#### **INDEPENDENT AUDITOR'S REPORT**

The Board of Directors Community Redevelopment Agency St. Cloud, Florida

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of the governmental activities and the major fund of the St. Cloud Community Redevelopment Agency (the CRA), a component unit of the City of St. Cloud, Florida (the City), as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the CRA's financial statements as listed in the table of contents.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### **INDEPENDENT AUDITOR'S REPORT**

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the CRA as of September 30, 2021, and its changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Other Matters**

#### Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis (MD&A) and the budgetary comparison information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the MD&A and the budgetary comparison information, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the MD&A and the budgetary comparison information information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 28, 2022, on our consideration of the CRA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Purvis Gray

March 28, 2022 Ocala, Florida

This supplement to the Independent Auditor's Report and Financial Statements has been developed in accordance with the Governmental Accounting Standards Board (GASB) Statement No. 34. It is intended to provide the readers of this report with a general overview of the financial activities of the St. Cloud Community Redevelopment Agency (the CRA). The CRA provides the following discussion and analysis of the CRA's financial activities for the fiscal year ended September 30, 2021. Management's Discussion and Analysis is designed to: (a) assist the reader to focus on significant financial issues, (b) provide an overview of the CRA's financial activities, (c) identify changes in the CRA's financial position, (d) identify material deviations from the financial plan, and (e) identify individual fund issues or concerns. We encourage readers to consider the information presented here in conjunction with the CRA's financial statements.

#### The Community Redevelopment Agency

The CRA was created pursuant to Chapter 163, Florida Statutes, City Ordinance 2005-78, and City Resolutions 2005-174R, 2005-175R, and 2005-178R. The City of St. Cloud (the City) Council serves as the CRA Board, and the City maintains operational responsibility for the CRA's activity. Although legally separate, the CRA is appropriately blended as a governmental fund type component unit into the primary government. Separate financial statements for the CRA are not presently developed.

These financial statements are presented for the purpose of complying with state law, specifically Florida Statute Section 163.387(8)(a), which requires separate audited financial statements for each Community Redevelopment Agency that has revenues or expenditures that exceed \$100,000.

#### **Financial Highlights**

- The assets of the CRA exceeded its liabilities at the close of the most recent fiscal year by \$1,139,448.
- The CRA's fund balance decreased by \$1,466,896 as a result of 2021 operations.
- Revenues for fiscal year 2021 were \$1,058,632 while expenditures totaled \$550,959. In lieu of operating payments, transfers to the City's General Fund totaled \$2,589,460. Transfers in of \$614,891 were made from the City's General Fund related to the City's portion of the incremental tax revenues and refund of unspent project funds.
- For the period ended September 30, 2021, actual revenues were less than budgeted revenues by \$6,871 while actual expenditures were \$516,721 less than budgeted expenditures.

#### **Overview of the Financial Statements**

This discussion and analysis is intended to serve as an introduction to the CRA's basic financial statements, which are comprised of the following four (4) components:

- Government-Wide Financial Statements
- Fund Financial Statements
- Notes to the Financial Statements
- Required Supplementary Information

#### **Government-Wide Financial Statements**

The *Government-Wide Financial Statements* are designed to provide readers with a broad overview of the CRA's finances, in a manner similar to a private-sector business.

The *Statement of Net Position* presents financial information on all of the CRA's assets and liabilities, with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The *Statement of Activities* presents information showing how the CRA's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported for some items that will only result in cash flows in future fiscal periods.

The government-wide financial statements listed above distinguish functions of the CRA that are principally supported by ad valorem taxes and intergovernmental revenues (*governmental activities*) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (*business-type activities*). The governmental activity of the CRA is community redevelopment.

The government-wide financial statements include only the activities of the CRA. However, the CRA is considered a blended component unit the City of St. Cloud, Florida (the City) and as such, the financial information of the CRA is included in the City's Annual Comprehensive Financial Report for each fiscal year.

#### **Fund Financial Statements**

A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The CRA uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

#### **Governmental Funds**

Governmental funds are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows* and *outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating the CRA's *near-term* financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the CRA's *near-term* financing decisions. Both the governmental fund Balance Sheet and the governmental fund Statement of Revenues, Expenditures and Changes in Fund Balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

**Special Revenue Funds.** Special revenue funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditures for specified purposes other than debt service or capital projects. The CRA's expendable financial resources and the related liabilities are accounted for through a special revenue fund.

