INDEPENDENT AUDITOR'S REPORT

The Board of Directors
Metropolitan Ministries, Inc. and Affiliates

Opinion

We have audited the accompanying consolidated financial statements of Metropolitan Ministries, Inc. and Affiliates (a nonprofit organization) (collectively, the Ministries), which comprise the consolidated statement of financial position as of June 30, 2025, and the related consolidated statements of activities and changes in net assets, cash flows, and functional expenses for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of the Ministries as of June 30, 2025, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Ministries and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Ministries' ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor’s Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Ministries’ internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Ministries’ ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

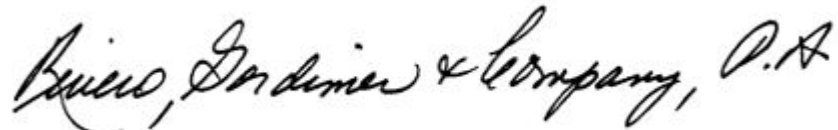

We have previously audited the Ministries’ 2024 financial statements, and our report dated November 21, 2024 expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2024, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying consolidating statement of financial position and consolidating statement of activities and changes in net assets are presented for additional analysis and are not a required part of the consolidated financial statements. The schedule of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards; and Chapter 10.650, *Rules of the Auditor General* is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 20, 2025 except for the Schedule of Expenditures of Federal Awards (SEFA), as to which the date is December 8, 2025, on our consideration of the Ministries' internal control over financial reporting and on our test of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Ministries' internal control over financial reporting and compliance.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2025

NOTE A - DESCRIPTION OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A description of the organization and a summary of the significant accounting policies consistently applied in the preparation of the accompanying consolidated financial statements follow:

1. Description of the Organization

Metropolitan Ministries, Inc. is a community-supported, nonprofit organization founded in 1972 whose mission is to care for the homeless and those at risk of becoming homeless in the community, through services that alleviate suffering, promote dignity, and instill self-sufficiency as an expression of the ongoing ministry of Jesus Christ.

Metropolitan Ministries is a faith based social services organization caring for all those who come in need of assistance. Metropolitan Ministries provides answers for poor and homeless families, faithfully. This has been the cornerstone of the Ministries' approach since its founding. Over the past 53 years, as the number of homeless families and hungry people has increased, the Ministries has remained committed to reaching out and providing services that help prevent homelessness, ease hunger and offer homeless people life-changing solutions leading to self-sufficiency.

The Ministries offers three distinct programs:

- Outreach and Prevention Services – The focus of this program is reaching out to hungry people and preventing homelessness as follows:
 - *Street Outreach*: Metropolitan Ministries' street outreach team, the BrigAIDe, focuses on engaging adult homeless individuals to provide wrap around services resulting in a transition to shelter or housing. Services were provided to 2407 households in Hillsborough, Pasco, and Pinellas County in the year that ended June 30, 2025.
 - *Hunger Relief* – Metropolitan Ministries meets the needs of hunger in our community through prepared meals served at community partner locations, meals for residents, food boxes distributed through community partners, food pantry items distributed through the Metro Market and Holiday Tent. Metropolitan Ministries provided food equivalent to 2,630,694 meals to the Tampa Bay Community in the year ended June 30, 2025.

- *Homeless Prevention Programs:* The Family Support Centers operate and strive to provide resources to prevent homelessness or alleviate suffering throughout Tampa Bay. The Family Support Centers are located in downtown Tampa, central Tampa, and East and West Pasco County. Services include providing emergency food, clothing, rent and utility assistance, connection to community resources, and system navigation services. 3,118 families were provided with rent or utility assistance to prevent homelessness in the year ended June 30, 2025.

Outreach and prevention services program expenses totaled approximately \$25,564,000 for the year ended June 30, 2025.

- Residential and Offsite Programs – Uplift Hall, Hope Hall and offsite apartments and programs are aimed at dealing with the issues of poverty and homelessness by focusing on the needs of each individual situation, as follows:
 - *Miracle Place Residential Programs:* Metropolitan Ministries provides emergency housing and support services for families and single women. Typically, households stay between 3 to 6 months. Throughout their stay, residents receive case management and support services designed to address barriers to housing stability. The Tampa campus resided 79 households and the Pasco campus resided 48 households daily. Two (2) households also resided in an offsite apartment in Hillsborough County while participating in the emergency shelter program. Families have the option to continue staying on campus after completing the emergency housing program in a “Kitchenette” unit. Families renting kitchenette units can access the same support services while paying a low rental fee, which helps families rebuild credit, complete education plans, practice putting income toward rent, and build savings. Families utilized 22 rooms daily as “Kitchenette” units (20 in Tampa, 2 in Pasco). During the year ended June 30, 2025, 394 households were served. In fiscal year 2026, Metropolitan Ministries will be expanding their Residential Program into Pinellas and expect to serve 68 families in 39 units (29 emergency shelters and 10 kitchenettes).
 - *Uplift Hall* – provides transitional housing and life skills programs for families and single women who need more intensive long-term services.
 - *Hope Hall* – provides emergency short-term housing and life skills programs to families and single women who face homelessness due to unemployment and need help to get back on their feet.

