INDEPENDENT AUDITOR'S REPORT

The Board of Directors Oviedo Community Redevelopment Agency Oviedo, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities and the major fund of the Oviedo Community Redevelopment Agency (the CRA), a component unit of the City of Oviedo, Florida (the City), as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the CRA's financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

The Board of Directors Oviedo Community Redevelopment Agency Oviedo, Florida

INDEPENDENT AUDITOR'S REPORT

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the CRA as of September 30, 2021, and its changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis (MD&A) and the budgetary comparison information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the MD&A and the budgetary comparison information, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the MD&A and the budgetary comparison information information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated March 21, 2022, on our consideration of the CRA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Purvis Gray

March 21, 2022 Ocala, Florida

This supplement to the Independent Auditor's Report and Financial Statements has been developed in accordance with the Government Accounting Standards Board Statement No. 34. It is intended to provide the readers of this report with a general overview of the financial activities of the Oviedo Community Redevelopment Agency (the CRA). The CRA provides the following discussion and analysis of the CRA's financial activities for the fiscal year ended September 30, 2021. Management's Discussion and Analysis is designed to: (a) assist the reader to focus on significant financial issues, (b) provide an overview of the CRA's financial activities, (c) identify changes in the CRA's financial position, (d) identify material deviations from the financial plan, and (e) identify individual fund issues or concerns. We encourage readers to consider the information presented here in conjunction with the CRA's financial statements.

The CRA

The CRA was created under Chapter 163, Florida Statutes (2007), and Ordinance No. 1496 of the City of Oviedo (the City). The Governing Board of the CRA (the Board) is appointed by the Oviedo City Council and the Seminole County Board of County Commissioners (the BOCC) and, therefore, the City exercises significant influence over its operations and fiscal management. The CRA is considered a component unit for financial reporting purposes and is included as a blended special revenue fund within the City's overall basic financial statements.

These financial statements are presented for the purpose of complying with state law, specifically Florida Statute Section 163.387(8)(a), which requires separate audited financial statements for each Community Redevelopment Agency that has revenues or expenditures that exceed \$100,000.

Financial Highlights

- The assets of the CRA exceeded its liabilities at the close of the most recent fiscal year by \$1,575,575.
- The CRA's fund balance increased by \$637,995 as a result of 2021 operations.
- Revenues for fiscal year 2021 were \$1,042,651 while expenditures totaled \$151,208. In addition, the CRA transfers funds to the City's general fund to cover a portion of the debt that was utilized for one of the CRA's redevelopment and infrastructure projects. Transfers for fiscal year 2021 totaled \$253,448.
- For the period ended September 30, 2021, actual revenues exceeded budgeted revenues by \$3,785 while actual expenditures were \$1,571,790 less than budgeted expenditures.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the CRA's basic financial statements, which are comprised of the following four (4) components:

- Government-Wide Financial Statements
- Fund Financial Statements
- Notes to the Financial Statements
- Required Supplementary Information

Government-Wide Financial Statements

The *government-wide financial statements* are designed to provide readers with a broad overview of the CRA's finances, in a manner similar to a private-sector business.

The *Statement of Net Position* presents financial information on all of the CRA's assets and liabilities, with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the CRA is improving or deteriorating.

The *Statement of Activities* presents information showing how the CRA's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported for some items that will only result in cash flows in future fiscal periods.

The government-wide financial statements listed above distinguish functions of the CRA that are principally supported by ad-valorem taxes and intergovernmental revenues (*governmental activities*) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (*business-type activities*). The governmental activity of the CRA is community redevelopment.

The government-wide financial statements include only the activities of the CRA. However, the CRA is considered a blended component unit the City and, as such, the financial information of the CRA is included in the City's Comprehensive Annual Financial Report for each fiscal year.

Fund Financial Statements

A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The CRA uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds

Governmental funds are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows* and *outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating the CRA's *near-term* financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the CRA's *near-term* financing decisions. Both the governmental fund Balance Sheet and the governmental fund Statement of Revenues, Expenditures, and Changes in Fund Balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

Special Revenue Funds

Special revenue funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditures for specified purposes other than debt service or capital projects. The CRA's expendable financial resources and the related liabilities are accounted for through a special revenue fund.

