197)
Long-term liabilities do not require the use of current financial resources and are not reported in the funds. Long-Term Debt	(16,732,500)	
Capital Lease Obligations	(472,260)	
Compensated Absences	(2,777,100)	
OPEB Liability OPEB Deferred Outlows	(2,886,664)	
OPEB Deferred Inflows	390,720 (314,145)	
		(22,791,949)
A Net Pension liability is recorded when the plan's fiduciary net position is not sufficient for payment of those benefits. Additionally,	on	
deferred outflows and deferred inflows related to pensions are		
reported.	(40,000,400)	
Net Pension Liability	•	
Deferred outflows related to pensions Deferred inflows related to pensions		(41,106,024)
Deterred lilliows related to perisions	(55,540,551)	(41,100,024)
Internal service funds are used by management to charge the costs		
of fleet maintenance and insurance activities to individual funds.		
The assets and liabilities of the internal service funds are included		
in governmental activities in the statement of net position because		
they primarily serve governmental activities of the county.

Putnam County, Florida

Reconciliation of the Statement of Revenues, Expenditures and Changes in Fund Balances to the Statement of Activities – Governmental Funds For the Year Ended September 30, 2021

NET CHANGE IN FUND BALANCES - TOTAL GOVERNMENTAL FUNDS		\$ 6,185,847
Amounts reported for governmental activities in the statement of activities are different because:		
Governmental funds report capital outlays as expenditures. However, in the statement of activities the cost of those assets is allocated over their useful lives and reported as depreciation expense. Capital assets acquired by use of financial resources Current year depreciation and amortization Difference.	12,340,863 (9,204,490)	3,136,373
Certain items reported in the Statement of Activities are not considered available current financial resources and therefore are not reported as revenues in the Governmental Funds		(152,736)
In the statement of activities, only the gain or loss on the disposal of capital assets is reported. However, in the governmental funds, the change in net position differs from the change in fund balance by the net book value of the assets disposed. Loss on disposal of capital assets		(63,151)
		(00, 101)
Issuance of debt provides current financial resources to governmental funds, but increases long-term liabilities and short-term debt in the statement of net position		(364,150)
Repayment of debt principal is an expenditure in governmental funds, but the repayment results in a reduction of long-term liabilities in the statement of net position.		E40 E70
Debt Principal Payments		518,572
Some expenses reported in the statement of activities do not require the use of current financial resources and therefore are not reported as expenditures in governmental funds.		
Compensated Absences	(337,200)	
OPEB Liability	(442,099)	
Accrued Interest Payable Total	1,738	(777,561)
Pension expense is recorded in the statement of activities for changes in the County's proportionate share of the Florida Retirement System collective pension expense. Also included in pension expense are amounts required to be amortized in accordance with GASB Statement No.		4,794,843
Internal service funds are used to charge the cost of certain activities to individual funds. The net revenue (expense) is reported with governmental		(117,066)
CHANGE IN NET POSITION OF GOVERNMENTAL ACTIVITIES		\$ 13,160,971

The financial statements of Putnam County, Florida have been prepared in conformity with accounting principles generally accepted in the United States (GAAP) as applied to government units in accordance with the Governmental Accounting Standards Board (GASB). The GASB is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The following notes to the financial statements are an integral part of the County's Basic Financial Statements.

NOTE 1 – <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u>

The accounting policies of Putnam County, Florida (the County), conform to generally accepted accounting principles as applicable to governments. The following is a summary of the more significant policies:

A. Reporting Entity

The County is a non-charter, general purpose local government established under the legal authority of the Constitution of the State of Florida. It is composed of an elected Board of County Commissioners and elected Constitutional Officers, who are governed by State statutes and regulations. The Commissioners appoint a county administrator whose duties include the administration of directives and policies of the Commissioners and who has responsibility for the operation of all business centers and the provision of services under the purview of the Commissioners.

The Board of County Commissioners and the offices of the Clerk of the Circuit Court, Sheriff, Tax Collector, Property Appraiser, and Supervisor of Elections are operated as separate County agencies in accordance with applicable provisions of Florida Statutes. The office of the Tax Collector operates on a fee system, whereby the officer retains fees, commissions, and other revenues to pay all operating expenditures, including statutory compensation. Any excess income is remitted to the Board of County Commissioners and other County taxing authorities at the end of the fiscal year. The offices of the Sheriff, Property Appraiser, and Supervisor of Elections operate on a budget system, whereby County-appropriated funds are received from the Board of County Commissioners, and any unexpended appropriations are required to be returned to the Board of County Commissioners at the end of the fiscal year. The Clerk's duties as Clerk to the Board and Chief Financial Officer for the County are budgeted functions, funded by the Board. The Clerk's duties as Clerk of the Circuit and County Courts are funded by appropriations from the Florida Clerks of Court Operations Corporation.

The accompanying financial statements present the County as a primary government, and its component units, entities for which the County is considered to be financially accountable. Blended component units, although legally separate entities, are, in substance, part of the County's operations and, accordingly, data from these units are combined with data of the County. The discretely presented component unit, on the other hand, is reported in a separate column in the government-wide financial statements to emphasize it is legally separate from the County. Each blended and discretely presented component unit has a September 30th year end.

Blended Component Units – The Putnam County Port Authority, a dependent special district created by Chapter 67-1961, Laws of Florida, to carry out the operations of the County's barge port, is a blended component unit of the primary government. The Putnam County Solid Waste District, a dependent special district, is also a blended component unit of the primary government and was created by Ordinance 87-9 of the County to provide waste disposal services.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Putnam County Board of County Commissioners serves as the governing board of the Port Authority and makes up the majority of the Board of the Solid Waste District. County management maintains operational responsibility for both entities. Additionally, the County is legally obligated to provide resources in case the component units experience deficiencies in debt service payments and resources are not available from any other remedies. These component units are presented as Enterprise Funds. Separate financial statements are not prepared.

Discretely Presented Component Unit – The Putnam County Development Authority is an independent special district created by Chapter 61-2727 as amended by Chapter 69-1523, Laws of Florida, for the purpose of promoting economic growth and development in all areas of the County. The governing Board of the Authority has nine members, of which three are appointed by the County's Board of County Commissioners. The Authority cannot issue bonded debt without the substantive approval of the Board of County Commissioners and, accordingly, the Authority is considered to be fiscally dependent on the Board of County Commissioners. The Authority is included as an Enterprise Fund because if excluded the County's financial statements would be misleading.

Related Organization – The Putnam County Fair Authority, Inc. is a not-for-profit corporation created under Chapter 616, Florida Statutes. The Authority is considered a related organization because a majority of its Board of Directors are appointed by the Putnam County Board of County Commissioners. The County is not financially accountable for the Authority and, accordingly, the Authority is not included in the accompanying financial statements.

B. Recently Issued and Implemented Accounting Pronouncements

The County has implemented GASB Statement No. 84, Fiduciary Activities. The implementation of this statement establishes criteria for identifying fiduciary activities of all state and local governments. The focus of the criteria generally is on (1) whether a government is controlling the assets of the fiduciary activity and (2) the beneficiaries with whom a fiduciary relationship exists. Additional information can be found in Note 19.

The County has implemented GASB Statement No. 98, The Annual Comprehensive Financial Report. This Statement establishes the term annual comprehensive financial report and its acronym ACFR. This new term and acronym replace instances of comprehensive annual financial report and its acronym in generally accepted accounting principles for state and local governments.

C. Future Accounting Changes

The Governmental Accounting Standards Board has issued statements that will become effective in 2021. The statements address:

- Leases and
- Accounting for interest costs incurred before the end of a construction period.

The County is currently evaluating the effects that these statements will have on its financial statements for the year ended September 30, 2022.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

D. Government-wide and Fund Financial Statements

The government-wide financial statements (the Statement of Net Position and the Statement of Activities) concentrate on the County as a whole, except for its fiduciary activities, and do not emphasize fund types but rather a governmental or a business-type classification, which are presented in separate columns. The governmental activities and business-type activities comprise the primary government and are reported separately from the component unit for which the County is accountable.

General governmental and intergovernmental revenues support the governmental activities, whereas the business-type activities are primarily supported by user fees and charges for services.

The statement of activities reflects the direct expenses of a given function or segment, which are offset by program revenues. Program revenues are defined as charges for services, operating grants and contributions, and capital grants and contributions directly associated with a given function. Taxes and other items not properly included among program revenues are reported as general revenues.

The County's major funds are presented in separate columns on the governmental fund financial statements and the proprietary fund financial statements. The definition of a major fund is one that meets certain criteria set forth in GASB 34. The funds that do not meet the criteria of a major fund are considered non-major funds and are combined into a single column on the fund financial statements. Non-major governmental funds are comprised of special revenue, debt service and capital projects funds.

The effect of interfund activity has been removed from the government-wide financial statements. However, the interfund services between functions are not eliminated. The internal service activity has been eliminated except for the outside activity and is combined with the governmental activity on the government-wide financial statements. Internal service activity is reported in full on the proprietary fund financial statements. The internal service funds are combined and thus reported in a single summary column on the proprietary fund financial statements.

E. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The accounts of the County are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, deferred outflows, liabilities, deferred inflows, fund balance or net position, revenues, and expenditures or expenses, as appropriate. Government resources are allocated to, and accounted for in, individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled.

The accounting and financial reporting treatment is determined by the applicable measurement focus and the basis of accounting. The basis of accounting refers to when revenues and expenditures, or expenses, are recognized in the accounts and reported in the financial statements. The basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied. Measurement focus indicates the type of resources being measured such as current financial resources (current assets less current liabilities) or economic resources (all assets and liabilities).

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The government-wide financial statements, the proprietary fund financial statements and the fiduciary fund financial statements are prepared on a full accrual basis using the economic resources measurement focus. Revenues are recorded in the period in which they are earned and measurable and expenses are recorded in the period in which the related liability is incurred, regardless of the timing of the related cash flows.

Property taxes are recognized in the year for which they are levied. Grants and similar items are recognized as revenues as soon as all of the eligibility requirements imposed by the provider have been met.

Proprietary funds record both operating and non-operating revenues and expenses. The principal operating revenues are those that are obtained from the operations of the proprietary fund and include user fees, special assessments, and rental fees. Non-operating revenues are not related to the operations of the proprietary fund and include taxes, interest earnings and grants. Operating expenses represent the cost of operations, which includes depreciation. Non-operating expenses are not related to operations, such as interest expense.

Governmental fund financial statements are prepared on the modified accrual basis using the current financial resources measurement focus. Under the modified accrual basis, revenues are recognized when they become measurable and available as net current assets. For this purpose, the County considers all revenues available if they are collected within sixty days after year-end. Primary revenues, such as property taxes, special assessments, intergovernmental revenues, charges for services, sales and franchise taxes, rents and interest are treated as susceptible to accrual under the modified accrual basis and have been recognized as revenues. Expenditures reported in governmental fund financial statements are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. An exception to this general rule includes principal and interest on general long-term debt, which is recognized when due.

The County reports the following major funds in the governmental fund financial statements:

<u>General Fund</u> – The General Fund is the general operating fund of the County. It is used to account for and report all financial resources not accounted for and reported in another fund. The General Fund is subdivided into the following categories: Board of County Commissioners (BOCC), Sheriff, Tax Collector, Property Appraiser, Supervisor of Elections, and Clerk of the Circuit Court.

<u>Miscellaneous Grants Fund</u> – The Miscellaneous Grants Fund is used to account for projects financed with federal and state funds that are nonrecurring and of short-term duration.

<u>Better Place Plan Fund</u> – The Better Place Fund is used to account for revenues received from a one-cent discretionary surtax imposed to finance certain capital projects.

<u>Road Projects Fund</u> – The Road Projects Fund is used to account for resources used to construct or renovate various County facilities.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The County reports the following major funds in the proprietary fund financial statements:

<u>Waste Management Fund</u> – The County's Waste Management Fund is used to account for the fees charged for providing solid waste collection and disposal services to the general public on a user fee basis, and to account for special assessments levied to County residents for mandatory solid waste collection.

<u>East Putnam Water Fund</u> – The East Putnam Water Fund is used to account for the collection and use of fees established to provide a water and wastewater system to residents in that region of the County.

The County reports the following other fund types:

<u>Internal Service Funds</u> – The Internal Service Funds are used to account for the financing of goods or services provided by one department to other departments on a cost-reimbursement basis (i.e., risk management, liability insurance, and fleet maintenance).

<u>Custodial Funds</u> – Custodial funds are used to account for assets held by the County in a trustee capacity or as a custodian for individuals, private organizations, or other governments. Custodial funds are used to report fiduciary activities that are not reported in pension (and other employee benefit) trust funds, investment trust funds, or private-purpose trust funds. Custodian funds held by the County include: Property Taxes and Vehicle Licenses (Tax Collector), an Inmate Trust Fund (Sheriff), a Sheriff Trust Fund (Sheriff), a Circuit Court Trust Fund (Clerk) and a Jury and Witness Fund (Clerk).

F. Assets, Liabilities and Net Position or Equity

Cash and Investments

For accounting and investment purposes, the County maintains a cash and investment pool that is available for use by all funds except those whose cash and investments must be segregated due to legal or other restrictions. Investments within this pool are treated as a demand deposit account by the various funds of the County that participate. Interest earned on investments in the pool is allocated to the various funds based upon each fund's equity balance in the pool during the allocation period.

All funds that are not invested are deposited in institutions that are certified as "Qualified Public Depositories," as required under the Florida Security for Public Deposits Act. This law requires every qualified public depository to deposit, with the State Treasurer, eligible collateral equal to or in excess of an amount to be determined by the State Treasurer. The law requires the State Treasurer to ensure that funds are entirely collateralized throughout the fiscal year. Therefore, the County's total deposits and the deposits of the Putnam County Development Authority, a component unit, are insured or collateralized by the Federal Depository Insurance Corporation and the Bureau of Collateral Securities, Division of Treasury, State Department of Insurance.

Investments are stated at fair value, except for some investments in the State Board of Administration Local Government Surplus Trust Fund Investment Pool. The State Investment Pool is administered by the Florida State Board of Administration (SBA), who provides regulatory oversight.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The SBA is not a registrant with the Securities and Exchange Commission (SEC). Investments in the SBA are classified as Cash and Equivalents in the accompanying financial statements.

Statement of Cash Flows

For purposes of the statement of cash flows, the County considers cash and cash equivalents to be cash on hand, demand deposits, and highly liquid investments with original maturities of three months or less when purchased.

Accounts Receivable

The accounts receivable of the County are recorded in the government-wide, governmental, and proprietary fund financial statements and are net of an allowance for doubtful accounts, which is generally equivalent to the receivables that are over 90 days.

Unearned Revenue

Unearned revenue reported in the Governmental Funds represents revenues that are received, but not earned until a future period. The revenue will be recognized in the fiscal year it is earned. Unearned revenue is recorded in liabilities.

Due To/From Other Funds

Activity between funds during the year is recorded by moving cash; however, after September 30th cash can no longer move between funds; therefore a "due from" and "due to" are used to record any activity representing current interfund loans. Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide statement of net position as "internal balances".

Restricted Assets

Certain resources of the County are classified as restricted assets on the statement of net position because the restriction is either imposed by law through constitutional provisions or enabling legislation or imposed externally by creditors, grantors, contributors, or laws or regulations of other governments. When both restricted and unrestricted resources are available for use, it is the County's policy to use restricted resources first, then unrestricted resources as they are needed.

Inventories

Inventories, consisting primarily of materials and supplies, are stated at cost, which approximates fair market value. The "first-in/first-out" (FIFO) method is used to determine cost. No inventories were reported in any governmental funds at September 30, 2021.

All inventories are recorded as expenditures, or expense, as they are used (consumption method). An offsetting non-spendable fund balance is reported in the governmental fund financial statements to indicate that the asset is not available for appropriation or expenditure.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Long-Term Receivables

Noncurrent portions of long-term receivables due to governmental funds are reported on their balance sheets, in spite of their spending measurement focus. However, special reporting treatments are used to indicate that they are not considered "available spendable resources," since they do not represent net current position. Recognition of governmental fund type revenues represented by noncurrent receivables is not made until they become current receivables.

Capital Assets

Capital assets include property, plant, equipment, infrastructure, and intangible assets such as computer software. Infrastructure assets are defined as public domain assets such as roads, bridges, curbs and gutters, streets and sidewalks, drainage systems, lighting systems and similar assets that are immovable and of value only to the governmental unit. Capital assets are reported in the government-wide financial statements in the applicable governmental or business-type activities column, as well as the proprietary fund financial statements. The established threshold for capitalizing property, plant and equipment is generally \$3,000. The threshold for capitalizing infrastructure ranges from \$5,000 to \$25,000. The Office of the Sheriff, however, has established a capitalization threshold of \$5,000 for all classes of capital assets. The threshold for the capitalization of all intangible assets is \$50,000.

The reported values of general infrastructure exclude normal maintenance and repairs which are essentially amounts spent in relation to capital assets that do not increase the capacity or efficiency of the item or extend its useful life beyond the original estimate.

The County holds legal title to the capital assets of the Board of County Commissioners, Property Appraiser, Tax Collector, Clerk of the Circuit Court, and Supervisor of Elections and is accountable for them under Florida Law. The Sheriff, under Florida Law, is accountable for maintaining capital asset records for equipment used in the operations of the Office.

Capital assets are recorded at cost, or estimated historical cost. Contributed assets are recorded at estimated acquisition value at the time received.

Amortization of intangible assets is included with depreciation expense.

Depreciation or amortization, as appropriate, is calculated using the straight-line method over the following estimated useful lives:

 $\begin{array}{lll} \text{Intangible Assets} & 7-40 \text{ Years} \\ \text{Buildings} & 30-50 \text{ Years} \\ \text{Improvements} & 10-50 \text{ Years} \\ \text{Equipment} & 5-15 \text{ Years} \\ \text{Water Distribution System} & 40 \text{ Years} \end{array}$

Infrastructure assets are depreciated using a group depreciation method over a period of 10-100 years.

The landfill is depreciated proportionately based on capacity used.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Compensated Absences

The various County agencies maintain policies that permit employees to accumulate earned but unused vacation and sick pay benefits that will be paid to employees upon separation of service if certain criteria are met. These benefits, plus their related tax and retirement costs, are classified as compensated absences. The policies of the various County agencies vary as to the amount and the vesting of employee vacation and sick time. Generally, the policies allow limited vesting of unused employee vacation leave time and in some instances sick time. The amount of vacation time is determined by the period of employment. In prior years, the following governmental funds have been used to eliminate the liability for compensated absences: the General Fund, the County Transportation Trust Fund, the Fire Taxing Unit Fund, the E911 System Fund, and the Court Fund.

Compensated absences liabilities are accrued when incurred in the government-wide and proprietary fund financial statements. No expenditure is reported in the governmental fund statements for these amounts until payment is due. The compensated absences liability is based on current rates of pay.

G. Management Estimates and Assumptions

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, deferred outflows, liabilities, deferred inflows, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could vary from estimates used.

H. Deferred Inflows and Outflows

Deferred outflows of resources are defined as a consumption of resources by the government that is applicable to a future reporting period. Deferred inflows of resources are defined as an acquisition of resources by the government that is applicable to a future reporting period. Deferred outflows of resources have a positive effect on net position, similar to assets, and deferred inflows of resources have a negative effect on net position, similar to liabilities. Notwithstanding those similarities, deferred outflows of resources are not assets and deferred inflows of resources are not liabilities, and accordingly, are not included in those sections of the statement of financial position.

