

**INSTRUCTIONS FOR SUBMITTAL OF FINANCIAL AUDIT REPORT  
TO THE AUDITOR GENERAL  
PURSUANT TO AUDITOR GENERAL RULE 10.740**

Each entity required to submit a financial audit report to us should submit it electronically. The audit report should be e-mailed to [flaudgen\\_dsb\\_charter@aud.state.fl.us](mailto:flaudgen_dsb_charter@aud.state.fl.us). Proper submittal will ensure its timely receipt.

The electronic copy of the audit report should:

- Be in a portable document format (PDF) in which the original document is converted to a PDF document (as opposed to scanned into PDF format). The entity will need to convert the original files to the PDF format or have another party convert the files. If the electronic copy is not submitted as a converted PDF document, the entity will be contacted and requested to provide us the report in the proper format.
- Include the appropriate letterhead and signatures in the report. If the entity does not use electronic signatures or letterhead, it may scan these pages and insert the scanned version into the electronic copy of the report.
- Be a single document; however, if the size capacity of a single document exceeds our 35 megabytes e-mail size capacity, we can arrange to receive the document via file transfer protocol (FTP). For FTP submittal, contact Rick Voss by e-mail at [rickvoss@aud.state.fl.us](mailto:rickvoss@aud.state.fl.us) or by telephone at (850) 412-2892. Alternatively, the document can be saved to a universal serial bus (USB) flash drive and mailed to us with the paper copy. **We are no longer accepting compact discs (CDs).** Please note that the required submittal checklist should be provided as a separate document.
- Not have security settings applied to it. If they are, the entity will be requested to provide us a password allowing us to unsecure the document for our internal use. Electronically submitted documents will be secured using Adobe software prior to being placed on our Web site.
- Be named using **all lower case letters** as follows: [fiscal year] [name of entity].pdf. For example, the converted document for the 2018-19 fiscal year for “Example Nonprofit, Inc.” entity should be named **2019 example nonprofit.pdf**. Do not include the “, Inc.” in the file name.

Questions regarding electronic submission of the audit report, or its security on our Web site, should be directed to Rick Voss by e-mail at [rickvoss@aud.state.fl.us](mailto:rickvoss@aud.state.fl.us) or by telephone at (850) 412-2892.
