VILLAGE OF PINECREST
Office of the Village Manager

February 24, 2021

To the Honorable Mayor Joseph Corradino
Members of the Village Council and
Citizens of the Village of Pinecrest:

The Government Finance Officers' Association recommends that local governments publish within six (6) months of the close of each fiscal year a complete set of financial statements presented in conformity with Generally Accepted Accounting Principles (GAAP) and audited in accordance with generally accepted auditing standards by a firm of licensed certified public accountants. Pursuant to that recommendation, we hereby issue the Comprehensive Annual Financial Report of the Village of Pinecrest for the fiscal year ended September 30, 2020.

This report is consistent with management's representation of the Village of Pinecrest's finances. Consequently, management assumes full responsibility for the completeness and reliability of all the information presented in this report. To provide a reasonable basis for making these representations, the Village of Pinecrest's management has established a comprehensive internal control framework that is designed both to protect the government's assets from loss, theft, or misuse and to compile sufficient reliable information for the preparation of the Village of Pinecrest's financial statements in conformity with GAAP. Because the cost of internal controls should not outweigh their benefits, the Village of Pinecrest's comprehensive framework of internal controls has been designed to provide reasonable, rather than absolute assurance that the financial statements will be free from material misstatement. As management, we assert that, to the best of our knowledge and belief, this financial report is complete and reliable in all material respects.

The Village of Pinecrest's financial statements have been audited by Mauldin & Jenkins, a firm of licensed certified public accountants. The goal of the independent audit was to provide reasonable assurance that the financial statements of the Village of Pinecrest for the fiscal year that ended September 30, 2020, are free of material misstatement. The independent audit involved examining, on a test basis, evidence supporting the amount and disclosures in the financial statements; assessing the accounting principles used and significant estimates made by management; and evaluating the overall financial statement presentation. The independent auditor concluded, based upon the audit, that there was a reasonable basis for rendering an unmodified opinion that the Village of Pinecrest's financial statements for the fiscal year ended September 30, 2020, are fairly presented in conformity with GAAP. The independent auditor's report is presented as the first component of the financial section of this report.

GAAP requires that management provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of Management's Discussion and Analysis (MD&A). This letter of transmittal is designed to complement the MD&A and should be read in conjunction with it. The Village of Pinecrest's MD&A can be found immediately following the report of the independent auditors.

Profile of the Government

The Village of Pinecrest was incorporated on March 12, 1996, pursuant to Ordinance 95-207 adopted by the Miami-Dade Board of County Commissioners on November 12, 1995. The Village of Pinecrest occupies a land area of approximately 8 square miles and serves a population of 18,619. The Village of Pinecrest receives tax levies on real and personal properties located within its boundaries.

12645 Pinecrest Parkway, Pinecrest, Florida 33156

T: 305.234.2121 | F: 305.234.2131

www.pinecrest-fl.gov

The Village of Pinecrest has operated under the Council-Manager form of government since its inception. Policymaking and legislative authority are vested in a governing council consisting of the Mayor and four Council Members. The Council is responsible for adopting ordinances, adopting the budget, and appointing the Village Manager, Village Clerk and Village Attorney. The Village Manager is responsible for carrying out the policies and directives of the Council, for overseeing the day-to-day operations of the government, and for appointing department heads.

The Village of Pinecrest offers a wide range of services, including, police protection, maintenance of roadways, parks and recreation, building, planning and zoning and stormwater services. Certain services are provided through other governmental entities such as the Miami-Dade Fire and Rescue Department, Miami-Dade Public School Board and Miami-Dade County.

The Village of Pinecrest has seven major departments: Police, Building and Planning, Public Works, Parks & Recreation, Pinecrest Gardens and General Government. General Government consists of the following sub-divisions: Village Council, Village Manager, Village Clerk, Finance, Information Technology, and Village Attorney.

The annual budget serves as a foundation for the Village of Pinecrest's financial planning and control. All departments of the Village are required to submit requests for appropriation to the Village Manager and these requests are the starting point for developing a proposed budget. The Village Manager then presents this proposed budget to the Village Council for review. The Village Council is required to hold public hearings on the proposed budget and to adopt a final budget no later than September 30th, the close of the Village's fiscal year. The appropriated budget is prepared by type of fund and department. No department may expend in excess of the amount appropriated for that department within an individual fund without the approval of the Village Manager. The Village Manager may make transfers of appropriations within a department. Transfers of appropriations between departments require the approval of the Village Council through a budget amendment process. The Village Council approves supplemental appropriations. Budget to actual comparisons are provided in this report for the General Fund for which an appropriated annual budget has been adopted. The General Fund, budget to actual report is presented in the required supplemental information section of this report.

Factors Affecting Financial Condition

The information presented in the financial statements is best understood when it is considered from the broader perspective of the specific environment with which the Village of Pinecrest operates.

Local economy. Despite the challenges the Coronavirus pandemic has presented, the Village managed to maintain excellent stability. This medium sized municipality is an active community of involved citizens who take a genuine interest in the social, business, cultural and governing aspects of their Village. The Village is comprised of an affluent residential housing stock and several retail shopping malls. There is no industrial area in the community.

Long-term financial planning. The Village has undertaken several capital improvement projects as part of its five-year capital improvement plan. The Village of Pinecrest has provided funding for improvements at Pinecrest Gardens: new roof at the Concession structure and the Main Entrance, Hibiscus duct work, parking lot resurfacing, Bridal Room renovations and Upper Garden design; Community Center soccer field benches and shade structure, gym equipment, playground equipment and security cameras; Suniland Park new roof, lighting, playground renovation, dog park establishment, landscaping, shade structure and fencing; Greer Park new roof, painting, garage improvements, exercise equipment, and multipurpose floor renovations; Coral Pine tennis court lighting; Village Hall first floor repurpose, new roof, and interior building improvements; a truck for zoning, and Stormwater drainage improvements.

Financial policies. The Village of Pinecrest has the following financial policies: Operating Budget Policy, Capital Improvement Policy, Debt Management Policy, Revenue Policy, Investment Policy, Fund Balance Policy, Account, Auditing and Financial Reporting Policy, Audit Committee and Auditor Selection Policy, Capital Asset Policy, Travel Policy, Purchasing Policy, Retiree Health Care Policy, Fraud Policy, Construction Guarantee Policy and Credit Card Policy. The Revenue Policy establishes that all one-time revenues will be matched with expenditures to decrease the reliance on the fund balance.

Pension. The Village of Pinecrest sponsors a defined contribution pension plan 401(a) with the ICMA RC (International City/County Management Association, Retirement Corporation). With the exception of sworn police personnel, full time employees contribute 7% of his or her pay to the plan, which is matched by a contribution by the Village of Pinecrest of 10% for general employees and 14.1% for department heads.

A defined benefit plan sponsored by the Florida Retirement System (FRS) was established for sworn police personnel. Sworn police personnel who were employed at the time the defined benefit plan by FRS was established had the option of remaining in the 401(a) plan sponsored by the ICMA RC at the time. The 401(a) is now managed by VOYA Financial. All newly hired sworn police personnel participate in the FRS.

Additional information on the Village of Pinecrest pension benefits can be found in Notes 3E of the financial statements.

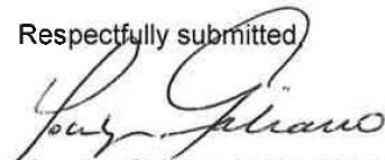

Awards and acknowledgements

The Government Finance Officers Association of the United State and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the Village of Pinecrest for its Comprehensive Annual Financial Report (CAFR) for the fiscal year ended September 30, 2019. This was the 24th year that the Village received this prestigious award. In order to be awarded a Certificate of Achievement, the government must publish an easily readable and efficiently organized Comprehensive Annual Financial Report. The report submitted for the fiscal year 2019 satisfied both GAAP and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current CAFR continues to meet the Certificate of Achievement Program's requirements and it will be submitted to the GFOA to determine its eligibility for another certificate.

The preparation of this report would not have been possible without the efficient and dedicated services of the entire staff of the Finance Department. We would like to express our appreciation to all members of the departments who assisted and contributed to the preparation of this report. Credit must also be given to the Mayor and the Village Council for their unfailing support for maintaining the highest standards of professionalism in the management of the Village of Pinecrest's finances.

Respectfully submitted

INDEPENDENT AUDITOR'S REPORT

Honorable Mayor, Members of the Village
Council and Village Manager,
Village of Pinecrest, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the **Village of Pinecrest, Florida** (the "Village"), as of and for the year ended September 30, 2020, and the related notes to the financial statements, which collectively comprise the Village's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Village as of September 30, 2020, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on pages 4 – 14 and the Required Supplementary Information as listed in the table of contents on pages 51 – 60 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Village's basic financial statements. The introductory section, combining and individual nonmajor fund financial statements, budgetary comparison schedules and statistical section, are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual nonmajor fund financial statements and the budgetary comparison schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements and the budgetary comparison schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 24, 2021, on our consideration of the Village's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Village's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Village's internal control over financial reporting and compliance.

VILLAGE OF PINECREST, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2020

As management of the Village of Pinecrest, Florida (the "Village"), we offer the Village's financial statements in this narrative overview and analysis of the financial activities of the Village of Pinecrest for the fiscal year ending September 30, 2020. We encourage readers to consider the information presented here in conjunction with additional information that we have furnished in our letter of transmittal.

It is important to note that that the Coronavirus (COVID-19) pandemic affected not only the Village, but the entire world in unprecedented ways. Business as usual ceased to exist as we adapted to the new reality. Programs and funding sources were reduced and while spending was cut in areas such as travel and office supplies, many vendor contracts could not be paused or cancelled. The Village also had to undertake many steps to protect lives from the threat of the virus, which resulted in unbudgeted expenditures. Despite the challenges the pandemic presented, the Village managed to maintain excellent stability.

