INDEPENDENT AUDITOR'S REPORT

The Honorable Mayor and
Members of the City Commission
Community Redevelopment Agency

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities and General Fund of the City of Casselberry, Florida Community Redevelopment Agency (the "CRA"), a component unit of the City of Casselberry, Florida as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the CRA's basic financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the CRA's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the CRA's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

The Honorable Mayor and
Members of the City Commission
Community Redevelopment Agency

Opinions

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the respective financial position of the governmental activities and General Fund of the CRA as of September 30, 2021, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison schedule, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 17, 2022 on our consideration of the CRA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the CRA's internal control over financial reporting and compliance.

Management's Discussion and Analysis

As management of the City of Casselberry, Florida Community Redevelopment Agency (the "CRA"), we offer readers of the CRA's financial statements this narrative overview and analysis of the CRA's financial activities for the fiscal year ended September 30, 2021.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the CRA's basic financial statements. The CRA's basic financial statements comprise three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other required supplementary information in addition to the basic financial statements.

Government-wide Financial Statements. The government-wide financial statements are designed to provide readers with a broad overview of the CRA's finances, in a manner similar to a private-sector business.

The statement of net position presents information on all of the CRA's assets and liabilities, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the CRA is improving or deteriorating.

The statement of activities presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Also, capital assets are capitalized and depreciated on the statement of net position whereas related purchases are expensed on government fund financial statements.

General Fund. The General Fund is used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, the General Fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of the General Fund is narrower than that of the government-wide financial statements, it is useful to compare the information presented for the General Fund with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the General Fund balance sheet and the General Fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between General Fund and governmental activities.

Notes to the Financial Statements. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements are an integral part of the basic financial statements.

Other Information. The CRA adopts an annual appropriated budget for its General Fund. A budgetary comparison statement has been provided for the General Fund to demonstrate compliance with this budget.

Government-wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the CRA, assets exceeded liabilities by \$3,974,581 at the close of the most recent fiscal year. This compares with \$2,837,742 at the close of the previous fiscal year, an increase of \$1,136,839. Cash and investments increased \$1,089,028 due to spending budgeted for FY21 in accordance with the CRA Master Plan that will instead be expended in FY22. Capital assets increased due to design costs of the Lake Concord Parking Lot which was partially offset by depreciation.

	Net Position	
	2021	2020
Current and other assets	\$ 1,982,275	\$ 893,247
Prepaid Items	7,409	-
Capital assets	1,986,679	1,944,495
Total assets	<u>3,976,363</u>	<u>2,837,742</u>
Short-term liabilities outstanding:		
Accounts Payable	1,782	-
Net position:		
Net invested in capital assets	1,986,679	1,944,495
Unrestricted	<u>1,987,902</u>	<u>893,247</u>
Total net position	<u>\$ 3,974,581</u>	<u>\$ 2,837,742</u>

Governmental Activities. Governmental activities increased the CRA's net position by \$1,136,839 in fiscal year 2021. A 4.15% increase in revenue was caused by increased City of Casselberry (the "City") and Seminole County (the "County") contributions to the Trust Fund. General government expenses decreased in FY 2021 due to a one-time transfer of funds to the City in FY 2020 for the purchase of land to be used for Lake Concord Parking.

	Changes in Net Position	
	2021	2020
General revenues:		
Intergovernmental	\$ 1,288,518	\$ 1,233,301
Investment income	219	2,355
Miscellaneous revenues	-	1,645
Total general revenues	<u>1,288,737</u>	<u>1,237,301</u>
Expenditures/Expenses:		
General government	93,218	1,439,840
Depreciation	58,680	57,910
Total expenses	<u>151,898</u>	<u>1,497,750</u>
Change in net position	<u>1,136,839</u>	<u>(260,449)</u>
Net position – beginning	<u>2,837,742</u>	<u>3,098,191</u>
Net position – ending	<u>\$ 3,974,581</u>	<u>\$ 2,837,742</u>

Financial Analysis of the General Fund

As noted earlier, the CRA uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

The purpose of the CRA's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the CRA's financing requirements. In particular, unassigned fund balance may serve as a useful measurement of a government's net resources available for spending at the end of the fiscal year.

