INTRODUCTORY SECTION

Office of Nikki Alvarez-Sowles, Esq. Pasco County Clerk & Comptroller

April 30, 2025

To the Honorable Board of County Commissioners and the Citizens of Pasco County, Florida:

The Annual Comprehensive Financial Report (ACFR) of Pasco County, Florida (County), for the fiscal year ended September 30, 2024, is respectfully submitted. The Financial Services Department, within the Office of the Clerk of Circuit Court and County Comptroller (Clerk & Comptroller), prepared this report. Responsibility for both the accuracy of the presented data and the completeness and fairness of the presentation, including all disclosures, rests with the County. We believe the data, as presented, are accurate in all material respects and are presented in a manner designed to present fairly the financial position and results of operations of the various funds. All disclosures necessary to enable the reader to gain an understanding of the County's financial activities have been included. The report fulfills the requirements set forth in Section 218.39, Florida Statutes, and the Rules of the Florida Auditor General, Chapter 10.550.

In accordance with Section 218.39, Florida Statutes, each county is required to have an annual financial audit of its accounts and records by an independent certified public accountant. The County has complied with this requirement, engaging the firm of Carr, Riggs & Ingram, LLC, Certified Public Accountants, to perform the audit for the fiscal year ended September 30, 2024. The goal of an independent audit is to obtain reasonable assurance that the financial statements are free of material misstatement. The independent audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. It also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. Carr, Riggs & Ingram, LLC, concluded, based on the audit, there was a reasonable basis for rendering an unmodified (clean) opinion that Pasco County's financial statements for the fiscal year ended September 30, 2024, are fairly presented, in all material respects, and in conformity with U.S. generally accepted accounting principles (GAAP).

ORGANIZATION AND CONTENT OF THE ACFR

The ACFR complies with the financial reporting model, as required by Governmental Accounting Standards Board (GASB) Statement No. 34, *Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments*.

The ACFR is organized into four sections:

Introductory Section

This section is intended to familiarize the reader with the organizational structure of the County, the nature and scope of the services it provides, and the specifics of its legal environment. It also provides economic and major initiative highlights.

Financial Section

This section includes the audited basic financial statements, notes to the financial statements, and supporting statements and schedules necessary to fairly present the financial position and the results of

operations of the County, in conformity with GAAP and the independent auditors' report. Also included in this section are the narrative introduction, overview, and analysis found in Management's Discussion and Analysis (MD&A).

The MD&A is a narrative required to accompany the basic financial statements. It provides an objective and easy to ready analysis of the County's financial activities based on currently known facts, decisions, or conditions. This letter of transmittal is designed to complement the MD&A and should be read in conjunction with it. The MD&A can be found on page C-1, immediately following the Independent Certified Public Accountants' report.

Statistical Section

This section includes selected financial and demographic information, generally presented on a multi-year basis.

Compliance Section

This section includes the independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Governmental Auditing Standards, Management Letter, Independent Accountant's Report on Compliance with Sections 365.173(10) and 365.173(2) (d), Florida Statutes, and the Independent Accountant's Report on Compliance with Section 218.415, Florida Statutes.

THE REPORTING ENTITY AND ITS SERVICES

Pasco County is a non-charter county established under the Constitution and the laws of the State of Florida. The ACFR is a county-wide report which discloses the results of operations for the following entities: Board of County Commissioners (BCC), Clerk & Comptroller, Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector. The BCC is the legislative body for Pasco County and, as such, it budgets and provides all funding used by the BCC's departments and the separate Constitutional Officers, with the exception of certain fees and service charges collected by the Clerk & Comptroller, Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector.

Under the direction of the Clerk & Comptroller, the Financial Services Department maintains the accounting records for the BCC and the Clerk & Comptroller operations. The Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector maintain their own accounting systems and records. However, for purposes of the ACFR, the operations of the County, as a whole, including those of the Constitutional Officers, have been presented.

The process of evaluating potential component units involves the application of criteria set forth by the GASB. The financial reporting entity consists of the primary government, organizations for which the primary government is financially accountable, and other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete. The definition of the reporting entity is based primarily on the notion of financial accountability. The primary government is financially accountable for the organizations that make up its legal entity - the Board and the Constitutional Officers. The primary government is also financially accountable for legally separate organizations if its officials appoint a voting majority of an organization's governing body and, either it may impose its will on that organization, or there is a potential for the organization to provide specific financial benefits to or to impose specific financial burdens on the primary government.

Based on the application of the aforementioned criteria, the Pasco County Housing Finance Authority and the J. "Ben" Harrell Villages of Pasadena Hills Stewardship District were determined to be discretely presented component units properly included in the County's reporting entity.

Pasco County provides a full range of services. These include public safety (law enforcement and fire), culture and recreation, health and social services, streets and highways, public improvements, planning and zoning, utility services, resource recovery, and general and administrative services.

ECONOMIC CONDITION AND OUTLOOK

Pasco County, one of the country’s fastest-growing counties, is situated directly north of and extends eastward from the Tampa-St. Petersburg metroplex. It is integral to the nine-county region often known as the “Nature Coast.” Located approximately 30 miles north of Tampa and 50 miles west of Orlando, Pasco County is characterized by three distinct demographic areas:

- **Eastern Pasco County** is defined as being a largely rural and agriculturally diverse region. It is also home to the County Seat, located in Dade City.
- **Central Pasco County** remains the main contributor in regard to development. Once considered a discreet area of the county, it has quickly developed into the county’s main tourist draw with various forms of shopping and entertainment.
- **Western Pasco County** is highly developed suburban area of the county. The West Pasco Government Center and West Pasco Judicial Center are located on this side of the county, in New Port Richey.
- According to the Florida Office of Economic and Demographic Research (EDR), the per capita personal income level was \$56,734 in 2024, up 7.0% from the prior year.
- Pasco County is considered by many to be located in the heart of the “Super Region.” The population of Pasco County increased from 505,709 in 2017 to 633,029 in 2024. Currently coming in as the 11th most populous county in Florida, the population is projected to grow another 32.6% (or to 839,473) by 2050.

- As of September 30, 2024, Pasco County’s unemployment rate stood at 3.3%. This is an increase from the previous year’s rate of 3.2%, is 0.2% below the state average, and 0.8% below the national average. The expectation for 2025 is to see the unemployment rate for the county remain in line with

the state and national averages. The economy bounced back in 2021, following a profound impact from the global shutdown resulting from the COVID-19 pandemic.

- As of September 30, 2024, the median sale price of a single-family home in Pasco County was \$369,650. With higher home prices and a 27.1% increase in population from 2017, Pasco proves to be a county where new and existing residents want to live. According to the cost of living calculator at [smartasset.com](https://www.smartasset.com), and using Pasco County's most populated cities, it costs an overall average of 15.0% less to live in Pasco than in major cities like New York or Chicago, 12.0% less than in smaller cities like Boston, and 2.0% less than in popular suburbs or emerging areas throughout central Florida.
- Total taxable assessed values (TTAV) have increased each year since 2016. In fact, TTAV increased by 111% since 2016, with the value of new construction accounting for a significant portion of that increase.

- With increased property taxes, Pasco County saw an increase of 12% in outstanding delinquent taxes from 2023 to 2024.

MAJOR INITIATIVES

Create a thriving community – To proactively pursue opportunities with public and private partners for growth and redevelopment through integrated land use and long-range planning, while enhancing, managing, and maintaining current resources, services, and infrastructure. The fiscal year 2024 budget includes \$2,451,208 to efficiently operate, maintain, and expand utilities systems to provide potable water, wastewater, reclaimed water, and solid waste services to customers.

Enhance quality of life – To create a community people want to call home that provides and promotes safety and security; essential health and human services; social, cultural, and recreation opportunities. The fiscal year 2024 budget includes \$13,292,599 to improve public safety response and service delivery capabilities to meet resiliency in the community's growing and challenging needs.

Stimulate economic growth – To support a sustainable increase in community income and investment, economic diversification, and expand opportunities for all. The fiscal year 2024 budget includes \$340,938 to simplify and streamline review, inspections, and permitting processes to facilitate commercial growth.

Improve organizational performance – To provide the processes, procedures, and resources to deliver services efficiently and effectively in a culture of continual improvement. The fiscal year 2023 budget includes \$4,846,472 to support such advancements.

FINANCIAL INFORMATION

The County's accounting records for general governmental operations are maintained on a modified accrual basis, with revenues recorded when measurable and available. Expenditures are recorded when the services or goods are received. Except for principal and interest on general long-term debt and compensated absences, liabilities are recognized as expenditures to the extent that they have matured.

Accounting records for the County's enterprise and internal service operations are maintained on an accrual basis, with the revenues recorded when earned and expenses recorded when the liabilities are incurred. Procedures have been developed for financial reporting adjustments and reconciling data to apply the accrual method of accounting across all funds and in accordance with GASB Statement No. 34.

In developing the County's accounting system, consideration is given to the adequacy of internal accounting controls. Internal accounting controls are designed to provide reasonable, but not absolute, assurance regarding the safeguarding of assets against loss from unauthorized use or disposition, reliability of financial records for preparing financial statements, and maintaining accountability for assets. The concept of reasonable assurance recognizes that the cost of a control should not exceed the benefits likely to be derived, and the evaluation of costs and benefits requires estimates and judgments by management. All internal control evaluations occur within the above framework.

Budgetary control is maintained at the department level by encumbrance of estimated purchase amounts prior to the release of purchase orders to vendors. Purchase orders, which would result in an overrun of sub-function balances, are not released until additional appropriations are made available. Depending on how the original resources were classified, encumbrances open at September 30, 2024, are reported as "unassigned" or "assigned."

Capital Assets

Under Section 273.02, Florida Statutes, "property" means equipment, fixtures, and other tangible personal property of a non-consumable and non-expendable nature, costing over \$1,000, with a normal expected life of one year or more, and which shall be periodically reviewed for inventory purposes. These properties, as well as the capital assets of the County, are used in the performance of governmental and business-type activities. The County capitalizes all tangible assets with a value in excess of \$5,000 and recognizes depreciation based upon their useful lives (see Note 1H in the Notes to Financial Statements). In accordance with U.S. GAAP, capital assets in Pasco County are recorded at either historical (original) cost, or estimated historical cost, if original cost data is not available, except for contributed property, which is recorded at its estimated fair value at the date of contribution. In accordance with GASB Statement No. 34, the County has recorded and reported all infrastructure assets acquired since 1980. Infrastructure assets include streets, roads, sidewalks, and bridges.

Independent Audit

Section 218.39, Florida Statutes, requires an independent certified public accountant's financial audit of counties in the State. Pasco County has complied with this requirement, and the report of our independent auditor, Carr, Riggs & Ingram LLC, has been included in this report. As a recipient of federal awards and state assistance, the County is responsible for maintaining an adequate internal control framework to ensure compliance with applicable laws and regulations related to these assistance programs. The independent certified public accountant issues a report on compliance and internal control over compliance in the annual Single Audit, which covers major federal grant programs, and in the annual Florida Single Audit, which covers major state grant programs. The federal and state single audits were designed to meet the requirements of Title 2, U.S. Code of Federal Regulations, Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), as well as Section 215.97, Florida Statutes, respectively. The independent certified public accountants' Single Audit Report is issued separately.

Reporting Achievement

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to Pasco County, Florida, for the Annual Comprehensive Financial Report prepared by the Pasco County Clerk & Comptroller's Office for the fiscal year ended September 30, 2023. This was the forty-first consecutive year Pasco County had achieved this prestigious award. To be awarded a certificate of achievement, a government must publish an easily readable and efficiently organized ACFR. This report must satisfy accounting principles generally accepted in the United States and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current ACFR continues to meet the Certificate of Achievement Program's requirements, and we are submitting it to the GFOA to determine its eligibility for another certificate.

Acknowledgements

We would like to express our appreciation to the Financial Services Management Team, and all teammates of the Pasco County Clerk & Comptroller's Financial Services Department, for their dedicated service in preparing the Annual Comprehensive Financial Report.

We would also like to offer our gratitude to the Board of County Commissioners and its staff, as well as the respective offices and staff of the Pasco County Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector, all of whom have been instrumental in the completion of this report.

We want to further extend our thanks to all the departments and agencies outside the County that contributed financial information for use in this report.

Sincerely,

INDEPENDENT AUDITOR'S REPORT

Distinguished Members of the
Board of County Commissioners
Pasco County, Florida

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Pasco County, Florida (the County) as of and for the year ended September 30, 2024 and the related notes to the financial statements, which collectively comprise the County's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Pasco County, Florida, as of September 30, 2024, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the County and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the County's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our

opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the County's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and other required supplementary information as listed in the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements. The accompanying combining and individual nonmajor fund financial statements and schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial are fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the introductory section, the statistical section, and the schedules of receipts, disbursements, and balances in compliance with Section 714(3) of the indenture trust but does not include the basic financial statements and our Auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 30, 2025, on our consideration of Pasco County, Florida's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Pasco County, Florida's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Pasco County, Florida's internal control over financial reporting and compliance.

Carr, Rigg & Ingram, L.L.C.

Tampa, Florida
April 30, 2025

MANAGEMENT'S DISCUSSION AND ANALYSIS

Provides an objective analysis of the County's financial activities.

MANAGEMENT'S DISCUSSION AND ANALYSIS

Management's discussion and analysis provides an overview of the financial activities of Pasco County, Florida (County), for the fiscal year ended September 30, 2024. Readers are encouraged to consider the information presented here in conjunction with additional information provided in the Letter of Transmittal, on page A-1, and in the County's financial statements that begin on page D-1.

FINANCIAL HIGHLIGHTS

Government-wide Statement

As of September 30, 2024, the County's assets and deferred outflow of resources exceeded its liabilities and deferred inflow of resources by \$3.745 billion (net position), an increase of \$371.6 million over the prior year.

The total net position of \$3.745 billion is comprised of the following: (1) \$1.008 billion is restricted as a result of constraints imposed by parties outside the County, such as debt covenants, laws, or regulation; (2) \$2.565 billion of net investment in capital assets, which includes property and equipment, net of accumulated depreciation, reduced for outstanding debt related to the purchase or construction of those capital assets; and (3) a surplus of \$171.6 million unrestricted net position.

Fund Statements

For the fiscal year ended September 30, 2024, governmental funds reported a combined ending fund balance of \$1.044 billion, an increase of \$77.7 million over the prior year. Of the total, \$340.6 million is available for spending at the County's discretion (assigned and unassigned fund balance), subject to the intent of the Board of County Commissioners or the Office of the Clerk & Comptroller, to which the authority to assign amounts for specific purposes has been delegated by the Board.

On September 30, 2024, the fund balance of the County's General Fund was \$156.7 million, representing a decrease of (\$18.8) million over the prior year. \$154.8 million of the fund balance total was assigned or unassigned.

Governmental fund revenues increased by an overall \$206.4 million, or 20.82%, from the prior year. This can be attributed to an increase of \$74.5 million in property taxes, \$23.3 million increase in interest earnings, an increase in miscellaneous revenue of \$22.0 million, an increase of \$10.0 million in contributions from operating grants, a \$57.5 million increase in charges for services, an increase of \$11.1 million in contributions from capital grants, and an increase of \$2.3 million in other taxes.

As of September 30, 2024, there was an increase in Bonds Payable of \$69.4 million through purchases throughout the fiscal year.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to Pasco County's *Basic Financial Statements*. The *Basic Financial Statements* include three components: (1) Government-wide Financial Statements, (2) Fund Financial Statements, and (3) Notes to the Financial Statements. This Annual Comprehensive Financial Report also contains other required supplementary information and supplemental information, in addition to the basic financial statements themselves.

Government-wide Financial Statements

The government-wide financial statements are designed to provide a broad overview of the County's finances in a manner similar to a private-sector business. The information consists of the following statements:

The *Statement of Net Position* presents information on all of the County's assets and liabilities, as well as the deferred inflows/outflows of resources. The differences between the two are then reported as net position. Over time, changes in net position may serve as an indicator as to whether the financial position of the County is strengthening or weakening.

The *Statement of Activities* presents information showing how the government's net position changed during the fiscal year. Changes in net assets are reported as soon as the underlying event giving rise to the change occurs, regardless of when cash is received or paid. Therefore, some of the revenues and expenses reported in the statement of activities will only result in cash flows in future periods. For example, certain uncollected taxes are shown as revenues, although cash receipts will occur in the following year. Also, an increase in earned, unused vacation leave is recorded as an expense, but the related cash outflows will occur in the future.

Both financial statements distinguish between activities of the County supported primarily by program revenues, taxes, and intergovernmental revenues (governmental activities) and activities that recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities of the County include general government, public safety, physical environment, transportation, economic environment, human services, culture and recreation, and court-related functions. The business-type activities of the County are the Water and Wastewater Unit and the Solid Waste Disposal and Resource Recovery System. In the government-wide financial statements, emphasis is placed on the position of governmental activities and business-type activities and on the change in net position.

The government-wide financial statements include not only the County itself (known as the *primary government*), but also legally separate entities, the Pasco County Housing Finance Authority and Connected Cities, for which the County is financially accountable. The financial information for these component units is reported separately from the financial information of the primary government. To obtain financial statements of these discretely presented component units, see Note 1, *Summary of Significant Accounting Policies, Reporting Entity*, in the *Notes to Financial Statements*.

Fund Financial Statements

A fund is a subgrouping of related accounts used to maintain control over resources segregated for specific activities or objectives. The County uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements, including those involving legislative, administrative, and contractual obligations. All of the County's funds can be divided into three categories: governmental, proprietary, and fiduciary.

Governmental Funds

Most of the County's basic services are reported in governmental funds. Governmental funds are used to account for essentially the same functions as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements are reported using an accounting method called modified accrual accounting, which measures cash and all other financial assets that can readily be converted to cash. Consequently, governmental fund financial statements provide a detailed focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. This information may be

useful in evaluating a government's near-term financing requirements. Since the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to perform a comparison of the information presented for the governmental funds with similar information for governmental activities in the government-wide financial statements. This will provide readers with a better understanding of the long-term impact of the government's near-term financing decisions.

As of September 30, 2024, the County maintains 232 individual governmental funds. Information regarding these funds can be located within both the governmental fund balance sheet and governmental fund statement of revenues, expenditures, and changes in fund balance on pages D-5 and D-7 respectively. The financial information represented in these statements shows a breakdown of the County's General Fund, with the remaining funds represented as Nonmajor Governmental Funds. To view financial information for the remaining non-major funds readers should reference the Combining and Individual Fund Statements and Schedules section of this document. Within this section, readers will not only see financial information related to the Board of County Commissioners, but also the Constitutional Officers'.

The County also adopts an annual budget for its general, special revenue, debt service, and capital project funds. Budgetary comparison schedules have been provided for these funds to demonstrate budgetary compliance.

Proprietary Funds

The County maintains two different types of proprietary funds. The County uses enterprise funds to account for its major business-type funds: the Water and Wastewater Unit and the Solid Waste Disposal and Resource Recovery System, which are presented as business-type activities in the government-wide financial statements. In addition, internal service funds are used to accumulate and allocate costs among the County's various functions. The County uses the internal service funds to account for equipment service, County insurance, County self-insurance, Clerk and Comptroller's insurance, and the Sheriff's health insurance. As these operations predominantly benefit governmental, rather than business-type functions, they are included within governmental activities in the government-wide financial statements.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements can be found in the Basic Financial Statements. Individual fund data for the internal service funds are provided in the Combining and Individual Fund Statements and Schedules section of this report.

The basic proprietary fund financial statement can be found on pages D-9 to D-13 of this document.

Fiduciary Funds

Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not included in the government-wide financial statements because the resources of these funds are not available to support the County's own programs. However, the separate Statement of Fiduciary Net Position – Custodial Funds and Statement of Changes in Fiduciary Net Position - are included in the Basic Financial Statements since the County has custodial responsibility. Additionally, the individual custodial funds are included in the Combining and Individual Fund Statements and Schedules section of this report.

The basic fiduciary fund financial statement can be found on page D-14 and D-15 of this document.

Notes to the Financial Statements

The notes provide additional information essential for a full understanding of the data provided in both the government-wide financial and fund financial statements. The notes to the financial statements can be found starting on page E-1, with the index starting on the first page.

Other Information

The combining statements for the non-major funds, internal service funds, agency funds, and individual fund budget-to-actual comparison schedules, are found in the Combining and Individual Fund Statements and Schedules section of this report beginning on G-1.

Additional information of interest to the reader can be found within the Statistical Section, which starts on page H-1.

Government-Wide Financial Analysis

In accordance with the requirements of Governmental Accounting Standards Board Statement No. 34, *Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments (GASB No. 34)*, the government-wide financial statements have been prepared using accrual accounting for all the County's activities. Accrual accounting measures not just current assets and liabilities, but also long-term assets and liabilities like capital assets and bond-issue debt. The use of accrual accounting results in the reporting of all revenues and all costs of providing services each year, not just those received or paid in the current year or soon after year-end, as does modified accrual basis accounting. As noted earlier, net position may serve, over time, as a useful gauge of a government's financial position.

As of September 30, 2024, the County can report positive balances in all categories.

NET POSITION AND ACTIVITIES

The County's total net position on September 30, 2024, was \$3.745 billion. The largest portion of the County's net position, \$2.565 billion, is reflected in its investment in capital assets (e.g., land, buildings, equipment, and infrastructure), less any related debt outstanding used to acquire those assets. Since Pasco County uses these capital assets to provide services to its citizens, the net assets represented by "investment in capital assets, net of related debt" are not available for future spending. Although the County's investment in capital assets is reported net of related debt, the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities. Pasco County's net position includes a restricted \$1.008 billion (or 26.9%) subject to external restrictions on how funds may be used, such as those imposed by debt covenants, grantors, laws, and regulations. The balance of \$171.6 million is unrestricted, and accounts for an excess the county would face in the event it would have to liquidate all non-capital liabilities. These can be partly attributed to the implementation of GASB Statements No. 68, 71, and 75.

Governmental Activities

Governmental activities increased Pasco County's net position by \$215.8 million, or 10.9%, during fiscal year 2024. The cost of all governmental activities in 2024 was \$173.2 million, 21.4% higher than in 2023.

In addition, the amount taxpayers paid through property, sales, communications, fuel, and tourist development taxes increased by approximately 16.7%, to \$538.2 million, in 2024. This increase can be attributed to the continued influx of population during fiscal year 2024. Those who directly benefit from the programs paid some of the cost (\$403.0 million) through charges for services, while other governments and organizations subsidized programs with grants and contributions, as well as shared revenues (\$145.2 million).

The pie chart in the diagram on the next page demonstrates how the County earns and receives a majority of the available revenue during the course of the fiscal year. The largest portion, at 37.9% of the total revenue received, is related to property tax revenue. Pasco County saw a 19.6% increase in property taxes for fiscal year 2024. This increase continues to be fueled by the influx of new residents (4% over the fiscal year 2023) in combination with expansive commercial developments. This broader tax base has also contributed to the continued increase in the collection of revenues related to charges for services represented. This category represented 33.6% of the total revenue received for fiscal year 2024.

Governmental Activity Revenues (in Millions)

*Includes Interest earnings, unrestricted grants and contributions, and miscellaneous

Primary Government Program Revenue vs. Government Activity Expenses

Business-type Activities

As stated earlier, the County has two business-type major funds, the Water and Wastewater Unit and the Solid Waste Disposal and Resource Recovery System.

The Water and Wastewater Unit provides a potable water supply and its distribution, as well as wastewater collection and treatment, disposal, and reuse. These services are provided through facilities owned by the County and through contracts with other entities. The water distribution system, including pump stations, treatment plants, water mains, and water storage facilities, is connected to two major supply sources - Tampa Bay Water (Starkey, Cypress Creek, and Lake Bridge) and thirty-two individual water-supply wells throughout the County. The County also operates seven wastewater treatment plants, a residual management facility, and a grease facility. Disposal of wastewater is primarily accomplished through the use of reclaimed water systems, spray irrigation, evaporation/percolation ponds, and cooling tower water for the County's Waste-to Energy Facility.

As is expected in a growing county, the County's enterprise fund revenue continues to experience an overall increase. The increase in revenue has also led to a corresponding increase in expenses, as the County attempts to maintain the expected levels of service that come with Water and Wastewater and the Solid Waste Disposal and Resource Recovery Units.

As can be seen in the diagram on the next page, most of the receipted revenue for the enterprise funds comes in the form of the always increasing charges for services. With an increase in the county population, this has led to an increase in the number of customers the enterprise funds serve during the fiscal year.

The County annually updates its Capital Improvement Plan, which produces population and wastewater flow projections, examines service areas, wastewater treatment, and disposal alternatives, and includes recommendations concerning construction and implementation schedules.

The Solid Waste Disposal and Resource Recovery System is an integrated approach to waste management. Collection is primarily achieved by private hauling firms licensed by the Board of County Commissioners. Processed solid waste is trucked to the mass-burn Resource Recovery Facility (the "Facility") or to the East Pasco Transfer Station for subsequent transportation to the Facility. The Facility converts solid waste to electrical power through a combustion process that generates approximately 31 megawatts of electricity, for sale to Duke Energy under a power purchase agreement. The Facility has a current capacity of 1,200 tons per day.

Non-processed solid waste disposal is provided by landfill facilities. The County also actively pursues recycling, following the mandate provided for in the Recycling Act. The recycling rate in the County was 60% with the addition of waste-to-energy credits (2023 rate published by the State of Florida, the latest reporting period available). This is above the State's expected rate of 50%.

The activities of the Water and Wastewater Unit, and the Solid Waste Disposal and Resource Recovery System are analyzed at C-11 in the proprietary funds section of the Financial Analysis of the County's Funds.

FINANCIAL ANALYSIS OF THE COUNTY'S FUNDS

As noted earlier, Pasco County uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds

The focus of the County's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. This information is useful in assessing Pasco County's financing requirements. In particular, unreserved fund balance may serve as a useful measure of the net resources available for spending at the end of the fiscal year. Governmental fund types include the general, special revenue, debt service, and capital projects funds.

As noted previously, as of September 30, 2024, Pasco County governmental funds reported an increase in combined fund balances of \$ 77.7 million over the prior year. Of the total combined ending fund balances of \$1.044 billion, 67.4%, or \$703.0 million, represents restricted amounts that can only be used for specific purposes imposed by external constraints such as bond covenants, grantors, or regulations of other governments; \$134.6 million or 12.9% is non-restricted; and 19.7%, or \$206.0 million, are amounts assigned by either the Board, or the Office of the Clerk Comptroller, to be used for specific purposes that are neither restricted nor committed, such as disaster recovery.

Major Governmental Funds

The General Fund, the chief operating fund of the County, decreased by (\$18.8) million during fiscal year 2024. In FY 2024, General Fund revenues decreased by \$6.8 million, or (1.3%), from fiscal year 2023. The net decrease in revenue for FY 2024 is attributed to a decrease in Intergovernmental revenues of \$69.7 million, which was offset by a \$47.6 million increase in the collection of taxes, a \$790.5 thousand increase in charges for services, along with an additional \$7.3 million in interest and other earnings, and an increase of \$7.3 million in miscellaneous revenues. Total expenditures increased by \$70.0 million, or 18.2%. The decrease in total ending fund balance can be attributed to the focus on personnel, along with the allocation of property tax revenues to the Sheriff's Office. The General Funds also contribute to any shortfalls that might be experienced with the Municipal Services Fund. For the fiscal year 2024, Pasco County transferred \$22.9 million to the Municipal Services fund to ensure continued operations for unincorporated areas of the County.

GASB Statement No. 34 states major funds are those whose revenues, expenditures/expenses, assets, or liabilities (excluding extraordinary items) are at least 10 percent of corresponding totals for all governmental or enterprise funds and at least 5 percent of the aggregate amount for all governmental and enterprise funds. For fiscal year 2024 only, the General Fund met the requirements of the 5/10 test per GASB Statement No. 34.

Non-major Governmental Funds

Those funds that do not meet GASB Statement No. 34 criteria for major fund classification are considered non-major. Total fund balances of all non-major special revenue funds increased by \$96.5 million from the prior year. The increase in fund balance is, in part, due to the net effect of an increase in revenue within the various funds.

Debt service funds, all of which are classified as non-major, are used to account for the accumulation of resources for, and the payment of long-term debt principal and interest. During fiscal year 2024, there was an overall fund balance increase of \$0.61 million.

Capital projects service funds, which account for financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by proprietary funds), exhibited an overall increase in fund balances of \$67.9 million. The main contributions to

this increase in fund balance was Other financing sources (uses). Pasco County issued \$107.5 million in new or refunded debt for the period ended September 30, 2024.

General Governmental Functions

For the purpose of this section, general governmental functions are defined as those that include the General, Special Revenue, Debt Service, and Capital Projects Funds. This data is the result of the application of the modified accrual basis of accounting for general governmental functions.

Revenues for general governmental functions totaled \$1.09 billion in fiscal year 2024, an increase of \$85.8 million, or 8.6% over the prior year. An increase of \$102.7 million in tax revenue & special assessment were realized. Licenses and permits increased by \$0.3 million, intergovernmental revenues decreased by \$71.0 million, charges for services, fines, and forfeitures increased by \$4.7 million, and interest, other earnings, and miscellaneous revenues increased by \$49.3 million. As mentioned earlier, these increases are attributed by the influx of new residents (4% over the fiscal year 2023) in combination with expansive commercial developments.

Expenditures for general governmental functions totaled \$1.10 billion in fiscal year 2024, an increase of \$170.6 million, or 18.4%, over the prior year. The cost of general government increased by \$57.5 million, public safety increased by \$38.3 million, physical environment increased by \$7.6 million, transportation decreased by \$2.4 million, economic environment increased by \$0.22 million, human services decreased by \$1.4 million, culture and recreation increased by \$2.3 million, court-related expenditures decreased by \$0.93 million, capital outlay increased by \$64.8 million and interest and long-term debt increased by \$1.3 million.

Proprietary Funds

Proprietary funds statements provide the same type of information found in the government-wide financial statements, because they follow the accrual method of accounting; however, the information is in more detail.

The County's proprietary funds include enterprise funds, comprised of the Water and Wastewater Unit Fund and the Solid Waste Disposal and Resource Recovery System Fund, both of which are classified as major funds of the County, and internal service funds that account for equipment and insurance services.

The Water and Wastewater Unit Fund had total net position of \$1.184 billion on September 30, 2024, which represented an increase of \$104.4 million over fiscal year 2023. The increase was driven by charges for services revenue increasing by \$10.8 million to \$204.9 million, while non-operating revenues increased by \$12.8 million to \$18.6 million, resulting in a net contribution before capital grants and contributions of \$49.8 million.

The Solid Waste Disposal and Resource Recovery System Fund's net position at year-end was \$373.2 million, which represented an increase of \$51.5 million over 2023, and includes the operating net income and non-operating revenues for 2024. This increase was the result of a \$5.2 million increase in charges for services revenue, and an increase of \$8.8 million in interest earnings.

The Internal Service Funds had net position at year-end of \$125.2 million, an increase of \$27.7 million from the prior year net position. An increase in charges for services revenue, along with lesser increases in operating expenses, generated an operating income of \$10.3 million. Interest and investment earnings increased by almost \$1.8 million due to changes in the economy. Capital contributions decreased from \$2.7 to \$0 million, and transfers netted a \$17.4 million increase over 2023.

General Fund Budgetary Highlights

The General Fund's budget vs. actual comparison statement shows the original adopted budget, the final revised budget, and the actual costs. The original budget, once approved, can be adjusted throughout the year for various reasons.

The General Fund's amendments and supplemental appropriations for the year were not material. Actual revenues for fiscal year 2024 fell short of the final budget by 107.1 million. Intergovernmental Revenues were short of the budget by \$0.3 million, while charges for services exceeded the budget by \$10.8 million, and miscellaneous revenue received was \$127.5 million less than what was budgeted.

The differences between the original budget for fiscal year 2024 and the final amended budget for the General Fund can be summarized as follows:

- In compliance with county-established policies, the original budget was amended to reflect the “true up” of the original budget beginning fund balance to the actual fund balance. This accounts for \$26.5 million in adjustment for balances forward in the other miscellaneous adjustments.
- The remaining adjustments were primarily associated with new grants and carry forward of existing grant funds.

Budget to Actual – Revenues

- Investment income exceeded the budget by \$13.8 million. While interest income is generally predictable, the complexities of GASB 31 make it challenging to forecast the investment income that will be recognized accurately. In particular, fair market gains and losses are influenced by real-time market conditions, which can lead to fluctuations in the recognized income. Additionally, interest rates experienced notable fluctuations as central banks responded to evolving economic conditions.

Budget to Actual – Expenditures

- Given the uncertainty surrounding key revenue drivers within Pasco County, many departments adopted a conservative approach to spending during fiscal year 2024. As a result, actual expenditures were \$40.6 million, or 8.51%, below the budgeted amount for the year.

Capital Assets

The County's capital assets, for both governmental and business-type activities on September 30, 2024, totaled approximately \$3.2 billion, net of accumulated depreciation. Capital assets include land, buildings, improvements other than buildings, equipment, construction in process, infrastructure, intangibles, right-to-use assets, and subscription-based IT arrangements (SBITAs). Infrastructure includes roads, streets, and sidewalks. The County's intangible assets include easements and internally generated software. The balances are summarized on the next page (in thousands).

The increase in total capital assets from the prior year was 13.7%.

Additional information about Pasco County's capital assets can be found in the Notes to Financial Statements (Note 7).

Debt Administration

For the fiscal year ending September 30, 2024, Pasco County had (net) total outstanding long-term debt of \$644.8 million. Of this amount, \$425.6 million comprises debt related to governmental activities, and \$219.2 million is related to business-type activities. Additional information about Pasco County's long-term debt issues can be found in the Notes to Financial Statements (Note 8).

The highest quality ratings available from the respective services are as follows: Fitch AAA; Moody's Aa2. With the exception of the bank qualified issue (1) and those issues which are uninsured, and for which a stand-alone rating is presented (2), all Pasco County bond issues are insured, and the payment of principal and interest is guaranteed. Such insurance is non-cancellable.

(Note: Bonds with higher ratings offer cost savings to issuers like Pasco County)

Currently Known Facts and Conditions

Since 2014, there has been an increase of taxable assessed values of about 180 %. The main source of this increase is due to increased new construction that comes with the growing county population. The approved total County budget for fiscal year 2024 increased by \$99.2 million, or 5.0%, to \$2.109 billion. The County continues to cautiously pursue new initiatives by ensuring they can be sustained in the long run.

Many actions have taken place that will have long-standing effects. To ensure a safe and secure community, the County has invested funds to update and add existing infrastructure for multiple fire stations throughout the community. State roads, as well as county-maintained thoroughfares, are being expanded to accommodate Pasco's burgeoning population. Single-family home development is in full swing and affordable housing remains in Pasco's sights as new residents from other parts of the U.S. continue to arrive at a steady pace.

Economic Factors and Next Year's Budgets and Rate

Pasco County considered many factors in preparing the budget for the 2024 fiscal year, including the following:

- Total taxable assessed values have increased each year since 2014, following five years of decline. In fact, TTAV has increased by approximately 180 %, with the value of new construction accounting for a significant portion of that increase.
- In 2024, the total amount of delinquent taxes was \$145,394. This is about 11.91% higher than 2023, and well below the 10-year average of \$273,021.
- The population of Pasco County has experienced rapid growth every year since 2011 (464,697), hitting an all-time high in 2024 of 633,029. The County's population is projected to continue growing at a steady pace for the foreseeable future.
- Pasco County's unemployment rate for the fiscal year ended September 30, 2024, was 3.8%. This reflects an increase of 0.6% from 2023.

