INDEPENDENT AUDITOR'S REPORT

To the Honorable Mayor and City Commission City of Bradenton Beach Community Redevelopment Agency Bradenton Beach, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities and governmental fund of the City of Bradenton Beach Community Redevelopment Agency (CRA), a component unit of the City of Bradenton Beach, Florida, as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the CRA's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the CRA's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the CRA's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and governmental fund of the City of Bradenton Beach Community Redevelopment Agency, as of September 30, 2021, and the respective changes in financial position, for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on pages 3–7 and 22 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 30, 2022, on our consideration of the CRA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the CRA's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the CRA's internal control over financial reporting and compliance.

CHRISTOPHER, SMITH, LEONARD & STANELL, P.A.

Christopher, Suit, Leonard + Standl, P. A.

MANAGEMENT'S DISCUSSION AND ANALYSIS

As management of the City of Bradenton Beach Community Redevelopment Agency (a component unit of the City of Bradenton Beach, Florida) (the CRA), we offer readers of the CRA's financial statements this narrative overview and analysis of the financial activities of the CRA for the fiscal year ended September 30, 2021. Readers should consider the information presented here in conjunction with the basic financial statements.

Financial Highlights

- The assets of the CRA exceeded its liabilities at the close of the most recent fiscal year by \$3,673,533 (*net position*). Of this amount, \$1,174,723 (restricted net position) is unspent ad valorem taxes and other revenues that must be used on redevelopment projects within the CRA's boundaries.
- The CRA's total net position increased by \$847,354 during the year.
- At the fund level as of the close of the current fiscal year, the CRA's governmental fund reported an ending fund balance of \$1,031,822, a decrease of \$235,784. Of this total amount, \$1,031,374, is restricted yet available for spending on redevelopment projects within the CRA's boundaries (*restricted fund balance*). Nonspendable fund balance is \$448.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to CRA's basic financial statements. The CRA's basic financial statements comprise three components: 1) government—wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains required supplementary information in addition to the basic financial statements themselves.

Government-wide financial statements. The *government-wide financial statements* are designed to provide readers with a broad overview of the CRA's finances, in a manner similar to a private-sector business.

The *statement of net position* presents information on all of the CRA's assets and deferred outflows of resources and liabilities and deferred inflows of resources, with the difference between them reported as *net position*. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the CRA is improving or deteriorating.

The *statement of activities* presents information showing how the CRA's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected revenues).

Both of the government-wide financial statements distinguish functions of the CRA that are principally supported by Ad Valorem taxes, and intergovernmental revenues (*governmental activities*) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (*business-type activities*). The CRA is engaged in only governmental activities.

The government-wide financial statements can be found on pages 8 and 9 of this report.

Fund financial statements. A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The CRA, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The CRA utilizes governmental funds.

Governmental funds. Governmental funds focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. These funds are reported using the modified accrual method of accounting and the current financial resources focus. As a result, long-term assets and liabilities are not included.

A reconciliation to facilitate the comparison between the governmental fund financial statements and the government-wide financial statements is presented on pages 11 and 13.

The CRA only utilizes one governmental fund. All general tax revenues are accounted for in this fund and all general operating expenditures and capital expenditures are paid from this fund.

The CRA adopts an annual budget for its governmental fund. A budgetary comparison statement has been provided for this fund to demonstrate compliance with these budgets. The budgetary comparison statement is included as required supplementary information as listed in the table of contents.

The basic governmental fund financial statements can be found on pages 10 to 13 of this report.

Notes to the financial statements. The notes provide additional information that is essential to a full understanding of the amounts provided in the government-wide and fund financial statements. The notes to the financial statements can be found beginning on page 14.

Government-Wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the CRA, assets exceeded liabilities by \$3,673,533 at the close of the most recent fiscal year.

