# **INDEPENDENT AUDITOR'S REPORT**

To the Honorable Mayor and City Commission of City of Palatka, Florida

### **Report on the Audit of the Financial Statements**

## **Opinions**

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discreetly presented component unit, and each major fund of the City of Palatka Florida (the "City") as of and for the fiscal year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discreetly presented component unit, and each major fund of the City of Palatka, Florida, as of September 30, 2022, and the respective changes in financial position, and where applicable, cash flows thereof for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

# Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

# **Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and the budgetary comparison information, pension schedules, and OPEB schedule on pages 5–17 and 68–78 be presented to supplement the basic

financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

# Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The accompanying fund financial statements, schedule of expenditures of federal awards, and schedule of state financial assistance as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and Chapter 10.550, Rules of the Auditor General\_are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the fund financial statements and the schedule of expenditures of federal awards and schedule of state financial assistance are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

#### **Other Information**

Management is responsible for the other information included in the annual report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

# Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 28, 2023 on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering City's internal control over financial reporting and compliance.

# HCT Certified Public Accountants & Consultants, LLC

Hollywood, Florida June 28, 2023

As management of the City of Palatka, we offer readers of the City's financial statements this narrative overview and analysis of the financial activities of the City for the fiscal year ended September 30, 2022.

Financial Highlights

- The net position of the City at the close of the fiscal year was \$73,183,182. The total unrestricted net position of the City ended the fiscal year at a positive \$8,301,618.
- The City's total net position increased by \$623,347. Governmental net position increased by \$5,005,860 or 22.73% and the Enterprise funds net position increased by \$3,184,427 or 14.46%.
- The total net position of each Enterprise fund was: Water \$24,866,055, Sanitation \$2,004,110, Golf Course \$1,013,077, and Airport \$18,267,100.
- As of September 30, 2022, the City's governmental funds reported combined ending fund balances of \$11,844,707, an increase of \$561,700 or 4.98%.
- At the end of the fiscal year, unassigned fund balance for the General Fund was \$2,762,541 or 19.74% of total General Fund expenditures. Downtown Redevelopment Agency fund balance was \$1,257,978. Better Place Plan fund balance was \$1,100,508. Special Revenues fund balance was \$4,481,047.
- Net positions of the General, Police Officers', and Firefighters' Pension Trust Funds changed are \$17,958,805, \$11,089,398, and \$8,334,135 respectively.

# **Overview of Financial Statements**

This discussion and analysis is intended to serve as an introduction to the City's basic financial statements. The City's basic financial statements are comprised of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

# **Government-wide Financial Statements**

The *Government-wide Financial Statements* are designed to provide readers with a broad overview of the City's finances, in a manner similar to a private-sector business.

The *Statement of Net Position* presents information on all of the City of Palatka's assets and deferred outflows of resources, and liabilities and deferred inflows of resources, with the difference between the two reported as net position. The City has deferred outflows or deferred inflows that are pension related in the government-wide statements. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The *Statement of Activities* presents information showing how the City's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of the related cash flows.

Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (i.e. uncollected taxes and earned but unused vacation leave).

The *Government-wide Financial Statements* distinguish functions of the City that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities of the City include general government, public safety, streets and drainage, economic development and culture and recreation. The business type activities of the City include the utility (water and wastewater), the airport, the golf course, sanitation, and the component unit, the gas authority.

The government-wide financial statements include not only the City of Palatka, but also the Palatka Gas Authority, an independent component unit of the City. Financial information for this component unit is reported separately from the financial information presented for the primary government itself.

The government-wide financial statements can be found on pages 18 & 19 of this report.

# **Fund Financial Statements**

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the City of Palatka can be divided into three categories: governmental funds, proprietary fund, and fiduciary funds.

# Governmental Funds

Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financial requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's-near term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The City maintains four individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the General fund, the Downtown Redevelopment Agency fund, the Better Place Plan fund, and the Special Revenues fund, which are considered major funds.

The City adopts an annual appropriated budget for each governmental fund. Budgetary comparison schedules have been provided for the General fund, the Downtown Redevelopment Agency and the Special Revenue fund in the required supplementary information section and for the Better Place Plan fund in the supplementary information section.

The basic governmental fund financial statements can be found on pages 20-24 of this report.

# **Proprietary Funds**

The City maintains several enterprise funds. Enterprise funds are used to report the same functions presented as business-type activities in the government-wide financial statements. The City uses enterprise funds to account for its Water, Golf Course, Airport, and Sanitation operations, as does the independent Component Unit Gas Authority.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for the funds listed above, all of which are considered to be major funds of the City.

The proprietary fund financial statements can be found on pages 25–27 of this report.

# Fiduciary Funds

Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statement because the resources of those funds are not available to support the City's own programs. The accounting used for fiduciary funds is much like that used for proprietary funds.

The basic fiduciary fund financial statements can be found on pages 28-29 of this report.

# Notes to the Financial Statements

The notes provide additional information that is essential to the full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on pages 30-67 of this report.

# **Other Information**

In addition to the basic financial statements and accompanying notes, this report also presents required supplementary information concerning budgetary comparisons and the City's net liabilities, contributions and investment returns relating to its pension plans and the City's total liability for other postemployment benefits (OPEB) to its employees. Required supplementary information can be found on pages 68-78 of this report.

Supplementary information can be found beginning on page 80 of this report.

# **Government-wide Financial Analysis**

# **Net Position**

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the City assets and deferred outflows of resources exceeded liabilities and deferred inflows of resources by \$73,183,182 at the close of the most recent fiscal year. There were deferred outflows of resources of \$2,787,578 and deferred inflows of resources of \$2,397,128.

The majority of the City's net position rests in its investment in capital assets (e.g., land, buildings, machinery and equipment), less any related debt used to acquire these assets that is still outstanding. These capital assets are used to provide services to citizens and are not available for future spending. Although the City's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

# The remainder of the page was left blank intentional

#### Summary of Net Position September 30, 2022 and 2021

	Government	al Activities	Business-Typ	pe Activities	Tot	al
	2022	2021	2022	2021	2022	2021
Assets:						
Current and other assets	\$ 12,663,299	\$ 12,213,652	\$ 7,772,027	\$ 6,878,680	20,435,326	19,092,332

Other items	147,390	-	88,637	-	236,027	-
OPEB related items	280,395	490,927	1,623,941	65,103	1,904,336	556,030
Total deferred inflows of resources	622,328	1,123,038	1,774,800	139,842	2,397,128	1,262,880
Net position:						
Invested in capital assets	20,209,112	17,546,712	42,015,142	40,434,532	62,224,254	57,981,244
Restricted items	2,649,215	2,340,838	8,095	8,095	2,657,310	2,348,933
Unrestricted	4,174,169	2,197,981	4,127,449	2,553,336	8,301,618	4,751,317
Total net position	27,032,496	22,085,531	46,150,686	42,995,963	73,183,182	65,081,494
)tal liabilities and deferred inflows of resources						
and net position	36,198,176	32,744,828	63,744,150	60,093,421	99,942,326	92,838,249

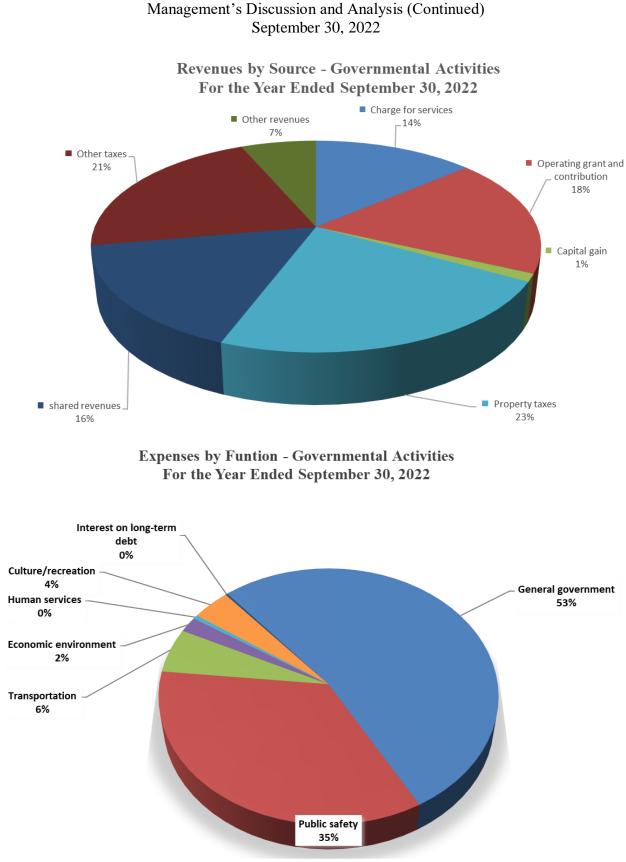

An additional portion of the City's net position \$2,657,310 or 3.63% represents resources that are subject to external restrictions on how they may be used. The remaining balance of unrestricted net position is a positive amount of \$8,301,618.

