INDEPENDENT AUDITOR'S REPORT

To the Honorable City Commissioners
City of Cedar Key
Cedar Key, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities and the major fund of the Cedar Key Community Redevelopment Agency (the CKCRA), a component unit of the City of Cedar Key, Florida (the City), as of and for the year ended September 30, 2020, and the related notes to the financial statements, which collectively comprise the CKCRA's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the CKCRA's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

INDEPENDENT AUDITOR'S REPORT

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and the major fund of the CKCRA, as of September 30, 2020, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

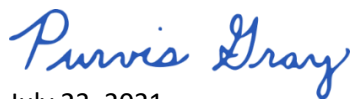

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the budgetary comparison information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated July 23, 2021, on our consideration of the CKCRA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the CKCRA's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the CKCRA's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

The Cedar Key Community Redevelopment Agency (the CKCRA) management's discussion and analysis (MD&A) is designed to: (a) assist the reader in focusing on significant financial issues; (b) provide an overview of the CKCRA's financial activity; (c) identify changes in the CKCRA's financial position (its ability to address the next and subsequent year challenges); (d) identify any material deviations from the financial plan (the approved budget); and (e) identify individual fund issues or concerns.

Since the MD&A is designed to focus on the current year's activities, resulting changes and currently known facts, it should be read in conjunction with the CKCRA's financial statements which follow this section.

FINANCIAL HIGHLIGHTS

Financial Highlights

- The CKCRA's liabilities exceeded its assets by \$4,511,149 at the close of fiscal year 2020 (deficit net position). The CKCRA's deficit net position improved by \$531,954 during fiscal year 2020.
- The CKCRA's general revenues for 2020 increased by \$56,716 or 8.7% when compared to fiscal year 2019. CKCRA's expenditures increased by \$26,092 or 17.7% during this same period.
- Non-Current liabilities as of September 30, 2020, are reported at \$3,570,000 and total liabilities are reported at \$4,511,150. This was an improvement of \$531,954 during the current fiscal year.

CKCRA Highlights

Revenue Note: Through the CKCRA, a \$9,200,000 revenue note was issued through SunTrust Bank in fiscal year 2008 for projects approved in the CKCRA Plan.

The CKCRA's only expenditures during the 2019-2020 fiscal year were payments of interest and principal of the above referenced revenue note.

Overview of the Financial Statements

This annual report consists of four components: 1) management's discussion and analysis (this section), 2) government-wide and fund financial statements, 3) notes to the financial statements, and 4) required supplementary information.

Government-Wide Financial Statements

The Government-wide financial statements provide readers with a broad overview of the CKCRA's finances in a manner similar to a private-sector business.

The Statement of Net Position presents information on all the CRA's assets and liabilities, with the difference between the two reported as net position. This statement serves a purpose similar to that of the balance sheet of a private-sector business. Over time, increases and decreases in net position may serve as one indicator of whether the financial position of the CKCRA is improving or deteriorating.

MANAGEMENT'S DISCUSSION AND ANALYSIS

The Statement of Activities presents information showing how the government's net position changed during the fiscal year. All changes in net position are reported using the modified cash basis of accounting.

Notes to the Financial Statements

The notes to the financial statements provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

Governmental activities improved the CKCRA's deficit net position by \$531,954.

GOVERNMENTAL FUNDS

Revenues

The millage rate was decreased to 4.9585 mills for fiscal year 2020 and property values reflected a strong increase. The CKCRA property tax revenues increased by \$52,938 during fiscal year 2020. The Transfer from Other Governments increased \$3,778.

Expenditures

CKCRA expenditures increased by \$56,716 or 8.7%.

As of year-end, the Governmental Funds (as presented on the balance sheet) reported a \$0 fund balance, no change from prior year.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets

There were no capital asset acquisitions in the current fiscal year.