Approximately 68% of the CRA's total net position, \$2,498,810, reflects its net investment in capital assets (e.g., land, buildings, machinery, and equipment). The CRA uses these capital assets to provide services to citizens within the boundaries of the CRA; consequently, these assets are *not* available for future spending. The CRA also had significant assets in cash and investments at September 30, 2021. Investments are held in the State Local Government Surplus Trust Fund as allowed by Florida Statutes.

A condensed statement of net position as of September 30, 2021 with comparative balances as of September 30, 2020 follows:

Net Position

	Governmental Activities		
	2021	2020	
Current and other assets	\$ 1,357,718	\$ 1,408,934	
Capital assets (net of depreciation)	<u>2,498,810</u>	1,530,456	
Total assets	3,856,528	2,939,390	
Liabilities	<u> 182,995</u>	113,211	
Total liabilities	182,995	113,211	
Net Position:			
Net Investment in capital assets	2,498,810	1,530,456	
Restricted	1,174,723	1,295,723	
Total Net Position	<u>\$ 3,673,533</u>	<u>\$ 2,826,179</u>	

Approximately 32%, or \$1,174,723, of total net position is restricted for redevelopment.

The CRA's net position increased by \$847,354 during the current fiscal year. The following is a summary of the information presented in the statement of activities for the fiscal year ended September 30, 2021 with comparative totals for the fiscal year ended September 30, 2020:

Changes in Net Position

	Governmental Activities			
	2021	2020		
Revenues:				
Program revenues:				
Charges for services	\$ 24,074	\$ -0-		
Operating grants	-0-	50,000		
Capital grants	761,883	38,117		
	785,957	88,117		
General revenues:				
Taxes	496,212	457,377		
Other	1,708	11,807		
Total revenues	1,283,877	557,301		
Expenses:				
Public safety	58,257	76,634		
Planning	111,491	153,511		
Public works	4,196	490		
Culture and recreation	357,119	111,402		
Total expenses	531,063	342,037		
Transfers from the City of Bradenton Beach, Florida	94,540	89,218		
Change in Net Position	847,354	304,482		
Net Position - Beginning of year	2,829,179	2,521,697		
Net Position - End of year	\$ 3,673,533	<u>\$ 2,829,179</u>		

Revenues (including transfers) during the year ended September 30, 2021 were \$1,283,877 compared to expenses of \$531,063. Revenues increased \$726,576 due to grant revenues for waterfront improvements within the CRA district. Expenses increased by \$189,026 due largely to landscaping improvements and tram services provided on the island.

Financial Analysis of the CRA Governmental Fund

Governmental fund. The focus of the CRA's *governmental fund* is to provide information on near-term inflows, outflows, and balances of *spendable* resources. Such information is useful in assessing the CRA's potential future financing requirements. In particular, *restricted fund balance* may serve as a useful measure of the CRA's net resources available for spending at the end of the fiscal year for redevelopment purposes.

As of the end of the current fiscal year, the CRA's governmental fund reported an ending fund balance of \$1,031,822, a decrease of \$235,784 for the year ended September 30, 2021. Of this total \$1,031,374 is *restricted fund balance*, which is available for spending for redevelopment projects that are part of the CRA's community redevelopment plan. The remaining \$448 of fund balance is non-spendable due to prepaid items.

As a measure of the governmental fund's liquidity, it may be useful to compare the restricted fund balance to total fund expenditures. Restricted fund balances represents approximately 69% of total governmental fund expenditures.

The fund balance of the CRA's governmental fund decreased by \$235,784 during the current fiscal year. Revenues were \$1,169,093, expenditures were \$1,499,417, and other financing sources were \$94,540. The governmental fund revenues increased over the prior year by \$639,909, of which the majority of the increase was due to reimbursement grants for waterfront projects. Other financing sources were consistent with the prior year, increasing by \$5,322. Expenditures increased \$218,005 due in part to capital outlay which increased by \$114,061 from the prior year due to waterfront improvements. The increase was also due to landscaping improvements and tram services provided on the island.