# **Change in Net Position**

The City's total net position increased \$623,347 over the previous year as a result of a decrease of \$2,561,424 from governmental activities and an increase of \$3,184,427 from business-type activities.

# **Business-type** Activities

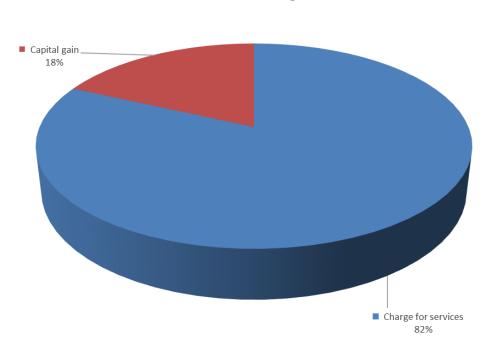

Business-type activities increased the City's net position by \$3,184,427. Key elements of this increase were as follows:

The Water fund had an operating income of \$1,335,984 in addition to net nonoperating expenses of (\$202,184) resulting in gain of \$1,133,456 before capital contributions and transfers. After capital contributions and transfers, the net position increased by \$977,400. The net position at the end of the fiscal year in the Water fund totaled \$24,866,055.

The Sanitation fund net position increased by 1,630,917 due to operating income of 1,886,352, the fund increased from the prior year. The net position at the end of the fiscal year in the Sanitation fund was 2,004,110.

The Golf Course fund net position decreased by \$53,546 due to transfers from the General Fund. The net position at the end of the fiscal year in the Golf Course fund was \$1,013,077.

The Airport fund received capital contributions of \$2,023,910 for various capital projects throughout the fiscal year. These funds were used for projects that included pavement, marking, and lighting rehabilitation of taxiways, taxi lanes, and runways. The operating loss for the Airport which includes depreciation totaled \$1,349,907. This loss combined with a total nonoperating expense was partially offset by the capital contributions, bringing the change in net position of the fund to \$629,656. The net position at the end of the fiscal year in the Airport fund totaled \$18,267,100.

Revenues by Source - Business-type Activities For the Year Ended September 30, 2022

# Financial Analysis of the City's Funds

As noted earlier, the City uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

# Governmental Funds

The focus of the City's governmental funds is to provide information on near-term inflows, outflows and balances of spendable resources. Such information is useful in assessing the City's financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

As of the end of the current fiscal year, the City's governmental funds reported combined ending fund balances of \$27,032,496, an decrease of \$2,561,424 for the current year. This total includes net invested in capital asset, net of related debt of \$20,209,112, restricted net assets of \$2,649,215, and unrestricted of \$4,174,169 which is available for spending at the government's discretion.

# **General Fund**

The General Fund is the chief operating fund of the City. At the end of the current fiscal year General fund balance was \$5,005,174, a decrease of \$4,226,574, from the prior year.

Local tax revenues are the primary sources of the City's tax revenue and are a combination of property tax, franchise, utility, sales tax and local option gas taxes. Total taxes increased by \$268,111 from the prior year.

Ad valorem taxes, which were accounted for in the general and special revenue funds was 6.4000 mills, and generated \$2,955,404 which was an increase of \$175,452 from the prior year. The City is in its seventh year of implementing a special assessment for fire protection services that generated \$1,566,214 in revenues.

Total revenues for the General Fund increased by \$976,743 from the prior year. The General Fund had an decrease of \$4,226,574 in expenditures. Unassigned fund balance in the General Fund increased was \$2,762,541 at year end or a change of 19.74% from the prior year.

# Special Revenue Funds

The Downtown Redevelopment fund balance was \$1,257,978, an increase of \$27,234 from the prior year. This increase was the result of a taxes revenues of \$621,786.

The Better Place Plan fund ended the fiscal year with a balance of \$1,100,508, an increase of \$279,993 from the prior year. This increase was due to an increase in grant revenues.

The Grants fund ended the fiscal year with a balance of \$4,481,047, an increase of \$4,481,047 from the prior year. This increase was due to the fund being created in the fiscal year.

# **Proprietary Funds**

Proprietary funds are used to account for operations that are financed and operated in a manner similar to a private business enterprise, where the intent of the cost (expenses, including depreciation) of providing goods and services to the general public on a continuing basis is financed through user charges. The City operates four proprietary enterprise funds: the Water, Golf Course Fund, Sanitation Fund, and Airport Fund. The City's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail. As of September 30, 2022, total proprietary fund net position amounted to \$46,150,342.

# Water Fund

The Water Fund accounts for operations of the City's water and sewer systems. Operating revenue increased by \$1,812,529 or 25.34% from the prior year. Operating expenses also increased by a total of \$3,019,339 or 62.72%. Unrestricted net position at the end of the fiscal year for the water fund amounted to \$4,108,195.

#### Sanitation Fund

There was an increase in operating revenue of \$1,131,042 or 44.49% from the prior year. Expenses decreased by \$74,628. Unrestricted net position for the sanitation fund equaled \$1,240,023.

# Golf Course Fund

The City entered into a franchise agreement in February 2017 for operation of golf course. Operating revenues booked increased by \$18,450 from the prior year. Operating expenses also increased by \$104,712 or 41.27%, exceeding operating revenues by (\$233,451). Unrestricted net position for the golf course fund equaled negative (\$112,247).

#### Airport Fund

Operating revenue increased by \$215,943 and operating expenses increased \$187,257 over the prior year. This resulted in a continued negative unrestricted net position balance of (\$1,108,866) at fiscal year-end.

Other factors concerning the finances of these four funds have already been addressed in the discussion of the City's business-type activities above.

#### **General Fund Budgetary Highlights**

A comparison of actual revenues versus the final budget reflects that actual revenues, excluding transfers, were \$4,261,830 more than budgeted, primarily composed of unbudgeted refunds from prior year health insurance claims paid and sale of surplus equipment. There were significant variances in actual versus final budget revenue and expenditures. The City had several unanticipated general fund revenues and general fund expenditures for the fiscal year.

# **Capital Asset and Debt Administration**

# Capital Assets

The capital assets of the governmental funds are those assets used in the performance of general governmental functions and exclude the assets of the Enterprise Funds. As of September 30, 2022, the governmental capital assets of the City amounted to \$21,430,867, net of depreciation. This was an increase of \$2,454,306 over the prior year. Capital assets are recorded at historical cost or estimated historical cost, except for contributed assets, which are recorded at estimated acquisition value at the date of contribution.

The City's investment in capital assets for its governmental and business-type activities as of September 30, 2022, (net of accumulated depreciation) amounts to \$76,719,422. This investment in capital assets includes land, buildings, infrastructure, improvements, furniture, equipment, water and sewer distribution system and construction in progress. The total increase in the City's net investment in capital assets was \$4,993,643.

Major capital asset events during the fiscal year occurred in multiple funds. The city received various grants and private contributions that paid for project costs at the airport and the City's riverfront and historic districts. The capital asset expenditures were for the following:

- Construction of South District Stormwater Improvements
- Hank Bryan and Booker Park Improvements
- Taxiway A Edge Lighting at Airport
- Airport Security Fencing
- Phase V North Side Potable Line Replacement
- Palatka Heights Potable Line Replacement
- State Road 20 Road Improvements
- Beneficial Reclaimed Water Project

Additional information on the City's capital assets is found in Note 5 in the notes to the financial statements.

# Long-term Debt

At the end of the current fiscal year, the City had total debt outstanding of \$14,218,346.

	City of Palatka Long-term Debt Obligations For the Years Ended September 30, 2022 and 2021													
	Governmen	ntal Activities	Business-Ty	pe Activities	To	otal								
	2022	2021	2022	2021	2022	2021								
Revenue Bonds Notes Payable Capital Lease Obligations Water/Sewer Agreements Total	\$ - 241,878 979,877 - \$ 1,221,755	\$ - 252,974 1,176,875 - \$ 1,429,849	\$ 5,419,077 7,000,836 458,822 117,856 \$ 12,996,591	\$ 5,620,357 5,698,736 650,843 117,856 \$ 12,087,792	\$ 5,419,077 7,242,714 1,438,699 117,856 \$ 14,218,346	\$ 5,620,357 5,951,710 1,827,718 117,856 \$ 13,517,641								

The City's total long-term debt increased \$700,705 from the prior year. The increase is attributed to the following:

- Governmental activities:
  - Payments of notes of \$208,094.
  - No new capital leases.
- Business-type activities:
  - Total payments made of bonds, notes, and leases of \$1,010,831.
  - New State revolving fund loan of \$1,919,630.

Other long-term liability activity included:

- Governmental activities:
  - Governmental obligations for compensated absences increased by 44.73% or \$136,877.
  - Total OPEB obligations decreased by (\$94,955) or 18.99% to arrive at a total obligation of \$405,134.
  - Net pension liability decreased by \$1,319,612, or (19.23%) to arrive at a total obligation of \$5,541,007.
- Business-type activities:
  - Compensated absences increased by 22.00% or \$49,929.
  - Total OPEB obligations decreased by (\$38,033) or 15.54% to arrive at a total obligation of \$206,700.
  - Net pension liability decreased by (\$1,906,972) or (51.83%) to arrive at a total obligation of \$1,772,234.

