## INDEPENDENT AUDITORS' REPORT

Board of Directors,  
Florida International University Research Foundation, Inc.:

### **Report on the Financial Statements**

We have audited the accompanying financial statements of the Florida International University Research Foundation, Inc. (the "Research Foundation"), a direct support organization and component unit of Florida International University, as of and for the years ended June 30, 2021 and 2020, and the related notes to the financial statements, which collectively comprise the Research Foundation's basic financial statements as listed in the table of contents.

### ***Management's Responsibility for the Financial Statements***

The Research Foundation's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## ***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Research Foundation as of June 30, 2021 and 2020, and the changes in financial position and its cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

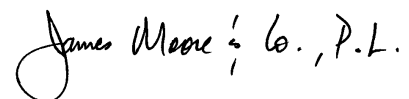

## ***Other Matters***

### ***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis as referenced in the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### ***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated October 6, 2021, on our consideration of the Research Foundation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Research Foundation's internal control over financial reporting and compliance.

## **MANAGEMENT'S DISCUSSION AND ANALYSIS**

**FLORIDA INTERNATIONAL UNIVERSITY RESEARCH FOUNDATION, INC.**  
**(A DIRECT SUPPORT ORGANIZATION)**  
**MANAGEMENT'S DISCUSSION AND ANALYSIS**  
**JUNE 30, 2021 AND 2020**

Management's discussion and analysis (MD&A) provides an overview of the financial position and activities of the Florida International University Research Foundation, Inc. (the "Research Foundation") for the fiscal years ended June 30, 2021, 2020 and 2019, and should be read in conjunction with the financial statements and notes thereto. The MD&A, financial statements, and notes thereto are the responsibility of management.

**FINANCIAL HIGHLIGHTS**

The Research Foundation's assets totaled \$109,820 at June 30, 2021. This balance decreased by approximately \$18,000 or 14.1%, as compared to prior year, entirely resulting from a decrease in cash. Liabilities decreased by approximately \$1,000 or 13.0%, as compared to prior year. As a result, the Research Foundation's net position decreased by approximately \$17,000 or 14.2%, as compared to prior year, reaching a year-end balance of \$103,044.

The Research Foundation's operating revenues totaled \$1,039 for the June 30, 2021 fiscal year, representing an increase of approximately \$1,000 or 102.9%, as compared to prior year. Operating expenses totaled \$18,066 for the June 30, 2021 fiscal year, representing an increase of approximately \$10,600 or 142.1%, as compared to prior year. There were no transfers from Florida International University (FIU) for the 2021 and 2020 fiscal year, respectively.

**OVERVIEW OF FINANCIAL STATEMENTS**

The Research Foundation's financial report includes three basic sets of financial statements: the statements of net position; the statements of revenues, expenses, and changes in net position; and the statements of cash flows.

***The Statements of Net Position***

The statements of net position reflect the assets and liabilities of the Research Foundation, using the accrual basis of accounting, and present the financial position of the Research Foundation at a specified time. The difference between total assets and total liabilities, which is known as net position, is one indicator of the Research Foundation's current financial condition. The changes in net position that occur over time indicate improvement or deterioration in the Research Foundation's financial condition.

**FLORIDA INTERNATIONAL UNIVERSITY RESEARCH FOUNDATION, INC.**  
**(A DIRECT SUPPORT ORGANIZATION)**  
**MANAGEMENT'S DISCUSSION AND ANALYSIS**  
**JUNE 30, 2021 AND 2020**  
(Continued)

The following summarizes the Research Foundation's total net position for fiscal years ended:

**Condensed Statements of Net Position**

	<b>June 30,</b>		
	2021	2020	2019
<b>Assets</b>			
Current assets	\$ 109,820	\$ 127,854	\$ 135,624
<b>Total assets</b>	109,820	127,854	135,624
<b>Liabilities</b>			
Current liabilities	6,776	7,783	8,102
<b>Total liabilities</b>	6,776	7,783	8,102
<b>Net position</b>			
Unrestricted	103,044	120,071	127,522
<b>Total net position</b>	\$ 103,044	\$ 120,071	\$ 127,522

Current assets are comprised entirely of cash. The University operates the U.S. Agency for International Development (USAID) grant in Burkina Faso, West Africa. The changes in cash are related to this grant in West Africa. The activities are reflected on the statements of net position as Due to Florida International University, which are part of current liabilities.

