### Report on the Financial Statements

We have audited the accompanying financial statements of Hendry Public Schools Foundation, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2017, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Hendry Public Schools Foundation, Inc., as of June 30, 2017, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Other Reporting Required by Government Auditing Standards**

In accordance with Government Auditing Standards, we have also issued our report dated September 25, 2017, on our consideration of Hendry Public Schools Foundation, Inc.'s, internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Foundation's internal control over financial reporting and compliance.

HENDRY PUBLIC SCHOOLS FOUNDATION, INC.  
Notes to the Financial Statements  
June 30, 2017

NOTE 1 - NATURE AND PURPOSE OF THE FOUNDATION

Hendry Public Schools Foundation, Inc. (the Foundation), was organized in 1993 as a Florida non-profit corporation without capital stock under the provisions of Chapter 617 of the Florida Statutes. The Foundation has been certified as a direct support organization of the Hendry County District School Board and is a component unit of the District School Board.

The Foundation was formed to receive, hold, invest, and administer property and to make expenditures to or for the benefit of public pre-kindergarten through post-secondary education in Hendry County.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Foundation have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America. The significant accounting policies followed by the Foundation are described in the following paragraphs to enhance the usefulness of the financial statements to the reader.

Net Asset Classifications

Resources for various purposes are classified for accounting and financial reporting purposes into net asset categories established according to their nature and purpose as follows:

Unrestricted Net Assets - Unrestricted net assets represent funds which are fully available to be utilized in any Foundation program or for supporting services, and those resources invested in equipment and furnishings.

Temporarily Restricted Net Assets - Temporarily restricted net assets are comprised of funds which are restricted by donors for specific purposes. The restrictions are satisfied either by the passage of time or by actions of the Foundation.

Permanently Restricted Net Assets - Permanently restricted net assets include resources with permanent donor-imposed restrictions, which require the assets to be maintained in perpetuity but permit the Foundation to expend all or part of the income derived from the donated assets.

When an expenditure is incurred for purposes for which both unrestricted and restricted (temporarily or permanently) funds are available, it is the policy of the Foundation to generally consider restricted funds to have been reduced first.

As of June 30, 2017, the Foundation had no temporarily restricted net assets.

HENDRY PUBLIC SCHOOLS FOUNDATION, INC.  
Notes to the Financial Statements  
June 30, 2017

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Contributed Services and Materials

A significant portion of the Foundation's functions are conducted by unpaid volunteers. The value of this contributed time is not reflected in the accompanying financial statements since the volunteers' time does not meet the criteria for recognition as contributed services.

In-kind contributions, when received, are recorded at the fair market value of the materials received.

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor restrictions.

All contributions are considered available for unrestricted use unless specifically restricted by the donor or subject to other legal restrictions.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Foundation considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Income Taxes

The Foundation is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation.

The Foundation's Forms 990, Return of Organization Exempt from Income Tax, for the fiscal years ended 2014, 2015, 2016, and 2017 are subject to examination by the IRS, generally for three years after they were filed.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Evaluation of Subsequent Events

In preparing these financial statements, the Foundation has evaluated events and transactions for potential recognition or disclosure through September 25, 2017, the date the financial statements were available to be issued.

HENDRY PUBLIC SCHOOLS FOUNDATION, INC.  
Notes to the Financial Statements  
June 30, 2017

NOTE 3 - CASH AND CASH EQUIVALENTS

Cash and cash equivalents consisted of an interest-bearing checking account in a financial institution that qualifies as a public depository.

As of June 30, 2017, the carrying amount of the Foundation's interest-bearing checking account was \$52,925 and the bank's balance was \$55,425. The difference was due to a check that had been written, but not yet paid by the bank.

The Foundation's use of an interest-bearing bank account in a financial institution that is covered by federal depository insurance makes credit risk, custodial credit risk, concentration of credit risk, interest rate risk, and foreign currency risk nominal or nonexistent in regards to this account.

At no time during the year did the cash balance with the financial institution exceed FDIC limits.

NOTE 4 - PERMANENT RESTRICTION OF NET ASSETS

The permanent restrictions of net assets as of June 30, 2017, were as follows:

Take Stock in Children Program	\$ 7,747
Glades Electric Cooperative - scholarships	<u>47,275</u>
Total Permanently Restricted Net Assets	<u>\$55,022</u>

Contributions from private sources to the Take Stock in Children Program are to be used to purchase prepaid tuition packages for selected needy students who show academic potential for college attendance.

As of June 30, 2017, the Foundation had not maintained sufficient amounts of cash and cash equivalents to comply with donor imposed restrictions.

**INDEPENDENT AUDITOR'S REPORT ON  
INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND  
OTHER MATTERS BASED ON AN AUDIT  
OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH GOVERNMENT  
AUDITING STANDARDS**

To the Board of Directors  
Hendry Public Schools Foundation, Inc.  
LaBelle, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, the financial statements of Hendry Public Schools Foundation, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2017, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 25, 2017.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Hendry Public Schools Foundation, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Hendry Public Schools Foundation, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Foundation's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider Finding 2017-1 to be a significant deficiency.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Hendry Public Schools Foundation, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

### **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

HENDRY PUBLIC SCHOOLS FOUNDATION, INC.  
Schedule of Findings  
Year Ended June 30, 2017

**Current Year Finding**

**Finding 2017-1 - Cash and Cash Equivalents Not Sufficient To Comply With Donor Restrictions**

**Condition:** We noted that as of June 30, 2017, the Foundation did not have sufficient funds to comply with donor imposed restrictions.

**Criteria:** The Foundation has a responsibility to maintain funds sufficient to meet all donor restrictions.

**Cause:** Permanently restricted assets were used for unrestricted program services and other supporting services.

**Effect:** Since monies for all Foundation activities are maintained in one bank account, when restricted funds are not closely monitored the Foundation's ability to meet donor restrictions is put at risk.

**Recommendation:** Funds received by the Foundation for which donor restrictions exist should be monitored so that cash and cash equivalents are always sufficient for the Foundation to comply with donor imposed restrictions.

**Management Response:** The Foundation's response to the current year finding is presented in the Foundation's response letter which is included on page 15.

Finding 2017-1 – Cash and Cash Equivalents Not Sufficient to Comply with Donor Restrictions.

The negative balance for restricted funds occurred between July thru December 2016. Since that time the Hendry County School Board has appointed a foundation board. The foundation board approved opening a second account to keep restricted and unrestricted funds separate to prevent this from happening in the future.

Sincerely,