Additional information on the City's long-term liabilities can be found in Note 6 in the notes to the financial statements.

## **Economic Factors and Next Year's Budgets and Rates**

The budget serves as the annual financial plan for the City. It articulates public priorities, helps management make informed choices about the allocation of resources, promotes effective communications, establishes broad goals and management strategies to guide decision making and develops approaches to achieve those goals.

For the FY 2021-2022 budget, City staff proposed a balanced General Fund budget without the use of reserves to balance the budget. The City Commission kept the City's millage rate the same as FY 2020-2021, 6.4000 mills. The inclusion of the annual special assessment for fire protection services allows for the millage rate to avoid an increase.

Water and sewer base meter rates were increased to accommodate for inflation resulting in the Utility Fund budget being balanced with some funds anticipated to be put into reserves. Solid waste rates were increased also to ensure the long-term sustainability of the fund. These increases are necessary in order to maintain capital replacements.

The City continues to assess various cost cutting and revenue enhancing activities at the Palatka Municipal Airport in order to move this community asset toward financial solvency. Rehabilitation of markings, lighting, and pavement on runways, taxiways, and taxi-lanes with 100% grant funding.

#### **Request for Information**

This financial report is designed to provide a general overview of the City's finances for all of those with an interest in the City's finances. Questions concerning any of the information provided in this report or requests for additional information should be addressed to the Finance Director, 201 N. 2nd Street, Palatka, Florida 32177.

# City of Palatka, Florida Reconciliation Statement of Revenues, Expenditures, and Changes in Fund Balances to the Statement of Activities Governmental Funds Years Ended September 30, 2022

Net change in fund balance - total governmental funds		\$ 561,700
Amounts reported for governmental activities in the statement of activities are different because:		
Governmental fund report capital outlay as expenditures. However, in the statement of activities the cost of those assets is depreciated over their estimated useful lives.		
Acquisitions of capital assets	375,789	
Loss on disposal of capital assets	21,900	
Current year depreciation expense	(1,068,937)	(671,248)
Repayment of debt principal is an expenditure in the governmental funds, but the repayment does does not effect net position of governmental activities.		
Principal retirement		254,198
The timing of revenue sometimes differs between governmental funds and governemtal activies. Change in unavailable revenues		274,276
Net changes in net pension liability and total OPEB liability and related deferred outflows and inflows are reported in the statement of activities but not in the governmental funds.		
Net pension liability	(1,906,972)	
Deferred outflows-pension	(570,230)	
Deferred inflows-pension	(437,568)	
Total OPEB liability	(38,033)	
Deferred outflows-OPEB	20,835	
Deferred inflows-OPEB	88,495	(2,843,473)
Change in net position of governmental activities	=	\$ (2,561,424)

# City of Palatka, Florida Notes to Financial Statements Year Ended September 30, 2022

#### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

# **Reporting Entity**

The City of Palatka, Florida (the "City"), which is located in northeast Florida, was incorporated January 8, 1853 under the Laws of the State of Florida, Chapter 492. The City operates under an elected Mayor-Commissioner and a Board of Commissioners (four members) and provides human services, community enrichment and development, law enforcement, fire protection, and rescue service.

As required by generally accepted accounting principles, the accompanying financial statements present the City as a primary government and its component units, entities for which the City is considered financially accountable, or entities that would be misleading to exclude. The component units are included in the reporting entity because of the significance of their operational relationship with the City. The City is financially accountable for the organizations that make up its legal entity. It is also financially accountable for legally separate organizations if its officials appoint a voting majority of an organization's governing body and either it is able to impose its will on that organization or there is a potential for the organization to provide specific financial benefits to, or to impose specific financial burdens on, the primary government. The primary government may also be financially accountable for governmental organizations that are fiscally dependent on it.

Blended component units, although legally separate entities, are in substance part of the City's operations and, accordingly, data from these units are combined with the data of the City. Discretely presented component units, on the other hand, are reported in a separate column in the government-wide financial statements to emphasize they are legally separate from the City.

#### **Blended Component Unit**

The Palatka Downtown Redevelopment Agency (the "Agency") is a legally separate entity created pursuant to Florida Statutes following the adoption of an approving Resolution (No. 4-12, dated November 10, 1983) by the City. The Agency is governed by a five-member board whose members are the same as the City Commission, and a financial benefit or burden relationship exists. The operations of the Agency are reported in a governmental fund.

# Discretely Presented Component Unit

The Palatka Gas Authority (the "Gas Authority") was created by an Act of the Florida Legislature (Ch. 59-1679, Act 1959) and ratified by election on November 10, 1959. The members of the Gas Authority's governing board are appointed by the City Commission. Additionally, bond issues and operational and capital budgets must be approved by the City Commission. Annually, the Gas Authority provides a contribution to the City from its net income. The contribution is 5.9% of gross revenues on a monthly basis.

## City of Palatka, Florida Notes to Financial Statements Year Ended September 30, 2022

#### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### Discretely Presented Component Unit (Continued)

Complete financial statements of the Gas Authority can be obtained directly from:

The Palatka Gas Authority 518 Main Street Palatka, Florida 32177

#### **Related Organization**

The Palatka Housing Authority (the "Housing Authority") was established by the City in 1962 pursuant to Chapter 421, Florida Statutes. The purpose of the Housing Authority is to provide affordable housing to the Palatka community and surrounding areas. The Housing Authority is considered a related organization because its Board members are appointed by the Mayor of the City of Palatka. The City is not financially accountable for the Housing Authority, nor does it meet other criteria of a component unit and, accordingly, the Housing Authority is not included in the accompanying financial statements.

# Joint Ventures

The City did not participate in any joint ventures during the 2021-2022 fiscal year.

#### **Basis of Presentation**

The financial statements of the City have been prepared in accordance with generally accepted accounting principles (GAAP) as applicable to governmental units. The Governmental Accounting Standards Board (GASB) is the standard-setting body for governmental accounting and financial reporting principles. The more significant of the City's accounting policies are hereafter described.

#### Government-wide Financial Statements

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the nonfiduciary activities of the City and its component units. For the most part, the effect of interfund activity has been removed from these statements. Interfund services provided and used, if any, are not eliminated in the process of consolidation. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees charged to external parties.

#### City of Palatka, Florida Notes to Financial Statements Year Ended September 30, 2022

### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Government-wide Financial Statements (Continued)

The statement of activities demonstrates the degree to which the direct expenses of a given function are offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function. *Program revenues* include: charges for services that are directly related to a given function; and grants and contributions that are restricted to meeting the operational or capital requirements of a particular function. Taxes and other revenues not properly included among program revenues are reported instead as *general revenues*.

#### Fund Financial Statements

Separate financial statements are provided for governmental funds, proprietary funds, and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental and enterprise funds are reported as separate columns in the fund financial statements. The governmental fund financial statements include reconciliations with brief explanations to better identify the relationship between the government-wide statements and the statements for the governmental funds.

The City reports the following major governmental funds:

*General Fund* – the primary operating fund, used to account for and report all financial resources not accounted for and reported in another fund.

*Downtown Redevelopment Agency Fund* – to account for the collection and use of tax increment funds of the City's Downtown Redevelopment Agency.

*Better Place Plan Capital Project Fund* – to account for revenues received from a discretionary surtax imposed to finance certain capital projects.

Special Revenue Fund – to account for revenues received from a grants sources.

The City reports the following major enterprise funds:

*Water Fund* – to account for the assets, operation and maintenance of the City-owned water and sewer system.

*Sanitation Fund* – to account for the assets, operation and maintenance of the City's solid waste department.

*Golf Course Fund* – to account for the assets, operation and maintenance of the City-owned golf course, which is operated by a third-party vendor.

Airport Fund - to account for the assets, operation and maintenance of the City-owned airport.

## NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

## Fund Financial Statements (Continued)

The City has no nonmajor governmental funds.

Additionally, the City reports the following fiduciary funds:

Pension Trust Funds – to account for activities of the City's pension plans.

## Measurement Focus and Basis of Accounting

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary fund and fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of the timing of related cash flows.

Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental funds are accounted for using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized when they become measurable and available as net current assets. For this purpose, the City considers revenues to be available if they are collected within 60 days of the end of the current fiscal year. Taxes and certain intergovernmental revenues constitute the most significant sources of revenue considered susceptible to accrual. In governmental funds, expenditures are generally recognized when the related liability is incurred. However, debt service expenditures, and expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

## Cash and Cash Equivalents

For purpose of the Statement of Cash Flows, the City considers all highly liquid investments with an original maturity of three months or less when purchased to be cash equivalents.

## Accounts Receivable

Receivables are stated at net realizable value, reduced by an allowance for uncollectable accounts, where appropriate. Accounts receivable of the Enterprise Funds are net of a \$0 allowance. Accounts receivable of the Gas Authority are net of \$15,821 allowance.

## NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

## Investments

Investments are reported at fair value based on quoted market prices when available, except for money market investments, which are reported at cost, which approximates fair value.

## Inventories

Inventories are stated at cost, based on the first-in, first-out method. Expense is charged as items are consumed.

## Long-term Receivables

Noncurrent portions of long-term receivables due to governmental funds are reported on the balance sheet, without regard to the fund's measurement focus. However, special reporting treatment is used to indicate that these receivables are not considered "available spendable resources," since they do not represent net current assets. Recognition of governmental fund revenues represented by noncurrent receivables is deferred until they become current receivables. Noncurrent portions of long-term loans and advances receivable are offset by a nonspendable fund balance account in applicable governmental funds to indicate that they are not available for appropriation and are not expendable available financial resources.

## Capital Assets

Capital assets are recorded at historical cost or estimated historical cost, except for contributed assets which are recorded at estimated acquisition value at the date of contribution. The City generally uses a capitalization threshold of \$5,000 for all classes of capital assets, other than intangible assets and infrastructure. Intangible assets, such as computer software, have a capitalization threshold of \$10,000. General infrastructure assets, such as dirt to pavement roads, mill and resurface road projects and all sidewalk projects, have a capitalization threshold of \$100,000.

The City began prospective reporting of general infrastructure assets at the effective date of GASB Statement No. 34. Effective October 1, 2006, the City began retroactive reporting of all major general governmental infrastructure assets. The estimated cost of the initial reporting of these assets was obtained through backtrending (i.e. estimating the current replacement cost of the infrastructure and using appropriate indices to deflate the cost to the estimated acquisition year). The reported values exclude basic road resurfacing, or other normal maintenance and repairs that do not increase the capacity or efficiency of the item or extend its useful life beyond the original estimate.

## NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

## Capital Assets (Continued)

Depreciation and amortization of capital assets is provided using the straight-line method over the estimated useful lives of the assets, which range as follows:

	Years
Buildings and improvements	30
Furniture and equipment	3 - 10
Intangibles	10
Water and sewer distribution system	15 - 50
Plant assets and equipment	20 - 50
General infrastructure	35 - 50

For its business-type activities, interest earnings are offset against construction costs for qualified projects financed with tax-exempt debt. No interest costs were capitalized during 2022.

## **Claims and Judgments**

For governmental funds, a fund liability is reported to account for the portion of the liability that will be liquidated with expendable available financial resources. The liability is accrued when incurred in the government-wide, proprietary, and fiduciary fund financial statements.

## **Compensated Absences**

The City's policy is to allow limited vesting of employee vacation pay and accumulated sick leave. A liability for accrued compensated absences of employees of the governmental funds has been accrued. Since this liability will not be liquidated with expendable available financial resources, the liability has not been reported in the governmental funds. A liability for compensated absences is accrued when incurred in the government-wide, proprietary, and fiduciary fund financial statements. In prior years, compensated absence liabilities associated with governmental funds were liquidated by the General Fund and Downtown Redevelopment Agency Fund, the funds that incurred the liabilities.

## **Property Taxes**

The Putnam County Tax Collector bills and collects property taxes for the City. At September 30, 2022, property taxes receivable was not material.

## NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Details of the City's tax calendar are presented below:

Lien date	January 1
Levy date	October 1
Discount period	November - February
No discount period	March
Delinquent date	April 1

## **Operating Revenues and Expenses**

The enterprise funds distinguish *operating* revenues and expenses from *nonoperating* items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with an enterprise fund's principal ongoing operations. Operating expenses for enterprise funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

## Pensions

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, the information about the fiduciary net position of the City's General, Police Officers', and Firefighters' Pension Plans (the "Plans") and additions to/deductions from the Plans' fiduciary net position have been determined on the same basis as they are reported by the Plans. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

## Deferred Outflow/ Inflows of Resources

A *deferred outflow of resources* is a consumption of net position that is applicable to a future reporting period.

A *deferred inflow of resources* is an acquisition of net position that is applicable to a future reporting period.

## NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

## **Restricted Net Position**

In the accompanying government-wide and proprietary funds' statements of net position, *restricted net position* is subject to restrictions beyond the City's control. The restriction is either externally imposed (for instance, by creditors, grantors, contributors, or laws/regulations of other governments) or is imposed by law through constitutional provisions or enabling legislation.

When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first, then unrestricted resources as they are needed.

The City has no net position restricted by enabling legislation.

## Fund Balance

The City follows the provisions of GASB Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions* to classify fund balances for governmental funds into specifically defined classifications. The classifications comprise a hierarchy based primarily on the extent to which the City is bound to honor constraints on the specific purposes for which amounts in the funds can be spent.

The fund balance classifications specified in GASB Statement No. 54 are as follows:

*Nonspendable Fund Balance* – Nonspendable fund balances are amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact.

*Restricted Fund Balance* – Restricted fund balances are restricted when constraints placed on the use of resources are either: (a) externally imposed by creditors, grantors, contributors, or laws or regulations of other governments; or (b) imposed by law through constitutional provisions or enabling legislation.

*Committed Fund Balance* – Committed fund balances are amounts that can only be used for specific purposes as a result of constraints imposed by formal action of the City's highest level of decision-making authority, which is by ordinance approved by the City Commission. Committed amounts cannot be used for any other purpose unless the City removes those constraints by taking the same type of action.

Assigned Fund Balance – Assigned fund balances are amounts that are constrained by the City's intent to be used for specific purposes, but are neither restricted nor committed. Intent is expressed by (a) the City Commission or (b) a body or official to which the Commission has delegated the authority to assign amounts to be used for specific purposes. At this point in time, only the Commission has the authority to assign fund balances.

## NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

## Fund Balance (Continued)

*Unassigned Fund Balance* – Unassigned fund balance is the residual classification for the General Fund.

The City's policy is to expend resources in the following order: restricted, committed, assigned, and unassigned.

## Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make various estimates. Actual results could differ from those estimates.

## NOTE 2 – DEPOSITS AND INVESTMENTS

Deposits and investments are classified in the accompanying financial statements as follows:

	Р	Primary		Componet	
	Gov	vernment	Unit		
Statement of net position:					
Cash and equivalents	\$	9,098,099	\$	1,693,133	
Investments		-		-	
Restricted cash and equivalents	,	7,168,322		749,293	
Restricted investments		-		1,064,512	
Statement of fiduciary net position:					
Money market and other cash equivalents	-	5,301,576		-	
Investments	3	1,993,279		-	
Total deposits and investments	\$ 5.	3,561,276	\$	3,506,938	

## The remainder of the page was left blank intentional

## NOTE 2 – DEPOSITS AND INVESTMENTS (CONTINUED)

For purpose of risk disclosures, deposits and investments are comprised of the following:

	Primary Government	Componet Unit		
Deposits with financial institutions				
(including certificates of deposit)	\$ 21,567,997	\$ 2,442,426		
Investments - other than pension	-	1,064,512		
Investments - pension	31,993,279	-		
Total deposits and investments	\$ 53,561,276	\$ 3,506,938		

## Deposits

All of the City's and the Gas Authority's demand deposits, certificates of deposit, and money market accounts are held in qualified public depositories pursuant to Chapter 280, Florida Statutes, and are entirely insured by Federal depository insurance or collateralized pursuant to the Florida Security for Public Deposits Act.

## Investments

Section 218.415, Florida Statutes, authorizes the City to invest excess public funds in the following:

- Direct obligations of the U.S. Treasury;
- Savings accounts and interest bearing deposits in qualified public depositories;
- The Local Government Surplus Funds Trust Fund;
- Securities and Exchange Commission registered money market funds with the highest credit quality rating.

The City's investments at September 30, 2022 are summarized in the following table:

		Maturities							
		0-5	5 years	5-1(	) years	10+	years	n/a	
Pension investments:									
Fixed income	\$ 6,829,265	\$	6,829,265	\$	-	\$	-	\$	-

## NOTE 2 – DEPOSITS AND INVESTMENTS (CONTINUED)

Corporat	e Bonds	Govern	nment			
and N	lotes	Agencies				
Aaa	9%	Aaa	100%			
A1	10%	0	-			
A2	17%	0	-			
A3	44%	0	-			
BAA1	6%	0	-			
BAA2	14%	0	-			
Not rated	-	Not rated	-			
	100%		100%			

The City's investments in debt securities are rated as follows:

The City's investments in mutual funds and money markets are not rated for credit quality by a nationally recognized statistical rating organization.

The City is not exposed to foreign currency risk, but is exposed to the following investment risks:

*Credit Risk* – the risk that an issuer or other counterparty to an investment will not fulfill its obligations.

*Interest Rate Risk* – the risk that changes in interest rates will adversely affect the fair value of an investment.

*Concentration of Credit Risk* – the risk of loss attributed to the magnitude of a government's investment in a single issuer.