Financial Highlights

- The assets and deferred outflows of resources of the Village exceeded its liabilities and deferred inflows at the close of the most recent fiscal year by \$81,012,723 (net position).
- The government total net position decreased by \$5,417,350. Many funding sources were delayed and even decreased, such as in the CITT fund for example. Some intergovernmental funding sources were also delayed creating the current year revenue shortfalls.
- At the close of the current fiscal year, the Village of Pinecrest's government funds reported combined ending fund balances of \$8,141,218, a decrease of \$1,928,558 in comparison with the prior year. Approximately 62.3% of this total amount, \$5,069,463 is available for spending at the government's discretion (Unassigned Fund balance). While the financial position of the Village has decreased, the overall financial position continues to be excellent. While the cash and equivalent balances change is about \$2.2 million of this decrease, and the AR about \$1.3 million, the liabilities have remained relatively unchanged. The Village chose to invest in its infrastructure and community enhancements for the benefit of its citizens.
- At the end of the current fiscal year, the Unassigned Fund balance for the General Fund was \$5,069,463 or 20.1% of the total General Fund expenditures and transfers.
- The Village of Pinecrest total bonded and bank debt decreased by \$1,148,500 or 11.2% during the current fiscal year.
- The Federal Emergency Management Agency (FEMA) receivable from damage due to Hurricane Irma of \$1,759,020 from last year is now at \$236,792 due to receipts of \$1,536,977 and adjustments of \$14,749.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the Village of Pinecrest's basic financial statements. The Village's basic financial statements comprise three components: (1) government-wide financial statements, (2) fund financial statements, and (3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

VILLAGE OF PINECREST, FLORIDA

MANAGEMENT'S DISCUSSION AND ANALYSIS SEPTEMBER 30, 2020

Government-wide Financial Statement. The government-wide financial statements are designed to provide readers with a broad overview of the Village of Pinecrest's finances in a manner similar to a private-sector business.

The statement of net position presents information on all of the Village of Pinecrest's assets, liabilities, and deferred inflow/outflow of resources with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Village of Pinecrest is improving or deteriorating.

The statement of activities presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flow. Thus, revenues and expenses are reported in this statement for some that will only result in cash flow in the future fiscal periods (i.e. uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions of the Village of Pinecrest that are principally supported by taxes and intergovernmental revenues (*governmental activities*) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (*business-type activities*). The governmental activities of the Village include general government, police and public works (including highways, parks, and planning and building). The business-type activities of the Village include stormwater activities.

Fund Financial Statements. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Village of Pinecrest, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the Village are governmental and proprietary funds.

Governmental Funds. Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflow and outflow of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near term financing decisions. Both the Governmental Fund Balance Sheet and the Governmental Fund Statement of Revenues, Expenditures, and Changes in Fund Balances provide reconciliation to facilitate this comparison between governmental funds and governmental activities.

VILLAGE OF PINECREST, FLORIDA

MANAGEMENT'S DISCUSSION AND ANALYSIS SEPTEMBER 30, 2020

The Village of Pinecrest maintains 11 individual governmental funds (eight special revenue funds, one Debt Service Fund, one Capital Projects Fund, and the General Fund). Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the General, Transportation Fund, CITT Public Transit Fund and Capital Projects funds as only these funds are considered to be major funds. Data from the other funds are combined into a single, aggregated presentation. Individual data for these non-major governmental funds are provided in the form of combining statements elsewhere in this report.

The Village of Pinecrest adopts an annual appropriated budget for its General Fund as well as its other governmental funds. A budgetary comparison statement has been provided for the General Fund to demonstrate compliance with this budget.

Proprietary Fund. The Village maintains one type of proprietary fund—an Enterprise Fund. Enterprise funds are used to report the same functions presented as business-type activities in the government-wide financial statements. The Village of Pinecrest uses an Enterprise Fund to account for its stormwater activities.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The Proprietary Fund financial statements provide separate information for the Stormwater Fund, which is considered a major fund of the Village of Pinecrest.

Notes to the Financial Statements. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

The combining statements referred to earlier in connection with non-major governmental funds are presented immediately following the footnotes.

Government-wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the Village of Pinecrest, assets and deferred outflows of resources exceeded liabilities and deferred inflows by \$81,012,723 at the close of the most recent fiscal year.

By far the largest portion of the Village's net position \$81,864,330 or 101.1% reflects its net investment in capital assets (i.e. land, buildings, machinery, and equipment), less any related debt used to acquire those assets that are still outstanding. The Village uses these capital assets to provide services to citizens. Consequently, these assets are not available for future spending. Although the Village of Pinecrest's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources because the capital assets themselves cannot be used to liquidate these liabilities.

- Taxes of \$16,268,368 comprised 64.5% of the total governmental revenues, of \$25,207,109 during the fiscal year. Most of this category is property taxes of \$11,615,889.
- Charges for services accounted for \$5,698,783 or 22.6% of total governmental revenues.
- Operating and capital grants and contributions accounted for \$1,176,117 or 4.7% of total governmental revenues. This was a decrease from the prior year due to one-time revenues in 2019 from FEMA Hurricane Irma cost reimbursements of \$1,759,020.

VILLAGE OF PINECREST, FLORIDA

MANAGEMENT’S DISCUSSION AND ANALYSIS
 SEPTEMBER 30, 2020

Expenses and Program Revenues – Governmental Activities

Revenues by Source – Governmental Activities

In fiscal year 2020, The Village spent \$383,149 (Public Safety expense category) for emergency protective services such as cleaning supplies and personal protective equipment for the safety of the employees and residents, and facilitating work from home. The Village has submitted claims to both the CARES Act and FEMA, as appropriate. Revenues decreased by \$3,926,872 or 12.9%, while expenses increased by \$1,800,402 or 6.0%. As mentioned previously, due to COVID-19, many funding sources did not meet budgeted figures. The Village also chose to continue to invest in roads, infrastructure and other capital assets. Programming was cut due to stay at home and social distance requirements, but many expenses could not be reduced enough to meet the revenue shortfall.

VILLAGE OF PINECREST, FLORIDA

MANAGEMENT'S DISCUSSION AND ANALYSIS SEPTEMBER 30, 2020

The prior year also included \$1,759,020 of FEMA obligated funds from Hurricane Irma, part of the operating grants and contributions line, which was a onetime event. The charges for services revenue category was less by \$2,192,815 due to a reduction in parks and recreation programming revenue due to the pandemic. While the millage rate did not change from 2.399, the tax base or property values increased the ad valorem revenues increased. Taxes on a whole increased by \$482,354. The capital and operating grants such as federal, state and county resources increased approximately \$77,522.

Financial Analysis of the Government's Funds

The Village of Pinecrest used fund accounting to ensure and demonstrate compliance with finance related requirements.

Governmental Funds. The focus of the Village's governmental funds is to provide information on near term inflow, outflow and balances of spendable resources. Such information is useful in assessing the Village of Pinecrest's financing requirements. In particular, the Unassigned Fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

As of the end of the current fiscal year, the Village of Pinecrest's governmental funds (GAAP basis) reported combined ending fund balances of \$8,141,218 a decrease of \$1,928,558 or 19.2% in comparison with the prior year, \$10,069,776. Approximately 62.3% of this total amount, \$5,069,463, constitutes unassigned fund balance, which is available for spending at the government's discretion. The remainder of fund balance is not available for new spending or is assigned. The major reason for the decrease is the drop in revenues related to the COVID-19 pandemic coupled with a managed growth in expenses to continue the investment in infrastructure and the community.

The General Fund had a minor increase of \$49,137. This was accomplished during the pandemic by the receipt of the FEMA Hurricane Irma Funds of over \$1.5 million (which were recorded as unavailable revenues in 2019) that met the shortfalls due to COVID-19 in areas such as Charges for Services, Licenses and Permits and Fines and Forfeitures, coupled with a reduction in relevant costs. The Transportation Fund decreased by \$638,916 as the Village continued road projects as planned above and beyond planned revenues and used reserve funds. The CITT Fund decreased by \$41,846 due to the loss of a transit grant that was lost due to the pandemic. The vendor that was paid with the grant continued until the advance notice to pause the service was met. Those months were paid out reserves instead of the budgeted grant not received. The Capital Fund decreased \$1,596,211 as capital improvements were made using the note proceeds funded in the prior fiscal year. The Nonmajor governmental funds increased by \$299,278 mostly in the impact fee funds, as projects for their expenditure are in development.

The General Fund is the chief operating fund of the Village of Pinecrest. At the end of the current fiscal year, the Unassigned Fund balance of the General Fund was \$5,069,463. As a measure of the General Fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total fund expenditures. Unassigned Fund balance is 20.1% of total General Fund expenditures including transfers, while total fund balance represents 32.3% of that same amount.

VILLAGE OF PINECREST, FLORIDA

MANAGEMENT'S DISCUSSION AND ANALYSIS SEPTEMBER 30, 2020

- The unassigned fund balance of the Village of Pinecrest's General Fund decreased by a marginal amount of \$2,193 during the current fiscal year.
- The Police expenditures were under budget by \$953,946 due to unfilled open positions and various capital projects that were not completed, of which \$190,100 will be carried over for the purchase of police vehicles, a radar trailer and subpoena software.
- General Government departments combined were under budget by \$250,658 due to cancelled conferences, travel and many office related expenses due to the work at home shift. Some of this excess will be carried over into the next fiscal year: \$27,500 for a Compensation Study and employee appreciation events for Human Resources, and \$10,000 for liquidated damages for contract cancellation and \$10,000 for a security audit for the Finance department.
- Public Works was under by \$63,350 caused mainly by a change in the Director position which brought about savings in wages and fringes.
- Parks and Recreation was under \$623,184 due to the need to end or alter programs and operations offered due to the COVID-19 pandemic. \$33,695 will be carried over in 2021 for improvements to the parks, Community Center, and Pinecrest Gardens.