Requests for Information

This financial report is designed to provide users with a general overview of Pasco County's finances, as well as demonstrate the County's accountability. Any questions concerning information provided in this report, or requests for additional information, should be addressed to the Finance Director, Clerk of the Circuit Court, Pasco County, 38053 Live Oak Avenue, Dade City, FL 33523. Additional financial information, including financial reports from prior years, can also be found at the following website:

PASCO COUNTY, FLORIDA
RECONCILIATION OF THE BALANCE SHEET OF GOVERNMENTAL FUNDS
TO THE STATEMENT OF NET POSITION
SEPTEMBER 30, 2024

Amounts reported for governmental activities in the statement of net position are different because:

Total fund balances - governmental funds		\$ 1,043,679,509
Capital assets used in governmental activities are not financial resources and, therefore, are not reported in the funds.		
Governmental capital assets	2,677,168,098	
Less accumulated depreciations and amortization	<u>(715,542,128)</u>	
		1,961,625,970
Differences between expected and actual experiences, assumptions changes and net differences between projected and actual earnings and contributions subsequent to the measurement date for postretirement benefits (pension and OPEB) are recognized as deferred outflows of resources and deferred inflows of resources on the statement of net positions.		
Deferred outflows - pension related	182,166,730	
Deferred outflows - OPEB related	30,358,429	
Deferred inflows - pension related	(61,075,757)	
Deferred inflows - OPEB related	<u>(41,131,379)</u>	
Total deferred outflows and inflows related to postemployment benefits		110,318,023
Other long-term assets that are not available to pay for current period expenditures and, therefore, are either deferred or not reported in the funds.		91,740,528
Internal service funds are used by management to charge the cost of fleet management and risk management to individual funds. The assets, deferred outflows of resources, liabilities, and deferred inflows of resources of the internal service funds are included in governmental activities in the statement of net positions		125,235,288
Long-term liabilities that are not due and payable in the current period, and therefore are not reported in the funds.		
Bonds payable	(483,218,672)	
Notes payable	(1,885,000)	
Economic gain on bond refunding	(830,917)	
Compensated absences	(37,673,851)	
Accrued interest payable on long-term debt	(22,878,721)	
Lease liability	(1,924,061)	
SBITA liability	(12,386,907)	
OPEB Liability	(70,414,674)	
Net Pension liability	<u>(513,753,263)</u>	
		\$ (1,144,966,066)
Net position of governmental activities		<u>\$ 2,187,633,252</u>

PASCO COUNTY, FLORIDA
RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES,
AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS
TO THE STATEMENT OF ACTIVITIES
FOR THE YEAR ENDED SEPTEMBER 30, 2024

Net change in fund balances - total governmental funds		\$ 77,742,687
The change in net position reported for governmental activities in the Statement of Activities is different because:		
Governmental funds report capital outlay as expenditures. However, in the statement of activities, the cost of these assets is allocated over their estimated useful lives and reported as depreciation expense. This is the amount by which additions to capital assets (\$316,731,181) exceeded depreciation expense (\$70,393,486) in the current period.		246,337,695
Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.		
Changes in notes receivable	4,932,097	
Property taxes	(74,499,895)	
Other tax revenues	(7,906,995)	
Interest	(23,324,209)	
Accrued liabilities	<u>5,117,446</u>	
		(95,681,556)
The net effect of various miscellaneous transactions involving the sale of capital assets is to decrease net position.		2,148,031
Bond and other debt proceed provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the Statement of Net Position. Repayment of bond and other debt principal in an expenditure in the governmental funds, but repayment reduces long-term liabilities in the Statement of Net Position. Also, governmental funds reported the effect premiums, discounts, and similar items when debt is first issued, whereas these amounts are deferred and amortized in the statement of activities.		
Issuance of refunding bonds	(15,586,000)	
Bonds issues	(83,875,000)	
Premium	(8,060,116)	
Payments to escrow agent	15,706,000	
Principal paid on debt	19,257,469	
Leases	326,324	
SBITA	<u>12,399,693</u>	
		(59,831,630)
The internal service funds are used by management to charges the costs of fleet management and risk management to individuals funds. The net revenue of certain activities of internal service funds is reported with governmental activities.		27,737,044
Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in the governmental funds.		
Deferred Inflow for bond refunding	(830,917)	
Amortization of bond premium	(140,913)	
Compensated absences	(3,648,161)	
Changes in pension liabilities and related deferred outflows and inflows of resources	30,889,540	
Changes in OPEB liabilities and related deferred outflows and inflows of resources	<u>(8,908,055)</u>	
		<u>17,361,494</u>
Change in net position of governmental activities		<u>\$ 215,813,765</u>

NOTES TO FINANCIAL STATEMENTS

**PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Reporting Entity

Pasco County (the "County"), founded in 1887, is a non-chartered political subdivision of the State of Florida and is authorized the power of self-government by the Constitution of the State of Florida and Florida Statutes. The Board of County Commissioners (the "Board") is the legislative and governing body of the County. A County Administrator is appointed by the Board and is responsible for administrative and budgetary control of the resources of the Board.

The Constitution of the State of Florida also provides for five Constitutional Officers with specific duties and reporting responsibilities prescribed by Statute. The Officers are as follows: Clerk of Circuit Court and County Comptroller ("Clerk & Comptroller"), Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector.

The Constitutional Officers and the Board maintain separate accounting records and budgets.

Annual operating budgets of the Clerk & Comptroller, Sheriff, and Supervisor of Elections are submitted to the Board for approval, as the Board's share of the funding for the operations of these Officers is provided primarily from the general revenues of the County as well as supplemented by the fees charged by these Officers pursuant to Statute.

The budgets of the Property Appraiser and the Tax Collector are submitted to the State's Department of Revenue for approval. The budget for court-related functions of the Clerk & Comptroller's operations is submitted to and approved by the Florida Clerks of Court Operations Corporation, a public corporation created under Section 28.35, Florida Statutes.

Separate financial reports are prepared for each of the Constitutional Officers. The financial statements in this report represent a combination of those separate financial reports, together with the operations of the Board. The Board and the Constitutional Officers constitute the Pasco County primary government.

As required by the generally accepted accounting principles (GAAP), these financial statements comprise the Pasco County reporting entity, which includes the primary government and its component units. The process of evaluating potential component units involved the application of criteria set forth in Governmental Accounting Standards Board (GASB). The definition of the reporting entity is based primarily on the notion of financial accountability. A primary government is financially accountable for the organizations that make up its legal entity. It is also financially accountable for legally separate organizations if its officials appoint a voting majority of an organization's governing body and either it is able to impose its will on that organization or there is a potential for the organization to provide specific financial benefits to, or to impose specific financial burdens on, the primary government. GASB Statement No. 39 provides additional guidance to determine whether certain organizations for which the primary government is not financially accountable should be reported as component units based on the nature and significance of their relationship with the primary government. Generally, it requires reporting, as a component unit, an organization that raises and holds economic resources for the direct benefit of a governmental unit.

**PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

A. Reporting Entity (Continued)

Using the aforementioned criteria, the following determinations have been made:

Discretely Presented Component Units (fiscal year ends September 30)

Pasco County Housing Finance Authority - The Pasco County Housing Finance Authority was created by County ordinance (82-16) as a public body corporate and politic under authority granted by Sec. 159.604, Florida Statutes. The Housing Finance Authority functions to alleviate a shortage of housing and capital for investment in housing within the territorial boundaries of Pasco County. The Board appoints all members of the Housing Finance Authority and may remove members without cause. The Board is empowered to terminate the Housing Finance Authority and may, at its sole discretion, and at any time, alter or change the structure, organization, programs, or activities of the Authority. All rules, regulations, and program guidelines of the Authority are effective only upon approval by the Board. Any and all fees earned by the Authority are required to be placed in a separate fund and the Board shall determine how such funds are to be used; funds are to be used only for low- and moderate-income housing purposes in Pasco County.

J. "Ben" Harrill Villages of Pasadena Hills Stewardship District - The J. "Ben" Harrill Villages of Pasadena Hills Stewardship District (the "District") was created by county ordinance (12-11) and incorporated as a public body corporate and politic, a limited, special-purpose dependent district, under Chapters 125 and 189, Florida Statutes, and as defined in the Pasco County Land Development Code (the "Code"). The District functions to provide a framework for the delivery of infrastructure, facilities and services to accommodate growth, as well as the financing and oversight of lands, within the District boundaries. The governing board of the District is the Board of Supervisors, which is the Pasco County Board of County Commissioners. The Board exercises general and special powers as provided in the Code and District charter, respectively, as well as other powers, authority, and functions in accordance with Chapter 189, Florida Statutes. The District will remain in existence until terminated and dissolved pursuant to amendment to the Code by the Board, after retirement of any bonds or other obligations of the District. There were no financial activities conducted by the District during the year. However, under current reporting entity criteria, any future activity of the District would be included by the discrete presentation method.

Related Organizations

Pasco County Health Facilities Authority

The Pasco County Health Facilities Authority was created by County ordinance as a public body corporate and politic under Section 154.207, Florida Statutes. It functions to assist health facilities in the acquisition, construction, financing, and refinancing of projects within Pasco County.

Pasco County Educational Facilities Authority

The Pasco County Educational Facilities Authority was created by County resolution as a public body corporate and politic under authority granted by Section 243.21, Florida Statutes.

The Educational Facilities Authority functions to assist institutions of higher education in the construction, financing, and refinancing of facilities or projects.

**PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

A. Reporting Entity (Continued)

While the Board appoints the members of these authorities, and may abolish the authorities by ordinance or resolution, the Board is not able to impose its will on these organizations. In addition, the Board is not able to gain access to their economic resources and the authorities are neither financially accountable to nor fiscally dependent upon the Board.

Connected Cities

In April 2015, the Florida State Legislature passed Senate Bill 1216, establishing Pasco County as a pilot community for Connected City Comprehensive Plan Amendments, enacting Florida Statute 163.3246(14). The 10-year pilot program was established on July 15, 2015, to facilitate the growth of the high-technology industry and innovation through a partnership that supports research, marketing, and entrepreneurship. The County will ensure that the Connected City Pilot Program is implemented as authorized and directed by SB 1216 in a manner consistent with the County's long-term growth strategy, and the Board of County Commissioners will make the final decision regarding the provisions for the Special Planning Area. The Board will also make all future land use and zoning decisions within the Connected City Corridor, just like any other Comprehensive Plan or Rezoning request.

Consequently, these related organizations are not component units and are not included in the accompanying financial statements.

B. Government-wide and Fund Financial Statements

The County's Basic Financial Statements consist of the following:

- Government-wide financial statements
- Fund financial statements
- Notes to the financial statements

Government-wide Financial Statements

The government-wide financial statements include the statement of net position and the statement of activities. These statements report information on the government's activities as a whole, which include the primary government and its component unit. For the most part, the effect of interfund activity has been eliminated from these statements in order to avoid a distortion of financial results. Net residual amounts due between governmental and business-type activities are presented as internal balances on the Statement of Net Position where they are eliminated in the total primary government column. Fiduciary funds of the government are also excluded from this presentation since their resources are not available for government funding purposes. The Statement of Net Position reports all financial and capital resources of the governmental and business-type activities. It is presented in a net position format (assets and deferred outflows, fewer liabilities and deferred inflows, equal net position) and is shown with two components: net investment in capital assets, restricted net assets; and unrestricted net assets. The Statement of Activities reports functional categories of programs provided by the County, and demonstrates the degree to which the direct expenses of a given function are offset by program revenues. In addition, the County chooses to eliminate indirect costs between governmental activities to avoid a "doubling up" effect.

Program revenues are classified into three categories: charges for services; operating grants and contributions; and capital grants and contributions. Charges for services refer to direct recovery of costs from customers for services rendered, such as those for emergency services, libraries, court operations, etc.

**PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

B. Government-wide and Fund Financial Statements (Continued)

Grants and contributions refer to revenues restricted for specific programs whose use may be restricted further to operational or capital items. The general revenues section displays revenue collected which helps support all functions of Pasco County government and contribute to the change in the net position for the fiscal year. General revenues include all taxes.

Fund Financial Statements

The fund financial statements appear after the government-wide financial statements and report additional and detailed information about Pasco County's operations for its major funds, individually, and nonmajor funds, in the aggregate, for governmental, proprietary and fiduciary fund types. A major fund is one that meets the criteria set forth in GASB Statement No. 34 or one which the County considers to be of particular importance. If neither of these conditions exists, funds are considered to be nonmajor funds. Included are budgetary comparison statements, which report the County's original budget together with the comparison of the final budget and actual results. In addition, reconciliations are provided that convert the results of governmental fund accounting to the government-wide presentation.

Major Funds

General Fund - The General Fund is the County's primary operating fund. The purpose of the fund is to account for all financial resources, except for those required to be accounted for in other funds. The General Fund is subdivided to represent each of the elected officials of the County.

The County's enterprise funds are reported as major funds, with most of the cost involved paid through the collection of charges for services to customers:

Water and Wastewater Fund – This fund accounts for the activities of any water and wastewater services provided to the general public.

Solid Waste Disposal and Resource Recovery System Fund - This fund accounts for the activities of any solid waste services provided to the general public.

Non-Major Governmental Funds

The County also reports as nonmajor all funds that are included in the following fund types:

Special Revenue Funds - These funds are used to account for the proceeds of specific revenue sources (other than for major capital projects) that are legally restricted to expenditure for specified purposes other than debt service or capital projects.

Debt Service Funds - These funds are used to account for the accumulation of resources for, and the payment of, principal, interest and related costs of governmental activities long-term debt.

Capital Projects Funds - These funds account for resources provided by transfers from the General Fund that are used for the acquisition or construction of capital facilities and other projects (other than those financed by Proprietary Fund Types), as well as bond proceeds.

**PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

B. Government-wide and Fund Financial Statements (Continued)

Other Fund Types

Internal Service Funds - These funds account for the County's equipment service, County's self-insurance, County's health insurance, Clerk & Comptroller's insurance, and Sheriff's health insurance operations which provide respective services and commodities to other operations of the County.

Custodial Funds- These funds are used to account for assets held by the County in a custodial capacity for individuals, private organizations, and other governments. The County's custodial funds include Inmate Commissary, Inmate Bond and a general custodial fund that handles items such as Donations, Performance/Maintenance Guarantees and Security Deposits. All funds are accounted utilizing the guidance set forth with Governmental Accounting Standards Board (GASB) Statement No. 84, *Fiduciary Activities*.

C. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

Non-current Governmental Assets/Liabilities

GASB Statement No. 34 requires all non-current governmental assets and non-current liabilities be reported in the governmental activities column contained within the government-wide Statement of Net Position.

The accounting and financial reporting treatment is determined by the applicable measurement focus and basis of accounting. Measurement focus is used to describe the types of transactions and events that are reported or measured. The basis of accounting refers to when revenues and expenditures or expenses are recognized in the accounts and reported in the financial statements and to the timing of the measurements made, regardless of the measurement focus applied.

The government-wide, proprietary, and fiduciary fund financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, respectively. Under the economic resources measurement focus, net position (total assets and deferred outflows less total liabilities and deferred inflows) is measured. Under the accrual basis of accounting, revenues are recognized in the period in which they are earned, and expenses are recognized in the period incurred.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The operating revenues of the County's enterprise funds, the Water and Wastewater Unit and the Solid Waste Disposal and Resource Recovery System, are charges for services to customers. Within the operating revenues of the proprietary funds a restriction is placed on impact fees that are collected from new customers. The restriction is to ensure the County can provide, maintain, and improve the capacity needed to keep up with the expanding population. Operating expenses of these operations include salaries, contractual services, materials and supplies, utilities, equipment rental and maintenance, communications, administrative charges, and depreciation.

All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses. In addition, when both restricted and unrestricted resources are available for use, it is the County's policy to first apply restricted resources when an expense is incurred for purposes for which both restricted and unrestricted assets are available.

All governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Accordingly, under this measurement focus, only current assets, except as noted below, and current liabilities are included on their balance sheets, and the reported

**PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C. Measurement Focus, Basis of Accounting, and Financial Statement Presentation (Continued)

fund balances provide an indication of available spendable or appropriable resources.

Statements of Revenues, Expenditures and Changes in Fund Balances report increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets. Accordingly, they present a summary of sources and uses of available spendable resources during a period.

Noncurrent portions of long-term receivables due in governmental funds are reported on their balance sheets. However, recognition of governmental fund type revenues represented by these noncurrent receivables is deferred until they become current receivables since they do not represent "available spendable resources" in the spending measurement focus used for governmental funds.

All governmental funds follow the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when they have become earned, and they are both measurable and available to finance expenditures of the current period. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. For this purpose, the County considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. The exception to this is Ambulance Billing revenues. These revenues are assumed to be available in a rolling 12-month period. At year end, deferred revenue is calculated and reclassified to the next fiscal year.

Expenditures are recorded when the related liability is incurred except for: (1) principal and interest on general long-term debt, which are recognized when due; (2) the noncurrent portion of accrued compensated absences, which is recorded as a long-term liability on the government-wide financial statements; and (3) prepaid items, reported only on the balance sheet when they occur, and do not affect expenditures.

In applying the susceptibility-to-accrual concept to intergovernmental revenues, the legal and contractual requirements of the numerous individual programs are used as guidance. There are, however, essentially two types of these revenues. In one, monies must be expended for the specific purpose or project before any amounts will be paid to the County; therefore, revenues are recognized based upon the expenditures recorded. In the other, monies are virtually unrestricted as to purpose of expenditure and are substantially irrevocable, the exception being a failure to comply with prescribed compliance requirements. These resources are reflected as revenues at the time of receipt, or earlier if they meet the availability criterion.

Licenses and permits and miscellaneous revenues (except investment earnings) are not recorded until actually received, as, generally, these revenues are not measurable and available until that time. Property taxes and investment earnings are recorded as earned since they are considered to be measurable and available.

Special assessments are measurable when they are levied. They become available when they are due as long as the County receives them soon enough after year-end to pay current liabilities. Amounts that are measurable but not available are recorded as deferred inflows.

**PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

D. Assets, Liabilities, Deferred Inflows/Outflows and Net Position

Encumbrances

Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of monies are recorded as a reservation of budget, is employed as an extension of the statutorily required budgetary process. Under Florida Statutes, appropriations, even if encumbered, lapse at the end of the fiscal year. The following are significant encumbrances outstanding for the year ended September 30, 2024:

General Fund	\$ 4,217,105
Nonmajor Governmental Funds	<u>40,383,550</u>
Total, All Funds	<u><u>\$44,600,655</u></u>

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand (petty cash), demand deposits, and short-term investment with original maturities of three months or less from the date of acquisition. The County pools substantially all cash and investments, except for those situations requiring separate cash and investment accounts in accordance with legal restrictions.

Investments

The County accounts for its investments in accordance with the provisions of GASB Statement No. 72, *Fair Value Measurement and Application*. This statement requires governmental entities to report investments at fair value (see Note 3). All changes in fair value of investments are recognized as gains or losses in the Statement of Activities. The SBA's Florida PRIME is a 2a7- like pool and is, therefore, reported at its actual pooled share price (its value) as the pool account balance (amortized cost) is the same as its fair value. A 2a7-like pool is an external investment pool that is not registered with the SEC as an investment company, but nevertheless has a policy that it will, and does operate in a manner consistent with the SEC's Rule 2a7. Rule 2a7 allows SEC-registered mutual funds to use amortized cost to report net assets to compute share prices if certain conditions are met (see Notes 3B and 3C). For purposes of the statement of cash flows, investments in money market funds are considered cash and cash equivalents.

Earnings from pooled cash and investments are allocated to each fund based on a three-month average of the equity balance of each fund. In fiscal 2024 deposits earned interest at the following rates: SBA's Florida PRIME, 5.33% to 5.60%; Florida Class Investment Fund (reported at NAV) 5.24% to 5.53% (SEC yield); Florida Trust Investment Day to Day Fund (reported at NAV) 4.40% to 5.45% (SEC yield); and money market funds at 5.29%.

E. Receivables, Payables, and Amounts Due From/Due To

Trade accounts receivable and various payables of the County are recorded in the government-wide, and in the governmental and proprietary fund financial statements. In proprietary fund types, accounts receivable are recorded with appropriate allowances for uncollectible accounts, which totaled approximately \$4,782,755 at September 30, 2024. Related revenues are recognized as earned.

**PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

E. Receivables, Payables, and Amounts Due From/Due To (Continued)

In governmental funds, accounts receivable are recorded with appropriate allowances for uncollectible accounts, which totaled approximately \$94,838,659 at September 30, 2024, primarily related to ambulance billings. In governmental fund types, amounts generated as a result of operations of the County are not recognized as revenue until the amounts are both measurable and available. In addition, a receivable was recorded and revenue recognized in the Water and Wastewater Unit Fund for estimated unbilled consumption at year-end. Such unbilled receivables totaled approximately \$15,321,460 at September 30, 2024. Total allowances for uncollectible accounts, related to customer billings, were \$4,197,648 as of September 30, 2024. Activities between funds resulting in balances at year-end are reported as "Due From" and "Due To" amounts and represent interfund loans. Any residual balances outstanding between governmental and business-type activities are reported in the government-wide Statement of Net Position as internal balances.

The County has several agreements with other agencies, and individuals, under which cash has been advanced to those agencies for the purpose of financing loans for various projects (e.g., developers for multi-family affordable housing projects). These interest and noninterest-bearing advances will be repaid to the County over carrying terms. The outstanding principal balances are primarily reported as Notes and Loans Receivable in the Rural Economic and Development Administration Fund, State Housing Initiatives Partnership Fund, and various special revenue funds. Also included in these amounts are loans receivable associated with the County's Down Payments Assistance, Neighborhood Stabilization and Housing Rehabilitation Programs.

F. Inventories

Inventories are determined by physical count and are stated at average cost using a moving average cost basis. Purchases of inventories for governmental fund types are reported as expenditures when used (consumption method). Inventories for governmental funds are reported on the balance sheet as an asset of their respective funds with a corresponding classification as a nonspendable amount in fund balance since they do not represent "available spendable resources". Inventories of proprietary fund types, consisting primarily of operating materials held for consumption, are reported as an expense when consumed in the operations of the fund.

G. Restricted Assets

Certain assets are classified as restricted on the Statement of Net Position because of requirements imposed by law, regulation, creditors, grantors, contributors or other controlling provisions.

H. Capital Assets

Capital assets, which include property, plant, equipment, leased assets, right-to-use assets, right-to-use subscription assets, and infrastructure assets (roads, streets, bridges and sidewalks) acquired subsequent to October 1, 1980, as well as intangible assets acquired subsequent to October 1, 2009, are reported in the applicable governmental or business-type activities columns in the government-wide financial statements and in the proprietary fund financial statements. Capital assets are defined as items with an initial, per unit cost greater than or equal to \$10,000 and a projected useful life of at least one year.

Capital contributions or donations are recorded at their estimated acquisition value at the time received. The cost of normal maintenance and repairs that do not add to the value of a capital asset or materially extend its useful life are not capitalized.

**PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

H. Capital Assets (Continued)

Depreciation (termed amortization for intangible assets with identifiable useful lives) is recorded on capital assets on a government-wide basis. Capital outlays of proprietary funds are recorded as capital assets that are depreciated over their estimated useful lives on a straight-line basis on both the funds basis and the government-wide basis.

Depreciation is provided over the following estimated useful lives (straight-line method):

<u>Assets</u>	<u>Years</u>
Buildings	20 - 50
Improvements Other than Building	10 - 40
Machinery and Equipment	3 - 10
Infrastructure	35 - 40
Intangibles:	
Computer Software	3 - 5
Easements and Right-of-Ways	See (1)

(1) If the value is separable from the underlying land, the useful life is the shorter of the legal or the estimated useful life; if the life is indefinite or unlimited, then it is not amortized. If the value is inseparable from the underlying land, it is not amortized.

I. Leases

County as Lessee

The County is a lessee for noncancelable leases of land, building, and equipment. The County recognizes a lease liability and an intangible right-to-use asset (lease asset) in the government-wide and proprietary fund statements.

At the commencement of a lease, the County initially measures the lease liability at the present value of payments expected to be made during the lease term. Subsequently, the lease liability is reduced by the principal portion of lease payments made. The lease asset is initially measured as the initial amount of the lease liability, adjusted for lease payments made at or before the lease commencement date, plus certain indirect costs. The lease asset is amortized on a straight-line basis over the term of the lease.

The lease term included the noncancelable period of the lease. Lease payments included in the measurement of the lease liability are comprised of fixed payments and any purchase option price that the County is reasonably certain to exercise. In determining the lease term, management considers all facts and circumstances that create an economic incentive to exercise an extension option or not exercise a termination option. Extension options are only included in the lease term if the lease is reasonably certain to be extended.

The County monitors changes in circumstances that would require a remeasurement of its lease and will remeasure the lease asset and liability if certain changes occur that are expected to significantly affect the amount of the lease liability. Leased assets are reported with other capital assets and lease liabilities are reported with long-term debt on the statement of net position.

PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

I. Leases (Continued)

County as Lessor

The county is a lessor in lease arrangements regarding building space and cell towers. The county recognizes a lease receivable and a deferred inflow of resources in the government-wide and governmental fund financial statements.

At the commencement of a lease, the County initially measures the lease receivable at the present value of payments expected to be received during the lease term. Subsequently, the lease receivable is reduced by the principal portion of lease payments received. The deferred inflow of resources is initially measured at the initial amount of the lease receivable, adjusted for lease payments received at or before the lease commencement date. Subsequently, the deferred inflow of resources is recognized as revenue over the life of the lease term.

The county monitors changes in circumstances that would require a remeasurement of its lease and will remeasure the lease receivable and deferred inflows of resources if certain changes occur that are expected to significantly affect the amount of the lease receivable.

J. Subscription-Based Information Technology Arrangements (SBITA)

The county has noncancelable subscription-based information technology arrangements. A subscription liability and an intangible right-to-use asset are recognized in the government-wide and proprietary fund financial statements. At the commencement of a subscription, the County initially measures the subscription liability at the present value of payments expected to be made during the subscription term and the liability is reduced by the principal portion of subsequent subscription payments made. The subscription asset is initially measured as the initial amount of the subscription liability, adjusted for subscription payments made at or before the subscription commencement date, plus certain initial direct costs and is amortized on a straight-line basis over its useful life. The County monitors changes in circumstances that would require a remeasurement of its subscriptions and will remeasure the subscription asset and subscription liability if certain changes occur that are expected to significantly affect the amount of the subscription liability.

K. Deferred Outflows/Inflows of Resources

In addition to assets, the statement of net position and the balance sheet includes a separate section for the deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represent a consumption of net assets that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The County has multiple items that qualify for reporting in this category including the deferred charge on bond refunding, acquisitions, and pension related items such as: differences between expected and actual earnings on pension plan investments, changes in proportion and differences between the County's contributions and proportionate share of contributions, and the County's contributions subsequent to the measurement date, relating to the Florida Retirement System Pension Plan and the Retiree Health Insurance Subsidy Program. A deferred charge on bond refunding results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt. A deferred charge on acquisitions represents the excess in liabilities assumed over the fair value of assets. This amount is deferred and amortized over the estimated useful life of the assets acquired. The deferred amounts related to pension and OPEB relate difference between estimated and actual investment earnings, changes in actuarial assumptions, and other pension and OPEB related changes. The other amounts will be recognized as increases in pension expense in future years. The deferred inflows related to leases are associated with amounts owed to the County, as a lessor,

**PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

K. Deferred Outflows/Inflows of Resources (Continued)

by entities leasing the County's capital assets.

In addition to liabilities, the statement of net position and the balance sheet include a separate section for deferred inflows of resources, represent an acquisition of net assets that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time.

The County has multiple items that qualify for reporting in this category including differences between expected and actual experience, net difference between projected and actual earnings on pension plan investments, and changes in the proportion and differences between the County's contributions and proportionate share of contributions, relating to the Florida Retirement System Pension Plan, Retiree Health Insurance Subsidy Program, and Other Postemployment Benefits.

The County also has several items, which arise only under a modified accrual basis of accounting that qualified for reporting in this category. Accordingly, the items are reported in the governmental fund's balance sheet. The governmental funds report unavailable revenues related to home loan programs and grants received in advance of eligibility criteria being met. The amounts are deferred and recognized as an inflow of resources in the period in which the amounts become available.

L. Long-term Obligations and Amortization

In the government-wide financial statements and the proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund statements of net position, net of unamortized bond discount or premium.

Bond discounts and premiums related to long-term debt have been capitalized and are amortized over the term of the bonds using the effective interest method. Bond issue costs are expensed/expended in the period incurred. Gains and losses related to the refunding and legal defeasance of certain long-term debt have been recorded as deferred inflows and outflows and are being amortized as a component of interest expense in accordance with GASB Statement No. 65.

M. Unearned Revenue

Any assets received by the County, for services rendered in future periods, have been offset by an unearned revenue liability.

N. Pension Costs

The County participates in the Florida Retirement System ("FRS") pension plan and Florida Retirement System Retiree Health Insurance Subsidy ("HIS") Program. In the government-wide and proprietary fund statements of net position, liabilities are recognized for the County's proportionate share of each pension plan's net pension liability. For purposes of measuring the net pension liability, deferred outflows/inflows of resources, and pension expense, information about the fiduciary net position of the FRS defined benefit plan and the HIS and additions to/deductions from FRS's and HIS's fiduciary net position have been determined on the same basis as they are reported by the FRS and HIS plans. For this purpose, plan contributions are recognized as of employer payroll paid dates and benefit payments and refunds of employee contributions are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value (see Note 14).

**PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

O. Postemployment Benefits Other Than Pensions

GASB Statement No. 75 requires local and state government employers to recognize the OPEB Liability and the OPEB Expense on their financial statements along with related deferred outflows and inflows of resources (see Note 15).

P. Compensated Absences

The County accrues accumulated, unpaid vacation, sick pay and associated fringe benefits when such benefits are earned. Both the current and long-term portion of these compensated absences are accrued and reported in the government-wide and proprietary fund financial statements. In governmental funds, compensated absences that have matured are accrued as current-year expenditures.

Q. Property Taxes

Property taxes are levied each November 1, based on assessed values on the previous January 1 (the lien date). Property taxes become due and payable on November 1 of each year. The Pasco County Tax Collector bills and collects property taxes on behalf of the County. The tax rate to finance general governmental services for the fiscal year ended September 30, 2024 was \$ 7.5700 per \$1,000 of assessed taxable property value. Taxes become delinquent on April 1 of each year. The County records delinquent property tax collections on a cash basis as delinquent taxes receivable are immaterial at September 30. This is primarily due to an annual tax certificate sale, held each year, which is advertised by law and creates a lien on the property which must be paid in full with interest.

R. Tax Abatements

Tax abatements, which require approval through voter referendum, are reductions in tax revenues as the result of an agreement between one or more governments and an individual entity. For the fiscal year ended September 30, 2024 there were no tax abatement agreements made between the County or any other entities.

S. Classification of Fund Balances and Net Position

The County follows the provisions of GASB Statement No. 54, Fund Balance Reporting and Governmental Fund Type Definitions. The objective of this Statement is to enhance the usefulness of fund balance information by providing clearer fund balance classifications that can be more consistently applied and by clarifying the existing governmental fund type definitions. This Statement establishes fund balance classifications that comprise a hierarchy based primarily on the extent to which a government is bound to observe constraints imposed upon the use of the resources reported in governmental funds. Governments are required to classify fund balance in governmental funds as nonspendable, restricted, committed, assigned, and unassigned.

In accordance with GASB Statement No. 54, the components of the fund balances of governmental funds are classified as follows:

- *Nonspendable Fund Balance* – Amounts within this fund balance cannot be spent because: (a) they are legally or contractually required to be maintained intact or are not spendable as to form, such as inventory or prepaid items or (b) not in spendable form.
- *Restricted Fund Balance* – Amounts within his fund are can only be spent for specific purposes because of constitutional provisions, enabling legislation, or because of constraints by third parties, such as

**PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

S. Classification of Fund Balances and Net Position (Continued)

creditors, grantors, contributors, or laws and regulations of other governments.

- *Committed Fund Balance* - Amounts that can be used only for the specific purposes as set forth by a policy that requires a formal action of the Board of County Commissioners, the County's highest level of decision making authority, such as an establishment of an ordinance by the Board. These commitments may be modified or removed by the Board of County Commissioners through an amendment or repeal of an ordinance or resolution, with both being equally constraining.
- *Assigned Fund Balance* - Amounts reflecting a government's intended use of resources. This intent must be established by the County Administrator, or his or her designee, and approved by the Board of County Commissioners. These amounts are intended to be used for specific purposes that are neither considered restricted or committed.
- *Unassigned Fund Balance* - This is the residual spendable funds that have not been classified as restricted, committed, or assigned to a specific purpose. For purposes of this report, only the general fund is eligible to report a positive unassigned fund balance. It is not appropriate for other governmental funds to report a positive unassigned fund balance amount.

The County has implemented fund balance and spending policies to clearly define the process for tracking the various classification balances. The policy goes on to state when a general fund expenditure is incurred and where restricted, committed, assigned, or unassigned amounts are available to be used. The County will first use restricted amounts, then committed amounts, then assigned amounts, and lastly unassigned amounts. All other funds in which expenditures are incurred and where restricted, committed, assigned, or unassigned amounts are available to be used, the County will first use unassigned amounts, then assigned amounts, then committed amounts, and finally restricted amounts.

When an expense is incurred for purposes for which both restricted and unrestricted net position is available, it is the County's policy to first use restricted net position and then unrestricted net position. The policy further sets forth the following:

General Fund - The policy set forth and adopted by the County is to set aside an emergency fund amount equal to 11.1% of budgeted expenditures for the fiscal year. Furthermore, if expenditures incurred for specific purposes exceed the amounts that are restricted, committed, or assigned to that purpose, it may be necessary to report a negative unassigned fund balance.

Committed Reserve - The policy states that the following funds should have a reserve balance set aside in order to continue operations in case of an emergency. The reserve balance should equal 16.7% of the budgeted expenses within the fiscal year: Municipal Services Fund, Fire MSTU Fund, Building Inspections and Permitting Fund, Road and Bridge Fund, Stormwater Management Fund, Solid Waste System Fund, and Water and Wastewater Fund.

T. Adoption of New Accounting Principles

During the fiscal year ended September 30, 2024 the County adopted and implemented two Governmental Accounting Standards Board (GASB) Statements: No. 100, *Accounting Changes and Error Corrections-an amendment of GASB Statement No.62* and No. 101, *Compensated Absences*.

**PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

T. Adoption of New Accounting Principles (Continued)

GASB Statement No. 100 aims to enhance accounting and financial reporting requirements for accounting changes and error corrections to provide more understandable, reliable, relevant, consistent, and comparable information for making decisions or assessing accountability.

U. Future Accounting Pronouncements

The following statements will be effective for the fiscal year ending September 30, 2025:

- Statement No. 101, *Compensated Absences*
- Statement No. 102, *Certain Risk Disclosures*.

The following statements will be effective for the fiscal year ending September 30, 2026.

- Statement No. 103, *Financial Reporting Model Improvements*.
- Statement No. 104, *Disclosure of Certain Capital Assets*

The County has not yet determined the impact, if any, that the implementation of these new pronouncements will have on its financial statements. More detailed information regarding requirements related to GASB

Statements may be found at the following website: www.gasb.org/

V. Subsequent Events

Management has evaluated subsequent events through the date that the financial statements were available to be issued, April 30, 2025. See Note 20 for relevant disclosure.

2. STEWARDSHIP, COMPLIANCE & ACCOUNTABILITY

Pursuant to Chapter 129, Florida Statutes, General Budget Policies, the following procedures are followed by the BCC in establishing, adopting and maintain the operating budget:

- The Clerk & Comptroller, Sheriff, and Supervisor of Elections are required to submit a tentative budget to the Board by May 1.
- In addition to submission of a Budget to the Board, the Clerk & Comptroller is required to submit a budget, for court-related functions, to the Florida Clerks of Court Corporation.
- The Florida Department of Revenue will review budget requests from both the Property Appraiser (June 1) and Tax Collector (August 1), with a copy of the proposed budgets being sent to the Board of County Commissioners.
- No later than 35 days after certification of the ad valorem tax roll by the Property Appraiser, the County Budget Officer submits to the Board, a tentative budget for the fiscal year beginning the following October 1.
- The public is informed of the proposed budget and tentative millage rates through legal advertising. Public hearings are held to hear comments from the public regarding the budget.

**PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

2. STEWARDSHIP, COMPLIANCE & ACCOUNTABILITY (CONTINUED)

- Prior to September 30, the Board legally adopts the budget by resolution.
- Budgetary control is generally maintained at the department level. Separately issued reports are available through the Office of Management and Budget. The County Administrator acts on intradepartmental budget changes that do not alter the total department budget. All other budgetary changes must be submitted to and approved by the Board in an open session.
- Budgets are monitored at varying levels of classification detail with control generally maintained at the sub function level. In accordance with Section 129.07, Florida Statutes, expenditures cannot legally exceed total appropriations.
- Beginning funds available for financing current appropriations are considered in the budgetary process but are not included in the financial statements of the Governmental Fund Types as budgeted revenue.
- Formal budgetary integration is employed as a management control device during the year for the General, Special Revenue, Debt Service, and Capital Projects Funds.
- The actual result of operations in the Statement of Revenues, Expenditures and Changes in Fund Balances – Budget and Actual – General Fund are presented on a budgetary basis. Adjustments to convert the result of operations at the end of the year from the budgetary basis of accounting to the GAAP basis of accounting for General Fund are as follows:

	<u>Total Revenue</u>	<u>Total Expenses</u>
Budgetary Basis	\$ 528,927,130	\$ 451,261,727
Non-Budgeted Activity:		
Office of State Courts Admin.	4,438	-
Rural Economic and Development Admin.	38,582	141
Park Development Fund	11	-
Environmental Lands Mgmt.	61,942	260,876
State Housing Initiatives Partnership	<u>9,424,958</u>	<u>4,108,751</u>
GAAP Basis	<u>\$ 538,457,061</u>	<u>\$ 455,631,495</u>

**PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

2. STEWARDSHIP, COMPLIANCE & ACCOUNTABILITY (CONTINUED)

Budgets for certain Special Revenue, Debt Service, and Capital Project Service Funds are adopted on a basis consistent with GAAP. Budgets were not prepared for the Fire Impact Fees, Transportation Impact Fee (West), Half Cent Sales Tax Refunding Bond, Series 2023B, Half Cent Sales Tax Series 2024, Fire Rescue Projects GO Bonds Series 2024A, Public Safety GO Series 2024A, Rescue Impact Fees, Capital Projects Fund, Tourist Development Tax Bond Series 2023, VOPH & Detention Half-Cent 2024A. Budget was not prepared for these funds because of limited revenues related to the issuance of debt and allocation interest earnings.

- All appropriations, except those that overlap fiscal years and are budgeted on a life-to-date basis, lapse at year-end, even if encumbered. However, the County intends to honor those purchase orders, contracts and commitments represented by encumbrances outstanding at year-end and reported as assigned fund balance. The subsequent year's appropriations will provide authority to complete these encumbered transactions.

For comparative purposes, certain line items of the budgets in the financial statements have been reclassified to conform to reporting classifications of actual revenues and expenditures. In accordance with Section 129.01, Florida Statutes, only 95% of receipts reasonably anticipated from all appropriate sources, including taxes to be levied, are included in the budgetary data for revenues.

**PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

3. CASH AND INVESTMENTS

The County maintains a pooled cash program that is available for use by all Board and Clerk & Comptroller controlled funds. Earnings are allocated to each of the participating funds based on a three-month average of the equity balance within each fund. Cash and investments which must be segregated due to bond covenants or other legal restrictions are not included in this program.

Cash, cash equivalents and investments consist of the following at September 30, 2024:

	Maturity	Fair Value	Portfolio Percentage	Rating ⁽¹⁾

A. Insurance and Collateralization of Demand Deposits

The County's demand deposits are insured by Federal depository insurance or collateralized in accordance with Chapter 280, Florida Statutes. This Statute establishes a multiple financial institution collateral pool in which all financial institutions holding public deposits together pledge a pool of collateral against all public deposits they collectively hold. In the event of a default or insolvency by a qualified public depository, any loss not covered by as assessment against the other qualified public depositories of the same type as the depository in default. The assessment is based upon the average share of the public fund deposits held by each of these depositories during the previous 12 months in relation to total public deposits held by all depositories of the same type during the same period.

**PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

3. CASH AND INVESTMENTS (CONTINUED)

B. Investments

Section 218.415, Florida Statutes, the County's formally adopted Investment Policy grants the authority to invest surplus public funds in certain permitted investments. The objectives set forth in the Investment Policy included: minimize capital loss, maintenance of liquidity, and maximize return on investment.

Credit Risk

The Investment Policy is designed to safeguard the County's funds by restricting authorized investments to the following:

Local Government Investment Pools – These are classified as state, local government, or privately-sponsored investment pools that are authorized pursuant to the Florida Interlocal Cooperation Act of 196, as provided in Section 163.01, Florida Statutes.

U.S. Treasury & Government Guaranteed – U.S. Treasury obligations, and obligations the in which the principal and interest are guaranteed by the full faith and credit of the U.S. Government.

Commercial Paper – U.S. dollar denominated commercial paper issued or guaranteed by a domestic corporation, company, financial institution, trust or other entity, only unsecured debt permitted. Money Market Funds – Shares in open-end and no-load money market mutual funds, provided such funds are registered under the Investment Company Act of 1940 and operate in accordance with Rule 2a-7.

Other investments authorized by law or by ordinance for a county or a municipality. In addition to Section 218.415(16), Florida Statutes the investment of county funds is authorized by Section 28.33 and 219.075, Florida Statutes.

Custodial Credit Risk

The Investment Policy, pursuant to Section 218.415(18), Florida Statutes, requires that all securities purchased by, and all collateral obtained by the County, must be held in the County's name through the execution of a third-party custodial safekeeping agreement.

Investment Rate Risk

The Investment Policy limits interest risk by attempting to match investment maturities with known cash needs and anticipated cash flow requirement. In addition, the investment portfolio must be diversified as to maturity. The maximum stated investment maturity, for various investment sectors, is 5.50 years. At September 30, 2024, maturities of investment in U.S. Government and Agency Bonds ranged from 2 to 4 years.

Interest Rate Risk

The County's investment policy limits interest rate risk by attempting to match investment maturities with known cash needs and anticipated cash flow requirements. All investments must have stated maturities of no more than 5.5 years.

3. CASH AND INVESTMENTS (CONTINUED)

D. Fair Value Measurements

GASB Statement No. 72, *Fair Value Measurement and Application*, sets forth the necessary framework needed to improve financial reporting as it relates to the definition of fair value. GASB Statement No. 72 lays the foundation and establishes the necessary hierarchy regarding financial reporting for assets and liabilities measured at fair value. The hierarchy will allocate the highest priority for identical assets and liabilities (Level 1 measurements) and the lowest priority to unobservable (Level 3 measurements). The three levels of fair value hierarchy established under GASB Statement No. 72 are:

Level 1 – Investments reflect prices quoted in active markets for identical assets or liabilities in active markets that a government can access at the measurement date.

Level 2 – Investments reflect prices that are based on similar observable assets either directly or indirectly, which may include input in markets that are not considered to be active; or other inputs that are observable or can be corroborated by observable market data.

Level 3 – Investments reflect prices based upon unobservable sources

“NAV” – Investments in the Florida Trust, Florida Class and Florida Palm represent a total of \$838,799,183 in pooled investment programs. No specific investments are assigned to the County, rather the County’s investment is equal to the total fund net asset value times the district’s units as a percentage of total units outstanding. Any dividends or interest of the programs are reinvested. In addition, the County may withdraw either a portion of or its entire investment at any time in the Program.

Investments classified as Level 1 Inputs are based on a quoted price for identical assets or liabilities in an active market. The fair values of these investments are based on the last reported sales prices on the last day of the fiscal year. Level 1 Inputs are investments that are traded in daily public markets within the United States.

Investments that are traded in markets but are not considered to be actively traded on a daily basis are classified as Level 2 Inputs. Other criteria that satisfy the Level 2 hierarchy are: valued based on quotes market prices, dealer, and broker quotations, bid prices, or alternative pricing sources using observable inputs. Inputs used in fair value measurement should be consistent with the inputs that market participants would use in pricing the asset or liability. Investments that commonly fall within the Level 2 hierarchy are: investment grade corporate bonds, mortgage-backed securities, bank loans, and municipal bonds. The fair values of these investments are based on the last reported observable input on the last day of the year.

The most complex and lowest priority investments are the Level 3 Inputs. These investments have a substantial unobservable input, as they are rarely traded. Level 3 investments include private equity, distressed debt, and non-standard derivatives. The fair values of these investments are determined by estimation with the best information available. All reasonably available information will be used to determine fair value without incurring an excessive cost for this effort.

6. INTERFUND BALANCES AND INTERFUND TRANSFERS

A. Interfund Balances

Due From/To Other Funds

Amounts due from/due to other funds and advances to/from other funds on September 30, 2024, were as follows:

	<u>Due From Other Funds</u>	<u>Due to Other Funds</u>
Major Funds:		
General Fund	\$ 14,426,540	\$ 15,979
Total Major Funds	<u>14,426,540</u>	<u>15,979</u>
Nonmajor Funds	61,418	14,471,979
Total, All Funds	<u>\$ 14,487,958</u>	<u>\$ 14,487,958</u>

	<u>Advance to Other Funds</u>	<u>Advance From Other Funds</u>
Major Funds:		
General Fund	\$ 936	\$ -
Internal Service Funds	-	936
Total, All Funds	<u>\$ 936</u>	<u>\$ 936</u>

The purposes of these interfund transactions are to:

- Provide short-term and long-term loans to other funds
- Eliminate deficits in the equity in pooled cash
- Establish necessary reserves to create a health insurance fund

6. INTERFUND BALANCES AND INTERFUND TRANSFERS (CONTINUED)

B. Interfund Transfers

Amounts transferred between funds for the fiscal year ended September 30, 2024, were as follows:

	<u>Transfers In</u>	<u>Transfers Out</u>
Major Funds:		
General Fund	\$ 849,657	\$ 109,930,092
Total Major Funds	<u>849,657</u>	<u>109,930,092</u>
Nonmajor Funds	202,756,908	111,103,091
Internal Service Funds	<u>39,924,859</u>	<u>22,498,241</u>
Total, All Funds	<u><u>\$ 243,531,424</u></u>	<u><u>\$ 243,531,424</u></u>

Transfers are used to:

- Allocate funding for tax increment financing (TIF) improvements and capital improvement subsidies
- Transfer funding to account discounts related to cost recovery of paving projects.
- Provide funding and maintain a reserve for emergency service operations.
- Use and transfer unrestricted revenues collected in the General Fund to finance various programs accounted for in other funds in accordance with budgetary authorizations.
- Distribute excess amounts to other funds after all debt service reserve amounts have been satisfied for the period in the debt service funds.
- Provide funding from the Municipal Service Fund to the General Fund for the Sheriff's road patrol in unincorporated areas of the county.
- Provide funding from the Equipment Service Fund to the Capital Projects Fund related to the development of various capital fleet projects.

C. Leases

Lessee Arrangements

The County leases equipment as well as certain operating and office facilities for various terms under long-term, non-cancelable agreements. The leases expire at various dates through 2090.

The County leases vehicles through an agreement with Enterprise Fleet Management. The full vehicle cost is paid upon delivery of the vehicle while vehicle maintenance (e.g., oil changes, tire rotation, etc.) is completed by the vendor with payment for services included in the monthly lease payment (60 months).

The following is a schedule of future minimum lease payments under lease agreements as of September 30:

Governmental Activities:

<u>September 30, 2024</u>	<u>Leases - Lessee</u>		<u>Total</u>

Business-Type Activities-Enterprise Funds

Original Issue Amount

\$54,290,000	Water and Sewer Refunding Revenue Bonds, Series 2014A	Purpose:	To advance refund and legally defease certain of the outstanding Water and Sewer Refunding revenue Bonds, series 2006, and pay certain issuance costs.
		Range of principal installments:	\$1,555,000 to \$3,758,000 (\$54,290,000 serial bonds with redemptions through 2036)
		Range of interest rates:	3.00% to 5.00% (serial bonds)
		Source of payments:	Revenues of the Water and Sewer System and available impact fees.
		Year of final maturity:	2036
		Insured by Financial Security Assurance, Inc. (FSA):	Guaranteed payment of principal and interest; insurance is noncancellable.
\$50,620,000	Water and Sewer Improvement Revenue Bonds, Series 2014B	Purpose:	To (i) acquire, construct, and erect a portion of the 2014 Project, (ii) fund the 2014 Bonds Reserve Subaccount, and (iii) pay certain issuance costs.
		Range of principal installments:	\$9,310,000 to \$10,975,000 (\$10,000,000 5.00% term bonds due October 1, 2044 and \$40,620,000 4% term bonds due October 1, 2044).
		Range of interest rates:	4.00% to 5.00%
		Source of payments:	Revenues of the Water and Sewer System and available impact fees.
		Year of final maturity:	2044
		Insured by Financial Security Assurance, Inc. (FSA):	Guaranteed payment of principal and interest; insurance is noncancellable.
\$118,795,000	Water and Sewer Improvement Revenue Bonds, Series 2019	Purpose:	To (i) refinance the unpaid portion of bond series 2006,2009 A & B ,and (ii) pay certain issuance costs of series 2019 bond.
		Range of principal installments:	\$4,220,000 to \$10,430,000 (\$118,795,000 2.546% term bonds with redemption through 2039)
		Range of interest rates:	2.55%
		Source of payments:	Revenues of the Water and Sewer System and available impact fees.
		Year of final maturity:	2039
		Insured by Financial Security Assurance, Inc. (FSA):	Guaranteed payment of principal and interest; insurance is noncancellable.
\$26,210,000	Water and Sewer Refunding Revenue Bonds, Series 2020	Purpose:	To (i) finance the acquisition of the private utility system known as the Pasco Aqua System (the "Aqua System") from the Florida Governmental Utility Authority ("FGUA") pursuant to the Utility System Transition Agreement between the County and FGUA, (ii) finance the costs of the certain capital improvements to the County's Utility System.
		Range of principal installments:	\$278,000 to \$1,685,000
		Range of interest rates:	2.48%
		Source of payments:	Revenues of the Water and Sewer System and available impact fees.
		Year of final maturity:	2039
		Insured by Financial Security Assurance, Inc. (FSA):	Guaranteed payment of principal and interest; insurance is noncancellable.
\$18,170,000	Solid Waste Disposal and Resource Recovery System Refunding Revenue Bonds, Series 2015	Purpose:	To advance refund and legally defease the outstanding Solid Waste Disposal and Resource Recovery System Revenue Bonds, Series 2008D, and to pay certain costs of issuance.
		Range of principal installments:	\$4,395,000 to \$4,695,000
		Range of interest rates:	2.29%
		Source of payments:	Assessment revenues and net revenues of the Solid Waste Disposal and Resource Recovery System
		Year of final maturity:	2024
		Insured by Financial Security Assurance, Inc. (FSA):	Guaranteed payment of principal and interest; insurance is noncancellable.

LONG-TERM LIABILITIES (CONTINUED)

F. Other Long-Term Liabilities Information

Deferred Charges

Water and Sewer Refunding Revenue Bonds, Series 2020 resulted from the acquisition of the private utility system known as the Pasco County Aqua System ("Aqua System"). Upon the acquisition of the Aqua System the County recoded pre-existing deferred outflows of resources in the amount of \$6,652,800 at year ended September 30, 2020, which represents the excess of liabilities assumed of \$14,305,973 over the fair value of assets acquired of \$7,653,173. For the year ended September 30, 2024, the remaining amount of \$5,470,080 was included in deferred outflows. The County determines that it attributes the excess amount of consideration over the next 21 years based upon its estimate of the remaining services' lives of the capital assets the County has acquired.

At year ended September 30, 2022, the county used American Rescue Plan Act (ARPA) funds to acquire the private utility system known as the Lindrick Utility System from the Florida Governmental Utility Authority. Upon acquisition of the Lindrick Utility, the county recorded pre-existing deferred outflows of resources in the amount of \$9,002,492. For the year ended September 30, 2024, the remaining amount of \$6,976,931 was included in deferred outflows.

Revenue Bond Refunding

Bonds are refunded to retire all or a portion of an outstanding bond issue. Most typically, refunding is done to refinance at a lower interest rate to reduce overall debt service. Certain issues of bonds may be refunded prior to the call date, known as an advance refunding.

Future principal and interest payments on refunding bonds have been provided through advance refunding bond issues whereby refunding bonds are issued and the net proceeds, plus any additional resources that may be required, are used to purchase securities issued and guaranteed by the United States government. The County then deposits these securities in an irrevocable trust under an escrow agreement which states that all proceeds from the trust will be used to fund the principal and interest payments of the previously issued debt being refunded. The trust deposits have been computed so that the securities in the trust, along with future cash flows generated by the securities, will be sufficient to service the previously issued bonds.

During the year ended September 30, 2024, the County issued the Half-Cent Sales Tax Refunding Revenue Bond, Series 2023B. See information below related to this issuance:

Refunding Title and Series: Half-Cent Sales Tax Refunding Revenue Bond, Series 2023B

Original Title and Series: Half-Cent Sales Tax Refunding Revenue Bond, Series 2022B

Original bond amount:	\$ 15,586,000
Closing date:	December 1, 2023
Net interest rate:	2.69%
Refunding bond issued:	15,586,000
Issuance & insurance costs:	42,250
Net proceeds:	-
Cash flow savings:	788,667
Economic gain on refunding:	830,917
Number of years affected:	10

**PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

8. LONG-TERM LIABILITIES (CONTINUED)

F. Other Long-Term Liabilities Information

Arbitrage Rebate

The Tax Reform Act of 1986 generally requires earnings from investments of bond proceeds that exceed the issuer's bond yield to be rebated to the U.S. Treasury at periodic intervals, usually every five years. Computations are performed to determine the yield on the bonds, the yield on the invested funds and the determination of the resulting arbitrage rebate liability. The computation period begins at issue date and extends to the 2024 fiscal year-end. When arbitrage rebate liabilities occur they are included in amounts Due to Other Governments and are charged against interest income.

During the year ended September 30, 2024, the County issued a rebate liability payment to the IRS in the amount of \$783,701 for GO Bonds Series 2019A-D.

Legal Debt Limits

The Florida Constitution and Pasco County set no legal debt limits.

Restrictions

The official statements and Commission resolutions authorizing the issuance of the bonds contain certain restrictive covenants. The Board of County Commissioners has covenanted that, on a monthly basis, it will deposit specified amounts derived from specific revenue sources into accounts and funds established by resolutions. The deposits into these accounts and funds are used to repay principal and interest coming due on the bonds and to provide sinking funds established for the purpose of retiring term bonds due in future years. The most restrictive of these covenants include rate covenants of not less than 125% of the current Debt Service Requirements and 100% of all reserve and other required payments.

Conduit Debt

Pasco County, through the BCC, has issued various bonded debt to provide financial assistance to private-sector entities for the acquisition, construction and equipping of industrial and commercial facilities deemed to be in the public interest. While currently there is no limit to time commitments, all debt is acquired in compliance with the Tax Equity and Fiscal Responsibility Act (TEFRA). Upon repayment of the bonds, ownership of the acquired facilities transfers to the private-sector entity served by the bond issuance. Neither the Board, State, nor any political subdivision thereof is obligated in any manner for the repayment of the bonds noted below. Accordingly, these bonds are not reported as liabilities in the accompanying financial statements.

Per Section 240-41, Pasco County Code of Ordinances, the Pasco County Industrial Revenue Development Authority was established to encourage industries to locate in Pasco County. Section 240-44, Pasco County Code of Ordinances allows the authority to bring forth bonded debt for BCC approval. On September 30, 2024, there were several series of industrial revenue and industrial development bonds outstanding, with an aggregate principal balance of \$26.4 million.

**PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

8. LONG-TERM LIABILITIES (CONTINUED)

F. Other Long-Term Liabilities Information (Continued)

Section 2-257, Pasco County Code of Ordinances established the Pasco County Housing Finance Authority for the purpose carry out the objectives of 420.9076(4), Florida Statue. Section 2-262, Pasco County Code of Ordinances allows the authority to bring forth bonded debt for BCC approval. On September 30, 2024, the Pasco County Housing Finance Authority, a discretely presented component unit, had various housing revenue bonds outstanding, with an aggregate principal balance of \$150 million.

The Educational Facilities Authority was established to ensure the youth of Pasco County have the best opportunity to learn and develop despite the shortage of education facilities. As of September 30, 2024, the Educational Facilities Authority had educational revenue bonds outstanding, with an aggregate principal balance of \$60 million.

Section 50-51, Pasco County Code of Ordinances established the Health Facilities Authority. The purpose of this authority is to assist health facilities in the acquisition, construction, financing, and refinancing of their projects with the County. On September 30, 2024, various revenue bonds were outstanding, with an aggregate principal balance of \$641 million.

9. DUE FROM TAMPA BAY WATER

In May, 1998, the County, along with the counties of Hillsborough and Pinellas, and the cities of New Port Richey, St. Petersburg and Tampa, entered into an interlocal agreement to reorganize the West Coast Regional Water Supply Authority (the "Authority") from which the County purchased the majority of its water. In October 1998, the Authority was reorganized under the new name of Tampa Bay Water, a Regional Water Supply Authority. As part of this agreement, each party conveyed certain assets (consisting primarily of land, equipment, and water rights) to the Authority in exchange for credits to be applied against the cost of purchased water over the next 30 years. These credits are applied on a monthly basis, with interest (4.865%) compounded semi-annually.

Pasco County conveyed 6.328 acres at the North Pasco Wellfield, its production capacity at the North Pasco and Starkey Wellfields, and its equity in the Regional System and Cypress Creek Wellfield for a net amount of \$32,235,683 (\$3,000,000 in cash and \$29,235,683 recorded as due from other governments, a receivable that will be received in the form of credits as noted above).

These credits are recognized as a reduction of the cost of purchased water as the credits are received from the Authority. These deferred credits are recorded in the Water and Wastewater Fund.

The amount outstanding at September 30, 2024 totaled \$6,638,756 and is receivable in future fiscal years as follows:

<u>Fiscal Year</u>	<u>Credits</u>
2025	\$ 1,539,583
2026	1,617,024
2027	1,698,361
2028	1,783,788
Total Credits	<u>\$ 6,638,756</u>

**PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

11. LANDFILL CLOSURE AND LONG-TERM CARE COSTS – SOLID WASTE DISPOSAL AND RESOURCE RECOVERY SYSTEM OPERATIONS

State and federal laws require that Pasco County place a final cover on its landfill sites when it stops accepting waste and that these sites be monitored for 30 years after closure. Although closure and long-term care costs will be paid only near or after the date that the landfills stop accepting waste, the County reports a portion of these costs as an operating expense in each period based on landfill capacity used as of the balance sheet date.

For the year ending September 30, 2024, the combined liability for landfill closure and post-closure costs increased by \$5,318,312. The accrued costs of closure and long-term care as of September 30, 2024, totaled \$26,471,097. The estimated total current costs of closure and long-term care remaining to be recognized are \$9,451,450 and \$17,019,648 respectively. Amounts related to cost are based on an estimate by the County consulting engineer of the cost to perform all closures and long-term care as of September 30, 2024. Actual costs may be higher due to inflation.

The amounts in escrow at September 30, 2024 include \$15,416,539 for closure and \$23,010,406 for long-term care. The total escrow balance of \$43,037,293 is reported as restricted cash in the Solid Waste Disposal and Resource Recovery System Fund to fund post-closure costs of the West Pasco Class III, West Pasco Class I-SW-I and SW-II, West Pasco Class I – AI, AII, AIII, and AIV, and East Pasco landfills.

The County is required by state and federal laws to make annual contributions to an escrow account to meet financial assurances requirements. At September 30, 2024, the County has funded the total accrual liability for closure and long-term care at approximately 162.58% with restricted investments of \$43,037,293 held for this purpose.

In the event that the annual escrow contribution and interest earnings prove to be inadequate due to inflation, changes in technology, or additional closure and long-term requirement, these costs may need to be covered by charges to future landfill users.

The capacity utilized and estimated remaining useful life for each of the County's landfills is as follows:

Landfills	Capacity Utilized	Estimated Remaining Life (Years)
East Pasco Class I (13 and 107 acres)	100.00%	-
West Pasco Class I - AI, AII, AIII, AIV	54.16%	17
West Pasco Class III	68.41%	8
West Pasco Class I - SW-I and SW-2	54.65%	10

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

12. POLLUTION REMEDIATION

GASB 49 provides guidance for estimating and reporting the potential costs of pollution remediation. While GASB 49 does not require the County to search for pollution, it does require the County to reasonably estimate and report a remediation liability when any of the following obligating events has occurred:

- Pollution poses an imminent danger to the public and the County is compelled to take action;
- The County is in violation of a pollution related permit or license;
- The County is named or has evidence that it will be named as a responsible party by a regulator;
- The County is named or has evidence that it will be named in a lawsuit to enforce a cleanup; or
- The County commences or legally obligates itself to conduct remediation activities.

Site investigation, planning and design, cleanup and site monitoring are typical remediation activities under way in the County. The County has knowledge and expertise to estimate the remediation obligations presented herein based upon prior experience in identifying and funding similar remediation activities. The standard requires the County to calculate pollution remediation liabilities using the expected cash flow technique. Where the County cannot reasonably estimate a pollution remediation obligation, it does not report a liability; however, the County has not identified any of these situations.

The remediation obligation estimates that appear in this report are subject to change over time. Cost may vary due to price fluctuations, changes in technology, changes in potential responsible parties, results of environmental studies, changes to statutes or regulations and other factors that could result in revisions to these estimates. Prospective recoveries from responsible parties may reduce the County's obligation. Capital assets may be created when pollution remediation outlays are made under specific circumstances.

As of September 30, 2024, the County has not been named as a responsible party in a lawsuit to enforce a cleanup nor is it aware of any other conditions requiring pollution remediation

FOR THE YEAR ENDED SEPTEMBER 30, 2024**

13. EMPLOYEE RETIREMENT PLANS

Defined Benefit Plans

Pasco County participates in two defined benefit pension plans that are administered by the State of Florida, Department of Management Services, Division of Retirement. The plans provide retirement, disability or death benefits to retirees or their designated beneficiaries. Chapter 121, Florida Statutes, establishes the authority for benefit provisions. Changes to the law can only occur through an act of the Florida Legislature. The State of Florida issues a publicly available financial report that includes financial statements and required supplementary information for the plans. That report is available from the Florida Department of Management Services' website (www.dms.myflorida.com).

The Florida Retirement System (FRS) Pension Plan is a cost-sharing, multiple-employer defined benefit pension plan with a Deferred Retirement Option Program (DROP) available for eligible employees. The FRS was established and is administered in accordance with Chapter 121, Florida Statutes. Retirees receive a lifetime pension benefit with joint and survivor payment options. FRS membership is compulsory for employees filling regularly established positions in a state agency, county agency, state university, state college, or district school board, unless restricted from FRS membership under Sections 121.053 or 121.122, Florida Statutes, or allowed to participate in a defined contribution plan in lieu of FRS membership. Participation by cities, municipalities, special districts, charter schools and metropolitan planning organizations is optional.

The Retiree Health Insurance Subsidy (HIS) Program is a cost-sharing, multiple-employer defined benefit pension plan established and administered in accordance with Section 112.363, Florida Statutes. The benefit is a monthly payment to assist retirees of the state-administered retirement systems in paying their health insurance costs. To be eligible to receive a HIS benefit, a retiree under a state administered retirement system must provide proof of eligible health insurance coverage, which can include Medicare.

Benefits Provided

Benefits under the FRS Pension Plan are computed on the basis of age and/or years of service, average final compensation, and service credit. Credit for each year of service is expressed as a percentage of the average final compensation. For members initially enrolled before July 1, 2011, the average final compensation is the average of the five highest fiscal years' earnings; for members initially enrolled on or after July 1, 2011, the average final compensation is the average of the eight highest fiscal years' earnings. The total percentage value of the benefit received is determined by calculating the total value of all service, which is based on the retirement plan and/or class to which the member belonged when the service credit was earned.

Eligible retirees and beneficiaries receive a monthly HIS payment equal to the number of years of service credited at retirement multiplied by \$7.50. The minimum payment is \$45 and the maximum payment is \$150 per month, pursuant to Section 112.363, Florida Statutes.

**PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

13. EMPLOYEE RETIREMENT PLANS (CONTINUED)

Contributions

The contribution requirements of plan members and the employer are established and may be amended by the Florida Legislature. Employees are required to contribute 3.00% of their salary to the FRS Pension Plan. The employer's contribution rates as of September 30, 2024, were as follows:

	<u>FRS</u>	<u>HIS</u>
Regular Class	11.51%	2.00%
Special Risk	30.61%	2.00%
Senior management service class	32.46%	2.00%
County, city, special district elected officers	56.62%	2.00%
DROP	19.13%	2.00%

The employer's contributions for the year ended September 30, 2024, were \$65,267,897 to the FRS Pension Plan and \$7,119,388 to the HIS Program.

Pension Liabilities and Pension Expense

In its financial statements for the year ended September 30, 2024, the County reported a liability for its proportionate share of the net pension liability of the FRS Pension Plan and its proportionate share of the net County's proportions of the net pension liabilities were based on its share of contributions to the pension plans relative to the contributions of all participating entities, actuarially determined.

	<u>FRS</u>	<u>HIS</u>	<u>Total</u>
Net pension liability	\$ 432,056,605	\$ 122,628,780	\$ 554,685,385
Proportion at:			
Current measurement date	0.6907%	0.5434%	
Prior measurement date	0.6038%	0.4994%	
Pension expense (benefit)	\$ 75,631,345	\$ 8,453,572	\$ 84,084,917

Deferred Outflows/Inflows of Resources Related to Pensions

At September 30, 2024, the county reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	<u>FRS</u>		<u>HIS</u>	
Description	Deferred Outflows of Resources	Deferred Inflows of Resources	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual	\$ 43,649,317	\$ -	\$ 1,184,064	\$ (235,465)
Changes of assumption	59,217,308	-	2,170,242	(14,517,675)
Net difference between projected and actual earnings on pension plan investments	-	(28,716,729)	-	(44,350)
Changes in proportion and differences between employer contributions and proportionate share of contributions	47,145,034	(16,044,327)	15,524,814	(5,581,417)
Employer contributions subsequent to the measurement date	17,301,595	-	1,900,315	-
Total	<u>\$167,313,254</u>	<u>\$ (44,761,056)</u>	<u>\$ 20,779,435</u>	<u>\$ (20,378,907)</u>

**PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

13. EMPLOYEE RETIREMENT PLANS (CONTINUED)

Deferred Outflows/Inflows of Resources Related to Pensions (continued)

Deferred outflows of resources related to employer contributions paid subsequent to the measurement date and prior to the employer's fiscal year end will be recognized as a reduction of the net pension liability in the reporting period ending September 30, 2025.

Other pension-related amounts reported as deferred outflows of resources and deferred inflows of resources will be recognized in pension expense as follows:

<u>Year Ended September 30,</u>	<u>FRS</u>	<u>HIS</u>
2025	\$ 2,371,604	\$ 1,278,581
2026	78,752,066	393,227
2027	13,255,371	(1,432,790)
2028	5,640,061	(1,013,622)
2029	5,231,500	(536,015)
Thereafter	-	(189,169)
	<u>\$ 105,250,602</u>	<u>\$ (1,499,788)</u>

Actuarial Assumptions

The total pension liability for each of the defined benefit plans was measured as of June 30, 2024. The total pension liability for both the FRS Pension Plan and for the HIS Program were determined by actuarial valuations dated July 1, 2024. The individual entry age actuarial cost method was used for each plan, along with the following significant actuarial assumptions:

	<u>FRS</u>	<u>HIS</u>
Inflation	2.40%	2.40%
Salary increases	3.50%	3.50%
Investment rate of return	6.70%	N/A
Discount rate	6.70%	3.93%

Mortality assumptions for both plans were based on the PUB-2010 base tables projected generationally with Scale MP-2021.

For both plans, the actuarial assumptions were based on the results of an actuarial experience study of the FRS for the period July 1, 2018, through June 30, 2023.

The following changes in key actuarial assumptions occurred in 2024:

FRS and HIS:

- The payroll assumed growth rate, including inflation, increased from 3.25% to 3.50%.

**PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

13. EMPLOYEE RETIREMENT PLANS (CONTINUED)

Actuarial Assumptions (Continued)

HIS:

- The municipal bond index rate and the discount rate used to determine the total pension liability increased from 3.65 % to 3.93%.

The long-term expected investment rate of return for the FRS Pension Plan was not based on historical returns, but instead was based on a forward-looking capital market economic model developed during 2020 by an outside investment consultant to the Florida State Board of Administration. Each asset class assumption is based on a consistent set of underlying assumptions and includes an adjustment for the inflation assumption of 2.40%.

For the FRS Pension Plan, the table below summarizes the consulting actuary's assumptions based on the long-term target asset allocation.

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Annual Arithmetic Return</u>	<u>Compound Annual (Geometric) Return</u>	<u>Standard Deviation</u>
Cash	1.0%	3.3%	3.3%	1.1%
Fixed income	29.0%	5.7%	5.6%	3.9%
Global equity	45.0%	8.6%	7.0%	18.2%
Real estate	12.0%	8.1%	6.8%	16.6%
Private equity	11.0%	12.4%	8.8%	28.4%
Strategic investments	2.0%	6.6%	6.2%	8.7%
Totals	100.0%			
Assumed Inflation - Mean			2.4%	1.5%

Discount Rate

The discount rate used to measure the total pension liability for the FRS Pension Plan was 6.70%. FRS' fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the discount rate for calculating the total pension liability is equal to the long-term expected rate of return.

Because the HIS Program is essentially funded on a pay-as-you-go basis and the depletion date is considered to be immediate, a municipal bond rate of 3.93% was used to determine the total pension liability for the program. The Bond Buyer General Obligation Bond 20-Bond Municipal Bond Index was used as the applicable municipal bond index.

13. EMPLOYEE RETIREMENT PLANS (CONTINUED)

Sensitivity Analysis

The following tables demonstrate the sensitivity of the net pension liability to changes in the discount rate. The sensitivity analysis shows the impact to the employer's proportionate share of the net pension liability if the discount rate was 1.00% higher or 1.00% lower than the current discount rate.

	FRS		
	Current		
	1% decrease 5.70%	Discount Rate 6.70%	1% increase 7.70%
Employer's proportionate share of the net pension liability	\$ 759,972,440	\$ 432,056,605	\$ 157,357,541

	HIS		
	Current		
	1% decrease 2.93%	Discount Rate 3.93%	1% increase 4.93%
Employer's proportionate share of the net pension liability	\$ 139,597,106	\$ 122,628,780	\$ 108,542,327

Pension Plans' Fiduciary Net Position

Detailed information about the pension plans' fiduciary net position is available in the State's separately issued financial reports.

Defined Contribution Plan

Pursuant to Chapter 121, Florida Statutes, the Florida Legislature created the Florida Retirement Investment Plan ("FRS Investment Plan"), a defined contribution pension plan qualified under Section 401(a) of the Internal Revenue Code. The FRS Investment Plan is an alternative available to members of the Florida Retirement System in lieu of the defined benefit plan. There is a uniform contribution rate covering both the defined benefit and defined contribution plans, depending on membership class. Required employer contributions made to the plan during the year ended September 30, 2024, totaled \$14,705,150.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

14. OTHER POSTEMPLOYMENT BENEFITS ("OPEB")

A. Plan Description

Pasco County Board of County Commissioners

The Board of County Commissioners defined benefit postemployment healthcare plan, the Group Health Program for Pasco County ("GHPPC"), is a cost-sharing multiple-employer health care plan that primarily provides medical, dental, vision and life insurance benefits (OPEB benefits) to eligible County retirees and their spouses. The Board of County Commissioners and the Constitutional Officers, except the Pasco County Sheriff, participate in GHPPC.

In order to be eligible for benefits an employee must satisfy either normal or early retirement conditions under the Florida Retirement System ("FRS"). The Board of County Commissioners has the authority to establish and amend the benefit provisions of the plan in accordance with Section 110.123, Florida Statutes.

Pasco County Sheriff

The Pasco County Sheriff's Office ("PCSO") operates a single-employer health care plan. Pasco County Sheriff Health Care Plan ("PCSOHP") offers medical and free life insurance paying double the employee's salary, up to \$50,000. The Sheriff provides postretirement healthcare benefits in accordance with Section 110.123, Florida Statutes, to all employees who retire from the employ of the Sheriff. To be eligible for postretirement healthcare benefits, the retiree must have at least six years of service or attain normal retirement age as defined by Social Security. Retirees with more than 6 years of service, but less than 30 years of service, pay 100% of the premium cost to receive postretirement healthcare benefits. Retirees with 30 or more years of service do not pay a premium to receive postretirement healthcare benefits; however, they surrender their monthly state subsidy of \$150 per month.

Pasco County Clerk & Comptroller

As of October 1, 2019 The Pasco County Clerk & Comptroller's Office ("PCCC") offers coverage under the Board of County Commissioners health care program. They do offer a separate single-employer self-funded health care plan ("PCCCHP") that offers dental, vision and life insurance benefits (OPEB benefits) to eligible retirees and their dependents. In order to be eligible for benefits, a Clerk & Comptroller's Office employee must satisfy either normal or early retirement conditions under the Florida Retirement System ("FRS"). Authority to establish and amend the benefit provisions of the plan is in accordance with Section 110.123, Florida Statutes.