- *Health and Wellness* – The Ministries provides nutritious healthy well-balanced meals and snacks each day for all residents and Head Start children. The Ministries also provides health and wellness resources and increased access to medical care to resident homeless families and single women. The program utilizes a comprehensive health assessment to determine residents' health and wellness needs. The gym is utilized to provide physical fitness activities for all ages. Access to medical care is provided on site through partnerships with a medical provider and mobile clinic services.

- *Community-Based Case Management Programs*: Metropolitan Ministries provides community-based case management programs to families who are homeless or at-risk of homelessness. The following Community-Based Case Management Programs are conducted in Hillsborough County: First Hug, Rapid Rehousing, Up and Out, and Pathways to Hope. NeighborHope operates in Hillsborough, Pinellas, and Pasco Counties. These mobile programs provide wrap-around support services to households in their homes or at a location convenient for them, helping families experiencing homelessness stabilize, work towards self-sufficiency, address children's needs, and promote overall family well-being. When funds are available, families may also receive homeless prevention services including rental assistance to participating households. During the year ended June 30, 2025, 1653 families were served.

Residential and offsite program expenses totaled approximately \$15,121,000 for the year ended June 30, 2025.

▪ Childhood and Adult Education

- *Adult Support Services*: Metropolitan Ministries provides wrap around services for adults participating in residential or community-based case management programs, including Adult Education, Employment, Counseling, Housing Search and Placement, Health and Wellness, and Spiritual Care. Support services leverage community partnerships and resources when available. These services are designed to be flexible and are utilized to help support each family's unique journey to self-sufficiency.

NOTE A - DESCRIPTION OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

The Ministries' operating funds are generated primarily from private contributions. The Ministries also receives government grants, which comprise approximately 13% of total public support and revenue. The Ministries also operates a thrift store and catering service to help fund its operations and comprise approximately 1% of total public support and revenue. The Inside-The-Box and DoughNation Catering offer catering services and desserts to the public and is staffed primarily by former residents who have successfully completed the Ministries' Inside-The-Box Culinary Arts Program.

The ability of the Ministries to continue to provide services is dependent on the availability of funding and community support. The Ministries works to generate community funding for the Ministries' programs. This funding support consists primarily of cash and stock donations, and non-cash gifts such as food, clothing, and services.

The Children's Recreation Educational Arts Therapeutic Experience provides out of school time services with therapeutic and behavior support to children living in Miracle Place or attending Patricia Sullivan Elementary and Mango Elementary. Additionally, children receive academic assistance and participate in STEAM activities. Parents also participate in parenting workshops and family engagement activities. Programming is delivered separately for elementary and teens.

In fiscal year 2022, Metropolitan Ministries solicited and received funding to expand the Pasco campus. An architect and engineering firm was engaged for planning purposes. The expansion included 24 additional residential units, an early childcare facility, and an Outreach/Welcome Center. The Outreach/Welcome Center opened in June 2024, the residential units opened in August 2024, and the early childcare facility is scheduled to open in August 2025.

Accordingly, net assets and changes therein are classified as follows:

- With Donor Restrictions - Net assets with donor restrictions are net assets subject to donor-imposed stipulations that may be fulfilled by actions of the Ministries to meet the stipulations, that may become undesignated by the passage of time, or that require net assets to be permanently maintained, thereby restricting the use of principal.

These net assets are available for use at the discretion of the Board of Directors and/or management for general operating purposes.

NOTE A - DESCRIPTION OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

All donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or the purpose of the restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Contributions, including unconditional promises to give (pledges), are recognized as revenues in the period received. Conditional promises to give are not recognized until they become unconditional, that is when the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at their estimated fair value. An allowance for uncollectible pledges is provided based upon management's judgment, including such factors as prior collection history, type of contribution and nature of the fundraising activity.