The Debt Service Fund traditionally has no fund balance. The government transfers the exact amount needed for both principal and interest payments each year. This year, due to the timing of a lost and reissued check, the transfers in exceeded the payments made in the year. This year \$1,395,700 was transferred into the fund for principal payments, an increase of \$112,600. This year \$285,753 was transferred for interest payments, a decrease of \$7,498. The total transfers in was \$1,681,453 while the payments made were \$1,403,087, leaving a fund balance of \$278,366 for a 2020 payment that as voided and reissued in fiscal year 2021.

Proprietary Fund. The Stormwater Fund accounts for revenues collected for the maintenance of the stormwater collection function in the Village. The Village maintains the canals and underground pipes and there are operational costs associated with treating the water. This year the unrestricted net position went from \$1,165,312 to \$1,863,604, an increase of \$698,292. This increase reflects the fact that more funds were received than were spent on capital improvements this year. Those excess funds will be used for future year capital improvements, which are depreciated over many years.

General Fund Budget Highlights

The budget to actual variances in the General Fund were:

- **Fines and Forfeitures, \$(380,487).** \$380,487 was short of the budgeted revenues due to the decrease in red light camera violations in the Village. This was caused by the COVID-19 pandemic where many people were home and not on the road. In addition, collections were made on stagnant liens from code violations.
- **Licenses and Permits, \$(486,823).** \$486,823 was short of the budgeted revenues due to the decrease construction value in permits, due to the COVID-19 pandemic. Much construction was halted and/or delayed temporarily due to local orders.

VILLAGE OF PINECREST, FLORIDA

MANAGEMENT'S DISCUSSION AND ANALYSIS SEPTEMBER 30, 2020

- **Charges for Services, \$(755,685).** \$ 755,685 was short of the budgeted amount due to the stay at home orders and decrease in social interactions, which required a halt and or modification to the programming in the parks and Community Center and Pinecrest Gardens.
- **Intergovernmental Revenue, \$1,350,204.** \$1,350,204 was earned in excess of the budgeted revenues. While many other line items in this category were short, the receipt of the FEMA Hurricane Irma funds incurred in fiscal year 18 was \$1,536,977. This income, was not budgeted and provided for the overage in this category.

During the year, budgetary revenues in were more than budgetary expenditures, increasing the fund balance by \$3,263,115 or \$ 49,137 when including the transfers in and out.

The following highlights the reason for the budget amendments in the General Fund:

- COVID-19 Emergency Protective Measures, \$383,149, reimbursable by both the CARES Act and FEMA.
- Village Hall roof repairs, \$222,160, funded from FEMA Hurricane Irma grant.
- Building, plumbing and electrical inspection contractor services, \$19,853.
- CITT fund shortage due to the loss of the FDOT grant for on demand transport. Eligibility was lost due to COVID-19 when the service was halted but the vendor agreement was still in effect, \$27,000.

Capital Asset and Debt Administration

Capital assets. The Village of Pinecrest's investment in capital assets for its governmental activities as of September 30th amounts to \$83,151,654 (net of accumulated depreciation). This investment in capital assets includes land, buildings, equipment, roads, sidewalks, infrastructure, stormwater system, and construction in progress. The total decrease in the Village's investment in capital assets for the current fiscal year was 2.5%.

Major capital asset events during the current fiscal year included the following:

- Stormwater improvements.
- Renovations and improvements at Pinecrest Gardens, the Community Center and various parks.
- Village-wide road improvement.
- Village Hall roof and various building improvements, as well as a 1st floor repurpose.
- Police, building, and planning vehicle additions.
- Construction in Progress
 - Evelyn Greer Park: New roof.
 - Suniland Park: Dog park perimeter fencing.

Additional information on the Village of Pinecrest's capital assets can be found in Note 2C.

Long-term debt. At the end of the fiscal year, the Village had total bonded debt outstanding of \$9,082,000.

Village of Pinecrest's Outstanding Debt

	Governmental Activities		Business-type Activities		Totals	
	2019	2020	2019	2020	2019	2020
Revenue bonds	\$ 10,230,500	\$ 9,082,000	\$ -	\$ -	\$ 10,230,500	\$ 9,082,000
Total debt	\$ 10,230,500	\$ 9,082,000	\$ -	\$ -	\$ 10,230,500	\$ 9,082,000

The Village of Pinecrest increased its total debt by \$1,148,500 or 11.2% during the current fiscal year. There are five bond issues outstanding: Pinecrest Gardens refinancing (formerly known as Parrot Jungle), \$1,060,000, which matures in fiscal year 2022, the Library/Community Center, \$820,400, which matures in fiscal year 2024, Community Center/Coral Pines Park \$3,812,900, which matures in fiscal year 2029, Pinecrest Gardens Improvements, \$925,000 which matures in fiscal year 2030, and a Capital Improvements loan with an outstanding balance of \$2,463,700, which matures in fiscal year 2028.

The Series 2011B bonds carry the following bond ratings:

- Standard & Poor's – AAA
- Fitch – AA+. The issuer default rating is AAA.

Additional information on the Village of Pinecrest's long-term debt can be found in Note 2E.

Economic Factors and Next Year's Budgets and Rates

- The COVID-19 pandemic continues to be of concern. While the budget for next year was prepared with this in mind, the uncertainty of when we can return to "normal" lingers.
- Property values in the Village continue to grow and have allowed for a minor reduction in the millage rate from 2.399 to 2.35, while not affecting the tax revenues for the 2021 year.

VILLAGE OF PINECREST, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2020

During the current fiscal year, the unassigned fund balance for governmental funds decreased to \$5,069,463, a minor drop which still allows the Village financial flexibility. The Village also has \$1,355,991 of fund balance in the Capital Projects Fund that is either restricted or assigned for various capital improvement projects.

**VILLAGE OF PINECREST, FLORIDA
RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES
AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS
TO THE STATEMENT OF ACTIVITIES
FOR THE YEAR ENDED SEPTEMBER 30, 2020**

Net Change in Fund Balances – Total Governmental Funds \$ (1,928,558)

Amounts reported for governmental activities in the statement of activities are different because:

Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of these assets is depreciated over their estimated useful lives.

Capital outlay	\$ 4,585,141	
Less current year depreciation	<u>(6,749,455)</u>	(2,164,314)

Revenues in the statement of activities that do not provide current financial resources are not reported in the funds.

Unavailable intergovernmental revenue		(1,522,228)
---------------------------------------	--	-------------

Some expenses reported in the statement of activities do not require the use of current financial resources and therefore, are not reported as expenditures in governmental funds.

Change in compensated absences	(130,895)	
Change in accrued interest	5,919	
Amortization of deferred charge and gain on refunding	(1,514)	
OPEB expense	(20,303)	
Pension expense	<u>(1,563,249)</u>	(1,710,042)

The issuance of long-term debt provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position.

General obligation bond principal repayments		<u>1,148,500</u>
--	--	------------------

Change in net position of governmental activities \$ (6,176,642)

The accompanying notes to financial statements are an integral part of this statement.

VILLAGE OF PINECREST, FLORIDA

NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Reporting entity

The Village of Pinecrest (the “Village”) was incorporated March 12, 1996, pursuant to Ordinance 95-207 adopted by the Miami-Dade Board of County Commissioners November 12, 1995. The Village occupies a land area of eight square miles and serves a population of 18,467. The Village operates under a Council-Manager form of government and provides the following services: public safety (police), public works, building, planning and zoning, code enforcement, stormwater management, and parks and recreation. The basic financial statements of the Village have been prepared in conformity with Generally Accepted Accounting Principles (GAAP) as applied to governmental units, which are generally accepted in the United States. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental and financial reporting principles.

The financial statements were prepared in accordance with the GASB, the reporting entity, which establishes standards for defining and reporting on the financial reporting entity. The definition of the financial reporting entity is based upon the concept that elected officials are accountable to their constituents for their actions. One of the objectives of financial reporting is to provide users of financial statements with a basis for assessing the accountability of the elected officials. The financial reporting entity consists of the Village, organizations for which the Village is financially accountable and other organizations for which the nature and significance of their relationship with the Village are such that exclusion would cause the reporting entity’s financials statements to be misleading or incomplete. The Village is financially accountable for a component unit if it appoints a voting majority of the organization’s governing board and it is able to impose its will on that organization or there is a potential for the organization to provide specific financial benefits to, or impose specific financial burdens on the Village. Based upon the application of these criteria, there were no organizations that met the criteria described above.

B. Government-wide and fund financial statements

The government-wide financial statements (i.e. the statements of net position and the statement of changes in net position) report information on all activities of the Village of Pinecrest. The effect of interfund activity has been removed from these statements. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities which rely to a significant extent on fees and charges for support.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment is offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include: (1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment; and (2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues. Separate financial statements are provided for governmental funds and the proprietary fund. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

VILLAGE OF PINECREST, FLORIDA

NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C. Measurement focus, basis of accounting, and financial statement presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting is used for the proprietary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Village considers revenues to be available if they are collected within 30 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

Property taxes, franchise taxes, licenses and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. All other revenue items are considered to be measurable and available only when cash is received by the Village.