I. Pensions

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Florida Retirement System Pension Plan and Health Insurance Subsidy Program and additions to/deductions from the Plans' fiduciary net position have been determined on the same basis as they are reported by the Plans. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value. In prior years, the following governmental funds have been used to eliminate the pension liabilities: the General Fund, the County Transportation Trust Fund, the Fire Taxing Unit Fund, the E911 System Fund, and the Court Fund.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

J. Post-employment Benefits other than Pensions (OPEB)

In addition to pension benefits noted above, the County provides health care and life insurance benefits for retired employees (OPEB). For purposes of measuring total OPEB liability, deferred outflows of resources, deferred inflows of resources, and OPEB expense, the economic resources measurement focus and full accrual basis of accounting are utilized. Benefit payments are recognized when due and payable in accordance with the benefit terms. In prior years, the following governmental funds have been used to eliminate the OPEB liabilities: the General Fund, the County Transportation Trust Fund, the Fire Taxing Unit Fund, the E911 System Fund, and the Court Fund.

K. Fund Balance

The County follows the provisions of GASB Statement No. 54, <u>Fund Balance Reporting and Governmental Fund Type Definitions</u> to classify fund balances for its governmental funds into specifically defined classifications. The classifications comprise a hierarchy based primarily on the extent to which the County is bound to honor constraints on the specific purposes for which the amounts in the fund can be spent.

Fund balance classifications are described below:

Nonspendable Fund Balance – Non-spendable fund balances are amounts that cannot be spent because they are either: (a) not in spendable form or (b) legally or contractually required to be maintained intact.

Restricted Fund Balance – Restricted fund balances are restricted when constraints placed on the use of resources are either: (a) externally imposed by creditors, grantors, contributors, or laws or regulations of other governments; or (b) imposed by law through constitutional provisions or enabling legislation.

Committed Fund Balance – Committed fund balances are amounts that can only be used for specific purposes as a result of constraints imposed by formal action of the County's highest level of decision-making authority, which is by Ordinance approved by the County Commission. Committed amounts cannot be used for any other purpose unless the Commission removes those constraints by taking the same type of action.

Assigned Fund Balance – Assigned fund balances are amounts that are constrained by the County's intent to be used for specific purposes, but are neither restricted nor committed. Intent is expressed by (a) formal action of the County Commission, other than by Ordinance, or (b) an official to which the Commission has delegated the authority, by formal action, to assign amounts used for specific purposes. The Commission has delegated this authority to the County Administrator.

Unassigned Fund Balance – Unassigned fund balance is the residual classification for the General Fund.

The County's policy is to expend resources in the following order: restricted, committed, assigned, and unassigned.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

L. Net Position

Equity is classified as net position and displayed in three components:

Net investment in capital assets – Net position invested in capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.

Restricted net position – Consist of net position with constraints placed on the use either by (1) external groups such as creditors, grantors, contributors, or laws or regulation of other governments; or (2) law through constitutional provisions or enabling legislation.

Unrestricted net position – All other net position that do not meet the definition of "restricted" or "net investment in capital assets."

M. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make various estimates. Actual results could differ from those estimates.

NOTE 2 – DEFERRED COMPENSATION PLAN

The County offers its employees a deferred compensation plan (the "Plan") created in accordance with Section 457 of the Internal Revenue Code. This Plan (refer to Section 112.215, Florida Statutes), is available to all regular payroll County employees and permits them to defer a portion of their salaries until future years. The deferred compensation is not available to employees until termination, retirement, death or unforeseeable emergency.

All amounts of compensation deferred under the Plan, all property and rights purchased with those amounts, and all income attributable to those amounts, property or rights are (notwithstanding the mandates of 26 U.S. Code s. 457 (b) (6)), all of the assets specified in subparagraph 1) held in trust for the exclusive benefit of participants and their beneficiaries as mandated by 26 U.S. Code s. 457 (g) (1).

NOTE 3 - PROPERTY TAXES

Property taxes become due and payable on November 1st of each year and are delinquent on April 1 of the following year. Discounts on property taxes are allowed for payments made prior to the April 1 delinquent date. Tax certificates for the full amount of any unpaid taxes must be sold no later than June 1st of each year.

NOTE 3 – PROPERTY TAXES

Procedures for collecting delinquent taxes, including applicable tax certificate sales and tax deed sales, are provided by Florida Statutes. The enforceable lien date is approximately two years after taxes become delinquent and occurs only upon request of a holder of a delinquent tax certificate. There were no significant delinquent property taxes receivable at September 30, 2021.

Tax revenues are recognized when levied, to the extent that they result in current receivables in governmental funds. By year-end, substantially all property taxes have been collected. Accordingly, there is no ad-valorem property taxes receivable reported in the accompanying financial statements.

Details of the County's tax calendar are presented below:

Lien Date January 1
Levy Date October 1

Installment Payments:

1st Installment No later than June 30

2nd Installment No later than September 30 3rd Installment No later than December 31 4th Installment No later than March 31

Regular Payments:

Discount Periods November - February

No Discount Period March Delinquent Date April 1

NOTE 4 - DEPOSITS AND INVESTMENTS

As of September 30, 2021, the County had the following investments and maturities:

	Investment Maturities (in years)						
	Fair	Less					
<u>Investment</u>	Value	Than 1	1 - 2	2 - 3	3 - 5	Rating	
State Investment Pool - Florida							
Prime, amortized cost	\$13,566,314	\$ 13,566,314	\$ -	\$ -	\$ -	AAAm	
Florida Local Government							
Investment Trust:							
Day to Day Fund	1,592,751	1,592,751	-	-	-	AAAm	
Short-Term Bond Fund	7,374,753	1,445,452	3,356,250	2,289,123	283,928	AAAf	
Florida Cooperative Liquid Assets Securities System							
Prime Style Every Day Fund	16,793,582	16,793,582	-	-	_	AAAm	
Enhanced Cash	16,205,911	16,205,911	-	-	-	AAAf	
Money Market Funds	1,379,648	1,379,648				NA	
TOTAL INVESTMENTS	\$ 56,912,959	\$ 50,983,658	\$ 3,356,250	\$ 2,289,123	\$ 283,928		

NOTE 4 – DEPOSITS AND INVESTMENTS

Total Investments of the primary government include \$47,945,455 classified as Cash and Equivalents in the accompanying financial statements. Investments of the Putnam County Development Authority include \$115,881 of Certificates of Deposits.

The County categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. The County uses a market approach in measuring fair value that uses prices and other relevant information generated by market transactions involving identical or similar assets, liabilities, or groups of assets and liabilities.

Assets or liabilities are classified into one of three levels. Level 1 is the most reliable and is based on quoted price for identical assets or liabilities, in an active market. Level 2 uses significant other observable inputs when obtaining quoted prices for identical or similar assets, or liabilities, in markets that are not active. Level 3 is the least reliable, and uses significant unobservable inputs that uses the best information available under the circumstances, which includes the County's own data in measuring unobservable inputs.

At September 30, 2021 the County has no investments which are required to be classified within the fair value hierarchy.

Interest Rate Risk

Investment interest rate risk is the risk that changes in interest rates of debt investments will adversely affect the fair value of an investment. In accordance with its investment policy, the County manages its exposure to declines in fair values by limiting the maturity of investments to less than five years. Additionally, the investment policy requires the portfolio to be diversified by type of investment, issuer, and dates of maturity in order to protect against fluctuations in the market economy. The weighted average days to maturity (WAM) of the Florida PRIME fund were 49 days. The WAM for the Florida Local Government Investment Trust Day to Day Fund was 48 days, and the WAM for the Short Term Bond Fund was 2.10 years. The WAM for the Florida Cooperative Liquid Assets Securities System was 47 days and the WAM for the Enhanced Cash was 177 days.

Credit Risk

Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. The various agencies of the County and its component unit invest excess public funds pursuant to the guidelines established in Section 218.415, Florida Statutes, and County Investment Resolution 2003-112 (investment policy), which authorizes investments of excess public funds to be invested the Local Government Surplus Trust Funds Investment Pool (State Investment Pool); or any intergovernmental investment pool, Securities and Exchange Commission registered money market funds with the highest credit quality rating; savings accounts; interest bearing time deposits in qualified public depositories; direct obligations of the U.S. Treasury; Federal agencies and instrumentalities; certain securities (limited to obligations of the U.S. Government or any agency or instrumentalities thereof); certificates of deposit and other evidence of deposit at financial institutions, bankers' acceptances, and commercial paper rated in the highest tier by a nationally recognized rating agency; and other investments authorized by law or by ordinance for the County.

NOTE 4 – DEPOSITS AND INVESTMENTS

State Investment Pool: The State Investment Pool is administered by the Florida State Board of Administration (SBA), which provides regulatory oversight. The Florida PRIME is an external investment pool that has adopted operating procedures consistent with GASB's requirements to measure its investments at amortized cost. Therefore, the fair value of the position in the pool is equal to the value of the pool shares. The Florida PRIME is rated by Standard and Poor's and has a rating at September 30, 2021 of AAAm. The Florida PRIME has the ability to impose redemption gates (thus restricting withdrawals) per F.S. 218.409 (8)(a) and to impose penalties for early withdrawals per F.S. 218.409 (4). However, at September 30, 2021, there were no redemption fees, maximum transaction amounts, or any other requirements to limit a participant's daily access to their account value.

Florida Local Government Investment Trust: The County participates in the Florida Local Government Investment Trust (FLGIT), an external investment pool. Regulatory oversight for the pool consists of the Board of Trustees comprised of County Clerks and County Commissioners; an Investment Board comprised of finance officers throughout the State; an Independent Investment Advisor; a Custodian Bank; and an Administrator (Florida Association of Court Clerks). The Day to Day Fund's fair value of the pool is equal to the value of the pool shares. However, the Short-Term Bond Fund is a floating rate net asset value. Additionally, the pool's investments are periodically rated by Standard & Poor's. At September 30, 2021, the Credit Quality and Bond Fund Volatility Ratings for the Short Term bond fund were AAAf and S1, respectively. The Credit Quality rating for the Day to Day Fund was AAAm.

The County may have indirect exposure to derivatives through its participation in the FLGIT. Information about the nature and extent of the County's indirect exposure to risks from derivatives and similar debt and investment items is not available. Management is aware of this aspect of the investments held in the FLGIT and has adhered to the County's investment policy requirements to monitor such investment activity on a consistent periodic basis.

Florida Cooperative Liquid Assets Securities System: The County also participates in the Florida Cooperative Liquid Assets Securities System (FLCLASS), an external investment pool. Regulatory oversight is administered by Public Trust Advisors, LLC. FLCLASS follows FASB Accounting Standards Topic (ASC) 820 Fair Value Measurement and Disclosure for financial reporting purposes. FLCLASS does not meet all of the specific criteria outlined in GASB 79 Paragraph 4, therefore FLCLASS participants measure their investments in FLCLASS at fair value. FLCLASS reports the amortized cost of investments, which approximates fair value, to its participants. FLCLASS is rated by Standard and Poor's Global Ratings and has a rating at September 30, 2021 of AAAm. The Enhanced cash pool is rated by Fitch Ratings and has a rating of AAAf/S1 at September 30, 2021.

Custodial Credit Risk

Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, the County will not be able to recover deposits or will not be able to recover collateral securities that are in the possession of an outside party. All County deposits are in qualified public depositories pursuant to Chapter 280, Florida Statues. All deposits made in qualified public depositories are fully collateralized and backed by the Public Deposit Security Trust Fund.

NOTE 4 - DEPOSITS AND INVESTMENTS

Custodial credit risk for investments is the risk that, in the event of the failure of the counterparty, the County will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. The County's investment policy and Florida Statutes require that securities purchased by and all collateral obtained by the County be properly designated as an asset of the County and held in safekeeping by a third party.

Concentration of Credit Risk

Concentration of credit risk is the risk of loss attributed to the magnitude of an investment in a single issuer. Unless market conditions otherwise require, the investment policy requires that no more than fifteen (15%) of the County's investment portfolio may be in any one class of security other than those issued or guaranteed by the U.S. Government or its agencies.

NOTE 5 - ACCOUNTS RECEIVABLE

Accounts receivable of the General Fund consist primarily of \$5,345,770 ambulance service accounts which are reported net of an allowance for doubtful accounts of \$4,358,770 at September 30, 2021. The allowance represents approximately 81.5% of the gross ambulance service accounts receivable at September 30, 2021. The balance of the receivable consists of miscellaneous service fees from the Sheriff, Tax Collector, and the Clerk.

Accounts receivable of the non-major Governmental Funds consist primarily of \$79,716 in receivables in the Sheriff Commissary fund, and \$18,420 in utility customer receivables, net of an allowance of \$13,700. The remaining \$2,861 of miscellaneous receivables is in the Communication Improvement Fund and the Court Fund. All net receivables are expected to be collected within the next year.

Accounts receivable of the Enterprise Funds consist primarily of \$443,585 in Landfill fees, \$194,442 in East Putnam Utility customer receivables, and \$9,439 in receivables from the Port Authority warehouse rent. Receivables are reported net of allowances for doubtful accounts of \$41,000 in the East Putnam Water Fund. All net receivables are expected to be collected within the next year.

NOTE 6 - INTERFUND RECEIVABLES, PAYABLES, AND TRANSFERS

The following is a schedule of interfund receivables and payables as of September 30, 2021:

Due To / Due From Other Funds:

Receivable Fund	Payable Fund	<u>Amount</u>
General Fund	Major Governmental Fund	\$ 925,000
General Fund	Nonmajor Capital Projects Fund	315,000
General Fund	Nonmajor Governmental Fund	200,000
General Fund	Internal Service Fund	15,000
Non-Major Governmental Fund	General Fund	13,838
TOTAL PRIMARY GOVERNMENT		\$ 1,468,838

NOTE 6 - INTERFUND RECEIVABLES, PAYABLES, AND TRANSFERS

Interfund transfers for the year ended September 30, 2021, consisted of the following:

	Transfer In:							
Transfer Out:	General Fund	Nonmajor Governmental	Sar	nitation		East Putnam Water	Internal Service	Total Transers In
General Fund	\$ -	\$ 4,405,437	\$	-	\$	318,237	\$ 3,271,333	\$ 7,995,007
Miscellaneous Grants Fund	3,825,276	1,053,698		1,459		-	476	4,880,909
Better Place Plan Fund	-	872,520		-		550,000	-	1,422,520
Nonmajor Governmental	201,320	18,954		-		-	63,847	284,121
Waste Management	53,729	-		-		-	9,604	63,333
Nonmajor Proprietary	-	-		-		-	3,842	3,842
Internal Service	8,958			-		-	1,886	10,844
Total Transfers Out	\$ 4,089,283	\$ 6,350,609	\$	1,459	\$	868,237	\$ 3,350,988	\$14,660,576

Some balances resulted from the time lag between the dates that (a) interfund goods and services are provided or reimbursable expenditures occur, (b) transactions are recorded in the accounting system, and (c) payments are made between funds.

Other balances are transfers that include transfers to provide match for grant requirements; transfer moneys to other funds based on budgetary requirements; and to move moneys from a fund that by statute or budgetary authority must collect revenues to funds that are required by statute or budgetary authority to expend them.

NOTE 7 - OPERATING LEASES

During 2020, the Waste Management Fund entered into a lease for an off-road dump truck to assist in maintaining the Central Landfill. The lease has a four-year term which expires in February, 2024. The final payment of \$145,000 will only be made if the County decides to exercise a purchase option on the dump truck.

Future minimum lease payments under these leases are as follows:

Year Ending September 30,	Proprietary Funds		
	ф.		
2022 2023	Ф	86,722 86,722	
Total future minimum lease payments	\$	173,444	

NOTE 8 - CAPITAL ASSET ACTIVITY

NOTE 9 - LONG-TERM OBLIGATIONS

Governmental Activities

Revenue Bonds - \$9,000,000 from the United States Department of Agriculture, Public Improvement Revenue Bond, Series 2016 to provide financing for the Putnam County Jail. The interest rate is 3.125%. The bonds will be repaid in 40 annual principal and interest payments of approximately \$397,250 each. The bond is secured by pledged revenues from the local government half-cent sales tax clearing trust fund. The bond is payable from the County Jail Fund (a Debt Service Fund.)

8,382,400

\$8,965,300 from the United States Department of Agriculture, Public Improvement Revenue Bond, Series 2016 to provide financing for the Putnam County Jail. The interest rate is 3.125%. The bonds will be repaid in 40 annual principal and interest payments of approximately \$395,750 each. The bond is secured by pledged revenues from the local government half-cent sales tax clearing trust fund. The bond is payable from the County Jail Fund (a Debt Service Fund.)

8,350,100

<u>Capital Leases</u> consist of agreements with financial institutions for the following equipment: phone system with \$245,828 aggregate historical cost and 8.71% interest rate; excavator with \$386,436 aggregate historical cost and 2.99% interest rate, an excavator with \$366,500 aggregate historical cost and 2.99% interest rate, and two boom mowers with a \$364,150 aggregate historical cost and a 2.94% interest rate.

Total Long-Term Obligations, Governmental Activities

472,260

Other Post Employment Benefits 2,936,034
Accrued Compensated Absences 2,847,100
Net Pension Liability 19,080,866

\$ 42,068,760

NOTE 9 – LONG-TERM OBLIGATIONS

Business-Type Activities

Notes Payable - \$1,402,009 from the State of Florida State Revolving Fund loans to provide financing for the East Putnam Wastewater System. The interest rate is 1.31% and will be repaid in semiannual principal and interest payments of \$28,386 until maturity on June 2035. The note is secured by operating proceeds from the Wastewater System. The Better Place Plan Fund is obligated to cover any deficiencies.	\$ 724,034
\$9,783,912 from the State of Florida in three series of State Revolving Fund loans to provide financing for the East Putnam Water System. The interest rates range from 2.64% to 2.82%. The loan will be repaid in 40 semiannual loan payments of \$327,026. The note is secured by operating proceeds of the Water System and matures in the 2030 fiscal year.	4,667,354
Revenue Bonds - \$4,268,000 from the United States Department of Agriculture is Water Revenue Bonds, Series 2008B to provide financing for the East Putnam Water System. The interest rate is 4.25%. The loan will be repaid in 38 annual loan payments of \$228,300 beginning September 1, 2011. The bond is secured by operating proceeds from the East Putnam Water System. The Better Place Plan Fund is obligated to cover deficiencies up to \$275,000 per year.	3,626,000
\$2,054,900 from the United States Department of Agriculture is Water Revenue Bonds, Series 2008A to provide financing for the East Putnam Water System. The interest rate is 4.50%. The loan will be repaid in 38 annual loan payments of \$113,600 beginning September 1, 2011. The bond is secured by operating proceeds from the East Putnam Water System. The Better Place Plan Fund is obligated to cover deficiencies up to \$275,000 per year.	1,760,000
\$3,057,000 from the United States Department of Agriculture is Sewer Revenue Bonds, Series 2014 (Bond R-1) to provide financing for the East Putnam Wastewater System. The interest rate is 2.75%. The loan will be repaid in 38 annual loan payments of \$126,888 beginning September 1, 2017. The bond is secured by operating proceeds from the East Putnam Wastewater System.	2,737,000
\$276,000 from the United States Department of Agriculture is Sewer Revenue Bonds, Series 2014 (Bond R-2) to provide financing for the East Putnam Wastewater System. The interest rate is 3.25%. The loan will be repaid in 38 annual loan payments of \$13,466 beginning September 1, 2017. The bond is secured by operating proceeds from the East Putnam Wastewater System.	270,000

NOTE 9 - LONG-TERM OBLIGATIONS

Pledged Revenues

The County has pledged future water customer revenues to repay \$6.323 million in water system revenue bonds issued in fiscal year 2009 and State Revolving Fund notes totaling \$9.784 million issued during fiscal years 2008 through 2011. Additionally, the County has pledged up to \$275,000 per annum of discretionary infrastructure surtax revenue through December 31, 2032 to supplement water customer revenues if necessary. Proceeds from the bonds and notes provided financing for the East Putnam Regional Water System. The notes will mature in 2030 and the bonds will mature in 2048. Annual principal and interest payments are expected to exceed 100% of future water revenues. Any shortfalls will be made up from the discretionary surtax and other non-ad valorem revenue sources. The total of principal and interest payments remaining to be made is \$14.47 million. Principal payments of \$618,833 were made in the current year, while interest payments totaling \$360,431 were made.

