INDEPENDENT AUDITOR'S REPORT

To the Board of Commissioners
Community Redevelopment Agency of the City of Fort Myers, Florida
Fort Myers, Florida

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities and governmental fund of the Community Redevelopment Agency of the City of Fort Myers, Florida (CRA), a component unit of the City of Fort Myers, Florida, as of and for the year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise CRA's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and governmental fund of the CRA, as of September 30, 2022, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the CRA and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the CRA's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the CRA's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the CRA's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and required supplementary information as listed in the table of contents be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 2, 2023, on our consideration of the CRA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the CRA's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering CRA's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

The Community Redevelopment Agency of the City of Fort Myers, Florida (CRA) management offer readers of the CRA's financial statements this narrative overview and analysis of the financial activities of the CRA for the fiscal year ended September 30, 2022. We encourage readers to consider the information presented here in conjunction with the basic financial statements.

Financial Highlights

- The assets and deferred outflows of resources of the CRA exceeded its liabilities and deferred inflows of resources at the close of the most recent fiscal year by \$5,808,771 (net position).
- The CRA's total net position increased by \$579,318 during the year ended September 30, 2022.
- The CRA participates in the City of Fort Myers, Florida's (City) pension and OPEB plans. The CRA reports the proportionate share of the City's actuarially calculated net pension liability and total OPEB plan liability, and related deferred inflows and deferred outflows. The CRA's proportionate share of the total OPEB and net pension liabilities at year end is \$156,836 and \$1,093,345, respectively. The CRA's proportionate share of the total OPEB liability increased \$8,892 and the net pension liability increased \$695,545, due to market fluctuations and other actuarial valuation changes.
- As of the close of the current fiscal year, the CRA's governmental fund reported an ending fund balance of \$6,217,939, a decrease of \$81,793. The entire fund balance is restricted for redevelopment purposes within the CRA's boundaries.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the CRA's basic financial statements which is comprised of three components:

- 1) government-wide financial statements,
- 2) fund financial statements,
- 3) notes to the financial statements.

This report also contains required supplementary information in addition to the basic financial statements.

Government-wide Financial Statements: The government-wide financial statements are designed to provide readers with a broad overview of the CRA's finances, in a manner similar to a private-sector business.

The statement of net position presents information on all of the CRA's assets and deferred outflows of resources and liabilities and deferred inflows of resources, with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the CRA is improving or deteriorating.

The statement of activities presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported in a manner similar to the approach used by private-sector businesses in that revenues are recognized when earned or established criteria are satisfied and expenses reported when incurred. Accordingly, revenues are reported even when they may not be collected for several months after the end of the year and expenses are reported even though they may not have used cash during the current fiscal year.

Both government-wide financial statements distinguish functions of the CRA that are principally supported by taxes. The CRA is only involved in governmental activities.

The government-wide financial statements can be found on pages 10 and 11 of this report.

Fund Financial Statements: Funds are a group of self-balancing accounts. Funds are used to account for specific activities of the CRA. The CRA, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The CRA reported one fund which is a governmental fund. The CRA's governmental fund is used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, the governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating the CRA's near-term financing requirements.

Because the focus of the governmental fund is narrower than that of the government-wide financial statements, it is useful to compare the information presented for the governmental fund with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the CRA's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures and changes in fund balance provide a reconciliation to facilitate this comparison between the governmental fund and governmental activities.

The CRA adopts an annual appropriated budget for its governmental fund. A budgetary comparison schedule has been provided for these funds to demonstrate compliance with the budget.

The basic governmental fund financial statements, including reconciliations, can be found on pages 12 through 15 of this report.

Notes to the Financial Statements: The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes should be read in conjunction with the financial statements and begin on page 16.

Other Information: In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information concerning the CRA's budgetary comparisons, as well as pension and other postemployment benefits information. Required supplementary information is listed in the table of contents.

Government-wide Financial Analysis

The following table presents a condensed statement of net position as of September 30, 2022 with comparative totals as of September 30, 2021.

	Governmental Activities	
	2022	2021
Current and other assets	\$ 7,611,433	\$ 6,956,811
Capital assets (net of depreciation)	491,223	501,284
Total assets	8,102,656	7,458,095
Deferred outflows of resources	436,115	20,780
Long-term liabilities	1,844,225	1,114,424
Other liabilities	863,475	672,208
Total liabilities	2,707,700	1,786,632
Deferred inflows of resources	22,300	462,790
Net Position:		
Net investment in capital assets	491,223	501,284
Restricted	5,317,548	4,728,169
Total Net Position	\$ 5,808,771	\$ 5,229,453

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the CRA, assets and deferred outflows exceeded liabilities and deferred inflows by \$5,808,771 at the close of September 30, 2022.

The CRA's net position includes net investment in capital assets of \$491,223, which reflect its capital assets (e.g., buildings, improvements, equipment, and infrastructure), net of depreciation, less any related debt used to acquire those assets that are still outstanding. The CRA did not have any related debt on their capital assets. The CRA uses these capital assets to provide services; consequently, these assets are not available for future spending.

The remaining net position is restricted for redevelopment purposes.

The following is a summary of the changes in net position for the year ended September 30, 2022, with comparative totals for the year ended September 30, 2021.

	<u>Governmental Activities</u>	
	<u>2022</u>	<u>2021</u>
Revenues:		
Program revenues:		
Charges for services	\$ 17,390	\$ 24,000
Capital grants and contributions	-	31,370
Total program revenues	17,390	55,370
General revenues:		
Tax incremental financing proceeds	2,363,143	2,138,227
Investment earnings	(224,632)	14,808
Total revenues	<u>2,155,901</u>	<u>2,208,405</u>
Expenses:		
Economic environment	4,813,315	3,505,047
Interest on long-term debt	22,111	25,243
Total expenses	<u>4,835,426</u>	<u>3,530,290</u>
Transfers from the City of Fort Myers, net	<u>3,258,843</u>	<u>2,626,874</u>
Change in Net Position	579,318	1,304,989
Net Position – beginning of year	5,229,453	3,924,464
Net Position – end of year	<u>\$ 5,808,771</u>	<u>\$ 5,229,453</u>

Governmental activities increased the CRA's net position by \$579,318. Compared to the prior year, revenues decreased \$52,504, primarily due to reductions in program revenues which vary from year to year. Additionally, tax incremental financing proceeds increased by approximately \$225,000, whereas current year investment performance declined by approximately \$239,000.

Expenses increased by \$1,305,136. This was largely due to increases in tax rebates of approximately \$351,000 and other subsidies and assistance increases of approximately \$861,000.

Financial Analysis of the Governmental Fund

As noted earlier, the CRA uses fund accounting to ensure and demonstrate compliance with finance-related and other legal requirements. The focus of the CRA's governmental fund is to

provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the CRA’s financing requirements.