B. Summary of Membership Information

The following table provides a summary of the number of participants in the OPEB Plans as of the measurement date (October 1, 2023):

	<u>GHPPC</u>	<u>PCSOHP</u>	<u>PCCCHP</u>
Retirees and Beneficiaries Receiving Benefits	139	274	164
Active Plan Members	3,652	988	284
Total	<u>3,791</u>	<u>1,262</u>	<u>448</u>

**PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

14. OTHER POSTEMPLOYMENT BENEFITS ("OPEB") (CONTINUED)

B. Summary of Membership Information (Continued)

The County follows the provisions of Governmental Accounting Standards Board Statement No. 75 ("GASB 75"). All plans are not administered as formal trusts, nor are they an equivalent arrangement as of September 30, 2024, and, as such, the plans must follow the accounting and reporting requirements of an agent multi-employer retirement plan. Separate financial statements are not prepared for the three other postemployment benefit plans. As the plans are not administered through a trust the Plan Fiduciary Net Position for each plan is \$0.

C. Changes in the Total OPEB Plan Liability

The following table shows the change in the County, Sheriff, and Clerk & Comptrollers OPEB Plan Liability for the year:

	<u>2024</u>			
	<u>GHPPC</u>	<u>PCSOHP</u>	<u>PCCCHP</u>	<u>Total</u>
Service Costs	\$ 1,612,101	\$ 1,129,871	\$ 132,886	\$ 2,874,858
Interest on Total OPEB Obligation	1,355,987	1,074,087	204,465	2,634,539
Changes in assumptions and other inputs	7,071,915	9,011,699	258,448	16,342,062
Benefit Payments	<u>(1,522,198)</u>	<u>(1,095,206)</u>	<u>(287,906)</u>	<u>(2,905,310)</u>
Net change in Total OPEB Liability	8,517,805	10,120,451	307,893	18,946,149
Total OPEB Liability, Beginning	<u>29,958,689</u>	<u>23,822,912</u>	<u>4,656,443</u>	<u>58,438,044</u>
Total OPEB Liability, Ending	<u><u>\$ 38,476,494</u></u>	<u><u>\$ 33,943,363</u></u>	<u><u>\$ 4,964,336</u></u>	<u><u>\$ 77,384,193</u></u>

D. Actuarial Valuation Date

For employee and retiree population purposes and or development of per capita cost purposes and for valuation purposes, October 1, 2023, was the actuarial valuation date.

E. Actuarial Methods and Assumptions

Actuarial valuations of an ongoing OPEB Plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples of significant assumptions include inflation, healthcare cost trend rates, salary changes, ad hoc postemployment benefit changes and the sharing of benefit-related costs with inactive plan members.

Normal cost and the allocation of benefit values between service rendered before and after the valuation date were determined using the Individual Entry-Age Actuarial Cost Method. The information that was utilized in the OPEB Plan liability calculation was consistent to the salary increase approved by the 2023 FRS Actuarial Assumption Conference used in the, July 1, 2023, actuarial valuation of the Florida Retirement system (FRS).

Demographic assumptions employed in the actuarial valuation were the same as those approved by the 2023 FRS Actuarial Assumption Conference used in the, July 1, 2023, actuarial valuation of the FRS. The demographic assumptions were developed by FRS through an Actuarial Experience Study, and therefore are appropriate for use in the OPEB Plan Actuarial Valuation. Furthermore, the salary assumptions used in the valuation are the same as those used in the July 1, 2023, Actuarial Valuation of the FRS.

**PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

14. OTHER POSTEMPLOYMENT BENEFITS (“OPEB”) (CONTINUED)

E. Actuarial Methods and Assumptions (Continued)

The disabled mortality assumptions used are consistent with the disabled mortality assumptions used for all class members in the July 1, 2023 FRS Actuarial Valuation.

The total OPEB Plan liability actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.40%
Salary Increases	3.40% to 8.20%, including inflation as used in the July 1, 2023 actuarial valuation of the Florida Retirement System
Mortality Rates	Healthy members based on various PUB-2010 base tables, generational mortality using gender-specific MP-2018 mortality improvement projection scale. Disabled Employees based on various PUB-2010 Disabled mortality tables and no projected improvements.

Healthcare cost trend rates were based on the forecasting model built and published in Modeling Long-Term Health Care Cost Trends, sponsored by the Society of Actuaries, and authored by Professor Thomas E. Getzen. The long-term rates reflected 2.40% assumed ultimate inflation rate, 25% resistance level for health care spending as a percent of GDP and a 21-convergence period.

To model the impact of aging, the actuarial study relied on the Society of Actuaries’ 2013 Study “Health Care Costs – From Birth to Death.”

F. Discount Rate

There are no invested plan assets held in trust to finance the OPEB Plan liability. The discount rate used is equal to the tax-exempt municipal bond rated based on an index of 20-year general obligations bonds with an average AA credit rating as of the measurement date. For the purpose of the OPEB Plan valuation, the municipal bond rate was 4.40%, based on the daily rate closest to but not later than the measurement date of the “Fidelity 20-Year Municipal GO AA Index”.

G. Deferred Inflows and Outflows

Pasco County Board of County Commissioners

The County’s annual OPEB expense totaled \$1,876,741 for the fiscal year ended September 30, 2024. At September 30, 2024 the County reported deferred outflows and inflows of resources related to the OPEB Plan liability from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Difference between expected and actual experience	\$ 13,408,438	\$ 6,732,556
Changes in assumptions	2,185,833	18,011,728
Contributions subsequent to the measurement date	1,588,911	-
Total	<u>\$ 17,183,182</u>	<u>\$ 24,744,284</u>

**PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

14. OTHER POSTEMPLOYMENT BENEFITS ("OPEB") (CONTINUED)

G. Deferred Inflows and Outflows (Continued)

The deferred outflows of resources related to pensions totaling \$1,588,911 resulting from County contributions to the OPEB Plan subsequent to the measurement date will be recognized as a reduction of the OPEB Plan liability in the year ended September 30, 2024. Other amounts reported as deferred inflows of resources related to pension will be recognized in pension expense as follows:

<u>Year Ended September 30,</u>	<u>Amount</u>
2025	\$ (2,166,521)
2026	(2,076,815)
2027	(1,269,449)

PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024

15. RISK MANAGEMENT

Self-insurance fund operations have been established to handle the County's worker's compensation, general liability, automobile liability, health claims and the Clerk & Comptroller and Sheriff health claims. The County uses a combination of self-insurance and third-party insurance to protect itself against risks that cannot be eliminated.

The Clerk & Comptroller has an insurance fund that accounts for a self-insured plan for employee group health, dental, vision and prescription drugs. As of September 30, 2024, the insurance fund had \$4,707,059 of available net position to fund claims liabilities. The claims liability of \$340,083 reported in the Statement of Net Position – Proprietary Funds at September 30, 2024 is based on the provisions of GASB Statement No. 10, Accounting and Financial Reporting for Risk Financing and Related Insurance Issues, which requires that a liability for unpaid claims costs, including estimates of costs related to incurred but not reported claims, be accrued when insured events occur.

The Sheriff has an insurance fund that accounts for a self-insured plan for employee group medical and prescription drug coverage. As of September 30, 2024, the insurance fund had a net position of \$13,036,045. At September 30, 2024, the claims liability of \$1,068,305 reported in the Statement of Net Position - Proprietary Funds is based on the provisions of GASB Statement No. 10, Accounting and Financial Reporting for Risk Financing and Related Insurance Issues, which requires that a liability for unpaid claims costs, including estimates of costs related to incurred but not reported claims, be accrued when insured events occur.

The County has worker's compensation insurance with a \$1,000,000 deductible per occurrence for all claims. The County's general liability insurance has \$500,000 retention per claim with \$1,000,000 coverage per occurrence and \$2,000,000 aggregate. Negligence claims in excess of the statutory limits set in Section 768.28, Florida Statutes, which provide for limited sovereign immunity of \$100,000/\$200,000 per occurrence can only be recovered through an act of the State Legislature. Effective October 1, 2011, sovereign immunity limits were increased to \$200,000 per person and \$300,000 per claim for claims incurred after that date.

Settlements have not exceeded coverage in any of the past three fiscal years. All liabilities associated with these self-insured risks are reported in the basic financial statements of the County.

The automobile liability is self-insured.

Almost all funds of the County participate in the worker's compensation, general liability, and automobile liability program and make payments to the County's insurance fund in accordance with cost allocations based upon the level of personnel staffing.

Effective October 1, 2013, the County transitioned to self-insured coverage for medical and other health related benefits for its employees in order to better insulate the County against increasing health care costs. All claims activity associated with the County's self-insured health plan is reported in the County Self Insurance Internal Service Fund. Total outstanding claim liabilities, inclusive of current claims payable and incurred but not reported claims, were \$7,462,980 as of September 30, 2024.

**PASCO COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

15. RISK MANAGEMENT (CONTINUED)

For the year ended September 30, 2024, the County reviewed its historical claims experience for purposes of determining estimates of the total claims and loss reserves for all self-insurance risks. The claim liability of \$21,805,550 reported in the fund at September 30, 2024, of which an estimated \$9,975,196 is due within one year, is based on the provisions of GASB Statement No. 10 which requires that a liability for unpaid claims costs, including estimates of costs related to incurred but not reported claims, be accrued when insured events occur. Changes in the funds claims liability amounts during the past two fiscal years are as follows:

Fiscal Year	Beginning of Fiscal Year Liability	Current Year Claims and Changes in Estimates	Claims Payments	Balance at Fiscal Year End
2023	\$ 20,221,002	\$ 67,233,717	\$ 64,521,759	\$ 22,932,960
2024	\$ 22,932,960	\$ 73,590,956	\$ 74,718,366	\$ 21,805,550

The County had no significant reductions in insurance coverage during the fiscal year ended September 30, 2024. There were no settlements which exceeded the County's insurance coverage in any of the past three fiscal years.

17. DEFICIT FUND EQUITY

The following nonmajor governmental funds had deficit fund balances at September 30, 2024:

HUD Housing and Recovery NSP II (\$302,749): The county continues to work with individuals on loan payment recovery. Any recurring deficit is anticipated to be reduced in future fiscal years.

Project Ledger Grants (\$1,391,234): The county continues to work with various agencies to collect revenues related to expenditures in the prior fiscal year. Any recurring deficit is anticipated to be reduced in future fiscal years.

School Impact Fee (\$3,048): The timing of impact fee-related revenue led to a slight increase in expenditures over revenues for 2024. No continued recurring deficits are anticipated.

Grants (\$3,164,415): The county continues to work with various agencies to collect revenues related to expenditures. This fund experiences timing delays in receiving revenue. Any recurring deficit is anticipated to be reduced in future fiscal years.

Guaranteed Entitlement Loan, Series 2014 (\$386): The county continues to review debt service activities and draw down invested funds to cover necessary expenditures. The remaining deficit is due to expenditures occurring at the end of the fiscal year. No recurring deficits are anticipated in the future fiscal year.

Park Impact Fee (Other) (\$30,254): The County will review the fee to ensure proper funds transfer among capital project funds. No recurring deficits are anticipated in the future fiscal year.

Capital Projects Fund (\$4,063,437): The county will review this fund to ensure proper transfer of capital project funds. No recurring deficits are anticipated in the future fiscal year.

18. COMMITMENTS, CONTINGENCIES AND OTHER MATTERS

General Government Construction Commitments

At September 30, 2024, the County had various contract commitments for general government construction projects totaling approximately \$49.5 million.

Enterprise Funds Commitments

At September 30, 2024, purchase and construction contract commitments in the Enterprise Funds were approximately \$19.2 million. On March 28, 1989, the Board entered into a service agreement with Covanta Pasco, Inc. ("Covanta"), formerly known as Ogden Martin Systems of Pasco, Inc., for the operation and maintenance of the Solid Waste Disposal and Resource Recovery System Facility. The agreement commenced on May 15, 1991 and was extended through the December 31, 2024. Under the updated agreement, Covanta is paid a monthly service fee based on an annual operation and maintenance of the Facility, as defined in the service agreement. For the year ended September 30, 2024, charges to the Board under the service agreement totaled \$25,092,810.

Also, on March 28, 1989 the Board entered into an agreement with Duke Energy (formerly Progress Energy Corporation) wherein the Board sells and Duke Energy purchases the net electrical energy generated from the Solid Waste disposal resource Recovery System Facility. For the year ended September 30, 2024, the Board's power sales to Duke Energy totaled \$36,709,711. Under the terms of the agreement, the Board has committed to having available annually, 23 megawatts of electrical energy for purchase by Duke Energy through December 2024. The capacity of energy committed by the Board is subject to adjustment for the period January 2015 through December 2024, as defined in the agreement.

Grants

All expenditures financed by Federal and State of Florida grants are subject to audit by the granting agencies to determine if such expenditures comply with the conditions of a grant. Management believes that no material liability will arise from any such audits.

Claims and Lawsuits

A number of claims and lawsuits are pending against the County. Based on knowledge of facts, Management believes that the estimated likelihood of current liabilities can be found within the claims payable portion of the financial statements.

The Sheriff is involved as defendant or plaintiff in certain litigations and claims arising from the ordinary course of operations. Funding for any judgments against the Sheriff in excess of available budget funds would be requested from the Board. In the opinion of the Sheriff and legal counsel, the range of potential recoveries or liabilities will not materially affect the financial position of the Sheriff.

In March 2009, a verdict was asserted against the Pasco County Sheriff's office awarding approximately \$8.7 million to the claimant. The Florida statutory sovereign immunity provisions at that time put a cap on damages of \$100,000 and such damages were paid through the Florida Sheriff's Automobile Risk Program (SHARP). However, the claimant pursued the remaining verdict award through a claim bill with the Florida Legislature.

A settlement agreement was reached between the parties in the amount of \$325,000 per year for eight consecutive years, for a total of \$2.6 million. The first payment was made by SHARP in May 2017, with the

18. COMMITMENTS, CONTINGENCIES AND OTHER MATTERS (CONTINUED)

Claims and Lawsuits

remaining years to be paid by the Sheriff's office. The Sheriff's office has made payments in fiscal year 2019 and fiscal year 2020. Payment is due each consecutive year thereafter until paid in full. The annual obligation is to be included in each future year budget allocation. As this obligation will not be paid with current available resources, no liability has been recorded in the accompanying financial statements.

19. FUND BALANCES

The details of the specific purposes of the various categories of fund balance are as follows:

Restricted for Federal or State Law

Provide for 1) various municipal services 2) construction, improvements, and major maintenance of County roads 3) a radio communications system that increases the capability of public entities for intergovernmental communications 4) fire prevention and suppression services 5) maintenance of an enhanced emergency communications system 6) construction of courthouses and court-related buildings and maintenance of court facilities and 7) identification, design and construction of drainage projects and maintenance of various drainage components

Restricted for Impact Fees

Provide for 1) increased capacity for the major road network system 2) additional schools, libraries, and parks and 3) purchase of land and equipment and construction of facilities to assist in providing fire prevention and suppression services

Restricted for Other Purposes-

Provide for 1) modernization of the Clerk's official records system 2) maintenance of facilities for use of the courts 3) a vocational facility for incarcerated aliens and 4) childcare and protective services

Committed by Ordinance or Other

Provide for 1) affordable housing and 2) purchase, planting, and maintenance of native trees throughout the County

Assigned for Other Purposes

Provide for 1) transportation-related capital improvements and 2) purchase of books and equipment and payment of librarian salaries.

20. SUBSEQUENT EVENTS

The County issued the 2024 Bond as a refund of the current refunding Water Sewer Refunding Revenue Bond, Series 2014A and current portion of the Water Sewer Improvement Revenue Bond, Series 2014B. The total amount of this refunding transaction was \$39,795,000.00 with a premium of 4,836,155.45 and it closed on Tuesday December 17, 2024.

In January 2025, the U.S. Department of Housing and Urban Development (HUD) announced that Pasco County will receive a Community Development Block Grant - Disaster Recovery (CDBG-DR) allocation of \$585,704,000.00 to help recovery efforts from the impacts of Hurricanes Helene and Milton. County Administration is actively developing a draft Action Plan as required by HUD, which includes scheduling public meetings for citizen participation and the creation of educational resources on eligible funding options.

Note: The actual result in the provided statement is presented on a budgetary basis, with legal level of control at the department level. Adjustments to convert the result of operations at the end of the year from budgetary basis of accounting to the GAAP basis of accounting are presented above, as well as on page E-14. In accordance with GASB Statement No. 54 the Office of State Courts Admin., Rural Economic and Development Admin., Park Development, Education, Environmental Lands Mgmt., and State Housing Initiatives Partnership Funds no longer met the definition to be reported as separate special revenue funds of the County. As a result, their activities have been combined into the County General Fund for GAAP reporting purposes.

**PASCO COUNTY, FLORIDA
NOTES TO REQUIRED SUPPLEMENTARY INFORMATION
FOR THE YEAR ENDED SEPTEMBER 30, 2024**

Florida Retirement System (FRS) Pension Plan

1. For 2024, the inflation rate assumption, the overall salary increase including inflation, and the long-term expected rate of return remained unchanged.
2. The total pension liability in the July 1, 2024, actuarial valuation was determined using the following actuarial assumptions:

Actuarial Valuation Date	July 1, 2024
Measurement Date	June 30, 2024
Actuarial Cost Method	Individual Entry Age
Asset Valuation Method	Fair Market Value
Assumptions	
Inflation	2.40%
Salary increases including inflation	3.50%
Investment Rate of Return	6.70%
Discount Rate	6.70%
Cost of Living Adjustments	3% for pre-July benefit service; 0% thereafter

Salary increases were based on a service-related table. Mortality rates for active members, retirees, survivors, and disabled annuitants were based on PUB-2010 bases tables, these will vary by member category and sex, projected generationally with Scale MP-2021.

PASCO COUNTY, FLORIDA
NOTES TO REQUIRED SUPPLEMENTARY INFORMATION
FOR THE YEAR ENDED SEPTEMBER 30, 2024

1. The schedules are intended to show information for ten years. However, until a full 10-year trend is compiled, the County will present information for only those years for which information is available.
2. There was a change with respect to actuarial assumptions from the prior year to reflect revised expectations with respect to the discount rate in 2023. The discount rate increased from 2.19% to 4.40%.
3. Methods and assumptions used to determine contribution rates for the most recent year include:
 - a. Valuation date: October 1, 2023
 - b. Inflation: 2.40%
 - c. Discount rate: 4.63%
 - d. Healthcare cost trend rates: Based on Getzen Model starting at 7.0% gradually decreasing to an ultimate rate of 4.0% in 2050.
 - e. Medicare eligibility: All current and future retirees are assumed to be eligible for Medicare at age 65.
 - f. Mortality rate: PUB-2010 base tables, generational mortality using gender-specific MP-2018 mortality improvement projection scale
 - g. Actuarial cost method: Individual Entry-Age
 - h. Amortizations method: The method used to determine the periodic amortization payment maybe a level dollar amount, or a level percent of pay amount. The period will typically be expressed in years, and the method will either be *open* (meaning, reset each year) or *closed* (the number of years remaining will decline each year).

**COMBINING AND INDIVIDUAL FUND
STATEMENTS AND SCHEDULES**

NONMAJOR GOVERNMENTAL FUNDS

DEBT SERVICE FUNDS

MUNICIPAL SERVICES FUND – To account for various municipal services, including Planning & Growth Management, Zoning & Site Development, Code Enforcement, Animal Services, Emergency Services Administration, and Engineering Services that are provided in the unincorporated areas of the County.

BUILDING INSPECTIONS AND PERMITTING FUND – To account for the administration of the Florida Building Code pursuant to Chapter 553.79, Florida Statutes, and in accordance with Chapter 18, Article III (§ 18-40) of County Code of Ordinance.

COUNTY TRANSPORTATION FUND – To account for major and minor maintenance of County roads, bridges, bicycle paths, and sidewalks; roadway and right-of-way maintenance and drainage; traffic signs, traffic engineering, signalization, and pavement markings installation, operation, maintenance, and repair; and street lighting installation, operation, maintenance, and repair. These expenditures are funded by the Two-Cent Constitutional Fuel Tax (Section 206.41 (1)(a), Florida Statutes) , One-Cent County Fuel Tax (Section 206.41(1)(b), Florida Statutes), Six-Cent First Local Option Fuel Tax (Section 336.025(1)(a) , Florida Statutes and Chapter 102, Article III of County Code of Ordinances (§ 102-151)), and One-Cent Ninth-Cent Fuel Tax (Section 206.4 1(1)(d), Florida Statutes and Chapter 102, Article III of County Code of Ordinances (§ 102-160)).

LAW ENFORCEMENT FUND – To account for the proceeds from the sale of forfeited property to be expended for law enforcement purposes such as protracted or complex investigations, additional technical equipment or expertise, or matching funds to obtain federal grants, or other law enforcement purposes, which the Board of County Commissioners deems appropriate in accordance with Section 932.7055, Florida Statutes.

TOURIST DEVELOPMENT TAX FUND – To account for the collection and use of a two percent Tourist Development Tax imposed pursuant to Chapter 102 of County Code of Ordinances (§102-190) and in accordance with Section 125.0104, Florida Statutes.

SPECIAL ASSESSMENT FUND – To account for special assessments levied to finance road improvements deemed to benefit the properties against which the assessments are levied in accordance with Chapter 2, Article IV of the County Code of Ordinances (§ 2-155).

INTERGOVERNMENTAL RADIO COMMUNICATION FUND – To account for money received from the moving violation surcharge for use in providing a radio communications system that allows access to or increases the capability of public entities for intergovernmental communications in accordance with Section 318.21, Florida Statutes. Twelve dollars and fifty cents from each moving traffic violation must be used by the County to fund an intergovernmental radio communication program approved by the Department of Management Services.

RESOURCES AND ECOSYSTEMS SUSTAINABILITY, TOURISM OPPORTUNITIES AND REVIVED ECONOMY (RESTORE) ACT FUND – To account for grant funding for the Gulf Coast Oil Spill to restore, protect, make sustainable use or the natural resources, ecosystems, fisheries, marine habitats, coastal wetlands, and economy of the Gulf Coast. On October 19, 2012, Pasco County entered into a Consortium Interlocal Agreement with the other 22 gulf coast counties in Florida, and this fund accounts for the grant funding received through the RESTORE Act.

NONMAJOR GOVERNMENTAL FUNDS

DEBT SERVICE FUNDS

FEDERAL FORFEITURE FUND – The Department of Justice Asset Forfeiture Program is a nationwide law enforcement initiative that removes the tools of crime from criminal organizations, deters crime and deprives wrongdoers of their criminal proceeds, and recovers property that may be used to compensate victims. Equitable sharing further enhances the law enforcement mission by fostering cooperation among federal, state, and local law enforcement agencies. Federal law authorizes the Attorney General to share federally forfeited property with participating state and local law enforcement agencies. The exercise of this authority is discretionary and limited by statute. The Attorney General is not required to share property in any case.

QUAIL HOLLOW VILLAGE MSBU FUND – To account for special assessments levied to finance services provided for the common area of the unit, created at the request of the residents. This fund is in accordance with Chapter 98 of the County Code of Ordinance (§ 03-41) adopted in December of 2003.

MUNICIPAL FIRE SERVICE UNIT FUND – To account for fire prevention and suppression services provided to properties within municipal fire service area of the County (Ordinance 79-8 and 01-012).

CRIMINAL JUSTICE (FDLE) FUND – To account for Byrne grants for the Sheriff's Office and Clerk & Comptroller's Office in accordance with Section 943.25, Florida Statutes.

HUD HOUSING AND RECOVERY NEIGHBORHOOD STABILIZATION PROGRAM (NSP) (II AND III) FUND – To account for the second and third editions of NSP grant funds to be used for neighborhood stabilization programs to combat the effects of home foreclosures.

AMERICAN RECOVERY AND REINVESTMENT ACT FUND – To account for funds obtained by the Act enacted by Congress on February 17, 2009, to stimulate the economy.

HUD HOUSING AND RECOVERY FUND – To account for Neighborhood Stabilization Program (NSP) funds to be used for the purchase and redevelopment of foreclosed and abandoned homes to stabilize communities with Pasco County.

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT (HUD) FUND – To account for the provision of infrastructure improvements, public facilities, parks and recreation improvements, housing assistance and other activities, which are related to improvements of moderate-to-low income areas of the County; to account for the provision of emergency shelters for the County's homeless; and to account for the Rental Rehabilitation Program, which provides grants to property owners to improve rental property provided to lower income families.

DEPARTMENT OF COMMUNITY AFFAIRS GRANTS FUND – To account for the maintenance of local emergency plans and implementation procedures through the Emergency Management Assistance Program; to account for housing rental assistance provided to qualified citizens of the County.

NONMAJOR GOVERNMENTAL FUNDS

DEBT SERVICE FUNDS

DEPARTMENT OF TRANSPORTATION FUND – To account for the transportation planning process as approved by the Florida State Department of Transportation, the purchase of certain equipment used in the Pasco County Transportation System, the provision of capital equipment as it relates to the transportation disadvantaged, and the provision of improvements for intermodal access to U.S. 19. This fund is in accordance with Section 341.052, Florida Statutes.

HOME PROGRAM FUND – To account for the expansion and supply of decent, safe, sanitary, and affordable housing for low-income residents of Pasco County.

PROJECT LEDGER GRANTS FUND – To account for various grants not otherwise displayed separately.

DIVISION OF LIBRARY SERVICES FUND – To account for grants received to improve the capabilities of the public library system.

U.S. DEPARTMENT OF JUSTICE FUND – To account for assistance provided to the Sheriff for certain law enforcement activities and the purchase of equipment.

PUBLIC TRANSPORTATION FUND – To account for the provision of para-transit services and the undertaking of a non-urbanized area public transportation project consisting of operating assistance for the transportation system, to account for the operating requirements related to an urban transportation demand response and the purchase of equipment, and to account for the completion of a locally-adopted Transit Development program.

DEPARTMENT OF CHILDREN AND FAMILIES FUND – To account for grants received to improve or enhance pre-hospitalization emergency medical services. This fund is in accordance with Chapter 39, Florida Statutes.

ELDERLY NUTRITION FUND – To account for congregate and home delivered meals, nutrition education services, and outreach services provided to citizens of the County, who are 60 years of age and older. This fund is in accordance with Chapter 430, Florida Statutes.

DEPARTMENT OF HOMELAND SECURITY FUND – To account for those funds received from the Department of Homeland Security used for enhancement of safety and security issues for the protection of County citizens. This fund is in accordance with Chapter 943, Florida Statutes.

DEPARTMENT OF ENVIRONMENTAL PROTECTION FUND – To account for the grant portion of services for the Jumping Gully Preserve Grant and the Florida Communities Trust. This fund is in accordance with Chapter 403, Florida Statutes.

U.S. ENVIRONMENTAL PROTECTION AGENCY FUND – To account for grant funds received from the U.S. Department of Environmental Protection for the Brownfield's Coalition Assessment Grant.

AFFORDABLE HOUSING FUND – To account for funds related to development orders for affordable housing.

WILLIAMSBURG WEST MUNICIPAL SERVICE TAXING UNIT (MSTU) FUND – To account for services provided within the confines of the service unit.

NONMAJOR GOVERNMENTAL FUNDS

DEBT SERVICE FUNDS

911 EMERGENCY SERVICES FUND – To account for the maintenance of an enhanced emergency communications system that links ambulance, law enforcement, and fire dispatching service for the County and all cities within the County. This fund is in accordance with Sections 365.127-173, Florida Statutes.

FLORIDA BOATING AND IMPROVEMENT FUND – To account for the improvement of boating facilities to include docks, channel markers, restrooms, sidewalks, and those items which improve facilities for boating or boaters. This fund is in accordance with Section 328.72(15), Florida Statutes.

U.S. 19 CONCURRENCY FUND – To account for impact fees charged to new construction activity near U.S. 19 under the County's New Development Fair Share Contribution for Road Improvement Ordinance (04-07). These fees will assist in providing increased capacity for U.S. 19 to accommodate the increased demand. This fund is in accordance with Chapter 163, Florida Statutes.

TRANSPORTATION IMPACT FEE (WEST AND EAST) FUNDS – To account for impact fees charged to new construction activity in the County under the County's New Development Fair Share Contribution for Road Improvements Ordinance. These fees will assist in providing increased capacity for the major road network system to accommodate the increased demand and is in accordance with Chapter 78 of the County Code of Ordinances.

TAX INCREMENT VOPH FUND - To account for the tax increment financing revenues in the Village of Pasadena Hills (VOPH) area established by Chapter 2, Article VI of the Pasco County Code of Ordinances Section 2-334. The ordinance requires the tax increment revenue to be earmarked for transportation capital improvements, reduction of any indebtedness for VOPH transportation capital improvements, VOPH transportation operation and maintenance expenses, or other public facilities or programs that benefit VOPH. This fund's revenues are a subset of, and not in addition to, the Multi-Modal Tax Increment Fund.

GULF HARBORS PARK MUNICIPAL SERVICE BENEFIT UNIT (MSBU) FUND – To account for services provided within the confines of the service unit. Resolution 22-07 established the MSBU to account for the levy of non-ad valorem assessments.

FLORIDA OPIOID ALLOCATION FUND – To account for settlement funding received because of the local crisis that arose from the result of manufacturer, distribution and over prescribing of opioid analgesics. Resolution 21-266 established the composition of the Opioid Task Force to allocate settlement funding to address the opioid epidemic.

SCHOOL IMPACT FEES FUND – To account for impact fees charged to new construction activity. These fees will assist in providing for additional schools to accommodate the growth in the County and is in accordance with Chapter 78 of the County Code of Ordinances and Section 1302.3, Land Development Code.

HIGHLANDS MSBU FUND – To account for non-ad valorem assessments based on an equivalent residential unit (ERU) of impervious service area. Funds are used for street and road improvements. This fund is in accordance with Section 125.01(q r), Florida Statutes and County Ordinances (§ 16 04).

NONMAJOR GOVERNMENTAL FUNDS

DEBT SERVICE FUNDS

COURT FACILITIES IMPROVEMENT 939.185 F.S. FUND – To account for additional court costs assessed to any person pleading guilty or nolo contendere to, or found guilty of, any felony, misdemeanor or criminal traffic offense under the laws of the State, so long as the person has the ability to pay and will not be prevented from making restitution or other compensation to victims or from paying child support. Pursuant to Florida Statutes 939.18, a court may assess up to \$150 in additional court costs which may be used for the construction of courthouses and court-related buildings and for maintenance or repair of court facilities, exclusive of janitorial or custodial services. This was modified in the 2004 legislative session to include a surcharge of up to \$15 for any infraction or violation if passed by ordinance. The Board of County Commissioners passed this ordinance on June 8, 2004.

ALCOHOL AND OTHER DRUG ABUSE FUND – To account for additional court costs assessed against any person found guilty of a misdemeanor involving illegal use of alcohol or drugs. The additional money is to be allocated to local drug and alcohol abuse treatment programs. This fund is in accordance with Section 938.23, Florida Statutes.

TEEN COURT FUND – To account for additional court costs assessed to any person pleading guilty or nolo contendere to, or convicted of, regardless of adjudication, a violation of a state criminal statute or a county ordinance, or who pays a fine or civil penalty for any violation of Chapter 316, Florida Statutes. Any person whose adjudication is withheld pursuant to the provisions of Chapter 313.14(9) or (10), Florida Statutes, shall also be assessed such cost. Pursuant to Chapter 938.19, Florida Statutes, the circuit and county court shall assess a sum of \$3 in additional court costs, which may be used to provide services to an array of youth referred from law enforcement agencies, the state attorney, the sheriff, county schools and the court system.

JUVENILE PROGRAM FS 939.185 FUND - To account for funding received from the Juvenile Arbitration Program, as governed by Florida Statute 939.185. The program receives 25% of the \$65 fee imposed when a person pleads guilty or nolo contendere to, or is found guilty of any misdemeanor, delinquent act, or criminal traffic offense. Any unspent program funds at the end of the fiscal year will be transferred to the Court Innovations program.

PLANTATION PALMS MSBU FUND – To account for non-ad valorem assessments based on an equivalent residential unit (ERU) of impervious service area. Funds are used to alleviate flooding, help design and construct drainage projects and maintain various drainage components. This fund is in accordance with Section 125.01(q r), Florida Statutes and County Ordinances (§ 15 03).

PROJECT ARTHUR TIF – To account for the tax increment financing revenues in the Project Arthur area. The tax increment revenue is earmarked for transportation capital improvements, reduction of any indebtedness for Project Arthur transportation capital improvements, Project Arthur transportation operation and maintenance expenses, or other public facilities or programs that benefit Project Arthur.

MULTI-MODAL TRANSPORTATION FUND – To account for the finance or refinance of transportation capital improvements, transportation capital expenses, and transportation operation and maintenance expenses. This fund receives 33.33% of tax increment revenues from the General Fund to pay for these expenses. This fund is in accordance with Chapter 2, Article VI, of the County Code of Ordinances (§ 2-331).

NONMAJOR GOVERNMENTAL FUNDS

DEBT SERVICE FUNDS

TRILACOOCHEE REDEVELOPMENT FUND – To account for the tax increment financing revenues in the Lacoochee/Trilby Redevelopment Area established by Chapter 2, Article VI of the Pasco County Code of Ordinances No. 13-22. The Ordinance requires the tax increment revenue to be earmarked for essential infrastructure including transportation, building, utility, and park infrastructure.

FIRE IMPACT FEE FUND – To account for impact fees charged to new construction activity. These fees will be used to purchase land and equipment and to build facilities, which will assist in providing fire prevention and suppression services to accommodate the growth in the County. This fund is in accordance with Chapter 78 of the County Code of Ordinances and Section 1302.6, Land Development Code.

PARK IMPACT FEE (WEST, CENTRAL, AND EAST) FUNDS – To account for impact fees charged to new construction activity. These fees will assist in providing additional parks to accommodate the growth in the County. These funds are in accordance with Chapter 78 of the County Code of Ordinances and Section 1302.4, Land Development Code.

RESCUE IMPACT FEE FUND – To account for impact fees charged to new construction activity. These fees will assist in rescue services to accommodate the growth in the County. This fund is in accordance with Chapter 78, Article II of the County Code of Ordinances and included in Section 1302.5, Land Development Code.

LIBRARY IMPACT FEE FUND – To account for impact fees charged to new construction activity. These fees will assist in providing additional libraries to accommodate the growth in the County. This fund is in accordance with Chapter 78, Article II, of the County Code of Ordinances and included in Section 1302.5, Land Development Code.

INMATE WELFARE FUND – To account for fiscal activity associated with the trust held by the county for the benefit and welfare of inmates incarcerated in correctional facilities operated by the County. The fund is established in accordance with 951.23 (9), Florida Statutes.

AMERICAN RESCUE PLAN ACT (ARPA) FUND – To account for funding received from the American Rescue Plan Act of 2021. To assist in the recovery from the economic and health effects of the COVID-19 pandemic.

HURRICANE MITIGATION FEE FUND – To account for hurricane shelter retrofitting and traffic management services in Pasco County. This fund is included in part of Section 1302.7, Land Development Code

GRANT FUND – To account for funding the various grant related activity performed within Pasco County.

STORMWATER MANAGEMENT FUND – To account for Non-Ad Valorem assessments based on an equivalent residential unit (ERU) of impervious service area. Funds are used to identify, design, and construct drainage projects and maintain various drainage components. This fund is in accordance with Chapter 125, Florida Statutes, and Chapter 110 of the County Code of Ordinances (§ 110-372).

CAPITAL PROJECTS FUNDS

PENNY FOR PASCO FUND (ECONOMIC GROWTH, PUBLIC SAFETY, ENVIRONMENTAL LANDS, TRANSPORTATION INFRASTRUCTURE) FUNDS– A Local Option Sales Surtax was passed by Pasco County voters on March 9, 2004, and became effective on January 1, 2005, to December 31, 2014. The Penny was passed again on November 6, 2012, to remain in effect until December 31, 2024. Proceeds are divided amongst the Pasco County School Board, local municipalities and Pasco County Government. Pasco County's proceeds of the Local Option Sales Surtax are distributed as follows: 40% for transportation improvements and to address traffic congestion, 20% for the acquisition of environmentally sensitive lands, 20% for improving public safety and 20% for economic development.

BOARD CAPITAL IMPROVEMENTS FUND – To account for the construction costs of renovations, additions, or new construction of various government facilities of diverse types and uses. Financing is provided through operating transfers from several funds, federal and state grants, the sale of bonds, and the interest revenue earned. This fund is in accordance with Chapter 2, Article IV, of the County Code of Ordinances.

NONMAJOR GOVERNMENTAL FUNDS

CAPITAL PROJECTS FUNDS

SUNLAKE PROJECT, SERIES 2021 FUND – To account for the refunding of the 2020 SIB Bond of \$23.4 million. Additional proceeds of \$74 million account for the construction costs of renovations, additions, and new construction for the Sunlake Blvd road construction project.