Restricted Fund Balance

Fund Balance should be reported as Restricted when constraints placed on the use of resources such as enabling legislative, which authorizes the government to access, levy, charge, or otherwise mandate payment of resources. All of the CRA's fund balance is considered Restricted.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

Required Supplementary Information (RSI)

Included in this section of the report is the Budgetary Comparison Schedule.

Government-Wide Financial Analysis

Statement of Net Position

As noted earlier, net position may serve over time as a useful indicator of the CRA's financial position. In the case of the CRA, assets exceeded liabilities by \$1,575,575 (*net position*) as of the close of the most recent fiscal year, an increase of \$637,995 in comparison with the prior year.

The following table reflects a summary of the *Statement of Net Position* for the current and prior year:

Oviedo Community Redevelopment Agency

	2021	2020		
Assets				
Cash and Cash Equivalents	\$ 695,439	\$ 590,463		
Investments	920,000	370,000		
Total Assets	1,615,439	960,463		
Liabilities and Fund Balances				
Liabilities				
Accounts Payable	39,456	22,475		
Due to Other Governments	408	408		
Total Liabilities	39,864	22,883		
Net Position				
Restricted	1,575,575	937 <i>,</i> 580		
Total Net Position	\$ 1,575,575	\$ 937,580		

Statement of Activities

The following table reflects the *Statement of Activities* for the current and prior year:

Oviedo Community Redevelopment Agency

	2021		 2020	
Revenues				
Property Taxes	\$	1,039,030	\$ 986,100	
Investment Income		3,621	12,730	
Total Revenues		1,042,651	 998,830	
Expenditures				
Current:				
Physical Environment		4,628	-	
Economic Development		85,039	92,796	
Capital Outlay:				
Physical Environment		61,541	300,058	
Total Expenditures		151,208	 392,854	
Excess of Revenues Over Expenditures		891,443	605,976	
Other Financing Sources (Uses)				
Transfer (Out)		(253,448)	 (258,368)	
Net Change in Net Position		637,995	347,608	
Net Position, Beginning of Year		937,580	 589,972	
Net Position, End of Year	\$	1,575,575	\$ 937,580	

Fiscal year 2021 activities increased the CRA's net position by \$637,995, or 68%, in comparison with the prior year. This change resulted from an increase in tax increment financing revenues in the current year due to an increase in property values within the CRA District.

Financial Analysis of the CRA's Funds

Governmental Funds

The focus of the CRA's *governmental funds* is to provide information on *near-term* inflows, outflows, and balances of *spendable resources*. Such information is useful in assessing the CRA's financing requirements. In particular, *unassigned fund balance* may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

The CRA's fund balance of \$1,575,575 is restricted for redevelopment projects within the CRA district.

Property taxes totaling \$1,039,030 represented approximately 100% of all revenues. The CRA's fund balance increased by \$637,995 in the current year. The increase in tax increment financing revenues received by the CRA in the current year resulted from increased property values within the CRA district.

Capital Assets and Debt Administration

The CRA's capital assets are considered to be property of the City and, therefore, are included as capital assets in the City's government-wide financial statements. Capital asset activity for the year ended September 30, 2021, can be found in the City's audited financial statements.

At September 30, 2021, the CRA had no long-term debt. Throughout each fiscal year, the CRA transfers funds to the City's general fund to cover a portion of the long-term debt that was incurred to be used for redevelopment and infrastructure projects.

Budgetary Highlights

An annual budget is prepared for the CRA and approved by the Board. The legal level of control is maintained at the fund level. During 2021, the Board approved supplemental budget appropriations to provide for unanticipated requirements of the period. These appropriations caused an increase from the original budget of \$1,120,498 for Economic Development and Physical Environment expenditures. Budget appropriations may not be legally exceeded on a fund basis, and appropriations lapse at the end of the fiscal year. The budget is adopted on a basis consistent with generally accepted accounting principles.

Economic Factors and Future Developments

The CRA will continue to plan projects and infrastructure improvements that align with its redevelopment priorities for the designated district. In addition, the CRA will continue to implement the community's shared development goals through its redevelopment strategies and critical tasks.