The only difference between General Fund operations and governmental activities is the accounting presentation for capital outlay. Capital outlay is accounted for as an expenditure in the General Fund and, to the extent it relates to capital asset additions, is replaced by depreciation expense on the statement of activities.

General Fund Budgetary Highlights

Primary variances between the final budget and actual operating expenditure categories were as follows: Budgeted \$100,000 in Professional Services for a site selector and strategic plan. These funds were unused at the end of FY21. The site selector was never pursued and the strategic plan was put on hold. Economic opportunity incentive expenditures decreased in the amount of \$72,408 due to a lack of requests for assistance being received in FY21, capital outlay expenditures for Lake Concord Park Parking had \$954,296 in unspent expenditures in FY21 which were included in the budget rollover for expenditures in the next fiscal year.

Capital Asset Administration

The CRA's net investment in capital assets as of September 30, 2021, amounts to \$1,986,679, an increase of \$42,184.

	Capital Assets (net of depreciation)	
	2021	2020
CIP	\$ 118,357	\$ 17,492
Land	1,111,015	1,111,015
Signs	2,945	3,515
Improvements	720,446	773,813
Equipment	33,916	38,660
Total	<u>\$ 1,986,679</u>	<u>\$ 1,944,495</u>

Additional information on the CRA's capital assets can be found in Note 4 of this report.

Economic Factors and Conditions

Median home prices increased approximately 6% from the previous year, which is in keeping with the local real estate market for Central Florida. The City is comparable to other cities in the County with a taxable property value increase in FY21 of 5.2%, which is expected to continue into 2022. The unemployment rate continued to drop towards pre-COVID numbers and stands at approximately 3.4% as compared to the state unemployment rate of 4.5% and a national unemployment rate of 6.2%.

The CRA was originally set to sunset on December 11, 2015. The County granted several extensions of the City's CRA and it is now set to sunset on December 11, 2025. No further extensions will be forthcoming.

Requests for Information

This financial report is designed to provide a general overview of the CRA's finances for all those with an interest in the government's finances. Questions concerning any of the information should be addressed to the Finance Director, 95 Triplet Lake Dr., Casselberry, FL 32707.

NOTES TO FINANCIAL STATEMENTS

Year Ended September 30, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Financial Reporting Entity

The City of Casselberry, Florida Community Redevelopment Agency (the “CRA”) is a blended component unit of the City of Casselberry, Florida (the “City”). The seven-member governing board of the CRA originally consisted of three members appointed by the Seminole County, Florida (the “County”) governing board and four members appointed by the City’s governing board. The City passed Resolution 15-2693 on January 26, 2015 requesting the County to appoint the Casselberry City Commission as the CRA’s governing body, which was approved by the County on March 10, 2015.

The CRA was created pursuant to Section 163.356, Florida Statutes, through ordinances passed by the City and the County. It was created by City Resolution 95-889, dated March 6, 1995, and was set to expire on December 11, 2015. The County adopted Resolution 2015-R-106 on June 23, 2015 extending the CRA through December 11, 2017. In 2016, the County adopted resolution 2016-R-184 extending the CRA through December 11, 2025. Its primary activities include the rehabilitation, conservation, or redevelopment of slum or blighted areas within the City. The City provides accounting and administrative support to the CRA without charge; the CRA does not have personnel or administrative facilities.

Pursuant to Florida Statute 163.387, the CRA is funded primarily by incremental ad valorem tax revenues levied and remitted in amounts proportionate to property tax values for each participating entity. The CRA is economically dependent on such revenue.

The accounting policies of the CRA conform to accounting principles generally accepted in the United States of America.

These financial statements present the financial position and results of operations controlled by or dependent upon the CRA. In evaluating the CRA as a reporting entity, management has addressed all potential component units for which the CRA may or may not be financially accountable and, as such, be includable in the CRA’s financial statements. No component units exist which would require inclusion in the CRA’s financial statements.

