INDEPENDENT AUDITOR'S REPORT

Board of Directors Hardee County Education Foundation, Inc. Wauchula, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the Hardee County Education Foundation, Inc. (the "Foundation"), a component unit of the School District of Hardee County, Florida, as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the Foundation's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Foundation as of June 30, 2021, and the respective changes in financial position and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on pages 3 through 6 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 19, 2022, on our consideration of the Foundation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Foundation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

INTRODUCTION

As management of the Hardee County Education Foundation, Inc. (the "Foundation"), we offer the readers of the Foundation's financial statements this narrative overview and analysis of the financial activities of the Foundation for the fiscal year ended June 30, 2021. The information contained in the Management's Discussion and Analysis (MD&A) is intended to highlight significant transactions, events, and conditions and should be considered in conjunction with the Foundation's financial statements and the notes to the financial statements.

OVERVIEW OF THE FINANCIAL STATEMENTS

The Foundation meets Governmental Accounting Standards Board (GASB) criteria for being reported as a component unit of the Hardee County District School Board. As explained in Note A of the notes to the financial statements, the Foundation is a nonprofit organization and uses enterprise fund accounting and financial reporting for the purposes of complying with the requirements of GASB Statement 34. Required financial statements for the Foundation are described below:

STATEMENT OF NET POSITION

The statement of net position presents information on all assets, liabilities and net position. Over time, increases or decreases in net position may serve as an indicator of whether the financial condition of the Foundation is improving or deteriorating.

STATEMENT OF ACTIVITIES

The statement of activities presents revenue and expense information showing how the Foundation's net position changed during the fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the event occurs, regardless of the timing of related cash flows.

STATEMENT OF CASH FLOWS

The statement of cash flows presents all increases and decreases in cash and cash equivalents during the fiscal year. The statement also includes a reconciliation of operating income (or loss) to net cash provided (or used) by operating activities.

NOTES TO THE FINANCIAL STATEMENTS

The notes to the financial statements provide additional information that is essential for a full understanding of the data provided in the Foundation's financial statements.

MANAGEMENT'S DISCUSSION AND ANALYSIS

FINANCIAL ANALYSIS

As noted above, net position may serve over time as a useful indicator of a government's financial position. The assets of the Foundation exceeded its liabilities at June 30, 2021 by \$9,547,739. The Foundation's net position reflects cash and investments restricted for scholarships and other programs. The Foundation has an endowment with a historical value of \$8,000,000. The market value of the endowment at June 30, 2021 is \$9,235,943.

The following table presents the Foundation's net position as of June 30, 2021 compared to net position as of June 30, 2020:

Statement of Net Position

		2021	2020	Change
Current and other assets	\$	9,570,133	\$ 8,024,625	\$ 1,545,508
Total assets		9,570,133	8,024,625	1,545,508
Current liabilities Total liabilities	<u> </u>	22,394 22,394	\$ 52,533 52,533	\$ (30,139) (30,139)
Restricted Unrestricted	\$	9,547,739	\$ 8,115,569 (143,477)	\$ 1,432,170 143,477
Total net position	\$	9,547,739	\$ 7,972,092	\$ 1,575,647

Assets increased by \$1,545,508, which was primarily due to the increase in the market value of the overall endowment investments.

MANAGEMENT'S DISCUSSION AND ANALYSIS

FINANCIAL ANALYSIS (CONTINUED)

The following summarizes the Foundation's changes in net position for the fiscal year ended June 30, 2021, compared to the fiscal year ended June 30, 2020:

Statement of Activities

	2021	2020	Change	
Revenues:				
Contributions and fundraisers	\$ 680,136	\$ 2,164,000	\$ (1,483,864)

Program	376,095	53,666	322,429	
Special events	20,884	63,759	(42,875)	
Endowment advisory	42,233	53,357	(11,124)	
General administrative	44,841	9,020	35,821	
Total expenses	530,803	212,302	318,501	
Change in net position	1,575,647	1,700,651	(125,004)	
Beginning net position	7,972,092	6,271,441	1,700,651	
Ending net position	\$ 9,547,739	\$ 7,972,092	\$ 1,575,647	

The Foundation's total revenues increased by \$193,497 and expenses increased by \$318,501 when compared with the prior year. Key element of the changes are as follows:

Decrease in contributions was primarily due to receipt of final endowment transfer from Hardee County Economic Development Authority in 2020. Current year investment performance was much stronger in 2021 vs 2020. Overall expenses were higher due to increased program services which included a \$350,000 contribution to the Hardee County School Board.