Request for Information

This financial information is designed to present users with a general overview of the CRA's finances for all those with an interest in its finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Office of the Finance Director located at 400 Alexandria Boulevard, Oviedo, Florida 32765.

See accompanying notes.

Note 1 - Summary of Significant Accounting Policies

The Oviedo Community Redevelopment Agency's (the CRA) financial statements are prepared in accordance with generally accepted accounting principles, as applicable to governments. The following is a summary of the more significant policies:

Reporting Entity

The CRA was created under the Florida Statutes, Chapter 163.410 and Ordinance No. 1496 of the City of Oviedo (the City). The purpose of the CRA is to establish the redevelopment priorities for the designated CRA. The Governing Board of the CRA (the Board) is appointed by the City Council (the Council) and the Seminole County Board of County Commissioners (the BOCC) and, therefore, the City exercises significant influence over its operations and fiscal management. The CRA is considered a component unit for financial reporting purposes and is included as a blended special revenue fund within the City's overall basic financial statements.

Financial Statements

These financial statements are presented for the purpose of complying with state law, specifically Florida Statutes, Section 163.387(8)(a), which requires separate audited financial statements for each Community Redevelopment Agency that has revenues or expenditures that exceed \$100,000.

Entity-wide financial statements are prepared at the City-wide level by the City and include the CRA. Copies of that report can be obtained from the City's Finance Department.

Measurement Focus, Basis of Accounting, and Financial Statement Presentation

Government-Wide Financial Statements

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of the related cash flows. Property taxes are recognized as revenue in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Fund Financial Statements

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting, except for debt service expenditures, which are recorded only when payment is due.

Considering that the fund statements are presented on a different measurement focus and basis of accounting than the government-wide governmental activities column, a reconciliation is sometimes necessary to explain the adjustments needed to reconcile the fund-based financial statements to the governmental activities column of the government-wide presentation.

Tax increment financing revenue, when levied for, and interest associated with the current fiscal period, are both considered to be measurable and have been recognized as revenues of the current fiscal year, if available.

When both restricted and unrestricted resources are available for use, it is the CRA's policy to use restricted resources first, and then unrestricted resources as they are needed.

The CRA reports the special revenue fund as a major governmental fund. The special revenue fund is used to account for all financial resources received by the CRA. The special revenue fund serves as the primary operating fund of the CRA. The CRA does not have any non-major funds.

Budgetary Requirements

An annual budget is prepared for all funds of the City, including the CRA. The budget amounts presented in the accompanying financial statements are as originally adopted, or as legally amended, by the Board during the year ended September 30, 2021. The appropriated budget is prepared by fund, function, and department. The City's department directors may make transfers of appropriations within a department, but not between funds. Transfers of appropriations between funds require the approval of the Board. The legal level of budgetary control (i.e., the level at which expenditures may not legally exceed appropriations) is the fund level. During 2021, the Board approved supplemental budget appropriations to provide for unanticipated requirements of the period. Budget appropriations may not be legally exceeded on a fund basis. Appropriations lapse at the end of each fiscal year. The budget is adopted on a basis consistent with generally accepted accounting principles.

Assets, Liabilities and Net Position

Cash and Cash Equivalents and Investments

The CRA participates in the City's pooled cash and investment portfolio. This pool includes deposits and overnight repurchase agreements, amounts with the State Board of Administration (SBA), and Florida SAFE. Interest income earned as a result of pooling is distributed to the appropriate funds based on the average daily balance of cash in each fund for the period.

Investments

Investments for the CRA are reported at fair value within the fair value hierarchy established in accordance with Governmental Accounting Standards Board (GASB) Statement No. 72, *Fair Value Measurement and Application*, unless the investment qualifies as an external investment pool. External investment pools are an arrangement that commingles (pools) the moneys of more than one legally separate entity and invests, on the participants' behalf, in an investment portfolio and one or more of the participants is not part of the sponsor's reporting entity. GASB Statement No. 79, *Certain External Investment Pools and Pool Participants*, addresses accounting and financial reporting for pools. Specifically, it establishes criteria for an external investment pool to qualify for making the election to measure all of its investments at amortized cost for financial reporting purposes if the pool meets the criteria of GASB Statement No. 79.