**CITY OF CASSELBERRY, FLORIDA
COMMUNITY REDEVELOPMENT AGENCY**

NOTES TO FINANCIAL STATEMENTS

Year Ended September 30, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Government-wide and Fund Financial Statements

The CRA has only governmental activities and only one function, and, as such, it is eligible for special-purpose financial statement presentation; accordingly, the government-wide financial statements are presented together with the governmental fund financial statements, described below, with an adjustment column presented to reconcile the two sets of statements.

Measurement Focus, Basis of Accounting, and Financial Statement Presentation

Governmental Fund Financial Statements - The CRA has one governmental fund type, which is the General Fund. The General Fund is the primary operating fund used to account for all resources and operations. Governmental funds are accounted for on a “spending” or “financial flow” measurement focus. This means that only current assets and current liabilities are generally included on the balance sheet. Governmental fund operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current position.

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned, and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized when they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the CRA considers revenues to be available if they are collected within 65 days of the end of the current period. Expenditures generally are recorded when a liability is incurred.

Property taxes associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period and are recognized as revenue when the amount is received within the availability period which is limited to 60 days after the end of the fiscal year.

When both restricted and unrestricted resources are available for use, it is the CRA’s policy to use restricted resources first, then unrestricted resources, as they are needed. When both assigned and unassigned resources are available for use, it is the CRA’s policy to use assigned resources first, then unassigned resources, as they are needed.

**CITY OF CASSELBERRY, FLORIDA
COMMUNITY REDEVELOPMENT AGENCY**

NOTES TO FINANCIAL STATEMENTS

Year Ended September 30, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Budgets and the Budgetary Process

The CRA's Board of Directors (the "Board") adopts an annual operating budget, which can be amended by the Board throughout the year.

At the fund level, actual expenditures cannot exceed the budgeted amounts; however, with proper approval by the Board, budgetary transfers between line items can be made.

The accompanying Schedule of Revenues, Expenditures, and Changes in Fund Balances - Budget and Actual for the General Fund reflects the original and final budget authorization amounts, which includes all amendments. Appropriations lapse at the close of the fiscal year.

The CRA's management cannot amend or transfer appropriations.

For the year ended September 30, 2021, the CRA's budget was prepared on a modified accrual basis.

Pooled Cash and Equivalents

Pooled cash and equivalents are stated at fair value.

Property and Equipment

Property and equipment purchased in the General Fund are recorded as expenditures at the time of purchase. It is the policy of the CRA to capitalize property and equipment over \$5,000 with an estimated useful life in excess of one year. Lesser amounts are expensed. Depreciation has been recorded using the straight-line method over useful lives varying from 3 to 40 years, depending upon the asset type. The CRA does not have donated fixed assets.

Prepays

Prepays represent payments made to vendors for services that will benefit beyond September 30, 2021. These payments are recorded as expenditures or expenses when consumed rather than when purchased.

**CITY OF CASSELBERRY, FLORIDA
COMMUNITY REDEVELOPMENT AGENCY**

NOTES TO FINANCIAL STATEMENTS

Year Ended September 30, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fund Balance

The CRA has classified governmental fund balances as follows:

- Nonspendable Fund Balance - represents fund balance that is (a) not in a spendable form, such as prepaid items and inventory, or (b) legally or contractually required to be maintained intact, such as an endowment.
- Unassigned Fund Balance - includes all spendable amounts not contained within the other classification of the General Fund. The unassigned fund balance for governmental funds represents the CRA's resources available for future operations.

Estimates and Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 - RECONCILIATION OF GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS

Adjustments were made to include capital assets (net of accumulated depreciation) on the statement of net position. This resulted in a net difference between the ending General Fund balances and the total net position of \$3,974,581.

Total fund balance	\$ 1,987,902
Capital assets, net	<u>1,986,679</u>
Total net position	<u>\$ 3,974,581</u>

Adjustments were made to include depreciation expense and eliminate capital outlay expenditures, if any, on the statement of activities. This resulted in a net difference between "excess revenues over expenditures" and "change in net position" of \$42,184.