**Restricted Fund Balance.** *Fund balance* should be reported as Restricted when constraints placed on the use of resources such as enabling legislative, which authorizes the government to access, levy, charge, or otherwise mandate payment of resources. All of the CRA's fund balance is considered Restricted.

#### Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

#### **Required Supplementary Information (RSI)**

Included in this section of the report is the Budgetary Comparison Schedule.

#### **Government-Wide Financial Analysis**

#### Statement of Net Position

As noted earlier, net position may serve over time as a useful indicator of the CRA's financial position. In the case of the CRA, assets exceeded liabilities by \$1,139,448 (*net position*) as of the close of the most recent fiscal year, a decrease of \$1,466,896 in comparison with the prior year.

The following table reflects a summary of the *Statement of Net Position* for the current and prior year.

| Total Net Position                | \$   | 1,139,448 | \$   | 2,606,344 |  |

#### Statement of Activities

The following table reflects the *Statement of Changes in Net Position* for the current and prior year.

Fiscal year 2021 activities decreased the CRA's net position by \$1,466,896, or 57%, in comparison with the prior year. This change resulted primarily from the transfer of funds to a capital projects fund for the CRA's portion of a capital project.

#### **Financial Analysis of the CRA's Funds**

#### **Governmental Funds**

The focus of the CRA's *governmental funds* is to provide information on *near-term* inflows, outflows, and balances of *spendable resources*. Such information is useful in assessing the CRA's financing requirements. In particular, *unassigned fund balance* may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

The CRA's fund balance of \$1,139,448 is restricted for redevelopment projects within the CRA district.

Intergovernmental revenues from the county related to the incremental tax revenues totaling \$1,030,738 represented approximately 97% of all revenues, which is an increase of 7.4% in intergovernmental revenues from the previous year. The transfer in from the City related to incremental tax revenues totaled \$283,074, an increase of 30%. The incremental tax revenues received by the CRA increased due to the increase in property values within the CRA district. The CRA's fund balance decreased by \$1,466,896 in the current year.

#### **Capital Assets and Debt Administration**

The CRA's capital assets, net of depreciation, totaled \$9,956. Capital assets include Buildings, Improvements, and Equipment.

The CRA had no major asset additions or disposals during the year.

At September 30, 2021, the CRA had no long-term debt.

#### **Budgetary Highlights**

An annual budget is prepared for the CRA and approved by the CRA Board of Directors. The legal level of control is maintained at the fund level. During 2021, the CRA Board of Directors approved a supplemental budget appropriation to provide for unanticipated requirements of the period. This appropriation caused an increase from the original budget of \$138,906, for Economic Environment expenditures. Budget appropriations may not be legally exceeded on a fund basis. Appropriations lapse at the end of the fiscal year. The budget is adopted on a basis consistent with generally accepted accounting principles.

#### **Economic Factors and Future Developments**

The CRA will continue to plan projects and infrastructure improvements that align with its redevelopment priorities for the designated district. The CRA will continue to implement the community's shared development goals through its redevelopment strategies and critical tasks.

#### **Request for Information**

This financial information is designed to present users with a general overview of the CRA's finances for all those with an interest in its finances.

Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Finance Director, City of St. Cloud, 1300 Ninth St., St. Cloud, Florida 34769-3399.

#### Note 1 - Summary of Significant Accounting Policies

The St. Cloud Community Redevelopment Agency's (the CRA) financial statements are prepared in accordance with generally accepted accounting principles, as applicable to governments. The following is a summary of the more significant policies:

#### **Reporting Entity**

The CRA was created pursuant to Chapter 163, Florida Statutes, City Ordinance 2005-78, and City Resolutions 2005-174R, 2005-175R, and 2005-178R. The purpose of the CRA is to establish the redevelopment priorities for the designated CRA. The Governing Board of the CRA (the Board) is appointed by the City of St. Cloud (the City) Council (the Council) and, therefore, the City exercises significant influence over its operations and fiscal management. The CRA is considered a component unit for financial reporting purposes and is included as a blended special revenue fund within the City's overall basic financial statements.

#### **Financial Statements**

These financial statements are presented for the purpose of complying with state law, specifically Florida Statutes, Section 163.387(8)(a), which requires separate audited financial statements for each Community Redevelopment Agency that has revenues or expenditures that exceed \$100,000.