Budgetary Highlights

During the year, the CRA's governmental fund budget was amended. The original and final budgeted revenues were \$1,151,470 and transfers in were \$104,489. Original budgeted expenditures were \$2,535,197 and final budgeted expenditures were \$2,738,197. The \$203,000 increase in budget was made for expected increases in capital outlay. For the current fiscal year, actual revenues were greater than budgeted revenues by \$17,623 and transfers in were less than budget by \$9,949. Actual expenditures were less than budgeted expenditures by \$1,238,780 related to capital outlay projects including the floating dock expansion, sea grass/waterfront, undergrounding and street lights.

The budgetary comparison statement is included as required supplementary information as listed in the table of contents.

Capital Assets

The CRA's investment in capital assets amounts to \$2,498,810 (net of accumulated depreciation). This investment in capital assets includes construction in progress, infrastructure, and machinery and equipment. The CRA's investment in capital assets for the current fiscal year increased by \$968,354. This was comprised of \$1,068,264 of capital additions (largely construction in progress) and \$99,910 of depreciation expense.

The following is a condensed schedule of capital assets as of September 30, 2021 with comparative totals for September 30, 2020:

	<u>Governmental Activities</u>		
	2021	2020	
Construction in progress	\$1,311,376	\$ 326,517	
Infrastructure	1,185,738	1,200,547	
Machinery and equipment	1,696	3,392	
Total	<u>\$ 2,498,810</u>	\$ 1,530,456	

See note 3 of this report for additional information on the CRA's capital assets.

Economic Factors and Next Year's Budgets and Rates

Budgeted revenues in fiscal year 2022 in the CRA fund are \$1,413,402. Budgeted expenditures for the CRA are \$2,455,627.

Requests for Information

This financial report is designed to provide a general overview of the CRA's finances for all those with an interest in the CRA's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Financial Director at City of Bradenton Beach, Florida, 107 Gulf Drive North, Bradenton Beach, Florida 34217.

This is the amount by which capital outlay additions exceeded depreciation expense in the current period.	968,354
Revenues in the statement of activities that do not provide current financial resources as they do not meet the availability criteria and are not reported as revenues in the funds. This amount represents the change in unavailable revenue.	114,784
CHANGE IN NET POSITION OF GOVERNMENTAL ACTIVITIES	\$ 847,354

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. REPORTING ENTITY

On February 5, 1992, the City of Bradenton Beach, Florida established the City of Bradenton Beach Community Redevelopment Agency (CRA), which was comprised of a five member Board of Commissioners. The original CRA was dissolved in July of 1994 and the City of Bradenton Beach Commission was appointed as the board of the replacement CRA. As such, the CRA is considered a blended component unit and special revenue fund of the City of Bradenton Beach, Florida.

The CRA is responsible for carrying out the rehabilitation, conservation and redevelopment of the Community Redevelopment Plan. The CRA is funded by incremental ad valorem tax revenues levied and is economically dependent as such.

The financial statements present the financial position and results of the operations solely of the CRA. In evaluating the CRA as a reporting entity, management has addressed all potential component units for which the CRA may or may not be financially accountable. No component units exist which would require inclusion in the CRA's financial statements.

B. BASIS OF PRESENTATION

<u>BASIS OF ACCOUNTING: BASIC FINANCIAL STATEMENTS - GOVERNMENT-WIDE STATEMENTS</u>

The CRA's basic financial statements include government-wide financial statements. The basic financial statements present only governmental activities, as the CRA conducts no business-type activities. The government-wide financial statements are prepared using the economic resources measurement focus and the accrual basis of accounting. Government-wide financial statements include a Statement of Net Position and a Statement of Activities. The Statement of Net Position reports all financial and capital resources of the CRA's governmental activities. It is presented in a net position format (assets plus deferred outflows less liabilities plus deferred inflows equal net position) and is shown with three components: net investment in capital assets, restricted net position and unrestricted net position. Since all of the net position is restricted for redevelopment within the CRA's boundaries, there is no unrestricted net position in the Statement of Net Position.