As of the end of the current fiscal year, the CRA’s governmental fund reported an ending fund balance of \$6,217,939, a decrease of \$81,793 in comparison with the prior year. The entire fund balance is restricted for redevelopment within the CRA’s boundaries. Revenues for 2022 were the same as reported as governmental activities, decreasing over prior year by \$52,504. Because expenditures at the fund level include capital outlay and do not include personnel costs that will be incurred in future years (compensated absences, pension and OPEB), the expenditures can vary significantly compared to expenses reported as governmental activities. At the fund level, expenditures increased over the prior year by \$1,930,656, which was consistent with the increase of the governmental activities expenses, with the exception of capital outlay reported in conjunction with the implementation of GASB No. 87.

Budgetary Highlights

The operating budget was presented publicly twice; first to the CRA’s Advisory Board for recommendations, and, the second public hearing was made to the CRA’s Board of Commissioners. The budget was adopted by Resolution pursuant to the requirements of Florida Statutes. There were two budget amendments made during the year for the purpose of utilizing funds remaining in the redevelopment trust fund at the end of the previous year. All budget amendments that increased the aggregate budget appropriations were approved by the Board of Commissioners. The overall budget remained within the approved parameters.

Capital Assets and Debt Administration

Capital Assets: The CRA’s capital assets for its governmental-type activities as of September 30, 2022, amounted to \$491,223 (net of accumulated depreciation). Capital assets includes buildings, improvements, equipment and infrastructure.

Capital assets as of September 30, 2022 and 2021 are as follows:

	<u>Governmental Activities</u>	
	<u>2022</u>	<u>2021</u>
Buildings	\$ 323,531	\$ 342,656
Equipment	39,821	14,030
Improvements	14,093	15,931
Infrastructure	113,778	128,667
	<u>491,223</u>	<u>501,284</u>
Total	<u>\$ 491,223</u>	<u>\$ 501,284</u>

Additional information on the CRA’s capital assets can be found in note 5.

Long-Term Liabilities: At the end of the current fiscal year, the CRA had total long-term liabilities outstanding of \$1,844,225 which includes the proportionate share of the City's net pension liability totaling \$1,093,345, the proportionate share of the City's total OPEB related liability totaling \$156,836, lease liability of \$544,646 under the implementation of GASB No.87, *Leases*, and the CRA's liability for compensated absences totaling \$49,398.

The CRA's outstanding principal debt on its revenue note payable decreased \$496,154 during fiscal year 2022 and was paid in full. Debt activity included normal principal and interest payments related to the note.

Additional information on the CRA's long-term liabilities can be found in notes 6, 8 and 9.

Economic Factors and Next Year's Budgets and Rates

The following factors were considered in preparing the CRA's budget for the 2023 fiscal year:

- The City of Fort Myers, Florida experienced an increase in taxable assessed values of approximately 11%. This increase in property values is estimated to generate approximately \$812,000 in additional revenue.
- The property tax millage rate will decrease from 7.5875% mills to 6.9999% in 2023.
- The City of Fort Myers, Florida is restricted in assessing ad valorem tax on only 95% of total property values. Ad valorem tax revenues are heavily relied upon for redevelopment within the CRA boundaries.

The total budgeted revenues for the CRA for the 2023 fiscal year are \$4,083,400 (excluding transfers and use of fund balance). Total budgeted expenditures for the CRA for the 2023 fiscal year are \$13,520,100.

Requests for Information

This financial report is designed to provide a general overview of the CRA's finances for all those with an interest in the government's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Community Redevelopment Agency of the City of Fort Myers, Florida, 1400 Jackson Street, Suite 102, Fort Myers, Florida 33901.

Total Revenues	2,155,901
EXPENDITURES	
Current:	
Economic environment	4,910,742
Total current	4,910,742
Debt service:	
Principal retirement	496,154
Lease payments	52,401
Interest	37,240
Total debt service	585,795
Capital outlay	598,409
Total Expenditures	6,094,946
EXCESS OF REVENUES OVER (UNDER) EXPENDITURES	(3,939,045)
OTHER FINANCING SOURCES (USES)	
Leases as implemented under GASB No. 87 (Note 1)	598,409
Transfers from the City of Fort Myers, Florida	4,642,402
Transfers to the City of Fort Myers, Florida	(1,383,559)
Total other financing sources (uses)	3,857,252
NET CHANGE IN FUND BALANCE	(81,793)
FUND BALANCES – Beginning of year	6,299,732
FUND BALANCES – End of year	\$ 6,217,939

The accompanying notes are an integral part of these financial statements

**COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF FORT MYERS, FLORIDA
(A COMPONENT UNIT OF THE CITY OF FORT MYERS, FLORIDA)
RECONCILIATION OF THE STATEMENT OF REVENUES,
EXPENDITURES AND CHANGES IN FUND BALANCE OF THE GOVERNMENTAL FUND
TO THE STATEMENT OF ACTIVITIES
FOR THE YEAR ENDED SEPTEMBER 30, 2022**

Amounts reported for governmental activities in the statement of activities are different because:

Net changes in fund balance – governmental fund \$ (81,793)

In the statement of activities, the right-to-use asset from a lease is amortized over the life of the lease. However, the right-to-use asset is not reported in the governmental fund.

Right-to-use asset additions 598,409
Less amortization (68,390)

Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense.

Capital outlay as capital asset additions 35,551
Less current depreciation (45,612)

Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in the governmental fund:

Change in compensated absences liability 23,128
Change in accrued interest expense liability 15,129
Change in lease liability (544,646)

Change in other postemployment benefits (OPEB):

Total OPEB liability (8,892)
Deferred inflows of resources 5,314
Deferred outflows of resources 15,225

Change in pension:

Net pension liability (695,545)
Deferred inflows of resources 435,176
Deferred outflows of resources 400,110

The issuance of long-term debt provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds:

Principal payments on revenue bonds payable 496,154

CHANGE IN NET POSITION OF GOVERNMENTAL ACTIVITIES \$ 579,318

The accompanying notes are an integral part of these financial statements

**COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF FORT MYERS, FLORIDA
(A COMPONENT UNIT OF THE CITY OF FORT MYERS, FLORIDA)
NOTES TO FINANCIAL STATEMENTS**

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. REPORTING ENTITY

The Community Redevelopment Agency of the City of Fort Myers, Florida (CRA) was established November 5, 1984 by the City of Fort Myers under Ordinance 2259 pursuant to Chapter 163, Part III of the Florida Statutes. The mission of the CRA is to redevelop and revitalize the historic downtown, as well as the older commercial corridors and residential neighborhoods of the City of Fort Myers, Florida (City). The six City Council Members and the Mayor of the City are the governing board of the CRA, sitting as the Board of Commissioners, which elects a chairperson and vice-chairperson. The CRA is fiscally dependent on the City because it is unable to issue bonded debt without approval by the City. The majority of the revenue sources result from tax increment financing, which is a commitment of the City's taxing power.