The County has pledged future wastewater system customer service revenues to repay \$3.333 million in wastewater system revenue bonds and state revolving fund notes totaling \$1.402 issued in fiscal year 2015 and 2016. Additionally, the County has pledged discretionary infrastructure surtax revenue to supplement wastewater customer revenues if necessary to meet payments on the note. Proceeds from the bonds and note provided financing for the East Putnam Regional Wastewater System. The note will mature in 2035 and the bonds will mature in 2054. Annual principal and interest payments are expected to exceed 100% of future wastewater revenues. Any shortfalls in payments of the note will be made up from the discretionary infrastructure surtax while other non-ad valorem revenue sources will be applied to any shortfalls in bond payments. The total of principal and interest payments remaining to be made is \$5.355 million. For the current year, principal of \$114,827 and interest of \$92,031 were paid.

The County has pledged a portion of future half-cent sales tax revenue to repay \$17.965 million of public improvement bonds issued in 2016. Proceeds from the bonds financed construction of improvements to the county jail. Annual principal and interest payments are expected to be approximately 21.86% of estimated revenues. The bonds are payable from the County Jail Fund, a Debt Service Fund and mature March 2056. The total principal and interest remaining to be paid is \$27.75 million. For the current year, principal and interest paid was \$792,975.

NOTE 9 - LONG-TERM OBLIGATIONS

Events of Default and Remedies

The County follows GASB Statement No. 88 Certain Disclosures Related to Debt, Including Direct Borrowings and Direct Placements. The County has no unused lines of credit or assets pledged as collateral for debt. However, the following bonds and notes have terms related to significant events of default with finance-related consequences and/or acceleration clauses:

\$17,965,300 USDA Jail Bonds contain a provision that in an event of default all pledged funds shall be applied to the payment of the interest and principal due on the bonds.

\$3,333,000 USDA Wastewater Bonds contain a provision that in an event of default the bondholder may take any action necessary to collect the amounts then due and thereafter to become due or to enforce performance of the obligation.

\$1,402,009 State of Florida Revolving Fund loan for the East Putnam Wastewater Loan contains a provision that in the event of default, the department may accelerate the repayment schedule or increase the financing rate on the unpaid principal to as much as 1.667 times the financing rate.

\$9,783,912 State of Florida Revolving Fund loan for the East Putnam Water Loan contains a provision that in the event of default, the department may accelerate the repayment schedule or increase the financing rate on the unpaid principal to as much as 1.667 times the financing rate.

NOTE 10 – CONDUIT DEBT

The Putnam County Development Authority, a discretely presented component unit of Putnam County, has issued Revenue Bonds to provide financial assistance to private-sector entities for the acquisition and construction of industrial and commercial facilities deemed to be in the public interest. The bonds are secured by the property financed and are payable solely from payments received on the underlying mortgage loans. Neither the Authority, the County, the State, nor any political subdivision thereof is obligated in any manner for repayment of the bonds. Accordingly, the bonds are not reported as liabilities in the accompanying financial statements.

In May 2018, the Authority issued Pollution Control revenue refunding bonds in an aggregate principal amount of \$125,248,878 to refund several series issued prior to 2007. At September 30, 2021, the aggregate bonds outstanding is approximately \$124,486,000.

NOTE 11 - ACCRUED LANDFILL CLOSURE AND LONG-TERM CARE COSTS

State and federal laws and regulations require the County to place a final cover on its landfill sites when it stops accepting waste and to perform certain maintenance and monitoring functions at the sites for twenty to thirty years after closure.

NOTE 11 - ACCRUED LANDFILL CLOSURE AND LONG-TERM CARE COSTS

Although closure and long-term care costs will be paid only near or after the date the landfills stop accepting waste, the County reports a portion of these closure and long-term care costs as an operating expense in each period based on landfill capacity used as of each balance sheet date. The \$21,386,813 reported as landfill closure and long-term care liability at September 30, 2021, represents the cumulative amounts reported to date based on the use of the following estimated capacity of the landfills:

Central Landfill Phase II, Cells 1, 2, & 3	84.10%
Class III Landfill	100%
Central Landfill Phase I	100%

The County will recognize the remaining estimated cost of closure and long-term care of \$3,717,713 as the remaining estimated capacity is used (estimated to be 1.5 years for Central Landfill Phase II, Cells 1, 2, & 3). These amounts are based on what it would cost to perform all closure and long-term care in 2021. Actual costs may be higher or lower due to inflation, deflation, changes in technology, or changes in regulations.

Additionally, the Florida Department of Environmental Protection (D.E.P.) requires that landfill operators escrow landfill long-term maintenance costs in addition to closure costs, in an amount sufficient to cover the following year's long-term care costs. The County has escrowed \$8,956,130 to cover D.E.P.'s landfill post-closure maintenance cost requirements and closure costs of current operating landfills, as of September 30, 2021. This is shown as restricted cash and equivalents and restricted investments of the business-type activities in the accompanying financial statements.

NOTE 12 – STATE OF FLORIDA PENSION PLANS

<u>Defined Benefit Plans</u>

The County participates in two defined benefit pension plans that are administered by the State of Florida, Department of Management Services, Division of Retirement. The plans provide retirement, disability or death benefits to retirees or their designated beneficiaries. Chapter 121, Florida Statutes, establishes the authority for benefit provisions. Changes to the law can only occur through an act of the Florida Legislature. The State of Florida issues a publicly available financial report that includes financial statements and required supplementary information for the plans. That report is available from the Florida Department of Financial services website at (www.dms.myflorida.com).

The Florida Retirement System (FRS) Pension Plan is a cost-sharing, multiple-employer defined benefit pension plan with a Deferred Retirement Option Program (DROP) available for eligible employees. The FRS was established and is administered in accordance with Chapter 121, Florida Statutes. Retirees receive a lifetime pension benefit with joint and survivor payment options.

NOTE 12 - STATE OF FLORIDA PENSION PLANS

FRS membership is compulsory for employees filling regularly established positions in a state agency, county agency, state university, state college, or district school board, unless restricted from FRS membership under Sections 121.053 and 121.122, Florida Statutes, or allowed to participate in a defined contribution plan in lieu of FRS membership. Participation by cities, municipalities, special districts, charter schools and metropolitan planning organizations is optional.

The Retiree Health Insurance Subsidy (HIS) Program is a cost-sharing, multiple-employer defined benefit pension plan established and administered in accordance with Section 112.363, Florida Statutes. The benefit is a monthly payment to assist retirees of the state-administered retirement systems in paying their health insurance costs. To be eligible to receive a HIS benefit, a retiree under a state administered retirement system must provide proof of eligible health insurance coverage, which can include Medicare.

Benefits Provided

Benefits under the FRS Pension Plan are computed on the basis of age and/or years of service, average final compensation, and service credit. Credit for each year of service is expressed as a percentage of the average final compensation. For members initially enrolled before July 1, 2011, the average final compensation is the average of the five highest fiscal years' earnings; for members initially enrolled on or after July 1, 2011, the average final compensation is the average of the eight highest fiscal years' earnings. The total percentage value of the benefit received is determined by calculating the total value of all service, which is based on the retirement plan and/or class to which the member belonged when the service credit was earned.

Eligible retirees and beneficiaries receive a monthly HIS payment equal to the number of years of service credited at retirement multiplied by \$5. The minimum payment is \$30 and the maximum payment is \$150 per month, pursuant to Section 112.363, Florida Statutes.

Contributions

The contribution requirements of plan members and the County are established and may be amended by the Florida Legislature. Employees are required to contribute 3.00% of their salary to the FRS Pension Plan. The County's contribution rates as of September 30, 2021, were as follows:

_	FRS	HIS	TOTAL
Regular Class	9.16%	1.66%	10.82%
Special Risk Class	24.23%	1.66%	25.89%
Senior Management	27.35%	1.66%	29.01%
Elected Officials	49.76%	1.66%	51.42%
DROP from FRS	16.68%	1.66%	18.34%

The County's contributions for the year ended September 30, 2021, were \$4,845,649 to the FRS and \$504,179 to the HIS.

NOTE 12 – <u>STATE OF FLORIDA PENSION PLANS</u>

Pension Liabilities and Pension Expense

In its financial statements for the year ended September 30, 2021, the County reported a liability for its proportionate share of the net pension liability of the FRS Pension Plan and its proportionate share of the net pension liability of the HIS Program. The net pension liabilities were measured as of June 30, 2021. The County's proportions of the net pension liabilities were based on the County's share of contributions to the pension plans relative to the contributions of all participating entities, actuarially determined.

	FRS		HIS			TOTAL
Net Pension Liability	\$	9,148,835	\$	10,304,234	\$ 1	9,453,069
Proportion at:						
Current Measurement Date		0.1211146%		0.0840030%	0.	2051177%
Prior Measurement Date		0.1253164%		0.0795432%	0.	2048597%
Pension expense (benefit)	\$	(260,180)	\$	737,665	\$	477,485

Deferred Outflows/Inflows of Resources Related to Pensions

At September 30, 2021, the County reported deferred outflows of resources and deferred inflows of resources related pension from the following sources:

	FI	RS	H	IIS	TOTAL			
	Deferred	Deferred	Deferred	Deferred	Deferred	Deferred		
	Outflows	Inflows	Outflows	Inflows	Outflows	Inflows		
	of Resources	of Resources	of Resources	of Resources	of Resources	of Resources

measurement date	1,352,131	<u>-</u>	130,472	-	1,482,603	-		
Total	\$ 10,128,501	\$ (34,025,429)	\$1,958,113	\$ (770,047)	\$ 12,086,614	\$ (34,795,476)		

NOTE 12 – STATE OF FLORIDA PENSION PLANS

Deferred outflows of resources related to employer contributions paid subsequent to the measurement date and prior to the employer's fiscal year end will be recognized as a reduction of the net pension liability in the reporting period ending September 30, 2021. Other pension-related amounts reported as deferred outflows of resources and deferred inflows of resources will be recognized in pension expense as follows:

Year Ending						
September 30,	FRS		HIS		_	TOTAL
2022	\$	4,540,674	\$	233,112		\$ 4,773,786

Thereafter		-		59,024	_	59,024
Total	\$	25,249,059	\$ ^	1,057,594		\$ 26,306,653

Actuarial Assumptions

The total pension liability for each of the defined benefit plans was measured as of June 30, 2021. The total pension liability for the FRS Pension Plan was determined by an actuarial valuation dated July 1, 2021. For the HIS Program, the total pension liability was determined by an actuarial valuation dated July 1, 2020 and rolled forward. The individual entry age actuarial cost method was used for each plan, along with the following significant actuarial assumptions:

	<u>FRS</u>	<u>HIS</u>
Inflation	2.40%	2.40%
Salary Increases	3.25%	3.25%
Investment rate of return	6.80%	N/A
Discount Rate	6.80%	2.16%

Mortality assumptions for both plans were based on the PUB-2010 base tables projected generationally with Scale MP-2018.

For both plans, the actuarial assumptions were based on the results of an actuarial experience study for the period July 1, 2013, through June 30, 2018.

NOTE 12 – <u>STATE OF FLORIDA PENSION PLANS</u>

The following changes in key actuarial assumptions occurred in 2021:

FRS:

 The maximum amortization period was decreased to 20 years for all current and future amortization bases.

HIS:

• The municipal bond index rate and the discount rate used to determine the total pension liability decreased from 2.21% to 2.16%.

The long-term expected investment rate of return for the FRS Pension Plan was not based on historical returns, but instead was based on a forward-looking capital market economic model. Each asset class assumption is based on a consistent set of underlying assumptions, and includes an adjustment for the inflation assumption of 2.40%.

For the FRS Pension Plan, the table below summarizes the consulting actuary's assumptions based on the long-term target asset allocation.

		Annual	Compound Annual
	Target	Arithmetic	(Geometric)
Asset Class	Allocation	Return	Return
Cash	1.00%	2.10%	2.10%
Fixed Income	20.00%	3.80%	3.70%
Globabl Equity	54.20%	8.20%	6.70%
Real estate	10.30%	7.10%	6.20%
Private equity	10.80%	11.70%	8.50%
Strategic Investments	3.70%	5.70%	5.40%
	100.00%		

Discount Rate

The discount rate used to measure the total pension liability for the FRS Pension Plan was 6.80%. FRS' fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the discount rate for calculating the total pension liability is equal to the long-term expected rate of return.

Because the HIS Program is essentially funded on a pay-as-you-go basis and the depletion date is considered to be immediate, a municipal bond rate of 2.16% was used to determine the total pension liability for the program. The Bond Buyer General Obligation 20-Year Municipal Bond Index was used as the applicable municipal bond index.

NOTE 12 - STATE OF FLORIDA PENSION PLANS

Sensitivity Analysis

The following tables demonstrate the sensitivity of the net pension liability to changes in the discount rate. The sensitivity analysis shows the impact to the County's proportionate share of the net pension liability if the discount rate was 1.00% higher or 1.00% lower than the current discount rate.

			FRS		HIS			
	Current Discount				Discount			
	1% Decrease		Rate	1% Increase	1% Decrease	Rate	1% Increase	
	(5.80%)		(6.80%)	(7.80%)	(1.16%)	(2.16%)	(3.16%)	
Employer's								
proportionate share of								
the net pension liability	\$ 40,914,204	\$	9,148,835	\$17,403,451	\$11,912,692	\$10,304,234	\$ 8,986,462	

Pension Plans' Fiduciary Net Position

Detailed information about the pension plans' fiduciary net position is available in the State's separately issued financial reports.

Defined Contribution Plan

Pursuant to Chapter 121, Florida Statutes, the Florida Legislature created the Florida Retirement Investment Plan ("FRS Investment Plan"), a defined contribution pension plan qualified under Section 401(a) of the Internal Revenue Code. The FRS Investment Plan is an alternative available to members of the Florida Retirement System in lieu of the defined benefit plan. There is a uniform contribution rate covering both the defined benefit and defined contribution plans, depending on membership class. Required employer contributions made to the plan during the year ended September 30, 2021, totaled \$838,072.

NOTE 13 – OTHER POST-EMPLOYMENT BENEFITS (OPEB)

Plan Description

Pursuant to a resolution of the Board of County Commissioners, the County provides health care and life insurance benefits for retired employees. The single-employer defined benefit plan for post-employment benefits other than pension benefits (OPEB Plan) is administered by the Board of County Commissioners. The County can amend the benefit provisions provided by the OPEB plan. Funding for the OPEB Plan is on a pay-as-you-go basis from the County's general assets when due. No assets are accumulated in a trust that meets the criteria in paragraph 4 of Statement 75.

NOTE 13 – OTHER POST-EMPLOYMENT BENEFITS (OPEB)

Benefits Provided

The OPEB Plan provides a health insurance subsidy for retirees and eligible dependents of the Board of County Commissioners, Clerk of Court, Supervisor of Elections, Property Appraiser, Sheriff, and Tax Collector. Additionally, life insurance benefits are available to retirees at the cost paid by the County for active employees. Life insurance benefits are \$10,000 or \$20,000.

The health insurance subsidy is provided to retirees with at least six years of service who retire and begin receiving benefits from the Florida Retirement System (FRS). Retirees must maintain health care coverage after employment to be eligible for the subsidy. The amount of monthly subsidy is based on the number of years of total service with the County or Constitutional Officer and is equal to four dollars a month for each year of service. The minimum monthly subsidy is \$24 and the maximum monthly subsidy is \$120 for employees that retire with 30 or more years of service.

Pursuant to the provisions of Section 112.0801 Florida Statutes any employee who retires and immediately begins receiving FRS benefits has the option of paying premiums to continue in the County's healthcare plan at the same group rate that is applicable to active employees. The retiree pays 100% of the blended group rate premium less the subsidy mentioned above, therefore receiving an implicit subsidy.

The plan does not issue separate stand-alone financial reports.

Contributions

The contribution requirements of plan members are established each year during open enrollment when rates are set by insurance providers. Contributions are not based on a measure of pay. Contributions are accounted for in the County's Group Insurance Reserve Fund. County retiree plan members receiving benefits contribute to pay-as-you-go financing depending on the family members covered and the plan selected.

Employees Covered by benefit terms

At September 30, 2021, the following employees were covered by the benefit terms:

Active Employees	599
Retirees with Medical Coverage	24
Retirees with Dental and/or Life, but	
no Medical Coverage	<u>125</u>
Total	748

NOTE 13 – OTHER POST-EMPLOYMENT BENEFITS

Total OPEB Liability

At September 30, 2021, The County reported a total OPEB liability of \$3,049,750. The OPEB liability was measured as of September 30, 2020, and was determined by an actuarial valuation as of September 30, 2020.

Actuarial Assumptions and Other Inputs

The total OPEB liability in the September 30, 2021 actuarial valuation was determined using the following actuarial assumptions and other inputs, applied to all periods included in the measurement, unless otherwise specified:

Inflation	2.20%
Salary Increases	3.25% per annum, compunded annually
Healthcare cost Trend Rates	Under 65 years of age: 5.9% for 2020, increasing to 4.50% in 2039. The ultimate rate of 3.70% begins in 2073.
	64 years and older: 5.30% for 2020, increasing to 4.50% in 2039. The ultimate rate of 3.7% begins in 2073.
	The dental trend is 4.0% each year. The ultimate rate of 3.70% begins in 2073.
Mortality	Rates were based on the Pub-2010 General Retirees Headcount Table using MP 2020 Scale. Rates for Disabled Retirement Participants were based on Pub-2010 General Disabled Retirees Headcount - Weighted Mortality using MP 2020 Scale.

The discount rate used to measure the total OPEB liability was 2.21%, which is based on the Bond Buyer General Obligation 20-Bond Municipal Index. An actuarial experience study has not yet been performed for the plan.

	Incre	ase/Decrease		
Changes in the Total OPEB Liability	in Total

Balance at September 30, 2021	\$	3,049,750		

NOTE 13 – OTHER POST-EMPLOYMENT BENEFITS

Changes in assumptions or inputs reflect a change in the discount rate from 2.66% in 2020 to 2.21% in 2021.

Sensitivity of the Total OPEB Liability to Changes in the Discount Rate

The following presents the total OPEB liability of Putnam County, calculated using the discount rate of 2.21%, as well as what Putnam County's total OPEB liability would be if it were calculated using a discount rate that is 1.0% lower (1.21%) or 1.0% higher (3.21%) than the current rate.

	Current					
	1%	6 Decrease	Discount Rate		1% Increase	
	(1.21%)		(2.21%)		(3.21%)	
Total OPEB liability	\$	3,549,927	\$	3,049,750	\$	2,647,788

Sensitivity of the Total OPEB Liability to Changes in the Healthcare Cost Trend Rates

The following presents the total OPEB liability of Putnam County, calculated using the current healthcare cost trend rate, as well as what Putnam County's total OPEB liability would be if it were calculated using trend rates that are 1.0% lower or 1.0% higher than the current rate.

	Current					
	Healthcare Cost					
	1%	1% Decrease Trend Rate			19	% Increase
Total OPEB liability	\$	2.763.976	\$	3.049.750	\$	3.396.869

NOTE 13 – OTHER POST-EMPLOYMENT BENEFITS

OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources

For the year ended September 30, 2021, the County recognized OPEB expense of \$247,651. At September 30, 2021, the County reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	Deferred Inflows of Resources		Deferred Outflow of Resources	
Differences between expected and actual experience	\$	(41,621)	\$	-
Changes of assumptions or other inputs		(290,271)		248,721
Contributions made subsequent to to measurement date				164,072
Total	\$	(331,892)	\$	412,793

Amounts currently reported as deferred outflows of resources and deferred inflows of resources related to other postemployment benefits will be recognized in OPEB expense as follows:

Year ended September 30,	
2022	\$ 142,526
2023	(21,546)
2024	(21,546)
2025	(21,546)
2026	(21,546)
Thereafter	 24,559
Total	\$ 80,901

NOTE 14 – RISK MANAGEMENT

Public Entity Risk Pool

The County is exposed to various risks of loss related to general liability, personal injury, and errors and omissions. The County joined the Florida Association of Counties Trust (the "Trust"), a public entity risk pool currently operating as a common risk management and insurance program for several member counties. The County pays an annual premium to the Trust for its coverage. The premiums are designed to fund the liability risks assumed by the Trust and are based on certain actual exposures of each member. The premiums are paid from the Risk Management Fund, an Internal Service Fund.