The Statement of Activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include 1) charges for services including licenses and permits, fines and other related revenues and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues.

BASIC FINANCIAL STATEMENTS - FUND FINANCIAL STATEMENTS

The CRA's basic financial statements also include fund financial statements. The CRA's accounts are organized on the basis of funds, which are self-balancing set

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

B. BASIS OF PRESENTATION - CONTINUED

<u>BASIC FINANCIAL STATEMENTS - FUND FINANCIAL STATEMENTS - CONTINUED</u> of accounts that comprise its assets, deferred outflows, liabilities, deferred inflows, reserves, fund balance, revenues and expenditures.

The CRA only has one governmental fund which follows the modified accrual basis of accounting. Under this method, revenues are recorded when they become measurable and available.

Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. The CRA considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures are generally recorded when a fund liability is incurred.

Incremental ad valorem taxes and any other property taxes are recognized as revenue in the fiscal year for which the taxes have been levied to the extent they result in current receivables. No material amount of taxes is receivable at the end of the fiscal year.

C. CAPITAL ASSETS

Capital assets, which include infrastructure and equipment are reported in the government-wide financial statements. Capital assets are defined by the CRA as assets with an initial, individual cost of more than \$500 and an estimated useful life of longer than one year. Capital assets are recorded at historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation. The costs of normal repair and maintenance that do not add to the value of the asset or extend the useful life of the asset are expensed as incurred. The CRA has elected to report general infrastructure assets on a prospective basis only.

Capital assets of the CRA are depreciated on a straight-line basis over the following estimated useful lives:

<u>Asset</u>	<u>Years</u>
Improvements and infrastructure	10 - 20
Equipment	3 – 12

D. LONG-TERM OBLIGATIONS

In the government-wide financial statements, long-term obligations are reported as liabilities. In the fund financial statements, no long-term obligations are reported as they are not due to be paid from current financial resources. The CRA does not have any long-term obligations.

E. BUDGETARY INFORMATION

An annual budget for the CRA is adopted on a basis consistent with U.S. generally accepted accounting principles. Expenditures should not exceed total

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

E. <u>BUDGETARY INFORMATION - CONTINUED</u>

appropriations. All annual appropriations lapse at fiscal year end. Budget amendments are approved by the City of Bradenton Commission.

G. CASH AND CASH EQUIVALENTS

All checking, savings, and money market investments are considered to be cash and cash equivalents.

H. DEFERRED OUTFLOWS/INFLOWS OF RESOURCES

In addition to assets, the statement of net position/balance sheet may include a separate section for deferred outflows of resources. This represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. Similarly, in addition to liabilities, the CRA may report a separate section for deferred inflows of resources. This separate financial statement element represents an acquisition of net position or fund balance that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. At September 30, 2021, the CRA had one item that qualified as a deferred inflow on the balance sheet – governmental funds which represented revenue that did not meet the availability criteria under the modified accrual basis of accounting.

I. <u>ESTIMATES</u>

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, deferred outflows, liabilities, deferred inflows, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

J. <u>NET POSITION</u>

Net position is reported in three parts as applicable: net investment in capital assets; restricted and unrestricted. When both restricted and unrestricted resources are available, restricted resources are used first, and then unrestricted resources, as they are needed. The CRA does not have unrestricted net position as of September 30, 2021.

K. REVENUE SOURCES

The CRA's primary source of revenues are tax increment revenues collected by Manatee County, Florida and remitted to the CRA.