OTHER MATTERS

The Foundation is not required to legally adopt a budget; therefore, no budgetary information is included. The Foundation has no capital assets, infrastructure assets, or long-term debt as of year-end.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1. ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities:

The Hardee County Education Foundation, Inc. (the "Foundation"), a nonprofit corporation, was established in July 1989. Its purpose is to focus the private sector upon enhancing the quality of and support for public education.

Reporting Entity:

The Foundation, a nonprofit corporation, established by order of the Hardee County District School Board (School Board) in July 1989 is a direct-support organization (DSO) of the District. As defined by Section 1001.453 of Florida Statutes, a DSO is an organization which is approved by the district school board, is a nonprofit Florida corporation, and is organized and operated exclusively to receive, hold, invest, and administer property and to make expenditures to or for the benefit of public kindergarten through 12th grade education and adult career and community education programs.

According to the Foundation's By-Laws, the School Board must approve the Foundation's Board of Directors and has the irrevocable power and authority by majority vote to unilaterally cause the dissolution of the Foundation. Due to these provisions, the Foundation is considered a governmental entity and applies Governmental Accounting Standards Board (GASB) accounting and reporting standards. Also, because the Foundation's exclusive purpose is to benefit public kindergarten through post-secondary education and the School Board can unilaterally dissolve it, the Foundation is considered a Component Unit of the School Board. In evaluating the Foundation as a reporting entity, there were no component units identified for which the Foundation is considered financially accountable.

Significant Accounting Policies:

Basis of Presentation

The Foundation complies with accounting standards established by the GASB. The Foundation has implemented GASB Statement No. 34 as amended, Basic Financial Statements-and Management's Discussion and Analysis/or State and Local Governments. In accordance with the provisions of GASB 341 the Foundation uses enterprise fund accounting and financial reporting. For financial reporting purposes, the Foundation is presented as a stand-alone enterprise fund.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1. ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Significant Accounting Policies (Continued):

Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The financial statements of the Foundation are presented using the economic resources measurement focus and the accrual basis of accounting. Under the accrual basis of accounting, revenues are recorded when earned and expenses are recorded at the time the liability is incurred.

The basic financial statements required for enterprise funds by GASB 34 are: a statement of net position or a balance sheet; a statement of activities; and a statement of cash flows. The Foundation maintains only one fund.

The Foundation distinguishes operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services in connection with the Foundation's principal ongoing operations. The principal operating revenues of the Foundation are contributions. Operating expenses are those costs incurred in connection with Foundation programs. All revenues and expenses not meeting the above criteria are reported as non-operating revenues and expenses.

When both restricted and unrestricted resources are available for use, it is the Foundation's policy to use restricted resources first then unrestricted resources as they are needed.

Cash and Cash Equivalents

For the purpose of this statement, the Foundation considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

As of June 30, 2021, the carrying amount of the Foundation's cash deposits was \$334,190 and the bank balance was \$344,690. The Foundation's bank balance is collateralized pursuant to Chapter 280, Florida Statutes. Under this Chapter, in the event of default by a participating financial institution, a qualified public depository, all participating institutions are obligated to reimburse the governmental entity for the loss. To mitigate custodial credit risk, the Foundation's deposits are held with reputable financial institutions.

Investments

Investments are recorded at fair value based on quoted market prices. Fair value is the amount at which a financial instrument could be exchanged in current transaction between willing parties. Investment return consists of interest and dividend income, capital gain distributions, realized gains (losses) and unrealized gains (losses).

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1. ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Significant Accounting Policies (Continued):

Endowment Fund

As established on July 10, 2018, pursuant to the Local Development Agreement for Ona Mine between the Mosaic Company and Hardee County, \$8,000,000 of economic mitigation payments were dedicated to a permanent endowment trust to provide education opportunities to Hardee County residents. The endowment fund is administered by Hardee County Education Foundation, Inc. During the year ended June 30, 2020, the final installment of \$2,000,000 was received from the Hardee Economic Development Authority. The principal amount for the endowment fund shall be maintained at \$8,000,000, initially, and will be adjusted for inflation thereafter.

The endowment is fully funded and will make forgivable student loans to Hardee County residents to pursue higher educational or skilled training programs. The loans will be considered forgivable at 20% per year if the student maintains residency in Hardee County for a period of five years following the completion of a degree or skilled trade certification. The Hardee County Education Foundation may also use surplus earnings from the endowment to fund improvements to vocational education within the K -12 education system in Hardee County.