SECOND LOCAL OPTION FUEL TAX FUND – revenue received from the six-cent gas tax funds and 80% of the two-cent constitutional gas tax. The Local Option Gas Tax (LOGT) was first levied September 1, 1983, for two-cents; a third and fourth cent levied September 1, 1984; and a fifth and sixth cent levied on September 1, 1986. This revenue is used to finance certain road improvements, road maintenance and construction, and road related drainage facilities. Local governments may pledge the LOGT to secure the payment of bonds. In 1993, the Florida Legislature authorized an additional five cents of LOGT on motor fuel, which the Board of County Commissioners (BCC) has not adopted, and a new ninth cent of LOGT on motor fuel and special fuel. On January 1, 1994, special fuel became subject to the ninth cent per gallon in every County of the State. On June 18, 2002, the BCC adopted the levy of the remaining revenue from the ninth-cent gas tax. Effective January 1, 2003, the ninth-cent fuel tax was provided for a maintenance crew to help maintain the County's rapidly growing road network.

LIBRARIES PROJECTS GO BOND, SERIES 2021A FUND – To account for the construction costs of renovations, additions, or new construction of various government facilities of diverse types and uses. Financing is provided through acquisition of the voter approved General Obligation Bonds.

CAPITAL IMPROVEMENTS PLAN PROJECTS FUND – This is the fund used to account for capital improvement plan projects utilizing noncapital funding sources.

SHERIFF PROJECTS GO BOND, SERIES 2021B FUND – Account for the construction costs of renovations, additions, or new construction of various government facilities of diverse types and uses. Financing is provided through acquisition of the voter approved General Obligation Bonds.

PARKS PROJETS GO BOND 2022A – to finance a portion of the design, construction, reconstruction, renovation, expansion, improving and equipping of parks and recreation facilities located in one or more places within the County.

DETENTION CENTER PROJECTS 2022C – To finance, refinance and/or reimburse the costs of the capital improvements of the County, including without limitation the design, construction, reconstruction, renovation, expansion, improving and equipping of county jail facilities located in one or more places within the County.

FIRE-RESCUE PROJECTS 2020A GO BOND FUND – Account for the construction costs of renovations, additions, or new construction of various government facilities of diverse types and uses. Financing is provided through acquisition of the voter approved General Obligation Bonds.

PARK PROJECTS GO BOND, SERIES 2020A FUND – Proceeds created by the issuance of the \$7,920,000.00 taxable Parks revenue bond series 2020A. Total proceeds deposited into the project fund were \$7,865,000.00 to additional capital projects within Starkey Ranch District Park and Sunwest Park.

NONMAJOR GOVERNMENTAL FUNDS

CAPITAL PROJECTS FUNDS

VILLAGES OF PASADENA HILLS (VOPH) TRANSPORTATION FUND – To account for the portion of the countywide 33.3% home rule tax increment revenues and the amount equivalent to 24% of the mobility fees and mobility fee surcharges that are generated from the real property in the Villages of Pasadena Hills Dependent District and earmarked for transportation improvements that benefit the Villages of Pasadena Hills, including the planned I-75/Overpass Road interchange. This fund is in accordance with Chapter 2, Article IV, of the County Code of Ordinances (§ 2-334).

PENNY JEO TRUST FUND – A Local Option Sales Surtax was passed by Pasco County voters on March 9, 2004, and became effective on January 1, 2005, to December 31, 2014. The Penny was passed again on November 6, 2012, to remain in effect until December 31, 2024. Proceeds are divided amongst the Pasco County School Board, local municipalities, and Pasco County Government. A percentage of the Penny proceeds are used to establish and fund the Jobs and Economic Development Trust Fund for the purpose of improving the local economy through incentivizing economic development.

PENNY PUBLIC SAFETY FUND – A Local Option Sales Surtax was passed by Pasco County voters on March 9, 2004, and became effective on January 1, 2005, to December 31, 2014. The Penny was passed again on November 6, 2012, to remain in effect until December 31, 2024. Proceeds are divided amongst the Pasco County School Board, local municipalities, and Pasco County Government. A percentage of the Penny proceeds are used for public safety infrastructure. Proceeds for public safety are shared 50/50 between the Pasco County Fire Rescue and Sheriff's Office.

PENNY ENVIRONMENTAL LANDS FUND – A Local Option Sales Surtax was passed by Pasco County voters on March 9, 2004, and became effective on January 1, 2005, to December 31, 2014. The Penny was passed again on November 6, 2012, to remain in effect until December 31, 2024. Proceeds are divided amongst the Pasco County School Board, local municipalities, and Pasco County Government. A percentage of the Penny proceeds are used for the acquisition of environmentally sensitive lands for conservation purposes and/or to protect the County's natural resources, including less than fee simple land acquisitions, conservation easements, purchase of development rights, etc.

PENNY TRANSPORTATION INFRASTRUCTURE FUND – A Local Option Sales Surtax was passed by Pasco County voters on March 9, 2004, and became effective on January 1, 2005, to December 31, 2014. The Penny was passed again on November 6, 2012, to remain in effect until December 31, 2024. Proceeds are divided amongst the Pasco County School Board, local municipalities, and Pasco County Government. A percentage of the Penny proceeds are used for transportation infrastructure that includes any fixed capital expenditure associated with the following: construction, reconstruction, or improvement of roads and transportation facilities; land acquisition, land improvement, design, permitting, and engineering costs; and public transportation vehicles.

TRANSPORTATION CIP FUND – To account for the financing of capital projects for transportation capital improvements and transportation capital expenses.

ROAD & BRIDGE TRUST FUND – To account for the financing of capital projects for only for the large network roads classified as collector/arterial roads.

NONMAJOR GOVERNMENTAL FUNDS

CAPITAL PROJECTS FUNDS

PAVING SPECIAL ASSESSMENT FUND – Ordinance established on June 10, 1997, to impose special assessments pursuant to F.S. § 125.01(r) to account for the financing of residential improvements that include streets and roads, traffic calming devices and measures, water and sewage systems, water and sewage treatment plants, drainage, sidewalks and such other services or facilities as may be deemed essential.

STORMWATER FUND – To account for the financing of capital projects for larger, more complex drainage improvement projects.

HALF-CENT SALES TAX, SERIES 2024 FUND – To account for the costs of capital improvements to the county including the design, construction, reconstructions, renovation, expansion, improvement, and equipment of both parks and recreations and jail facilities. Financing is provided through the half cent sales tax and interest revenue earned. This fund is in accordance with Chapters 202, 212, 218, and 409, Florida Statutes.

GUARANTEED ENTITLEMENT CIP FUND – To account for the construction costs of renovations, additions, or new construction of various government facilities of diverse types and uses. Financing is provided through operating transfers from several funds, federal and state grants, the sale of bonds, a local option sales surtax, and the interest revenue earned.

HALF-CENT SALES TAX CONSTRUCTION FUND – To account for the construction costs of renovations, additions, or new construction of various government facilities of diverse types and uses. Financing is provided through the half cent sales tax and interest revenue earned. This fund is in accordance with Chapters 202, 212, 218, and 409, Florida Statutes.

FIRE IMPACT FEE (LAND & FACILITIES) FUND – Ordinance established on January 13, 2004, to impose impact fees on new residential construction to protect the health, safety, and general welfare of citizens by providing adequate public facilities. These fees are used to fund construction of new fire stations, renovate and build additions to existing fire stations and purchase equipment for these stations so levels of service can keep pace with the County's growth.

RESCUE IMPACT FEE (LAND & FACILITIES) FUND – Ordinance established on January 13, 2004, to impose impact fees on new residential construction to protect the health, safety and general welfare of citizens by providing adequate public facilities. These fees are used to fund construction of new stations, renovate and build additions to existing stations and to purchase equipment for these stations so that the levels of service can be maintained accordingly with the growth in the County.

LIBRARY IMPACT FEE (LAND & FACILITIES) FUND – Ordinance established on September 4, 2002, to impose an impact fee on new residential construction to finance new libraries. These funds are meant to finance newly constructed libraries. This is part of Pasco County's land development code section 1302.5.

GENERAL OBLIGATION FUND – To account for the construction costs of renovations, additions, or new construction of various government facilities of diverse types and uses. Financing is provided through acquisition of the voter approved General Obligation Bonds.

NONMAJOR GOVERNMENTAL FUNDS

CAPITAL PROJECTS FUNDS

PARK IMPACT FEE (LAND, FIELDS, WATER ACCES, OTHER) FUNDS (WEST, CENTRAL, EAST, VOPH) – Ordinance established on January 29, 2002, to impose impact fees on new residential construction to finance new Parks and Recreation facilities for the various impact fee zones. This is part of Pasco County's land development code section 1302.4.

FL BOATING AND IMPROVEMENT FUND – To account for the improvement of boating facilities to include docks, channel markers, restrooms, sidewalks, and those items which improve facilities for boating or boaters. This fund is in accordance with Section 328.72(15), Florida Statutes.

FIRE RESCUE PROJECTS GO BOND, SERIES 2024A FUND – Account for the construction costs of renovations, additions, or new construction of various government facilities of diverse types and uses. Financing is provided through acquisition of the voter approved General Obligation Bonds.

MOBILITY IMPACT FEE (ROAD, TRANSIT, BIKE, AND RIGHT-OF-WAY) FUNDS (WEST, CENTRAL, EAST, VOPH) – A transportation system charge to recoup the proportionate cost of transportation demand generated by all new developments. This fee includes assessments for roadways designed to encourage development of specific land uses in specific locations and promote compact, mixed-use and energy efficient development within the various impact fee zones.

CAPITAL PROJECTS FUND – Used to account for a variety of the multiyear capital projects that occur within Pasco County.

STATISTICAL SECTION

The Computation of Legal Debt Margin table is excluded from this section as the Florida Constitution and Pasco County set no legal debt limits.

This part of Pasco County's Comprehensive Annual Financial Report presents detailed information as a context for understanding what the information in the financial statements and note disclosures says about the County's overall health.

Contents	Page
Financial Trends These schedules contain trend information to help the reader understand how the County's financial performance and well-being have changed over time.	H-1
Revenue Capacity These schedules contain information to help the reader assess the County's most significant local revenue source, the property tax.	H-6
Debt Capacity These schedules present information to help the reader assess the affordability of the County's current levels of outstanding debt and its ability to issue additional debt in the future.	H-10
Demographic and Economic Information These schedules offer demographic and economic indicators to help the reader understand the environment within which the County's financial activities take place.	H-16
Operating Information These schedules contain service and infrastructure data to help the reader understand how the information in the County's financial report relates to the services the County provides and the activities it performs.	H-19

(1) Section 192.00(2), Florida Statutes, defines assessed value of property as "an annual determination of the just or fair market value of an item or property...."

Consequently, estimated actual value, above, is assessed value before exemptions.

(2) Chapter 196, Florida Statutes, grants various exemptions for qualifying economic development, governmental, historic, and institutional property; the latter including charitable, educational, literary, religious, and scientific property. Exemptions are also granted for residential property for the disabled, blind, widows and widowers as well as the homestead exemption (\$25,000), additional homestead exemption (age 65 or older, \$25,000), and homestead differential.

(3) Centrally-assessed property has been added to the total estimated actual value of real and personal property when computing this percentage.

(4) Total Tax Levy (refer to Property tax Levies and Collections) to Total Taxable Assessed Value (above). Tax rates are in dollars per \$1,000 of taxable assessed value.

(1) Net of allowable discounts. [NOTE: Property taxes become due and payable on November 1st of each year. A 4-percent discount is allowed if the taxes are paid in November, with the discount declining by 1 percent each month thereafter. Accordingly, tax collections will never equal 100 percent of the tax levy. Taxes become delinquent on April 1st of each year and tax certificates for the full amount of any unpaid taxes and assessments must be sold not later than June 1st of each year.

(2) As of September 30th of each year.

Interest	7,690,652	7,631,711	7,399,516	7,098,970	6,843,753
Total debt service requirements	14,070,652	15,001,711	14,729,516	14,768,970	14,838,753
Coverage	3.81	8.38	4.20	4.68	4.76

(1) Gross revenues include both operating and non-operating revenues; however, impact fees have been excluded from the calculation. Bond covenants permit the use of some impact fees in calculating rate covenant coverage levels. Refer to Note 8 for more information.

(2) Expenses exclude depreciation of fixed assets and amortization of deferred charges that are reflected as expenses elsewhere in the financial statements.

(3) BCC went through debt refunding process during fiscal year 2020 causing reduction in overall debt service requirements.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Distinguished Members of the
Board of County Commissioners
Pasco County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Pasco County, Florida (the County) as of and for the year ended September 30, 2024, and the related notes to the financial statements, which collectively comprise the County's basic financial statements and have issued our report thereon dated April 30, 2025. This report does not include the results of the other Auditor's testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Pasco County, Florida's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. However, as described in the accompanying schedule of findings and questioned costs, we did identify certain deficiencies in internal control that we consider to be a material weakness, 2024-001.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Pasco County, Florida's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Pasco County, Florida's Response to Findings

Pasco County, Florida's response to the findings identified in our audit is described in the accompanying schedule of findings and questioned costs. Pasco County, Florida's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Carr, Rigg & Ingram, L.L.C.

Tampa, Florida
April 30, 2025

Schedule of Findings

Material Weakness

Finding Number: 2024-001: Financial Statement Presentation (previously reported as 2023-001, material weakness)

Criteria: The County is required to present its financial statements in accordance with generally accepted accounting principles.

Condition: During the year-end audit, multiple adjusting entries were determined to be necessary to present the annual comprehensive financial report in accordance with generally accepted accounting principles.

Cause: During the fiscal year, reconciliations for bank accounts in the Solid Waste and Aggregate remaining funds were not completed in accordance with generally accepted accounting principles. Reconciling items were not correctly recorded in the general ledger. In addition, reconciliations were not performed on a regular, timely basis for several significant items within the Aggregate Remaining, Solid Waste, and Water & Wastewater Funds. This included the review of Construction in Process (CIP) figures for various projects in the Aggregate Remaining, Solid Waste, and Water & Wastewater Funds. This led to discrepancies in accounts payable and equity in pooled cash figures and an incomplete reflection of CIP balances.

Effect: Adjusting entries needed to be recorded to true up the figures to reconciled amounts: equity in pooled cash accounts and vouchers payable needed to be decreased by \$25,226,000. In addition, adjusting entries needed to be recorded to true up: infrastructure and construction work in progress accounts needed to be adjusted down by \$165,629,000 to correctly classify these amounts as improvements other than buildings. Adjusting entries were also needed to align with financial reporting at the end of the fiscal year.

Recommendation: The County should enact procedures to ensure that significant areas are being reconciled regularly throughout the financial year and that these reconciliations are being reviewed and approved by personnel in a timely manner.

Response: See attached Corrective Action Plan.

Material Weakness

Finding Number: 2024-001: Financial Statement Presentation (previously reported as 2023-001, material weakness)

Criteria: The County is required to present its financial statements in accordance with generally accepted accounting principles.

Condition: During the year-end audit, multiple adjusting entries were determined to be necessary to present the annual comprehensive financial report in accordance with generally accepted accounting principles.

Cause: During the fiscal year, reconciliations for bank accounts in the Solid Waste and Aggregate remaining funds were not completed in accordance with generally accepted accounting principles. Reconciling items were not correctly recorded in the general ledger. In addition, reconciliations were not performed on a regular, timely basis for several significant items within the Aggregate Remaining, Solid Waste, and Water & Wastewater Funds. This included the review of Construction in Process (CIP) figures for various projects in the Aggregate Remaining, Solid Waste, and Water & Wastewater Funds. This led to discrepancies in accounts payable and equity in pooled cash figures and an incomplete reflection of CIP balances.

Effect: Adjusting entries needed to be recorded to true up the figures to reconciled amounts: equity in pooled cash accounts and vouchers payable needed to be decreased by \$25,226,000. In addition, adjusting entries needed to be recorded to true up: infrastructure and construction work in progress accounts needed to be adjusted down by \$165,629,000 to correctly classify these amounts as improvements other than buildings. Adjusting entries were also needed to align with financial reporting at the end of the fiscal year.

Recommendation: The County should enact procedures to ensure that significant areas are being reconciled regularly throughout the financial year and that these reconciliations are being reviewed and approved by personnel in a timely manner.

Response and Corrective Action Plan:

In the wake of the devastation caused by Hurricanes Helene and Milton, Pasco County faced unprecedented challenges. The impacts of these storms required the Clerk's Financial Services team to perform critical processes outside of standard operating procedures to maintain continuity of operations.

In response, the Clerk & Comptroller's Financial Services Department is updating procedures to enhance the bank reconciliation process. The updates outlined below will strengthen the accuracy of the process:

1. Preparers will be provided with detailed procedures for resolving reconciling items identified during the process.
2. An additional step will be added for reconciliations ending September 30, requiring final approval from the Finance Director or Assistant Director.

Contact:

Matthew Lazar, Finance Director

Anticipated Completion Date:

September 30, 2025

COUNTY ADMINISTRATION

The Board of County Commissioners Fiscal Team will establish an enhanced review process for the quarterly Construction in Progress (CIP) report generated by the Enterprise Resource Planning (ERP) system. Under this updated procedure, a designated reviewer, independent from the preparer, will conduct a detailed review to ensure the accuracy and completeness of the reported financial information. The review will specifically confirm that only expenditures meeting capitalization criteria are included in the final CIP report. Any discrepancies identified between the preparer and reviewer will be discussed and resolved prior to finalization. Documentation of the review, including evidence of reconciliation and approval, will be maintained by the Fiscal Team. Upon completion, the approved report will be forwarded to the Clerk & Comptroller's Office for incorporation into the quarterly CIP accounting entry.

Contact: Jessica Bleser, Fiscal Services Director
Anticipated Completion Date: September 30, 2025

MANAGEMENT LETTER

Distinguished Members of the
Board of County Commissioners
Pasco County, Florida

Report on the Financial Statements

We have audited the financial statements of Pasco County, Florida (the County) as of and for the year ended September 30, 2024, and have issued our report thereon dated April 30, 2025.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*; Schedule of Findings; and Independent Accountant's Report on an examination conducted in accordance with AICPA Professional Standards, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports and schedule, which are dated April 30, 2025, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. Corrective actions have been taken to address findings and recommendations made in the preceding financial audit report. Prior year finding 2023-001, a material weakness over financial reporting, was determined uncorrected and noted again in the current year as finding 2024-001.

Tabulation of Uncorrected Audit Findings	
Current Year Finding No.	2022 – 23 FY Finding No.
2024-001	2023-001

Financial Condition and Management

Section 10.554(1)(i)5.a and 10.556(7), Rules of the Auditor General, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the County has met one of more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific conditions met. In

connection with our audit, we determined that the County did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures for the County. It is management's responsibility to monitor the County's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same.

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we recommend that management continue to review financial accounting policies and procedures and ensure all key team members have a clear understanding of policies and procedures impacting their roles.

Property Assessed Clean Energy (PACE) Programs

As required by Section 10.554(1)(i)6.a., Rules of the Auditor General, a PACE program authorized pursuant to Section 163.081 or Section 163.082, Florida Statutes, did operate within Pasco County, Florida's geographical boundaries during the fiscal year under audit.

As required by Section 10.554(1)(i)6.b. and Section 10.554(1)(i)6.c., Rules of the Auditor General, the following list includes all program administrators and third-party administrators as well as the full names and contact information for each, that administered the program during the fiscal year under audit.

Florida Green Finance Authority	James Candela, Assistant District Finance Director Email: jcandela@sdsinc.org
Florida Resiliency and Energy District	Ahisha Rodriguez, Manager, Programs Email: arodriguez@fdfcbonds.com
Florida Pace Funding Agency	Will Saba, Sr. Vice President Email: will@financedta.com
Florida Green Finance Authority	Beatrice Medina Email: bmedina@willdan.com

Special District Component Units

Section 10.554(1)(i)5.c., Rules of the Auditor General, requires, if appropriate, that we communicate the failure of a special district that is a component unit of a county, municipality, or special district, to provide the financial information necessary for proper reporting of the component unit within the audited financial statements of the county, municipality, or special district in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we did not note any special district component units that failed to provide the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes.

Specific Information

As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, Rules of the Auditor General, the Pasco County Housing Finance Authority and J. Ben Harrill Villages of Pasadena Hills Stewardship District reported:

	Pasco County Housing Finance Authority	J. Ben Harrill Villages of Pasadena Hills Stewardship District
a. The total number of district employees compensated in the last pay period of the district's fiscal year as	0	0
b. The total number of independent contractors to whom nonemployee compensation was paid in the last month of the district's fiscal year as	0	0
c. All compensation earned by or awarded to employees, whether paid or accrued, regardless of contingency as	\$29,898 was allocated from County employees. There was no compensation paid to the District	\$0
d. All compensation earned by or awarded to nonemployee independent contractors, whether paid or accrued, regardless of contingency as	\$0	\$0
e. Each construction project with a total cost of at least \$65,000 approved by the district that is scheduled to begin on or after October 1 of the fiscal year being reported, together with the total expenditures for such project as	None	None
f. A budget variance based on the budget adopted under Section 189.016(4), Florida Statutes, before the beginning of the fiscal year being reported if the district amends a final adopted budget under Section 189.016(6), Florida Statutes, as	No increase in final budget from adopted budget	The District did not adopt a budget

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

**INDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE WITH SECTIONS
365.172(10) AND 365.173(2)(d), FLORIDA STATUTES**

Distinguished Members of the
Board of County Commissioners
Pasco County, Florida

We have examined Pasco County, Florida's (the County) compliance with the requirements of Section 365.172(10), Florida Statutes, *Authorized Expenditures of E911 Fee*, and Section 365.173(2)(d), Florida Statutes, *Distribution and Use of (E911) Funds*, during the year ended September 30, 2024. Management is responsible for the County's compliance with the specified requirements. Our responsibility is to express an opinion on the County's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the County complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the County complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the examination engagement.

Our examination does not provide a legal determination on the County's compliance with specified requirements.

In our opinion, the County complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2024.

This report is intended solely for the information and use of management and the State of Florida Auditor General, and is not intended to be and should not be used by anyone other than these specified parties.

**INDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE WITH SECTION
218.415, FLORIDA STATUTES**

Distinguished Members of the
Board of County Commissioners
Pasco County, Florida

We have examined Pasco County, Florida's (the "County") compliance with the requirements of Section 218.415, Florida Statutes, *Local Government Investment Policies*, during the year ended September 30, 2024. Management is responsible for the County's compliance with the specified requirements. Our responsibility is to express an opinion on the County's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the County complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the County complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the examination engagement.

Our examination does not provide a legal determination on the County's compliance with specified requirements.

In our opinion, the County complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2024.

This report is intended solely for the information and use of management and the State of Florida Auditor General, and is not intended to be and should not be used by anyone other than these specified parties.

Re: Affidavit – Section 163.31801, Florida Statutes, Florida Impact Fee Act

Dear Auditor General Norman:

In accordance with Section 163.31801, Florida Statutes, Florida Impact Fee Act (the "Act"), I hereby affirm Pasco County, Florida has complied with the Act as follows:

1. Impact fees are adopted by ordinance or by resolution of a special district.
2. Calculation of impact fee was based on most recent and localized data.
3. Accounting and reporting of impact fee collections and expenditures were provided.
4. Administrative charges for the collection of impact fees were limited to actual costs.
5. Notice was provided no less than 90 days before the effective date of an ordinance or resolution imposing a new or increased impact fee.

Attached is correspondence received from the County's Office of Management and Budget which states the County has complied with the Act.

For any questions related to this information, please contact Matthew Lazar, Finance Director, in my office at (352) 518-4092.

With appreciation,

Nikki Alvarez-Sowles, Esq.

The Honorable Nikki Alvarez-Sowles, Esq.
Pasco County Clerk & Comptroller
38053 Live Oak Avenue
Dade City, FL 33523

Dear Ms. Alvarez-Sowles:

The Office of Management & Budget certifies Pasco County complied with Section 163.31801, Florida Statutes, as follows:

- Section 163.31801(3), Florida Statutes – Impact fees are adopted by ordinance or by resolution of a special district.
- Section 163.31801(3)(a), Florida Statutes – Impact fee calculations are based on the most recent and localized data.
- Section 163.31801(3)(b), Florida Statutes – Provides for accounting and reporting of impact fee collections and expenditures. Revenues and expenditures are accounted for in a separate accounting fund.
- Section 163.31801(3)(c), Florida Statutes – Administrative charges for the collection of impact fees are limited to actual costs.
- Section 163.31801(3)(d), Florida Statutes – Notice is provided no less than 90 days before the effective date of an ordinance or resolution imposing a new or increased impact fee.

Should you have any questions concerning any of these points, please contact Dan Risola, Assistant Budget Director, at 727-516-1298.

Sincerely,

Amielee Farrell
Budget Director

State of Florida County of Pasco

This foregoing instrument was acknowledged before me this 25 day of March 2025 by
Amielee Farrell ☒ Personally Known

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Distinguished Members of the
Board of County Commissioners
Pasco County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Pasco County, Florida (the County) as of and for the year ended September 30, 2024, and the related notes to the financial statements, which collectively comprise the County's basic financial statements and have issued our report thereon dated April 30, 2025.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Pasco County, Florida's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. However, as described in the accompanying schedule of findings and questioned costs, we did identify certain deficiencies in internal control that we consider to be a material weakness, 2024-001.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Pasco County, Florida's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Pasco County, Florida's Response to Findings

Pasco County, Florida's response to the findings identified in our audit is described in the accompanying schedule of findings and questioned costs. Pasco County, Florida's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH
MAJOR FEDERAL PROGRAM AND STATE PROJECT AND ON INTERNAL
CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM
GUIDANCE AND CHAPTER 10.550, RULES OF THE AUDITOR GENERAL**

Distinguished Members of the
Board of County Commissioners
Pasco County, Florida

Report on Compliance for Each Major Federal Program and Each Major State Project

Qualified and Unmodified Opinions

We have audited Pasco County, Florida's (the "County") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* and the requirements described in the *State of Florida Department of Financial Services' State Projects Compliance Supplement* that could have a direct and material effect on each of the County's major federal programs and major state projects for the year ended September 30, 2024. The County's major federal programs and major state projects are identified in the summary of Auditor's results section of the accompanying schedule of findings and questioned costs.

Qualified Opinion on CSFA 40.901 State Housing Initiative Partnership

In our opinion, except for the noncompliance described in the Basis for Qualified and Unmodified Opinions section of our report, Pasco County, Florida complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on CSFA 40.901 State Housing Initiative Partnership for the year ended September 30, 2024.

Unmodified Opinion on Each of the Other Major Federal Programs and Major State Projects

In our opinion, the County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its other major federal programs and state projects identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs for the year ended September 30, 2024.

Basis for Qualified and Unmodified Opinions

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and Chapter 10.550, Rules of the Auditor General, *Florida Single Audit Act Audits – Local Governmental Entity Audits*. Our responsibilities under those standards and the Uniform Guidance and Chapter 10.550, Rules of the Auditor General, are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the County and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each

major federal program and state project. Our audit does not provide a legal determination of County's compliance with the compliance requirements referred to above.

Matters Giving Rise to Qualified Opinion on CSFA 40.901 State Housing Initiative Partnership

As described in the accompanying schedule of findings and questioned costs, Pasco County, Florida did not comply with requirements regarding CSFA 40.901 State Housing Initiative Partnership as described in finding number 2024-002 for Reporting and Period of Availability.

Compliance with such requirements is necessary, in our opinion, for Pasco County, Florida to comply with the requirements applicable to that program.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to County's federal programs and state projects.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the County's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance and Chapter 10.550, Rules of the Auditor General, will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about County's compliance with the requirements of each major federal program and state project as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.550, Rules of the Auditor General, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding County's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of County's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.550, Rules of the Auditor General, but not for the purpose of expressing an opinion on the effectiveness of County's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Other Matters

Government Auditing Standards requires the auditor to perform limited procedures on Pasco County, Florida's response to the noncompliance findings identified in our compliance audit described in the accompanying schedule of findings and questioned costs. Pasco County, Florida's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control over Compliance

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we did identify certain deficiencies in internal control over compliance that we consider to be material weaknesses.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. We consider the deficiency in internal control over compliance described in the accompanying schedule of findings and questioned costs as item 2024-002 to be a material weakness.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

Government Auditing Standards requires the auditor to perform limited procedures on Pasco County, Florida's response to the internal control over compliance findings identified in our audit described in the accompanying schedule of findings and questioned costs. Pasco County, Florida's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.550, Rules of the Auditor General. Accordingly, this report is not suitable for any other purpose.

Report on Schedules of Expenditures of Federal Awards and State Financial Assistance Required by the Uniform Guidance and Chapter 10.550

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Pasco County, Florida, as of and for the year ended September 30, 2024, and the related notes to the financial statements, which collectively comprise the County's basic financial statements. We issued our report thereon dated April 30, 2025, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedules of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and Chapter 10.550, Rule of the Auditor General, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards and state financial assistance are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Pasco County, Florida
Notes to Schedule of Federal Awards and
State Financial Assistance

NOTE 1: BASIS OF PRESENTATION

The accompanying schedule of federal awards and state financial assistance (the Schedule) includes the federal and state grant activity of the County, and is presented on the accrual basis of accounting. The information in the Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (the Uniform Guidance) and Chapter 215.97, *Florida Statutes*. Therefore, some amounts presented in the Schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

The County has elected not to use the 10% de Minimis Indirect Cost Rate as outlined in the Uniform Guidance.

The County's federal and state awards include loans or loan guarantees.

The County did not receive any federal or state non-cash assistance for the fiscal year ended September 30, 2024.

NOTE 3: LOANS OUTSTANDING

The County had the following loan balances outstanding at September 30, 2024. For federal programs, the outstanding loan balance at the beginning of the year and the current year additions related to the loans are included in the Schedule as expenditures. For state programs, only the current year additions related to the loans are included in the Schedule.

ALN/CSFA#	Program	Amount
10.433	Rural Housing Preservation Grants	\$ 614,234
14.218	Community Development Block Grant	\$ 14,890,596
14.239	Home Investment Partnerships Program	\$ 13,267,500
14.256	Neighborhood Stabilization Program NSP 2	\$ 7,383,361
40.901	State Housing Initiative Partnership (SHIP) Program	\$ 25,552,334

NOTE 4: CONTINGENCIES

Expenditures incurred by the County are subject to review by the grantor agencies. Such audits may result in requests for reimbursement due to disallowed expenditures. Management believes that if audited, any adjustment for disallowed expenditures would be immaterial in amount. As of September 30, 2024, management is not aware of any material questioned or disallowed expenditures as a result of grant audits in process or completed.

Pasco County, Florida

Schedule of Findings and Questioned Costs

Part I – Summary of Auditor’s Results

Financial Statements:

1. Type of Auditor’s report issued	Unmodified
2. Internal control over financial reporting:	
a. Material weaknesses identified?	Yes
b. Significant deficiencies identified not considered to be material weaknesses?	None noted
c. Noncompliance material to the financial statements noted?	No

Federal Awards:

1. Type of Auditor’s report issued on compliance for major programs	Unmodified
2. Internal control over major programs:	
a. Material weaknesses identified?	None
b. Significant deficiencies identified not considered to be material weaknesses?	None noted
3. Any audit findings disclosed that are required to be reported in accordance with 2CFR section 200.516(a)?	None
4. Identification of major programs:	
Federal Awards	ALN
Neighborhood Stabilization Program	14.256
Highway Planning and Construction	20.205
HOME Investment Partnerships Program	14.239
COPS Public Safety Partnership and Community Policing Grants	16.710
Aging Cluster	93.044, 93.045, 93.053
5. Dollar threshold used to distinguish between type A and type B programs:	\$1,215,210
6. Auditee qualified as low-risk auditee under 2 CFR 200.520?	No

State Awards:

1. Type of Auditor’s report issued on compliance for major programs:	
	CSFA 40.901 – Modified
	All other major state projects – Unmodified
2. Internal control over major programs:	
a. Material weaknesses identified?	Yes
b. Significant deficiencies identified not considered to be material weaknesses?	None noted
3. Any audit findings disclosed that are required to be reported in accordance with Rule 10.554(1)(l)(4)?	Yes
4. Identification of major projects:	
State Projects	CSFA
State Housing Initiative Partnership	40.901
Local Transportation Projects	55.039
Deployable Emergency Operations Grant	71.110
7. Dollar threshold used to distinguish between type A and type B programs:	\$1,245,052

Pasco County, Florida Schedule of Findings and Questioned Costs

Part II – Financial Statement Findings

Material Weakness

Finding Number: 2024-001: Financial Statement Presentation (previously reported as 2023-001, material weakness)

Criteria: The County is required to present its financial statements in accordance with generally accepted accounting principles.

Condition: During the year-end audit, multiple adjusting entries were determined to be necessary to present the annual comprehensive financial report in accordance with generally accepted accounting principles.

Cause: During the fiscal year, reconciliations for bank accounts in the Solid Waste and Aggregate remaining funds were not completed in accordance with generally accepted accounting principles. Reconciling items were not correctly recorded in the general ledger. In addition, reconciliations were not performed on a regular, timely basis for several significant items within the Aggregate Remaining, Solid Waste, and Water & Wastewater Funds. This included the review of Construction in Process (CIP) figures for various projects in the Aggregate Remaining, Solid Waste, and Water & Wastewater Funds. This led to discrepancies in accounts payable and equity in pooled cash figures and an incomplete reflection of CIP balances.

Effect: Adjusting entries needed to be recorded to true up the figures to reconciled amounts: equity in pooled cash accounts and vouchers payable needed to be decreased by \$25,226,000. In addition, adjusting entries needed to be recorded to true up: infrastructure and construction work in progress accounts needed to be adjusted down by \$165,629,000 to correctly classify these amounts as improvements other than buildings. Adjusting entries were also needed to align with financial reporting at the end of the fiscal year.

Recommendation: The County should enact procedures to ensure that significant areas are being reconciled regularly throughout the financial year and that these reconciliations are being reviewed and approved by personnel in a timely manner.

Response: See attached Corrective Action Plan.

Part III – Findings and Questioned Costs – Federal Programs

None

Pasco County, Florida Schedule of Findings and Questioned Costs

Part IV – Findings and Questioned Costs – State Projects

Material Weakness

Finding Number: 2024-002 (previously reported as 2023-003 for reporting)

CSFA # 40.901:

State Project: State Housing Initiatives Partnership Program (SHIP)

Passed through: N/A

Contract Number and Year: N/A, 2024

Compliance Requirement: Reporting and Period of Availability

Questioned Costs: \$769,000

Criteria: Rule Chapter 67-37005(1)(f), Florida Administrative Code, requires funds deposited to the local housing assistance trust fund must be spent within twenty-four months from the end of the applicable State fiscal year. Exceptions to this time frame must be approved by the Corporation SHIP Program Administrator on a case-by-case basis.

Section 420.9075(10), Florida Statutes, requires each county or eligible municipality to submit an annual report of its affordable housing programs and accomplishments to Florida Housing by September 15 of each year.

Condition: The County expended approximately \$769,000 outside of the period of availability for the 2021-2022 LHAP year. Additionally, the County did not submit an annual report to Florida Housing for the LHAP year 2021-2022 that was due September 15, 2024.

Cause: The projects for LHAP year 2021-2022 were not complete by September 15, 2024, so the County did not submit the annual report. Additionally, the County did not receive an extension to the period of availability from the State for the LHAP 2021-2022 projects.

Effect: Noncompliance with program requirements and SHIP funds not expended in the appropriate period could result in loss of future funding or requirement for the County to reimburse the SHIP fund from the General Fund.

Recommendation: The County should strengthen its process surrounding review of ongoing cases under the SHIP program to ensure Statutory requirements for project expenditures are in compliance and will be completed within the appropriate period. Additionally, the County should improve its process for identifying and adhering to reporting requirements to ensure reports are submitted accurately and timely.

Response: See attached Corrective Action Plan.

Adjusting entries were also needed to align with financial reporting at the end of the fiscal year.

Recommendation: The County should enact procedures to ensure that significant areas are being reconciled regularly throughout the financial year and that these reconciliations are being reviewed and approved by personnel in a timely manner.

Response and Corrective Action Plan:

In the wake of the devastation caused by Hurricanes Helene and Milton, Pasco County faced unprecedented challenges. The impacts of these storms required the Clerk's Financial Services team to perform critical processes outside of standard operating procedures to maintain continuity of operations.