MANAGEMENT'S DISCUSSION AND ANALYSIS

Debt Outstanding

There was outstanding debt in the amount of \$4,337,738 for the Redevelopment Revenue Note as of September 30, 2020.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET

There are many challenges facing local governments today. Property values have continued to increase in recent years, contributing to related growth in the revenues of the CKCRA. While property values for the 2020-2021 fiscal year have increased, the future outlook of property values during and after the COVID-19 pandemic, and any potential impact they will have on the CKCRA's finances, are unknown.

FINANCIAL CONTACT

The CKCRA's financial statements are designed to present users (citizens, taxpayers, customers, and creditors) with a general overview of the CKCRA's finances and to demonstrate the CKCRA's accountability. If you have any questions about the report or need additional information, contact City Hall, City of Cedar Key, P.O. Box 339, Cedar Key, Florida 32625, telephone: (352) 543-5132.

CEDAR KEY COMMUNITY REDEVELOPMENT AGENCY
(A COMPONENT UNIT OF THE CITY OF CEDAR KEY, FLORIDA)

Note 1 - Summary of Significant Accounting Policies

Financial Reporting Entity

In December 1999, the Cedar Key Community Redevelopment Agency (the CKCRA) was established by the City of Cedar Key, Florida (the City), by Resolution No. 194 as a public body organized pursuant to Part III of Chapter 163 of the Florida Statutes. The CKCRA's stated purpose is to promote redevelopment that is consistent with and implements a shared vision for the City of Cedar Key. The governing body of the CKCRA is the City Commission of the City.

A redevelopment trust fund was established in December 1999 with the original redevelopment plan. The redevelopment plan was amended in 2000 and 2004 to incorporate changes of the vision of the City.

The following is a summary of the significant accounting policies applicable to the CKCRA:

The accounting policies of the CKCRA conform to accounting principles generally accepted in the United States of America (GAAP) applicable to governmental units. The Governmental Accounting Standards Board (GASB) is the standard setting body for governmental accounting and financial reporting.

Government-Wide and Fund Financial Statements

The government-wide financial statements report information on all of the governmental activities of the CKCRA. The government-wide focus is more on the sustainability of the CKCRA as an entity and the change in aggregate financial position resulting from the activities of the fiscal period. The fund financial statements focus on short-term results of operations and financing decisions at a specific fund level. Governmental activities are normally supported by taxes and intergovernmental revenues.

The statement of activities demonstrates the degree to which the direct expenses of a given functional category are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific functional category. Program revenues include operating and capital grants and contributions. In 2020, the CKCRA did not have any program revenues. Taxes and other items not included as program revenues are reported as general revenues.

Measurement Focus, Basis of Accounting and Financial Statement Presentation

The basic financial statements consist of the government-wide financial statements and fund financial statements. The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Tax increment financing from property taxes are recognized as revenue in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020
CEDAR KEY COMMUNITY REDEVELOPMENT AGENCY
(A COMPONENT UNIT OF THE CITY OF CEDAR KEY, FLORIDA)

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Only current assets and deferred outflows of resources and current liabilities and deferred inflows of resources are generally included on their balance sheet. Since the governmental fund statements are presented on a different measurement focus and basis of accounting than the government-wide governmental activities column, a reconciliation is sometimes necessary to explain the adjustments needed to reconcile the fund based financial statements to the governmental activities column of the government-wide presentation.

Their operating statements present sources (revenue and financing sources) and uses (expenditures and other financing uses) of available spendable resources during the period. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the CKCRA considers revenues to be available if they are collected within 60 days of the end of the fiscal year. Expenditures generally are recorded when a liability is incurred, as under accrual accounting, except for debt service expenditures, which are recognized when due.

Tax increment financing revenue and interest associated with the current fiscal period, are both considered to be measurable and have been recognized as revenues of the current fiscal year, if available.

Per Florida Statutes, Section 163.387, resources deposited into a redevelopment trust fund are restricted for community redevelopment activities pursuant to the approved redevelopment plan.