On March 25, 2019, the Hardee County Education Foundation adopted a formal investment policy (amended October 22, 2019). The investment policy establishes responsibilities of individuals managing the fund, establishes target account objectives, sets asset allocation percentages and manager guidelines, rules for rebalancing, and defines prohibited securities/transactions, in accordance with the Uniform Prudent Management of Institutional Funds Act (UPMIFA). By Florida Statute, UPMIFA governs the investment of and spending from true endowment funds.

The Foundation has interpreted this act as requiring the preservation of the historical value of the original endowment as of the endowment establishment date. Under this interpretation, if the market value of an endowment drops below its historical value, the endowment is considered to be underwater. At June 30, 2021, the market value exceeds the historical value.

Fair Value of Financial Instruments

GASB Statement Number 72, Fair Value Measurements and Application, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1. ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Significant Accounting Policies (Continued):

Fair Value of Financial Instruments (Continued)

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Foundation has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means;
- If the asset or liability has a specified term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

An asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Restricted Net Position

Restricted net position is made up of cash and investments awarded to students as part of their class's fundraisers, contributions for designated senior classes or programs, and scholarships that have not yet been awarded.

Use of Estimates

Preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Tax Status

The Foundation is exempt from federal income taxes under Internal Revenue Code section 501(c)(3) and, as such, the Foundation will be recognized as a public charity not subject to the limitations of a private foundation. Therefore, no provision for federal or state income tax is included in these financial statements.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1. ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Significant Accounting Policies (Continued):

Subsequent Events

The Foundation has evaluated subsequent events through January 19, 2022, the date which the financial statements were available to be issued and has determined that no material transactions have occurred that would warrant additional disclosure in the financial statements.

NOTE 2. DEPOSITS AND INVESTMENTS

Investments

The Foundation has a written investment policy that was amended on October 22, 2019. During the year, the Foundation had investments in securities, limited partnership interests, and nonnegotiable certificates of deposit. The majority of these investments are restricted to a permanent endowment trust to provide educational opportunities to Hardee County residents through a forgivable student loan program.

As of June 30, 2021, the Foundation's investments were distributed as follows:

Asset Class	Minimum	Target	Maximum	Asset Total	Allocation
Growth investments	44%	47%	50%	\$ 4,152,077	45%
Risk reduction assets	38%	41%	44%	4,014,419	43%

Concentrations

The Foundation's policy is to maintain a diversified portfolio to minimize the risk of loss resulting from over concentration of assets in a specific asset class.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2. DEPOSITS AND INVESTMENTS (CONTINUED)

Custodial Credit Risk

This is the risk that in the event of the failure of the counterparty (e.g. broker-dealer) to a transaction, the Foundation will not be able to recover the value of its investment or collateral securities that are in the possession of another party. The Foundation does not have a custodial credit risk policy for investments.

Interest Rate Risk

This is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates.

NOTE 3. FAIR VALUE MEASUREMENT

Information related to the Foundation's assets measured at fair value on a recurring basis is as follows on June 30, 2021:

Class of 2027	\$ 18,841
Class of 2029	307
No Senior class designation,	
permanent endowment trust	 9,528,591
Total	\$ 9.547.739

NOTES TO THE FINANCIAL STATEMENTS

NOTE 5. RELATED PARTY TRANSACTIONS

The Foundation records expenses for payments to the Hardee County District School Board. These expenses were for programs and projects overseen by the School Board and to reimburse them for extra duty salary expense of personnel paid by the School Board. Total expenses paid to the School Board for the year ended June 30, 2021 were \$397,767. Additionally, the School Board provides bookkeeping and administrative services to the Foundation, at no cost.

NOTE 6. RISK MANAGEMENT

The Foundation is exposed to the risk of loss related to theft of assets and errors and omissions. The Foundation was not insured during the year ended June 30, 2021 for any of these risks and therefore retains the risk of loss.

OTHER INDEPENDENT AUDITOR'S REPORTS

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors
Hardee County Education Foundation, Inc.
Wauchula, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Hardee County Education Foundation, Inc. (the "Foundation"), as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the Foundation's basic financial statements, and have issued our report thereon dated January 19, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Foundation's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Foundation's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Foundation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Foundation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S MANAGEMENT LETTER

Board of Directors Hardee County Education Foundation, Inc. Wauchula, Florida

Report on the Financial Statements

We have audited the financial statements of the Hardee County Education Foundation, Inc. (the "Foundation"), as of and for the fiscal year ended June 30, 2021, and have issued our report thereon dated January 19, 2022.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.650, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and On Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*. Disclosures in those reports and schedule, which are dated January 19, 2022, should be considered in conjunction with this management letter.

Additional Matters

Section 10.654(1)(e), Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements or state project amounts that is less than material but warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, federal and other granting agencies, the Board of Directors, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.