Fair Value Measurement - The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques.

These guidelines recognize a three-tiered fair value hierarchy, in order of highest priority, as follows:

- <u>Level 1 Inputs</u>: Quoted price for identical assets in an active market.
- Level 2 Inputs: (A) Quoted prices for similar assets or liabilities in active markets; (B) quoted prices for identical or similar assets or liabilities in markets that are not active; (C) inputs other than quoted prices that are observable for the assets or liabilities, such as: (1) interest rates and yield curves observable at commonly quoted intervals, (2) implied volatilities, (3) credit spreads; and (D) market-corroborated inputs.
- <u>Level 3 Inputs</u>: Unobservable inputs for an asset or liability are significant to the fair value measurements.

Capital Assets

Capital assets include property, plant, equipment and infrastructure assets (e.g., roads, bridges, sidewalks, and similar items). The CRA's capital assets are considered to be property of the City and, therefore, are included as capital assets in the City's government-wide financial statements. Capital asset activity for the year ended September 30, 2021, can be found in the City's audited financial statements. As the capital assets are retained by the City, the CRA contributes capital to the general fund for capital outlay related to the CRA's redevelopment and infrastructure projects.

Nature and Purpose of the Fund Balance

In the fund financial statements, the governmental fund reports fund classifications that comprise a hierarchy based primarily on the extent to which the CRA is bound to honor constraints on the specific purposes for which amounts in the fund can be spent. Amounts that are restricted to specific purposes either by: a) constraints placed on the use of resources by creditors, grantors, contributors, or laws or regulations of other governments; or b) imposed by law through constitutional provisions or enabling legislation, are classified as restricted fund balances. Amounts that can only be used for specific purposes pursuant to constraints imposed by the Board through an ordinance or resolution are classified as committed fund balances. Amounts that are constrained by the CRA's intent to be used for specific purposes, but are neither restricted nor committed, are classified as assigned fund balances. Assignments are made by the Board or the City Manager. Non-spendable fund balances include amounts that cannot be spent because they are either: a) not in spendable form, or b) legally or contractually required to be maintained intact. Unassigned fund balance represents fund balance that is not restricted, committed, or assigned to specific purposes within the CRA.

Unspent tax increment financing revenues are restricted for future redevelopment projects and are reported as restricted fund balance in the financial statements. Unassigned fund balance, if any, represents fund balance that has not been restricted, committed, or assigned to specific purposes within the CRA.

Net Position

The government-wide financial statements utilized a net position presentation. Restricted net position are unspent tax increment financing revenues that are restricted for future redevelopment projects. Unrestricted net position represents the net position of the CRA that is not restricted for any project or purpose.

Other Significant Accounting Policies

<u>Use of Estimates</u>

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Transfers and Contributions

The CRA makes transfers to the City's general fund to cover a portion of the debt that was incurred and related to one of the CRA's redevelopment and infrastructure projects, Oviedo on the Park.

Capital outlay is contributed by the CRA to the City's general fund for capital outlay incurred for the CRA's redevelopment and infrastructure projects.

Payroll-Related Expenses and Liabilities

The CRA Director is a contracted employee and not an employee of the City. All other functions are performed by employees of the City. Payroll-related activity for the year ended September 30, 2021, can be found in the City's audited financial statements.

Note 2 - Explanation of Certain Differences Between the Government-Wide and Fund Financial Statements

Statement of Net Position and Governmental Fund Balance Sheet

The governmental fund balance sheet includes a reconciliation between fund balance - total governmental funds and net position of governmental activities as reported in the government-wide statement of net position.

Statement of Activities and Governmental Fund Statement of Revenues, Expenditures, and Changes in Fund Balances

The governmental fund statement of revenues, expenditures, and changes in fund balance includes a reconciliation between the capital outlay of the governmental fund and the capital outlay contributed to the primary government as reported in the government-wide statement of activities.