The Village reports the following major governmental funds:

- The **General Fund** is the Village's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.
- The **Transportation Fund** receives grants from the state of Florida and from Miami-Dade County to be used to account for and report resources restricted or committed to the improvement of the Village's roadway system. The primary sources of revenue are intergovernmental grants from a portion of the gasoline sales tax and a Miami-Dade County share of a ½ cent sales tax to be used for non-public transportation.
- The **CITT Public Transit Fund** reports on the public transit funds received from a portion of the transportation sales tax.
- The **Capital Projects Fund** receives transfers from the general fund as well as grants and accounts for purchases of land and improvements to the parks and buildings in the community.

The Village reports its only proprietary fund as a major fund:

- The **Stormwater Fund** (an enterprise fund) accounts for the stormwater control activities of the community. Funds are received from business and residential users and used to maintain the stormwater collection system.

VILLAGE OF PINECREST, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C. Measurement focus, basis of accounting, and financial statement presentation (continued)

Additionally, the Village reports other special revenue funds and a debt service fund.

As a general rule, the effect of inter-fund activity has been eliminated from the government-wide financial statements. Exceptions to this general rule are charges between the governments various functions. Elimination of these charges would distort the direct costs and program revenues reported for the various functions concerned.

Amounts reported as program revenues include: (1) charges to customers or applicants for goods, services, or privileges provided, (2) operating grants and contributions, and (3) capital grants and contributions. General revenues include all taxes.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the stormwater fund are charges to business and residential customers for stormwater system maintenance. Operating expenses report on the costs to maintain the stormwater system, the cost of sales and services, administrative expenses and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

D. Assets, liabilities deferred outflows/inflows of resources and net position/fund balance

1. Deposits and investments

Cash and cash equivalents, which are cash and short-term investments with maturities of three months or less, include cash on hand, a repurchase agreement and investments with the State Board of Administration Investment Pool. Investments are reported at fair value.

2. Capital assets

Capital assets, which include property, land, rights of way, equipment, and infrastructure assets (i.e. roads, bridges, sidewalks and similar items), are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are defined by the government as assets with an initial, individual cost of more than \$10,000 (amount not rounded) and an estimated useful life in excess of three years. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets, donated works of art and similar items, and capital assets received in a service concession arrangement are recorded at acquisition value.

VILLAGE OF PINECREST, FLORIDA

NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

**D. Assets, liabilities deferred outflows/inflows of resources and net position/fund balance
(continued)**

2. Capital assets (continued)

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

Capital assets of the Village are depreciated using the straight-line method over the following estimated useful lives:

Buildings	40 years
Improvements	15 years
Equipment	
Cars	5 years
Trucks	10 years
Equipment	5 years
Computer equipment	3 years
Computer software	7 years
Infrastructure	
Roads	25 years
Stormwater system	50 years
Sidewalks	20 years

3. Deferred outflows/inflows of resources

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The Village only has three items that qualify for reporting in this category. One is the deferred charge on refunding resulting from the difference in the carrying value of a refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt. The other two items are the deferred outflows relating to the pension plan (discussed in Note 3E) and the deferred outflows relating to the OPEB plan (discussed in Note 2G).

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The Village has three items that qualify for reporting in this category. One is a deferred gain on refunding that results from the difference in the carrying value of refunded debt and its reacquisition price.

VILLAGE OF PINECREST, FLORIDA

NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

**D. Assets, liabilities deferred outflows/inflows of resources and net position/fund balance
(continued)**

3. Deferred outflows/inflows of resources (continued)

This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt. The second item is the deferred inflows relating to the pension plans and the OPEB plan. These are discussed in further detail in Note 3E and Note 2G. The Village also has one other type of these items, which arises only under a modified accrual basis of accounting that qualifies for reporting in this category. Accordingly, the item, *unavailable revenue*, is reported only in the governmental funds balance sheet. The governmental funds report unavailable revenues from certain charges for services and fines and these amounts are deferred and will be recognized as an inflow of resources in the period in which the amounts become available.

4. Compensated absences

Village employees are granted vacation and sick leave in varying amounts based on length of service and the department that the employee services. The Village's sick leave policy is to permit employees to accumulate earned but unused sick pay benefits. Such leave is accrued and reported as a fund liability when it is probable that the Village will compensate the employee in the following fiscal year. Unused sick pay is not paid at termination.

The Village's vacation policy is that earned vacation must be taken within one year of the employee's anniversary. Carryover is limited to two hundred and forty (240) hours. Unused vacation pay, if any, is paid with the employee's termination or retirement. Those amounts estimated to be liquidated with expendable available financial resources from the General Fund are reported as expenditures and a fund liability of the General Fund.

5. Long-term obligations

In the government-wide financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities or business-type activities. Bond premiums and discounts are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount.

In the fund financial statements, governmental fund types recognize bond premiums and discounts during the current period. The face amount of debt issued is reported as another financing source. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses.

VILLAGE OF PINECREST, FLORIDA

NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

**D. Assets, liabilities deferred outflows/inflows of resources and net position/fund balance
(continued)**

6. Property taxes

Property taxes for the current year were assessed and collected by Miami-Dade County and subsequently remitted to the Village. Property taxes are assessed as of January 1 each year and are first billed (levied) and due the following November 1. Under Florida law, the assessment of all properties and the collection of all county, municipal, school board and special district property taxes are consolidated in the offices of the County Property Appraiser and County Tax Collector. The laws for the state regulating tax assessments are also designed to assure a consistent property valuation method statewide. State statutes permit municipalities to levy property taxes at a rate of up to 10 mills (\$10 per \$1,000 of assessed taxable valuation). The millage rate assessed by the Village for the year ended September 30, 2020, was 2.399 mills.

The tax levy of the Village is established by the Village Council prior to October 1 of each year, and the County Property Appraiser incorporates the millage into the tax levy, which includes Miami-Dade County, Miami-Dade County School Board and special taxing districts.

All property is reassessed according to its fair market value as of January 1 of each year. Each assessment roll is submitted to the Executive Director of the State Department of Revenue for review to determine if the rolls meet all of the appropriate requirements of State Statutes.

All real and tangible personal property taxes are due and payable on November 1, each year or as soon as practicable thereafter as the assessment roll is certified by the County Property Appraiser. Miami-Dade County mails to each property owner on the assessment roll a notice of the taxes due and Miami-Dade County also collects the taxes for the Village. Taxes may be paid upon receipt of such notice from Miami-Dade County, with discounts at the rate of 4% if paid in the month of November, 3% if paid in the month of December, 2% if paid in the month of January and 1% if paid in the month of February. Taxes paid during the month of March are without discount, and all unpaid taxes on real and tangible personal property become delinquent and liens are placed on April 1 of the year following the year in which taxes were assessed. Procedures for the collection of delinquent taxes by Miami-Dade County are provided for in the laws of Florida. There were no material delinquent property taxes at September 30, 2020.

7. Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Although these estimates are based on management's knowledge of current events and actions it may undertake in the future, they may ultimately differ from actual results.

VILLAGE OF PINECREST, FLORIDA

NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

**D. Assets, liabilities deferred outflows/inflows of resources and net position/fund balance
(continued)**

8. Encumbrances

Encumbrance accounting is utilized to the extent necessary to assure effective budgetary control and accountability and to facilitate effective cash planning and control. While all appropriations and encumbrances lapse at year-end, valid outstanding encumbrances may be re-appropriated and become part of the subsequent year's budget pursuant to state regulations. There were no outstanding encumbrances at year-end.

9. Date of management review

Subsequent events were evaluated by management through February 24, 2021, which is the date the financial statements were available to be issued.

NOTE 2 – DETAILED NOTES ON ALL FUNDS

A. Deposits and investments

Deposits

In addition to insurance provided by the Federal Depository Insurance Corporation, all deposits are held in banking institutions approved by the State Treasurer of the State of Florida to hold public funds. Under Florida Statutes Chapter 280, Florida Security for Public Deposits Act, the State Treasurer requires all Florida qualified public depositories to deposit with the Treasurer or banking institution eligible collateral. In the event of a failure of a qualified public depository, the remaining public depositories would be responsible for covering any resulting losses.

Investments

The Village invests surplus funds in an external investment pool, the Local Government Surplus Funds Trust Fund (Florida PRIME). The State Pool is administered by the Florida State Board of Administration (SBA), who provides regulatory oversight.

The Florida Prime has adopted operating procedures consistent with the requirement for 2a-7 like fund. The Village's investment in the Florida PRIME is reported at amortized cost. The fair value of the position in the pool is equal to the value of the pool shares. These investments are exempt from fair value hierarchy level disclosure. The Village had the following investments as of September 30, 2020:

<u>Investment</u>	<u>Maturities</u>	<u>Fair Value</u>
Florida Prime	48 days weighted average days to maturity	\$ 6,361,131

VILLAGE OF PINECREST, FLORIDA

**NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2020**

NOTE 2 – DETAILED NOTES ON ALL FUNDS (CONTINUED)

A. Deposits and investments (continued)

Credit risk

The Village has an investment policy that emphasis the safety of principal while maintaining adequate liquidity to meet its needs. Investments are limited to the highest ratings by two of the nationally recognized statistical rating organizations - Nationally Recognized Statistical Rating Organization (NRSRO) and Standard and Poor’s and Moody’s Investment Services. The Florida PRIME is rated AAAM by Standard and Poor’s.

Concentration credit risk

GASB Statement 40 requires disclosure when the percent is 5% or more in any one issuer. External investment pools are exempt from Concentration and Interest Rate Risk disclosures.