The CRA includes the Downtown Redevelopment Area, the Central Fort Myers Redevelopment Area, the East Fort Myers Redevelopment Area, the Cleveland Avenue Redevelopment Areas and the Dr. Martin Luther King, Jr. Boulevard Redevelopment Areas. The CRA is presented as a non-major special revenue fund in the City's Annual Comprehensive Financial Report for the year ended September 30, 2022.

The financial statements present the financial position and results of the operations solely of the CRA. In evaluating the CRA as a reporting entity, management has addressed all potential component units for which the CRA may or may not be financially accountable. No component units exist which would require inclusion in the CRA's financial statements.

B. BASIS OF PRESENTATION

BASIS OF ACCOUNTING: BASIC FINANCIAL STATEMENTS – GOVERNMENT-WIDE STATEMENTS

The CRA's basic financial statements include government-wide financial statements. The basic financial statements present only governmental activities, as the CRA conducts no business-type activities. The government-wide financial statements are prepared using the economic resources measurement focus and the accrual basis of accounting. Government-wide financial statements include a statement of net position and a statement of activities. The statement of net position reports all financial and capital resources of the CRA's governmental activities. It is presented in a net position format (assets plus deferred outflows less liabilities plus deferred inflows equal net position) and is shown with three components: net investment in capital assets, restricted net position and unrestricted net position. Since all of the net position is restricted for redevelopment within the CRA's boundaries, there is no unrestricted net position in the statement of net position.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include 1) charges for services including licenses and permits, fines and other related revenues and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items that do not meet the criteria of program revenues are reported instead as general revenues.

(A COMPONENT UNIT OF THE CITY OF FORT MYERS, FLORIDA)
NOTES TO FINANCIAL STATEMENTS**

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

BASIC FINANCIAL STATEMENTS – FUND FINANCIAL STATEMENTS

The CRA's basic financial statements also include fund financial statements. The CRA's accounts are organized on the basis of funds, which are self-balancing set of accounts that comprise its assets, deferred outflows, liabilities, deferred inflows, reserves, fund balance, revenues and expenditures.

The CRA only has one governmental fund which follows the modified accrual basis of accounting. Under this method, revenues are recorded when they become measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. The CRA considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures are generally recorded when a fund liability is incurred.

Incremental taxes are recognized as revenue in the fiscal year for which the taxes have been levied to the extent they result in current receivables. No material amount of taxes is receivable at the end of the fiscal year.

C. BUDGETARY INFORMATION

An annual budget for the CRA is adopted on a basis consistent with U.S. generally accepted accounting principles. The legal level of budgetary control (i.e., the level at which expenditures may not legally exceed appropriations) is at the fund level. Expenditures should not exceed total appropriations. All annual appropriations lapse at the end of the fiscal year. Budget amendments are approved by the City Council.

D. CASH AND CASH EQUIVALENTS

The CRA considers all highly liquid investments with original maturities of three months or less when purchased to be cash equivalents.

E. INVESTMENTS

The CRA participates in the City's cash and investment pool which includes cash, cash equivalents, equity and fixed income securities, and investments held in an external investment pool. The equity and fixed income securities are reported at fair value. The difference between the initial cost and fair value of investments held is recorded as net unrealized gains or losses and is included in net investment earnings. Purchases and sales of investments are recorded on the trade dates. Net realized gains and losses on sale of investments are reflected in current operating results as investment earnings along with interest and dividends.

The City's cash and investment pool invests surplus funds in two external investment pools: 1) a Local Government Surplus Funds Trust Fund known as Florida PRIME; and 2) the Florida Surplus Asset Trust Fund known as FL SAFE. Both external investment pools are considered a qualifying external investment pool that meets all of the necessary criteria to elect to measure all of the investments at amortized.

COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF FORT MYERS, FLORIDA
(A COMPONENT UNIT OF THE CITY OF FORT MYERS, FLORIDA)
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

F. CAPITAL ASSETS

Capital assets, which include property, plant, equipment, and infrastructure assets (such as roads, bridges, sidewalks, and similar assets) are reported in the government-wide financial statements. Capital assets are defined by the CRA as assets with an initial, individual cost of more than \$5,000 and an estimated useful life in excess of two years. Capital assets are recorded at historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation. The costs of normal repair and maintenance that do not add to the value of the asset or extend the useful life of the asset are expensed as incurred.

Capital assets of the CRA are depreciated on a straight-line basis over the following estimated useful lives:

<u>Asset</u>	<u>Years</u>
Buildings	20 - 40
Improvements other than buildings	15 - 50
Equipment	3 - 15
Infrastructure	20 - 40

G. DEFERRED OUTFLOWS/INFLOWS OF RESOURCES

In addition to assets, the statement of net position includes a separate section for deferred outflows of resources. This represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. Two items qualify for reporting in this category. A deferred outflow of pension resources and OPEB resources are reflected in the government-wide statement of net position.

In addition to liabilities, the statement of net position includes a separate section for deferred inflows of resources. This separate financial statement element, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The CRA has two items that qualifies for reporting in this category. A deferred inflow of pension earnings and OPEB earnings are reported in the government-wide statement of net position.

H. LONG-TERM OBLIGATIONS

In the government-wide financial statements, long-term obligations are reported as liabilities. In the fund financial statements, no long-term obligations are reported as they are not due to be paid from current financial resources. Amounts payable within one year are classified noncurrent liabilities due within one year on the government-wide statement of net position.

COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF FORT MYERS, FLORIDA
(A COMPONENT UNIT OF THE CITY OF FORT MYERS, FLORIDA)
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

I. COMPENSATED ABSENCES

Employees earn vacation and sick leave in varying amounts based on length of service. Employees may also earn up to 120 hours of compensatory time. Upon termination, employees are paid 100% of the accumulated vacation and compensatory time at current base hourly rates. Vacation accumulation is capped at a maximum number of hours depending on employee category. Upon termination of employment, if the employee is eligible to receive retirement benefits, either regular or early benefits, whether or not the benefits begin at termination or are deferred, the employee receives 33% of accumulated sick leave paid at the employee's current base hourly rate. The current portion of compensated absences payable is the amount estimated to be used or paid in the following fiscal year.

A liability for accrued compensated absences of the governmental activities is not reported in the balance sheet of the governmental funds and, accordingly, represents a reconciling item between the fund and government-wide presentations. All compensated absences are accrued when incurred in the government-wide financial statements.