6. Cash and Cash Equivalents

For purposes of consolidated statements of cash flows, the Ministries' considers all highly liquid investments, such as money market accounts to be cash equivalents. Cash held in investment accounts that is not intended for operating purposes is included in investments. Cash for long-term purposes consists of cash designated for the payment of interest on notes payables is classified as noncurrent asset.

7. Investments

Investments are stated at fair value based upon quoted market prices with dividends, interest, investment fees, realized and unrealized gains and losses captioned as investment return, net on the statement of activities and changes in net assets. Management determines the appropriate classification of investments as short or long term in accordance with asset allocations and investment policies.

8. Pledges Receivable

The fair value of the pledge receivable is estimated by discounting expected net future cash flows. The Ministries recorded a provision for uncollectible amounts of approximately \$159,000 at June 30, 2025 in the accompanying consolidated financial statements.

9. Grants and Other Receivables

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. Changes in the valuation allowance have not been material to the consolidated financial statements.

10. Land, Buildings, Equipment and Construction in Process

Depreciation is calculated over the estimated useful lives of the assets on the straight-line basis. Estimated useful lives for the Ministries' buildings and other furniture, equipment and improvements are 30 years and 5 to 10 years, respectively. The Ministries capitalizes asset acquisitions that exceed \$3,500.

11. Income Taxes

A substantial number of volunteers have donated significant amounts of their time in the Ministries' program services that are not reflected in the accompanying consolidated financial statements. Support services such as human resources, accounting, and information technology are allocated on a per head count basis.

14. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amount of revenues and expenses during the reporting period. Actual results could differ from these estimates.

15. Advertising Costs

The Ministries' policy is to expense advertising and marketing costs as incurred. Marketing costs were approximately \$192,000 for the year ended June 30, 2025.

16. Comparative Financial Information

The consolidated financial statements include certain prior year summarized comparative information in total but not by net asset class. NOTE D - FAIR VALUE MEASUREMENTS

The Ministries reports certain assets and liabilities at fair value in the financial statements. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal, or most advantageous, market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique. Inputs used to determine fair value refer broadly to the assumptions that market participants will be used in pricing the asset or liability, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumption market participants would use in price in the asset or liability based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entities own assumptions about the assumptions market participants would use in price in the asset or liability is based on the best information available.

A three-tier hierarchy categorizes the inputs as following:

Level 1 – Quoted market prices in active markets for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2 – Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3 – Significant unobservable inputs that reflect a reporting entity’s own assumptions about the assumptions that market participants would use in pricing an asset or liability.

A significant portion of the Ministries’ investment assets are classified within level one because they comprise mutual funds with readily determinable fair values based on daily redemption values. The fair value of beneficial interest in assets held by the Community Foundation is based on the fair value of assets. These are considered to be level three measurements.

The following table presents financial assets measured at fair value on a recurring basis as of June 30, 2025:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>

The Ministries is subject to audit examination by funding sources to determine compliance with grant conditions. In the event that expenditures would be disallowed, repayment could be required. Management believes they are in compliance with the grant conditions imposed by their various funding sources.

Line of Credit

The line of credit is secured by personal property of the Ministries and is due March 2026. There were no borrowings outstanding on this line of credit as of June 30, 2025.

NOTE J - ENDOWMENT

The Ministries' endowment is comprised of donor-restricted funds designated to function as endowments. Net assets associated with endowment funds are classified and reported based on existence or absence of donor-imposed restrictions.

The Ministries established a designated fund with a local community foundation for the purpose of providing support for the Ministries' mission. This fund is reported as Beneficial Interest in Assets Held by others in the accompanying consolidated statement of financial position.

Metropolitan Ministries, Inc. and Affiliates

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

June 30, 2025

NOTE J - ENDOWMENT - Continued

The Florida Uniform Prudent Management of Institutional Funds Act requires the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulation to the contrary.

The Ministries classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The Ministries considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: the duration and preservation of the fund, the purposes of the Ministries and the donor-restricted endowment fund, general economic conditions, the possible effect of inflation and deflation, the expected total return from income and appreciation of investments, other resources of the Ministries, and the investment policies of the Ministries.

The Ministries is developing an investment and spending policy for endowment assets that attempts to preserve the real (inflation adjusted) value of endowment assets, increase the real value of the portfolio, and facilitate a potential distribution to support some level of future operations. Endowment assets include those assets of donor-restricted funds that the Ministries must hold in perpetuity or for a donor-specified period(s).