Interest rate risk

In accordance with our investment policy, the Village manages its exposure to declines in fair values by investing in conservative investments with the emphasis on safety of principal.

B. Receivables

Receivables as of September 30, 2020, for the Village’s individual major and nonmajor funds, in the aggregate, including the applicable allowances for uncollectible accounts, are as follows:

	General Fund	CITT Public Transit Fund	Non-Major Governmental Funds	Stormwater Fund	Total
Receivables					
Intergovernmental	\$ 376,766	\$ 132,418	\$ 18,709	\$ -	\$ 527,893

NOTE 2 – DETAILED NOTES ON ALL FUNDS (CONTINUED)

E. Long-term debt

The Village has five debt issues outstanding at September 30, 2020, all of which are considered direct borrowings. Series 2011-2 was for capital improvements at Pinecrest Gardens and the Community Center. The 2011 series bonds bear interest rates from 2.0–5.0 %. Series 2012 was for the refunding of bonds for purchasing and developing Pinecrest Gardens and has a 3.25% interest rate. Series 2014 is for refunding the construction costs of the Library/Community Center at Pinecrest Gardens, \$3,075,000 and bears interest at 2.1%. Series 2015 is for the expansion of the Community Center and improvements at Coral Pines Park. The Series 2019 was issued in the amount of \$2,617,100 to provide funding for various capital projects including improvement of the Community Center, the Municipal Center/Library, Pinecrest Gardens, and other parks within the Village. The principal and interest on these bonds are payable from a covenant to budget and appropriate legally available non-ad valorem revenues.

Maturities of these direct borrowings are as follows:

Year Ending September 30,	Principal	Interest	Total
2021	\$ 2,214,600	\$ 269,508	\$ 2,484,108
2022	931,800	190,548	1,122,348
2023	956,800	166,070	1,122,870
2024	982,000	135,840	1,117,840
2025	793,000	110,126	903,126
2026 - 2030	3,203,800	220,696	3,424,496
	<u>\$ 9,082,000</u>	<u>\$ 1,092,788</u>	<u>\$ 10,174,788</u>

Changes in long-term liabilities of governmental activities during the year are summarized as follows:

	Beginning Balance	Additions	Reductions	Ending Balance	Amounts Due Within One Year
Governmental activities					
Direct borrowings:					
Bonds payable	\$ 10,230,500	\$ -	\$ (1,148,500)	\$ 9,082,000	\$ 2,214,600
Total OPEB liability	230,053	99,094	(23,189)	305,958	-
Net pension liability	10,914,607	5,256,010	(2,756,950)	13,413,667	-
Compensated absences	498,797	750,797	(619,902)	629,692	535,239
Total governmental activities	<u>\$ 21,873,957</u>	<u>\$ 6,105,901</u>	<u>\$ (4,548,541)</u>	<u>\$ 23,431,317</u>	<u>\$ 2,749,839</u>

Compensated absences are paid from the General Fund in the form of vacation pay. The total OPEB liability and the net pension liability are generally liquidated by the General Fund.

Other	32,578	-	-	-	32,578
Total payables	\$ 1,336,319	\$ 46,059	\$ 159,589	\$ 22,818	\$ 1,564,785

G. Other Post-Employment Benefits (OPEB)

1. Description

The Village administers a single-employer OPEB plan. The purpose of this plan is to account for the implicit rate subsidy the Village provides to its retirees Florida Statutes require that municipalities provide their retirees access to the same health insurance programs as their current employees at the same rates. Since the inclusion of the retirees results in higher overall health insurance costs to the municipality which cannot be passed on to the retirees, it in effect results in what is called the implicit rate subsidy. This is the only post-employment benefit the Village provides to its retirees other than its pension plan.

Membership in the plan consisted of the following at September 30, 2020:

Retirees and beneficiaries currently receiving benefits	2
Active employees	143
Total	145

Separate financial statements for the Village’s OPEB plan are not available. Funds from the General Fund are used to liquidate the total OPEB liability.

This actuarial valuation involves estimates of the value of reported amounts and assumptions about the probability of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend.

Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to constant revision as actual experience is compared with past expectations and new estimates are made about the future.

VILLAGE OF PINECREST, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

NOTE 2 – DETAILED NOTES ON ALL FUNDS (CONTINUED)

G. Other Post-Employment Benefits (OPEB) (continued)

Calculations are based upon the types of benefits provided under the terms of the substantive plan at the time of the valuation and on the pattern of sharing of costs between the employer and plan members to that point. Calculations reflect a long-term prospective, so methods and assumptions used include techniques that are designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets.

Benefits Provided:

Retirees and their dependents can continue participating in the group insurance plans offered by the Village, but they are required to contribute 100% of the active premiums.

Total OPEB liability of the Village

The Village's total OPEB liability was measured as of September 30, 2019, and was determined by an actuarial valuation as of October 1, 2018, with the actuary using standard techniques to roll forward the liability to the measurement date.

Actuarial assumptions: The total OPEB liability in the October 1, 2018, actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation Rate:	Same as Healthcare Cost Trend Rates
Salary Increase:	3.00%
Discount Rate:	3.58%
Initial Trend Rate:	7.00%
Ultimate Trend Rate:	5.00% by 2022/2023
Participation Rate:	10%

For general employees, mortality rates were based on the RP-2000 mortality tables. For female lives, 100% of the white-collar table was used. For male lives, a 50% white collar table, 50% blue collar table blend was used. All tables include fully generational adjustments for mortality improvements using improvement scale BB. For disabled lives, mortality rates were based on the RP-2000 sex-distinct disabled mortality tables with female lives set forward two years, male lives set back four years. Disabled mortality has not been adjusted for mortality improvements.

Discount Rate:

Given the Village's decision not to fund the program, all future benefit payments were discounted using a municipal bond rate of 3.58%.

VILLAGE OF PINECREST, FLORIDA

NOTE 2 – DETAILED NOTES ON ALL FUNDS (CONTINUED)

G. Other Post-Employment Benefits (OPEB) (continued)

Changes in the total OPEB liability for the Village for the year ended September 30, 2020, were as follows:

	Total OPEB Liability
Balances at September 31, 2019	\$ 230,053
Changes for the year:	
Service cost	25,752
Interest	8,898
Differences between expected and actual experience	(8,545)
Changes of assumptions	64,444
Changes of benefit terms	-
Benefit payments	(14,644)
Other changes	-
Balances at September 31, 2020	\$ 305,958

There were no significant changes in assumptions since the prior measurement date.

The required schedule of changes in the Village’s total OPEB liability and related ratios immediately following the notes to the financial statements presents multi-year trend information about the total OPEB liability.

Sensitivity of the total OPEB liability to changes in the discount rate. The following presents the total OPEB liability of the Village, as well as what the Village’s total OPEB liability would be if it were calculated using a discount rate that is 1-percentage-point lower (2.58%) or 1-percentage-point higher (4.58%) than the current discount rate:

	1% Decrease (2.58%)	Current Discount Rate (3.58%)	1% Increase (4.58%)
Total OPEB liability	\$ 335,068	\$ 305,958	\$ 280,272

Sensitivity of the total OPEB liability to changes in the healthcare cost trend rates. The following presents the total OPEB liability of the Village, as well as what the Village’s total OPEB liability would be if it were calculated using healthcare cost trend rates that are 1-percentage-point lower or 1-percentage-point higher than the current healthcare cost trend rates:

	1% Decrease	Healthcare Cost Trend Rates (7% down to 5%)	1% Increase
Total OPEB liability	\$ 271,331	\$ 305,958	\$ 347,713

VILLAGE OF PINECREST, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

NOTE 2 – DETAILED NOTES ON ALL FUNDS (CONTINUED)

G. Other Post-Employment Benefits (OPEB) (continued)

Actuarial valuations involve estimates of the value of reported amounts and assumptions about the probability of events far into the future, and actuarially determined amounts are subject to continual revisions as results are compared to past expectations and new estimates are made about the future. Actuarial calculations reflect a long-term perspective. Calculations are based on the substantive plan in effect as of September 30, 2020, and the current sharing pattern of costs between employer and inactive employees.

OPEB expense and deferred outflows of resources and deferred inflows of resources related to OPEB

For the year ended September 30, 2020, the Village recognized OPEB expense of \$24,503. At September 30, 2020, the Village reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

Description	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 45,628	\$ 7,803
Change of assumptions	58,850	48,846
Village contributions subsequent to the measurement date	14,700	-
	<u>\$ 119,178</u>	<u>\$ 56,649</u>

The deferred outflows of resources related to the OPEB Plan, totaling \$14,700 resulting from Village contributions to the plan subsequent to the measurement date, will be recognized as a reduction of the net pension liability in the fiscal year ended September 30, 2021. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to the OPEB Plan will be recognized in OPEB expense as follows:

Fiscal Year Ending September 30:	Amount
2021	\$ 4,497
2022	4,497
2023	4,497
2024	4,497
2025	4,497
Thereafter	25,344

VILLAGE OF PINECREST, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

NOTE 2 – DETAILED NOTES ON ALL FUNDS (CONTINUED)

H. Equity classification and policies

Fund balances of the governmental funds are classified as follows:

Non-spendable – amounts that cannot be spent either because they are in non-spendable form or because they are legally or contractually required to be maintained intact.

Restricted – amounts that can be spent only for specific purposes because of constitutional provisions, charter requirements or enabling legislation or because of constraints that are externally imposed by creditors, grantors, contributors, or the laws or regulations of other governments.

Committed – amounts that can be used only for specific purposes determined by a formal action of Village Council. Village Council is the highest level of decision making authority for the Village. Commitments may be established, modified, or rescinded only through ordinances or resolutions approved by Village Council. It is equally difficult to remove the constraint provide by an ordinance or a resolution.