J. NET POSITION

Net position in the government-wide statement of net position is reported in three parts as applicable: net investment in capital assets; restricted and unrestricted. When both restricted and unrestricted resources are available, restricted resources are used first, and then unrestricted resources, as they are needed. The CRA does not have unrestricted net position as of September 30, 2022.

K. FUND BALANCE

The CRA fund balance classifications as reported on the balance sheet comprise a hierarchy based primarily on the extent to which the CRA is bound to observe constraints imposed upon the use of the resources reported in the governmental fund. Fund balance classifications, are nonspendable and spendable. Spendable is then further classified as restricted, committed, assigned, and unassigned. These classifications reflect not only the nature of fund, but also provide clarity to the level of restriction placed upon fund balance. Fund balance can have different levels of restraint, such as external versus internal compliance requirements.

The CRA classified governmental fund balances as follows:

Nonspendable – This component includes amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact. “Not in spendable form” includes items that are not expected to be converted to cash (such as prepaid amounts). The CRA does not have any nonspendable fund balance as of September 30, 2022.

**COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF FORT MYERS, FLORIDA
(A COMPONENT UNIT OF THE CITY OF FORT MYERS, FLORIDA)
NOTES TO FINANCIAL STATEMENTS**

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Spendable Fund Balance:

- Restricted – This component consists of amounts that are subject to externally enforceable legal restrictions, which are imposed either (a) by third parties, such as creditors (through debt covenants), grantors, contributors, or laws or regulations of other governments, or (b) by law through constitutional provisions or enabling legislation. Enabling legislation authorizes the CRA to assess, levy, charge or otherwise mandate payment of resources (from external resource providers) and includes a legally enforceable requirement (compelled by external parties) that those resources be used only for the specific purposes stipulated in the legislation.
- Committed – This component consists of amounts that can only be used for specific purposes imposed by formal action (resolution) of the CRA’s Board of Commissioners, the highest level of decision making authority. The committed amounts are not subject to legal enforceability by external parties, as in restricted fund balance; however, these amounts cannot be used for any other purpose unless the Board of Commissioners removes or changes the limitation by taking the same form of action (resolution) it employed to previously commit those amounts.
- Assigned – This component consists of amounts that are constrained by the CRA’s intent to be used for specific purposes but do not meet the criteria to be classified as committed. The CRA’s Board of Commissioners has by resolution authorized the following individuals to express intentions for assigned fund balance: (a) CRA Executive Director, or (b) other subordinate high-level body or official possessing the authority to assign amounts to be used for specific purposes. Included in this category is any fund balance carry-forward used to balance the subsequent year’s budget.
- Unassigned – This classification represents amounts that have not been restricted, committed or assigned to specific purposes within the CRA.

As of September 30, 2022, the CRA only had restricted spendable fund balance which is restricted through enabling legislation to be utilized on redevelopment within the CRA’s boundaries.

The CRA uses restricted amounts first when both restricted and unrestricted fund balance is available, unless there are legal documents/contracts that prohibit doing this, such as in grant agreements requiring dollar for dollar spending. Additionally, the CRA would first use committed, then assigned, and lastly unassigned amounts of unrestricted fund balance when expenditures are made. The CRA does not have a formal minimum fund balance policy.

L. PROGRAM REVENUES

Amounts reported as program revenues include 1) charges to customers or applicants for goods, services, or privileges provided, 2) operating grants and contributions and 3) capital grants and contributions, including special assessments. Internally dedicated resources are reported as general revenues rather than as program revenues. Likewise, general revenues include all taxes.

**COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF FORT MYERS, FLORIDA
(A COMPONENT UNIT OF THE CITY OF FORT MYERS, FLORIDA)
NOTES TO FINANCIAL STATEMENTS**

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

The CRA's primary source of revenues are tax incremental revenues collected by the City and remitted to the CRA.

M. ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, deferred outflows, liabilities, deferred inflows, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

N. ENCUMBRANCES

Encumbrance accounting, under which purchase orders, contracts and other commitments for the expenditure of monies are recorded as a reservation of budget, is employed as an extension of the statutorily required budgetary process. All encumbrances lapse at the end of the fiscal year. Contracts that require completion after the fiscal year end must be re-appropriated in the subsequent year. The CRA did not have any outstanding encumbrances as of September 30, 2022.

O. IMPLEMENTATION OF NEW ACCOUNTING STANDARD

Effective October 1, 2021, the CRA adopted new accounting guidance by implementing the provisions of Governmental Accounting Standards Board (GASB) Statement No. 87, *Leases* (GASB No. 87), which requires recognition of certain lease assets and liabilities for leases that previously were classified as operating leases based on the foundational principle that leases are financings of the right-to-use an underlying asset. Under GASB No. 87, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, which are solely reported in the Statement of Net Position.

The implementation of this new standard required the initial recognition of a right-to-use asset of \$598,409 and a lease liability of \$598,409 as of October 1, 2021. The adoption of GASB No. 87 had no effect on net position or fund balance, as previously reported.

NOTE 2 – CASH AND CASH EQUIVALENTS

At September 30, 2022, the carrying amount of the CRA's deposits was \$2,749,336 and the total bank balances were approximately \$2,944,000. The difference was due to checks that had been written but not yet paid by the banks and deposits in transit.

Custodial credit risk is the risk that in the event of a bank failure, the CRA's deposits may not be returned to the CRA. These deposits include demand deposits and nonnegotiable certificates of deposit and are insured by the Federal Deposit Insurance Corporation or by collateral pursuant to the Florida Security for Public Deposits Act (Florida Statutes Chapter 280). Under this Act, financial institutions that qualify as public depositories pledge securities that have a market value equal to 50% – 125% of the average daily balance for each month of all public deposits in excess of applicable deposit insurance. The Public Deposit Security Trust Fund has a procedure to allocate and recover losses in the event of default or insolvency.

**COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF FORT MYERS, FLORIDA
(A COMPONENT UNIT OF THE CITY OF FORT MYERS, FLORIDA)
NOTES TO FINANCIAL STATEMENTS**

NOTE 2 – CASH AND CASH EQUIVALENTS – CONTINUED

When public deposits are made in accordance with Chapter 280, no public depositor shall be liable for any loss thereof.

NOTE 3 – INVESTMENTS

Since the CRA participates in the City’s cash and investment pool, the CRA follows the City’s investment policy. Florida Statutes and the City’s investment policy authorize investments that include money market accounts, savings accounts, interest bearing time deposits, repurchase agreements, the Local Government Surplus Funds Trust Fund administered by the Florida State Board of Administration (SBA), or other local government investment pool authorized by F.S. §163.01, obligations of the U.S. Government, government agencies guaranteed by the U.S. Government and certain bond mutual funds. Derivative products are prohibited unless specifically approved by City Council in advance.