L. FUND BALANCE

The CRA fund balance classifications comprise a hierarchy based primarily on the extent to which the CRA is bound to observe constraints imposed upon the use of the resources reported in the governmental fund. Fund balance classifications,

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

L. FUND BALANCE - CONTINUED

are nonspendable and spendable. Spendable is then further classified as restricted, committed, assigned, and unassigned. These classifications reflect not only the nature of fund, but also provide clarity to the level of restriction placed upon fund balance. Fund balance can have different levels of restraint, such as external versus internal compliance requirements.

The CRA classified governmental fund balances as follows:

Nonspendable - includes fund balance amounts that cannot be spent either because it is not in spendable form or because of legal or contractual requirements.

Spendable Fund Balance:

- Restricted includes amounts that can be spent only for specific purposes because of State or Federal laws or enabling legislation, or which are externally restricted by providers, such as creditors or grantors.
- Committed includes amounts that can be spent only for specific purposes that are approved by a formal action of the City of Bradenton Beach's Commissioners through a resolution or the budget process.
- Assigned includes amounts designated for a specific purpose by the City
 of Bradenton Beach's Commissioners through a resolution or the budget
 process, which are neither restricted nor committed.
- Unassigned Unassigned fund balance would include negative balances of the governmental fund if expenditures exceed amounts restricted, committed, or assigned for those specific purposes.

The CRA uses restricted amounts first when both restricted and unrestricted fund balance is available, unless there are legal documents/contracts that prohibit doing this, such as in grant agreements requiring dollar for dollar spending. Additionally, the CRA would first use committed, then assigned, and lastly unassigned amounts of unrestricted fund balance when expenditures are made. The CRA does not have a formal minimum fund balance policy.

As of September 30, 2021, the CRA has \$448 classified as nonspendable related to prepaid items. The remaining fund balance of \$1,031,374 is restricted through enabling legislation to be utilized on redevelopment within the CRA's boundaries.

NOTE 2 - CASH AND INVESTMENTS

The CRA's investment policies are governed by State Statutes in addition to its own investment policies. CRA monies are authorized to be invested in the following:

(a) The Local Government Surplus Funds Trust Fund or any intergovernmental investment pool authorized through the Florida Interlocal Cooperation Act as provided in Section 163.01, Florida Statutes.

NOTE 2 - CASH AND INVESTMENTS - CONTINUED

- (b) Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency.
- (c) Interest bearing time deposits or savings accounts in state-certified Qualified Public Depositories as defined in Section 280.02, Florida Statutes.
- (d) Direct obligations of the U.S. Treasury.
- (e) Obligations of Federal agencies and instrumentalities.
- (f) Securities of, or other interests in, any open-end or closed-end management-type investment company or investment trust registered under the Investment Company Act of 1940, 15 U.S.C. §80a-1 et seq., as amended from time to time, provided that the portfolio of such investment company or investment trust is limited to obligations of the United States Government or any agency or instrumentality thereof and to repurchase agreements fully collateralized by such United States government obligations, and provided that such investment company or investment trust takes delivery of such collateral either directly or through an authorized custodian.

The CRA's bank accounts are with banking institutions that post collateral as required by state statutes (Qualified Public Depositories).

The CRA's investments are with Florida PRIME Fund (Florida PRIME), which is a Local Government Surplus Trust Fund Investment Pool (LGIP) administered by the Florida State Board of Administration (SBA). The CRA's investments in the pool are through shares owned in the fund and not the underlying investments. The Florida PRIME is considered a 2a–7 like pool. The account balance in the Florida PRIME approximates its fair value and is recognized at amortized cost. The Florida PRIME investments are subject to overnight withdrawal. There is a risk of loss of interest on the investments if there are changes in the underlying indexed base.

Credit Quality

Florida PRIME is rated by Standard and Poor's. The rating as of September 30, 2021 is AAAm.

Interest Rate Risk

The CRA's policy is to minimize risk that the market value of securities in the portfolio will fall due to changes in general interest rates. The Florida PRIME has a dollar weighted average days to maturity of 48 days. Next interest rate reset dates for floating rate securities are used in the calculation of the WAM. The weighted average life of Florida PRIME at September 30, 2021 is 64 days.