Assigned – amounts that do not meet the criteria to be classified as restricted or committed but that are intended to be used for specific purposes. Under the Village’s adopted policy, only Village Council may assign amounts for specific purposes.

Unassigned – all other spendable amounts. The General Fund is the only fund that reports a positive unassigned fund balance. In other governmental founds it is not appropriate to report a positive unassigned fund balance amount. However, in government funds other than the General Fund, if expenditures incurred for specific purposes exceed the amounts that are restricted, committed, or assigned to those purposes, it may be necessary to report a negative unassigned fund balance in that fund.

Fund balance flow assumptions:

Sometimes the Village will fund outlays for a particular purpose from both restricted and unrestricted resources (the total of committed, assigned, and unassigned fund balance). In order to calculate the amounts to report as restricted, committed, assigned, and unassigned fund balance in the governmental fund financial statements a flow assumption must be made about the order in which the resources are considered to be applied. It is the Village’s policy to consider restricted fund balance to have been depleted before using any of the components of unrestricted fund balance. Further, when the components of unrestricted fund balance can be used for the same purpose, committed fund balance is depleted first, followed by assigned fund balance. Unassigned fund balance is applied last.

VILLAGE OF PINECREST, FLORIDA

**NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2020**

NOTE 2 – DETAILED NOTES ON ALL FUNDS (CONTINUED)

H. Equity Classification and policies (continued)

Fund balance policy:

The Village of Pinecrest will maintain a minimum unassigned fund balance in the General Fund of 10% of budgeted expenditures and transfers out. The Village shall strive to keep an additional unassigned fund balance for extraordinary expenditures and mitigation due to the Village being located in a hurricane zone. That amount is to be determined each year by Council during the budget process.

As of September 30, 2020, fund balances are composed of the following:

	<u>General Fund</u>	<u>Transportation Fund</u>	<u>CITT Public Transit Fund</u>	<u>Capital Projects Fund</u>	<u>Nonmajor Governmental Funds</u>	<u>Totals</u>
Nonexpendable						
Prepays	\$ 23,313	\$ -	\$ -	\$ -	\$ -	\$ 23,313
Restricted						
Transportation	-	444,689	132,831	-	-	577,520
Public safety	-	-	-	-	99,041	99,041
General government	-	-	-	-	69,324	69,324
Parks	-	-	-	-	30,861	30,861
Debt service	-	-	-	-	278,366	278,366
Committed						
Sidewalk improvements	28,739	-	-	-	-	28,739
Assigned						
Capital projects	-	-	-	1,355,991	-	1,355,991
Health Care	317,805	-	-	-	-	317,805
Subsequent year appropriations	290,795	-	-	-	-	290,795
Unassigned	5,069,463	-	-	-	-	5,069,463
Total fund balances	<u>\$ 5,730,115</u>	<u>\$ 444,689</u>	<u>\$ 132,831</u>	<u>\$ 1,355,991</u>	<u>\$ 477,592</u>	<u>\$ 8,141,218</u>

Government-wide and proprietary fund statements

Equity is classified as net position and displayed in three components.

- A. Net investment in capital assets – consists of capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, notes or other borrowings that are attributable to the acquisition, construction or improvements of those assets.
- B. Restricted – consists of net position with constraints placed on the use either by: (1) external groups such as creditors, grantors, contributors or laws or regulation of other governments, or (2) law through constitutional provisions or enabling legislation.
- C. Unrestricted – consists of all other net position that do not meet the definition of “restricted” or “net investment in capital assets”.

VILLAGE OF PINECREST, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

NOTE 2 – DETAILED NOTES ON ALL FUNDS (CONTINUED)

H. Equity classification and policies (continued)

Net position flow assumption:

Sometimes the Village will fund outlays for a particular purpose from both restricted (i.e. restricted bond or grant proceeds) and unrestricted resources. In order to calculate the amounts to report as restricted – net position and unrestricted – net position in the government-wide and proprietary fund financial statements, a flow assumption must be made about the order in which the resources are considered to be applied. It is the Village’s policy to consider restricted – net position to have been depleted before unrestricted – net position is applied.

NOTE 3 – COMMITMENTS AND CONTINGENCIES

A. Risk management

The Village is exposed to various risks of loss related to torts, theft of or damage to and destruction of assets, errors and omissions, injuries to employees, and natural disasters for which the Village carries insurance through the Florida League of Cities. There were no significant reductions in insurance coverage from the coverage in the prior year. There were no settled claims that have exceeded insurance coverage for each of the past three years.

B. Litigation

The Village is a defendant in various lawsuits incidental to its operations. Although the outcome of these lawsuits is not presently determinable, it is the opinion of the Village’s management and legal counsel that resolution of these matters will not have a material adverse effect on the financial condition of the Village.

C. Contingent liabilities

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. In the opinion of management, future disallowances of grant expenditures, if any, would not have a material adverse effect on the Village’s financial condition.

During March 2020, the World Health Organization declared the Coronavirus outbreak a global pandemic. Actions taken around the world to help mitigate the spread of the Coronavirus include restrictions on travel, quarantines in certain areas, and forced closures for certain types of public places and businesses. The Coronavirus and actions taken to mitigate it have had, and are expected to continue to have an adverse impact on the local economies. The ultimate impact of the pandemic on the Village’s results of operations, financial position, and liquidity cannot be reasonably estimated at this time.

VILLAGE OF PINECREST, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

NOTE 3 – COMMITMENTS AND CONTINGENCIES (CONTINUED)

D. Interlocal agreement

On June 17, 1997, the Village entered into an interlocal agreement with Miami-Dade County to pass thru the Village's share of the franchise fee on electricity collected by Florida Power and Light. Under this agreement, the County remitted \$656,497 to the Village for the fiscal year ending September 30, 2020. This agreement will be in effect as long as the ordinance establishing the collection of these fees is in place.

On July 17, 2003, the Village entered into another interlocal agreement with Miami-Dade County. Under this agreement, the County remitted \$676,817 to the Village for the fiscal year ending September 30, 2020, for the purpose of providing transportation services within the Village. This agreement shall remain in effect as long as the County receives net proceeds from the ½ cent County Transit System Surtax as authorized by Miami-Dade County Ordinance No. 02-116 pursuant to the authority of Section 212.055(1), *Florida Statutes 2002*.

E. Pension plans

Defined contribution plans

The Village of Pinecrest 401(a) Money Purchase Plan is a defined contribution plan established by the Village to provide benefits at retirement for its employees. All full-time employees must be a member of the Plan. Plan members are required to contribute 7% of base earnings for the Plan year. The Village is required to contribute 10% of base earnings for each participant for the Plan year. Plan provisions and contribution requirements are established and may be amended by the Village Council.

The Plan's assets are administered by Voya Financial. The Village does not exercise any control over the Plan assets. Village contributions to the Plan were \$688,327. Employee contributions were \$363,779 for the year ended September 30, 2020.

The Village also offers its employees a deferred compensation plan. The Plan, available to all Village employees, permits them to defer a portion of their salary until future years. Participation in the Plan is optional. The deferred compensation is not available to employees until termination, retirement, death, or unforeseeable emergency. Benefit provisions and contributions are established and may be amended by the Village Council. During the year ended September 30, 2020, the Village made no contributions and employees contributed \$404,345. Pursuant to the Statement No. 32 of the GASB, *Accounting and Financial Reporting for Internal Revenue Code Section 457 Deferred Compensation Plans*, the Village does not have a fiduciary relationship with the Plan. Accordingly, the balances and transactions of the Village's Plan are not reported in the Village's financial statements.

VILLAGE OF PINECREST, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

NOTE 3 – COMMITMENTS AND CONTINGENCIES (CONTINUED)

E. Pension plans (continued)

Defined benefit plan

The Village participates in the Florida Retirement System (FRS), a statewide cost-sharing multiple-employer public employee retirement system (PERS), available to governmental units within the state and administered by the State of Florida Department of Management Services, Division of Retirement. The sworn police personnel are eligible to participate in the FRS.

General Information – As provided by Chapters 121 and 112, *Florida Statutes*, the FRS provides two cost sharing, multiple employer defined benefit plans administered by the Florida Department of Management Services, Division of Retirement, including the FRS Pension Plan (“Pension Plan”) and the Retiree Health Insurance Subsidy (“HIS Plan”). The FRS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Benefits are established by Chapter 121, *Florida Statutes*, and Chapter 60S, *Florida Administrative Code*. Amendments to the law can be made only by an act of the Florida State Legislature. The state of Florida annually issues a publicly available financial report that includes financial statements and required supplementary information for the FRS. The latest available report may be obtained by writing to the State of Florida Division of Retirement, Department of Management Services, P.O. Box 9000, Tallahassee, Florida 32315-9000, by calling (877) 377-1737, or by visiting:
www.dms.myflorida.com/workforce_operations/retirement/publications.

FRS PENSION PLAN

Plan Description:

The Pension Plan is a cost-sharing multiple-employer defined benefit pension plan, with a Deferred Retirement Option Program (“DROP”) for eligible employees.

Benefits Provided:

Benefits under the Pension Plan are computed on the basis of age, average final compensation, and service credit. Special Risk Administrative Support class members who retire at or after age 55 with at least six years of credited service or 25 years of service regardless of age are entitled to a retirement benefit payable monthly for life, equal to 1.6% of their final average compensation based on the five highest years of salary, for each year of credited service. Special Risk class members (sworn law enforcement officers, firefighters, and correctional officers) who retire at or after age 55 with at least six years of credited service, or with 25 years of service regardless of age, are entitled to a retirement benefit payable monthly for life, equal to 3.0% of their final average compensation based on the five highest years of salary for each year of credited service.