The City does not have a formal investment policy relating to the aforementioned risks, other than Section 218.415, Florida Statutes, for investing public funds. That statute limits the City's exposure to credit risk and interest rate risk by limiting authorized investment options as previously described. However, the City's three pension plans have each adopted investment policies that address the risks described above and set other investing guidelines. Those policies require the investments to be structured in such a manner as to provide sufficient liquidity to pay obligations as they come due. To the extent possible, an attempt must be made to match investment maturities with known cash needs and anticipated cash-flow requirements. Furthermore, the policies of the Police Officers' and Firefighter Plans require diversification to the extent practical to control the risk of loss resulting from overconcentration of assets in a specific maturity, issuer, instrument, dealer or bank in which the financial instruments are bought and sold.

## NOTE 2 – DEPOSITS AND INVESTMENTS (CONTINUED)

## Investments (Continued)

The policies of the General Pension Plan place restrictions on investments, including limits as to quality ratings of at least Standard & Poor's A1 or Moody's P-1 for cash instruments; Standard and Poor's BBB or Moody's Baa for bonds or other evidences of indebtedness; corporations listed on one or more of the recognized national exchanges or on the National Market System of the NASDAQ stock market for equities; real estate investments (REITs) that trade on exchange; or obligations issued by the United States Government or guaranteed as maior a to principal and interest by the United States Government or an agency of the United States Government.

## NOTE 3 – FAIR VALUE MEASUREMENT

The City categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs.

The City has the following recurring fair value measurements as of September 30, 2022:

- Government bonds and notes U.S. Treasury bonds and notes are valued using quoted market prices.
- Government agencies U.S. Agencies are valued using a matrix pricing model.
- Corporate bonds and notes Valued using quoted market prices.
- Mutual funds Valued at the daily closing price as reported by the fund.

The following table summarizes the City's assets for which fair values are determined on a recurring basis:

	Fair Value	Acti	Quoted Prices inSignificantActive Markets forObservableIdentical AssetsInputs(Level 1)(Level 2)		Significant Unobservable Inputs (Level 3)		
Investments:							
Fixed income	\$ 6,829,265	\$	6,829,265	\$	-	\$	-
Equity	2,351,909		2,002,058		349,851		-
Mutual funds (fixed income)	15,587,090		5,545,939		-		-
Mutual funds (equities)	5,545,939		4,720,971		824,968		-
Pooled/Common/Commingled funds - equity	1,679,076		1,429,310		249,766		-
Total pension investments	31,993,279		20,527,543		1,424,585		-

## NOTE 4 – INTERFUND BALANCES AND TRANSFERS

At September 30, 2022, interfund balances consist of:

- A long-term advance from the General Fund to the Airport Fund of \$1,822,023.
- Temporary loans from the General Fund to Sanitation Fund and Airport Fund of \$192,288 and \$83,141, respectively, expected to be repaid within the next fiscal year.

Interfund transfers for the year ended September 30, 2022 consisted of the following:

					Golf		
	General	Downtown	Water	Sanitation	course	Airport	
Transfers from:	fund	redev. fund	fund	fund	fund	fund	Total
Transfers to:							
General fund	\$ -	\$ 32,197	\$ 1,260,002	\$ 398	\$ 246,115	\$ 120,061	\$1,658,773
Better place plan fund	-	170,000	-	-	-	-	170,000
Special revenues fund	5,234,421	-	-	-	-	-	5,234,421
Water fund	-	19,231	-	-	-	-	19,231
Sanitation fund	192,288	-	-	-	-	-	192,288
Airport	83,141	-	-	-	-	-	83,141
Total	\$5,509,850	\$ 221,428	\$ 1,260,002	\$ 398	\$ 246,115	\$ 120,061	\$7,357,854

The interfund transfers were made in the normal course of operations and are consistent with the activities of the fund making the transfer.

The approximate amount of the pledge is equal to the remaining principal and interest of \$844,886. During the current year, the City had deficit net revenues of \$20,206 and made \$169,274 principal and	164,000
\$883,000 Airport Terminal Revenue Refunding Note Series 2013C, plus interest at 2.541%, paid semiannually through September 2023, from net revenues of the airport and non-ad valorem revenues. The approximate amount of the pledge is equal to the remaining principal and interest of \$464,984. During the current year, the City had recognized net revenues of \$30,482 and made \$88,502 principal and interest payments.	83,000
\$528,000 Airport T-Hangar Revenue Refunding Note Series 2013B, plus interest at 3.75% paid semiannually through September 2023, from net revenues of the airport and non-ad valorem revenues. The approximate amount of the pledge is equal to the remaining principal and interest of \$283,644. During the current year, the City had recognized net revenues of \$30,482 and made \$58,988 principal and interest payments.	50,000
\$500,000 February 2019 emergency loan for improvements to sewer system, plus interest at 3.37%. Interest will be annually at February 2020 and February 2021 and principal will be due in a lump sum payment in February 2021. The proceeds are being used for sewer system improvements. The loan is unsecured. During the current year, no payments were due or made.	433,514

## Certain Disclosures Related to Debt, including Direct Borrowings and Direct Placements

In addition to other requirements to disclose information related to debt in notes to financial statements, The City is disclosing in the notes to financial statements summarized information about the following items:

a. There are no unused lines of credit

b. There are no assets pledged as collateral for debt

c. There are no terms specified in debt agreements related to significant (1) events of default with finance-related consequences, (2) termination events with finance related consequences, and (3) subjective acceleration clauses.

The City has long-term water/sewer agreements with the St. Johns River Water Management District and Putnam County, which are liquidated when permit costs are incurred or new business hook-ups are made in the Highway 19 corridor.

## **Capital Leases**

## **Governmental** Activities

During the fiscal year, the City adopted and implemented GASB 87. The City continued to pay a 389,000, 2.04% capital lease for police vehicles due in semi-annual installments of approximately \$45,000, a \$56,400, 1.8% capital lease for a rescue vehicle due in semi-annual installments of approximately \$4,000, a \$680,000, 3.38% capital lease for fire engine due in quarterly installments of approximately \$75,000 to \$85,000, and \$266,559 capital lease for vehicles at 3.288% due in semi-annual installments of approximately \$29,000. During the fiscal year, the City continued to pay on a \$514,940 capital lease for vehicles at 3.280% due in annual installments of approximately \$81,000. These leases are payable from the General Fund and reported in governmental activities in furniture and equipment.

## **NOTE 6 – LONG-TERM OBLIGATIONS (CONTINUED)**

## **Business-type** Activities

Additionally, the City has a \$257,100, 2.44% capital lease for a sanitation truck due in semi-annual payments of approximately \$20,000, a \$289,257, 2.04% capital lease for a sanitation truck in semi-annual payments of approximately \$23,000 and a 419,000, 1.80% capital lease for two sanitation trucks in semi-annual payments of approximately \$30,000. All three leases are payable from the Sanitation Fund and are reported in business-type activities in furniture and equipment. During the fiscal year, the City entered into a \$274,223 capital lease for a sanitation rear loader and vehicles for the airport at 3.28% with annual payments of \$2,513 which is payable form the Sanitation and Airport Funds.

Future lease payments, together with the present value of the minimum lease payments, are summarized in the following tabulation:

	Governmental Activities		siness-type Activities
2023	\$ 327,057	\$	167,256
2024	239,790		143,580

## NOTE 9 – PENSION PLANS

## Defined Benefit Plan

*Plan Description.* The City sponsors a single-employer public employee retirement system (the "System") administered by the City of Palatka, Pension Boards of Trustees. The General Pension Board consists of five members, including the City Manager, two City Commission appointees, one member elected by a majority of the other covered General employees, and one citizen having financial experience appointed by the City Commission. The Police Officer Pension Board and Firefighters Pension Board each consist of two City Commission appointees, two members of the Plan elected by a majority of the other covered members and a fifth member elected by the other four board trustees and appointed by the City Commission. The System administers the City Employees Retirement Plan (the "Plan") which provides three employee contributory defined benefit pension plans. Members of the Plan include employees of the City and the Palatka Gas Authority. Nonemployer contributions are made by the State of Florida on behalf of Police Officers and Firefighters who participate in the System. For the year ended September 30, 2022, the City recognized \$85,728 and \$61,250 in the General Fund for State contributions to the Police Officers' and Firefighters' Retirement Funds, respectively. The City accounts for the Plan in three Pension Trust Funds, corresponding to three benefit groups as follows:

*General* – all members not included in Police Officers and Firefighters *Police Officers* – all state-certified police officers *Firefighters* – all state-certified firefighters

The Plan provides for vesting of benefits after 7 years of creditable service. General plan members are eligible for retirement at the earlier of: 1) age 55 and 7 years of credited service, or 2) 30 years of credited service, regardless of age. Police officer members are eligible at the earlier of: 1) age 50 and 7 years of credited service, 2) age 55 and 10 years of credited service, 3) age 52 and 25 years of credited service, or 4) 30 years of credited service, regardless of age. Firefighter members are eligible at the earlier of: 1) age 50 and 7 years of credited service for those hired before January 1, 2016, or age 50 and 10 years of credited service for those hired on or after January 1, 2016, 2) age 55 and 10 years of credited service, or 3) 25 years of credited service, regardless of age. The Plan also provides for disability, retirement, termination and death benefits with eligibility and benefit provisions as described in the authorizing ordinance. For general, police officer, and firefighter members, annual benefits for plan years beginning October 1, 2014, are equal to total years of service times 2.5% of final average compensation (highest 3 consecutive years of the last 5). In addition, police officer and firefighter members also will receive a supplement funded with Chapter 185 or 175, F.S., as applicable, Premium Tax monies equal to 0.63% and 0.79%, respectively, of final average compensation times credited service. No other changes in benefit provisions have been made for the plan year beginning October 1, 2017. The minimum benefit for duty disability is 45% of final average compensation for general, police officer and firefighter members. The minimum benefit for non-duty disability for all members is 25% of final average compensation. A member who terminates with less than 7 years' service may withdraw his or her member contributions.