The basic goals of the City’s investment program, in order of priority are 1) safety of the investments; 2) maintenance of sufficient liquidity to meet cash flow needs, and 3) attainment of a market average rate of return (yield), taking into account the City’s investment risk constraints and the cash flow characteristics of the portfolio.

The cash and investment pool consists of the Local Government Surplus Funds Trust Fund investment account, the Florida Surplus Asset Fund Trust, and cash. Cash balances and requirements of all funds are considered in determining the amount to be invested. Interest earned on pooled cash and investments is allocated monthly to participating City funds based on their monthly ending cash balance.

Local Government Surplus Trust Fund – Florida PRIME

The Local Government Surplus Funds Trust Fund (Florida PRIME) is an open-pool investment fund operated by the Florida State Board of Administration (“SBA”). The fund operates in the same manner as institutional money-market funds and is available to all Florida government entities.

Florida PRIME is governed by Chapters 215 and 218, Florida Statutes, and Chapter 19-7 of the Florida Administrative Code (collectively, “Applicable Florida Law”). The Board of Trustees of the SBA (“Trustees”) consists of the Governor, as Chairman, the Chief Financial Officer, as Treasurer, and the Attorney General, as Secretary. The Trustees will annually certify that Florida PRIME is in compliance with the requirements of Chapter 218, Florida Statutes, and that the management of Florida PRIME is in accord with best investment practices.

The Trustees delegate the administrative and investment authority to manage Florida PRIME to the Executive Director of the SBA, subject to Applicable Florida Law. The Trustees appoint an Investment Advisory Council. The Council will, at least annually, review this Policy and any proposed changes prior to its presentation to the Trustees and will undertake other duties set forth in Applicable Florida Law. Pursuant to Florida law, the Auditor General will conduct an annual financial audit of Florida PRIME, which will include testing for compliance with this Policy.

**COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF FORT MYERS, FLORIDA
(A COMPONENT UNIT OF THE CITY OF FORT MYERS, FLORIDA)
NOTES TO FINANCIAL STATEMENTS**

NOTE 3 – INVESTMENTS – CONTINUED

The primary investment objectives for Florida PRIME, in priority order, are safety, liquidity, and competitive returns with minimization of risks. Investment performance of Florida PRIME is evaluated on a monthly basis against the Standard & Poor's U.S. AAA & AA Rated GIP All 30 Day Net Yield Index. While there is no assurance that Florida PRIME will achieve its investment objectives, it endeavors to do so by following the investment strategies described in its investment policy.

In accordance with Governmental Accounting Standards Board (GASB) Statement No. 79, *Certain External Investment Pools and Pool Participants*, Florida PRIME currently meets all of the necessary criteria to elect to measure all of the investments in Florida PRIME at amortized cost. Therefore, the CRA's participant account balance should also be considered the fair value of its investment and exempt from the Governmental Standards Board Statement (GASB) No. 72, *Fair Value Measurement and Application*.

With regard to redemption gates, Chapter 218.409(8)(a), Florida Statutes, states that "The principal, and any part thereof, of each account constituting the trust fund is subject to payment at any time from the moneys in the trust fund. However, the Executive Director may, in good faith, on the occurrence of an event that has a material impact on liquidity or operations of the trust fund, for 48 hours limit contributions to or withdrawals from the trust fund to ensure that the Board can invest moneys entrusted to it in exercising its fiduciary responsibility. Such action must be immediately disclosed to all participants, the Trustees, the Joint Legislative Auditing Committee and the Investment Advisory Council. The Trustees shall convene an emergency meeting as soon as practicable from the time the Executive Director has instituted such measures and review the necessity of those measures. If the Trustees are unable to convene an emergency meeting before the expiration of the 48-hour moratorium on contributions and withdrawals, the moratorium may be extended by the Executive Director until the Trustees are able to meet to review the necessity for the moratorium. If the Trustees agree with such measures, the Trustees shall vote to continue the measures for up to an additional 15 days. The Trustees must convene and vote to continue any such measures before the expiration of the time limit set, but in no case may the time limit set by the Trustees exceed 15 days."

With regard to liquidity fees, Florida Statute 218.409(4) provides authority for the SBA to impose penalties for early withdrawal, subject to disclosure in the enrollment materials of the amount and purpose of such fees. From October 1, 2021 through September 30, 2022, no such disclosure has been made. Additionally, as of September 30, 2022, there were no redemption fees or maximum transaction amounts, or any other requirements that serve to limit a participant's daily access to 100 percent of their account value.

The audited financial statements of Florida PRIME are available annually on Florida's SBA's website.

Florida Surplus Asset Fund Trust – Florida SAFE

Florida Surplus Asset Fund Trust ("FL SAFE") is a local government investment pool that serves the cash management needs of governments in Florida. FL SAFE seeks to provide competitive yields consistent with the preservation of capital and daily liquidity. FL SAFE is organized pursuant to Florida Statutes 163.01, is an authorized investment under 218.415, and invests according to the provisions of its permitted Investments as listed in the Indenture of Trust.

**COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF FORT MYERS, FLORIDA
(A COMPONENT UNIT OF THE CITY OF FORT MYERS, FLORIDA)
NOTES TO FINANCIAL STATEMENTS**

NOTE 3 – INVESTMENTS – CONTINUED

Investors in the Trust are entitled to vote on the election of Trustees, certain amendments to the Trust’s Indenture of Trust and reorganization of the Trust. Investors also are entitled to vote on other matters as required by the Trust’s Indenture of Trust. Each investor is entitled to one vote, so long as Trust shares are held on the record date.

The Board of Trustees oversees the actions of the Investment Advisor, Administrator, Operational Manager and Distributor, Custodian, Legal Counsel, Safekeeping Bank and decides on general policies. The majority of the Board of Trustees will be constituted by finance representatives that also serve as the Investment Officer per Florida Statutes for their respective governments. The Board of Trustees serve with three year overlapping terms and do not receive any monetary compensation for their service.

The Advisory Council members are recommended by the FL SAFE Administrator and Investment Advisor, and the Advisory Council is confirmed by the Board. They serve at will, and as a Participant, provide additional insight and advice of FL SAFE Investment programs and services.

The Indenture of Trust provides for the creation of multiple separate specialized investment portfolios called “Series” within the Trust and sets forth the manner in which the Series may be created and managed. Currently the Trust includes a liquid stable net asset value \$1.00 fund called the “FL SAFE Stable NAV Fund” or “Stable NAV Fund” and a variable net asset value fund called the “FL SAFE Variable NAV Fund” or “Variable NAV Fund”, with these two funds collectively referred to as the “Funds”, and one or more Term Series portfolios, as may be established from time to time, each of which has a fixed duration and may have a different investment policy as set forth herein.