In summary, total assets decreased by approximately \$18,000 or 14.1% and total liabilities decreased by approximately \$1,000 or 13.0%, as compared to prior year. As a result, the net position balance at June 30, 2021, had a decrease of approximately \$17,000 or 14.2%, as compared to prior year.

For more detailed information, see the statements of net position on page 7 of the financial statements.

***The Statements of Revenues, Expenses and Changes in Net Position***

The statements of revenues, expenses, and changes in net position present the Research Foundation's revenue and expense activity, categorized as operating. The Organization uses the accrual basis of accounting.

**FLORIDA INTERNATIONAL UNIVERSITY RESEARCH FOUNDATION, INC.**  
**(A DIRECT SUPPORT ORGANIZATION)**  
**MANAGEMENT'S DISCUSSION AND ANALYSIS**  
**JUNE 30, 2021 AND 2020**  
(Continued)

The following summarizes the Research Foundation's activity for fiscal years ended:

**Condensed Statements of Revenues, Expenses and Changes in Net Position**

	<b>June 30,</b>		
	<u>2021</u>	<u>2020</u>	<u>2019</u>
<b>Operating revenues</b>	\$ 1,039	\$ 10	\$ 10,005
<b>Operating expenses</b>	<u>18,066</u>	<u>7,461</u>	<u>26,306</u>
<b>Operating loss</b>	(17,027)	(7,451)	(16,301)
Transfers from Florida International University	<u>-</u>	<u>-</u>	<u>20,000</u>
<b>Changes in net position</b>	(17,027)	(7,451)	3,699
<b>Net position</b> - beginning of year	<u>120,071</u>	<u>127,522</u>	<u>123,823</u>
<b>Net position</b> - end of year	<u>\$ 103,044</u>	<u>\$ 120,071</u>	<u>\$ 127,522</u>

***Operating Revenues***

The Research Foundation categorizes revenues as operating. Operating revenues generally result from exchange transactions where each of the parties to the transaction either give up or receive something of equal or similar value. The Research Foundation has operating revenues of \$1,039 for the current year, related to private donations and final distribution of funds from the Tanzania bank account. This account was used to manage the USAID iWash Program that ended its operations in February 2016.

	<b>June 30,</b>		
	<u>2021</u>	<u>2020</u>	<u>2019</u>
Operating revenues	\$ 1,039	\$ 10	\$ 10,005
<b>Total operating revenues</b>	<u>\$ 1,039</u>	<u>\$ 10</u>	<u>\$ 10,005</u>

***Operating Expenses***

The Research Foundation categorizes expenses as operating. Government Accounting Standards Board (GASB) allows financial reporting entities the choice of reporting operating expenses in the functional or natural classifications. The Research Foundation has chosen to report the expenses in their natural classification on the statements of revenues, expenses, and changes in net position.

**FLORIDA INTERNATIONAL UNIVERSITY RESEARCH FOUNDATION, INC.**  
**(A DIRECT SUPPORT ORGANIZATION)**  
**MANAGEMENT'S DISCUSSION AND ANALYSIS**  
**JUNE 30, 2021 AND 2020**  
(Continued)

The following summarizes the operating expenses by natural classifications for the fiscal years ended:

	<b>Operating Expenses</b>		
	<b>2021</b>	<b>June 30,</b>	
	<u>2020</u>	<u>2019</u>	
Professional services	\$ 12,842	\$ -	\$ 7,694
Audit and tax fees	5,000	7,250	18,400
Other operating expenses	224	211	212
<b>Total operating expenses</b>	<u>\$ 18,066</u>	<u>\$ 7,461</u>	<u>\$ 26,306</u>

The increase in operating expenses is attributable to salary support provided to the University offset with a decrease in audit and tax fees, as a result of reduced grant activities in Tanzania and Burkina Faso.