Note 3 - Cash and Equity in Pooled Cash and Investments

At September 30, 2021, the carrying amount of the CRA's cash deposits was \$695,439. These funds are a part of the City's pooled cash funds. The City's cash deposits are held by a bank that qualifies as a public depository under the *Florida Security for Public Deposits Act* as required by Chapter 280, Florida Statutes. The City maintains an investment policy managing pooled cash and investments. Further information on the City's pooled cash and investments can be found in the notes to the annual financial statements of the City.

Note 4 - Investments

As of September 30, 2021, the CRA's investment portfolio was composed of the following investments, including information on their fair value and weighted average maturity (WAM):

Туре	Fair Value		WAM
Florida PRIME	\$	397,173	49 Days
Certificates of Deposit		73,088	Less than 1 Year
Florida SAFE VNAV		317,031	Less than 1 Year
Florida SAFE SNAV		132,708	Less than 1 Year
Total	\$	920,000	

The City utilizes a pooled investment concept for all its funds to maximize its investment program. Investment income from this internal pooling is allocated to the respective funds based upon the sources of funds invested.

Investments in certificates of deposit are to be made only with banks and/or savings and loans that qualify as authorized depositories under Florida law. City policy provides for other investments to be made through authorized depositories. State statutes and City policy authorize investments in U.S. Treasury bills, notes, and bonds; insured or fully collateralized certificates of deposit or bank savings accounts; U.S. government instrumentalities; Local Government Investment Pools (LGIP); SBA intermediate term investment pools; and money market funds and mutual funds that invest solely in U.S. Government obligations.

The City investments in external investment pools are as follows:

Florida PRIME—The fund is administered by the SBA. As a Florida PRIME participant, the City invests in a pool of investments whereby the City owns a share of the respective pool, not the underlying securities. Florida PRIME currently meets all of the necessary criteria to elect to measure all of the investments at amortized cost.

Florida SAFE Stable NAV—The fund is administered by PMA Financial Network, LLC. The fund's investments are valued at stable net asset value (NAV) and currently meet all of the necessary criteria to elect to measure all of the investments in the fund at amortized cost.

Florida SAFE Variable NAV—The fund is administered by PMA Financial Network, LLC. The fund is valued at variable NAV and, thus, does not meet the criteria to elect to measure all of the investments at amortized cost under GASB Statement No. 79. Because it values its investments at variable NAV, which approximates fair value, the fund is not subject to the fair value hierarchy table under GASB Statement No. 72.

The following schedule reconciles the cash, cash equivalents, and investment balances as shown in the financial statements with the portfolio totals shown above authorized under Sections 218.415 and 166.261 of Florida State Statutes:

Cash, Cash Equivalents, and Investments - Statement of Net Position

Cash and Cash Equivalents	\$ 695,439
Investments	 920,000
Total Cash, Cash Equivalents, and Investments	\$ 1,615,439

Interest Rate Risk

The investment portfolio policy of the City has the objective of regularly exceeding the average return on the SBA's Local Surplus Funds Trust Fund (Florida PRIME) for short-term investments (less than a year in duration) and for long-term investments, an index of the United States Treasury or government securities. These indices are considered benchmarks for the riskless investment transactions and, therefore, comprise a minimum standard for the portfolio rate of return.

The investment portfolio policy of the City states that investments shall be held to maturity unless called. Investments shall be structured so as to maintain a portfolio average maturity of no longer than five years. For purposes of meeting this limitation, variable rate securities shall be measured on the basis of the period elapsed between interest reset dates. No investment shall be made in an instrument with a stated final maturity longer than five years. Below are the credit quality distributions for securities with credit exposure as a percentage of total investments with investments held in the City's portfolio as of September 30, 2021:

Credit Quality Distribution for Securities with Credit Exposure as a Percentage of Total Investments

		Percentage of
Type of Investment	Credit Rating	Total
Florida SAFE SNAV	AAAm	44%
Certificate of Deposit	N/A	8%
Florida PRIME	AAAm	34%
Florida SAFE VNAV	AAAf	14%

Credit Risk

Securities shall be limited to those rated BAA or higher by Moody's or Standard & Poor's rating services. Unrated investments are typically U.S. agency backed securities.