Foreign Currency Risk

Florida PRIME was not exposed to any foreign currency risk during the period from October 1, 2020 through September 30, 2021.

NOTE 2 - CASH AND INVESTMENTS - CONTINUED

Other GASB No. 79 Disclosures

With regard to redemption gates, Chapter 218.409(8)(a), Florida Statutes, states that "The principal, and any part thereof, of each account constituting the trust fund is subject to payment at any time from the moneys in the trust fund. However, the Executive Director may, in good faith, on the occurrence of an event that has a material impact on liquidity or operations of the trust fund, for 48 hours limit contributions to or withdrawals from the trust fund to ensure that the Board can invest moneys entrusted to it in exercising its fiduciary responsibility. Such action must be immediately disclosed to all participants, the Trustees, the Joint Legislative Auditing Committee and the Investment Advisory Council. The Trustees shall convene an emergency meeting as soon as practicable from the time the Executive Director has instituted such measures and review the necessity of those measures. If the Trustees are unable to convene an emergency meeting before the expiration of the 48-hour moratorium on contributions and withdrawals, the moratorium may be extended by the Executive Director until the Trustees are able to meet to review the necessity for the moratorium. If the Trustees agree with such measures, the Trustees shall vote to continue the measures for up to an additional 15 days.

The Trustees must convene and vote to continue any such measures before the expiration of the time limit set, but in no case may the time limit set by the Trustees exceed 15 days."

With regard to liquidity fees, Florida Statute 218.409(4) provides authority for the SBA to impose penalties for early withdrawal, subject to disclosure in the enrollment materials of the amount and purpose of such fees. From October 1, 2020 through September 30, 2021, no such disclosure has been made. Additionally, as of September 30, 2021, there were no redemption fees or maximum transaction amounts, or any other requirements that serve to limit a participant's daily access to 100 percent of their account value.

At September 30, 2021, the CRA had investments in the LGIP in the amount of \$446,553. For further information regarding the LGIP, readers should refer to the financial statements and disclosures of the Florida State Board of Administration Local Government Surplus Funds Trust Fund Investment Pool.

In addition to the investment in the LGIP, at, September 30, 2021, the CRA's carrying amount of cash and cash equivalents was \$256,669 and the bank balance was \$256,669. Both cash and investments held by the CRA are restricted for redevelopment.

NOTE 3 – CAPITAL ASSETS

Capital asset activity for the year ended September 30, 2021 was:

	Beginning <u>of Year</u>	<u>Increases</u>	<u>Decreases</u>	<u>Transfers</u>	End of <u>Year</u>
Governmental Activities					
Assets not being depreciated:					
Construction in progress	\$ 326,517	\$ 984,859	\$ -0-	\$ -0-	\$ 1,311,376

assets, net	<u>\$ 1,530,456</u>	<u>\$ 968,354</u>	2 -0-	<u>\$ -0-</u>	<u>\$ 2,498,810</u>

Depreciation expense in the governmental activities is included in Culture and Recreation in the amount of \$99,910.

NOTE 4 - RECONCILIATION OF GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS

Explanation of certain differences between the governmental fund statements of revenues, expenditures, and changes in fund balances and the government-wide statement of activities.

The reconciliation between the net changes in fund balances – total governmental funds as reported in the statement of revenues, expenditures and changes in fund balances, and the changes in net position as reported in the statement of activities is included on page 13 of the basic financial statements. One line in that reconciliation explains that "Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense." The detail of the difference is shown below:

Capital additions reported as expenditures in the CRA governmental fund Depreciation expense

\$ 1,068,264 (99,910) **\$ 968,354**

NOTE 5 - RISK MANAGEMENT

The CRA is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. The CRA has obtained commercial insurance from independent third parties to mitigate the costs of these risks; coverage may not extend to all situations. Settled claims from these risks have not exceeded commercial insurance coverage over the past three years.