Entity-wide financial statements are prepared at the City-wide level by the City and include the CRA. Copies of that report can be obtained from the City's Office of Budget and Finance.

#### Measurement Focus, Basis of Accounting, and Financial Statement Presentation

#### Government-Wide Financial Statements

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are resources when a liability is incurred, regardless of the timing of the related cash flows. Property taxes are recognized as revenue in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

#### Fund Financial Statements

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting, except for debt service expenditures, which are recorded only when payment is due.

Considering that the fund statements are presented on a different measurement focus and basis of accounting than the government-wide governmental activities column, a reconciliation is sometimes necessary to explain the adjustments needed to reconcile the fund based financial statements to the governmental activities column of the government-wide presentation.

Tax increment financing revenue, when levied for and interest associated with the current fiscal period, are both considered to be measurable and have been recognized as revenues of the current fiscal year, if available.

When both restricted and unrestricted resources are available for use, it is the CRA's policy to use restricted resources first, and then unrestricted resources as they are needed.

The CRA reports the special revenue fund as a major governmental fund. The special revenue fund is used to account for all financial resources received by the CRA. The special revenue fund serves as the primary operating fund of the CRA. The CRA does not have any non-major funds.

#### **Budgetary Requirements**

An annual budget is prepared for all funds of the City, including the CRA. The budget amounts presented in the accompanying financial statements are as originally adopted, or as legally amended, by the City Council during the year ended September 30, 2021. Any budget amendments that alter the total expenditures of any fund must be approved by the City Council. During 2021, the City Council approved a supplemental budget appropriation to provide for unanticipated requirements of the period. Budget appropriations may not be legally exceeded on a fund basis. Appropriations lapse at the end of each fiscal year. The budget is adopted on a basis consistent with generally accepted accounting principles.

#### Assets, Liabilities, and Net Position

#### Cash and Investments

The City utilizes a pooled cash and investment fund, which allows the various funds of the City to pool monies for investment purposes, which the CRA participates in. Investment earnings are distributed monthly based on average monthly balances. Cash is maintained in an interest-bearing checking account at a local financial institution to maximize earnings on idle cash.

#### Capital Assets

Capital assets, which include property, plant and equipment, and infrastructure assets are reported in the government-wide financial statements. The CRA utilizes the City's capitalization policy. Property, plant and equipment with initial, individual costs that equal or exceed \$5,000 and estimated useful lives of over one year are recorded as capital assets. Capital assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated acquisition value at the date of donation.

Major outlays for capital assets and improvements are capitalized as projects are constructed.

Capital asset purchases are recorded as capital outlay expenditures in the fund level governmental funds in the year of acquisition.

Property, plant and equipment are depreciated using the straight-line method over the following estimated useful lives:

| Buildings and Improvements | 8-40 Years  |
|----------------------------|-------------|
| Utility Line Extensions    | 15-50 Years |
| Plant and Equipment        | 3-20 Years  |
| Meters and Transformers    | 15-20 Years |
| Infrastructure             | 15-50 Years |

#### Nature and Purpose of the Fund Balance

In the fund financial statements, the governmental fund reports fund classifications that comprise a hierarchy based primarily on the extent to which the CRA is bound to honor constraints on the specific purposes for which amounts in the fund can be spent. Amounts that are restricted to specific purposes either by: a) constraints placed on the use of resources by creditors, grantors, contributors, or laws or regulations of other governments; or b) imposed by law through constitutional provisions or enabling legislation are classified as restricted fund balances. Amounts that can only be used for specific purposes pursuant to constraints imposed by the CRA Board through an ordinance or resolution are classified as committed fund balances. Amounts that are constrained by the CRA's intent to be used for specific purposes, but are neither restricted nor committed, are classified as assigned fund balances. Assignments are made by the CRA Board or the City manager. Non-spendable fund balances include amounts that cannot be spent because they are either: a) not in spendable form, or b) legally or contractually required to be maintained intact. Unassigned fund balance represents fund balance that is not restricted, committed, or assigned to specific purposes within the special revenue fund.

Unspent tax increment financing revenues are restricted for future redevelopment projects and are reported as restricted fund balance in the financial statements. Unassigned fund balance, if any, represents fund balance that has not been restricted, committed, or assigned to specific purposes within the special revenue fund.

#### Net Position

The government-wide statements utilized a net position presentation. Restricted net position is unspent tax increment financing revenues that is restricted for future redevelopment projects. Unrestricted net position represents the net position of the CRA that is not restricted for any project or purpose.