Excess of revenues over expenditures	\$ 1,094,655
Capital outlay	100,864
Less: Depreciation expense	<u>(58,680)</u>
Change in net position	<u>\$ 1,136,839</u>

**CITY OF CASSELBERRY, FLORIDA
COMMUNITY REDEVELOPMENT AGENCY**

NOTES TO FINANCIAL STATEMENTS

Year Ended September 30, 2021

NOTE 3 - POOLED CASH AND EQUIVALENTS

The CRA’s pooled cash and equivalents account is combined with the pooled cash of the City. The City’s cash accounts consist of interest-bearing, demand accounts and certificates of deposit, all of which were entirely covered by federal depository insurance or by a multiple financial institution collateral pool pursuant to the Public Depository Security Act of the State of Florida (the “Act”). The Act requires that the City maintain deposits only in “qualified public depositories.” All qualified public depositories must deposit with the State Treasurer eligible collateral in such amounts as required by the Act. In addition, qualified public depositories are required under the Act to assume mutual responsibility against loss caused by the default or insolvency of other qualified public depositories of the same type. Should a default or insolvency occur, the State Treasurer will implement procedures for payment of losses according to the validated claims of the City.

Earnings from the pooled funds are allocated to the CRA based on the CRA’s proportionate share of the pool.

NOTE 4 - CAPITAL ASSETS

The following is a summary of changes in the CRA’s capital assets during the fiscal year ended September 30, 2021:

	Balance October 1, 2020	Additions and Transfers	Deletions and Transfers	Balance September 30, 2021
Governmental Activities				
Land	\$ 1,111,015	\$ -	\$ -	\$ 1,111,015
CIP	17,492	100,864	-	118,356
Total capital assets, not being depreciated	1,128,507	100,864	-	1,229,371
Capital assets being depreciated:				
Signs	14,250	-	-	14,250
Improvements	1,333,879	-	-	1,333,879
Equipment	47,440	-	-	47,440
Less: Accumulated depreciation	(579,581)	(58,680)	-	(638,261)
Total capital assets being depreciated	815,988	(58,680)	-	757,308
Total capital assets	<u>\$ 1,944,495</u>	<u>\$ 42,184</u>	<u>\$ -</u>	<u>\$ 1,986,679</u>

Depreciation expense amounted to \$58,680 during fiscal year 2021, which is included on the statement of activities.

COMPLIANCE SECTION

Certified Public Accountants

**INDEPENDENT AUDITOR’S REPORT ON INTERNAL
CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE
AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE
WITH *GOVERNMENT AUDITING STANDARDS***

The Honorable Mayor and
Members of the City Commission
Community Redevelopment Agency

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the City of Casselberry, Florida Community Redevelopment Agency (the “CRA”) as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the CRA’s financial statements and have issued our report thereon dated March 17, 2022.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the CRA’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the CRA’s internal control. Accordingly, we do not express an opinion on the effectiveness of the CRA’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Board of Directors of the
City of Casselberry, Florida
Community Redevelopment Agency

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the CRA's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, grant agreements and contracts, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Pursuant to provisions of Chapter 10.550, *Rules of the Auditor General*, we reported certain matters to management of the CRA in a separate management letter and Independent Accountant's Report dated March 17, 2022.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the CRA's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT ACCOUNTANT'S REPORT

The Honorable Mayor and
Members of the City Commission
Community Redevelopment Agency

We have examined the City of Casselberry, Florida Community Redevelopment Agency's (the "CRA") compliance with the requirements of Sections 163.387(6) and (7) and 218.415, Florida Statutes, during the fiscal year ended September 30, 2021. Management is responsible for the CRA's compliance with those requirements. Our responsibility is to express an opinion on the CRA's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the CRA is in accordance with those requirements, in all material respects. An examination involves performing procedures to obtain evidence about the CRA's compliance with those requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion. Our examination does not provide a legal determination on the CRA's compliance with specified requirements.