NOTE 6 - RELATED PARTY TRANSACTIONS

The CRA is a blended component unit of the City of Bradenton Beach, Florida (the City). During 2021, the CRA received \$94,540 of tax increment funds from the City.

As of September 30, 2021, the CRA owed the City of Bradenton Beach, Florida \$12,899.

NOTE 7 - CONTINGENCIES

The CRA is a defendant in various lawsuits which are in different stages in the legal process. The CRA does not believe the outcome of these cases will have a material effect on its financial position. As a result, no liability has been recorded in these financial statements. However, it is at least reasonably possible that additional liabilities could result in the near term.

Management of the CRA continues to evaluate the risks associated with the COVID-19 pandemic. Management of the CRA continues to implement risk mitigation as to the risk of impact, if any, of COVID-19 related to all aspects of the CRA's business transactions and human interaction within and outside of the CRA. However, the CRA cannot, at this time, make a determination on the ultimate impacts of the COVID-19 pandemic.

Note 1 - Summary of Significant Accounting Policies

The City of Bradenton Beach, Florida (the City) is required to establish a budgetary system and an approved annual budget for the City of Bradenton Beach Community Redevelopment Agency (CRA). The City's budgeting process is based on estimates of cash receipts and cash expenditures that are approved by the City Commission. The budget approximates a basis consistent with accounting principles generally accepted in the United States of America (generally accepted accounting principles).

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Honorable Mayor and City Commission City of Bradenton Beach Community Redevelopment Agency Bradenton Beach, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and governmental fund of the City of Bradenton Beach Community Redevelopment Agency (CRA), a component unit of the City of Bradenton Beach, Florida, as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the CRA's basic financial statements, and have issued our report thereon dated April 30, 2022.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the CRA's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the CRA's internal control. Accordingly, we do not express an opinion on the effectiveness of the CRA's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the CRA's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that were not identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the CRA's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the CRA's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the CRA's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

CHRISTOPHER, SMITH, LEONARD & STANELL, P.A.

Chastopher, Sut, Fit.

April 30, 2022 Bradenton, Florida

MANAGEMENT LETTER

To the Honorable Mayor and City Commission City of Bradenton Beach Community Redevelopment Agency Bradenton Beach, Florida

Report on the Financial Statements

We have audited the financial statements of the City of Bradenton Beach Community Redevelopment Agency (CRA), a component unit of the City of Bradenton Beach, Florida, as of and for the fiscal year ended September 30, 2021, and have issued our report thereon dated April 30, 2022.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards* and our Independent Accountant's Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated April 30, 2022, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings and recommendations made in the preceding annual financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. This information is disclosed in the notes to the financial statements.

Financial Condition and Management

Section 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the CRA met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, we determined that the CRA was not in a state of financial emergency as it did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures for the CRA. It is management's responsibility to monitor the CRA's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same.

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations, other than Finding 2021-01 in the Schedule of Findings.

Special District Component Units

Section 10.554(1)(i)5.c., Rules of the Auditor General, requires, if appropriate, that we communicate the failure of a special district that is a component unit of a county, municipality, or special district, to provide the financial information necessary for proper reporting of the component unit within the audited financial statements of the county, municipality, or special district in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we did not note any special district component units that failed to provide the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes.

Specific Information for a Dependent Special District

As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, Rules of the Auditor General, the CRA reported:

- (a) The total number of CRA employees compensated in the last pay period of the CRA's fiscal year was 0.
- (b) The total number of independent contractors to whom nonemployee compensation was paid in the last month of the CRA's fiscal year was 0.
- (c) All compensation earned by or awarded to employees, whether paid or accrued, regardless of contingency was \$0.
- (d) All compensation earned by or awarded to nonemployee independent contractors, whether paid or accrued, regardless of contingency was \$0.
- (e) Each construction project with a total cost of at least \$65,000 approved by the CRA that is scheduled to begin on or after October 1 of the fiscal year being reported, together with the total expenditures for such project. Projects are as follows: 1) Floating dock expansion \$65,030; 2) Sea grass/waterfront \$849,956; 3) Undergrounding \$67,185; and 4) Street lights \$83,404.