**TRANSFERS**

There were no transfers received from Florida International University (FIU) for the fiscal year ended June 30, 2021 and 2020, respectively.

**ECONOMIC FACTORS THAT WILL AFFECT THE FUTURE**

The FIU Research Foundation served as an agent with respect to the USAID Tanzania and Burkina Faso grants awarded to the University. This activity and the entire amount of the grants were recognized by FIU in the Sponsored Research Development Trust Fund. Both international locations have since closed, with the iWash program office in Tanzania being closed in February 2016, and the Wa/Wash program office in Burkina Faso being closed in December 2017. The iWash entity was dissolved in February 2021.

The FIU Research Foundation will be receiving royalty funds from agreements and these funds will be partially distributed to the FIU researchers and their respective departments, and to the Office of Research and Economic Development. The Research Foundation will reimburse the University for any payroll expenses incurred related to the receipt of the royalty funds. With time the Research Foundation expects an increase in agreements as the Office of Intellectual Property and Technology Management & Commercialization fosters collaboration with industry with the goal of promoting research growth.

**REQUESTS FOR INFORMATION**

This financial statement is designed to provide a general overview of the Research Foundation's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Controller, Florida International University Research Foundation, Inc., 11200 S.W. 8<sup>th</sup> Street, MARC Building 5<sup>th</sup> Floor, Miami, Florida 33199.

**FLORIDA INTERNATIONAL UNIVERSITY RESEARCH FOUNDATION, INC.**  
**(A DIRECT SUPPORT ORGANIZATION)**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2021 AND 2020**

(1) **Summary of Significant Accounting Policies:**

The following is a summary of the significant accounting policies of the Florida International University Research Foundation, Inc. (the “Research Foundation” or “Organization”), affecting elements of the accompanying basic financial statements:

(a) **Reporting entity**—The Research Foundation, a Florida not-for-profit corporation, is a direct support organization and a component unit of Florida International University (“FIU” or “University”) and was organized in the State of Florida on November 25, 1997 for educational and scientific purposes. The Articles of Incorporation were amended and restated on July 29, 2010.

The Research Foundation is a tax-exempt organization as defined by Section 501(c)(3) of the Internal Revenue Code. The Research Foundation provides direct support to FIU in matters pertaining to research, and has been designated by the FIU Board of Trustees as a University Direct Support Organization pursuant to §1004.28, Florida Statutes.

The financial reporting entity covered by this report includes the Organization and its component unit. The financial reporting entity covered by this report has been defined by GASB as the Research Foundation and those component units for which the Research Foundation is financially accountable. Blended component units, although legally separate entities, are, in substance, part of the government’s operations, and therefore, data for these units are generally combined with the data of the Organization.

(b) **Blended component unit**—The Florida International Research iWASH Initiative Limited (iWASH) was incorporated in Tanzania on February 22, 2010, under the Tanzania Companies Act of 2002. The entity is a not-for-profit company as defined by the laws in Tanzania. This entity was established for the sole purpose of serving as the legal entity to implement the development initiative known as Tanzania iWASH Program. The iWASH program ended in 2017 and the final financial statements of iWASH were completed for the year-ended December 31, 2016. The iWash entity was dissolved in February 2021.

(c) **Basis of presentation**—The financial statements of the Research Foundation have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The Research Foundation reports under the GASB standards because it meets the criteria regarding the popular election of officers or appointment of a controlling majority of the members of the Organization’s governing body by one or more state or local governments and because it is a direct support organization. Therefore, the Research Foundation is reported as a governmental entity.

The Research Foundation met the criteria to use enterprise fund accounting and financial reporting. Accordingly, the financial statements are reported using the economic resources measurement focus and accrual basis of accounting, which recognizes revenue when earned and expenses when a liability is incurred, regardless of timing of the related cash flow.

**FLORIDA INTERNATIONAL UNIVERSITY RESEARCH FOUNDATION, INC.**  
**(A DIRECT SUPPORT ORGANIZATION)**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2021 AND 2020**

(1) **Summary of Significant Accounting Policies:** (Continued)

(d) **Use of estimates**—The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Although these estimates are based on management’s knowledge of current events and actions it may undertake in the future, they may ultimately differ from actual results.