In our opinion, the CRA complied, in all material respects, with the aforementioned requirements for the fiscal year ended September 30, 2021.

INDEPENDENT AUDITOR'S MANAGEMENT LETTER

The Honorable Mayor and
Members of the City Commission
Community Redevelopment Agency

Report on the Financial Statements

We have audited the basic financial statements of the City of Casselberry, Florida Community Redevelopment Agency (the "CRA") as of and for the fiscal year ended September 30, 2021, and have issued our report thereon dated March 17, 2022.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and Chapter 10.550, *Rules of the Auditor General*.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*, and Independent Accountant's Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports, which are dated March 17, 2022, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no recommendations made in the preceding audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., *Rules of the Auditor General*, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The legal authority is disclosed in the notes to the financial statements.

To the Board of Directors of the
City of Casselberry, Florida
Community Redevelopment Agency

Financial Condition

Section 10.554(1)(i)5.a. and 10.556(7), *Rules of the Auditor General*, require that we apply appropriate procedures and communicate the results of our determination as to whether or not the CRA has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and identification of the specific condition(s) met. In connection with our audit, we determined that the CRA did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), *Rules of the Auditor General*, we applied financial condition assessment procedures for the CRA. It is management's responsibility to monitor the CRA's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same.

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Special District Component Units

Section 10.554(1)(i)5.c., *Rules of the Auditor General*, requires, if appropriate, that we communicate the failure of a special district that is a component unit of a county, municipality, or special district, to provide the financial information necessary for proper reporting of the component unit within the audited financial statements of the county, municipality, or special district in accordance with Section 218.38(3)(b), Florida Statutes. In connection with our audit, we did not note any special district component units that failed to provide the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes.

Specific information of the CRA, a dependent district of the City of Casselberry, that is required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, *Rules of the Auditor General*, is reported in the City of Casselberry's management letter for the fiscal year ended September 30, 2021.

Additional Matters

Section 10.554(1)(i)3., *Rules of the Auditor General*, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

To the Board of Directors of the
City of Casselberry, Florida
Community Redevelopment Agency

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, federal and other granting agencies, the CRA's Board of Directors, and applicable management and is not intended to be and should not be used by anyone other than these specified parties.

March 17, 2022

To the Honorable Mayor and
Members of the City Commission
Community Redevelopment Agency

We have audited the financial statements of the City of Casselberry Community Redevelopment Agency (the "CRA") as of and for the year ended September 30, 2021, and have issued our report thereon, dated March 17, 2022. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, *Government Auditing Standards* and the Uniform Guidance as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 10, 2021. Professional standards also require that we communicate to you the following information related to our audit.

SIGNIFICANT AUDIT FINDINGS

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the CRA are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2021. We noted no transactions entered into by the CRA during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most significant estimates affecting the CRA's financial statements included depreciation.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The following disclosures are considered significant: Note 2 – Reconciliation of Government-Wide and Fund Financial Statements; Note 4 – Capital Assets.

The financial statement disclosures are neutral, consistent, and clear.

DIFFICULTIES ENCOUNTERED IN PERFORMING THE AUDIT

We encountered no significant difficulties in dealing with management in performing and completing our audit.

To the Honorable Mayor and
Members of the City Commission
Community Redevelopment Agency
March 17, 2022
Page 2

CORRECTED AND UNCORRECTED MISSTATEMENTS

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. We are pleased to report that no such misstatements arose during the course of our audit.

DISAGREEMENTS WITH MANAGEMENT

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

MANAGEMENT REPRESENTATIONS

We have requested certain representations from management that are included in the management representation letter dated March 17, 2022.

MANAGEMENT CONSULTATIONS WITH OTHER INDEPENDENT ACCOUNTANTS

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the CRA's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

OTHER AUDIT FINDINGS OR ISSUES

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the CRA's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

OTHER MATTERS

We applied certain limited procedures to the Budgetary Comparison, which is required supplementary information ("RSI") that supplement the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI.

RESTRICTION ON USE

This information is intended solely for the use of the City Commission and management of the CRA, and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

MSL, P.A.
