INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Florida is for Veterans, Inc.
Tallahassee, Florida

Opinion

We have audited the accompanying financial statements of Florida is for Veterans, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Florida is for Veterans, Inc. as of June 30, 2022, and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Florida is for Veterans, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Florida is for Veterans, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Florida is for Veterans, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Florida is for Veterans, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited Florida is for Veterans, Inc.'s 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated September 21, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Note 1: NATURE OF BUSINESS

Florida is for Veterans, Inc. (the Organization) is a nonprofit organization whose mission is to attract and retain veterans and their families in the State of Florida, by connecting veterans to employment, training and educational opportunities. The Organization promotes veterans to Florida businesses by educating businesses on the value and skillsets veterans bring to the workforce.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

Use of Estimates

The preparation of U.S. GAAP financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Comparative Financial Information

The financial statements include certain prior-year summarized comparative information in total but not by net asset class or functional expense category. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2021, from which the summarized information was derived.

Cash and Cash Equivalents

Cash and cash equivalents include cash and all highly liquid investments with a maturity when acquired of 90 days or less.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Grants Receivable

Grants receivable consist of amounts due from governmental departments, agencies, or grantors. Grants receivable are stated at unpaid balances, less an allowance for doubtful accounts. The Organization provides for losses on receivables using the allowance method. The allowance is based on experience, third-party contracts, and other circumstances, which may affect the ability of grantors to meet their obligations. Grants receivable are considered impaired if full reimbursement is not received in accordance with the contractual terms. It is the Organization's policy to charge off uncollectible grants receivable when management determines the receivable will not be collected. Management has determined that any credit losses would be immaterial; therefore, no allowance for doubtful accounts has been recorded at June 30, 2022 and 2021.

Furniture and Equipment

All acquisitions of furniture and equipment in excess of \$1,000 and all expenditures for maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized. Repairs and maintenance are expensed as incurred. Furniture and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method.

Net Assets

The Organization reports information regarding its financial position and activities according to two classes of net assets that are based upon the existence or absence of restrictions on use that are placed by its donors: net assets without donor restrictions and net assets with donor restrictions.

Net assets without donor restrictions are resources available to support operations and not subject to donor restrictions. The only limits on the use of net assets without donor restrictions are the broad limits resulting from the nature of the Organization, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

Net assets with donor restrictions are resources that are subject to donor-imposed restrictions. Some restrictions are temporary in nature, such as those that are restricted by a donor for use for a particular purpose or in a particular future period. Other restrictions may be perpetual in nature; such as those that are restricted by a donor that the resources be maintained in perpetuity. When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions.

Notes to Financial Statements

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition

Contributions, governmental support, and grants are recognized when cash, other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met or the donor has explicitly released the restriction. Contributions, governmental support, and grants received with donor-imposed restrictions that are met in the same year in which they are received are classified as net assets without donor restrictions. For conditional contributions, governmental support, and grants, any unused funds at June 30, 2022 and 2021 are recorded as a refundable advance if allowed to be retained and used in a future period, or recorded as due to the governmental department, agency, or grantor if required to be returned.

The Organization has no revenue that would require additional considerations and disclosures under ASC Topic 606, *Revenue from Contracts with Customers*.

Functional Allocation of Expenses

Directly identifiable expenses are charged to programs and supporting services. The Organization's programs include Career Services, Entrepreneurship, Marketing, and Veterans Florida Agriculture Program. Expenses related to payroll, payroll taxes, and employee benefits are allocated based on actual percentages of time spent in each functional area. Other expenses are allocated based upon direct or estimated use.

Expenses by program are as follows:

<i>June 30,</i>	2022	2021
Career Services	\$ 656,659	\$ 1,038,637
Entrepreneurship	645,298	786,157
Veterans Florida Agriculture Program	287,333	136,037
Marketing	120,850	111,983
General program expenses	7,271	84,470
Total program expenses	\$ 1,717,411	\$ 2,157,284

Income Taxes

Under section 501(c)(3) of the Internal Revenue Code, the Organization is exempt from taxes on income other than unrelated business income. The Organization had no activities which generated revenue determined to be unrelated business income for the years ended June 30, 2022 and 2021.