Concentration of Credit Risk

The investment portfolio policy of the City has the objective of structuring investments as to not allow for an investment in any one type of issue (e.g., Federal Home Loan Bank) that is in excess of 50% of the City's total investments.

Custodial Credit Risk-Investments

For an investment, this is the risk that, in the event of the failure of the counterparty, the City will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party.

As of September 30, 2021, the City has satisfied all of the objectives and requirements laid out in the City's investment policy and held no investments that were not in compliance with policy.

Investment income for the year ended September 30, 2021, was \$3,621.

Note 5 - Tax Increment Financing Revenue

The CRA is primarily funded through tax increment financing revenue. The tax increment revenue is calculated by applying the adopted millage rate to the increase in current year taxable assessed valuations within the designated CRA districts, using the year in which they were established as the "base year". The City is required to contribute a minimum of 50% and maximum of 95% of the incremental property taxes levied each year. Seminole County is required to contribute 50% of the incremental property taxes levied each year for 20 years, once the CRA's taxable value is 115% of its base-year taxable value.

OTHER REPORTS

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Board of Directors Oviedo Community Redevelopment Agency Oviedo, Florida

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the Oviedo Community Redevelopment Agency (the CRA) as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the CRA's financial statements and have issued our report thereon dated March 21, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the CRA's internal control over financial reporting (internal control) as a basis for designing auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness on the CRA's internal control. Accordingly, we do not express an opinion on the effectiveness of the CRA's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement on the CRA's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we would consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The Board of Directors Oviedo Community Redevelopment Agency Oviedo, Florida

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the CRA's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, non-compliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with such provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the CRA's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the CRA's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE WITH SECTION 163.387(6) AND (7), FLORIDA STATUTES

The Board of Directors Oviedo Community Redevelopment Agency Oviedo, Florida

We have examined the Oviedo Community Redevelopment Agency's (the CRA) compliance with the requirements of Section 163.387(6) and (7), Florida Statutes, as of and for the year ended September 30, 2021, as required by Section 10.556(10)(f), *Rules of the Auditor General*. Management is responsible for the CRA's compliance with those requirements. Our responsibility is to express an opinion on the CRA's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the CRA complied, in all material respects, with the requirements referenced above. An examination involves performing procedures to obtain evidence about whether the CRA complied with the specific requirements. The nature, timing, and extent of procedures selected depend on our judgement, including an assessment of the risk of material non-compliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the CRA's compliance with specific requirements.

In our opinion, the CRA complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2021.

This report is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, the CRA, its management, and the Board of Directors of the City of Oviedo, Florida, and is not intended to be, and should not be, used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE WITH SECTION 218.415, FLORIDA STATUTES

The Board of Directors Oviedo Community Redevelopment Agency Oviedo, Florida

We have examined the Oviedo Community Redevelopment Agency's (the CRA) compliance with the requirements of Section 218.415, Florida Statutes, as of and for the year ended September 30, 2021, as required by Section 10.556(10)(a), *Rules of the Auditor General*. Management is responsible for the CRA's compliance with those requirements. Our responsibility is to express an opinion on the CRA's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the CRA complied, in all material respects, with the requirements referenced above. An examination involves performing procedures to obtain evidence about whether the CRA complied with the specific requirements. The nature, timing, and extent of procedures selected depend on our judgement, including an assessment of the risk of material non-compliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the CRA's compliance with specific requirements.

In our opinion, the CRA complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2021.

This report is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, the CRA, its management, and the Board of Directors of the City of Oviedo, Florida, and is not intended to be, and should not be, used by anyone other than these specified parties.

MANAGEMENT LETTER

The Board of Directors Oviedo Community Redevelopment Agency Oviedo, Florida

Report on the Financial Statements

We have audited the financial statements of the Oviedo Community Redevelopment Agency (the CRA) as of and for the fiscal year ended September 30, 2021, and have issued our report thereon dated March 21, 2022.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and Chapter 10.550, *Rules of the Auditor General*.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards;* and Independent Accountant's Report on examination conducted in accordance with American Institute of Certified Public Accountants *Professional Standards,* AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, *Rules of the Auditor General.* Disclosures in those reports and schedule, which are dated March 21, 2022, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings and recommendations made in the preceding comprehensive annual financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., *Rules of the Auditor General*, requires that the name or official title and legal authority for the primary government be disclosed in the Management Letter, unless disclosed in the notes to the financial statements (see Note 1 of the CRA's financial statements as of and for the year ended September 30, 2021, for this information).