The Board and Participants will receive an audited annual report from the Trust’s independent auditor that contains important financial information about the Series of the Trust. Participants will also receive confirmation of purchases and redemption of shares in the Funds, as well as a monthly statement detailing the entire month’s activity.

The general investment approach and objectives of the Stable NAV Fund and Variable NAV Fund, collectively the Funds, investment activities shall be: (1) safety of capital; (2) liquidity of funds; (3) transparency; and (4) investment income, in that order. The FL SAFE Stable NAV Fund adheres to an Investment Policy adopted by the Board of Trustees, as amended on October 28, 2021, and follows the investment criteria for an AAAM S&P rated Net Stable Value Fund. The FL SAFE Variable NAV Fund adheres to an Investment Policy adopted by the Board of Trustees on October 28, 2021 and follows the investment criteria for an AAAs and S1 S&P rated Bond Fund.

In accordance with Governmental Accounting Standards Board (GASB) Statement No. 79, *Certain External Investment Pools and Pool Participants*, FL SAFE currently meets all of the necessary criteria to elect to measure all of the investments in FL SAFE at amortized cost. Therefore, the City’s participant account balance should also be considered the fair value of its investment and exempt from the Governmental Accounting Standards Board Statement (GASB) No. 72, *Fair Value Measurement and Application*.

**COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF FORT MYERS, FLORIDA
(A COMPONENT UNIT OF THE CITY OF FORT MYERS, FLORIDA)
NOTES TO FINANCIAL STATEMENTS**

NOTE 3 – INVESTMENTS – CONTINUED

Per the Indenture of Trust, the Trustees may temporarily suspend the right of redemption or postpone the date of payment for redeemed shares during any period (i) when there shall have occurred any state of war, national emergency, act of God, banking moratorium or suspension of payments by banks in the State of Florida or any general suspension of trading or limitation of prices on the New York Stock Exchange (“NYSE”) or American Stock Exchange (now known as NYSE AMEX) (other than customary week-end or holiday closings) or (ii) when any emergency exists as a result of which disposal by the Funds of its investments is not reasonably practicable because of the substantial losses which might be incurred or it is not reasonably practicable for the applicable Fund fairly to determine the value of its net assets. Such suspension or postponement shall not alter or affect a Participant's beneficial interest hereunder as measured by its Shares or the accrued interest and earnings thereon. Such suspension or payment shall take effect at such time as the Trustees shall specify but not later than the close of business on the business day next following the declaration of suspension, and thereafter there shall be no right of redemption or payment until the Trustees shall declare the suspension or postponement at an end, except that the suspension or postponement shall terminate in any event on the first day on which the period specified in subsection (a) or in this subsection (b) shall have expired, as to which the determination of the Trustees shall be conclusive. In the case of a suspension of the right of redemption or a postponement of payment for redeemed Shares, a Participant may either (i) withdraw its request for redemption or (ii) receive payment based on the net asset value existing after the termination of the suspension.

Although investors in certain Term Series may have redemption rights, Term Series are designed to be held for the full term of that Series. Shares in certain Term Series may be redeemed prior to the maturity date of that Series upon a seven days’ advance notice of redemption to the Operational Manager and a penalty will likely be assessed. The penalty, which may be substantial, could include the amount necessary to recoup for the Series any penalty charges, losses and other costs attributable to the early redemption.

In regards to liquidity risk, a Fund could experience significant net redemptions of its shares at a time when it was unable to find willing buyers for its portfolio securities or could only sell its portfolio securities at a material loss.

In regards to redemption risk, the Funds may experience periods of heavy redemptions that could cause the applicable fund to liquidate its assets at inopportune times or at a loss or depressed value, particularly during periods of declining or illiquid markets. Redemptions by a few large Participants may have a significant adverse effect on the ability to maintain a stable \$1.00 share price or the net asset value of the Series, as applicable.

Credit Risk

Safety of principal is the foremost objective of the City’s investment policy. The City’s policy limits the credit risk by limiting investments to the safest types of securities; pre-qualifying the financial institutions with which it will conduct business; diversifying the investment portfolio so that the failure of any one issuer or backer will not place an undue financial burden upon the City; and monitoring all the City’s investments on a daily basis to anticipate and respond appropriately to a significant reduction of credit worthiness of any of the depositories.

**COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF FORT MYERS, FLORIDA
(A COMPONENT UNIT OF THE CITY OF FORT MYERS, FLORIDA)
NOTES TO FINANCIAL STATEMENTS**

NOTE 3 – INVESTMENTS – CONTINUED

As of September 30, 2022, the City’s investments in money market funds were rated AAAm by Standard and Poor’s (S&P) and Aaa-mf by Moody’s Investor Service (Moody’s). U.S. Treasury and agency securities were rated Aaa by Moody’s and AA+ by S&P. The City’s investments in corporate bonds were rated Aaa by Moody’s and not rated by S&P. Florida PRIME is rated AAAm by S&P. FL SAFE is rated by S&P and the current rating is “AAAm” for the FL SAFE Stable NAV Fund and “AAAf / S1” for the FL SAFE Variable NAV Fund.

Interest Rate Risk

In accordance with its investment policy, the City mitigates its interest rate risk by structuring the City’s portfolio so that the securities mature to meet the City’s cash requirements, thereby avoiding the need to sell securities on the open market prior to their maturation; and investing primarily in shorter-term securities, unless it can be anticipated that long-term securities can be held to maturity without jeopardizing liquidity requirements.

The CRA’s policy is to minimize risk that the market value of securities in the Florida PRIME portfolio will fall due to changes in general interest rates. Florida PRIME has a dollar weighted average days to maturity of 28 days. Next interest rate reset dates for floating rate securities are used in the calculation of the WAM. The weighted average life of Florida PRIME at September 30, 2022 is 72 days.

The dollar weighted average days to maturity (WAM) of FL SAFE is 28 days for the FL SAFE Stable NAV Fund. Rising interest rates could cause the value of the Funds’ investments – and therefore its share price as well – to decline. Conversely, any decline in interest rates is likely to cause the Funds’ yield to decline, and during periods of low interest rates, the Funds’ yield may approach zero.

Foreign Currency Risk

Florida PRIME and FL SAFE were not exposed to any foreign currency risk during the period from October 1, 2021 through September 30, 2022.

Concentration of Credit Risk

Investments in U.S. Treasury securities comprised approximately 12.99% of total investments. The City’s investment policy provides for diversification of investments by limiting investments to avoid over-concentration in securities from a specific issuer or business sector (excluding U.S. Treasury securities).

**COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF FORT MYERS, FLORIDA
(A COMPONENT UNIT OF THE CITY OF FORT MYERS, FLORIDA)
NOTES TO FINANCIAL STATEMENTS**

NOTE 3 – INVESTMENTS – CONTINUED

Fair Value and Maturity

The CRA's investments consist of the following:

<u>Investment Type</u>	<u>Fair Value</u>	<u>Investment Maturities</u>	
		<u>Less than 1 Year</u>	<u>1–5 Years</u>
U.S. Treasury securities	\$ 709,066	\$ 25,461	\$ 683,605
Agency securities	268,438	42,495	225,943
Corporate bonds	457,165	10,941	446,224
Asset backed securities	807,188	–	807,188
Money market accounts	468,305	N/A	N/A
Corporate stocks	1,375	N/A	N/A
Total investments at fair value	2,711,537	<u>\$ 78,897</u>	<u>\$ 2,162,960</u>
Florida SAFE investment pool recognized at net asset value	702,439		
Florida PRIME investment pool recognized at amortized cost	<u>201,329</u>		
Total investments	<u>\$ 3,615,305</u>		

The City uses the market approach to measure the fair value of investments as of September 30, 2022, in accordance with GASB Statement No. 72, *Fair Value Measurement and Application*. The market approach uses prices and other relevant information generated by market transactions involving identical or comparable assets.

The City categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs.

The CRA has the following recurring fair value measurements as of September 30, 2022, using quoted market prices (Level 1 inputs): U.S. Treasury securities of \$709,066, money market accounts of \$468,305, and corporate stocks of \$1,375.

The CRA has the following recurring fair value measurements as of September 30, 2022, using quoted market prices and other observable inputs (Level 2 inputs): agency securities of \$268,438, corporate bonds of \$457,165, and asset backed securities of \$807,188.

**COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF FORT MYERS, FLORIDA
(A COMPONENT UNIT OF THE CITY OF FORT MYERS, FLORIDA)
NOTES TO FINANCIAL STATEMENTS**

NOTE 4 – NOTE RECEIVABLE

On November 24, 2021, the CRA entered into a note agreement with Affordable Holdings, LLC in the amount of \$707,750 to purchase property, remodel/reconstruct the property for affordable housing; and operate the affordable housing. The note is collateralized by the property and guaranteed by the managers of Affordable Holdings, LLC. The note bears an interest rate of 6%. The note requires monthly interest-only payments effective January 1, 2022 and the unpaid principal on the note is due on June 30, 2023.

NOTE 5 – CAPITAL ASSETS

Capital asset activity for the year ended September 30, 2022 was:

	<u>Beginning Balance</u>	<u>Increases</u>	<u>Decreases</u>	<u>Ending Balance</u>
Governmental Activities				
Capital assets being depreciated:				
Buildings	\$ 382,500	\$ –	\$ –	\$ 382,500
Equipment	118,045	35,551	–	153,596
Improvements	42,464	–	–	42,464
Infrastructure	<u>297,775</u>	<u>–</u>	<u>–</u>	<u>297,775</u>
Total capital assets being depreciated	<u>840,784</u>	<u>35,551</u>	<u>–</u>	<u>876,335</u>
Less accumulated depreciation for:				
Buildings	39,844	19,125	–	58,969
Equipment	104,015	9,760	–	113,775
Improvements	26,533	1,838	–	28,371
Infrastructure	<u>169,108</u>	<u>14,889</u>	<u>–</u>	<u>183,997</u>
Total accumulated depreciation	<u>339,500</u>	<u>45,612</u>	<u>–</u>	<u>385,112</u>

NOTES TO FINANCIAL STATEMENTS**

NOTE 5 – CAPITAL ASSETS – CONTINUED

The CRA also has recognized a right-to-use asset upon the adoption of GASB No. 87 (see also Note 6). Right-to-use asset activity for fiscal year ended September 30, 2022, was as follows:

	<u>Beginning Balance</u>	<u>Increases</u>	<u>Decreases</u>	<u>Ending Balance</u>
Governmental Activities				
Lease asset				
Office space	\$ -	\$ 598,409	\$ -	\$ 598,409
Total lease assets	<u>-</u>	<u>598,409</u>	<u>-</u>	<u>598,409</u>
Less accumulated amortization for:				
Office space	-	68,390	-	68,390
Total accumulated amortization	<u>-</u>	<u>68,390</u>	<u>-</u>	<u>68,390</u>
Total lease assets, being amortized, net	<u>\$ -</u>	<u>\$ 530,019</u>	<u>\$ -</u>	<u>\$ 530,019</u>

Amortization expense for the year ended September 30, 2022 was \$68,390 and is included in economic environment expense in the statement of activities.

(A COMPONENT UNIT OF THE CITY OF FORT MYERS, FLORIDA)
NOTES TO FINANCIAL STATEMENTS**

NOTE 6 - LONG-TERM LIABILITIES

Long-term liability activity for the year ended September 30, 2022, was as follows:

	Beginning Balance	Increases	Decreases	Ending Balance	Due Within One Year
Governmental activities					
Direct borrowing note:					
Community Redevelopment					
Revenue Note	\$ 496,154	\$ -	\$ (496,154)	\$ -	\$ -
Total OPEB liability	147,944	30,521	(21,629)	156,836	-
Net pension liability	397,800	940,223	(244,678)	1,093,345	-
Lease liability	-	598,409	(53,763)	544,646	55,973
Compensated absences	72,526	36,110	(59,238)	49,398	48,032
	<u>\$ 1,114,424</u>	<u>\$ 1,605,263</u>	<u>\$ (875,462)</u>	<u>\$ 1,844,225</u>	<u>\$ 104,005</u>

The Community Redevelopment Revenue Note, Series 2005, was issued to finance the cost of community redevelopment projects and to refund certain outstanding obligations of the City of Fort Myers. The note was payable through January 1, 2022, with total principal and interest remaining to be paid of \$536,609. Interest on the note was equal to 4.01% per annum. The note contained a provision that in the event of default, outstanding principal and interest become due and payable. In addition, the lender may charge a default interest rate equal to the maximum permitted by law and may impose a late fee of 4% of any amount not paid within fifteen days of the due date. Principal and interest paid for the current fiscal year totaled \$536,609 and there is no outstanding principal or interest due as of September 30, 2022.