In response, the Clerk & Comptroller's Financial Services Department is updating procedures to enhance the bank reconciliation process. The updates outlined below will strengthen the accuracy of the process:

1. Preparers will be provided with detailed procedures for resolving reconciling items identified during the process.
2. An additional step will be added for reconciliations ending September 30, requiring final approval from the Finance Director or Assistant Director.

Contact: Matthew Lazar, Finance Director
Anticipated Completion Date: September 30, 2025

COUNTY ADMINISTRATION

Pasco County, Florida Corrective Action Plans

PASCO COUNTY, FLORIDA CORRECTIVE ACTION PLAN

The Board of County Commissioners Fiscal Team will establish an enhanced review process for the quarterly Construction in Progress (CIP) report generated by the Enterprise Resource Planning (ERP) system. Under this updated procedure, a designated reviewer, independent from the preparer, will conduct a detailed review to ensure the accuracy and completeness of the reported financial information. The review will specifically confirm that only expenditures meeting capitalization criteria are included in the final CIP report. Any discrepancies identified between the preparer and reviewer will be discussed and resolved prior to finalization. Documentation of the review, including evidence of reconciliation and approval, will be maintained by the Fiscal Team. Upon completion, the approved report will be forwarded to the Clerk & Comptroller's Office for incorporation into the quarterly CIP accounting entry.

Contact: Jessica Bleser, Fiscal Services Director
Anticipated Completion Date: September 30, 2025

PASCO COUNTY, FLORIDA CORRECTIVE ACTION PLAN

Part IV – Findings and Questioned Costs – State Projects

Material Weakness

Finding Number: 2024-002 (previously reported as 2023-003 for reporting)

CSFA # 40.901:

State Project: State Housing Initiatives Partnership Program (SHIP)

Passed through: N/A

Contract Number and Year: N/A, 2024

Compliance Requirement: Reporting and Period of Availability

Questioned Costs: \$769,000

Criteria: Rule Chapter 67-37005(1)(f), Florida Administrative Code, requires funds deposited to the local housing assistance trust fund must be spent within twenty-four months from the end of the applicable State fiscal year. Exceptions to this time frame must be approved by the Corporation SHIP Program Administrator on a case-by-case basis.

Section 420.9075(10), Florida Statutes, requires each county or eligible municipality to submit an annual report of its affordable housing programs and accomplishments to Florida Housing by September 15 of each year.

Condition: The County expended approximately \$769,000 outside of the period of availability for the 2021-2022 LHAP year. Additionally, the County did not submit an annual report to Florida Housing for the LHAP year 2021-2022 that was due September 15, 2024.

Cause: The projects for LHAP year 2021-2022 were not complete by September 15, 2024, so the County did not submit the annual report. Additionally, the County did not receive an extension to the period of availability from the State for the LHAP 2021-2022 projects.

Effect: Noncompliance with program requirements and SHIP funds not expended in the appropriate period could result in loss of future funding or requirement for the County to reimburse the SHIP fund from the General Fund.

Recommendation: The County should strengthen its process surrounding review of ongoing cases under the SHIP program to ensure Statutory requirements for project expenditures are in compliance and will be completed within the appropriate period. Additionally, the County should improve its process for identifying and adhering to reporting requirements to ensure reports are submitted accurately and timely.

Response and Corrective Action Plan:

The Pasco County Community Development Department recognizes the requirement in the Florida Administrative Code to expend SHIP funds within 24 months from the end of the applicable State year. Leading up to and during the period of non-compliance beginning July 1, 2024, Pasco County Community Development (PCCD) staff had frequent communications with SHIP staff. SHIP staff encouraged PCCD staff to spend funds timely and assured that said funds would not be in jeopardy of being recaptured. The key strategy to meet compliance is to increase spending on eligible projects. Consistent with this strategy, the County has encumbered \$7,600,000 to three multi-family housing projects that are currently under construction. The PCCD is also coordinating with a developer to acquire a hotel for conversion to affordable residential units. PCCD is seeking other funding opportunities that will help to achieve long-term compliance. 1) PCCD is developing a program to fund the construction of single-family homes for sale to qualifying homebuyers. 2) PCCD is developing a program to help homeowners by replacing mobile homes in disrepair with hardened structures. These two homeownership/construction activities are intended to achieve a long-term acceptable expenditure rate to ensure long-term compliance with the SHIP-required homeownership and construction set-asides. The annual report for 2021-2022 was submitted to the Florida Housing Finance Corporation (FHFC) on May 5, 2025 and approved on May 6, 2025.

Pasco County, Florida Corrective Action Plans

PASCO COUNTY, FLORIDA CORRECTIVE ACTION PLAN

While it is believed that these actions will result in timely expenditures in the long term, the PCCD commits to requests for Expenditure Extensions (close-out year ONLY), should the expenditure deadline not be met. Our department will review the SHIP report in early June. If an extension is needed, the request will be received by FHFC by June 15 of the year in which funds are required to be expended. The extension request shall be emailed to robert.dearduff@floridahousing.org and kathy.cutler@floridahousing.org and include: 1) A statement that "the County requests an extension to the expenditure deadline for fiscal year _____. 2) The amount of funds that is not expended. 3) The amount of funds that is not encumbered or has been recaptured. 4) A detailed plan of how/when the money will be expended." PCCD staff will ensure that the annual SHIP report is submitted by September 15 each year.

Contact: Charles Lane, Director Community Development

Anticipated Completion Date: September 15, 2025

Pasco County, Florida Summary Schedule of Prior Audit Findings

Material Weakness

Finding Number: 2023-001

Financial Reporting

Condition: During the year-end audit, multiple adjusting entries were determined to be necessary to present the annual comprehensive financial report in accordance with generally accepted accounting principles.

Recommendation: The County should enact procedures to ensure that significant areas are being reconciled regularly throughout the financial year and that these reconciliations are being reviewed and approved by qualified persons in a timely manner.

Current Status: Similar findings in the current year are reported under Finding Number 2024-001.

Material Weakness

Finding Number: 2023-002 (originally reported as 2018-001, 2019-001, 2020-004, 2021-002, and 2022-002)

Preparation of the Schedule of Federal Awards and State Financial Assistance

Condition: The County had a control weakness that resulted in management failing to comply with the requirement to prepare an accurate schedule of expenditures of federal awards and state assistance (2 CFR 200.508(b)). Federal and state expenditures were understated on the schedule of expenditures of federal awards and state financial assistance by approximately \$38,810,000 related to the following programs: ALN 14.256, ALN 14.218, ALN 14.239, ALN 10.433 and CSFA 40.901. Additionally, once assistance listing number was incorrectly reported on the schedule of expenditures of federal awards and state assistance.

Recommendation: We recommend the County improve its financial reporting close process to more accurately complete and review the schedule of expenditures of federal awards and state financial assistance. This process should also include a procedure to have someone in each department perform an independent review of their portion of the schedule.

Current Status: This finding is partially corrected.

Material Weakness

Finding Number: 2023-003

CSFA 40.901

Condition: The County did not submit an annual report to Florida Housing for the LHAP year 2020-2021 that was due September 15, 2023.

Recommendation: The County should improve its process for identifying and adhering to reporting requirements to ensure reports are submitted accurately and timely.

Current Status: Similar findings in the current year are reported under Finding Number 2024-002.

INDEPENDENT AUDITOR'S REPORT

The Honorable Nikki Alvarez-Sowles, Esq.,
Clerk of Circuit Court and County Comptroller
Pasco County, Florida

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of each major fund and the aggregate remaining fund information of the Pasco County, Florida Clerk of Circuit Court and County Comptroller as of and for the year ended September 30, 2024, and the related notes to the financial statements, which collectively comprise the Clerk of Circuit Court and County Comptroller's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of each major fund and the aggregate remaining fund information of the Clerk of Circuit Court and County Comptroller, as of September 30, 2024, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Clerk of Circuit Court and County Comptroller and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of each major fund and the aggregate remaining fund information only for that portion of each major fund and the aggregate remaining fund information of Pasco County, Florida that is attributable to the Clerk of Circuit Court and County Comptroller. They do not purport to, and do not, present fairly the financial position of Pasco County, Florida as of September 30, 2024 and the changes in its financial position for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to these matters.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Pasco County, Florida Clerk of Circuit Court and County Comptroller's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Clerk of Circuit Court and County Comptroller's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Clerk of Circuit Court and County Comptroller's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Budgetary Comparison Schedules, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Clerk of Circuit Court and County Comptroller's basic financial statements. The supplementary information listed in the table of contents is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated March 14, 2025, on our consideration of the Clerk of Circuit Court and County Comptroller's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Clerk of Circuit Court and County Comptroller's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Clerk of Circuit Court and County Comptroller's internal control over financial reporting and compliance.

Pasco County, Florida
Clerk & Comptroller
Notes to Financial Statements
September 30, 2024

NOTE 1: Summary of Significant Accounting Policies

Reporting Entity

The Pasco County, Florida, Clerk of Circuit Court and County Comptroller (Clerk & Comptroller) is an elected constitutional officer as provided for by Article VIII, Section 1(d) of the Constitution of the State of Florida.

Governmental Accounting Standards Board (GASB) requires the financial statements of a reporting entity to include its component units, if any. A component unit is a legally separate organization for which the elected officials of the primary government or financial reporting entity are financially accountable. Based on the aforementioned criteria, there are no component units included in the Clerk & Comptroller's financial statements.

The financial statements include the general, special revenue, proprietary (internal service), and fiduciary funds of the Clerk & Comptroller. These financial statements have been prepared for the purpose of complying with Section 218.39, Florida Statutes, and Chapter 10.550, Rules of the Auditor General – Local Governmental Entity Audits, which allows the Clerk & Comptroller to only present fund financial statements. Accordingly, due to the omission of government-wide financial statements and certain disclosures, as well as, management's discussion and analysis, these financial statements do not constitute a complete presentation of the financial position of the Clerk & Comptroller as of September 30, 2024, and the changes in its financial position and its cash flows, where applicable, for the year then ended, in conformity with GASB Statement No. 34, Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments, but otherwise constitute financial statements prepared in conformity with U.S. generally accepted accounting principles (GAAP).

As a constitutional officer, the financial activities of the Clerk & Comptroller are included in the Pasco County, Florida, (the County) Annual Comprehensive Financial Report.

Measurement Focus, Basis of Accounting, and Basis of Presentation

Fund financial statements report detailed information about the Clerk & Comptroller. The focus of governmental fund financial statements is on major funds, rather than on reporting funds by type. Each major fund is reported in a separate column.

Governmental Funds

Governmental funds are accounted for using the flow of current financial resources measurement focus. Only current assets and current liabilities, generally, are included on the balance sheet. Operating statements for these funds' present increases (i.e., revenues and other financing sources) and decreases (i.e., expenditures and other financing uses) in fund balance. In addition to the general fund, the Clerk & Comptroller has special revenue funds to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes. The Clerk & Comptroller reports the following major funds, all of which are governmental:

**Pasco County, Florida
Clerk & Comptroller
Notes to Financial Statements
September 30, 2024**

NOTE 1: Summary of Significant Accounting Policies (Continued)

General Fund

The General Fund is used to account for the general operations of the Clerk & Comptroller, and includes all transactions not accounted for in another fund.

The Clerk & Comptroller's activities are classified as general government. The Clerk & Comptroller's General Fund activity is funded through service charges for recording instruments and documents into the official records, and appropriations from the Pasco County Board of County Commissioners (the Board). Excess appropriations at the end of the year, if any, due back to the Board, are shown as a transfer out and a distribution of excess appropriations to the Board of County Commissioners.

Special Revenue Funds

Fine and Forfeiture Fund

This special revenue fund was established to account for court-related filing fees, service charges, fines, and court costs of the Clerk of Circuit Court and County Comptroller, as mandated by Sections 28.35 and 28.37, Florida Statutes.

The Fine and Forfeiture Fund accounts for court-related activities that are funded by the collection of charges for services, fines, and forfeitures. In addition, Section 28.37(6), Florida Statutes, mandates that ten percent of all court-related fines collected by the Clerk & Comptroller, except for penalties or fines distributed to counties or municipalities, shall be deposited into the Clerk & Comptroller's Fine and Forfeiture Fund.

In the event the collection of such fees does not cover expenditures of the fund, the Clerks Trust Fund supplements the difference up to the annual budget authority, which is subject to decreasing adjustments. Revenue in this fund is restricted and is to be used exclusively for funding court-related functions and, therefore, is reported as a special revenue fund.

Public Records Modernization Trust Fund

This special revenue fund accounts for service charges paid to the Clerk & Comptroller for recording instruments in the official records, and are used exclusively for equipment, contracted personnel, personnel training, and technical assistance in modernizing the public records system of the office, as mandated by Section 28.24(12)(d), Florida Statutes.

Court Technology Trust Fund

The Court Technology Trust Fund primarily accounts for service charges paid to the Clerk & Comptroller, for recording instruments in the official records, and are used to fund the information technology day-to-day operations for equipment, personnel, training, and technical assistance. Since Revision 7 of Article V, Florida Constitution, went into effect on July 1, 2004, an additional amount is collected pursuant to Section 28.24(12)(e), Florida Statutes, and is used exclusively for funding court-related needs.

NOTE 1: Summary of Significant Accounting Policies (Continued)

Nonmajor Funds – Governmental

The Clerk & Comptroller reports the following nonmajor governmental funds:

The Clerk & Comptroller has two nonmajor governmental funds, the Foreclosure Surplus Fee Fund, and the Legal Resource Center Fund. Special revenue funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes.

Foreclosure Surplus Fee Fund

The Foreclosure Surplus Fee Fund contains monies collected as a surplus pursuant to a foreclosure sale and is used for the purposes of educating the public as to the rights of homeowners regarding foreclosure proceedings, and as established by Section 45.035(2)(a), Florida Statutes.

Legal Resource Center Fund

The Legal Resource Center Fund is the amounts collected under Section 939.185, Florida Statutes and Pasco County Ordinance Section 34-9, to fund personnel and legal materials for the public as part of a law library managed by the Clerk & Comptroller.

Proprietary Funds

Proprietary funds are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services, and from producing and delivering goods in connection with a proprietary fund's principal ongoing operations. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

Clerk's Insurance Fund

This fund is used to account for the health insurance services provided to departments of the Clerk & Comptroller on a cost reimbursement basis. The operating revenues of the Clerk & Comptroller's Insurance Fund are charges for services to other funds. Operating expenses of this fund include claims payments and other contracted services.

Fiduciary Funds

Custodial Funds

These funds are used to account for assets held by the Clerk & Comptroller in a custodial capacity for individuals, private organizations, and other governments. The Clerk has numerous custodial funds for various purposes. Custodial funds are accounted for using the accrual basis of accounting.

**Pasco County, Florida
Clerk & Comptroller
Notes to Financial Statements
September 30, 2024**

NOTE 1: Summary of Significant Accounting Policies (Continued)

Basis of Accounting

The modified accrual basis of accounting is used by governmental funds. Under the modified accrual basis of accounting, revenue is recognized when susceptible to accrual (i.e., when it becomes measurable and available to finance liabilities of the current fiscal year). For this purpose, the Clerk & Comptroller considers revenues to be available if they are collected within sixty days of the end of the current period. Expenditures are recorded when the related fund liability is incurred, except for certain compensated absences, which are recognized as expenditures to the extent they have matured.

Interest income and other revenue are recognized as they are earned and become measurable and available to pay liabilities of the current period.

The general operations of the Clerk & Comptroller are funded principally by fees from third parties and appropriations from the Board. The appropriations from the Board are presented in the Clerk & Comptroller's financial statements as transfers in.

Florida Statutes provide that, in those years when there exists an excess of revenues and other financing sources over expenditures, such excess is to be distributed to the Board immediately following the fiscal year during which other revenues were recognized. The amount of such excess appropriations at the end of a fiscal year is recorded as a liability and as other financing in the accompanying financial statements.

Capital outlays expended in governmental fund operations are capitalized in the basic financial statements of the Board rather than in the governmental funds of the Clerk & Comptroller.

Cash and Cash Equivalents

Cash balances are pooled for investment purposes, except for some minor balances. Interest earned from pooled cash is allocated to the respective funds based on each fund's average equity in the pooled fund.

For purposes of the statement of cash flows, the Clerk & Comptroller considers highly liquid investments with a maturity of three months or less when purchased to be cash and cash equivalents.

The Clerk & Comptroller invests excess public funds pursuant to the guidelines established in Section 218.415, Florida Statutes, which authorizes investments in the following instruments: The Local Government Surplus Funds Trust Fund; Securities and Exchange Commission registered money market funds with the highest credit quality rating; savings accounts and certificates of deposit in qualified public depositories; and direct obligations of the U.S. Treasury. The Clerk & Comptroller participates in Florida PRIME, the local government investment pool of the Florida State Board of Administration (SBA), and the Florida Local Government Investment Trust (Florida Trust), the local government investment pool developed through the joint efforts of the Florida Court Clerks and Comptrollers and the Florida Association of Counties.

Notes to Financial Statements
September 30, 2024**

NOTE 1: Summary of Significant Accounting Policies (Continued)

Inventories and Prepaid Items

Inventories consist of expendable supplies held for consumption during Clerk operations. Inventories are stated at cost based upon the actual date of purchase and remaining value of the inventories at time of consumption. The costs of inventories are recorded as expenditures at the time of consumption rather than when purchased.

Accounts Receivable, Accounts Payable, and Amounts Due From/Due To

Accounts receivable and accounts payable in the governmental funds result from transactions with various vendors and agencies. The Clerk & Comptroller's Office establishes escrow deposit accounts for customers to render payment for certain services as provided under Florida Law. Charges for such services against the customer's escrow account are recorded as accounts receivable if the escrow account has insufficient funds. All amounts included in the escrow account may be maintained by the Clerk & Comptroller's Office in an interest-bearing account and all interest earnings on said accounts shall be retained by the Clerk & Comptroller's Office as revenue to defray costs associated with services provided.

Fund Balance

The Clerk & Comptroller's Office follows the provisions of GASB Statement No. 54, Fund Balance Reporting and Governmental Fund Type Definitions to classify fund balances for governmental funds into specifically defined classifications. The classifications comprise a hierarchy based primarily on the extent to which the Office is bound to honor constraints on the specific purposes for which amounts in the funds can be spent.

Starting with the most restrictive constraints, fund balance amounts will be reported in the following classifications:

Nonspendable Fund Balance – Nonspendable fund balances are amounts that cannot be spent because they are either: (a) not in spendable form, or (b) legally or contractually required to be maintained intact.

Restricted Fund Balance – Restricted fund balances are restricted when constraints placed on the use of resources are either: (a) externally imposed by creditors, grantors, contributors, or laws or regulations of other governments, or (b) imposed by law through constitutional provisions or enabling legislation.

Committed Fund Balance – Committed fund balances are amounts that can only be used for specific purposes as a result of constraints imposed by formal action of the Clerk & Comptroller's Office highest level of decision-making authority. Committed amounts cannot be used for any other purpose unless the Office removes those constraints by taking the same type of action.

**Pasco County, Florida
Clerk & Comptroller
Notes to Financial Statements
September 30, 2024**

NOTE 1: Summary of Significant Accounting Policies (Continued)

Assigned Fund Balance – Assigned fund balances are amounts that are constrained by the Office's intent to be used for specific purposes but are neither restricted nor committed.

Intent is expressed by (a) the constitutional officer or (b) a body or official to which the constitutional officer has delegated the authority to assign amounts to be used for specific purposes.

Unassigned Fund Balance – Unassigned fund balance is the residual classification for the General Fund.

The Clerk & Comptroller's Office policy is to expend resources in the following order: restricted, committed, assigned, and unassigned.

Interfund Transfers

Transfers are used to distribute amounts to funds that are underfunded due to insufficient revenue streams. Amounts transferred between funds for the fiscal year ended September 30, 2024, were as follows:

	Transfers In	Transfers Out
Major Funds:		
General Fund	\$ -	\$ 3,186,620
Fine and Forefeiture Fund	1,409,879	-
Public Records Modernization Trust Fund	419,956	-
Court Technology Trust Fund	124,354	-
Total Major Funds	<u>1,954,189</u>	<u>3,186,620</u>
Nonmajor Governmental Funds:		
Legal Resource Center Fund	<u>7,095</u>	<u>-</u>

**Pasco County, Florida
Clerk & Comptroller
Notes to Financial Statements
September 30, 2024**

NOTE 1: Summary of Significant Accounting Policies (Continued)

Use of Estimates

The preparation of the financial statements in accordance with U.S. GAAP requires management of the Clerk & Comptroller to make estimates and assumptions that affect the amounts reported in the financial statements and the accompanying notes. Actual results could differ from those estimates.

Subsequent Events

Management has evaluated subsequent events through the date that the financial statements were available to be issued, March 14, 2025, and determined there were no events that occurred that required disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these consolidated financial statements.

NOTE 2: Budgetary Process

The portion of the annual operating budget of the Clerk & Comptroller funded through an appropriation from the Board is submitted to the Board for approval. Consequently, funding for the operations of the Clerk & Comptroller is provided from general revenues of the Board and is supplemented by fees charged by the Clerk & Comptroller pursuant to Florida Statutes.

Pursuant to Section 28.36, Florida Statutes, a balanced court-related budget must be prepared on or before June 1 and submitted to the Florida Clerks of Court Operations Corporation (the Corporation). The Corporation shall complete its review and adjustments to the various Clerks' budget requests and make its recommendations to the Legislature and Supreme Court by October 1 each year.

The budget for the general fund, and special revenue funds, except for the foreclosure surplus fee funds, which are not budgeted, are prepared in accordance with GAAP.

The annual budget serves as the legal authorization for expenditures. Any subsequent amendments to the Clerk & Comptroller's appropriation funded by the Board must be approved by the Board, and any subsequent amendments of the court-related budget must be approved by the Corporation. Expenditures may not legally exceed appropriations at the fund level. Budgetary control is maintained at the fund level. Budgetary changes within major object expenditure categories are made at the discretion of the Clerk & Comptroller. The original budget is the first complete appropriated budget. The final budget is the original budget adjusted by all supplemental appropriations and other legally authorized changes applicable to the fiscal year, whenever legally authorized.

**Pasco County, Florida
Clerk & Comptroller
Notes to Financial Statements
September 30, 2024**

NOTE 3: Cash and Cash Equivalents

On September 30, 2024, the carrying value of the Clerk & Comptroller's cash and cash equivalents was as follows:

Type	Carrying Value	Credit Rating	Maturities
Cash and cash equivalents:			
Cash on hand	\$ 17,400	N/A	N/A
Demand deposits	30,263,286	N/A	N/A
Florida PRIME	9,814,626	AAAm	36 days
Florida Trust	8,353,250	AAAm	37.91 days
Total cash and cash equivalents	<u>\$ 48,448,562</u>		

Such amounts are reported as \$21,636,772, \$5,048,006, and \$21,763,784 in the governmental funds, internal service fund, and custodial funds, respectively.

Fair Value Measurement

As required by GASB Statement No. 72, Fair Value Measurement and Application, the Clerk & Comptroller categorizes its assets and liabilities carried at fair value within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on valuation inputs used to measure the fair value of the asset. Level I inputs are quoted market prices in active markets for identical assets; Level II inputs are significant other observable inputs; Level III inputs are significant unobservable inputs. The Clerk & Comptroller has no assets or liabilities that are carried at fair value that are subject to the leveling disclosures.

Custodial Credit Risk

On September 30, 2024, the Clerk & Comptroller's deposits were entirely covered by federal depository insurance or by collateral pledged with the State Treasurer pursuant to Chapter 280, Florida Statutes. Under this chapter, in the event of default by a participating financial institution (a qualified public depository), all participating institutions are obligated to reimburse the governmental entity for the loss.

Concentration of Credit Risk

To manage concentration of investment risk, the Clerk follows section 218.415(8), Florida Statutes. Investments held are diversified to the extent practical. This is done to control loss resulting from overconcentration of assets in a specific maturity, issuer, instrument, or financial institution. Diversification strategies are discussed with management staff when appropriate.

Credit Risk

The Clerk & Comptroller's policy is to follow the guidance in Sections 219.075 and 218.415, Florida Statutes. Investment transactions are limited to qualified public depositories, Florida PRIME, an external

investment pool administered by the Florida State Board of Administration (SBA), and the Florida Local Government Investment Trust, an authorized investment under Section 218.415(16)(a), Florida Statutes and is an intergovernmental investment pool created by interlocal agreement under Section 163.01, Florida Statutes.

Interest Rate Risk

The Clerk & Comptroller's investment maturities are less than five years. As of September 30, 2024, the only investments held by the Clerk & Comptroller were Florida PRIME and the Florida Local Government Investment Trust, which are treated as cash equivalents. These investments comply with Sections 219.075 and 218.415, Florida Statutes.

NOTE 4: Risk Management

The Clerk & Comptroller is exposed to various risks of loss, including, but not limited to, general liability, auto liability, and workers' compensation. The County has established a risk management program to self-insure claims against the Board and the constitutional officers for various risks. The Clerk & Comptroller participates in the County's risk management program.

The County has worker's compensation insurance with a \$1,000,000 deductible per occurrence for all claims. The County's general liability insurance has \$500,000 retention per claim with \$1,000,000 coverage per occurrence and \$2,000,000 aggregate. Negligence claims in excess of the statutory limits set in Section 768.28, Florida Statutes, which provide for limited sovereign immunity of \$100,000/\$200,000 per occurrence can only be recovered through an act of the State Legislature. Effective October 1, 2011, sovereign immunity limits were increased to \$200,000 per person and \$300,000 per claim for claims incurred after that date. All liabilities associated with these self-insured risks are reported in the basic financial statements of the County.

The Clerk & Comptroller has an insurance fund that accounts for a self-insured plan for employee group dental, vision, and for premiums paid to the County's self-insured plan for health and prescription drugs. As of September 30, 2024, the insurance fund had \$5,048,006 of available net assets to fund claims liabilities and insurance premiums paid to the County's self-insured fund. The claims liability of \$809,042 reported in the Internal Service fund Statement of Net Position at September 30, 2024 is based on the provisions of GASB Statement No. 10, Accounting and Financial Reporting for Risk Financing and Related Insurance Issues, which requires that a liability for unpaid claims costs, including estimates of costs related to incurred but not reported claims, be accrued when insured events occur.

Changes in claims liability amounts during the past two fiscal years are as follows:

	<u>Balance, October 1,</u>	<u>New Claims and Changes in Estimates</u>	<u>Claim Payments</u>	<u>Balance, September 30,</u>
Fiscal year:				
2023	\$ 292,325	3,987,088	3,991,915	\$ 287,498
2024	\$ 287,498	4,754,425	4,232,881	\$ 809,042

**Pasco County, Florida
Clerk & Comptroller
Notes to Financial Statements
September 30, 2024**

NOTE 5: Claims and Contingencies

Federal and State Grants

Grant funds received by the Clerk & Comptroller are subject to audit by grantor agencies. Audits of these grants may result in disallowed costs, which may constitute a liability of the Clerk & Comptroller. In the opinion of management, disallowed costs, if any, would be immaterial to the financial position of the Clerk & Comptroller.

Litigation

The Clerk & Comptroller is involved as defendant or plaintiff in certain litigation and claims arising from the ordinary course of operations. Any judgments against the Clerk & Comptroller would be settled by the Board. In the opinion of the Clerk & Comptroller and legal counsel, the range of potential recoveries or liabilities will not materially affect the financial position of the Clerk & Comptroller.

MANAGEMENT LETTER

The Honorable Nikki Alvarez-Sowles, Esq.,
Clerk of Circuit Court and County Comptroller
Pasco County, Florida

Report on the Financial Statements

We have audited the financial statements of the Pasco County Clerk of Circuit Court and County Comptroller (Clerk & Comptroller), as of and for the year ended September 30, 2024, and have issued our report thereon dated March 14, 2025.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in accordance with *Government Auditing Standards*, and Independent Accountant's Reports on examinations conducted in accordance with *AICPA Professional Standards*, AT-C Section 315 regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated March 14, 2025, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554.(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial report. There were no such findings or recommendations made in the preceding annual financial report.

Financial Management

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, the Clerk of Circuit Court and County Comptroller, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

The Honorable Nikki Alvarez-Sowles, Esq.,
Clerk of Circuit Court and County Comptroller
Pasco County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of each major fund and the aggregate remaining fund information of the Pasco County Clerk of Circuit Court and County Comptroller (Clerk & Comptroller), as of and for the year ended September 30, 2024, and the related notes to the financial statements, which collectively comprise the Clerk & Comptroller's financial statements, and have issued our report thereon dated March 14, 2025.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Clerk & Comptroller's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Clerk & Comptroller's internal control. Accordingly, we do not express an opinion on the effectiveness of the Clerk & Comptroller's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Clerk & Comptroller's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Clerk & Comptroller's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Clerk & Comptroller's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE WITH SECTION 218.415, FLORIDA STATUTES

The Honorable Nikki Alvarez-Sowles, Esq.,
Pasco County Clerk of Circuit Court and County Comptroller
Pasco County, Florida

We have examined the Pasco County Clerk of Circuit Court and County Comptroller's (Clerk & Comptroller) compliance with the requirements of Section 218.415, Florida Statutes, *Local Government Investment Policies*, during the year ended September 30, 2024. Management of the Clerk & Comptroller is responsible for the Clerk & Comptroller's compliance with the specified requirements. Our responsibility is to express an opinion on the Clerk & Comptroller's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Clerk & Comptroller complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Clerk & Comptroller complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Clerk & Comptroller's compliance with specified requirements.

In our opinion, the Clerk & Comptroller complied, in all material respects, with the requirements of Section 218.415, Florida Statutes, *Local Government Investment Policies*, for the year ended September 30, 2024.

This report is intended solely for the information and use of management and the State of Florida Auditor General, and is not intended to be and should not be used by anyone other than these specified parties.

**INDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE WITH
SECTIONS 28.35 AND 28.36, FLORIDA STATUTES**

The Honorable Nikki Alvarez-Sowles, Esq.,
Pasco County Clerk of Circuit Court and County Comptroller
Pasco County, Florida

We have examined the Pasco County Clerk of Circuit Court and County Comptroller's (Clerk & Comptroller) compliance with the requirements of Section 28.35, Florida Statutes, *Florida Clerks of Court Operations Corporation*, and Section 28.36, Florida Statutes, *Budget Procedure*, during the year ended September 30, 2024. Management of the Clerk & Comptroller is responsible for the Clerk & Comptroller's compliance with the specified requirements. Our responsibility is to express an opinion on the Clerk & Comptroller's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Clerk & Comptroller complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Clerk & Comptroller complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Clerk & Comptroller's compliance with specified requirements.

In our opinion, the Clerk & Comptroller complied, in all material respects, with the requirements of Section 28.35, Florida Statutes, *Florida Clerks of Court Operations Corporation*, and Section 28.36, Florida Statutes, *Budget Procedure*, for the year ended September 30, 2024.

This report is intended solely for the information and use of management and the State of Florida Auditor General, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT

Honorable Mike Wells
Property Appraiser
Pasco County, Florida

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the major fund of the Pasco County, Florida Property Appraiser ("Property Appraiser") as of and for the year ended September 30, 2024, and the related notes to the financial statements, which collectively comprise the Property Appraiser's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the major fund of the Property Appraiser, as of September 30, 2024, and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Property Appraiser and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of the major fund only for that portion of the major fund of Pasco County, Florida that is attributable to the Property Appraiser. They do not purport to, and do not, present fairly the financial position of Pasco County, Florida as of September 30, 2024 and the changes in its financial position for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to these matters.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Pasco County, Florida Property Appraiser's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Property Appraiser's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Property Appraiser's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Budgetary Comparison Schedule – General Fund, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated April 29, 2025 on our consideration of the Property Appraiser's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Property Appraiser's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Property Appraiser's internal control over financial reporting and compliance.

Pasco County, Florida
Property Appraiser
Notes to Financial Statements

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Pasco County (the "County"), founded in 1887, is a non-chartered political subdivision of the State of Florida and is authorized the power of self-government by the Constitution of the State of Florida and Florida Statutes. The Constitution of the State of Florida also provides for five Constitutional Officers with specific duties and reporting responsibilities prescribed by Statute.

The Pasco County, Florida Property Appraiser (the "Property Appraiser"), is an elected constitutional officer as provided for by the Constitution of the State of Florida. Pursuant to Chapter 195.087, Florida Statutes, the Property Appraiser's budget is submitted to the Florida Department of Revenue for approval and a copy is forwarded to the Pasco County Board of County Commissioners (the "Board").

As an elected official of Pasco County, Florida (the "County"), the Property Appraiser is charged with the responsibility to determine the taxable value of all real and tangible property within the County, maintain associated financial and property records, and providing the Pasco County Tax Collector with the certified value of real and tangible property and tax millages levied by the respective taxing authorities.

Reporting Entity

The Property Appraiser's financial statements have been prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida (the "Rules"). These financial statements are the fund financial statements required by generally accepted accounting principles. However, these fund statements do not constitute a complete presentation because, in conformity with the Rules, the Property Appraiser has not presented reconciliations to the government-wide financial statements, the government-wide financial statements, management's discussion and analysis, or the pension or the other post-employment benefit related required supplementary information. Also, certain notes to the financial statements may supplement rather than duplicate the notes included in the County's countywide financial statements. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position, where applicable, of the major fund, only for that portion of the major fund, of Pasco County, Florida, that is attributable to the Property Appraiser. They do not purport to, and do not, present fairly the financial position of Pasco County, Florida, as of September 30, 2024, and the changes in its financial position, for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Measurement Focus, Basis of Accounting and Financial Statement Presentation

The accounting and financial reporting treatment is determined by the applicable measurement focus and basis of accounting. Measurement focus indicates the type of resources being measured such as *current financial resources* or *economic resources*. The basis of accounting indicates the timing of transactions or events for recognition in the financial statements.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences, and claims and judgments, are recorded only when payment is due. General capital asset acquisitions are reported as expenditures in governmental funds. Issuance of long-term debt and acquisitions under capital leases are reported as other financing sources.

Fund Financial Statements

The Property Appraiser's only governmental fund is the general fund. The general fund is used to account for the general operations of the Property Appraiser.

Substantially, all of the Property Appraiser's inflow of resources are received from taxing authorities. These moneys are unrestricted and are revocable only for failure to comply with prescribed compliance requirements. These resources are reflected as revenues at the time of receipt; earlier if the "susceptible to accrual" criteria are met.

Interest income and other revenue are recognized as they are earned and become measurable and available to pay liabilities of the current period.

Florida Statutes provide that the amount by which revenues and transfers exceed annual expenditures be remitted to the Board immediately following the fiscal year during which the other revenues were recognized.

Florida Statutes further provide that the excess of revenues over expenditures held by the Property Appraiser be distributed to each governmental agency in the same proportion as the fees paid by each governmental agency bear to total fee revenues. The amount of this distribution is recorded as a liability and as another financing use in the accompanying financial statements.

Budgetary Information

Budgetary basis of accounting

Section 195.087, Florida Statutes, governs the preparation, adoption, and administration of the Property Appraiser's annual budget. The Property Appraiser prepares a budget for the general fund and submits it to the Florida Department of Revenue for approval. Any subsequent amendments to the total budget must be approved by the Florida Department of Revenue.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Budgetary Information (Continued)

Budgetary basis of accounting (Continued)

The budget for the general fund is prepared on a basis consistent with U.S. generally accepted accounting principles. The annual budget serves as the legal authorization for expenditures. Budgetary control is maintained at the major object expenditure level.

Expenditures may not legally exceed appropriations at the fund level and appropriations lapse at year-end. Budgetary changes within major object expenditure categories are made at the discretion of the Property Appraiser.

The original budget is the first complete appropriated budget. The final budget is the original budget adjusted by all reserves, transfers, allocations, supplemental appropriations, and other legally authorized changes applicable to the fiscal year, whenever legally authorized.

Assets, Liabilities, and Fund Balance

Cash and Cash Equivalents

The Property Appraiser's cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition.

Payables

Accounts payable and payroll accruals are recorded on the modified accrual basis in the general fund. Under the modified accrual basis, expenditures are recorded when the fund liability is incurred and due.

Due to Accounts

The Property Appraiser records a liability for excess appropriations required to be refunded to the Board.

Compensated Absences

All full-time employees of the Property Appraiser are entitled to paid time off (PTO) and major medical leave. The employees are generally allowed to accumulate PTO with an unlimited amount of hours that can be carried into the next fiscal year. Major medical leave is accrued at a maximum of 80 hours per year and is the maximum amount that can be used during the year. PTO and major medical leave payments are included in personal services expenditures when the payments are made to the employees. The liability for compensated absences is not reported in the general fund, but rather is reported in the basic financial statements of the Board.