## NOTE 9 – PENSION PLANS (CONTINUED)

The Boards of Trustees establish and may amend provisions of the plan related to participant eligibility, contribution requirements, vesting, and benefit provisions. However, these plan provisions are subject to minimum requirements established in Chapters 112, 175, and 185, Florida Statutes. The Plan does not issue a stand-alone financial report.

Current membership in the Plan as of September 30, 2022 is as follows:

	General	Police Officers	Fire Fighters	Total
Inactive plan members or beneficiaries				
currently receiving benefits	118	33	14	165
Inactive plan members entitled to but				
not yet receiving benefits	37	19	10	66
Active plan members	80	26	21	127
Total	235	78	45	358

*Contributions*. Contributions consist of the remaining amount required in order to pay current costs and amortize unfunded past service cost, if any, as provided in Chapter 112, Florida Statutes. Employees are required to contribute 6.00% of their annual salary.

*Concentrations.* As of September 30, 2022, the Plans did not hold investments in any one organization that represents 5% or more of the Plans' fiduciary net position.

*Rate of Return*. For the year ended September 30, 2022, the annual money-weighted rate of return on General, Police Officers, and Firefighters Pension Plans investments, net of pension plan investment expense was (17.75)%, (16.46)%, and (16.95)%, respectively. The money-weighted rate of return expresses investment performance, net of investment expense adjusted for the changing amounts actually invested.

*Deferred Retirement Option Program (DROP)*. Eligibility is met with satisfaction of normal retirement requirements. Participation is not to exceed five years, or for police officers and firefighters, beyond attaining 35 or 34 years, respectively, of credited service, if earlier. General and Police DROP participants may choose actual net rate of return as reported by the Fund's monitor each September 30 or a fixed 6.5% per annum compounded monthly. Effective beginning with the year ending September 30, 2008 the rate of return was limited to 0% for general members in DROP. Rate for Firefighter DROP participants is the greater of: 1) net rate of investment return or 2) 5.0%. The DROP balance as of September 30, 2022 was \$669,762, \$103,631 and \$0, respectively, for general, police officer and firefighters.

*Net Pension Liability*. The City's net pension liability was measured as of September 30, 2022, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation dated October 1, 2021 and rolled forward to that date.

## NOTE 9 – PENSION PLANS (CONTINUED)

The components of the net pension liability for the plans at September 30, 2022 were as follows:

	City of Palatka -		I	Palatka Gas	Total General		
		General		Authority	Re	tirement Fund	
Total pension liability	\$	21,477,997	\$	5,752,908	\$	27,230,905	
Plan fiduciary net position		(14,164,757)		(4,848,313)		(19,013,070)	
Net pension liability	\$	7,313,240	\$	904,595	\$	8,217,835	
Pension fiduciary net position as a							
percentage of the total pension liability		65.95%		84.28%		69.82%	
percentage of the total pension nuclinty		05.7570		01.2070		07.0270	
			Ро	lice Officers'	I	Firefighters'	
Total pension liability			\$	14,675,877	\$	12,166,658	
Plan fiduciary net position				(11,089,398)		(8,334,135)	
Net pension liability			\$	3,586,479	\$	3,832,523	
Pension fiduciary net position as a							
percentage of the total pension liability				75.56%		68.50%	

*Actuarial assumptions*. The total pension liability was determined by an actuarial valuation as of October 1, 2021, rolled forward to September 30, 2022, using the following actuarial assumptions, applied to all periods included in the measurement:

		Police	Fire
	General	Officers	Fighters
Investment rate of return	7.40%	7.50%	7.40%
Projected salary increases*	Service based	Service based	Service based
* Includes inflation at	2.70%	2.70%	2.70%
Discount rate	7.40%	7.50%	7.40%
Post Retirement COLA	0.00%	0.00%	0.00%

The most recent actuarial experience study for which significant assumptions are based upon was dated September 17, 2021 for the General Plan, and June 14, 2022 for Police Officers' and Firefighters' Plans.

## NOTE 9 – PENSION PLANS (CONTINUED)

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expenses and inflation) are developed for each major asset class. These ranges are combined to produce the long term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

Best estimates of arithmetic real rates of return for each major asset class included in all three pension plans' target asset allocations as of September, 30 2022 are summarized in the following table:

		Target Allocation		Long-term Expected Real Rate of Return
Asset class:	General	Police Officers'	Firefighters'	All Plans
Domestic equity	37.0%	37.0%	37.0%	7.1%
Internation equity	15.0%	15.0%	15.0%	3.1%
Bonds	18.0%	18.0%	18.0%	2.0%
High yields bonds	4.0%	4.0%	4.0%	4.2%
Convertibles	8.0%	8.0%	8.0%	6.4%
Private real estate	7.0%	7.0%	7.0%	6.4%
REITS	5.0%	5.0%	5.0%	6.9%
Infrastructure	5.0%	5.0%	5.0%	5.6%
Cash	1.0%	1.0%	1.0%	-0.1%
Total	100.0%	100.0%	100.0%	

*Discount Rate.* The discount rate used to measure the total pension liability was 7.40% for the General and Firefighter's Plan and 7.50% for the Police Plan. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that sponsor contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

## **Deferred** Compensation Plan

The City offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 457. The City has complied with the requirements of subsection (g) of IRC Section 457 and, accordingly, all assets and income of the plan are held in trust for the exclusive benefit of the participants and their beneficiaries. Consequently, the plan is not reported in the City's financial statements.

## NOTE 10 – OTHER POSTEMPLOYMENT BENEFITS

## **Plan Description**

The City sponsors and administers a single-employer defined benefit plan for postemployment benefits other than pension benefits (OPEB Plan).

The City's health care plan includes certain health care benefits for retired employees of the City, including its component unit, the Palatka Gas Authority. Substantially all employees may become eligible for those benefits if they reach normal retirement age while working for the City or Palatka Gas Authority. The premiums for the retirees are deducted from their pension account, and are entirely paid by those participants. The City pays no portion of the premiums attributable to the retirees, but does contribute any remaining amount necessary for payment of claims. In future years, contributions are assumed to increase at the same rate as premiums.

For purposes of applying Paragraph 4 under Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*, the Plan does not meet the requirements for an OPEB plan administered through a trust, and the City has not established a qualifying trust for the OPEB plan. The OPEB Plan does not issue a stand-alone financial report.

The City Commission can amend the benefit provisions provided by the OPEB Plan.

## **Benefits Provided**

The OPEB Plan provides an implicit health insurance subsidy for retirees of the City and Palatka Gas Authority. The plan allows employees who retire and meet retirement eligibility under one of the City's retirement plans (and their spouses and eligible dependents) to continue medical insurance coverage as a participant in the City's health insurance plan. The retiree pays 100% of the blended group rate premium.

## **Contributions**

The contribution requirements of plan members and the participating employers are established and may be amended by the City. The City's required contribution, actuarially determined, is based on a combination of projected pay-as-you-go financing, with an additional amount to prefund benefits when earned. Contributions are not based on a measure of pay. The contractually required contribution for the year ended September 30, 2022 was \$43,852. Actual contributions to the OPEB Plan were \$43,852 for the year ended September 30, 2022. Retiree plan members receiving benefits contributed to pay-as-you-go financing through their required contributions for health insurance premiums.

## **NOTE 10 – OTHER POSTEMPLOYMENT BENEFITS (CONTINUED)**

#### Total OPEB Liability

The measurement date is September 30, 2022, based on an actuarial valuation dated October 1, 2020 and rolled forward to September 30, 2022. The reporting period is October 1, 2021 through September 30, 2022.

The Sponsor's total OPEB liability of \$677,978 (comprised of \$611,834 for City and \$66,144 for Palatka Gas Authority) was measured as of September 30, 2022.

#### Actuarial Assumptions and Other Inputs

Table

Inflation rate	2.50%
Salary increase rate(s)	Varies by service
Discount rate	4.77%
Initial trand rate	7.50%
Ultimate trend rate	4.00%
Years to ultimate	53
All mortality rates were based on the P	ub-2010 mortality tables.