<u>Self-Insurance Program – Worker's Compensation</u>

The County has a self-insurance program for its worker's compensation insurance. The activities of the self-insurance program are administered by a third party and are accounted for in the County's Risk management Fund. The Risk Management Fund provides coverage up to a maximum of \$600,000 for each occurrence. The County purchases commercial insurance for claims in excess of coverage provided by the fund. Settlements have not exceeded insurance coverage for the last three years.

Liabilities are reported if information prior to the issuance of the financial statements indicates that it is probable that a liability has been incurred at the date of the financial statements and the amount of the loss can be reasonably estimated, including an estimate for those incurred but not reported (IBNR). The 2021 IBNR estimate of \$1,536,501 is determined based on historical experience and current trends. The claims liabilities are shown at current dollar value.

All appropriate funds of the County participate in the program and make payments to the Risk Management Fund to pay prior and current year claims and to establish a reserve for losses.

Changes in the fund's claims liability were:

	Beginning C of Fiscal <u>Year Liability</u>		Claims Payments	End of Fiscal Year Liability	Due Within One Year
2019-2020	2,166,508	600,229	(1,348,039)	1,418,698	918,698
2020-2021	1,418,698	3,051,358	(1,991,824)	2,478,232	1,728,232

Self-Insurance Program – Health Insurance

The County provides health insurance for its employees via the Group Insurance Reserve Fund (an Internal Service Fund). Effective October 1, 2019, the County changed its health plan from "fully insured" to self–insured. An excess coverage insurance policy covers claims in excess of \$150,000. Liabilities are reported if information prior to the issuance of the financial statements indicate that it is probable that a loss has been incurred at the date of the financial statements and the amount of the loss can be reasonable estimated, including an estimate for those claims incurred by not reported (IBNRs).

NOTE 14 – RISK MANAGEMENT

The estimate is based on historical experience and current trends, and is reported at current dollar value in the County's Group Insurance Reserve fund. The liability is all considered long term.

Change in the fund's claims liability were:

	of	of Fiscal a		ims Incurred d Changes Estimates	Claims Payments	l of Fiscal ar Liability
2019-2020 2020-2021	\$	- 275,322	\$	4,814,378 5,698,864	\$ (4,539,056) (5,741,813)	\$ 275,322 232,373

Group Insurance

The County purchases life and accidental death and dismemberment insurance for its employees via the Group Insurance Reserve Fund (an Internal Service Fund). The County is "fully insured" and has no liability for claims above the monthly premiums charged by the commercial insurer. Settled claims have not exceeded commercial coverage in any of the past three fiscal years. All funds of the County participate in the program and make payments to the Group Insurance Reserve Fund to pay the premiums.

NOTE 15 – COMMITMENTS AND CONTINGENCIES

At September 30, 2021, the County was committed under signed contracts for approximately \$3,846,442 of road construction, resurfacing and engineering work, \$2,363,279 of landfill improvements, and \$49,063 of building improvements.

The County is party to lawsuits and claims arising out of the normal conduct of its activities. While the results of the lawsuits and claims against the County cannot be predicted with certainty, management does not expect that these matters will have a material adverse effect on the financial position of the County.

The County entered into a grant agreement in May, 2017 with Georgia-Pacific Consumer Operations, LLC. The agreement called for the construction of new papermaking and converting machinery by Georgia-Pacific. The capital investment was estimated at \$400 million and would create approximately 70 new jobs. The County committed to grant funding after construction was complete and the equipment was included on the County tax rolls at full assessed value. Grant funds will be paid for five years and are calculated based on a fixed amount per additional number of jobs created, not to exceed 95% of the ad valorem taxes attributable to the project for years 1-3 and 80% of the ad valorem taxes attributable to the project in years 4-5. The first grant payment of \$4,101,878 was made in June 2021. The County expects Georgia-Pacific to meet the requirements again in fiscal year 2022.

Putnam County, Florida Notes to Financial Statements September 30, 2021

NOTE 17 - NET POSITION RESTRICTED BY ENABLING LEGISLATION

The government-wide statement of net position reports \$24,322,955 of restricted net position, of which \$12.46 million is restricted by enabling legislation.

NOTE 18 - DEFICIT BALANCES - INDIVIDUAL FUNDS

At September 30, 2021, a Special Revenue Fund, the Community Development Block Grant Fund, reflected a deficit fund balance of \$125,707 and the Road Projects Fund, a Capital Projects Fund, reflected a deficit fund balance of \$841,566. County Management anticipates that future grant reimbursements will eliminate these deficits in the following year. In addition, the Risk Management Fund, an Internal Service Fund, had a deficit net position of \$322,451.

NOTE 19 - NET POSITION RESTATEMENT

In fiscal year 2021, the County recorded prior period adjustment of \$1,302,766 which was required for restating the prior period balance of fiduciary net position in custodial funds for the implementation of GASB Statement No. 84, Fiduciary Activities. At September 30, 2020, \$1,302,766 was previously classified as various liability balances which included \$487,360 Customer Deposits, \$362,785 Due to Other Governments, and \$452,621 Assets held for Others. These balances have been restated as fiduciary net position in custodial funds as required under GASB Statement No. 84.

Putnam County, Florida Notes to Financial Statements September 30, 2021

NOTE 20 - UNCERTAINTIES

In March 2020, the World Health Organization made the assessment that the outbreak of a novel coronavirus (COVID-19) can be characterized as a pandemic. As a result, uncertainties have arisen that may have a significant negative impact on the operating activities and results of the County. The occurrence and extent of such an impact will depend on future developments, including (i) the duration and spread of the virus, (ii) government quarantine measures, (iii) voluntary and precautionary restrictions on travel or meetings, (iv) the effects on the financial markets, and (v) the effects on the economy overall, all of which are uncertain.

The effects of this pandemic continue to have a significant impact on the County during the year ended September 30, 2021. In addition, the extent to which these events will affect the amounts reported in future financial statements remains uncertain.

NOTE 21 - SUBSEQUENT EVENTS

On February 8, 2022, the County reimbursed \$758,043 of unspent grant funds to Florida Housing Finance Corporation for the 2017 and 2018 grant years.

Putnam County, Florida Notes to Schedule of Revenues, Expenditures and Changes in Fund Balances Budget and Actual For the Year Ended September 30, 2021

Basis of Budgetary Accounting

Annual budgets are legally adopted for governmental funds, hereafter described, on a basis consistent with generally accepted accounting principles.

The following procedures are used in establishing the budgetary data reflected in the financial statements:

Prior to June 1, constitutional officers, with the exception of the office of the Tax Collector, submit tentative budgets for the operations of their offices to the Board. Budgets for the operations of the office of the Tax Collector are submitted to the Department of Revenue for approval. Additionally, the Property Appraiser submits his budget to the Department of Revenue for approval prior to the submission to the Board.

Prior to July 15, the County Administrator/Budget Officer submits to the Board a proposed operating budget for the fiscal year commencing the following October 1. The operating budget includes proposed expenditures and the means of financing them. Public hearings are conducted by the Board to obtain taxpayer comments. Prior to October 1, the budget is legally enacted through passage of a resolution. All budget appropriations lapse at year-end.

As required by Florida Statutes, Sections 218.35 and 28.36, the Clerk of Circuit Court prepares his annual budget in two parts:

The budget relating to the state court system, which is filed with the Clerks of Court Operations Corporation and the budget relating to the requirements of the Clerk as Clerk of the Board of County Commissioners, County Auditor, County Recorder and Custodian or Treasurer of all County funds and other county-related duties.

County Departments of the Clerk's Office are budgeted with appropriations from the Board of County commissioners. All excess fees (unspent revenues) along with Clerk investment earnings on Board funds are remitted to the Board of County Commissioners on or before October 31st of each year.

Florida Statutes provide that it is unlawful to make expenditures that exceed the total amount budgeted for each fund. Therefore, the fund level is the legal level of control for budget considerations. Chapter 129, Florida Statutes, governs the manner in which the budget may be legally amended once it has been approved. Pursuant to Chapter 129, only the Board of County Commissioners can approve budget amendments that change the total approved budget appropriation of an individual fund. The County Administrator/Budget Officer and Department managers can transfer appropriations within the budget, but cannot change the total appropriation of an individual fund without the approval of the Board of County Commissioners.

Pursuant to the provisions of Chapter 129, Florida Statutes, the amount that the County may appropriate is limited to ninety-five (95%) percent of estimated revenues. In order to present a conservative as well as balanced budget, the County presents only ninety-five (95%) percent of estimated revenues.

Putnam County, Florida Notes to Schedule of Revenues, Expenditures and Changes in Fund Balances Budget and Actual For the Year Ended September 30, 2021

Appropriations from the reserve for contingencies may be made to increase the appropriation for any particular expenditure in the same fund, or to create an appropriation in the fund for any lawful purpose, but no expenditures shall be charged directly to the reserve for contingencies.

A receipt of a nature or from a source not anticipated in the budget and received for a particular purpose, including but not limited to grants, donations, gifts, or reimbursements for damages, may, by resolution of the Board be recorded in its minutes, be appropriated and expended for that purpose, in addition to the appropriations and expenditures provided for in the budget. Such receipts and appropriations shall be added to the budget of the proper fund.

Supplemental appropriations funded from sources not described above, require public hearings and action by the Board in the same manner as adopting the original budget.

(concluded)

Putnam County, Florida Schedule of Changes in the County's Total OPEB Liability and Related Ratios For the Year Ended September 30, 2021 Last 10 Fiscal Years*

SUPPLEMENTARY INFORMATION

GENERAL FUND BY CATEGORY

The six categories shown below together represent the General Fund, the primary operating fund of the County.

General Fund—Board of County Commissioners – To account for the revenues and expenditures of the Board of County Commissioners (BOCC) portion of the General Fund—which are activities that benefit all County residents. Countywide activities include Administration, County Attorney, Human Resources, Information Technology, Emergency Management and Emergency Medical Services, Parks and Recreation, and certain payments to Constitutional Officers and nonprofit agencies.

General Fund—Sheriff – To account for the revenues and expenditures necessary to carry out the duties and obligations of the Sheriff as specified in Section 30.15, Florida Statutes. The funds for the Sheriff's operation are received from the BOCC pursuant to Section 30.49, Florida Statutes.

General Fund—Clerk of Circuit Court – To account for revenues and expenditures of the Clerk of Circuit Court whose responsibilities include: County recorder for official records of Putnam County; accountant for the BOCC, custodian of all County funds, County auditor, and keeping BOCC records and meeting minutes as ex-officio Clerk to the Board of County Commissioners; as well as court-related activities that are not accounted for in the "Clerk of Circuit Court – Court Fund and Public Records Modernization Funds."

General Fund—Tax Collector – To account for revenues and expenditures of the Tax Collector pursuant to Section 197, Florida Statutes.

General Fund—Property Appraiser – To account for revenues and expenditures of the Property Appraiser in the performance of Constitutional responsibilities. These responsibilities include determining the assessed value of all real and tangible property within the County, maintaining associated financial and property records, and providing the Tax Collector with the certified value of real and tangible property and tax millage levied by the respective taxing authorities.

General Fund—Supervisor of Elections – To account for revenues and expenditures of the Supervisor of Elections in the performance of Constitutional responsibilities pursuant to Chapters 97 through 102, Florida Statutes. The funds for the Supervisor of Elections' operation are received from the BOCC pursuant to Section 129.202, Florida Statutes.

Non-major Governmental Funds

Special Revenue Funds

Special revenue funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects.

The County maintains the following Special Revenue Funds:

<u>County Transportation Trust Fund</u> – to account for the operations of the road and bridge department. Financing is provided principally by the County's share of state gasoline taxes.

<u>Fishing Improvement Fund</u> – to account for maintenance of the County's lakes and rivers with financing provided by recreational vessels' license fees and state grants.

<u>Fire Taxing Unit Fund</u> – to account for interlocal agreements with municipal fire departments within the County. Financing is provided from ad valorem taxes.

<u>Law Enforcement Trust Fund</u> – to account for law enforcement related projects funded by the proceeds from confiscated property forfeitures.

<u>Law Enforcement Education Fund</u> – to account for law enforcement training funded with proceeds from fines.

<u>Court Improvement Fund</u> – to account for physical improvements and security for the courthouse. Funding is provided by State of Florida grants and court related revenues.

<u>Drivers Education Fund</u> – to account for receipts and disbursements of designated traffic fines imposed by ordinance in accordance with Section 318.1215, Florida Statutes.

<u>Article V Fund</u> – to account for certain revenues generated pursuant to Article V of the Constitution of the State of Florida.

<u>Court Technology Fund</u> – to account for certain revenues generated pursuant to Article V of the Constitution of the State of Florida that must be expended to enhance court technology.

<u>Crime Prevention Fund</u> – to account for neighborhood crime prevention projects funded by the collection of fines pursuant to Section 775.083, Florida Statutes.

<u>Federal Forfeiture Fund</u> – to account for monies received from federal forfeitures. Expenditures can only be made in accordance with the Federal Equitable Sharing Program.

<u>E911 System Fund</u> – to account for the improvements and operations of the 911 emergency telephone system in the County. Financing is provided from telephone user charges.

<u>Tourist Development Fund</u> – to account for revenues and expenditures relating to tourist development in the County through the assessment of a tourist tax.

<u>Communication Improvement Fund</u> – to account for the collection of traffic infractions surcharge to be used to develop and improve a county wide public safety communications system.

<u>Economic Development Fund</u> – to account for revenues and expenditures made to promote economic development.

<u>Community Development Block Grant Fund (CDBG)</u> - to account for grant revenues received and expended for all CDBG grant programs.

<u>Interlachen Lakes Estates Fund</u> – to account for the collection and use of special assessments paid by the residents of Interlachen Lakes Estates Municipal Services Benefit Unit.

Non-major Governmental Funds

<u>West Putnam Municipal Services Benefit Unit Fund</u> – to account for the collection and use of special assessments paid by the residents of unincorporated West Putnam for road improvements.

<u>Local Housing Assistance (SHIP) Fund</u> – to account for funds received from the State to be used to assist eligible low income individuals to buy or construct new housing or rehabilitate older homes.

<u>MSBU Fund</u> – to account for the collection and use of special assessments levied to provide specific road improvements and maintenance within several Municipal Service Benefit Units.

<u>Water Utilities Fund</u> – to account for the collection and use of fees established to provide one or more small water systems.

<u>Commissary Fund</u> – to account for the commissary operations of the County's Detention Facility. Revenues are provided by sales of products to inmates. The profits can only be spent for the benefit of inmates.

<u>Records Modernization Fund</u> – to account for fees charged pursuant to Section 28.24, Florida Statutes, and related expenditures to modernize the public records storage and retrieval system of the County.

<u>Article V Records Modernization Fund</u> – to account for fees charged pursuant to Article V of the Constitution of the State of Florida, and related expenditures to fund court-related technology as defined in Section 29.008, Florida Statutes.

<u>Court Fund</u> – to account for certain revenues generated by and disbursements related to the Court System pursuant to Article V of the Constitution of the State of Florida.

<u>Supervisor of Elections Grants Fund</u> – to account for proceeds and expenditures related to state and federal grants designed to improve the elections process.

Debt Service Funds

A debt service fund is used to account for and report financial resources that are restricted, committed, or assigned to expenditure for principal and interest.

The County maintains the following Debt Service Fund:

<u>County Jail Fund</u> – to account for funds acquired to pay bonded debt used to fund expansion of County jail facility.

Non-major Governmental Funds

Capital Projects Funds

Capital projects funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlays, including the acquisition or construction of capital facilities and other capital assets.

The County maintains the following non-major Capital Projects Fund:

Capital Projects Fund – to account for resources used to construct various County facilities.

Major Governmental Capital Projects Fund

<u>Better Place Plan Fund</u> – The Better Place Fund is used to account for revenues received from a one-cent discretionary surtax imposed to finance certain capital projects.

Road Projects Fund – to account for resources to be used in developing and enhancing the County's Road System.

Business-type Activities – Enterprise Funds

Enterprise Funds

The County uses Enterprise funds to account for the activity in its Water and Wastewater Utility System, Port Authority, and its Waste Management System.

<u>East Putnam Water Fund</u> – This fund accounts for the operations of the water and wastewater utility systems. Customers are charged for services provided. The following Schedule of Net Position by Department and Schedule of Revenues, Expenses and Changes in Fund Net Position by Department provides more in-depth information between the water and wastewater services accounted for in the fund.

Internal Service Funds

Internal Service Funds are used to account for the financing of goods or services provided by one department to other departments on a cost-reimbursement basis.

The County administers the following Internal Service Funds:

<u>Fleet Maintenance Fund</u> - to account for the costs of providing a maintenance facility for automotive equipment used by other departments.

<u>Group Insurance Reserve Fund</u> - to accumulate funds for the payment of premiums for employees' health and accident insurance.

<u>Risk Management Fund</u> - to account for the costs and the allocation of costs relating to various insurance carried by the County except health and life insurance benefits for County employees.

Fiduciary Funds

Fiduciary Funds

Fiduciary Funds are used to report assets held in a trustee or agency capacity for others that cannot be used to support the County's own programs. The County maintains the following custodial Funds:

<u>Circuit Court Trust Fund (Clerk)</u> – to account for assets held by the Office as an agent for individuals, private organizations, and/or other governments.

Jury and Witness Fund (Clerk) – to account for assets held for jurors and state witnesses.

<u>Inmate Trust Fund (Sheriff)</u> – to account for monies brought to the jail for or by the inmates. These funds belong to the individual inmates and may be used to purchase commissary items.

<u>Sheriff Trust Fund (Sheriff)</u> - to account for all fees charged by the Sheriff's Office. These fees are generated from purges, cash bonds, summons and writs.

Putnam County, Florida

Notes to Schedule of Expenditures of Federal Awards and State Financial Assistance For the Year Ended September 30, 2021

NOTE 1 – BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance includes the federal and state award activity of the County under programs of the federal and state government for the year ended September 30, 2021. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) and Chapter 10.550, Rules of the Auditor General.

Because this schedule presents only a selected portion of the operations of the County, it is not intended to and does not present the financial position, changes in net position or cash flows of the County.

NOTE 2 – <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u>

Expenditures reported on this schedule are reported on the modified accrual basis of accounting. Such expenditures are recognized when they become a demand on current available financial resources. Expenditures on contracts dated before or on December 26, 2014 are recognized following the cost principles in OMB Circular A-133, and expenditures on all subsequent contracts are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the schedules represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years.

NOTE 3 – INDIRECT COST RATE

The County has elected not to use the 10% de minimis indirect cost rate as outlined in the Uniform Guidance.

NOTE 4 - SUBRECIPIENTS

The County did not provide federal or state awards to sub-recipients.

NOTE 5 – PRIOR YEAR EXPENDITURES

Expenses of \$3,461 for Hurricane Matthew and \$77,575 for Hurricane Dorian were incurred in a prior year. In addition, expenses of \$37,668 for the COVID-19 Coronavirus Emergency Supplemental Funding Program and \$3,977,039 for the COVID-19 Coronavirus Relief Fund were incurred in prior years.

NOTE 6 - OTHER

The County does not participate in any loan or loan guarantee programs, nor did the County receive any non-cash federal or state assistance in fiscal year 2021.

Payments of \$80,215 were received on April 17, 2020 and recorded as revenue on the same date from the COVID-19 Provider Relief Fund.