The CKCRA reports the general fund as a major governmental fund. The CKCRA Fund is used to account for all financial resources received by the CKCRA. The CKCRA Fund serves as the primary operating fund of the CKCRA. The CKCRA does not have any non-major funds.

Assets, Liabilities and Net Position

Nature and Purpose of Fund Balance: Per Florida Statutes, Section 163.387, unspent tax increment financing revenues are restricted for future redevelopment projects pursuant to the approved community redevelopment plan and are reported as restricted fund balance in the financial statements. There are no other classifications of fund balance.

Compensation Costs: The CKCRA has no employees of its own.

Net Position: The government-wide statements utilized a net position presentation. Net investment in capital assets is that portion of net position that relates to the CKCRA's capital assets reduced by accumulated depreciation. Restricted net position is unspent tax increment financing revenues that are restricted for future redevelopment projects.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020
CEDAR KEY COMMUNITY REDEVELOPMENT AGENCY
(A COMPONENT UNIT OF THE CITY OF CEDAR KEY, FLORIDA)

Use of Estimates: The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Risk Management: The CKCRA is adequately insured for general liability and directors and officers insurance through the purchase of a commercial insurance policy. The amount of settlements has not exceeded insurance coverage in any of the past three years.

Note 2 - Deposits and Investments

At year-end, the CKCRA's cash balance was \$1. The CKCRA's bank deposits are held in qualified depositories pursuant to Chapter 280, Florida Statutes, *Florida Security for Public Deposits Act*. Under the Act, all qualified public depositories are required to pledge eligible collateral having a market value equal to or greater than the average daily or monthly balance of all public deposits times the depository's collateral pledging level. The collateral pledging level may range from 25% to 200% depending upon the depository's financial condition and the length of time that the depository has been established. All collateral must be deposited with an approved financial institution. The Public Depository Security Trust Funds have a procedure to allocate and recover losses in the event of default or insolvency. The CKCRA's bank balances were insured either by the federal depository insurance corporation or collateralized in the bank's participation in the *Florida Security for Public Deposits Act*.

Authorized Investments

The CKCRA does not have a separate or written deposit and investment policy and it follows the state's guidance set forth in Section 219.075, Florida Statutes, regarding deposits and investments of surplus funds. That section requires local governments without written investment policies to follow the state policy in Section 218.415(17), Florida Statutes. That section authorizes the following investments:

- The Local Government Surplus Funds Trust Fund or any governmental investment pool authorized pursuant to the *Florida Interlocal Cooperation Act*, as provided in Florida Statute 163.01.
- Securities and Exchange Commission registers money market fund with the highest credit quality rating from a nationally recognized rating agency.
- Interest-bearing time deposits or savings accounts in qualified depositories.
- Direct obligations of the United States Treasury.

The CKCRA does not have policies that address credit risk, custodial credit risk, or interest rate risk. The CKCRA had no investments at year-end or during the year.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020
CEDAR KEY COMMUNITY REDEVELOPMENT AGENCY

Note 3 - Long-Term Debt

The CKCRA authorized the issuance of a \$9,200,000 Redevelopment Revenue Note, Series 2007, dated December 20, 2007. The proceeds from the note were used to pay off existing outstanding loans of approximately \$2,315,420, issuance costs of \$55,000, and the balance of funds will be used for various capital projects and to pay debt service.

Payment of principal and interest at 3.95% is due semiannually on April 15 and October 15, through April 15, 2027.

The CKCRA Redevelopment Revenue Note is secured solely by the Tax Increment Revenues derived from the Redevelopment Area established under Ordinance No. 338 enacted by the City on October 10, 2000, as provided by Section 163.387, Florida Statutes. Neither the City nor the CKCRA shall ever be required to levy ad valorem taxes to pay the principal or interest on the Redevelopment Revenue Note. The holder of the Redevelopment Revenue Note shall not be entitled to payment of the Note from any funds of the CKCRA except from Tax Increment Revenues described above.