No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

Recent Accounting Pronouncements

Accounting Standards Update 2016-02

In February 2016, the FASB issued ASU 2016-02, *Leases* (Topic 842). The guidance in this ASU and its amendments supersedes the leasing guidance in Topic 840, *Leases*. Under the guidance, lessees are required to recognize lease assets and lease liabilities on the statement of financial position for all leases with terms longer than 12 months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the statement of activities. For nonpublic entities, the standard is effective for fiscal years beginning after December 15, 2021. Early adoption is permitted. The Organization is currently evaluating the impact of the guidance on its financial statements.

Note 3: LIQUIDITY AND FINANCIAL ASSET AVAILABILITY

The following reflects the Organization's financial assets as of the statement of financial position date, reduced by amounts not available for general use within one year of the statement of financial position date because of contractual or donor-imposed restrictions.

Note 3: LIQUIDITY AND FINANCIAL ASSET AVAILABILITY (Continued)

The Organization is principally supported by governmental funding and grants. In the event of an unanticipated liquidity need, the Organization could draw from its unspent funds related to net assets with donor restrictions for certain programs, and draw from its unrestricted funds for general operating expenses, pursuant to its fiscal guidelines.

Accounting Policies, Judgments and Sensitive Estimates & CRI Comments on Quality

We are required to communicate our judgments about the quality, not just the acceptability, of the Organization's accounting principles as applied in its financial reporting. We are also required to communicate critical accounting policies and sensitive accounting estimates. The Board may wish to monitor throughout the year the process used to compute and record these accounting estimates. The table below summarizes our communications regarding these matters.

AREA	ACCOUNTING POLICY	CRITICAL POLICY?	JUDGMENTS & SENSITIVE ESTIMATES	COMMENTS ON QUALITY OF ACCOUNTING POLICY & APPLICATION
Expenses	The Organization allocates expenses between program and supporting services as required by the AICPA Audit and Accounting Guide for Not-for-Profit Entities.	Yes	The Organization expenses items based on their functional classification. Directly identifiable expenses are charged to programs and supporting services. Expenses related to payroll, payroll taxes, and employee benefits are allocated based on actual percentages of time spent in each functional area. Other expenses are allocated based upon direct or estimated use.	The Organization's policy appears to be in accordance with applicable accounting guidelines.
Allowance for doubtful accounts	The Organization estimates an allowance for doubtful accounts.	Yes	The Organization estimates the allowance for doubtful accounts based on experience and economic conditions.	The Organization's policy appears to be in accordance with applicable accounting guidelines.

Summary of Audit Adjustments

During the course of our audit, we accumulate differences between amounts recorded by the Organization and amounts that we believe are required to be recorded under GAAP. Those adjustments are either recorded (corrected) by the Organization or passed (uncorrected).

No misstatements were identified during the audit.

QUALITATIVE MATERIALITY CONSIDERATIONS

In evaluating the materiality of audit differences when they do arise, we consider both quantitative and qualitative factors, for example:

- Whether the difference arises from an item capable of precise measurement or whether it arises from an estimate, and, if so, the degree of imprecision inherent in the estimate.
- Whether the difference masks a change in earnings or other trends.
- Whether the difference changes a net decrease in assets to addition, or vice versa.
- Whether the difference concerns an area of the Organization's operating environment that has been identified as playing a significant role in the Organization's operations or viability.
- Whether the difference affects compliance with regulatory requirements.
- Whether the difference has the effect of increasing management's compensation – for example, by satisfying requirements for the award of bonuses or other forms of incentive compensation.
- Whether the difference involves concealment of an unlawful transaction.

**INTERNAL CONTROL
RECOMMENDATIONS**

Board of Directors and Management
Florida is for Veterans, Inc.

In planning and performing our audit of the financial statements of Florida is for Veterans, Inc. (the Organization) as of and for the year ended June 30, 2022, in accordance with auditing standards generally accepted in the United States of America, we considered Florida is for Veterans, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This communication is intended solely for the information and use of management, the Board of Directors, and others within the Organization, and is not intended to be, and should not be, used by anyone other than these specified parties.