MANAGEMENT LETTER

The Honorable County Commissioners Putnam County, Florida

Report on the Financial Statements

We have audited the financial statements of the Putnam County, Florida (the "County"), as of and for the year ended September 30, 2021, and have issued our report thereon dated March 31, 2022.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Costs Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*; and Independent Auditors' Report on Compliance for Each Major Federal Program and State Project and Report on Internal Control over Compliance Required by the Uniform Guidance and Chapter 10.550, Rules of the Auditor General; and Report on the Schedule of Federal Awards and State Financial Assistance; Schedule of Findings and Questioned Costs; and Independent Auditor's Reports on examinations conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated March 31, 2022, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding financial audit report. Corrective Actions have been taken to address audit findings and recommendations made in the preceding financial audit report.

Financial Condition and Management

Sections 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the County met one

or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, we determined that the County did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures for the County. It is management's responsibility to monitor the County's financial condition, and our financial condition assessment was based in part on representations made by management and review of financial information provided by same.

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Special District Component Units

Section 10.554(1)(i)5.c., Rules of the Auditor General, requires, if appropriate, that we communicate the failure of a special district that is a component unit of a county, municipality, or special district, to provide the financial information necessary for proper reporting of the component unit within the audited financial statements of the county, municipality, or special district in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we did not note any special district component units that failed to provide the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes.

Special Information

As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, Rules of the Auditor General, the following are reported:

		Putnam County Development Authority	Putnam County Port Authority	Putnam County Solid Waste Disposal District
a.	The total number of district employees compensated in the last pay period of the district's fiscal year as	0	0	16
b.	Total number of independent contractors to whom nonemployee compensation was paid in the last month of the district's fiscal year as	1	0	0
C.	All compensation earned by or awarded to employees, whether paid or accrued, regardless of contingency as	0	0	\$664,298
d.	All compensation earned by or awarded to nonemployee independent contractors, whether paid or accrued, regardless of contingency as	\$2,400	0	0
e.	Each construction project with a total cost of at least \$65,000 approved by the district that is scheduled to begin on or after October 1 of the fiscal year being reported, together with the total expenditures for such project as	N/A	Jail Laundry Renovation - \$320,283	Cell 4A Construction - \$5,430,958
f.	A budget variance based on the budget adopted under Section 189.016(4), Florida Statutes, before the beginning of the fiscal year being reported if the district amends a final adopted budget under Section 189.016(6), Florida Statutes, as	N/A	N/A	N/A

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

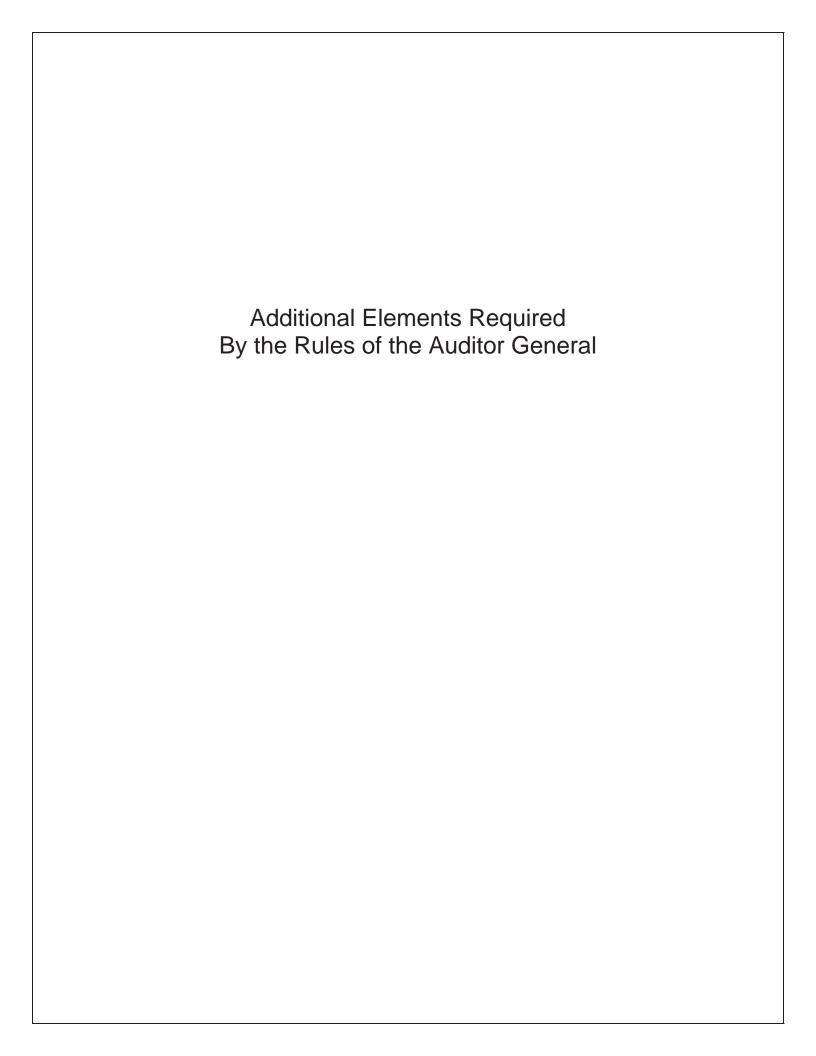

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Board of County Commissioners of Putnam County, Florida, and applicable management, and it is not intended to be and should not be used by anyone other than these specified parties.

We wish to take this opportunity to thank you and your staff for the cooperation and courtesies extended to us during the course of the audit. Please let us know if you have any questions or comments concerning this letter, our accompanying reports, or other matters.

INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE WITH SECTION 218.415, FLORIDA STATUTES

The Honorable County Commissioners Putnam County, Florida

We have examined the Putnam County, Florida's (the "County") compliance with the requirements of Section 218.415, Florida Statutes, *Local Government Investment Policies*, during the year ended September 30, 2021. Management is responsible for the County's compliance with the specified requirements. Our responsibility is to express an opinion on the County's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the County complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the County complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgement, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the County's compliance with specified requirements.

In our opinion, the County complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2021.

This report is intended solely for the information and use of management and the State of Florida Auditor General, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE WITH SECTIONS 365.172(10) AND 365.173(2)(d), FLORIDA STATUTES

The Honorable County Commissioners Putnam County, Florida

We have examined Putnam County, Florida's (the "County") compliance with the requirements of Section 365.172(10), Florida Statutes, *Authorized Expenditures of E911 Fee*, and Section 365.173(2)(d), Florida Statutes, *Distribution and Use of (E911) Funds*, during the year ended September 30, 2021. Management is responsible for the County's compliance with the specified requirements. Our responsibility is to express an opinion on the County's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the County complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the County complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgement, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the County's compliance with specified requirements.

In our opinion, the County complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2021.

This report is intended solely for the information and use of management and the State of Florida Auditor General, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Honorable County Commissioners Putnam County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate discretely presented component unit and remaining fund information of Putnam County, Florida (the "County"), as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated March 31, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statement. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we have reported in separately-issued reports for the County's constitutional officers.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND STATE PROJECT AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND CHAPTER 10.550, RULES OF THE AUDITOR GENERAL

The Honorable County Commissioners Putnam County, Florida

Report on Compliance for Each Major Federal Program and State Project

We have audited Putnam County, Florida's (the "County") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* and the requirements described in the Department of Financial Services' State Projects Compliance Supplement that could have a direct and material effect on each of the County's major federal programs and state projects for the year ended September 30, 2021. The County's major federal program and state projects are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal and state statutes, regulations, and the terms and conditions of its federal and state awards applicable to its federal programs and state projects.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the County's major federal programs and state projects based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and Chapter 10.550, Rules of the Auditor General. Those standards, the Uniform Guidance, and Chapter 10.550, Rules of the Auditor General, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program or state project occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program and state project. However, our audit does not provide a legal determination of the County's compliance.

Opinion on Each Major Federal Program and State Project

In our opinion, the County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended September 30, 2021.

Report on Internal Control Over Compliance

Management of the County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the County's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program and state project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and state project and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.550, Rules of the Auditor General, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Putnam County, Florida's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that were not identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.550, Rules of the Auditor General. Accordingly, this report is not suitable for any other purpose.

The Honorable Sherill F. Norman Florida Auditor General P.O. Box 1735 Tallahassee, FL 32302

Dear Ms. Norman:

In accordance with Section 218.39, Florida Statutes, the following statements are submitted in response to the audit of the County conducted by Carr, Riggs & Ingram, LLC for the period of October 1, 2020 to September 30, 2021.

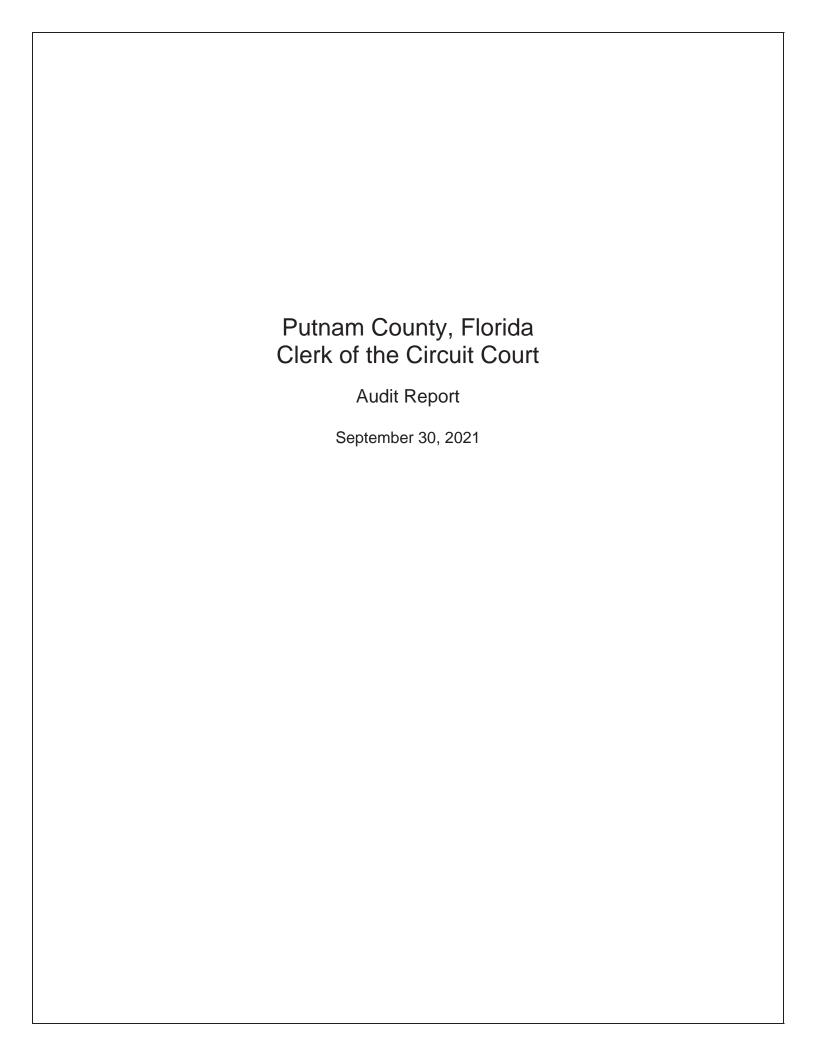

We are pleased that the results of the auditor's tests disclosed no instances of material weaknesses in internal control over financial reporting or noncompliance that would be material to the financial statements.

We are also pleased that the audit noted no material weaknesses or significant deficiencies in their report on compliance for major federal and state award programs.

Sincerely,

Terry Suggs,

County Administrator

Putnam County, Florida Clerk of the Circuit Court September 30, 2021

INDEPENDENT AUDITORS' REPORT

The Honorable Matt Reynolds Clerk of the Circuit Court Putnam County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of each major fund and the aggregate remaining fund information of the Putnam County, Florida Clerk of the Circuit Court (the "Office") as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the Office's financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of each major fund and the aggregate remaining fund information of the Office as of September 30, 2021, and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of the major funds, and the aggregate remaining fund information, only for that portion of the major funds, and the aggregate remaining fund information, of Putnam County, Florida, that is attributable to the Office. They do not purport to, and do not, present fairly the financial position of Putnam County, Florida, as of September 30, 2021, and the changes in its financial position for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to these matters.

Restatement of Net Position

As discussed in Note 3 to the financial statements, the prior year financial statements have been restated in the amount of \$1,285,389 in the fiduciary funds. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the budgetary comparison information, as listed in the table of contents, be presented to supplement the financial statements. Such information, although not a required part of the financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the financial statements, and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Office's financial statements. The combining statements are presented for purposes of additional analysis and are not a required part of the financial statements. The supplementary information is the responsibility of management and was derived from and relates

directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 30, 2022 on our consideration of the Office's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Office's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Office's internal control over financial reporting and compliance.

Jacksonville, Florida March 30, 2022

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the office of the Putnam County Clerk of the Circuit Court (the "Office") conform to generally accepted accounting principles as applicable to governments. The following is a summary of the more significant policies.

Reporting Entity

The Clerk of the Circuit Court is an elected constitutional officer, whose office is established by Article VIII of the Constitution of the State of Florida and is governed by various provisions of state law.

The Office is an integral part of Putnam County, which is the primary government for financial reporting purposes.

Basis of Presentation

The Office's financial statements have been prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida (the "Rules"). These financial statements are the fund financial statements required by generally accepted accounting principles. However, these fund financial statements do not constitute a complete presentation because, in conformity with the Rules, the Office has not presented the government-wide financial statements, the reconciliations to those government-wide financial statements, management's discussion and analysis, or the pension or other postemployment benefit related required supplementary information. Also, certain notes to the financial statements may supplement rather than duplicate the notes included in the County's countywide financial statements. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position, where applicable, of each major fund, and the aggregate remaining fund information, only for that portion of each major fund, and the aggregate remaining fund information, of Putnam County, Florida, that is attributable to the Office. They do not purport to, and do not, present fairly the financial position of Putnam County, Florida, as of September 30, 2021, and the changes in its financial position, where applicable, for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Fund Accounting

Accounts are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, deferred outflows, deferred inflows, fund equity, revenues, and expenditures. Government resources are allocated to, and accounted for in, individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The focus of fund financial statements is on major funds, each displayed in a separate column. All nonmajor funds are aggregated and displayed in a single column.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The Office reports the following major governmental funds:

<u>General Fund</u> - The General Fund is the primary operating fund. It is used to account for and report all financial resources not accounted for and reported in another fund.

<u>Court Fund</u> – The Court Fund is used to account for all court-related activities funded by appropriations from the state and certain fees retained by the office.

Records Modernization Fund – The Records Modernization Fund is used to account for fees charges pursuant to Section 28.24(12)(d), Florida Statutes, and related expenditures to modernize the public records storage and retrieval system of the County.

<u>Article V Records Modernization Fund</u> – The Article V Records Modernization Fund is used to account for fees and fines charged pursuant to Sections 28.24(12)(e)(1) and 28.37, Florida Statutes, and related expenditures to fund court-related technology as defined in Section 29.008, Florida Statutes, and court-related program enhancements.

The Office also reports the following fiduciary funds:

<u>Circuit Court Trust Fund</u> – to account for assets held by the Office as an agent for individuals, private organizations, and/or other governments.

Jury and Witness Fund – to account for assets held for jurors and witnesses.

Fund Balance

The Office follows the provisions of GASB Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*, to classify fund balances for governmental funds into specifically defined classifications. The classifications comprise a hierarchy based primarily on the extent to which the Office is bound to honor constraints on the specific purposes for which amounts in the funds can be spent.

Fund balance classifications are described below:

Non-spendable Fund Balance – Non-spendable fund balances are amounts that cannot be spent because they are either: (a) not in spendable form or (b) legally or contractually required to be maintained intact.

Restricted Fund Balance – Restricted fund balances are restricted when constraints placed on the use of resources are either: (a) externally imposed by creditors, grantors, contributors, or laws or regulations of other governments; or (b) imposed by law through constitutional provisions or enabling legislation.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Committed Fund Balance – Committed fund balances are amounts that can only be used for specific purposes as a result of constraints imposed by formal action of the Office's highest level of decision-making authority, which is a policy of the Office. Committed amounts cannot be used for any other purpose unless the Office removes those constraints by taking the same type of action.

Assigned Fund Balance – Assigned fund balances are amounts that are constrained by the Office's intent to be used for specific purposes, but are neither restricted nor committed. Intent is expressed by (a) the constitutional officer or (b) a body or official to which the constitutional officer has delegated the authority to assign amounts used for specific purposes.

Unassigned Fund Balance – Unassigned fund balance is the residual classification for the General Fund.

The Office's policy is to expend resources in the following order: restricted, committed, assigned, and unassigned.

Restricted Net Position

In the accompanying statement of net position, restricted net position, if any, is subject to restrictions beyond the Office's control. The restriction is either externally imposed (for instance, by creditors, grantors, contributors, or laws/regulations of other governments) or is imposed by law through constitutional provisions or enabling legislation. It is the practice of the Office to utilize restricted assets before unrestricted assets.

Measurement Focus/Basis of Accounting

All governmental funds are accounted for on a current financial resources measurement focus. This means that only current assets and current liabilities are generally included on their balance sheets. Their reported fund balance (net current assets) is considered a measure of "available spendable resources." Their operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets and, accordingly, are said to present a summary of sources and uses of "available spendable resources" during a period.

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

All governmental funds are accounted for using the modified accrual basis of accounting. Their revenues are recognized when they become measurable and available as net current assets.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. However, principal and interest on long-term debt are recognized when due.

Custodial funds are accounted for on the accrual basis of accounting.

Capital Assets and Long-Term Liabilities

Capital assets used by the Office are recorded and accounted for by the Putnam County Board of County Commissioners.

Because of their spending measurement focus, expenditure recognition for governmental fund types is limited to exclude amounts represented by noncurrent liabilities. Since they do not affect net current assets, such long-term amounts are not recognized as governmental fund type expenditures or fund liabilities. They are instead reported as liabilities in the financial statements of the County.

Equity in Pooled Cash and Equivalents

The Office maintains a cash and equivalents pool that is available for use by all funds. Each fund's portion of this pool is displayed on the balance sheet as "Equity in Pooled Cash and Equivalents". If a fund overdraws its account in the pool, a liability and corresponding receivable (i.e., due to/from other funds) are reported on the balance sheet. Management has designated the General Fund as the fund to report a receivable.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make various estimates. Actual results could differ from those estimates.

Recently Issued and Implemented Accounting Pronouncements

The Office has implemented GASB Statement No. 84, Fiduciary Activities. The implementation of this statement establishes criteria for identifying fiduciary activities of all state and local governments. The focus of the criteria generally is on (1) whether a government is controlling the assets of the fiduciary activity and (2) the beneficiaries with whom a fiduciary relationship exists. The Office has evaluated these criteria and determined that all funds previously reported as fiduciary funds remains proper. Additional information can be found in Note 3 - Net Position Restatement.

NOTE 2 – DEPOSITS AND INVESTMENTS

Deposits

All deposits of the Office are placed in a bank that qualifies as a public depository pursuant to the provisions of the Florida Security or Public Deposits Act. Every qualified public depository is required by this law to deposit with the State Treasurer eligible collateral equal to, or in excess of, an amount to be determined by the State Treasurer. The State Treasurer is required to ensure that all funds are entirely collateralized throughout the fiscal year.

Investments

The Office has adopted an investment policy pursuant to Section 218.415, Florida Statutes, which allows for surplus funds to be invested in the following:

- a. The Local Government Surplus Funds Trust fund (the "State Pool") or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act as provided in Section 163.01, Florida Statutes,
- b. Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency.
- c. Interest bearing time deposits and savings accounts in state-certified qualified public depositories.
- d. Direct obligations of the U.S. Treasury.