(e) **Flow assumption for restricted assets**—If both restricted and unrestricted assets are available for use for a certain purpose, it is the Research Foundation’s policy to use restricted assets first, then use unrestricted assets as needed.

(f) **Operating revenues and expenses**—The Research Foundation’s statements of revenues, expenses, and changes in net position presents operating revenues and expenses. Operating revenue results from exchange transactions associated in matters pertaining to research, which is the Research Foundation’s principal activity. Operating expenses include all expenses incurred in matters pertaining to research, other than external financing costs.

(g) **Income taxes**—The Organization is a not-for-profit corporation, as described in Section 501(c)(3) of the Internal Revenue Code and as such are subject to federal income taxes only on unrelated business income. There were no income taxes resulting from unrelated business income during the year ended June 30, 2021 and 2020.

The application of GAAP requires management to evaluate tax positions taken and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. Management has analyzed the tax positions taken and has concluded that as of June 30, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. If the Organization were to incur an income tax liability in the future, interest and penalties would be reported as income taxes. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Research Foundation’s income tax returns for the past three years are subject to examination by tax authorities, and may change upon examination. Management believes the Organization is no longer subject to income tax examinations for years prior to 2018.

(h) **Transfers**—For the year ended June 30, 2021, and 2020, there were no transfers from the University to support the operating expenses of the Research Foundation.

(2) **Deposits:**

In addition to insurance provided by the Federal Depository Insurance Corporation, all deposits, except for the bank account in Burkina Faso, West Africa are held in banking institutions approved by the State Treasurer of the State of Florida to hold public funds. Under Florida Statutes Chapter 280, Florida Security for Public Deposits Act, the State Treasurer requires all Florida qualified public depositories to deposit with the Treasurer or another banking institution eligible collateral. In the event of a failure of a qualified public depository the remaining public depositories would be responsible for covering any resulting losses. Accordingly, all amounts reported as deposits, except for the bank account in Burkina Faso, West Africa are insured or collateralized.

**FLORIDA INTERNATIONAL UNIVERSITY RESEARCH FOUNDATION, INC.**  
**(A DIRECT SUPPORT ORGANIZATION)**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2021 AND 2020**

(2) **Deposits:** (Continued)

***CONCENTRATIONS OF CREDIT RISK FOR CASH***

The Organization has a bank account in Burkina Faso, West Africa to support the operations pertaining to the West Africa Water Supply, Sanitation and Hygiene (WA-WASH) Program under a U.S. Agency for International Development (USAID) grant. The balance in this account of \$5,776 and \$5,575 as of June 30, 2021 and 2020, respectively, is not FDIC insured and is subject to foreign currency exchange risk. The Research Foundation maintains its cash balances with high quality financial institutions, which the Research Foundation believes limits these risks.

(3) **Due to Florida International University:**

The amount Due to Florida International University of \$5,776 and \$5,533 as of June 30, 2021 and 2020, respectively, represents funds that were sent to Burkina Faso related to grant operations. This liability will be reduced as vendors are paid in Burkina Faso. The funds for grant operations in Burkina Faso are repaid directly to the University from the grantor.

## **REPORTING SECTION**

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT  
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS**

Board of Directors,  
Florida International University Research Foundation, Inc.:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Florida International University Research Foundation, Inc. (the "Research Foundation"), as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the Research Foundation's basic financial statements, and have issued our report thereon dated October 6, 2021.

***Internal Control Over Financial Reporting***

In planning and performing our audit of the financial statements, we considered the Research Foundation's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Research Foundation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Research Foundation's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

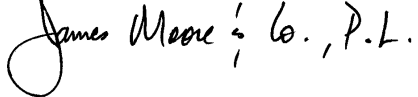

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### ***Compliance and Other Matters***

As part of obtaining reasonable assurance about whether the Research Foundation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

James Moore & Co., P.L.

Gainesville, Florida  
October 6, 2021