Interest expense recorded during 2020 on long-term debt totaled \$173,412, none of which was capitalized. Principal and interest amounts due through maturity on long-term debt are as follows:

<u>Year Ending</u> <u>September 30,</u>	<u>Principal</u> <u>Amount</u>	<u>Interest</u> <u>Amount</u>
2021	\$ 767,738	\$ 330,795
2022	540,000	131,197

Total	<u>\$ 4,337,738</u>	<u>\$ 775,707</u>

Unpaid principal due on the CKCRA Redevelopment Revenue Note at September 30, 2020, was \$247,738. Interest due on the CKCRA Redevelopment Revenue Note at September 30, 2020, was \$173,412. On January 26, 2021, the CKCRA paid this outstanding principal and interest that was due at September 30, 2020.

The following tabulation summarizes the changes in the long-term debt during the year ended September 30, 2020:

	<u>Beginning</u> <u>Balance</u>	<u>Increases</u>	<u>(Decreases)</u>	<u>Ending</u> <u>Balance</u>	<u>Due Within</u> <u>One Year</u>

Events of Default – The following shall constitute an event of default in accordance with the City’s Resolution No. 285 (the Resolution):

- CKCRA’s failure to pay any payment of principal and interest on any Note as the same becomes due and payable;
- Default in the performance or observance of any covenant or agreement contained in the Resolution and failure to cure the same within thirty (30) days;
- Filing of a petition by or against the CKCRA relating to bankruptcy, reorganization, arrangement or readjustment of debt of the CKCRA or for any other relief relating to the CKCRA under the United States Bankruptcy Code, as amended, or any other insolvency act or law now or hereafter existing, or the involuntary appointment of a receiver or trustee for the CKCRA, and the continuance of any such event for 90 days undismissed or undischarged.

Upon the occurrence and during the continuation of any Event of Default, the Owner of the Note may declare the entire debt then remaining unpaid immediately due and payable, and in any such default and acceleration, the CRA shall also be obligated to pay as part of the indebtedness evidenced by the Note, all costs of collection and enforcement hereof, including such reasonable attorney’s fees as may be incurred, including on appeal or incurred in any proceeding under bankruptcy laws as they now or hereafter exist.

Note 4 - Tax Increment Financing Revenue

The CKCRA is primarily funded through tax-increment financing revenue. This revenue is computed by applying the millage rate for Levy County multiplied by the increased value of property in the CKCRA over the base property value minus 5% and applying the millage rate for the City multiplied by 15% of the increased value of property in the CKCRA over the base property value. The City and Levy County are required to fund this amount annually without regard to tax collections or other obligations.

Note 1 - Budgetary Procedures and Budgetary Accounting

The CKCRA adheres to the following procedures in establishing the budgetary data reflected in the accompanying financial statements:

Prior to September 30, the City Commission submits a proposed operating budget for the CKCRA Fund for the fiscal year commencing October 1. The operating budget includes proposed expenditures and the means of financing them.

OTHER REPORTS

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Honorable City Commissioners
City of Cedar Key
Cedar Key, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities and the major fund of the Cedar Key Community Redevelopment Agency (the CKCRA), a component unit of the City of Cedar Key, Florida (the City), as of and for the year ended September 30, 2020, and the related notes to the financial statements, which collectively comprise the CKCRA's basic financial statements, and have issued our report thereon dated July 23, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the CKCRA's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the CKCRA's internal control. Accordingly, we do not express an opinion on the effectiveness of the CKCRA's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the CKCRA's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, non-compliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the CKCRA's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the CKCRA's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE
WITH FLORIDA STATUTE SECTION 218.415 – INVESTMENT OF PUBLIC FUNDS**

To the Honorable City Commissioners
City of Cedar Key
Cedar Key, Florida

We have examined the Cedar Key Community Redevelopment Agency's (the CKCRA) compliance with Section 218.415, Florida Statutes, as of and for the year ended September 30, 2020. CKCRA management is responsible for the CKCRA's compliance with those requirements. Our responsibility is to express an opinion on the CKCRA's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the CKCRA complied, in all material respects, with the requirements referenced above. An examination involves performing procedures to obtain evidence about whether the CKCRA complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material non-compliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination of the CKCRA's compliance with specified requirements.