The Board of Directors Oviedo Community Redevelopment Agency Oviedo, Florida

MANAGEMENT LETTER

Financial Condition and Management

Sections 10.554(1)(i)5.a. and 10.556(7), *Rules of the Auditor General*, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the CRA has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and identify the specific condition(s) met. In connection with our audit, we determined that the CRA did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), *Rules of the Auditor General*, we applied financial condition assessment procedures. It is management's responsibility to monitor the CRA's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same.

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we communicate any recommendations to improve financial management. In connection with our audit, we identified the following matter:

2021-1 CRA Budget—Per the Auditor General *Compliance Supplement*, Section 163.387(6)(b), Florida Statutes, requires the CRA Board of Directors to provide the adopted budget to the county which the CRA is located within 10 days of adoption. The adopted budget and amendments were provided to the county during the year, but not within the required 10 days of adoption. We recommend that the City develop a process after the adoption of the CRA budget that is then timely sent to the County.

Special District Component Units

Section 10.554(1)(i)5.d., *Rules of the Auditor General*, requires, if appropriate, that we communicate the failure of a special district that is a component unit of a county, municipality, or special district, to provide the financial information necessary for proper reporting of the component unit, within the audited financial statements of the county, municipality, or special district in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we determined that all special district component units provided the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes.

As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, *Rules of the Auditor General*, the CRA reported the following information that was not subject to auditing procedures:

- The total number of district employees compensated in the last pay period of the district's fiscal year as 0.
- The total number of independent contractors to whom non-employee compensation was paid in the last month of the district's fiscal year as 1.
- All compensation earned by or awarded to employees, whether paid or accrued, regardless of contingency as \$0.
- All compensation earned by or awarded to non-employee independent contractors, whether paid or accrued, regardless of contingency as \$32,475.

The Board of Directors Oviedo Community Redevelopment Agency Oviedo, Florida

MANAGEMENT LETTER

Each construction project with a total cost of at least \$65,000 approved by the district that is scheduled to begin on or after October 1 of the fiscal year being reported, together with the total expenditures for such project as:

Project Name	Project Number	Budget		Expenditures to Date
Franklin Street	PW2005	\$ 161,588	\$	27,337
Geneva Drive to SR 434 Connector	PW2006	\$ 1,296,562	\$	34,205

A budget variance based on the budget adopted under Section 189.016(4), Florida Statutes, before the beginning of the fiscal year being reported if the district amends a final adopted budget under Section 189.016(6), Florida Statutes, see Schedule of Revenues, Expenditures, and Changes in Fund Balance - Budget and Actual as presented in the financial statements for the year ended September 30, 2021.

Additional Matters

Section 10.554(1)(i)3., *Rules of the Auditor General*, requires us to communicate non-compliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, federal and other granting agencies, the Honorable Mayor, and City of Oviedo City Council and management, and is not intended to be, and should not be, used by anyone other than these specified parties.

March 21, 2022

Governing Board City of Oviedo Community Redevelopment Agency

RE: Response to Report of Audit Findings Management Letter for the Fiscal Year ended September 30, 2021.

2021-1 CRA Budget: Noncompliance with Section 163.387(6)(b) Florida Statutes applicable to the Community Redevelopment Agency (CRA), which requires the CRA Governing Board to submit its annual budget to the County within 10 days after adoption of such budget, and submit amendments of its annual budget to the County within 10 days after the adoption date of the amended budget.

The City of Oviedo Finance Department has created a procedure to ensure that the CRA budget, and any subsequent amendments, once adopted, are forwarded to Seminole County within the 10-day timeframe as allowed by F.S. Section 163.387(6)(b).

Should you have any questions or concerns about the above response, please contact me directly.

Sincerely,

Jemy Boop

Jerry Boop CPA, CGFO Finance Director