At September 30, 2021, surplus funds are invested in Florida Cooperative Liquid Assets Securities System (FLCLASS) which is an intergovernmental investment pool authorized per Section 218.415, Florida Statutes. FLCLASS is administered by Public Trust Advisors, LLC, who provides regulatory oversight.

FLCLASS follows FASB Accounting Standards Topic (ASC) 820 Fair Value Measurement and Disclosure for financial reporting purposes. FLCLASS does not meet all of the specific criteria outlined in GASB 79 Paragraph 4, therefore FLCLASS participants measure their investments in FLCLASS at fair value. FLCLASS reports the amortized cost of investments, which approximates fair value, to its participants.

Investment in FLCLASS

The Office's investments in FLCLASS are included in Equity in Pooled Cash and Equivalents in the accompanying financial statements. At year-end the Office had \$1,411,681 invested in Florida Cooperative Liquid Assets Securities System (FLCLASS) of which \$953,026 was in FLCLASS Enhanced Cash.

The Office's investment in FLCLASS exposes it to credit risk. The Office does not have a formal investment policy relating to this risk, which is hereafter described.

Credit Risk – The risk that an issuer or other counterparty to an investment will not fulfill its obligations. FLCLASS is rated by Standard and Poor's Global Ratings and has a rating at September 30, 2021 of AAAm. The Enhanced cash pool is rated by Fitch Ratings and has a rating of AAAf/S1 at September 30, 2021.

NOTE 2 – DEPOSITS AND INVESTMENTS (CONTINUED)

Interest Rate Risk – The risk that changes in interest rates of debt investments will adversely affect the fair value of an investment. In accordance with its investment policy, the Office manages its exposure to declines in fair values by limiting the maturity of investments to less than five years. Additionally, the investment policy requires the portfolio to be diversified by type of investment, issuer, and dates of maturity in order to protect against fluctuations in the market economy. The weighted average days to maturity (WAM) of FLCLASS at September 30, 2021 is 47 days. Next interest rate reset dates for floating rate securities are used in the calculation of the WAM. The weighted average life (WAL) of FLCLASS at September 30, 2021 is 84 days. The Enhance Cash WAM at September 30, 2021 is 177 days. Next interest rate reset dates for floating rate securities are used in the calculation of the WAM. The WAL of Enhanced Cash at September 30, 2021 is 192 days

NOTE 3 – NET POSITION RESTATEMENT

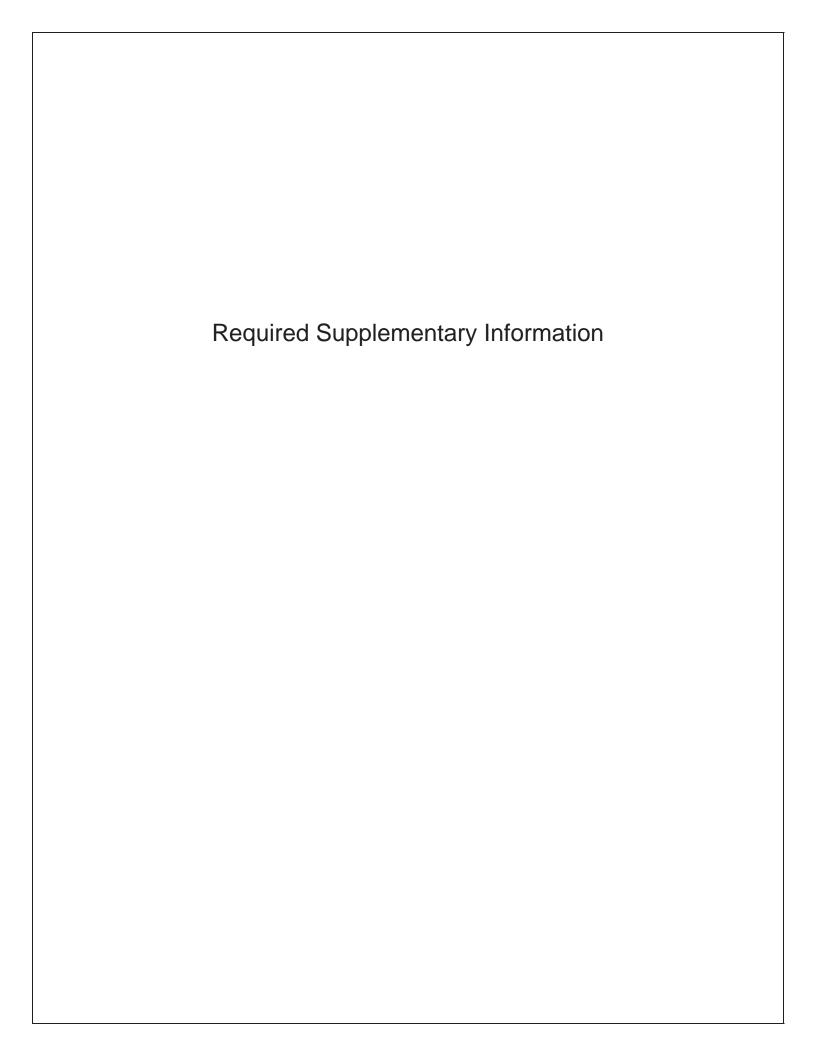

In fiscal year 2021 the Office recorded a prior period adjustment of \$1,285,389 which was required for restating the prior period balance of fiduciary net position in custodial funds for the implementation of GASB Statement No. 84, Fiduciary Activities. At September 30, 2020, \$1,285,389 was previously classified as various liability balances which included \$487,360 customer deposits, \$362,785 Due to Other Governments, and \$435,244 assets held for others. These balances have been restated as fiduciary net position in custodial funds as required under GASB Statement No. 84.

NOTE 4 – RISK MANAGEMENT

For health insurance and worker's compensation, the Office participates in the risk management program established by the Board of County Commissioners to cover claims against the Board and Constitutional Officers. The risk management program is accounted for in the Board's financial statements as an Internal Service Fund, in accordance with requirements of GASB 10.

For risks of loss related to general liability and errors or omissions, the Office participates with the Board to purchase commercial insurance. For the past three years, there have been no insurance settlements in excess of insurance coverages.

MANAGEMENT LETTER

The Honorable Matt Reynolds Clerk of the Circuit Court Putnam County, Florida

Report on the Financial Statements

We have audited the financial statements of the office of the Putnam County, Florida Clerk of the Circuit Court (the "Office"), as of and for the year ended September 30, 2021, and have issued our report thereon dated March 30, 2022.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*; and Independent Accountants' Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated March 30, 2022, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding financial audit report. Corrective actions have been taken to address findings and recommendations made in the preceding financial audit report.

Financial Management

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires that we communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, the Putnam County, Florida Clerk of the Circuit Court, and applicable management, and is not intended to be and should not be used by another other than these specified parties.

We wish to take this opportunity to thank you and your staff for the cooperation and courtesies extended to us during the course of the audit. Please let us know if you have any questions or comments concerning this letter, our accompanying reports, or other matters.

Jacksonville, Florida March 30, 2022

Carr, Riggs & Ingram, LLC 7411 Fullerton Street Suite 300 Jacksonville, FL 32256

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Honorable Matt Reynolds Clerk of the Circuit Court Putnam County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of each major fund and the aggregate remaining fund information of the office of the Putnam County, Florida Clerk of the Circuit Court (the "Office"), as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the Office's financial statements, and have issued our report thereon dated March 30, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Office's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, we do not express an opinion on the effectiveness of the Office's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Office's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that is required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE WITH SECTION 218.415, FLORIDA STATUTES

The Honorable Matt Reynolds Clerk of the Circuit Court Putnam County, Florida

We have examined the office of the Putnam County, Florida Clerk of the Circuit Court's (the "Office") compliance with the requirements of Section 218.415, Florida Statutes, *Local Government Investment Policies*, during the year ended September 30, 2021. Management is responsible for the Office's compliance with those requirements. Our responsibility is to express an opinion on the Office's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Office complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Office complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Office's compliance with specified requirements.

In our opinion, the Office complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2021.

This report is intended solely for the information and use of management and the State of Florida Auditor General and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE WITH SECTIONS 28.35 AND 28.36, FLORIDA STATUTES

The Honorable Matt Reynolds Clerk of the Circuit Court Putnam County, Florida

We have examined the office of the Putnam County, Florida Clerk of the Circuit Court's (the "Office"), compliance with the requirements of Section 28.35, Florida Statutes, *Florida Clerks of Court Operations Corporation*, and Section 28.36, Florida Statutes, *Budget Procedure*, during the year ended September 30, 2021. Management is responsible for the Office's compliance with those requirements. Our responsibility is to express an opinion on the Office's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Office complied in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Office complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Office's compliance with specified requirements.

In our opinion, the Office complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2021.

This report is intended solely for the information and use of management and the State of Florida Auditor General and is not intended to be and should not be used by anyone other than these specified parties.

March 30, 2022

The Honorable Sherill F. Norman Florida Auditor General P.O. Box 1735 Tallahassee, FL 32302

Dear Ms. Norman:

In accordance with Section 218.39, Florida Statutes, the following statements are submitted in response to the audit of the County conducted by Carr, Riggs & Ingram, LLC for the period of October 1, 2020 to September 30, 2021.

We are pleased that the results of the auditor's tests disclosed no instances of material weaknesses in internal control over financial reporting or noncompliance that would be material to the financial statements.

Sincerely,

Matt Reynolds

Clerk of Circuit Court and Comptroller

Putnam County, Florida

INDEPENDENT AUDITORS' REPORT

The Honorable H.D. "Gator" DeLoach, III Sheriff Putnam County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of each major fund and the aggregate remaining fund information of the office of the Putnam County, Florida Sheriff (the "Office") as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the Office's financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of each major fund and the aggregate remaining fund information of the Office as of September 30, 2021, and the respective changes in financial position, for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of each major fund, and the aggregate remaining fund information, only for that portion of each major fund, and the aggregate remaining fund information, of Putnam County, Florida, that is attributable to the Office. They do not purport to, and do not, present fairly the financial position of Putnam County, Florida, as of September 30, 2021, and the changes in its financial position, where applicable, for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to these matters.

Restatement of Net Position

As discussed in Note 2 to the financial statements, the prior year financial statements have been restated in the amount of \$17,377 in the fiduciary funds. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the budgetary comparison information, as listed in the table of contents, be presented to supplement the financial statements. Such information, although not a required part of the financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the financial statements, and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Office's financial statements. The combining statements are presented for purposes of additional analysis and are not a required part of the financial statements.

The supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 17, 2022 on our consideration of the Office's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Office's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Office's internal control over financial reporting and compliance.

Putnam County, Florida Sheriff Notes to Financial Statements

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the office of the Putnam County, Florida Sheriff (the "Office") conform to generally accepted accounting principles as applicable to governments. The following is a summary of the more significant policies.

Reporting Entity

The Sheriff is an elected constitutional officer, whose office is established by Article VIII of the Constitution of the State of Florida and is governed by various provisions of state law.

The Office is an integral part of Putnam County, Florida, which is the primary government for financial reporting purposes.

Basis of Presentation

The Office's financial statements have been prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida (the "Rules"). These financial statements are the fund financial statements required by generally accepted accounting principles. However, these fund statements do not constitute a complete presentation because, in conformity with the Rules, the Office has not presented reconciliations to the government-wide financial statements, the government-wide financial statements, management's discussion and analysis, or the pension or the other postemployment benefit related required supplementary information. Also, certain notes to the financial statements may supplement rather than duplicate the notes included in the County's countywide financial statements. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position, where applicable, of each major fund, and the aggregate remaining fund information, only for that portion of each major fund, and the aggregate remaining fund information, of Putnam County, Florida, that is attributable to the Office. They do not purport to, and do not, present fairly the financial position of Putnam County, Florida, as of September 30, 2021, and the changes in its financial position, where applicable, for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Fund Accounting

Accounts are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures. Government resources are allocated to, and accounted for in, individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The focus of fund financial statements is on major funds, each displayed in a separate column.

The Office reports the following major governmental funds:

General Fund - the General Fund is the primary operating fund. It is used to account for and report all financial resources not accounted for and reported in another fund.

Commissary Fund – the Commissary Fund is used to account for the commissary operations of the County's Detention Facility. Revenues are provided by sales of products to inmates. The profits can only be spent for the benefit of the inmates.

Putnam County, Florida Sheriff Notes to Financial Statements

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fiduciary funds are used to report assets held in a trustee or agency capacity for others that cannot be used to support the government's own programs. The Office's fiduciary funds are used to account for the collection and payment of fees to other governmental agencies and for the temporary custodianship of funds for inmates.

The Office reports the following custodial funds:

Inmate Trust Fund – the inmate trust fund is used to account for the monies brought to the jail for or by the inmates. These funds belong to the individual inmates and may be used to purchase commissary items.

Sheriff Trust Fund – the sheriff trust fund is used to record all fees charged by the Sheriff's Office. These fees are generated from purges, cash bonds, summons, and writs.

Measurement Focus, Basis of Accounting and Financial Statement Presentation

All governmental funds are accounted for on a current financial resources measurement focus. This means that only current assets and current liabilities are generally included on their balance sheets. Their reported fund balance (net current assets) is considered a measure of "available spendable resources." Their operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets and, accordingly, are said to present a summary of sources and uses of "available spendable resources" during a period. Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

All governmental funds are accounted for using the modified accrual basis of accounting. Their revenues are recognized when they become measurable and available as net current assets. For this purpose, the Office considers revenues available if they are collected within sixty days of the end of the current fiscal year. Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. However, principal and interest on long-term debt are recognized when due.

Custodial funds are accounted for on the accrual basis of accounting.

Cash and Equivalents

Cash and Equivalents consist of deposits placed in a bank that qualifies as a public depository pursuant to the provisions of the Florida Security for Public Deposits Act. Every qualified public depository is required by this law to deposit with the Chief Financial Officer eligible collateral equal to, or in excess of, an amount to be determined by the Chief Financial Officer. The Chief Financial Officer is required to ensure that all funds are entirely insured or collateralized throughout the fiscal year.

Putnam County, Florida Sheriff Notes to Financial Statements

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Accounts Receivable

The Office considers accounts receivable to be fully collectible and no allowance for doubtful accounts is provided.

Fund Balance

The Office follows the provisions of GASB Statement No. 54, Fund Balance Reporting and Governmental Fund Type Definitions to classify fund balances for governmental funds into specifically defined classifications. The classifications comprise a hierarchy based primarily on the extent to which the Office is bound to honor constraints on the specific purposes for which amounts in the funds can be spent.

The fund balance classifications specified in GASB Statement No. 54 are as follows:

Nonspendable Fund Balance – Nonspendable fund balances are amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact.

Restricted Fund Balance – Restricted fund balances are restricted when constraints placed on the use of resources are either: (a) externally imposed by creditors, grantors, contributors, or laws or regulations of other governments; or (b) imposed by law through constitutional provisions or enabling legislation.

Committed Fund Balance – Committed fund balances are amounts that can only be used for specific purposes as a result of constraints imposed by formal action of the Office's highest level of decision-making authority, which is a policy of the Office. Committed amounts cannot be used for any other purpose unless the Office removes those constraints by taking the same type of action.

Assigned Fund Balance – Assigned fund balances are amounts that are constrained by the Office's intent to be used for specific purposes, but are neither restricted nor committed. Intent is expressed by (a) the constitutional officer or (b) a body or official to which the constitutional officer has delegated the authority to assign amounts to be used for specific purposes.

Unassigned Fund Balance – Unassigned fund balance is the residual classification for the General Fund.

The Office's policy is to expend resources in the following order: restricted, committed, assigned, and unassigned.

Restricted Net Position

In the accompanying statement of net position, restricted net position, if any, is subject to restrictions beyond the Office's control. The restriction is either externally imposed (for instance, by creditors, grantors, contributors, or laws/regulations of other governments) or is imposed by law through constitutional provisions or enabling legislation. It is the practice of the Office to utilize restricted assets before unrestricted assets.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Capital Assets and Long-Term Liabilities

Capital assets used by the Office are recorded and accounted for by the Putnam County, Florida Board of County Commissioners.

Because of their spending measurement focus, expenditure recognition for governmental fund types is limited to exclude amounts represented by noncurrent liabilities. Since they do not affect net current assets, such long-term amounts are not recognized as governmental fund type expenditures or fund liabilities. They are instead reported as liabilities in the financial statements of the County.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make various estimates. Actual results could differ from those estimates.

Recently Issued and Implemented Accounting Pronouncements

The Office has implemented GASB Statement No. 84, Fiduciary Activities. The implementation of this statement establishes criteria for identifying fiduciary activities of all state and local governments. The focus of the criteria generally is on (1) whether a government is controlling the assets of the fiduciary activity and (2) the beneficiaries with whom a fiduciary relationship exists. The Office has evaluated these criteria and determined that all funds previously reported as fiduciary funds remains proper. Additional information can be found in Note 2.

NOTE 2 – NET POSITION RESTATEMENT

In fiscal year 2021 the Office recorded a prior period adjustment of \$17,377 which was required for restating the prior period balance of fiduciary net position in custodial funds for the implementation of GASB Statement No. 84, Fiduciary Activities. At September 30, 2020, \$17,377 was previously classified as a liability "assets held for others" and has been restated as fiduciary net position in custodial funds as required under GASB Statement No. 84.

Custodial Funds			
\$	-		
	10,902		
	6,475		
\$	17,377		
	\$ \$		

Putnam County, Florida Sheriff Notes to Financial Statements

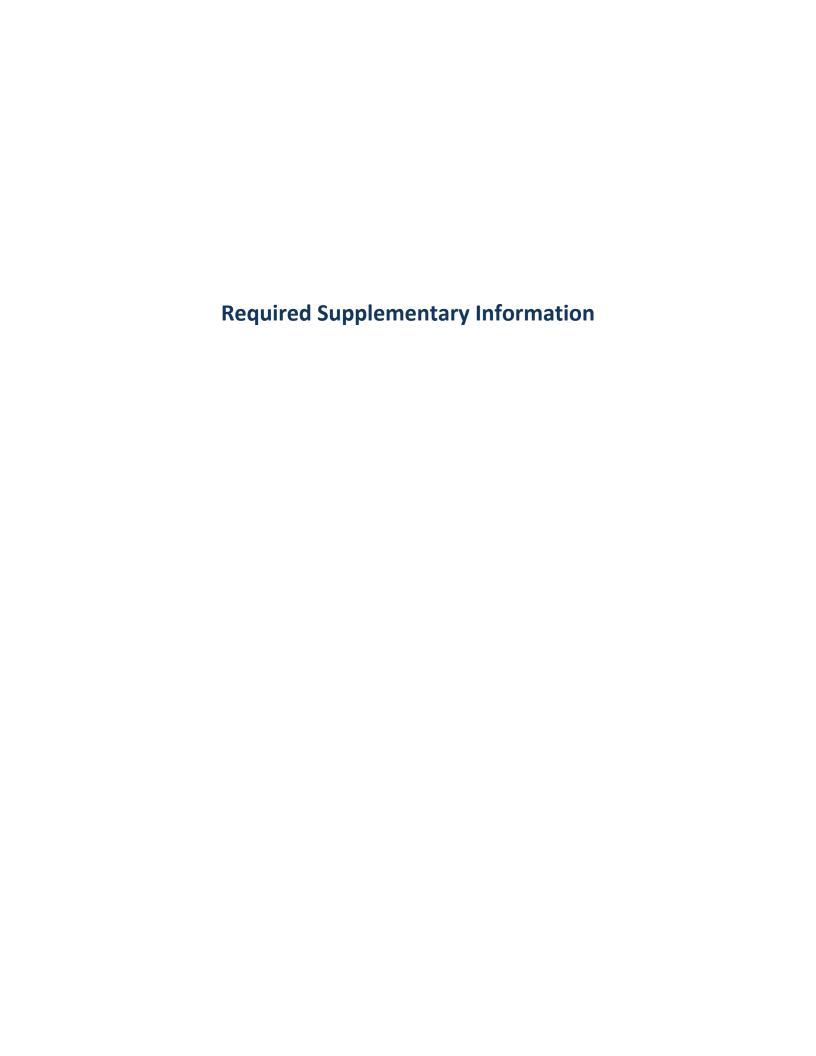

NOTE 3 – RISK MANAGEMENT

For health insurance and worker's compensation, the Office participates in the risk management program established by the Board of County Commissioners to cover claims against the Board and Constitutional Officers. The risk management program is accounted for in the Board's financial statements as an Internal Service Fund, in accordance with requirements of GASB 10.