In our opinion, the CKCRA complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2020.

This report is intended solely for the information and use of the Florida Auditor General, the City Commissioners, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

MANAGEMENT LETTER

To the Honorable City Commissioners
City of Cedar Key
Cedar Key, Florida

Report on the Financial Statements

We have audited the financial statements of the Cedar Key Community Redevelopment Agency (the CKCRA), a component unit of the City of Cedar Key, Florida (the City), as of and for the fiscal year ended September 30, 2020, and have issued our report thereon dated July 23, 2021.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.550, *Rules of the Auditor General*.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*; and Independent Accountant's Reports on an examination conducted in accordance with AICPA *Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports, which are dated July 23, 2021, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding financial audit report. There was no preceding annual financial report.

Official Title and Legal Authority

Section 10.554(1)(i)4., *Rules of the Auditor General*, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. This is disclosed in Note 1 of the financial statements.

MANAGEMENT LETTER

Financial Condition and Management

Sections 10.554(1)(i)5.a. and 10.556(7), *Rules of the Auditor General*, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the CKCRA has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, we determined that the CKCRA did meet one of the conditions described in Section 218.503(1), Florida Statutes:

■ **ML 2020-1 Cedar Key Community Redevelopment Agency (CKCRA)**

The CKCRA owes long-term debt under a Redevelopment Revenue Note, Series 2007 to SunTrust Bank. Because of decreasing property values in the CKCRA district, the annual tax increment revenues generated within the CKCRA district have become insufficient to fully fund the semiannual debt service payments due under the Note. Unpaid principal due on the CKCRA Redevelopment Revenue Note at September 30, 2020, was \$247,738. Interest due on the CKCRA Redevelopment Revenue Note at September 30, 2020, was \$173,412. The CKCRA paid \$421,150 on January 26, 2021, to retire this outstanding principal and interest that was due. During the 2019-2020 fiscal year, the CKCRA budgeted and paid 100% of the tax increment revenues for debt service payments under the Note.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), *Rules of the Auditor General*, we applied financial condition assessment procedures for the CKCRA. It is management's responsibility to monitor the CKCRA's financial condition, and our financial condition assessment was based in part on representations made by management and review of financial information provided by same.

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Special District Component Unit

Section 10.554(1)(i)5.c., *Rules of the Auditor General*, requires, if appropriate, that we communicate the failure of a special district that is a component unit of a county, municipality, or special district, to provide the financial information necessary for proper reporting of the component unit within the audited financial statements of the county, municipality, or special CKCRA in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we did not note any special district component units that failed to provide the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes.

Additional Matters

Section 10.554(1)(i)3., *Rules of the Auditor General*, requires that we communicate non-compliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

July 23, 2021

Gentleman:

Our auditors, Purvis Gray & Company, have prepared our Audit Report for the fiscal year 2019-2020. Our response to their recommendation and concerns are as follows.

Financial Condition:

- ML 2020-1 Cedar Key Community Redevelopment Agency (CKCRA)
The City of Cedar Key CRA Board is aware that current revenues are not sufficient for the CRA to stay current with its bond principal and interest payments. The Board and its attorney continue to keep the note holder (Sun Trust Bank) informed of its efforts. Fortunately, CRA revenues have continued to rise this year as a result of increased property values in the local area. We will continue to work with the noteholder in an effort to resolve the note deficiencies.

Sincerely,

Heath Davis, Mayor
City of Cedar Key, FL