For Special Risk and Special Risk Administrative Support class members enrolled on or after July 1, 2011, the vesting requirement is extended to eight years of credited service for all these members and increasing normal retirement to age 60 or 30 years of service regardless of age. Also, the final average compensation for these members will be based on the eight highest years of salary.

VILLAGE OF PINECREST, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

NOTE 3 – COMMITMENTS AND CONTINGENCIES (CONTINUED)

E. Pension plans (continued)

Defined benefit plan (continued)

As provided in Section 121.101, *Florida Statutes*, if the member is initially enrolled in the Pension Plan before July 1, 2011, and all service credit was accrued before July 1, 2011, the annual cost-of-living adjustment is 3% per year. If the member is initially enrolled before July 1, 2011, and has service credit on or after July 1, 2011, there is an individually calculated cost-of-living adjustment. The annual cost-of-living adjustment is a proportion of 3% determined by dividing the sum of the pre-July 2011 service credit by the total service credit at retirement multiplied by 3%. Plan members initially enrolled on or after July 1, 2011, will not have a cost-of-living adjustment after retirement.

In addition to the above benefits, the DROP program allows eligible members to defer receipt of monthly retirement benefit payments while continuing employment with a FRS employer for a period not to exceed 60 months after electing to participate. Deferred monthly benefits are held in the FRS Trust Fund and accrue interest. There are no required contributions by DROP participants.

Contributions:

Effective July 1, 2011, all enrolled members of the FRS, other than DROP participants, are required to contribute 3% of their salary to the FRS. In addition to member contributions, governmental employers are required to make contributions to the FRS based on state-wide contribution rates established by the Florida Legislature. These rates are updated as of July 1 of each year. The employer contribution rates by job class for the periods from October 1, 2019 through June 30, 2020, and from July 1, 2020 through September 30, 2020, respectively, were as follows: Regular Class – 8.47% and 10.00%; Senior Management – 25.41% and 27.29%; and DROP participants – 14.60% and 16.98%. These employer contribution rates do not include the 1.66% HIS Plan subsidy for the periods October 1, 2019 through June 30, 2020, and from July 1, 2020 through September 30, 2020, respectively.

The Village's contributions, including employee contributions, to the Pension Plan totaled \$919,820 for the fiscal year ended September 30, 2020.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions:

At September 30, 2020, the Village reported a liability of \$11,998,695 for its proportionate share of the Pension Plan's net pension liability. The net pension liability was measured as of June 30, 2020, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2019. The Village's proportion of the net pension liability was based on a projection of the Village's 2019-2020 fiscal year contributions relative to the 2019-2020 fiscal year contributions of all participating members. At June 30, 2020, the Village's proportion was 0.0277%, which was a decrease from its proportion measured as of June 30, 2019, of 0.0278%.

VILLAGE OF PINECREST, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

NOTE 3 – COMMITMENTS AND CONTINGENCIES (CONTINUED)

E. Pension plans (continued)

Defined benefit plan (continued)

For the fiscal year ended September 30, 2020, the Village recognized pension expense of \$2,414,925. In addition, the Village reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

Description	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 459,214	\$ -
Change of assumptions	2,172,146	-
Net difference between projected and actual earnings on Pension Plan investments	714,414	-
Changes in proportion and differences between Village Pension Plan contributions and proportionate share of contributions	152,109	603,919
Village Pension Plan contributions subsequent to the measurement date	240,847	-
Total	\$ 3,738,730	\$ 603,919

The deferred outflows of resources related to the Pension Plan, totaling \$240,847 resulting from Village contributions to FRS subsequent to the measurement date, will be recognized as a reduction of the net pension liability in the fiscal year ended September 30, 2021. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to the Pension Plan will be recognized in pension expense as follows:

Fiscal Year Ending September 30:	<u>Amount</u>
2021	\$ 596,376
2022	928,820
2023	789,494
2024	471,963
2025	107,311
Thereafter	-

Actuarial Assumptions:

The total pension liability in the June 30, 2020, actuarial valuation was determined using the following actuarial assumption, applied to all period included in the measurement:

Inflation:	2.40%
Salary increases:	3.25%, average, including inflation
Investment rate of return:	6.80%, net of pension plan investment expense, including inflation

VILLAGE OF PINECREST, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

NOTE 3 – COMMITMENTS AND CONTINGENCIES (CONTINUED)

E. Pension plans (continued)

Defined benefit plan (continued)

Mortality rates were based on the Generational RP-2000 with Projection Scale BB tables.

The actuarial assumptions used in the July 1, 2020, valuation were based on the results of an actuarial experience study for the period July 1, 2008 through June 30, 2013.

The long-term expected rate of return on Pension Plan investments was not based on historical returns, but instead is based on a forward-looking capital market economic model. The allocation policy's description of each asset class was used to map the target allocation to the asset classes shown below. Each asset class assumption is based on a consistent set of underlying assumptions and includes an adjustment for the inflation assumption. The target allocation and best estimates of arithmetic and geometric real rates of return for each major asset class are summarized in the following table:

<u>Asset Class</u>	<u>Target Allocation ⁽¹⁾</u>	<u>Annual Arithmetic Return</u>	<u>Compound Annual (Geometric) Return</u>	<u>Standard Deviation</u>
Cash	1.0%	2.2%	2.2%	1.2%
Fixed income	19.0%	3.0%	2.9%	3.5%
Global equity	54.2%	8.0%	6.7%	17.1%
Real estate	10.3%	6.4%	5.8%	11.7%
Private equity	11.1%	10.8%	8.1%	25.7%
Strategic investments	4.4%	5.5%	5.3%	6.9%
Total	<u>100.0%</u>			
Assumed Inflation - Mean		2.4%		1.7%

⁽¹⁾ As outlined in the Pension Plan's investment policy

Discount Rate:

The discount rate used to measure the total pension liability was 6.80%. The Pension Plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the discount rate for calculation the total pension liability is equal to the long-term expected rate of return.

VILLAGE OF PINECREST, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS

E. Pension plans (continued)

Defined benefit plan (continued)

Sensitivity of the Village’s Proportionate Share of the Net Position Liability to Changes in the Discount Rate:

The following represents the Village’s proportionate share of the net pension liability calculated using the discount rate of 6.80%, as well as what the Village’s proportionate share of the net pension liability would be if it were calculated using a discount rate that is one percentage point lower or one percentage point higher than the current rate:

	<u>1% Decrease</u>	<u>Current Discount Rate</u>	<u>1% Increase</u>
	<u>(5.80%)</u>	<u>(6.80%)</u>	<u>(7.80%)</u>
Village's proportionate share of the net pension liability	\$ 16,554,924	\$ 11,998,695	\$ 3,748,701

Pension Plan Fiduciary Net Position:

Detailed information regarding the Pension Plan’s fiduciary net position is available in the separately issued FRS Pension Plan and Other State-Administered Systems Comprehensive Annual Financial Report.

Payables to the Pension Plan:

At September 30, 2020, the Village reported a payable in the amount of \$0 for outstanding contributions to the Pension Plan required for the fiscal year ended September 30, 2020.

HIS PLAN

Plan Description:

The HIS Plan is a cost-sharing multiple-employer defined benefit pension plan established under Section 112.363, *Florida Statutes*, and may be amended by the Florida legislature at any time. The benefit is a monthly payment to assist retirees of state-administered retirement systems in paying their health insurance costs and is administered by the Florida Department of Management Services, Division of Retirement.

Benefits Provided:

For the fiscal year ended September 30, 2020, eligible retirees and beneficiaries received a monthly HIS payment of \$5 for each year of creditable service completed at the time of retirement, with a minimum HIS payment of \$30 and a maximum HIS payment of \$150 per month. To be eligible to receive these benefits, a retiree under a state-administered retirement system must provide proof of health insurance coverage, which may include Medicare.

VILLAGE OF PINECREST, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

NOTE 3 – COMMITMENTS AND CONTINGENCIES (CONTINUED)

E. Pension plans (continued)

Defined benefit plan (continued)

Contributions:

The HIS Plan is funded by required contributions from FRS participating employers as set by the Florida Legislature. Employer contributions are a percentage of gross compensation for all active FRS members. For the fiscal year ended September 30, 2020, the HIS contribution for the period October 1, 2018 through September 30, 2020, was 1.66%. The Village contributed 100% of its statutorily required contributions for the current and preceding three years. HIS Plan contribution are deposited in a separate trust fund from which payments are authorized. HIS Plan benefits are not guaranteed and are subject to annual legislative appropriation. In the event legislative appropriation or available funds fail to provide full subsidy benefits to all participants, benefits may be reduced or cancelled.

The Village’s contributions to the HIS Plan totaled \$66,781 for the current year.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions:

At September 30, 2020, the Village reported a liability of \$1,414,972 for its proportionate share of the HIS Plan’s net pension liability. The net pension liability was measured as of June 30, 2020, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2019. The Village’s proportionate share of the net pension liability was based on the Village’s 2019-2020 fiscal year contributions relative to the 2019-2020 fiscal year contributions of all participating members. At June 30, 2020, the Village's proportionate share was 0.0116%, which was an decrease from its proportionate share measured as of June 30, 2019, of 0.0120%.