The terms of the operating policies of the endowment funds (the Fund) will require that the Fund will be managed by the Investment Committee and approved by the board of directors. The Investment Committee will be responsible to oversee the portfolio's investments and monitor the investments on an ongoing basis to ensure that long-term objectives are being met.

The Investment Committee will set a target asset allocation for the portfolio's assets and seek advice from professional investment managers which hold the assets. The Fund will invest funds in accordance with the standards set forth in the Ministries' investment policy.

The Ministries' board of directors, on the recommendation of the Investment Committee, will adopt a spending policy that governs the annual distributions from the endowment fund that may be expended for current operations of the Ministries. This policy will authorize the Ministries to distribute from its endowment fund a specified percentage, to be determined by the board of directors from time to time, of the current market at budget time or fiscal year-end of the endowment fund. The policy will allow the board to base the distribution formula on the average market value over a period of several years as it chooses to do so. The Ministries' board of directors had no distributed endowment funds for the fiscal year ended June 30, 2025.

Distributions cannot exceed the accumulated unspent earnings of the endowment without the board's approval. Income earned in excess of the spending rate may be reinvested in endowment principal. This is consistent with the Ministries' objective to maintain the purchasing power of endowment assets as well as to provide additional real growth through investment return.

NOTE N - NEW MARKETS TAX CREDIT TRANSACTIONS - Continued

Below summarizes the debt and note receivable transactions:

The Florida Community Loan fund made a qualified equity investment in Florida Community New Markets Fund 38, LLC (Fund 38). Fund 38 made two QLICI loans totaling \$12,610,000 to MPI in amounts of \$9,291,100 and \$3,318,900.

The Chase New Markets Corporation fund made a qualified equity investment in CNMC Sub-CDE 221 (CDE 221). CDE 221 made two QLICI loans totaling \$2,250,000 to MPI in amounts of \$1,574,325 and \$675,675.

MMI issued loans to the Chase NMTC Met Min 3 investment fund for \$15,228,625.

In connection with making the loans to the Chase NMTC Met Min 3 Investment fund, the Ministries entered into put options with Chase Community Equity, LLC, (the Investor). The agreements allow the Investors to put their interest in the Chase funds to the Ministries at any time during the four to six months following the seventh anniversary of the effective date. The purchase price of the interests is \$1,000. Also, the Ministries entered into call options that, if the Chase investment funds do not exercise their put options, the Ministries may call the Investors' interests, 90 days following the seven-year anniversary of the QEI. The purchase price of the call options is the fair market value of the Investors' interests at the time of the call. The purchase price of the funds' interests is the greater of the fair market value of the CDEs' interest or the aggregate, amount of principal and interest owed by the funds on the leverage loan as of the call options closing date. No amounts have been recorded on the accompanying consolidated financial statements related to the put and call options. INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors
Metropolitan Ministries, Inc. and Affiliates

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Metropolitan Ministries, Inc. and Affiliates (a nonprofit organization) (collectively the Ministries), which comprise the consolidated statement of financial position as of June 30, 2025, and the related consolidated statements of activities and changes in net assets, cash flows and functional expenses for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated November 20, 2025, except for the Schedule of Expenditures of Federal Awards (SEFA), as to which the date is December 8, 2025.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Ministries' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Ministries' internal control. Accordingly, we do not express an opinion on the effectiveness of the Ministries' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Ministries' consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Ministries' internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Ministries' internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND STATE PROJECT AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND CHAPTER 10.650, RULES OF THE AUDITOR GENERAL

Board of Directors
Metropolitan Ministries, Inc. and Affiliates

Report on Compliance for Each Major Federal Program and State Project

Opinion on Each Major Federal Program and State Project

We have audited Metropolitan Ministries, Inc. and Affiliates' (the Ministries) compliance with the types of compliance requirements described in the OMB Compliance Supplement and the requirements described in the Department of Financial Services' *State Projects Compliance Supplement*, that could have a direct and material effect on each of its major federal programs and state projects for the year ended June 30, 2025. The Ministries' major federal programs and state projects are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Ministries complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended June 30, 2025.

Basis for Opinion on Each Major Federal Program and State Project

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Ministries and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program and state project. Our audit does not provide a legal determination of the Ministries' compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Ministries' federal programs and state projects.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Ministries' compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Ministries' compliance with the requirements of each major federal program and state project as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.650, Rules of the Auditor General we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Ministries' compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Ministries' internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, and Chapter 10.650, Rules of the Auditor General but not for the purpose of expressing an opinion on the effectiveness of the Ministries' internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