The Office also participates in the Florida Sheriff's self-insurance fund for risk related to professional liability and certain tangible personal property. For the past three years, there have been no insurance settlements significantly in excess of insurance coverage.

NOTE 4 – CONTINGENCIES

The Office is involved in claims in the normal course of operations. It is the opinion of management that any uninsured claims would not be material in relation to the Office's financial condition.

MANAGEMENT LETTER

The Honorable H.D. "Gator" DeLoach, III Sheriff Putnam County, Florida

Report on the Financial Statements

We have audited the financial statements of the office of the Putnam County, Florida Sheriff (the "Office"), as of and for the year ended September 30, 2021, and have issued our report thereon dated February 17, 2022.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*; and Independent Accountants' Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated February 17, 2022, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings and recommendations made in the preceding annual financial audit report.

Financial Management

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires that we communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, the Putnam County, Florida Sheriff, and applicable management, and is not intended to be and should not be used by another other than these specified parties.

We wish to take this opportunity to thank you and your staff for the cooperation and courtesies extended to us during the course of the audit. Please let us know if you have any questions or comments concerning this letter, our accompanying reports, or other matters.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Honorable H.D. "Gator" DeLoach, III Sheriff Putnam County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of each major fund and the aggregate remaining fund information of the office of the Putnam County, Florida Sheriff (the "Office"), as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the Office's financial statements, and have issued our report thereon dated February 17, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Office's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, we do not express an opinion on the effectiveness of the Office's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Office's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE WITH SECTION 218.415, FLORIDA STATUTES

The Honorable H.D. "Gator" DeLoach, III Sheriff Putnam County, Florida

We have examined the Putnam County, Florida Sheriff's (the "Office") compliance with the requirements of Section 218.415, Florida Statutes, *Local Government Investment Policies*, during the year ended September 30, 2021. Management is responsible for the Office's compliance with the specified requirements. Our responsibility is to express an opinion on the Office's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Office complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Office complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Office's compliance with specified requirements.

In our opinion, the Office complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2021.

This report is intended solely for the information and use of management and the State of Florida Auditor General and is not intended to be and should not be used by anyone other than these specified parties.

904.356.6023 904.353.5836 (fax) CRIcpa.com

The Honorable Linda Myers Tax Collector Putnam County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the major fund and the aggregate remaining fund information of the office of the Putnam County, Florida Tax Collector (the "Office") as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the Office's financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the major fund and the aggregate remaining fund information of the Office as of September 30, 2021, and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of the major fund, and the aggregate remaining fund information, only for that portion of the major fund, and the aggregate remaining fund information, of Putnam County, Florida, that is attributable to the Office. They do not purport to, and do not, present fairly the financial position of Putnam County, Florida, as of September 30, 2021, and the changes in its financial position for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to these matters.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the budgetary comparison information, as listed in the table of contents, be presented to supplement the financial statements. Such information, although not a required part of the financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the financial statements, and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 10, 2022, on our consideration of the Office's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Office's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Office's internal control over financial reporting and compliance.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the office of the Putnam County, Florida Tax Collector (the "Office") conform to generally accepted accounting principles as applicable to governments. The following is a summary of the more significant policies.

Reporting Entity

The Tax Collector is an elected constitutional officer, whose office is established by Article VIII of the Constitution of the State of Florida and is governed by various provisions of state law.

The Office is an integral part of Putnam County, Florida, which is the primary government for financial reporting purposes.

Basis of Presentation

The Office's financial statements have been prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida (the "Rules"). These financial statements are the fund financial statements required by generally accepted accounting principles. However, these fund statements do not constitute a complete presentation because, in conformity with the Rules, the Office has not presented reconciliations to the government-wide financial statements, the government-wide financial statements, management's discussion and analysis, or the pension or the other postemployment benefit related required supplementary information. Also, certain notes to the financial statements may supplement rather than duplicate the notes included in the County's countywide financial statements. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position, where applicable, of the major fund, and the aggregate remaining fund information, only for that portion of the major fund, and the aggregate remaining fund information, of Putnam County, Florida, that is attributable to the Office. They do not purport to, and do not, present fairly the financial position of Putnam County, Florida, as of September 30, 2021, and the changes in its financial position, where applicable, for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Fund Accounting

Accounts are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, deferred outflows/inflows, fund equity, revenues, and expenditures. Government resources are allocated to, and accounted for in, individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The focus of fund financial statements is on major funds, each displayed in a separate column. All nonmajor funds are aggregated and displayed in a single column. The Office has no nonmajor governmental funds.

The Office reports the following major governmental fund:

General Fund – The General Fund is the primary operating fund. It is used to account for and report all financial resources not accounted for and reported in another fund.

The Office reports the following fiduciary fund:

Custodial Fund – The Custodial Fund is used to account for the collection and payment of property taxes and special fees to other governments and agencies.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Measurement Focus, Basis of Accounting and Financial Statement Presentation

All governmental funds are accounted for on a current financial resources measurement focus. This means that only current assets and current liabilities are generally included on their balance sheets. Their reported fund balance (net current assets) is considered a measure of "available spendable resources." Their operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets and, accordingly, are said to present a summary of sources and uses of "available spendable resources" during a period. Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

All governmental funds are accounted for using the modified accrual basis of accounting. Their revenues are recognized when they become measurable and available as net current assets. Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. However, principal and interest on long-term debt are recognized when due.

Custodial fund assets and liabilities are accounted for on the accrual basis of accounting. Custodial funds are purely custodial and do not involve measurement of results of operations.

Equity in Pooled Cash

The Office maintains a cash pool that is available for use by all funds. Each fund type's portion of this pool is displayed as "Equity in Pooled Cash and Cash Equivalents." If a fund overdraws its account in the pool, a liability and corresponding receivable (i.e. due to/from other funds) are reported on the balance sheet. Management has designated the General Fund as the fund to report a receivable.

Deferred Inflow of Resources

A deferred inflow of resources is an acquisition of fund balance that is applicable to a future reporting period.

Fund Balance

The Office follows the provisions of GASB Statement No. 54, Fund Balance Reporting and Governmental Fund Type Definitions to classify fund balances for governmental funds into specifically defined classifications. The classifications comprise a hierarchy based primarily on the extent to which the Office is bound to honor constraints on the specific purposes for which amounts in the funds can be spent. The fund balance classifications specified in GASB Statement No. 54 are as follows:

Nonspendable Fund Balance – Nonspendable fund balances are amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact.

Restricted Fund Balance – Restricted fund balances are restricted when constraints placed on the use of resources are either: (a) externally imposed by creditors, grantors, contributors, or laws or regulations of other governments; or (b) imposed by law through constitutional provisions or enabling legislation.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Committed Fund Balance – Committed fund balances are amounts that can only be used for specific purposes as a result of constraints imposed by formal action of the Office's highest level of decision-making authority, which is a policy of the Office. Committed amounts cannot be used for any other purpose unless the Office removes those constraints by taking the same type of action.

Assigned Fund Balance – Assigned fund balances are amounts that are constrained by the Office's intent to be used for specific purposes, but are neither restricted nor committed. Intent is expressed by (a) the constitutional officer or (b) a body or official to which the constitutional officer has delegated the authority to assign amounts to be used for specific purposes.

Unassigned Fund Balance – Unassigned fund balance is the residual classification for the General Fund.

The Office's policy is to expend resources in the following order: restricted, committed, assigned, and unassigned.

Restricted Net Position

In the accompanying statement of net position, restricted net position, if any, is subject to restrictions beyond the Office's control. The restriction is either externally imposed (for instance, by creditors, grantors, contributors, or laws/regulations of other governments) or is imposed by law through constitutional provisions or enabling legislation. It is the practice of the Office to utilize restricted assets before unrestricted assets.

Capital Assets and Long-Term Liabilities

Capital assets used by the Office are recorded and accounted for by the Putnam County, Florida Board of County Commissioners.

Because of their spending measurement focus, expenditure recognition for governmental fund types is limited to exclude amounts represented by noncurrent liabilities. Since they do not affect net current assets, such long-term amounts are not recognized as governmental fund type expenditures or fund liabilities. They are instead reported as liabilities in the financial statements of the County.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make various estimates. Actual results could differ from those estimates.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Recently Issued and Implemented Accounting Pronouncements

The Office has implemented GASB Statement No. 84, Fiduciary Activities. The implementation of this statement establishes criteria for identifying fiduciary activities of all state and local governments. The focus of the criteria generally is on (1) whether a government is controlling the assets of the fiduciary activity and (2) the beneficiaries with whom a fiduciary relationship exists. The Office has evaluated these criteria and determined that all funds previously reported as fiduciary funds remains proper. There has been no restatement of prior period balances as a result of this implementation.

NOTE 2 – DEPOSITS AND INVESTMENTS

Deposits

All deposits are placed in a bank that qualifies as a public depository pursuant to the provisions of the Florida Security for Public Deposits Act. Every qualified public depository is required by this law to deposit with the Chief Financial Officer eligible collateral equal to, or in excess of, an amount to be determined by the Chief Financial Officer. The Chief Financial Officer is required to ensure that all funds are entirely insured or collateralized throughout the fiscal year.

Investments

Pursuant to Section 218.415, Florida Statutes, the Office adopted a policy that allows it to invest surplus funds in the following:

- (a) The Local Government Surplus Funds Trust Fund, or any governmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act, as provided in Section 163.01, Florida Statutes.
- (b) Securities and Exchange Commission registered money market funds with highest credit quality rating from a nationally recognized rating agency.
- (c) Repurchase agreements fully collateralized by U.S. government obligations, as provided in Section 218.415(16)(g), Florida Statutes.
- (d) Interest bearing time deposits or savings accounts in qualified public depositories, as defined in Section 280.02, Florida Statutes.
- (e) Other investment accounts authorized by law or by ordinance for the County.

The Office holds a money market account with a financial institution in which it invests surplus funds during the year. The balance in the account was \$754,208 at September 30, 2021.

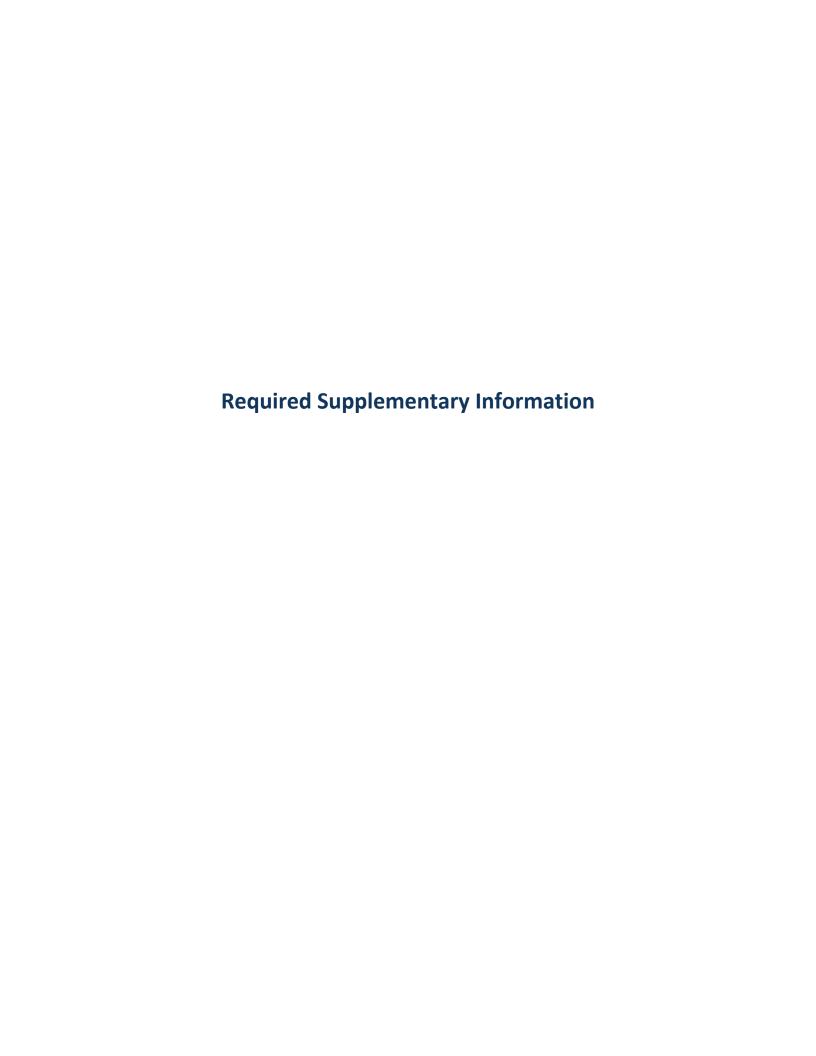

NOTE 3 – RISK MANAGEMENT

For health insurance and worker's compensation, the Putnam County, Florida Tax Collector participates in the risk management program established by the Board of County Commissioners to cover claims against the Board and Constitutional Officers. The risk management program is accounted for in the Board's financial statements as an Internal Service Fund, in accordance with requirements of GASB 10.

For risk of loss related to general liability and errors or omissions, the Office participates with the Board to purchase commercial insurance. For the past three years, there have been no insurance settlements in excess of insurance coverages.

NOTE 4 – CONTINGENCIES

The Office is involved in claims in the normal course of operations. It is the opinion of management that any uninsured claims would not be material in relation to the Office's financial condition.

MANAGEMENT LETTER

The Honorable Linda Myers
Tax Collector
Putnam County, Florida

Report on the Financial Statements

We have audited the financial statements of the office of the Putnam County, Florida Tax Collector (the "Office"), as of and for the year ended September 30, 2021, and have issued our report thereon dated February 10, 2022.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with Government Auditing Standards; and Independent Accountants' Report on an examination conducted in accordance with AICPA Professional Standards, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated February 10, 2022, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings and recommendations made in the preceding annual financial audit report.

Financial Management

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires that we communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, the Putnam County, Florida Tax Collector, and applicable management, and is not intended to be and should not be used by another other than these specified parties.

We wish to take this opportunity to thank you and your staff for the cooperation and courtesies extended to us during the course of the audit. Please let us know if you have any questions or comments concerning this letter, our accompanying reports, or other matters.

Jacksonville, Florida

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Honorable Linda Myers Tax Collector Putnam County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the major fund and the aggregate remaining fund information of the office of the Putnam County, Florida Tax Collector (the "Office"), as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the Office's financial statements, and have issued our report thereon dated February 10, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Office's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, we do not express an opinion on the effectiveness of the Office's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Office's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE WITH SECTION 218.415, FLORIDA STATUTES

The Honorable Linda Myers Tax Collector Putnam County, Florida

We have examined the Putnam County, Florida Tax Collector's (the "Office") compliance with the requirements of Section 218.415, Florida Statutes, *Local Government Investment Policies*, during the year ended September 30, 2021. Management is responsible for the Office's compliance with the specified requirements. Our responsibility is to express an opinion on the Office's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Office complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Office complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgement, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Office's compliance with specified requirements.

In our opinion, the Office complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2021.

This report is intended solely for the information and use of management and the State of Florida Auditor General and is not intended to be and should not be used by anyone other than these specified parties.

Jacksonville, Florida

The Honorable Sherill F. Norman Florida Auditor General Claude Pepper Building, STE. G74 111 W. Madison Street Tallahassee, FL 32399

Dear Ms. Norman;

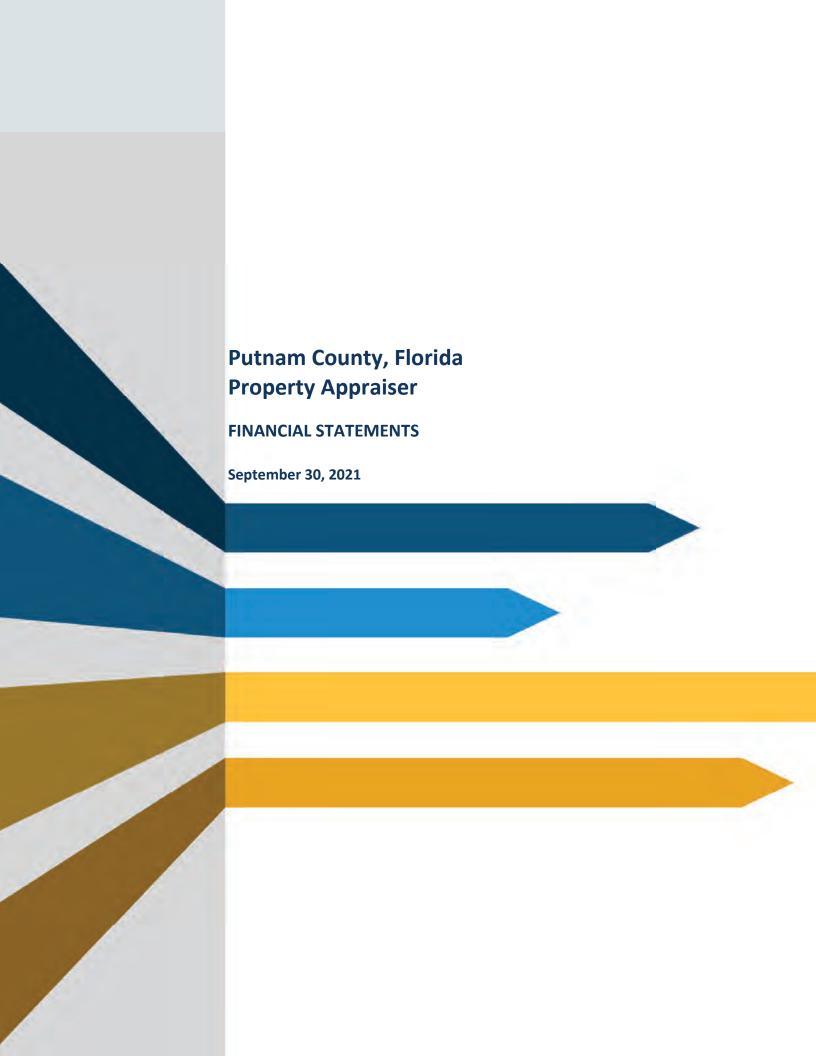

Pursuant to the provisions of Section 218.39(6) Florida Statutes, the following is a statement in response to the audit of our office conducted by Carr, Riggs & Ingram, LLC for the period of October 1, 2020 to September 30, 2021.

We are pleased that the results of the auditor's tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards. We are further pleased that the audit noted no matters involving the internal control over financial reporting and its operation that were considered to be reportable conditions or material weaknesses.

Sincere Regards,

Linda Myers, CFC, CPA

INDEPENDENT AUDITORS' REPORT

The Honorable Timothy E. Parker Property Appraiser Putnam County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the major fund of the Putnam County, Florida Property Appraiser (the "Office") as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the Office's financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the major fund of the Office as of September 30, 2021, and the respective changes in its financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of the major fund only for that portion of the major fund of Putnam County, Florida, that is attributable to the Office. They do not purport to, and do not, present fairly the financial position of Putnam County, Florida, as of September 30, 2021, and the changes in its financial position for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to these matters.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the budgetary comparison information, as listed in the table of contents, be presented to supplement the financial statements. Such information, although not a required part of the financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the financial statements, and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 18, 2022 on our consideration of the Office's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Office's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Office's internal control over financial reporting and compliance.