#### **Other Significant Accounting Policies**

#### Use of Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Payroll-Related Expenses and Liabilities

The CRA has no employees of its own. Instead, the CRA reimburses the City for the portion of salaries and benefits attributable to district activities based on the estimated time spent on those activities as projected during the annual budget process. Any long-term payroll and benefit liabilities such as compensated absences, other postemployment benefits, or pension liabilities are reported on the City's financial statements.

#### Note 2 - Explanation of Certain Differences between the Government-Wide and Fund Financial Statements

#### Governmental Fund Balance Sheet and the Government-Wide Statement of Net Position

The governmental fund balance sheet includes a reconciliation between fund balance - total governmental funds and net position of governmental activities as reported in the government-wide statement of net position.

When capital assets that are to be used in governmental activities are purchased, the costs of those assets are reported as expenditures in governmental funds. However, the statement of net position includes those capital assets among the assets of the CRA as a whole.

Capital assets used in governmental activities are not financial resources and, therefore, are not reported in the funds. The cost of the assets is \$61,240 and the accumulated depreciation is \$51,284 for a net of \$9,956.

### Governmental Fund Statement of Revenues, Expenditures, and Changes in Fund Balance and the Government-Wide Statement of Activities

The governmental fund statement of revenues, expenditures, and changes in fund balance includes a reconciliation between the capital outlay of the governmental fund and the capital outlay contributed to the primary government as reported in the government-wide statement of activities.

Governmental funds report capital purchases as expenditures. However, in the statement of activities, the cost of those assets is depreciated over their estimated useful lives and reported as depreciation expenses. This results in a reconciling item in the amount of \$1,810 for depreciation expenses.

In the statement of activities, only the loss on the sale/disposal of capital assets is reported. However, in the governmental funds, the proceeds from the sale increase financial resources. Thus, the change in net position differs from the change in fund balance by the cost of the capital assets sold/disposed.

#### Note 3 - Cash and Equity in Pooled Cash and Investments

At September 30, 2021, the carrying amount of the CRA's cash deposits was \$3,608,099. These funds are a part of the City's pooled cash funds. The City's cash deposits are held by a bank that qualifies as a public depository under the *Florida Security for Public Deposits Act* as required by Chapter 280, Florida Statutes. The District does not have a separate deposit and investment policy and it follows the deposit and investment policies of the City. The City maintains an investment policy managing pooled cash and investments.

The City's investment policy is constructed with the objectives of: 1) preserving and protecting principal; 2) maintaining liquidity; and 3) earning interest on the invested funds and allowing the City to invest surplus money in instruments provided by Florida Statutes 166.261 and 218.415. Among them are U.S. Treasury bills, bonds, notes and their derivatives, federal agency securities, local government surplus trust funds, domestic time deposits, bankers' acceptance notes, commercial paper, repurchase agreements, federal securities trusts, collateralized mortgage obligations, corporate debt, asset-backed securities, taxable and tax-exempt securities, mortgage securities, and mutual funds made up of such securities.

Further information on the City's pooled cash and investments can be found in the notes to the annual financial statements of the City.

#### Note 4 - Capital Assets

Land, buildings and improvements, and tangible personal property of the CRA are reported as capital assets in the statement of net assets as part of the basic financial statements of the CRA. Upon acquisition, such assets are recorded as expenditures in the special revenue fund of the district and capitalized at cost in the capital asset accounts of the CRA.

Capital asset activity for the year ended September 30, 2021, was as follows:

|   | Be      | eginning |           |         |             |    | Ending   |
|---|---------|----------|-----------|---------|-------------|----|----------|
|   | Balance |          | Increases |         | (Decreases) | E  | Balance  |
| Capital Assets, Being Depreciated           |         |          |           |         |             |    |          |
| Buildings and Improvements                  | \$      | 27,152   | \$        | -       | \$-         | \$ | 27,152   |

| Total Capital Assets, Being Depreciated     |         | 61,240   |           | -       | -           |    | 61,240   |
| Less Accumulated Depreciation               |         |          |           |         |             |    |          |
| Buildings and Improvements                  |         | (15,386) |           | (1,810) | -           |    | (17,196) |
| Equipment                                   |         | (34,088) |           | -       | -           | -  | (34,088) |
| Total Accumulated Depreciation              |         | (49,474) |           | (1,810) | -           |    | (51,284) |
| Total Capital Assets Being Depreciated, Net |         | 11,766   |           | (1,810) | -           |    | 9,956    |
| Total Capital Assets, Net                   | \$      | 11,766   | \$        | (1,810) | \$-         | \$ | 9,956    |