(f) A budget variance based on the budget adopted under Section 189.016(4), Florida Statutes, before the beginning of the fiscal year being reported if the CRA amends a final adopted budget under Section 189.016(6), Florida Statutes. The budget variance schedule is presented on page 22.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the City of Bradenton Beach Commission and applicable CRA management, and is not intended to be and should not be used by anyone other than these specified parties.

CHRISTOPHER, SMITH, LEONARD & STANELL, P.A.

Chastopher, Sut, Fit.

April 30, 2022 Bradenton, Florida

CITY OF BRADENTON BEACH COMMUNITY REDEVELOPMENT AGENCY (A COMPONENT UNIT OF THE CITY OF BRADENTON BEACH, FLORIDA) SCHEDULE OF FINDINGS

2021-01 Year End Adjustments

Criteria: Internal controls over financial reporting should ensure that financial statements properly present the net position, fund equity and activities of the City of Bradenton Beach Community Redevelopment Agency (CRA) in accordance with accounting principles generally accepted in the United States of America.

Condition: During the audit process, adjustments were posted to properly reflect beginning fund balance, interfund transfers, and grant revenue. The grant adjustments were necessary due to the timing of when expenditures were incurred and the timing of when grant funding was received. As a result audit adjustments were required in order to properly present the financial statements in accordance with generally accepted accounting principles.

Content/Cause: Audit procedures identified adjustments that were required to be reflected in the CRA's financial statements. This included adjustments to correct fund balance/net position; interfund transfers; and grant receivables, liabilities, deferred inflows, and revenues due to the timing of when the grant funding was received.

Effect: The CRA's financial statements required adjustments.

Recommendation: We recommend that the CRA establish internal controls over financial reporting to ensure that all material accounts are reconciled and adjusted prior to the audit in accordance with accounting principles generally accepted in the United States of America. In years where the CRA has significant grant funding and related projects, additional reconciliation might be necessary.

City of BRADENTON BEACH

State of Florida

107 Gulf Drive North • Bradenton Beach, Florida 34217 • Phone: (941) 778-1005 / FAX: 778-7585

May 17, 2022

Auditor General of the State of Florida,

In response to Management Letter dated April 30, 2022 from Christopher, Smith and Leonard, CPA's regarding the audit for fiscal year 2021, the City of Bradenton Beach submits the following response:

2021-01: Year End Adjustments

The City has put controls into place to ensure year-end closing adjustments post to the correct fiscal period. A year end account process has been developed and implemented to ensure accuracy.

Terri Sanclemente

City Clerk

INDEPENDENT ACCOUNTANT'S REPORT

To the Honorable Mayor and City Commission City of Bradenton Beach Community Redevelopment Agency Bradenton Beach, Florida

We have examined the City of Bradenton Beach Community Redevelopment Agency (CRA), a component unit of the City of Bradenton Beach, Florida compliance with Section 218.415, Florida Statutes, regarding the investment of public funds, and Sections 163.387(6) and (7), Florida Statutes, regarding community redevelopment agencies, during the year ended September 30, 2021. Management of the CRA is responsible for the CRA's compliance with the specified requirements. Our responsibility is to express an opinion on the CRA's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the CRA complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the CRA complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the CRA's compliance with specified requirements.

In our opinion, the CRA complied in all material respects, with the aforementioned compliance requirements for the year ended September 30, 2021.

This report is intended solely for the information and use of the CRA and the Auditor General, State of Florida, and is not intended to be and should not be used by anyone other than these specified parties.

CHRISTOPHER, SMITH, LEONARD & STANELL, P.A.