Carr, Riggs & Chynan, L.L.C.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the office of the Putnam County, Florida Property Appraiser (the "Office") conform to generally accepted accounting principles as applicable to governments. The following is a summary of the more significant policies.

Reporting Entity

The Property Appraiser is an elected constitutional officer, whose office is established by Article VIII of the Constitution of the State of Florida and is governed by various provisions of state law.

The Office is an integral part of Putnam County, Florida ("The County"), which is the primary government for financial reporting purposes.

Basis of Presentation

The Office's financial statements have been prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida (the "Rules"). These financial statements are the fund financial statements required by generally accepted accounting principles. However, these fund statements do not constitute a complete presentation because, in conformity with the Rules, the Office has not presented reconciliations to the government-wide financial statements, the government-wide financial statements, management's discussion and analysis, or the pension or the other post-employment benefit related required supplementary information. Also, certain notes to the financial statements may supplement rather than duplicate the notes included in the County's countywide financial statements. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of the major fund, only for that portion of the major fund of Putnam County, Florida, that is attributable to the Office. They do not purport to, and do not, present fairly the financial position of Putnam County, Florida, as of September 30, 2021, and the changes in its financial position for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Fund Accounting

Accounts are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures. Government resources are allocated to, and accounted for in, individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The focus of fund financial statements is on major funds, each displayed in a separate column. All nonmajor funds are aggregated and displayed in a single column. The Office has no nonmajor funds.

The Office reports the following major governmental fund:

<u>General Fund</u> – the General Fund is the primary operating fund. It is used to account for and report all financial resources not accounted for and reported in another fund.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Measurement Focus, Basis of Accounting and Financial Statement Presentation

All governmental funds are accounted for on a current financial resources measurement focus. This means that only current assets and current liabilities are generally included on their balance sheets. Their reported fund balance (net current assets) is considered a measure of "available spendable resources." Their operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets and, accordingly, are said to present a summary of sources and uses of "available spendable resources" during a period.

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

All governmental funds are accounted for using the modified accrual basis of accounting. Their revenues are recognized when they become measurable and available as net current assets. Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. However, principal and interest on long-term debt are recognized when due.

Cash and Equivalents

All cash and equivalents are placed in a bank that qualifies as a public depository pursuant to the provisions of the Florida Security For Public Deposits Act. Every qualified public depository is required by this law to deposit with the Chief Financial Officer eligible collateral equal to, or in excess of, an amount to be determined by the Chief Financial Officer. The Chief Financial Officer is required to ensure that all funds are entirely insured or collateralized throughout the fiscal year pursuant to Chapter 280, Florida Statutes.

Fund Balance

The Office follows the provisions of GASB Statement No. 54, Fund Balance Reporting and Governmental Fund Type Definitions to classify fund balances for governmental funds into specifically defined classifications. The classifications comprise a hierarchy based primarily on the extent to which the Office is bound to honor constraints on the specific purposes for which amounts in the funds can be spent.

The fund balance classifications specified in GASB Statement No. 54 are as follows:

Nonspendable Fund Balance – Nonspendable fund balances are amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact.

Restricted Fund Balance – Restricted fund balances are restricted when constraints placed on the use of resources are either: (a) externally imposed by creditors, grantors, contributors, or laws or regulations of other governments; or (b) imposed by law through constitutional provisions or enabling legislation.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Committed Fund Balance — Committed fund balances are amounts that can only be used for specific purposes as a result of constraints imposed by formal action of the Office's highest level of decision-making authority, which is a policy of the Office. Committed amounts cannot be used for any other purpose unless the Office removes those constraints by taking the same type of action.

Assigned Fund Balance – Assigned fund balances are amounts that are constrained by the Office's intent to be used for specific purposes, but are neither restricted nor committed. Intent is expressed by (a) the constitutional officer or (b) a body or official to which the constitutional officer has delegated the authority to assign amounts to be used for specific purposes.

Unassigned Fund Balance – Unassigned fund balance is the residual classification for the General Fund.

The Office's policy is to expend resources in the following order: restricted, committed, assigned, and unassigned.

Capital Assets and Long-Term Liabilities

Capital assets used by the Office are recorded and accounted for by the Putnam County, Florida Board of County Commissioners.

Because of their spending measurement focus, expenditure recognition for governmental fund types is limited to exclude amounts represented by noncurrent liabilities. Since they do not affect net current assets, such long-term amounts are not recognized as governmental fund type expenditures or fund liabilities. They are instead reported as liabilities in the financial statements of the County.

Use of Estimates

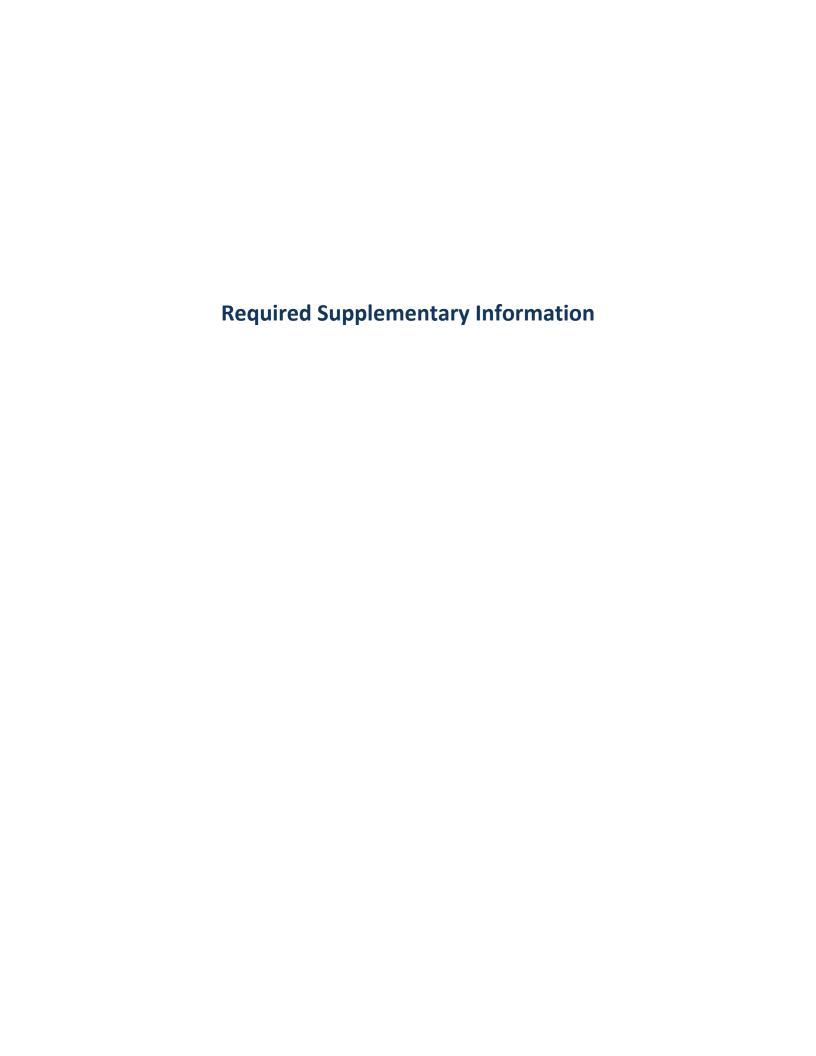

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make various estimates. Actual results could differ from those estimates.

NOTE 2 – RISK MANAGEMENT

For health insurance and worker's compensation, the Office participates in the risk management program established by the Putnam County, Florida, Board of County Commissioners (the "Board") to cover claims against the Board and Constitutional Officers. The risk management program is accounted for in the Board's financial statements as an Internal Service Fund, in accordance with requirements of GASB 10.

NOTE 2 – RISK MANAGEMENT (CONTINUED)

For risk of loss related to general liability and errors or omissions, the Office participates with the Board to purchase commercial insurance. For the past three years, there have been no insurance settlements in excess of insurance coverages.

Report on the Financial Statements

We have audited the financial statements of the office of the Putnam County, Florida Property Appraiser (the "Office"), as of and for the year ended September 30, 2021, and have issued our report thereon dated February 18, 2022.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with Government Auditing Standards; and Independent Accountants' Report on an examination conducted in accordance with AICPA Professional Standards, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated February 18, 2022, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings and recommendations made in the preceding annual financial audit report.

Financial Management

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires that we communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, the Putnam County, Florida Property Appraiser, and applicable management, and is not intended to be and should not be used by another other than these specified parties.

We wish to take this opportunity to thank you and your staff for the cooperation and courtesies extended to us during the course of the audit. Please let us know if you have any questions or comments concerning this letter, our accompanying reports, or other matters.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Honorable Timothy E. Parker Property Appraiser Putnam County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the office of the Putnam County, Florida Property Appraiser (the "Office"), as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the Office's financial statements, and have issued our report thereon dated February 18, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Office's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, we do not express an opinion on the effectiveness of the Office's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Office's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE WITH SECTION 218.415, FLORIDA STATUTES

The Honorable Timothy E. Parker Property Appraiser Putnam County, Florida

We have examined the Putnam County, Florida Property Appraiser's (the "Office") compliance with the requirements of Section 218.415, Florida Statutes, *Local Government Investment Policies*, during the year ended September 30, 2021. Management is responsible for the Office's compliance with the specified requirements. Our responsibility is to express an opinion on the Office's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Office complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Office complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgement, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Office's compliance with specified requirements.

In our opinion, the Office complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2021.

This report is intended solely for the information and use of management and the State of Florida Auditor General and is not intended to be and should not be used by anyone other than these specified parties.

Honorable Sherrill F. Norman, Auditor General Claude Pepper Building 111 West Madison Street Tallahassee, FL 32399

Dear Ms. Norman:

Pursuant to the provisions of Section 218.39(6) Florida Statutes, the following is a statement in response to the audit of our office conducted by Carr, Riggs & Ingram, LLC for the period of October 1, 2020 to September 30, 2021.

We are pleased that the results of the auditor's tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards. We are further pleased that the audit noted no matters involving the internal control over financial reporting and its operation that were considered to be reportable conditions or material weaknesses.

Yours very truly,

Timothy E. Parker, C. F. A.

INDEPENDENT AUDITORS' REPORT

The Honorable Charles Overturf Supervisor of Elections Putnam County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of each major fund of the office of the Putnam County, Florida Supervisor of Elections (the "Office") as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the Office's financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of each major fund of the Office as of September 30, 2021, and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of the major fund, only for that portion of the major fund, of Putnam County, Florida, that is attributable to the Supervisor of Elections. They do not purport to, and do not, present fairly the financial position of Putnam County, Florida, as of September 30, 2021, and the changes in its financial position for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to these matters.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the budgetary comparison information, as listed in the table of contents, be presented to supplement the financial statements. Such information, although not a required part of the financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the financial statements, and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 15, 2022, on our consideration of the Office's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Office's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Office's internal control over financial reporting and compliance.

Putnam County, Florida Supervisor of Elections Notes to Financial Statements

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the office of the Putnam County, Florida Supervisor of Elections (the "Office") conform to generally accepted accounting principles as applicable to governments. The following is a summary of the more significant policies.

Reporting Entity

The Supervisor of Elections is an elected constitutional officer, whose office is established by Article VIII of the Constitution of the State of Florida and is governed by various provisions of state law.

The Office is an integral part of Putnam County, Florida (the "County"), which is the primary government for financial reporting purposes.

Basis of Presentation

The Office's financial statements have been prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida (the "Rules"). These financial statements are the fund financial statements required by generally accepted accounting principles. However, these fund statements do not constitute a complete presentation because, in conformity with the Rules, the Office has not presented reconciliations to the government-wide financial statements, the government-wide financial statements, management's discussion and analysis, or the pension or the other post-employment benefit related required supplementary information. Also, certain notes to the financial statements may supplement rather than duplicate the notes included in the County's countywide financial statements. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of the major fund, only for that portion of the major fund of Putnam County, Florida, that is attributable to the Office. They do not purport to, and do not, present fairly the financial position of Putnam County, Florida, as of September 30, 2021, and the changes in its financial position for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Fund Accounting

Accounts are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures. Government resources are allocated to, and accounted for in, individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The focus of fund financial statements is on major funds, each displayed in a separate column. All nonmajor funds are aggregated and displayed in a single column. The Office has no nonmajor governmental funds.

The Office reports the following major governmental funds:

General Fund – The General Fund is the primary operating fund. It is used to account for and report all financial resources not accounted for and reported in another fund. It is also used to account for and report grant resources that are restricted for voter education and voting equipment. As of October 1, 2020, the Office closed the grant fund into the general fund and transferred the grant fund restricted fund balance of \$25,555 to the general fund.

Grant Fund – Used to account for and report grant resources that are restricted for voter education and voting equipment.

Putnam County, Florida Supervisor of Elections Notes to Financial Statements

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Measurement Focus, Basis of Accounting and Financial Statement Presentation

All governmental funds are accounted for on a current financial resources measurement focus. This means that only current assets and current liabilities are generally included on their balance sheets. Their reported fund balance (net current assets) is considered a measure of "available spendable resources." Their operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets and, accordingly, are said to present a summary of sources and uses of "available spendable resources" during a period.

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

All governmental funds are accounted for using the modified accrual basis of accounting. Their revenues are recognized when they become measurable and available as net current assets. Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. However, principal and interest on long-term debt are recognized when due.

Cash

All cash is placed in a bank that qualifies as a public depository pursuant to the provisions of the Florida Security For Public Deposits Act. Every qualified public depository is required by this law to deposit with the Chief Financial Officer eligible collateral equal to, or in excess of, an amount to be determined by the Chief Financial Officer. The Chief Financial Officer is required to ensure that all funds are entirely insured or collateralized throughout the fiscal year.

Fund Balance

The Office follows the provisions of GASB Statement No. 54, Fund Balance Reporting and Governmental Fund Type Definitions to classify fund balances for governmental funds into specifically defined classifications. The classifications comprise a hierarchy based primarily on the extent to which the Office is bound to honor constraints on the specific purposes for which amounts in the funds can be spent.

The fund balance classifications specified in GASB Statement No. 54 are as follows:

Nonspendable Fund Balance – Nonspendable fund balances are amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact.

Restricted Fund Balance – Restricted fund balances are restricted when constraints placed on the use of resources are either: (a) externally imposed by creditors, grantors, contributors, or laws or regulations of other governments; or (b) imposed by law through constitutional provisions or enabling legislation.

Putnam County, Florida Supervisor of Elections Notes to Financial Statements

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Committed Fund Balance — Committed fund balances are amounts that can only be used for specific purposes as a result of constraints imposed by formal action of the Office's highest level of decision-making authority, which is a policy of the Office. Committed amounts cannot be used for any other purpose unless the Office removes those constraints by taking the same type of action.

Assigned Fund Balance – Assigned fund balances are amounts that are constrained by the Office's intent to be used for specific purposes, but are neither restricted nor committed. Intent is expressed by (a) the constitutional officer or (b) a body or official to which the constitutional officer has delegated the authority to assign amounts to be used for specific purposes.

Unassigned Fund Balance – Unassigned fund balance is the residual classification for the General Fund.

The Office's policy is to expend resources in the following order: restricted, committed, assigned, and unassigned.

Capital Assets and Long-Term Liabilities

Capital assets used by the Office are recorded and accounted by the Putnam County, Florida Board of County Commissioners.

Because of their spending measurement focus, expenditure recognition for governmental fund types is limited to exclude amounts represented by noncurrent liabilities. Since they do not affect net current assets, such long-term amounts are not recognized as governmental fund type expenditures or fund liabilities. They are instead reported as liabilities in the financial statements of the County.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make various estimates. Actual results could differ from those estimates.

NOTE 2 – RISK MANAGEMENT

For health insurance and worker's compensation, the Office participates in the risk management program established by the Board of County Commissioners (the "Board") to cover claims against the Board and Constitutional Officers. The risk management program is accounted for in the Board's financial statements as an Internal Service Fund, in accordance with requirements of GASB 10.

For risks of loss related to general liability and errors or omissions, the Office participates with the Board to purchase commercial insurance. For the past three years, there have been no insurance settlements in excess of insurance coverages.

MANAGEMENT LETTER

Carr, Riggs & Ingram, LLC 7411 Fullerton Street Suite 300 Jacksonville, FL 32256

904.356.6023 904.353.5836 (fax) CRIcpa.com

The Honorable Charles Overturf Supervisor of Elections Putnam County, Florida

Report on the Financial Statements

We have audited the financial statements of the office of the Putnam County, Florida Supervisor of Elections (the "Office"), as of and for the year ended September 30, 2021, and have issued our report thereon dated March 15, 2022.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*; and Independent Accountants' Report on an examination conducted in accordance with AICPA Professional Standards, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated March 15, 2022, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding financial audit report. Corrective actions have been taken to address audit findings and recommendations made in the preceding financial audit report.

Financial Management

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires that we communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, the Putnam County, Florida Supervisor of Elections, and applicable management, and is not intended to be and should not be used by another other than these specified parties.

We wish to take this opportunity to thank you and your staff for the cooperation and courtesies extended to us during the course of the audit. Please let us know if you have any questions or comments concerning this letter, our accompanying reports, or other matters.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Honorable Charles Overturf Supervisor of Elections Putnam County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of each major fund of the office of the Putnam County, Florida Supervisor of Elections (the "Office"), as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the Office's financial statements, and have issued our report thereon dated March 15, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Office's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, we do not express an opinion on the effectiveness of the Office's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore material weaknesses or significant deficiencies may exist that were not identified. We did identify a deficiency in internal control described in the accompanying schedule of findings, as item 2021-001, that we consider to be a material weakness.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Office's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statement. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Office's Response to Finding

The Office's response to the findings identified in our audit is described in its accompanying letter of response. The Office's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE WITH SECTION 218.415, FLORIDA STATUTES

The Honorable Charles Overturf Supervisor of Elections Putnam County, Florida

We have examined the Putnam County, Florida Supervisor of Elections' (the "Office") compliance with the requirements of Section 218.415, Florida Statutes, *Local Government Investment Policies*, during the year ended September 30, 2021. Management is responsible for the Office's compliance with the specified requirements. Our responsibility is to express an opinion on the Office's compliance with specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Office complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Office complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Office's compliance with specified requirements.

In our opinion, the Office complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2021.

This report is intended solely for the information and use of management and the State of Florida Auditor General and is not intended to be and should not be used by anyone other than these specified parties.

Jacksonville, Florida

Carr, Riggs & Ungram, L.L.C.

March 15, 2022

Putnam County, Florida Supervisor of Elections Schedule of Findings

2021-001 Criteria: Financial statements must be presented in accordance with generally accepted accounting principles.

Condition: As part of the audit process, it was necessary for us to propose a material adjustment to the Office's financial statements.

Cause: One material audit adjustment was necessary to remove an incorrect journal entry recorded to fund balance and vouchers payable and to properly state amount due to the board of county commissioners at year end.

Effect: Our proposed adjustment was accepted by management, enabling the financial statements to be fairly presented in conformity with generally accepted accounting principles.

Recommendation: The Office should consider reviewing and monitoring account balances on a regular basis.

Charles L. Overturf III Supervisor of Elections Putnam County

2509 Crill Ave., Suite 900 Palatka, Florida 32177 Telephone: 386-329-0224 Facsimile: 386-329-0455 Web: www.putnam-fl.com/soe

March 15, 2022

The Honorable Sherrill F. Norman Florida Auditor General PO Box 1735 Tallahassee, FL 32302

Dear Ma'am,

The financial statement audit of the Putnam County Elections Office for the fiscal year ending September 30, 2021 has been completed by Carr, Riggs, and Ingram, LLC.

Their audit disclosed a material weakness in internal controls identified as item 2021-001 in the Schedule of Finding.

The Office will evaluate our procedures in regard to the preparation of financial statements and reporting and make the adjustment necessary to conform to GAAP.

Sincerely,

Charles L. Overturf III Supervisor of Elections