Pasco County, Florida
Property Appraiser
Notes to Financial Statements

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make various estimates. Actual results could differ from those estimates.

Subsequent Events

Management has evaluated subsequent events through the date that the financial statements were available to be issued, April 29, 2025, and determined there were no events that occurred that required disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these consolidated financial statements.

Note 2: DETAILED NOTES ON ALL FUNDS

Deposits

As of September 30, 2024, a portion of the Property Appraiser's bank balances is covered by federal depository insurance (FDIC). Monies invested in amounts greater than the insurance coverage are secured by the qualified public depositories pledging securities with the State Treasurer in such amounts required by the Florida Security for Public Depositories Act. In the event of a default or insolvency of a qualified public depositor, the State Treasurer will implement procedures for payment of losses according to the validated claims of the Property Appraiser pursuant to Section 280.08, Florida Statutes.

At September 30, 2024, the carrying value of the Property Appraiser's cash and cash equivalents was as follows:

Type	Carrying Value
Cash on hand	\$ 93
Demand deposits	36,272
Money market account	402,713
Total cash and cash equivalents	\$ 439,078

Custodial credit risk – Custodial credit risk for deposits is the risk in the event of the failure of a depository financial institution a government may not be able to recover deposits. Monies placed on deposit with financial institutions in the form of demand deposits, time deposits or certificate of deposits are defined as public deposits. The financial institutions in which the Property Appraiser places its deposits are certified as “qualified public depositories,” as required under the Florida Security for Public Deposits Act. For an investment, this is the risk that, in the event of the failure of the counterparty, the Property Appraiser will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party.

Pasco County, Florida
Property Appraiser
Notes to Financial Statements

Note 2: DETAILED NOTES ON ALL FUNDS (Continued)

Deposits (Continued)

Interest rate risk – Interest rate risk is the possibility that interest rates will rise and reduce the fair value of an investment. The Property Appraiser’s investment policy limits interest rate risk by requiring that an attempt be made to match investment maturities with known cash needs and anticipated cash flow requirements. In addition, investments of current operating funds are required to have maturities of no longer than twelve months.

Credit risk – Section 150: *Investments* of the GASB Codification requires that governments provide information about credit risk associated with their investments by disclosing the credit rating of investments in debt securities as described by nationally recognized statistical rating organizations. The Property Appraiser’s investment policy limit investments to securities with specific ranking criteria.

Concentration of credit risk – Concentration of credit risk is the risk of loss attributed to the magnitude of the Property Appraiser’s investment in a single issuer. The Property Appraiser’s investment policy does not address concentration of credit risk. At year end, there were no investments that constitute a concentration of credit risk.

The Property Appraiser has no written investment policy and therefore follows the guidance in Section 219.075, Florida Statutes, regarding the deposit of funds received and the investment of surplus funds. Sections 219.075 and 218.415, Florida Statutes, authorize the Property Appraiser to invest in the Local Government Surplus Funds Trust Fund or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act; Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency; and direct obligations of the U.S. Treasury. Additionally, Florida Statutes allow local governments to place public funds in interest bearing time deposits or savings accounts in qualified public depositories that participate in a collateral pool under the Florida Security for Public Deposits Act (Section 280.02 Florida Statutes).

Note 3: RISK MANAGEMENT

Pasco County (the County) is exposed to various risks of loss, including but not limited to general liability, auto liability, and workers’ compensation. The County is substantially self-insured and accounts for and finances its risks of uninsured loss through an internal service fund. The Property Appraiser participates in the County’s risk management program. All liabilities associated with these self-insured risks are reported in the basic financial statements of the Board.

Pasco County, Florida
Property Appraiser
Notes to Financial Statements

Note 3: RISK MANAGEMENT (Continued)

The County has worker's compensation insurance with a \$1,000,000 deductible per occurrence for all claims. The County has general liability insurance with \$500,000 retention per claim with \$1,000,000 retention limit per occurrence and \$2,000,000 aggregate. Negligence claims in excess of the statutory limits set in Section 768.28, Florida Statutes, which provide for limited sovereign immunity of \$100,000/\$200,000 per occurrence, can only be recovered through an act of the State Legislature. Effective October 1, 2011, sovereign immunity limits were increased to \$200,000 per claim and \$300,000 per occurrence for claims incurred after that date. The County had workers' compensation insurance with a \$750,000 deductible per occurrence for police/fire, and a \$650,000 deductible per occurrence for all others. Settlements have not exceeded coverage in any of the past three fiscal years. All liabilities associated with these self-insured risks are reported in the basic financial statements of the County.

Note 4: RELATED PARTY TRANSACTIONS

During the year ended September 30, 2024, the Board provided funding for the Property Appraiser that amounted to \$7,302,680. At September 30, 2024, the Property Appraiser has a payable due to the Board of \$369,494 related to the distribution of excess commissions.

Note 5: COMMITMENTS AND CONTINGENCIES

The Property Appraiser is involved as defendant or plaintiff in certain litigation and claims arising from the ordinary course of operations, primarily relating to challenges on property value assessments. Any judgments against the Property Appraiser would be settled by the Board. In the opinion of the Property Appraiser and legal counsel, the range of potential recoveries or liabilities will not materially affect the financial position of the Property Appraiser.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Honorable Mike Wells
Property Appraiser
Pasco County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the general fund of the Pasco County, Florida Property Appraiser ("Property Appraiser"), as of and for the year ended September 30, 2024, and the related notes to the financial statements, which collectively comprise the Property Appraiser's basic financial statements, and have issued our report thereon dated April 29, 2025, which contains an emphasis of matter to refer to a basis of accounting required for compliance with state filing requirements, however, our report was not modified with respect to this matter.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Property Appraiser's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Property Appraiser's internal control. Accordingly, we do not express an opinion on the effectiveness of the Property Appraiser's internal control.

A *deficiency* in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Property Appraiser's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

MANAGEMENT LETTER

Honorable Mike Wells
Property Appraiser
Pasco County, Florida

Report on the Financial Statements

We have audited the financial statements of the Pasco County, Florida Property Appraiser ("Property Appraiser"), as of and for the year ended September 30, 2024, and have issued our report thereon dated April 29, 2025, which contain an emphasis of matter to refer to a basis of accounting required for compliance with state filing requirements however, our report was not modified with respect to this matter.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*; and Independent Accountant's Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports and schedule, which are dated April 29, 2025, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. Corrective actions have been taken to address all findings and recommendations made in the preceding annual financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The Pasco County, Florida Property Appraiser was established by the Constitution of the State of Florida, Article VIII, Section 1(d). The Pasco County Property Appraiser does not have any component units.

Financial Management

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not note any such findings.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Pasco County, Florida Property Appraiser, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANT'S REPORT

Honorable Mike Wells
Property Appraiser
Pasco County, Florida

We have examined the Pasco County, Florida Property Appraiser's ("Property Appraiser") compliance with Section 218.415, Florida Statutes, regarding the investment of public funds during the year ended September 30, 2024. Management is responsible for the Property Appraiser's compliance with those requirements. Our responsibility is to express an opinion on the Property Appraiser's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Property Appraiser complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Property Appraiser complied with the specified requirements. The nature, timing and extent of the procedures selected depend on our judgement, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Our examination does not provide a legal determination on the Property Appraiser's compliance with specified requirements.

In our opinion, the Property Appraiser complied, in all material respects, in all material respects, with the aforementioned requirements for the year ended September 30, 2024.

This report is intended solely for the information and use of the Property Appraiser and the Auditor General, State of Florida and is not intended to be, and should not be, used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT

Honorable Chris Nocco
Sheriff
Pasco County, Florida

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of each major fund and the aggregate remaining fund information of the Pasco County, Florida Sheriff ("the Sheriff") as of and for the year ended September 30, 2024, and the related notes to the financial statements, which collectively comprise the Sheriff's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of each major fund and the aggregate remaining fund information of the Sheriff, as of September 30, 2024, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Sheriff and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of each major fund and the aggregate remaining fund information, only for that portion of the major funds and the aggregate remaining fund information, of Pasco County, Florida that is attributable to the Sheriff. They do not purport to, and do not, present fairly the financial position of Pasco County, Florida as of September 30, 2024 and the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to these matters.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Sheriff's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Sheriff's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Sheriff's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Schedule of Revenues, Expenditures, and Changes in Fund Balance – Budget and Actual – General Fund be presented to supplement the financial statements. Such information, although not a required part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Sheriff's basic financial statements. The supplementary information listed in the table of contents is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated April 29, 2025, on our consideration of the Sheriff's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Sheriff's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Sheriff's internal control over financial reporting and compliance.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

Pasco County (the County), founded in 1887, is a non-chartered political subdivision of the State of Florida and is authorized the power of self-government by the Constitution of the State of Florida and Florida Statutes. The Constitution of the State of Florida also provides for five Constitutional Officers with specific duties and reporting responsibilities prescribed by Statute.

The Pasco County, Florida Sheriff (the Sheriff) is an elected constitutional officer as provided for by the Constitution of the State of Florida. Pursuant to Chapter 129, *Florida Statutes*, the Sheriff's budget is submitted to the Pasco County, Florida Board of County Commissioners (the "Board") for approval.

The Sheriff is the chief law enforcement officer of Pasco County, Florida (the County). Responsibility for the County's corrections facilities transferred from the Sheriff to the County effective October 1, 2022. The financial statements include the general fund, special revenue funds, internal service fund, and fiduciary funds of the Sheriff's office. The accompanying financial statements were prepared for the purpose of complying with Section 218.39, *Florida Statutes*, and Section 10.557(3), *Rules of the Auditor General for Local Governmental Entity Audits*.

The Sheriff's financial statements have been prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida (Rules). These financial statements are the fund financial statements required by generally accepted accounting principles. However, these fund statements do not constitute a complete presentation because, in conformity with the Rules, the Sheriff has not presented reconciliations to the government-wide financial statements, the government-wide financial statements, management's discussion and analysis, pension and other post-employment benefit related required supplementary information. Also, certain notes to the financial statements may supplement rather than duplicate the notes included in the County's countywide financial statements. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position, where applicable, of each major fund and the aggregate remaining fund information, only for that portion of each major fund and the aggregate remaining fund information, of the Pasco County, Florida, that is attributable to the Sheriff. They do not purport to, and do not, present fairly the financial position of Pasco County, Florida, as of September 30, 2024, and the changes in its financial position, where applicable, for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

The financial activities of the Sheriff, as a constitutional officer, are included in Pasco County, Florida's Annual Comprehensive Financial Report.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Measurement Focus, Basis of Accounting, and Basis of Presentation

Fund financial statements report detailed information about the Sheriff. The focus of governmental fund financial statements is on major funds rather than reporting funds by type. Each major fund is reported in a separate column.

Governmental Funds

Governmental funds are accounted for using the flow of current financial resources measurement focus. Only current assets and current liabilities, generally, are included on the balance sheet.

Operating statements for these funds present increases (i.e., revenues and other financing sources) and decreases (i.e., expenditures and other financing uses) in net current assets. The Sheriff reports the following major governmental funds:

General Fund – The general fund is used to account for the general operations of the Sheriff and includes all transactions, which are not accounted for in another fund.

The Sheriff also has 36 nonmajor special revenue funds, the majority of which account for various individual grants.

The modified accrual basis of accounting is used by governmental funds. Under the modified accrual basis of accounting, revenue is recognized when susceptible to accrual (i.e., when they become measurable and available to finance liabilities of the current fiscal year). For this purpose, with the exception of grants, the Sheriff considers revenues to be available if they are collected within 60 days of the end of the current period. Grant revenues are considered available if collected within one year of the current period. Expenditures are recorded when the related fund liability is incurred, except for certain compensated absences, which are recognized as expenditures to the extent they have matured.

Substantially all of the Sheriff's funding is appropriated by the Board. In applying the susceptible to accrual concept to intergovernmental revenue, there are essentially two types of revenue. In one, moneys must be expended on the specific purpose or project before any amounts will be paid to the Sheriff; therefore, revenue is recognized based upon the expenditures incurred. Grant revenue is recorded in this manner. In the other, moneys are virtually unrestricted and are revocable only for failure to comply with prescribed compliance requirements. These resources are reflected as revenue at the time of receipt, or earlier, if the "susceptible to accrual" criteria are met.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Measurement Focus, Basis of Accounting, and Basis of Presentation (Continued)

Governmental Funds (Continued)

Charges for services, interest income, and other revenue are recognized as they are earned and become measurable and available to pay liabilities of the current period.

Florida Statutes provide that the amount by which revenues and transfers exceed annual expenditures be remitted to the Board immediately following the fiscal year for which the funding was provided or following the fiscal year during which other revenue was recognized. The amount of this distribution is recorded as a liability and as another financing use in the accompanying financial statements.

Proprietary Funds

Proprietary funds are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services, and from producing and delivering goods in connection with a proprietary fund's principal ongoing operations. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

The Sheriff has one proprietary fund.

Internal Service Fund – This fund is used to account for the health insurance services provided to departments of the Sheriff's Office on a cost-reimbursement basis. The operating revenues of the Sheriff's internal service fund are charges for services to other funds. Operating expenses of this fund include claims payments and other contracted services.

Fiduciary funds

Custodial Funds – These funds are used to account for assets held by the Sheriff in a trustee capacity or as an agent for individuals, private organizations, and other governments. Custodial Funds are accounted for under the economic resources method and accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recognized when incurred.

Cash

Cash balances are pooled, with the exception of some special revenue and custodial funds. Interest earned from pooled cash is allocated to the respective funds based on each fund's average equity in the pooled fund.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Inventory

The general fund maintains inventories of supplies, uniforms, and accessories, which are stated at cost. Inventory items are considered expenditures when they are used (consumption method).

Reported inventory, based on physical inventory of supplies on hand at September 30, 2024, does not constitute an available expendable resource and, thus, is reflected in nonspendable fund balance.

Deficit Fund Balances

The deficit fund balances in the At Risk Youth Grant, Connect and Protect, Pasco Task Force, InVEST, Guardian Grant, F.I.R.S.T., COPS, Gang 15 Suppression, EOC Hardening Improvements, State Assist. For Fentanyl Era, FY23 OPSG, Declared Emergency and FDLE Sting nonmajor special revenue funds are a result of timing differences between accruing expenses at year-end and requesting reimbursement from the respective granting agencies. Therefore, the Sheriff will fund the deficit through future billings to the granting agency.

Due to Accounts

The Sheriff records a liability for excess appropriations required to be refunded to the Board.

Compensated Absences

The Sheriff's employees accumulate annual leave based on years of continuous service. Upon termination of employment, employees can receive payment for accumulated leave time, if they meet certain criteria. Payments for accumulated leave time are included in operating costs when the payments are made to employees. The liability for compensated absences is not reported in the governmental funds but rather is reported in the basic financial statements of the County.

Advances

During the year ended September 30, 2015, the Board of County Commissioners advanced \$1,534,000 to the Sheriff for the purpose of establishing the health insurance internal service fund. During the year ended September 30, 2024, advance forgiveness was generated by the Board in the amount of \$436,832. The balance of \$936 remains outstanding at September 30, 2024, does not accrue interest and is expected to be repaid by the Sheriff.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of the financial statements requires management of the Sheriff to make a number of estimates and assumptions relating to the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

Fund Balance Classification

The Sheriff follows the provisions of GASB Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions* (GASB 54). GASB 54 established a fund balance classification hierarchy based primarily on the extent to which a government is bound to observe constraints imposed upon the use of the resources reported in governmental funds. Fund balances are differentiated between those amounts that are nonspendable and spendable. Further, spendable fund balances are classified as restricted, committed, assigned, or unassigned.

The classifications are as follows:

Nonspendable Fund Balance – Amounts that are not in spendable form (such as inventory and prepaid items), or are legally or contractually required to be maintained intact.

Restricted Fund Balance – Amounts that can be used only for the specific purposes stipulated by (a) external resource providers such as creditors, grantors, contributors, or laws and regulations of other governments; or (b) imposed by law through constitutional provisions or enabling legislation.

Committed Fund Balance – Amounts that can be used only for the specific purposes determined by a formal action (ordinance or resolution) by the Board of County Commissioners, with formal action occurring prior to fiscal year end. Commitments may be changed or removed only by the Commissioners taking the same formal action (ordinance) that imposed the constraint originally.

Assigned Fund Balance – Includes spendable fund balance amounts established by the Sheriff or his designee that are intended to be used for specific purposes that are neither considered restricted or committed.

Unassigned Fund Balance – This is the residual classification for the General Fund. This classification represents fund balance that has not been restricted, committed, or assigned within the General Fund. Unassigned fund balance may also include the negative balance for any governmental fund, except the General Fund, if expenditures exceed amounts restricted, committed, or assigned for those specific purposes.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fund Balance Classification (Continued)

When both restricted and unrestricted fund balances are available for expenditure, the Sheriff considers available restricted amounts to have been spent first. Further, when assigned or unassigned funds are available for expenditure, the Sheriff considers available assigned amounts to have been spent first. Assigned fund balances can be authorized by management as long as the assignment relates to an authorized budget expenditure.

Subsequent Events

Management has evaluated subsequent events through the date that the financial statements were available to be issued, April 29, 2025, and determined there were no events that occurred that required disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

Note 2: BUDGETARY PROCESS

Florida Statutes Sections 30.49, 129.021, and 129.03 govern the preparation, adoption, and administration of the Sheriff's annual budget. The Sheriff prepares a budget for the general fund and submits it to the Board for approval. The budget for the general fund is prepared on a basis that differs from U.S. GAAP. Certain revenues and expenditures related to extra duty activities, and activity under MOU agreements are not budgeted. Any subsequent amendments to the total budget must be approved by the Board. The annual budget serves as the legal authorization for expenditures. Budgetary control is maintained at the major object expenditure level. Expenditures may not legally exceed appropriations at the fund level, and appropriations lapse at year-end. Budgetary changes within major object expenditure categories are made at the discretion of the Sheriff.

The original budget is the first complete appropriated budget. The final budget is the original budget adjusted by all reserves, transfers, allocations, supplemental appropriations, and other legally authorized changes applicable to the fiscal year, whenever legally authorized.

Budgets for other funds, while prepared, are not submitted to the Board for approval as they generally are governed by federal or state grant agreements.

Pasco County, Florida
Sheriff
Notes to Financial Statements

Note 2: BUDGETARY PROCESS (Continued)

The actual results of operations in the statement of revenues, expenditures, and changes in fund balance – budget to actual – general fund are presented on a budgetary basis. Adjustments to convert the results of operations at the end of the year from the budgetary basis of accounting to the GAAP basis of accounting are as follows:

	Total Revenues	Total Expenditures	Fund Balance
Budgetary basis	\$ 5,075,874	\$ 149,479,729	\$ 215,333
Nonbudgetary activity:			
Penny for Pasco	-	4,895,852	-
Extra duty program	3,072,566	3,066,614	399,462
MOU agreements	228,541	228,541	-
GAAP basis	\$ 8,376,981	\$ 157,670,736	\$ 614,795

Note 3: CASH

At September 30, 2024, the carrying value of the Sheriff's cash and equity in pooled cash was as follows:

Demand deposits	\$ 38,053,629
	\$ 38,053,629

Such amounts are reported as \$28,072,095 in the governmental funds, \$9,171,631 in the internal service fund, and \$809,903 in the custodial funds.

Fair Value Measurement

As required by Governmental Accounting Standards Board Statement No. 72, *Fair Value Measurements and Application*, the Sheriff categorizes its assets and liabilities carried at fair value within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on valuation inputs used to measure the fair value of the asset or liability. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant observable inputs; Level 3 inputs are significant unobservable inputs.

The Sheriff has no assets or liabilities that are carried at fair value that are subject to the leveling disclosures.

Note 3: CASH (Continued)

Custodial Credit Risk

At September 30, 2024, the Sheriff's deposits were entirely covered by federal depository insurance or by collateral pledged with the State Treasurer pursuant to Chapter 280, *Florida Statutes*. Under this Chapter, in the event of default by a participating financial institution (a qualified public depository), all participating institutions are obligated to reimburse the governmental entity for the loss.

Interest Rate Risk

The Sheriff has no specific investment policy regarding interest rate risk.

Credit Risk

The Sheriff has no written investment policy and therefore follows the guidance in Section 219.075, *Florida Statutes* regarding the deposit of funds received and the investment of surplus funds. Sections 219.075 and 218.415, *Florida Statutes* authorize the Sheriff to invest in the Local Government Surplus Funds Trust Fund or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act; Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency; and direct obligations of the U.S. Treasury. Additionally, Florida Statutes allow local governments to place public funds in interest-bearing time deposits or savings accounts in qualified public depositories that participate in a collateral pool under the Florida Security for Public Deposits Act (Section 280.02 *Florida Statutes*). The pool is administered by the State Treasurer, who may make additional assessments to ensure that no public funds will be lost.

Concentration of Credit Risk

Concentrations of credit risk is the risk of loss attributed to the magnitude of the Sheriff's investment in a single issuer. The Sheriff's investment policy does not address concentration of credit risk. At year-end, there were no investments that constitute a concentration of credit risk.

Note 4: RELATED-PARTY TRANSACTIONS

At September 30, 2024, the Sheriff had a payable due to the Board of \$633,824, of which \$436,832 is related to distribution of excess appropriations, and the balance of approximately \$196,992 is related to fees earned and miscellaneous amounts.

Note 4: RELATED-PARTY TRANSACTIONS (Continued)

During the year ended September 30, 2024, the Sheriff received appropriations from the Board amounting to \$150,994,519 and net funds from an interlocal agreement of \$4,895,852. At September 30, 2024, the Sheriff reported various receivables due from the Board totaling \$564,831. Additionally, the Sheriff received appropriations for the next fiscal year during the year ended September 30, 2024. As such, a deferred inflow of resources is reported for unavailable appropriations as of September 30, 2024, of \$15,064,455.

Note 5: RISK MANAGEMENT

The Sheriff is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and injuries to employees. The County has established a risk management program to self-insure claims against the Board and the constitutional officers for various risks.

The Sheriff participates in the County's risk management program to insure against workers' compensation insurance risks and the Statewide Florida Sheriff's Self-Insurance Fund (the Fund) to insure against general liabilities claims. The Fund is managed by representatives of the participating sheriff offices and provides professional liability insurance to participating agencies. The County has worker's compensation insurance with a \$1,000,000 deductible per occurrence for all claims. The Fund provides liability insurance coverage subject to the following limitations: \$5,000,000 for any claim involving a single individual, \$5,000,000 for any incident that involves multiple claims, and an aggregate of \$10,000,000 ultimate net loss per Sheriff during any policy period. The Sheriff carries insurance through the Florida Sheriff's Automobile Risk program related to automobile insurance. There have been no significant reductions in insurance coverage in the last year. Settlements have not exceeded coverage for each of the past three fiscal years.

Premiums charged to participating sheriffs are based upon amounts believed by the Fund management to meet the estimated annual payout during the fiscal year and to pay for the estimated operating costs of the program. All liabilities associated with these self-insured risks are reported in the basic financial statements of the County or the Statewide Florida Sheriff's Fund.

The Sheriff has an insurance fund that accounts for a self-insured plan for employee group medical and prescription drug coverage. At September 30, 2024, the claims liability of \$1,068,305 reported in the Internal Service Fund Statement of Net Position is based on the provisions of GASB Statement No. 10, Accounting and Financial Reporting for Risk Financing and Related Insurance Issues, which requires that a liability for unpaid claims costs, including estimates of costs related to incurred but not reported claims, be accrued when insured events occur.

Pasco County, Florida
Sheriff
Notes to Financial Statements

Note 5: RISK MANAGEMENT (Continued)

Changes in claims liability amounts during the past two fiscal years is as follows:

	Balance October 1	Incurred Claims and Change In Estimates	Claim Payments	Balance September 30
2022	1,082,083	15,253,048	(15,740,911)	594,220
2023	594,220	14,552,932	(13,752,361)	1,394,791
2024	1,394,791	17,106,057	(17,432,543)	1,068,305

Note 6: CONTINGENCIES

Litigation

The Sheriff is involved as defendant or plaintiff in certain litigations and claims arising from the ordinary course of operations. Funding for any judgments against the Sheriff in excess of available budget funds would be requested from the Board. In the opinion of the Sheriff and legal counsel, the range of potential recoveries or liabilities will not materially affect the financial position of the Sheriff.

In March 2009, a verdict was asserted against the Pasco County Sheriff's office awarding approximately \$8.7 million to the claimant. The Florida statutory sovereign immunity provisions at that time put a cap on damages of \$100,000 and such damages were paid through the Florida Sheriff's Automobile Risk Program (SHARP). However, the claimant pursued the remaining verdict award through a claim bill with the Florida Legislature.

A settlement agreement was reached between the parties in the amount of \$325,000 per year for eight consecutive years, for a total of \$2.6 million. The first payment was made by SHARP in May 2017, with the remaining years to be paid by the Sheriff's office. The Sheriff's office has made payments in fiscal years 2019 through 2024. Payment is due each consecutive year thereafter until paid in full. The annual obligation is to be included in each future year budget allocation. As this obligation will not be paid with current available resources, no liability has been recorded in the accompanying financial statements.

Federal and State Grants

Grant funds received by the Sheriff are subject to audit by grantor agencies. Audits of these grants may result in disallowed costs, which may constitute a liability of the Sheriff. In the opinion of management, disallowed costs, if any, would be immaterial to the financial position of the Sheriff.

Pasco County, Florida
Sheriff
Nonmajor Special Revenue Funds
September 30, 2024

Special Revenue Funds are used to account for the proceeds of special revenue sources that are legally restricted to specified purposes. The Pasco County, Florida Sheriff (the Sheriff) has the following nonmajor special revenue funds:

Training Fund – This fund accounts for fines and forfeitures for noncriminal traffic infraction payments that are paid to the Clerk of the Circuit Court and remitted to the Sheriff to be used for agency training programs.

Confiscation Fund – These funds are generated at the Sheriff's Office level from funds confiscated as a result of an arrest and forwarded to the Board. Each expenditure within the fund must be approved by the Board before the funds are transferred to the Sheriff to be expended for the specified purpose.

Unclaimed Evidence Fund – Funds are collected within the Unclaimed Evidence Fund when evidence related to formally resolved legal matters is not claimed in a timely manner and the Sheriff has exhausted all of the necessary procedures in an effort to remit payment to the appropriate individual. The money is then deposited into and accounted for in the Unclaimed Evidence Fund. Funds can then be used in accordance with Florida Statute 705.

VOCA Grant Fund – This Fund accounts for federal awards passed through from the Florida Office of Attorney General and are used to provide assistance for victims of crime.

At Risk Youth Grant Fund – This fund accounts for funds received from the Department of Juvenile Justice for Youth Diversion programs.

Commissary Fund – This fund accounts for the receipts and disbursement of the Sheriff's Commissary activity.

Parking Enforcement Fund – Parking citations for illegally parking in a disabled parking area are paid to the Clerk of the Circuit Court, per County Ordinance 97-14. A portion of the amount collected is remitted to the Sheriff and accounted for in the Parking Enforcement Fund. These funds are to be used to defray expenses for the administration and enforcement of the disabled parking sections.

Federal Forfeiture Fund – In accordance with the Federal Government Controlled Substances Act, in an effort to enhance the cooperation of state and local law enforcement offices, any state or local law enforcement agency that directly participates in an investigation or prosecution that results in a federal forfeiture may request an equitable share of the net proceeds of the forfeiture. The amount to be requested can be calculated by using the Guide to Equitable Sharing of Federally Forfeited Property for State and Local Law Enforcement Agencies. Once the funds have been collected by the Board from the federal government, the funds can be used toward activities to enhance future investigations, law enforcement training, and the purchase of law enforcement equipment such as body armor and firearms. Each expenditure within the fund must be approved by the Board before the funds are transferred to the Sheriff to be expended for the specified purpose.

Pasco County, Florida
Sheriff
Nonmajor Special Revenue Funds (Continued)
September 30, 2024

Connect and Protect – This fund accounts for funds received from the Office of Justice Programs in order to implement a crisis and de-escalating program for mental health calls in the County dispatch center.

Pasco Task Force Fund – This fund accounts for funds passed through the Florida Department of Law Enforcement from the U.S. Department of Justice. These funds provide for a multi-jurisdictional drug task force involving all local police departments.

Pasco HIDTA Task Force Fund – This fund accounts for funds provided by Central Florida High Intensity Drug Trafficking Areas Program from the Office of National Drug Control Policy to fight drug trafficking in Pasco County.

Crime Prevention Fund – This fund accounts for funds received in accordance with the Crime Prevention ordinance per Florida Statute 775.083.

InVEST Grant – This fund accounts for funds provided by the Department of Children and Families from the STOP Violence Against Women Program. Funds provide a dedicated detective to serve victims of domestic and dating violence.

OPSG FY21 Florida Pasco - This fund accounts for funds in support of joint missions with Homeland Security and the Department of Emergency Management to secure land-based and waterborne smuggling routes.

Guardian Grant – This fund accounts for funds provided by the Florida Department of Education to train and equip persons to provide security and protection at schools in Pasco County.

Varnadoe Forensics Grant – This fund accounts for funds received from the Florida Department of Law Enforcement to expand Intelligence Led Policing and Police Forensics facilities.

F.I.R.S.T. – This fund accounts for funds required to promote activities and education in the areas of forensics, research, security and tactics.

Explorer/LRC Construction – This fund provides for expansion of Explorer facilities and a Leadership Reaction Course.

COPS – This fund accounts for funds received through the Department of Justice, Office of Community Oriented Policing Services in support of 30 new officer positions.

Safe Neighborhood – This fund accounts for the funding of software licenses that promote data integration and sharing.

Pasco County, Florida
Sheriff
Nonmajor Special Revenue Funds (Continued)
September 30, 2024

SNAP PGI Fund – Also known as “program generated income.” This fund consists of the net proceeds of a forfeiture in which a detective(s) of the Pasco Task Force fund directly participated in the investigation or prosecution.

Drone Replacement – This fund accounts for the funding to replace noncompliant drones with a drone from an approved manufacturer that meets minimum security standards.

Gang 15 Suppression – This fund accounts for funds used to target gang activity funded through the Department of Justice. Funds are used to continue a program targeting gang activity.

COPS Technology & Equipment – This fund accounts for the funding to improve the effectiveness and flow of information through equipment, technologies and interoperable communication in responding and preventing crime.

EOC Hardening Improvements – This fund accounts for the funding to support the implementation of critical hardening measures to the Sheriff’s Office Emergency Operations Center.

State Assistance for Fentanyl Era - This fund accounts for the funding to support the reimbursement for approved fentanyl-related investigative operations.

Identity Theft – This fund accounts for the funding to support increased investigation and enforcement efforts by reimbursing registration and online training for identity theft and fraud.

FY23 OPSG – This fund accounts for funds in support of joint missions with Homeland Security and the Department of Emergency Management to secure land-based and waterborne smuggling routes.

Explorer Post #916 – Explorer Post #916 is chartered by the Boy Scouts of America and sponsored by the Pasco Sheriff’s Office. Explorers are young adults, ages 14-21, interested in law enforcement as a career. Explorers receive training on all aspects of modern law enforcement.

Center for Recovery of Endangered and Missing Persons (CREMP) – This fund accounts for the construction of a state of the art facility to aid in the location of missing and endangered persons.

Declared Emergency – This fund accounts for efforts during a declared emergency when reimbursement from FEMA or another agency will be requested.

FDLE Sting – This fund accounts for the funding for equipment/supplies and software to conduct online sting operations.

JAG Gang Suppression XIV – This fund accounts for funds used to target gang activity funded through the Department of Justice. Funds are used to continue a program targeting gang activity.

Pasco County, Florida
Sheriff
Nonmajor Special Revenue Funds (Continued)
September 30, 2024

Child Protective Services – This fund accounted for funding provided by Department of Children and Family Services to the Sheriff’s Office to handle Child Protective Services, this agreement has ended.

FY22 OPSG PA – This fund accounts for funds in support of joint missions with Homeland Security and the Department of Emergency Management to secure land-based and waterborne smuggling routes.

Deployable Emergency Operations – The fund is used to support the Deployable Emergency Operations facility by procuring the necessary equipment to respond to various disaster and critical incidents taking place in Pasco County.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS**

Honorable Chris Nocco
Sheriff
Pasco County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of each major fund and the aggregate remaining fund information of the Pasco County, Florida Sheriff (the Sheriff) as of and for the year then ended September 30, 2024, and the related notes to the financial statements, which collectively comprise the Sheriff's basic financial statements, and have issued our report thereon dated April 29, 2025, which contains an emphasis of matter to refer to a basis of accounting required for compliance with state filing requirements, however, our report was not modified for this matter.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Sheriff's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Sheriff's internal control. Accordingly, we do not express an opinion on the effectiveness of the Sheriff's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Sheriff's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Pasco County, Florida Sheriff's Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on the Pasco County, Florida Sheriff's response to the findings identified in our audit and described in the accompanying schedule of findings and questioned costs. The Pasco County, Florida Sheriff's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Sheriff's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Sheriff's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

A handwritten signature in black ink that reads "Carr, Riggs & Ingram, L.L.C." with a stylized flourish at the end.

MANAGEMENT LETTER

Honorable Chris Nocco
Sheriff
Pasco County, Florida

Report on the Financial Statements

We have audited the financial statements of each major fund and the aggregate remaining fund information of the Pasco County, Florida Sheriff (the Sheriff), as of and for the year ended September 30, 2024, and have issued our report thereon dated April 29, 2025, which contains an emphasis of matter to refer to a basis of accounting required for compliance with state filing requirements, however, our report was not modified with respect to this matter.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*; and Independent Accountants' Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated April 29, 2025, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. Corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The Pasco County, Florida Sheriff's Office was established by the Constitution of the State of Florida, Article VIII, Section 1(d). The Pasco County Sheriff (the Sheriff) does not have any component units. This information is disclosed in Note 1 of the Sheriff's financial statements.

Financial Management

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, it was determined that the actuarial calculated liability for employee group medical and prescription drug claims liability was understated based on actual claims paid subsequent to the fiscal year-end. The actuary revised the calculation using the extended claims detail. We recommend the Sheriff review all estimates subsequent to year end to ensure the estimates closely reflect actual expenditures.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Pasco County, Florida Property Appraiser, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANT'S REPORT

Honorable Chris Nocco
Sheriff
Pasco County, Florida

We have examined the Pasco County, Florida Sheriff's (the Sheriff) compliance with Section 218.415, *Florida Statutes*, regarding the investment of public funds during the year ended September 30, 2024. Management is responsible for the Sheriff's compliance with the specified requirements. Our responsibility is to express an opinion on the Sheriff's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Sheriff complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Sheriff complied with the specified requirements. The nature, timing and extent of the procedures selected depend on our judgement, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Our examination does not provide a legal determination on the Sheriff's compliance with specified requirements.

In our opinion, the Sheriff complied, in all material respects, with Section 218.415, *Florida Statutes*, regarding the investment of public funds during the year ended September 30, 2024.

This report is intended solely for the information and use of management and the Auditor General, State of Florida and is not intended to be, and should not be, used by anyone other than these specified parties.

111 West Madison Street
Tallahassee, FL 32399

Dear Mr. Voss:

We have prepared the following response to your letter dated August 22, 2025, regarding the fiscal year 2023-24 management letter recommendations to improve financial management.

The Pasco County Sheriff's Office contracted with an actuary to prepare the group medical and prescription drug estimated claim liability based on historical patterns of claim payments. During the audit it was determined that actual claim payments were lower than the amount calculated by the actuary.

The Pasco County Sheriff's Office has implemented a procedure to the financial close process to review claim payments subsequent to the fiscal year end through December 31st and compare those payments to the actuarial calculation of the liability to ensure the most accurate estimate. This process will be effective for the year ended September 30, 2025. Eleftheria Maris, Pasco County Sheriff's Office, Executive Director of Finance will be responsible for performing this process.

If you have any questions regarding this response, please contact Eleftheria Maris, Pasco County Sheriff's Office, Executive Director of Finance at 727-847-5878 extension 2957 or at emaris@pascosheriff.org.