## Discount Rate

All future benefit payments were discounted using a high-quality municipal bond rate of 4.18%. The rate was based on the week closest but not later than the measurement date of the Bond Buyer 20-Bond Index as published by the Federal Reserve. This index consists of 20 general obligation bonds that mature in 20 years. The average rating of the 20 bonds is roughly equivalent to Moody's Investors Service's Aa2 rating and Standard & Poor's Corp.'s AA.

## **NOTE 10 – OTHER POSTEMPLOYMENT BENEFITS (CONTINUED)**

## Change in Total OPEB Liability

Changes for the year:	
Service cost	\$ 68,198
Interest	17,713
Difference between expected and actual experience	(159,593)
Changes of assumptions and actual experience	(51,971)
Benefit payments	 (33,252)
Net changes	(158,905)
Total OPEB liabilitty - beginning of reporting period	 836,883
Total OPEB liabilitty - end of reporting period	\$ 677,978

Changes in assumptions reflect a change in the discount rate from 2.14% for the reporting period ended September 30, 2021, to 4.77% for the reporting period ended September 30, 2022.

## Sensitivity of the Total OPEB Liability to changes in the Discount Rate

The following presents the total OPEB liability of the Sponsor, as well as what the Sponsor's total OPEB liability would be if it were calculated using a discount rate that is one percentage-point lower or one percentage-point higher than the current discount rate:

	Current						
	1% Decrease Discount Rate				1% Increase		
	3.77%			4.77%	5.77%		
Total OPEB liability - City	\$	678,416	\$	611,834	\$	553,350	
Total OPEB liability - PGA		73,378		66,144		59,851	
Total OPEB liability	\$	751,794	\$	677,978	\$	613,201	

## NOTE 10 – OTHER POSTEMPLOYMENT BENEFITS (CONTINUED)

## Sensitivity of the Total OPEB Liability to changes in the Healthcare Cost Trend Rates

The following presents the total OPEB liability of the Sponsor, as well as what the Sponsor's total OPEB liability would be if it were calculated using healthcare cost trend rates that are one percentage-point lower or one percentage-point higher than the current healthcare cost trend rates:

	Healthcare Cost						
	1%	Decrease	Tr	end Rates	1% Increase		
	3.00% - 7.50%		4.00% - 8.50%		5.00% - 9.50%		
Total OPEB liability - City	\$	538,051	\$	611,536	\$	698,990	
Total OPEB liability - PGA		58,196		66,144		75,603	
Total OPEB liability	\$	596,247	\$	677,680	\$	774,593	

## **OPEB** Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

For the year ended September 30, 2022, the Sponsor recognized OPEB expense of \$67,908, including \$6,655 for the Palatka Gas Authority.

On September 30, 2022, the Sponsor reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	 Deferred Outflows of Resources						Deferred Inflows of Resources					
	City PGA Total		Total	City			PGA		Total			
Differences between expected												
and actual experience	\$ -	\$	-	\$	-	\$	159,896	\$	17,372	\$	177,268

Amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense as follows:

## NOTE 11 – RISK MANAGEMENT

**x**7

1.

The City is exposed to various risks of loss related to general liability, workers' compensation, public liability, law enforcement liability, health benefits, property damage, and errors and omissions. To manage its risks, the City participates in the Florida League of Cities Self Insurance Fund (the "Fund") a public entity risk pool currently operating as a common risk management and insurance program for member cities. The City pays an annual premium to the Fund for its coverage. The premiums are designed to fund the liability risks assumed by the Fund and are based on certain actual exposures of each member. The City's settled claims have not exceeded coverage in any of the past three fiscal years.

## **NOTE 12 - COMMITMENTS**

The City leases some of its golf carts under operating leases. Lease payments for the year ended September 30, 2022 were \$44,381.

## **NOTE 13 - CONTINGENCIES**

The City is sometimes a party to lawsuits and claims arising out of the normal conduct of its activities. While the results of lawsuits or other proceedings against the City cannot be predicted with certainty, management does not expect that these matters will have a material adverse effect on the financial condition of the City.

## **NOTE 14 – SUBSEQUENT EVENTS**

Management has evaluated subsequent events to determine if events or transactions occurring through June 28, 2023, the date the financial statements available to be issued, require potential adjustment to or disclosure in the financial statements.

## NOTE 15 – NEW ACCOUNTING PRONOUNCEMENTS

The Governmental Accounting Standards Board (GASB) issued several pronouncements that are effective for these financial statements. These are:

Management has ascertained that none of these professional pronouncements effective for this year had any discernable impact on the City.

## **NOTE 16 – PRIOR PERIOD ADJUSTMENT**

Beginning net position of the Palatka Gas Authority ( a component unit of the City) for the year ended September 30, 2022 was restated for prior period adjustments. The adjustments of \$954,827 principally relate to reclassification and accrual for expenses. Net position of the Palatka Gas Authority as of September 30, 2021 have been restated from \$5,709,500 to \$6,664,327.

Beginning net position of the City for the year ended September 30, 2022 was restated for prior period adjustments. The adjustments of \$7,567,284 principally relate to reclassification and accrual for expenses. Net position of the City as of September 30, 2021 have been restated from \$64,992,551 to \$72,559,835.

#### City of Palatka Notes to Budgetary Comparison Schedules September 30, 2022

Budgets are prepared and adopted on the modified accrual basis of accounting.

On or before the first day in August of each year, the City Manager submits to the City Commission a budget for the ensuing fiscal year, along with an accompanying budget message. The general summary of the budget and notice of public hearing is published in the local newspaper. Prior to the last day of September, the budget is legally enacted. All appropriations lapse at the end of the fiscal year.

Florida Statutes provide that it is unlawful to make expenditures that exceed the total amount budgeted for each fund. The City Manager can approve budget transfers within and between operating departments and divisions of the same fund. All interfund transfers require prior approval of the City Commission. Therefore, the fund level is the legal level of control for budget considerations.

The actual expenditures exceeded the budgeted expenditures by \$2,356,208 in the General Fund.

Annual budgets are adopted for all governmental funds.

#### Notes to the Schedule

For measurement date 09/30/2021, amounts reported as changes of assumptions resulted from lowering the investment rate of return from 7.50% to 7.40% For measurement date 09/30/2020, amounts reported as changes of assumptions resulted from lowering the investment rate of return from 7.60% to 7.50% For measurement date 09/30/2019, amounts reported as changes of assumptions resulted from lowering the investment rate of return from 7.70% to 7.60% For measurement date 09/30/2018, amounts reported as changes of assumptions resulted from lowering the investment rate of return from 7.80% to 7.70% For measurement date 09/30/2018, amounts reported as changes of assumptions resulted from lowering the investment rate of return from 7.80% to 7.70% For measurement date 09/30/2017, amounts reported as changes of assumptions resulted from lowering the investment rate of return from 7.90% to 7.80%

In addition, the assumed rates of mortality were changed from those in the July 1, 2015 FRS valuation report to those used in the July 1, 2016 FRS

valuation report (FRS herein is the Florida Retirement System).

For measurement date 09/30/2016, amounts reported as changes of assumptions resulted from an experience study dated Sept. 20, 2016:

- The assumed rate of individual salary increases was changed from a 5.50% each year to a service-based table.

- The assumed interest rate was lowered from 8.0% to 7.9%.

- The assumed rates of mortality were changed to match what is used by FRS for non-special risk participants.

- The assumed rates for Normal Retirement increased for all ages.

- The assumed rates of disability decreased by changing from Table 1207 to Table 1201.

- The inflation assumption rate was lowered form 3.00% to 2070%, matching the long-term inflation assumption used by the Plan's investment consultant.

#### Notes to the Schedule

\* The schedule will present ten years comparative data when ten years become available.

2018 changes in assumptions and other inputs reflect a change in the discount rate from 3.64% in 2017 to 4.18% in 2018.

2019 changes in assumptions and other inputs reflect a change in the discount rate from 4.18% in 2018 to 3.58% in 2019.

2020 changes in assumptions and other inputs reflect a change in the discount rate from 3.58% in 2019 to 2.14% in 2020.

Covered employee payroll was projected onyear forward from the valuation date for the reporting period ending September 30, 2020.

See Note 10 to the financial statements for detailed information on the City's OPEB Plan.

### **Supplementary Information**

#### MAJOR GOVERNMENTAL CAPITAL PROJECT FUND

Capital Project Fund is used to account for and report financial resources that are restricted, committed or assigned to expenditures. The City maintains the following Capital Project Fund:

<u>Better Place Plan Fund</u> - is used to account for revenues received from a discretionary surtax imposed to finance certain capital projects.

#### City of Palatka Schedule of Revenues, Expenditures, and Changes in Fund Balances Budget to Actual – Better Place Plan Fund Year Ended September 30, 2022

### Statistical Section (unaudited)

#### **Statistical Section**

This part of the City of Palatka comprehensive annual financial report represents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the City's overall financial health.