#### Note 5 - Tax Increment Financing Revenue

The CRA is primarily funded through tax increment financing revenue. The tax increment revenue is calculated by applying the adopted millage rate to the increase in current year taxable assessed valuations within the designated CRA districts, using the year in which they were established as the "base year". The City is required to contribute 95% of the incremental property taxes levied each year. Osceola County is required to contribute 95% of the incremental property taxes levied each year. Starting December 31, 2031, the City agrees that beginning with the next applicable ad valorem tax year, the County millage shall cease to be contributed to the CRA. The CRA's taxable value is 139% of its base year taxable value.

#### Note to Schedule:

The annual operating budgets of St. Cloud Community Redevelopment Agency (the CRA) are prepared on a basis consistent with the CRA's basic financial statements, which are presented in accordance with generally accepted accounting principles.

**OTHER REPORTS** 

#### INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Board of Directors Community Redevelopment Agency St. Cloud, Florida

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the St. Cloud Community Redevelopment Agency (the CRA), as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the CRA's financial statements, and have issued our report thereon dated March 28, 2022.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the CRA's internal control over financial reporting (internal control) as a basis for designing auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness on the CRA's internal control. Accordingly, we do not express an opinion on the effectiveness of the CRA's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement on the CRA's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we would consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the CRA's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, non-compliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with such provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the CRA's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the CRA's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

#### INDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE WITH SECTION 163.387(6) AND (7), FLORIDA STATUTES

The Board of Directors Community Redevelopment Agency St. Cloud, Florida

We have examined the St. Cloud Community Redevelopment Agency's (the CRA) compliance with the requirements of Section 163.387(6) and (7), Florida Statutes, as of and for the year ended September 30, 2021, as required by Section 10.556(10)(f), *Rules of the Auditor General*. Management is responsible for the CRA's compliance with those requirements. Our responsibility is to express an opinion on the CRA's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the CRA complied, in all material respects, with the requirements referenced above. An examination involves performing procedures to obtain evidence about whether the CRA complied with the specific requirements. The nature, timing, and extent of procedures selected depend on our judgement, including an assessment of the risk of material non-compliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the CRA's compliance with specific requirements.

In our opinion, the CRA complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2021.

This report is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, the CRA, its management, and the Board of the City of St. Cloud, Florida, and is not intended to be, and should not be, used by anyone other than these specified parties.

#### INDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE WITH SECTION 218.415, FLORIDA STATUTES

The Board of Directors Community Redevelopment Agency St. Cloud, Florida

We have examined the St. Cloud Community Redevelopment Agency's (the CRA) compliance with the requirements of Section 218.415, Florida Statutes, as of and for the year ended September 30, 2021, as required by Section 10.556(10)(a), *Rules of the Auditor General*. Management is responsible for the CRA's compliance with those requirements. Our responsibility is to express an opinion on the CRA's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the CRA complied, in all material respects, with the requirements referenced above. An examination involves performing procedures to obtain evidence about whether the CRA complied with the specific requirements. The nature, timing, and extent of procedures selected depend on our judgement, including an assessment of the risk of material non-compliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the CRA's compliance with specific requirements.

In our opinion, the CRA complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2021.

This report is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, the CRA, its management, and the Board of the City of St. Cloud, Florida, and is not intended to be, and should not be, used by anyone other than these specified parties.

#### MANAGEMENT LETTER

The Board of Directors Community Redevelopment Agency St. Cloud, Florida

#### **Report on the Financial Statements**

We have audited the financial statements of the St. Cloud Community Redevelopment Agency (the CRA) as of and for the fiscal year ended September 30, 2021, and have issued our report thereon dated March 28, 2022.

#### Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, and Chapter 10.550, *Rules of the Auditor General*.

#### **Other Reporting Requirements**

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards;* and Independent Accountant's Report on examination conducted in accordance with American Institute of Certified Public Accountants *Professional Standards,* AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, *Rules of the Auditor General.* Disclosures in those reports and schedule, which are dated March 28, 2022, should be considered in conjunction with this management letter.

#### **Prior Audit Findings**

Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings and recommendations made in the preceding annual financial audit report.