For the fiscal year ended September 30, 2020, the Village recognized pension expense of \$110,871. In addition the Village reported deferred outflows of resources and deferred in flows of resources related to pensions from the following sources:

Description	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 57,881	\$ 1,092
Change of assumptions	152,150	82,275
Net difference between projected and actual earnings on HIS Plan investments	1,130	-
Changes in proportion and differences between Village HIS Plan contributions and proportionate share of contributions	49,652	122,188
Village HIS Plan contributions subsequent to the measurement date	18,268	-
Total	<u>\$ 279,081</u>	<u>\$ 205,555</u>

VILLAGE OF PINECREST, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

NOTE 3 – COMMITMENTS AND CONTINGENCIES (CONTINUED)

E. Pension plans (continued)

Defined benefit plan (continued)

The deferred outflows of resources related to the HIS Plan, totaling \$18,268 resulting from Village contributions to the HIS Plan subsequent to the measurement date, will be recognized as a reduction of the net pension liability in the fiscal year ended September 30, 2021. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to the HIS Plan will be recognized in pension expense as follows:

Fiscal Year Ending September 30:	Amount
2021	\$ 15,293
2022	11,344
2023	3,100
2024	7,198
2025	9,801
Thereafter	8,522

Actuarial Assumptions:

The total pension liability in the July 1, 2020, actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation:	2.40%
Salary increases:	3.25%, average, including inflation
Investment rate of return:	2.21%

Mortality rates were based on the Generational RP-2000 with Projection Scale BB tables.

The actuarial assumptions used in the July 1, 2020, valuation were based on the results of an actuarial experience study for the period July 1, 2009 through June 30, 2014.

Discount Rate:

The discount rate used to measure the total pension liability was 2.21%. In general, the discount rate for calculating the total pension liability is equal to the single rate equivalent to discounting at the long-term expected rate of return for benefit payments prior to the projected depletion date. Because the HIS benefit is essentially funded on a pay-as-you-go basis, the depletion date is considered to be immediate, and the single equivalent discount rate is equal to the municipal bond rate selected by the HIS Plan sponsor. The Bond Buyer General Obligation 20-Bond Municipal Bond Index was adopted as the applicable municipal bond index.

VILLAGE OF PINECREST, FLORIDA

NOTES TO THE REQUIRED SUPPLEMENTARY INFORMATION

NOTE 1 – BUDGET AND BUDGETARY ACCOUNTING

An annual appropriated budget is adopted for all of the governmental funds on a basis consistent with accounting principles generally accepted in the United States.

The Village follows these procedures in establishing the budgetary data reflected in the financial statements:

- a. The Village Manager submits to the Council a proposed operating and capital budget for the ensuing year. The budget includes proposed expenditures and means of financing them.
- b. Public hearings are conducted to obtain taxpayer comments.
- c. Prior to October 1, the budget is legally enacted through the passage of a budget ordinance.
- d. The Village Council, by motion, may make supplemental appropriations for the year up to the amount of revenues in excess of those estimated. There were supplemental appropriations in the General Fund for an additional \$1,214,082 during the fiscal year ended September 30, 2020.
- e. Formal budgetary integration is employed as a management control device during the year for all of the funds.
- f. The Village Manager is authorized to transfer part of, all or an unencumbered appropriation within a department within a fund; however, any revisions that alter the total appropriations of any department or fund must be approved by the Village Council. The Departments are General Government, Police, BPZ (Building, Planning and Zoning), Public Works, and Parks and Recreation. The classification detail at which expenditures may not legally exceed appropriations is at the department level.
- g. Unencumbered appropriations lapse at fiscal year-end. Unencumbered amounts are re-appropriated in the following year's budget.
- h. Budgeted amounts are as originally adopted or as amended. Individual type amendments are not material in relation to the original appropriations.

NOTE 2 – RECONCILIATION OF BUDGETED AND ACTUAL RESULTS

The GAAP to budgetary basis was the same for all funds.

NONMAJOR GOVERNMENTAL FUNDS

Special Revenue Funds

Special revenue funds are used to account for specific revenues that are legally restricted to expenditure for particular purposes.

Police Education Fund – This fund receives funds from judgements, donations and grants to be used to provide training to police department personnel.

Police Forfeiture Fund – This fund is used to account for revenues received from federal, state and local law enforcement forfeitures and seizures which are restricted for law enforcement purposes.

Hardwire Fund – This fund receives funds from a tax on land-based phone lines and is used to fund 911 services.

Wireless Fund – This fund receives funds derived from a tax on cell phones and is used to fund 911 services.

Prepaid 911 Fund – This fund receives funds collected by the state for the emergency telephone number 911 which are restricted for the purchase of systems, training, communications and related capital asset purchases.

Impact Fees Fund – This fund receives impact fees charged against new development to provide for capital related costs made necessary by the new growth.

Debt Service Fund

The debt service fund is used to accumulate resources and distribute principal, interest and bond related issuance costs on long-term debt.

STATISTICAL SECTION
(Unaudited)

This section of the Village of Pinecrest, Florida’s Comprehensive Annual Financial Report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the Village’s overall financial health.

TABLE OF CONTENTS

Financial Trends

Page

These schedules contain trend information to help the reader understand how the Village’s financial performance and well-being have changes over time.

Table 1 – Net Position by Component	71
Table 2 – Changes in Net Position	72-73
Table 3 – Governmental Activities Tax Revenue by Source	74
Table 4 – Fund Balances, Governmental Funds	75
Table 5 – Changes in Fund Balances, Governmental Funds	76-77

Revenue Capacity

These schedules contain information to help the reader assess the Village’s most significant local revenue source, the property tax.

Table 6 – General Governmental Revenues by Function	78
Table 7 – Assessed and Estimated Actual Value of Taxable Property	79
Table 8 – Property Tax Rates – Direct and Overlapping Governments	80
Table 9 – Property Tax Levies and Collections	81
Table 10 – Principal Property Taxpayers	82

Debt Capacity

These schedules present information help the reader assess the affordability of the Village’s current levels of outstanding debt and the Village’s ability to issue additional debt in the future.

Table 11 – Ratio of Outstanding Debt by Type	83
Table 12 – Ratio of General Bonded Debt Outstanding	84
Table 13 – Direct and Overlapping Governmental Activities Debt	85

Demographic and Economic Information

These schedules offer demographic and economic indicators to help the reader understand the environment within which the Village’s financial activities take place.

Table 14 – Demographic and Economic Statistics	86
Table 15 – Principal Employers	87

Operating Information

These schedules contain service and infrastructure data to help the reader understand how the information in the Village’s financial report relates to the services the Village provides and the activities it performs.

Table 16 – Full-Time Equivalent Government Employees by Function/Program	88
Table 17 – Operating Indicators by Function/Program	89-91
Table 18 – Capital Assets by Function/Program	92

Sources: Unless otherwise noted, the information in these schedules is derived from the comprehensive annual financial report for the relevant year.

OTHER REPORTS

THIS PAGE INTENTIONALLY LEFT BLANK

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

Honorable Mayor and Members of
the Village Council,
Village of Pinecrest, Florida

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Village of Pinecrest, Florida (the "Village"), as of and for the year ended September 30, 2020, and the related notes to the financial statements, which collectively comprise the Village's basic financial statements and have issued our report thereon dated February 24, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Village's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Village's internal control. Accordingly, we do not express an opinion on the effectiveness of the Village's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Village's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Village's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

FOR THE YEAR ENDED SEPTEMBER 30, 2020**

STATUS OF PRIOR YEAR FINDINGS

None noted.

INDEPENDENT AUDITOR'S MANAGEMENT LETTER

Honorable Mayor, Members of the Village
Council and Village Manager,
Village of Pinecrest, Florida

Report on the Financial Statements

We have audited the financial statements of the Village of Pinecrest, Florida (the "Village"), as of and for the fiscal year ended September 30, 2020, and have issued our report thereon dated February 24, 2021.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, *Rules of the Auditor General*.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*; Schedule of Findings and Responses; and Independent Accountant's Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports and schedule, which are dated February 24, 2021, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding financial audit report. There were no findings or recommendations in the preceding annual financial audit report requiring correction.

Official Title and Legal Authority

Section 10.554(1)(i)4., *Rules of the Auditor General*, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The Village of Pinecrest, Florida was established by the Board of Miami-Dade County Commissioners with the adoption of Ordinance 97-7. The Village has no component units.

Financial Condition and Management

Section 10.554(1)(i)5.a. and 10.556(7), *Rules of the Auditor General*, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the Village has met one or more of the conditions described in Section 218.503(1), *Florida Statutes*, and to identify the specific condition(s) met. In connection with our audit, we determined that the Village did not meet any of the conditions described in Section 218.503(1), *Florida Statutes*.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), *Rules of the Auditor General*, we applied financial condition assessment procedures for the Village. It is management's responsibility to monitor the Village's financial condition, and our financial condition assessment was based in part on representations made by management and review of financial information provided by the same.

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., *Rules of the Auditor General*, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Mayor and Members of the Village Council, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

Bradenton, Florida
February 24, 2021

INDEPENDENT ACCOUNTANT'S REPORT

Honorable Mayor, Members of the Village
Council and Village Manager,
Village of Pinecrest, Florida

We have examined the Village of Pinecrest, Florida's (the "Village") compliance with Section 218.415, *Florida Statutes*, regarding the investment of public funds during the year ended September 30, 2020. Management of the Village is responsible for the Village's compliance with those requirements. Our responsibility is to express an opinion on the Village's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Village complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Village complied with the specified requirements. The nature, timing and extent of the procedures selected depend on our judgement, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Village's compliance with specified requirements.

In our opinion, the Village complied, in all material respects, with the aforementioned requirements during the year ended September 30, 2020.

This report is intended solely for the information and use of the Village and the Auditor General, State of Florida, and is not intended to be and should not be used by anyone other than these specified parties.