	Page <u>Number</u>
Financial Trends	85
These schedules contain trend information to help the reader understand how the city's financial performance and well-being have changed over time.	
Revenue Capacity	87
These schedules contain information to help the reader assess the factors affecting the city's ability to generate its property and sales taxes.	
Debt Capacity	92
These schedules present information to help the reader assess the affordability of the city's current levels of outstanding debt and the city's ability to issue additional debt in the future.	
Demographic and Economic Information	98
These schedules offer demographic and economic indicators to help the reader understand the environment within which the city's financial activities take place and to help make comparisons over time and with other governments.	
Operating Information	100
These schedules contain information about the city's operations and resources to help the reader understand how the city's financial information relates to the services the city provides and the activities it performs.	

Sources: Unless otherwise noted, the information in these schedules is derived from the comprehensive annual financial reports for the relevant year.

Total direct and overlapping debt			\$ 5,257,082

Source: Putnam County Board of County Commissioners

Note: Overlapping governments are those that coincide, at least in part, with the geographic boundaries of the city. This schedule estimates the portion of the outstanding debt of those overlapping governments that is borne by the residents and businesses of Palatka. This process recognizes that, when considering the city's ability to issue and repay long-term debt, the entire debt burden borne by the residents and businesses should be taken into account. However, this does not imply that every taxpayer is a resident, and therefore responsible for repaying the debt, of each overlapping government.

For debt repaid with sales surtax revenues, the percentage of overlapping debt applicable is estimated using the total amount of local infrastructure surtax revenues received by the City divided by the total amount of local infrastructure surtax revenues received by Putnam County.

For debt repaid with 1/2 cent sales revenues, the percentage of overlapping debt applicable is estimated using the total amount of 1/2 cent sales tax revenues received by the City divided by the total amount of 1/2 cent sales tax revenues received by Putnam County.

# INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Honorable Mayor and Members of the City Commission City of Palatka, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the discretely presented component unit, and each major fund of the City of Palatka, Florida (the 'City'), as of and for the fiscal year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the City's, basic financial statements, and have issued our report thereon dated June 28, 2023.

#### **Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs as items 2022-001 and 2022-002 that we consider to be material weaknesses.

### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

# City of Palatka, Florida's Response to Findings

City's response to the findings identified in our audit is described in the accompanying schedule of findings and questioned costs. The City's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

# **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Hollywood, Florida June 28, 2023

# HCT Certified Public Accountants & Consultants, LLC

# INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND STATE PROJECT AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND CHAPTER 10.550, RULES OF THE FLORIDA AUDITOR GENERAL

To the Honorable Mayor and Members of the City Council City of Palatka, Florida

# **Report on Compliance for Each Major Federal Program and State Project**

We have audited the City of Palatka, Florida's (the "City") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* and the *Department of Financial Services' State Projects Compliance Supplement* that could have a direct and material effect on each of the City's major federal programs and state projects for the fiscal year ended September 30, 2022. The City's major federal programs and state projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

# Management's Responsibility

Management is responsible for compliance with federal and state statutes, regulations, and the terms and conditions of its federal awards and state financial assistance applicable to its federal programs and state projects.

#### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the City's major federal programs and state projects based our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and Chapter 10.550, *Rules of the Florida Auditor General*. Those standards, the Uniform Guidance, and Chapter 10.550 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program and state project occurred. An audit includes examining, on a test basis, evidence about the City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program and state project. However, our audit does not provide a legal determination of the City's compliance.

# **Opinion on Each Major Federal Program and State Project**

In our opinion, the City, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the fiscal year ended September 30, 2022.

# **Report on Internal Control over Compliance**

Management of the City is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the City's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program and state project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and state project and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.550, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency or compliance over compliance is a deficiency of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.550. Accordingly, this report is not suitable for any other purpose.

# Section II – Financial Statement Findings

See section IV below.

# Section III – Federal Awards and State Projects Findings and Questioned Costs

No current-year matters were reported.

# Section IV – Prior-Year Audit Findings

#### **Financial Statement Findings**

#### Finding No. 2022-001 Controls over Payroll Processing

Finding Type: Internal Control and Material Weakness

#### **Condition:**

During our review of the controls over payroll and the processing of payroll, we observed a lack of segregation of duties as there was only one individual who processed and approved payroll prior to being processed for payment.

#### **Recommendation:**

We recommend that the City reviews the existing policies and procedures and develop new processes to ensure that there is a strong segregation of duties with processing the payroll for payment.

#### **Current Year Status:**

Condition still exists. There were material adjustments made in FY2022.

#### Management Response:

Management concurs with the finding and will implement policies and procedures in the current fiscal year.

#### Finding No. 2022-002 Incorrect employee payments

Finding Type: Internal Control and Material Weakness

#### **Condition:**

During our review of the controls over payroll and employee pay rates, we noted that multiple employees' pay rates did not match their approved pay rates, resulting in employees to be both over and under paid.

#### **Recommendation:**

We recommend that the City reviews the existing policies and procedures and develop new processes to ensure that there is a strong segregation of duties with processing the payroll for payment.

#### **Current Year Status:**

Condition still exists. There were material adjustments made in FY2022.

#### Management Response:

Management concurs with the finding and will implement policies and procedures in the current fiscal year.

# IINDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE WITH THE REQUIREMENTS OF SECTION 218.415, FLORIDA STATUTES, REQUIRED BY RULE 10.556(10) OF THE AUDITOR GENERAL OF THE STATE OF FLORIDA

To the Honorable Mayor and Members of the City Commission City of Palatka, Florida

We have examined the City of Palatka (the City's) compliance with the requirements of Section 218.415, Florida Statutes, in accordance with Rule 10.556(10) of the Auditor General of the State of Florida during the fiscal year ended September 30, 2022. Management is responsible for the City's compliance with those requirements. Our responsibility is to express an opinion on the City's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the City's compliance with specified requirements.

In our opinion, the City complied, in all material respects, with the aforementioned requirements for the fiscal year ended September 30, 2022. This report is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, management, and the City Commission, and is not intended to be and should not be used by anyone other than these specified parties.

# MANAGEMENT LETTER IN ACCORDANCE WITH THE RULES OF THE AUDITOR GENERAL OF THE STATE OF FLORIDA

To the Honorable Mayor and Members of the City Commission City of Palatka, Florida

### **Report on the Financial Statements**

We have audited the financial statements of the City of Palatka, Florida (the 'City'), as of and for the fiscal year ended September 30, 2022, and have issued our report thereon dated June 28, 2023.

#### Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Auditor General.

# **Other Reporting Requirements**

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*; Independent Auditor's Report on Compliance for Each Major Federal Program and State Project and Report on Internal Control over Compliance; Schedule of Findings and Questioned Costs; and Independent Accountant's Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports and schedule, which are dated June 28, 2023, should be considered in conjunction with this management letter.

#### **Prior Audit Findings**

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. Corrective actions have been taken to address findings and recommendations made in the preceding financial audit report except for as listed.

Reference Number	Prior Year Comment	Status
2021-001	The processing of payroll, we	No Improvement Shown. See
	observed a lack of segregation of	comment Number 2022-001
	duties as there was only one	in the current year
	individual who processed and	
	approved payroll prior to being	
	processed for payment	
2021-002	Employee pay rates did not match	No Improvement Shown. See
	their approved pay rates,	comment Number 2022-002
		in the current year

Comments 2022-001 and 2022-002 each have been reported in the prior two year's audit reports.

# **Official Title and Legal Authority**

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. All related disclosures have been made in the notes to the financial statements.

#### **Financial Condition and Management**

Sections 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, require that we apply appropriate procedures and report the results of our determination as to whether or not the City has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, we determined that the City did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures for the City. It is management's responsibility to monitor the City's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same.

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did have any such recommendations which are 2022-001 and 2022-002.

#### **Special District Component Units**

Sections 10.554(1)(i)5.c., Rules of the Auditor General, requires, if appropriate, that we communicate the failure of a special district that is a component unit of a county, municipality, or special district in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we did not note any special district component units that failed to provide the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes.

#### Palatka Gas Authority

- 1. Total number of district employees compensated in the last period of the fiscal year. 15
- 2. Total number of independent contractors compensated in the last month of the fiscal year. 2
- All compensation paid or accrued to employees.
   \$783,083
- 4. All compensation paid or accrued to independent contractors. \$49,416

- Each construction project with cost of at least \$65,000 approved by the district and scheduled to begin after October 1 of the reporting year and total expenditures of such project.
   \$ 0
- 6. A budget variance report based on the budget adopted under Section 189.016(4), Florida Statutes, and the amended budget under Section 189.016(6), Florida Statutes.

	Budget	Actual	Variance
<b>Total Revenues</b>	\$3,492,475	\$2,418,379	\$1,074,096
Total Expense	\$3,188,775	\$2,532,684	\$656,091

#### **Additional Matters**

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

# **Purpose of this letter**

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Mayor, Members of the City Council, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.