Sincerely,

Chris Nocco, Sheriff

INDEPENDENT AUDITOR'S REPORT

Honorable Brian E. Corley
Supervisor of Elections
Pasco County, Florida

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the major fund of the Pasco County, Florida Supervisor of Elections ("Supervisor of Elections") as of and for the year ended September 30, 2024, and the related notes to the financial statements, which collectively comprise the Supervisor of Elections' basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of each major fund of the Supervisor of Elections, as of September 30, 2024, and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Supervisor of Elections and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of each major fund only for that portion of the major funds of Pasco County, Florida that is attributable to the Supervisor of Elections. They do not purport to, and do not, present fairly the financial position of Pasco County, Florida as of September 30, 2024 and the changes in its financial position for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to these matters.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Pasco County, Florida Supervisor of Elections' ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Supervisor of Elections' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Supervisor of Elections' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Budgetary Comparison Schedule – General Fund, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated April 29, 2025, on our consideration of the Supervisor of Elections' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Supervisor of Elections' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Supervisor of Elections' internal control over financial reporting and compliance.

Pasco County, Florida
Supervisor of Elections
Notes to Financial Statements

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Pasco County (the "County"), founded in 1887, is a non-chartered political subdivision of the State of Florida and is authorized the power of self-government by the Constitution of the State of Florida and Florida Statutes. The Constitution of the State of Florida also provides for five Constitutional Officers with specific duties and reporting responsibilities prescribed by Statute.

The Pasco County, Florida Supervisor of Elections (Supervisor of Elections) is an elected constitutional officer as provided for by the Constitution of the State of Florida. Pursuant to Chapter 129, Florida Statutes, the Supervisor of Elections' budget is submitted to the Pasco County, Florida Board of County Commissioners (Board) for approval.

The financial statements presented include the general fund and special revenue funds of the Supervisor of Elections' office. The accompanying financial statements were prepared for purposes of complying with Section 218.39, Florida Statutes, and Section 10.557(3), Rules of the Auditor General for Local Governmental Entity Audits.

Reporting Entity

The Supervisor of Elections' financial statements have been prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida (Rules). These financial statements are the fund financial statements required by generally accepted accounting principles. However, these fund statements do not constitute a complete presentation because, in conformity with the Rules, the Supervisor of Elections' has not presented reconciliations to the government-wide financial statements, the government-wide financial statements, management's discussion and analysis, or the pension or the other post-employment benefit related required supplementary information. Also, certain notes to the financial statements may supplement rather than duplicate the notes included in the County's countywide financial statements. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of each major fund, and the aggregate remaining fund information, only for that portion of the major fund, and the aggregate remaining fund information, of Pasco County, Florida, that is attributable to the Supervisor of Elections. They do not purport to, and do not, present fairly the financial position of Pasco County, Florida, as of September 30, 2024, and the changes in its financial position, where applicable, for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Pasco County, Florida
Supervisor of Elections
Notes to Financial Statements

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Measurement Focus, Basis of Accounting, and Basis of Presentation

Fund financial statements report detailed information about the Supervisor of Elections. The focus of governmental fund financial statements is on major funds rather than reporting funds by type. Each major fund is reported in a separate column.

Governmental Funds

Governmental funds are accounted for using the flow of current financial resources measurement focus. Only current assets and current liabilities, generally, are included on the balance sheet. Operating statements of these funds present increases (i.e., revenues and other financing sources) and decreases (i.e., expenditures and other financing uses) in current assets and liabilities.

The Supervisor of Elections reports the following major governmental fund:

General Fund

The general fund is used to account for the general operations of the Supervisor of Elections and includes all transactions, which are not accounted for in another fund.

The modified accrual basis of accounting is used by governmental funds. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become measurable and available to finance current liabilities of the fiscal year). For this purpose, the Supervisor of Elections considers revenues to be available if they are collected within 60 days of the end of the current period. Expenditures are recorded when the related fund liability is incurred, except for compensated absences, which are recognized as expenditures to the extent they have matured.

The appropriations from the Board are the primary source of funds considered to be susceptible to accrual.

Intergovernmental revenues are recognized when eligibility requirements are met and related amounts are available from the grantor. Such amounts that have yet to be expended for an appropriate purpose are generally included in restricted fund balance at year-end. Interest income is recognized as it is earned and becomes measurable and available to pay liabilities of the current period.

Pasco County, Florida
Supervisor of Elections
Notes to Financial Statements

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Measurement Focus, Basis of Accounting, and Basis of Presentation (Continued)

Governmental Funds (Continued)

Transfers are provided by appropriations from the Board pursuant to law. Estimated receipts and budgeted fund balances must equal appropriations. The Supervisor of Elections is required to refund to the Board all excess appropriations annually; therefore, no unappropriated fund balance is carried forward.

Florida Statutes provide that the amount by which revenues and transfers exceed annual expenditures be remitted to the Board immediately following the fiscal year for which the funding was provided or following the fiscal year during which other revenue was recognized. The amount of this distribution is recorded as a liability and as another financing use in the accompanying financial statements.

Capital outlays expended in the governmental fund operations are capitalized in the basic financial statements of the Board rather than in the governmental funds of the Supervisor of Elections.

Budgetary Information

Budgetary basis of accounting

Florida Statutes 129.03 and 129.201 govern the preparation, adoption, and administration of the Supervisor of Elections' annual budget. The Supervisor of Elections submits a budget for the general fund to the Board for approval. The annual budget serves as the legal authorization for expenditures. Any subsequent amendments to the Supervisor of Elections' total budget must be approved by the Board. Expenditures may not legally exceed appropriations at the fund level. Appropriations lapse at year-end. Budgetary control is maintained at the major object expenditure level. Budgetary changes within major object expenditure categories are made at the discretion of the Supervisor of Elections.

The original budget is the first complete appropriated budget. The final budget is the original budget adjusted by all reserves, transfers, allocations, supplemental appropriations, and other legally authorized changes applicable to the fiscal year, whenever legally authorized.

Budgets for other funds, while prepared, are not submitted to the Board for approval as they generally are governed by federal or state grant agreements.

Assets, Liabilities and Fund Balance

Cash and cash equivalents

The Supervisor of Election's cash and cash equivalents are considered to be cash on hand and demand deposits with original maturities of three months or less from the date of acquisition.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Assets, Liabilities and Fund Balance (Continued)

Payables

Accounts payable are recorded on the modified accrual basis in the general fund. Under the modified accrual basis, expenditures are recorded when the fund liability is incurred and due.

Due to Accounts

The Supervisor of Elections' records a liability for excess appropriations required to be refunded to the Board.

Compensated Absences

All regular full-time employees of the Supervisor of Elections are entitled to annual leave with pay pending completion of 60 days of continuous service. The employees are generally allowed to accumulate annual leave up to a maximum of 224 hours, depending on the number of years of service. An employee's accumulated leave that exceeds 187.5 hours as of November 1 of each year is paid out at the first payroll in December of each year if funding permits. Upon termination, the employee is paid for unused annual leave. Annual leave payments are included in operating costs when the payments are made to the employees. The liability for compensated absences is not reported in the governmental funds, but rather is reported in the basic financial statements of the Board.

Fund Balances and Spending Policy

The components of the Supervisor of Elections' fund balances are classified as follows:

Non-spendable fund balance – Amounts that are not in spendable form (such as inventory and prepaid items), or are legally or contractually required to be maintained intact.

Restricted fund balance – Amounts that can be used only for the specific purposes stipulated by (a) external resource providers such as creditors, grantors, contributors, or laws and regulations of other governments; or (b) imposed by law through constitutional provisions or enabling legislation.

Committed fund balance – Committed fund balances are amounts that can only be used for specific purposes as a result of constraints imposed by formal action of the Supervisor of Elections.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fund Balances and Spending Policy (Continued)

Assigned fund balance – Includes spendable fund balance amounts established by the Supervisor of Elections or by the Supervisor of Elections' designee that are intended to be used for specific purposes that are considered neither restricted nor committed.

Unassigned fund balance – Unassigned fund balance is the residual classification for the General Fund.

The Supervisor of Elections has implemented fund balance and spending policies to clearly define the process for tracking the various classifications of fund balance. The policy states that when a general fund expenditure is incurred and where restricted, committed, assigned, or unassigned amounts are available to be used, the Supervisor of Elections will first use restricted amounts, then committed amounts, then assigned amounts, and finally unassigned amounts. All other funds in which expenditures are incurred and where restricted, committed, assigned, or unassigned amounts are available to be used, the Supervisor of Elections will first use unassigned amounts, then assigned amounts, then committed amounts, and finally restricted amounts.

Use of Estimates

The preparation of the financial statements requires management of the Supervisor of Elections to make a number of estimates and assumptions relating to the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the period. Actual results could differ from those estimates.

Subsequent Events

Management has evaluated subsequent events through the date that the financial statements were available to be issued, April 29, 2025, and determined there were no events that occurred that required disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these consolidated financial statements.

Pasco County, Florida
Supervisor of Elections
Notes to Financial Statements

Note 2: DETAILED NOTES ON ALL FUNDS

Deposits

As of September 30, 2024, a portion of the Supervisor of Elections' bank balances is covered by federal depository insurance (FDIC). Monies invested in amounts greater than the insurance coverage are secured by the qualified public depositories pledging securities with the State Treasurer in such amounts required by the Florida Security for Public Depositories Act. In the event of a default or insolvency of a qualified public depositor, the State Treasurer will implement procedures for payment of losses according to the validated claims of the City pursuant to Section 280.08, Florida Statutes.

At September 30, 2024, the carrying value of the Supervisor of Election's cash and cash equivalents was as follows:

Type	Carrying Value
Cash on hand	\$ 100
Demand deposits	3,060,019
Total cash	\$ 3,060,119

Custodial credit risk – Custodial credit risk for deposits is the risk in the event of the failure of a depository financial institution a government may not be able to recover deposits. Monies placed on deposit with financial institutions in the form of demand deposits, time deposits or certificate of deposits are defined as public deposits. The financial institutions in which the Supervisor of Election places its deposits are certified as "qualified public depositories," as required under the Florida Security for Public Deposits Act. For an investment, this is the risk that, in the event of the failure of the counterparty, the Supervisor of Elections will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party.

Interest rate risk– The Supervisor of Elections follows Section 219.075, Florida Statutes regarding interest rate risk.

Credit risk –The Supervisor of Elections follows the guidance in Section 219.075, Florida Statutes regarding the deposit of funds received and the investment of surplus funds.

Concentration of credit risk - Concentration of credit risk is the risk of loss attributed to the magnitude of the Supervisor of Election's investment in a single issuer. The Supervisor of Election's investment policy does not address concentration of credit risk. At year-end, there were no investments that constitute a concentration of credit risk.

Pasco County, Florida
Supervisor of Elections
Notes to Financial Statements

Note 2: DETAILED NOTES ON ALL FUNDS (Continued)

Deposits (Continued)

Sections 219.075 and 218.415, Florida Statutes authorize the Supervisor of Elections to invest in the Local Government Surplus Funds Trust Fund or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act; Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency; and direct obligations of the U.S. Treasury.

Additionally, Florida statutes allow local governments to place public funds in interest-bearing time deposits or savings accounts in qualified public depositories that participate in a collateral pool under the Florida Security for Public Deposits Act (Section 280.02 Florida Statutes). The pool is administered by the State Treasurer, who may make additional assessments to ensure that no public funds will be lost.

Fair value – As required by Governmental Accounting Standards Board Statement No. 72, Fair Value Measurements and Application, the Supervisor of Elections categorizes its assets and liabilities carried at fair value within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on valuation inputs used to measure the fair value of the asset or liability. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant observable inputs; Level 3 inputs are significant unobservable inputs. The Supervisor of Elections has no assets or liabilities that are carried at fair value that are subject to the leveling disclosures.

Note 3: RISK MANAGEMENT

Pasco County (the County) is exposed to various risks of loss, including but not limited to general liability, auto liability, and workers' compensation. The County is substantially self-insured and accounts for and finances its risks of uninsured loss through an internal service fund. The Supervisor of Elections participates in the County's risk management program. All liabilities associated with these self-insured risks are reported in the basic financial statements of the Board.

The County has worker's compensation insurance with a \$1,000,000 deductible per occurrence for all claims. The County has general liability insurance with \$500,000 retention per claim with \$1,000,000 retention limit per occurrence and \$2,000,000 aggregate. Negligence claims in excess of the statutory limits set in Section 768.28, Florida Statutes, which provide for limited sovereign immunity of \$100,000/\$200,000 per occurrence, can only be recovered through an act of the State Legislature. Effective October 1, 2011, sovereign immunity limits were increased to \$200,000 per claim and \$300,000 per occurrence for claims incurred after that date. The County had workers' compensation insurance with a \$750,000 deductible per occurrence for police/fire, and a \$650,000 deductible per occurrence for all others. Settlements have not exceeded coverage in any of the past three fiscal years. All liabilities associated with these self-insured risks are reported in the basic financial statements of the County.

Pasco County, Florida
Supervisor of Elections
Notes to Financial Statements

Note 4: RELATED PARTY TRANSACTIONS

During the year ended September 30, 2024, the Board provided funding for the Supervisor of Elections that amounted to \$8,879,029. At September 30, 2024, the Supervisor of Elections had a payable due to the Board of \$840,227 related to the distribution of excess appropriations. The Supervisor of Elections received appropriations for the next fiscal year during the year ended September 30, 2024. As such, a deferred inflow of resources is reported for unavailable appropriations as of September 30, 2024 of \$1,876,930.

Note 5: COMMITMENTS AND CONTINGENCIES

Grant funds received by the Supervisor of Elections are subject to audit by grantor agencies. Audits of these grants may result in disallowed costs, which may constitute a liability of the Supervisor of Elections. In the opinion of management, disallowed costs, if any, would be immaterial to the financial position of the Supervisor of Elections.

REPORTS ON INTERNAL CONTROL AND COMPLIANCE MATTERS

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Honorable Brian E. Corley
Supervisor of Elections
Pasco County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of each major fund and the aggregate remaining fund information of the Pasco County, Florida Supervisor of Elections (Supervisor of Elections), as of and for the year then ended September 30, 2024, and the related notes to the financial statements, which collectively comprise the Supervisor of Elections' basic financial statements, and have issued our report thereon dated April 29, 2025, which contains an emphasis of matter to refer to a basis of accounting required for compliance with state filing requirements, however, our report was not modified for this matter.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Supervisor of Elections' internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Supervisor of Elections' internal control. Accordingly, we do not express an opinion on the effectiveness of the Supervisor of Elections' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Supervisor of Elections' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Supervisor of Elections' internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Pasco County, Florida Supervisor of Elections' internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

MANAGEMENT LETTER

Honorable Brian E. Corley
Supervisor of Elections
Pasco County, Florida

Report on the Financial Statements

We have audited the financial statements of each major fund and the aggregate remaining fund information of the Pasco County, Florida Supervisor of Elections (Supervisor of Elections) as of and for the year ended September 30, 2024, and have issued our report thereon dated April 29, 2025, which contains an emphasis of matter to refer to a basis of accounting required for compliance with state filing requirements, however, our report was not modified with respect to this matter.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*; and Independent Accountant's Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated April 29, 2025, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. No findings and recommendations were made in the preceding annual financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The Pasco County, Florida Supervisor of Elections was established by the Constitution of the State of Florida, Article VIII, Section 1(d). The Pasco County Supervisor of Elections does not have any component units.

Financial Management

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

This management letter is intended solely for the information and use of the Supervisor of Elections, management, the Board of County Commissioners of Pasco County, Florida, and the Auditor General of the State of Florida, and is not intended to be and should not be used by anyone other than these specified parties.

A handwritten signature in black ink that reads "Carr, Riggs & Ingram, L.L.C." The signature is written in a cursive, flowing style.

INDEPENDENT ACCOUNTANT'S REPORT

Honorable Brian E. Corley
Supervisor of Elections
Pasco County, Florida

We have examined the Pasco County, Florida Supervisor of Elections' (Supervisor of Elections) compliance with Section 218.415, *Florida Statutes*, regarding the investment of public funds during the year ended September 30, 2024. Management is responsible for the Supervisor of Elections' compliance with those requirements. Our responsibility is to express an opinion on the Supervisor of Elections' compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Supervisor of Elections complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Supervisor of Elections complied with the specified requirements. The nature, timing and extent of the procedures selected depend on our judgement, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Our examination does not provide a legal determination on the Supervisor of Elections' compliance with specified requirements.

In our opinion, the Supervisor of Elections complied, in all material respects, with Section 218.415, *Florida Statutes*, regarding the investment of public funds during the year ended September 30, 2024.

This report is intended solely for the information and use of the Supervisor of Elections and the Auditor General, State of Florida and is not intended to be, and should not be, used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT

Honorable Mike Fasano
Tax Collector
Pasco County, Florida

Opinions

We have audited the accompanying financial statements of the major fund and the aggregate remaining fund information of the Pasco County, Florida Tax Collector (Tax Collector), as of and for the year ended September 30, 2024, and the related notes to the financial statements, which collectively comprise the Pasco County, Florida Tax Collector's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the major fund and the aggregate remaining fund information of the Pasco County, Florida Tax Collector, as of September 30, 2024, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Pasco County, Florida Tax Collector, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida (Rules). In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of the major fund and the aggregate remaining fund information, only for that portion of the major fund and the aggregate remaining fund information, of Pasco County, Florida that is attributable to the Tax Collector. They do not purport to, and do not, present fairly the financial position of Pasco County, Florida as of September 30, 2024, and the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to these matters.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Pasco County, Florida Tax Collector's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Pasco County, Florida Tax Collector's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Pasco County, Florida Tax Collector's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Budgetary Comparison Schedule – General Fund, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the basic financial statements that collectively comprise the Tax Collector's financial statements. The Combining Statement of Fiduciary Net Position - Custodial Funds and the Combining Statement of Changes in Fiduciary Net Position - Custodial Funds, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements.

The Combining Statement of Fiduciary Net Position - Custodial Funds and the Combining Statement of Changes in Fiduciary Net Position - Custodial Funds are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Combining Statement of Fiduciary Net Position - Custodial Funds and the Combining Statement of Changes in Fiduciary Net Position - Custodial Funds are fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated April 28, 2025 on our consideration of the Pasco County, Florida Tax Collector's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, rules, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Pasco County, Florida Tax Collector's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Pasco County, Florida Tax Collector's internal control over financial reporting and compliance.

Pasco County, Florida
Tax Collector
Notes to the Financial Statements

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Pasco County, Florida Tax Collector (Tax Collector) is an elected constitutional officer as provided for by the Constitution of the State of Florida. Pursuant to Chapter 195.087, *Florida Statutes*, the Tax Collector's budget is submitted to the Florida Department of Revenue for approval and a copy is forwarded to the Pasco County, Florida Board of County Commissioners (the Board).

As an elected official of Pasco County, Florida (the County), the Tax Collector is charged with responsibility for the collection of ad valorem taxes levied by the County, the School Board, special taxing districts, municipalities, and other taxes and fees levied by the County. The office is funded by commissions charged based on the amount of collections. Additionally, the Tax Collector performs services for various state agencies. The following are the State of Florida agencies for which the Tax Collector collects fees:

Department of Highway Safety and Motor Vehicles – serves as agent for the Division of Motor Vehicles, processes title applications and transfers, renews and issues license plates and decals, processes transfers of boat titles, and registers both pleasure and commercial boats on an annual basis. The Tax Collector also serves as agent for the Division of Drivers Licenses.

Department of Revenue – collects sales tax on vessels, motor vehicles, and Lemon Law fees.

Florida Fish and Wildlife Conservation Commission – issues hunting and fishing permits and licenses.

Department of Agriculture – issues concealed weapon permits (new and renewals).

Pasco County Department of Health – issues Florida native born official birth certificates.

Reporting Entity

The Tax Collector's financial statements have been prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida (Rules). These financial statements are the fund financial statements required by generally accepted accounting principles. However, these fund statements do not constitute a complete presentation because, in conformity with the Rules, the Tax Collector has not presented reconciliations to the government-wide financial statements, the government-wide financial statements, management's discussion and analysis, or the pension or the other post-employment benefit related required supplementary information.

Pasco County, Florida
Tax Collector
Notes to the Financial Statements

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Reporting Entity (Continued)

Also, certain notes to the financial statements may supplement rather than duplicate the notes included in the County's countywide financial statements. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position, where applicable, of the major fund and the aggregate remaining fund information, only for that portion of the major fund and the aggregate remaining fund information, of Pasco County, Florida, that is attributable to the Tax Collector. They do not purport to, and do not, present fairly the financial position of Pasco County, Florida, as of September 30, 2024, and the changes in its financial position, where applicable, for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

The financial activities of the Tax Collector, as a constitutional officer, are included in Pasco County, Florida's Annual Comprehensive Financial Report.

Measurement Focus, Basis of Accounting and Financial Statement Presentation

Fund financial statements report detailed information about the Tax Collector's operations. The focus of governmental fund financial statements is on major funds rather than reporting funds by type.

Governmental Funds

The governmental funds are accounted for using the flow of current financial resources measurement focus. Only current assets and current liabilities are generally included on the balance sheet. Operating statements for these funds present increases (i.e., revenues and other financing sources) and decreases (i.e., expenditures and other financing uses) in net current assets. The Tax Collector's only governmental fund is the general fund. The general fund is used to account for the general operations of the Tax Collector's office and includes all transactions that are not accounted for in another fund.

The modified accrual basis of accounting is used by governmental funds. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become measurable and available to finance liabilities of the current fiscal year). For this purpose, the Tax Collector considers revenues to be available if they are collected within 60 days of the end of the current period. Expenditures are recorded when the related fund liability is incurred, except for certain compensated absences, which are recognized as expenditures to the extent they have matured.

Pasco County, Florida
Tax Collector
Notes to the Financial Statements

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Measurement Focus, Basis of Accounting and Financial Statement Presentation (Continued)

Governmental Funds (Continued)

A significant amount of the Tax Collector's revenue is received from taxing authorities. These monies are virtually unrestricted and are revocable only for failure to comply with prescribed compliance requirements. These resources are reflected as revenue at the time of receipt; earlier if the "susceptible to accrual" criteria are met.

Investment return is recognized when earned and becomes measurable and available to pay liabilities of the current period.

Florida Statutes provide that the amount by which revenues and transfers exceed annual expenditures be remitted to the Board immediately following the fiscal year for which the funding was provided or following the fiscal year during which other revenue was recognized.

Florida Statutes further provide that the excess of revenues over expenditures held by the Tax Collector be distributed to each governmental agency in the same proportion as the commissions and fees paid by each governmental agency bear to total commission and fee revenue. The amounts of these distributions are recorded as liabilities and as other financing uses in the accompanying financial statements.

Capital outlays expended in the general fund are capitalized in the basic financial statements of the Board rather than in governmental funds of the Tax Collector.

Fiduciary Funds

Custodial Funds – The Custodial funds are fiduciary funds to account for the assets held by the Tax Collector as a custodian for the County, individuals or other governments. Custodial Funds are accounted for under the economic resources method and accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recognized when incurred.

Budgetary Information

Budgetary basis of accounting

Section 195.087, *Florida Statutes*, governs the preparation, adoption, and administration of the Tax Collector's annual budget. The Tax Collector prepares a budget for the general fund and submits it to the Florida Department of Revenue for approval. Any subsequent amendments to the total budget must be approved by the Florida Department of Revenue.

Pasco County, Florida
Tax Collector
Notes to the Financial Statements

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Budgetary Information (Continued)

Budgetary basis of accounting (Continued)

The budget is prepared on a basis consistent with U.S. generally accepted accounting principles. The annual budget serves as the legal authorization for expenditures. Expenditures may not legally exceed appropriations at the fund level. Appropriations lapse at year-end. Budgetary control is maintained at the departmental major object expenditure level. Budgetary changes within major object expenditure categories are made at the discretion of the Tax Collector.

The original budget is the first complete appropriated budget. The final budget is the original budget adjusted for all reserves, transfers, allocations, supplemental appropriations, and other legally authorized changes applicable to the fiscal year, whenever legally authorized.

Assets, Liabilities, and Fund Balance

Cash and Cash Equivalents

The Tax Collector's cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition.

Investments

The Tax Collector participates in the Florida Fixed Income Trust Fund (the Fund) and Florida Cooperative Liquid Assets Securities System (FL CLASS). The Fund is a preferred deposit fund consisting of money market funds carried at amortized cost to maintain a constant net asset value (NAV) of \$1.00. FL CLASS is an independent local government investment pool consisting of securities issued or guaranteed by the U.S. government, its agencies, or instrumentalities maintaining a constant net asset value of \$1.00. The investments were formed through indenture of trust pursuant to *Florida Statutes*, Sections 163.01 and 218.415.

Due to/from Funds

The interfund balances capture what is earned by the Tax Collector but not transferred out of the custodial fund until the appropriate distributions are created.

Due to Accounts

The Tax Collector records a liability for excess appropriations required to be refunded to the Board.

Pasco County, Florida
Tax Collector
Notes to the Financial Statements

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Unearned Revenue

Unearned revenue, such as commissions collected in advance, is recorded for inflows that do not yet meet the criteria for revenue recognition.

Compensated Absences

All full-time employees of the Tax Collector are entitled to annual leave and medical leave with pay. The employees are generally allowed to accumulate annual leave up to a maximum of 500 hours and medical leave without limit. Upon termination, the employee is paid for up to one-fourth of accumulated medical leave, depending on length of service, not to exceed 100 hours, and all of the accumulated annual leave. Annual leave and medical leave payments are included in personal services when the payments are made to the employees. The Tax Collector does not, nor is he legally required to, accumulate financial resources for these unmatured obligations. Accordingly, the liability for compensated absences is not reported in the general fund but rather is reported in the basic financial statements of the Board.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make various estimates. Actual results could differ from those estimates.

Subsequent Events

Management has evaluated subsequent events through the date that the financial statements were available to be issued, April 28, 2025 and determined there were no events that occurred that required disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

Note 2: PROPERTY TAXES

Taxes in Pasco County are levied by the Board and other taxing authorities. The millage levies are determined on the basis of estimates of revenue needs and the total taxable valuations within the jurisdiction of the Board and other taxing authorities. No aggregate ad valorem tax millage in excess of 10 mills on the dollar can be levied by the Board against property in the County as specified in Section 200.071, *Florida Statutes*.

Pasco County, Florida
Tax Collector
Notes to the Financial Statements

Note 2: PROPERTY TAXES (Continued)

Each year the total taxable property valuation is established by the Pasco County Property Appraiser, and the list of property assessments is submitted to the State Department of Revenue for approval. Taxes, assessed as of January 1 of each year, are due and payable on November 1 of each year or as soon thereafter as the assessment roll is opened for collection. Pursuant to Florida law, all owners of property have the responsibility of ascertaining the amount due and paying it before April 1 of the year following the year in which the tax was assessed. Chapter 197, *Florida Statutes*, governs property tax collections.

Current Taxes

All property taxes become due and payable on November 1 and are delinquent on April 1 of the following year. Discounts are allowed for early payment of 4% in November, 3% in December, 2% in January, and 1% in February.

Unpaid Taxes – Sale of Tax Certificates

The Tax Collector advertises, as required by *Florida Statutes*, and sells tax certificates on all real property for unpaid taxes. The tax receivable is struck off the tax roll to the person who purchased the tax certificate and has paid the taxes. Certificates not sold are transferred to the County. The Tax Collector must receive payment before the certificates are recorded. Any person owning land upon which a tax certificate has been sold may redeem the tax certificate by paying the Tax Collector the face amount of the tax certificate plus interest and other costs.

Tax Deeds

Two years after the purchase of a tax certificate, the certificate holder may file an application for tax deed sale. The County, as a certificate owner, exercises similar procedures. Tax deeds are awarded to the highest bidder for the property, which is sold at public auction by the Clerk of the Circuit Court.

Note 3: DETAILED NOTES ON ALL FUNDS

Deposits and Investments

As of September 30, 2024, a portion of the Tax Collector's bank balances is covered by federal depository insurance (FDIC). Monies invested in amounts greater than the insurance coverage are secured by the qualified public depositories pledging securities with the State Treasurer in such amounts required by the Florida Security for Public Depositories Act. In the event of a default or insolvency of a qualified public depositor, the State Treasurer will implement procedures for payment of losses according to the validated claims of the Tax Collector pursuant to Section 280.08, *Florida Statutes*.

Pasco County, Florida
Tax Collector
Notes to the Financial Statements

Note 3: DETAILED NOTES ON ALL FUNDS (Continued)

Deposits and Investments (Continued)

Custodial credit risk – Custodial credit risk for deposits is the risk in the event of the failure of a depository financial institution a government may not be able to recover deposits. Monies placed on deposit with financial institutions in the form of demand deposits, time deposits or certificate of deposits are defined as public deposits. The financial institutions in which the Tax Collector places its deposits are certified as “qualified public depositories,” as required under the Florida Security for Public Deposits Act.

For an investment, this is the risk that, in the event of the failure of the counterparty, the Tax Collector will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. As of September 30, 2024, approximately \$5.05 million of the Tax Collector’s investments were in local government investment pools. The amounts in this pool are not exposed to custodial credit risk because their existence is not evidenced by securities that exist in physical or book entry form.

Interest rate risk – Interest rate risk is the possibility that interest rates will rise and reduce the fair value of an investment. The Tax Collector has no specific investment policy regarding interest rate risk.

Credit risk – Section 150: Investments of the GASB Codification requires that governments provide information about credit risk associated with their investments by disclosing the credit rating of investments in debt securities as described by nationally recognized statistical rating organizations.

Concentration of credit risk – Concentration of credit risk is the risk of loss attributed to the magnitude of the Tax Collector’s investment as a single issuer. The Tax Collector’s investment policy does not address concentration of credit risk. At year-end, there were no investments that constitute a concentration of credit risk.

The Tax Collector’s policy is to follow the guidance in Section 219.075, *Florida Statutes*, regarding the deposit of funds received and the investment of surplus funds. Sections 219.075 and 218.415, *Florida Statutes*, authorize the Tax Collector to invest in the Local Government Surplus Funds Trust Fund or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act; Securities and Exchange Commission registered money market funds with the highest credit quality ratings from a nationally recognized rating agency; direct obligations of the U.S. Treasury; federal agencies and instrumentalities; or interest-bearing time deposits or savings accounts in banks organized under the laws of the State of Florida, national banks organized under the laws of the United States and doing business and situated in the State of Florida, savings and loan associations that are under State supervision, or in federal savings and loan associations located in the State of Florida and organized under federal law and federal supervision, provided that any such deposits are secured by collateral as may be prescribed by law.

Pasco County, Florida
Tax Collector
Notes to the Financial Statements

Note 3: DETAILED NOTES ON ALL FUNDS (Continued)

Deposits and Investments (Continued)

As of September 30, 2024, the Tax Collector had the following cash and cash equivalents and investments:

Type	Carrying value	Credit rating	Maturities
Cash and cash equivalents			
Cash on hand	\$ 108,028	N/A	N/A
Demand deposits	14,388,355	N/A	N/A
Money market funds	4,576,971	AAAm	N/A
Total cash and cash equivalents	19,073,354		
Investments			
Florida Fixed Income Trust	2,527,401	AAAf / S1	1 day
Florida Class	2,528,124	AAAm	1 day
Total investments	5,055,525		
Total cash, cash equivalents, and investments	\$ 24,128,879		

Such amounts are reported as \$9,622,484 and \$14,506,395 in the general fund and custodial funds, respectively.

Fair Value Measurement - As required by GASB Statement No. 72, Fair Value Measurement and Application, the Tax Collector categorizes its assets and liabilities carried at fair value within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on valuation inputs used to measure the fair value of the asset. Level I inputs are quoted market prices in active markets for identical assets; Level II inputs are significant other observable inputs; Level III inputs are significant unobservable inputs. The Tax Collector has no assets or liabilities that are carried at fair value that are subject to the leveling disclosures.

Note 4: RISK MANAGEMENT

Pasco County (the County) is exposed to various risks of loss, including but not limited to general liability, auto liability, and workers' compensation. The County is substantially self-insured and accounts for and finances its risks of uninsured loss through an internal service fund. The Tax Collector participates in the County's risk management program. All liabilities associated with these self-insured risks are reported in the basic financial statements of the Board.

**Pasco County, Florida
Tax Collector
Notes to the Financial Statements**

Note 4: RISK MANAGEMENT (Continued)

The County has general liability insurance with \$500,000 retention per claim with \$1,000,000 coverage per occurrence and \$2,000,000 aggregate. Negligence claims in excess of the statutory limits set in Section 768.28, *Florida Statutes*, which provide for limited sovereign immunity of \$100,000/\$200,000 per occurrence, can only be recovered through an act of the State Legislature. Effective October 1, 2011, sovereign immunity limits were increased to \$200,000 per claim and \$300,000 per occurrence for claims incurred after that date. The County had workers' compensation insurance with a \$1,000,000 deductible per occurrence for all claims. Settlements have not exceeded coverage in any of the past three fiscal years. All liabilities associated with these self-insured risks are reported in the basic financial statements of the County.

Note 5: RELATED-PARTY TRANSACTIONS

During the year ended September 30, 2024, the Board provided funding for the Tax Collector that amounted to \$17,030,228. At September 30, 2024, the Tax Collector has a receivable due from the Board of \$4,805 related to a special funds reimbursement and a payable due to the Board of \$5,616,801 related to the distribution of excess commissions. The Tax Collector received commissions for the next fiscal year during the year ended September 30, 2024. As such, unearned revenue of \$2,836,925 is reported as of September 30, 2024.

Note 6: LEASES

The Tax Collector leases certain office facilities, under noncancelable operating leases, which are utilized solely by the Tax Collector. The commitments under these lease agreements provide for aggregate minimum annual rental payments as follows:

Fiscal years ending September 30,		
2025	\$	228,792
2026		177,639
2027		182,198
2028		188,499
2029		161,039
	\$	938,167

Rental expense for all operating leases aggregated \$320,202 for the year ended September 30, 2024. No contingent rentals or sublease rentals associated with the leases were in effect at September 30, 2024.

Custodial Funds

Custodial funds are fiduciary funds to account for the assets held by the Tax Collector as an custodian for the County, individuals or other governments.

Tax Collection Fund – This fund is used to account for the receipt and distribution of ad valorem taxes, hunting and fishing licenses, and permits collected for Pasco County and other independent taxing authorities.

Motor Vehicle Fund – This fund is used to account for the receipt and distribution of moneys collected for motor vehicle registrations, titles, sales tax, and driver licenses.

Pasco County TC Gives, Inc. – This fund is used to account for the receipt and distribution of charitable collections to be allocated in accordance with the bylaws established with the State of Florida.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Honorable Mike Fasano
Tax Collector
Pasco County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Pasco County, Florida Tax Collector (Tax Collector), as of and for the year ended September 30, 2024, and the related notes to the financial statements, which collectively comprise the Tax Collector's financial statements, and have issued our report thereon dated April 28, 2025, which contains an emphasis of matter to refer to a basis of accounting required for compliance with state filing requirements, however, our report was not modified with respect to this matter.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Tax Collector's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the special-purpose financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Tax Collector's internal control. Accordingly, we do not express an opinion on the effectiveness of the Tax Collector's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Tax Collector's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

MANAGEMENT LETTER

Honorable Mike Fasano
Tax Collector
Pasco County, Florida

Report on the Financial Statements

We have audited the financial statements of the Pasco County, Florida Tax Collector (Tax Collector), as of and for the fiscal year ended September 30, 2024, and have issued our report thereon dated April 28, 2025, which contains an emphasis of matter to refer to a basis of accounting required for compliance with state filing requirements however, our report was not modified with respect to this matter.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*; and Independent Accountant's Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated April 28, 2025, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings or recommendations made in the preceding annual financial audit.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The Pasco County, Florida Tax Collector was established by the Constitution of the State of Florida, Article VIII, Section 1(d). The Pasco County Tax Collector does not have any component units.

Financial Management

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or fraud, waste, or abuse, that has occurred, or is likely to have occurred, that has an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Tax Collector and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANT'S REPORT

Honorable Mike Fasano
Tax Collector
Pasco County, Florida

We have examined the Pasco County, Florida Tax Collector's (Tax Collector) compliance with Section 218.415, *Florida Statutes*, regarding the investment of public funds during the year ended September 30, 2024. Management is responsible for the Tax Collector's compliance with the specified requirements. Our responsibility is to express an opinion on the Tax Collector's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Tax Collector complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Tax Collector complied with the specified requirements. The nature, timing and extent of the procedures selected depend on our judgement, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Our examination does not provide a legal determination on the Tax Collector's compliance with specified requirements.

In our opinion, the Tax Collector complied, in all material respects, with Section 218.415, *Florida Statutes*, regarding the investment of public funds during the year ended September 30, 2024.

This report is intended solely for the information and use of the Tax Collector and the Auditor General, State of Florida and is not intended to be, and should not be, used by anyone other than these specified parties.