#### **Official Title and Legal Authority**

Section 10.554(1)(i)4., *Rules of the Auditor General*, requires that the name or official title and legal authority for the primary government be disclosed in the Management Letter, unless disclosed in the notes to the financial statements (see Note 1 of the CRA's financial statements as of and for the year ended September 30, 2021, for this information).

#### MANAGEMENT LETTER

#### **Financial Condition and Management**

Sections 10.554(1)(i)5.a. and 10.556(7), *Rules of the Auditor General*, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the CRA has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and identify the specific condition(s) met. In connection with our audit, we determined that the CRA did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), *Rules of the Auditor General*, we applied financial condition assessment procedures. It is management's responsibility to monitor the CRA's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same.

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we communicate any recommendations to improve financial management. In connection with our audit, we identified the following matter:

**2021-1 CRA Budget**—Per the Auditor General *Compliance Supplement*, Section 163.387(6)(b), Florida Statutes, requires the CRA Board of Directors to provide the adopted budget to the county which the CRA is located within 10 days of adoption. The adopted budget and amendments were provided to the county during the year, but not within the required 10 days of adoption. We recommend that the City develop a process after the adoption of the CRA budget that it is then timely sent to the County.

#### **Special District Component Units**

Section 10.554(1)(i)5.d., *Rules of the Auditor General*, requires, if appropriate, that we communicate the failure of a special district that is a component unit of a county, municipality, or special district, to provide the financial information necessary for proper reporting of the component unit, within the audited financial statements of the county, municipality, or special district in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we determined that all special district component units provided the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes.

As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, *Rules of the Auditor General*, the CRA reported:

- The total number of district employees compensated in the last pay period of the district's fiscal year as 0.
- The total number of independent contractors to whom non-employee compensation was paid in the last month of the district's fiscal year as 0.
- All compensation earned by or awarded to employees, whether paid or accrued, regardless of contingency as \$107,827.
- All compensation earned by or awarded to non-employee independent contractors, whether paid or accrued, regardless of contingency as \$27,151.

The Board of Directors Community Redevelopment Agency St. Cloud, Florida

#### MANAGEMENT LETTER

Each construction project with a total cost of at least \$65,000 approved by the district that is scheduled to begin on or after October 1 of the fiscal year being reported, together with the total expenditures for such project as:

| Project Name                       | Project Number | Total           |
|------------------------------------|----------------|-----------------|
| Downtown Revitalization - Phase II | PW2000         | \$<br>2,589,460 |

A budget variance based on the budget adopted under Section 189.016(4), Florida Statutes, before the beginning of the fiscal year being reported if the district amends a final adopted budget under Section 189.016(6), Florida Statutes (see Schedule of Revenues, Expenditures, and Changes in Fund Balance – Budget and Actual as presented in the financial statements for the year ended September 30, 2021).

#### **Additional Matters**

Section 10.554(1)(i)3., *Rules of the Auditor General*, requires us to communicate non-compliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

#### **Purpose of this Letter**

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, federal and other granting agencies, the Honorable Mayor, and City Council and management, and is not intended to be, and should not be, used by anyone other than these specified parties.

#### **Re: RESPONSE TO CRA AUDITOR'S MANAGEMENT LETTER COMMENTS**

E Dear Ladies and Gentlemen:

The following is the City of St. Cloud's response to the independent auditor's management letter for the Auditor's Comments:

## D2021-1 — General Compliance Supplement, Section 163.387(6)(b), Adopted budget andEamendments were provided to the county during the year, but not within the required 10 dayPadoption:PThe Given with the Aution budget and the section 163.387(6)(b), adopted budget and the section 163.387(6)(b), adopted budget and 10 day

The City agrees with the Auditor's comments.

R The City initiated an amendment to the budget procedures manual. This was with the objective to update such manual concurrently since revisions needed to be updated with the incorporation of this statute into effect. Thus, corrective action was taken to revise the established budget procedure and timeline manual which is in implementation. Adoption of the amended procedures manual for budget was implemented December 16, 2021. To further comply, the update incorporated is a part of a tiered enhancement to the budget policy and procedures with intent to be presented to Council T on June of 2022. This is with commitment to provide a clearly defined document to the City's approach to the adherence of Title XII Chapter 66, Sections 241, in harmony with the compliance of section 163.387(6)(b).

Sincerely,

CITY OF ST. CLOUD Wendy C. Collazo, CPM, CGFO Finance Director