The CRA entered into a lease for office space effective July 1, 2020 and terminating on June 30, 2025, with the option to extend the term of the lease for one additional five year term. Monthly payments on the lease escalate annually based on fixed amounts and range from \$5,579 to \$6,279 over the initial five year term. The monthly payments increase annually by 3% each year if the five year extension is exercised. The lease expense for the year ended June 30, 2022 was as follows:

Lease expense:	
Amortization expense by class of underlying asset	
Office space	\$ 68,390
Total amortization expense	68,390
Interest on lease liability	17,068
Total lease expense	<u>\$ 85,458</u>

Future minimum lease payments for this lease are as follows:

<u>Year Ending September 30</u>	<u>Principal</u>	<u>Interest</u>	<u>Total Payments</u>
2023	\$ 55,973	\$ 15,580	\$ 71,553
2024	59,852	13,848	73,700
2025	63,914	11,997	75,911
2026	68,166	10,021	78,187
2027	72,618	7,916	80,534
2028-2030	224,123	9,774	233,897
	<u>\$ 544,646</u>	<u>\$ 69,136</u>	<u>\$ 613,782</u>

**COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF FORT MYERS, FLORIDA
(A COMPONENT UNIT OF THE CITY OF FORT MYERS, FLORIDA)
NOTES TO FINANCIAL STATEMENTS**

NOTE 7 – ADVANCES FROM THE CITY OF FORT MYERS, FLORIDA

The amount payable to the General Fund of City of Fort Myers, Florida comprises advances to the Dr. Martin Luther King, Jr. Boulevard Redevelopment and Cleveland Avenue Redevelopment Tax Increment Financing Districts. Total advances at September 30, 2022 were \$617,000.

NOTE 8 – PENSION PLAN

General Information about the Pension Plan and Plan Administration

Employees of the CRA are provided with pension benefits provided through the City's General Employees' Pension Plan (the Plan). The Plan is a single employer defined benefit public employee retirement that is administered by the City of Fort Myers, Florida (City).

The Plan provides retirement, termination, disability and death benefits to Plan members and their beneficiaries. Regular full-time employees enter on the first of the month coincident with or next following the date of employment. Certain positions are allowed to opt out of the Plan.

The City Council has the authority to establish and amend the benefit provisions of the Plan. A Board of Trustees (the Board) governs the Plan which consists of seven trustees. The Board comprises the president of the employees' association; a trustee appointed by the employees' association; a non-union City employee that is a member of the retirement system, elected by the members of the retirement system that are non-union City employees; a trustee appointed by the City Council; the City Manager or his designee, and; a sixth and seventh trustee appointed by the other trustees.

Separate financial statements are not issued for the Plan.

Benefit Provisions

Benefits under the Plan are as follows:

- Normal retirement: Date of retirement is the first of month coincident with or next following the earlier of (1) the attainment of age 62 and the completion of five years of credited service, (2) the age when credited service plus age equals 80, or (3) 30 years of credited service, regardless of age. The benefit amount is 2.1% of the average final compensation multiplied by credited service prior to April 2, 1998 plus 3.0% of the average final compensation multiplied by credited service after April 2, 1998 through September 17, 2012, plus Rate A or B for service after September 17, 2012. Rate A is 1.8% and Rate B is 3.0%.
- Early retirement: Date of retirement is the earlier of the attainment of age 55 and the completion of seven years of credited service, or age 60 and five years of credited service. The benefit amount is determined using the same calculations as for normal retirement and reduced by 4.0% for each year prior to normal retirement.

COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF FORT MYERS, FLORIDA
(A COMPONENT UNIT OF THE CITY OF FORT MYERS, FLORIDA)
NOTES TO FINANCIAL STATEMENTS

NOTE 8 – PENSION PLAN – CONTINUED

- Termination of employment: Vested members (members with seven or more years of credited service) receive their accrued benefit payable at retirement age. Non-vested members (members with less than seven years of credit service) receive a return of their accumulated contributions.
- Disability benefits: Total and permanent benefits, as determined by the Board, for eligible members that have at least five years of credited service. The benefit amount is determined using the same calculations as for normal retirement, based on total service and the average final compensation as of the date of disability.
- Pre-retirement death benefits: Vested benefits are paid for ten years at the member's normal (unreduced) or early (reduced) retirement date. Beneficiaries of non-vested members receive a return of their accumulated contributions.

Benefit terms provide for an annual 2.5% cost of living increase (COLA) for Tier 3 and Tier 4 members with at least three years of increased member contributions. The COLA is payable to normal and early retirees, in addition to disability retirees, vested terminated members, and joint pensioners and beneficiaries.

Tier 2 and Tier 4 members receive a supplemental benefit of \$200 per month, payable for the retiree's lifetime only (not subject to the cost of living adjustments). Members must make additional contributions for a minimum of three years for this benefit.

Contributions

Member contribution requirements are established by City Code Section 62-185, which may be amended by the City Council. Member contributions vary based on the rate and tier selected by the employee. The City is required to contribute, at an actuarially determined rate, the remaining amount required in order to pay current costs and amortize unfunded past service costs, if any, as provided in Chapter 112, Florida Statutes. Administrative costs of the Plan are financed through Plan contributions and investment earnings. Contributions to the Plan by the CRA totaled \$156,160 for the year ended September 30, 2022.

Employees are eligible for the Deferred Retirement Option Program (DROP) upon the satisfaction of normal retirement requirements. Participation in the DROP may not exceed sixty months. At the member's election, the rate of return may be (1) the actual net rate of investment return (total return net of brokerage commissions, management fees and transaction costs) credited each fiscal quarter, or (2) 3.0% per annum compounded monthly. Members may elect to change the form of return one time. Participating members receive their distribution as a cash lump sum (options available) at the termination of employment. As of September 30, 2022, the CRA did had one employee in the DROP.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At September 30, 2022, the CRA reported a net pension liability of \$1,093,345 for its proportionate share of the net pension liability. The net pension liability was measured as of September 30, 2022, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of October 1, 2021. The CRA's proportion of the net pension liability was based on the CRA's proportion of

**COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF FORT MYERS, FLORIDA
(A COMPONENT UNIT OF THE CITY OF FORT MYERS, FLORIDA)
NOTES TO FINANCIAL STATEMENTS**

NOTE 8 – PENSION PLAN – CONTINUED

covered–employee payroll. At September 30, 2022, the CRA's proportion was 1.81 percent.

For the year ended September 30, 2022, the CRA's proportionate share of pension expense was \$140,053. At September 30, 2022, the CRA reported deferred outflows of resources and deferred inflows of resources related to pension from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 7,070	\$ –
Changes of assumptions	–	–
Net difference between projected and actual earnings	407,785	–
Balance as of September 30, 2022	\$ 414,855	\$ –

Amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year Ending September 30	
2023	\$ 95,043
2024	62,465
2025	88,747
2026	168,600
	\$ 414,855

Actuarial Assumptions

The total pension was determined by an actuarial valuation performed as of October 1, 2021, updated to September 30, 2022. The total pension liability was determined using the following actuarial assumptions, applied to all periods included in the measurement.

Inflation	2.50%
Salary increases	Serviced Based
Discount rate	7.25%
Investment rate of return	7.25%

The investment rate of return is net of pension plan investment expense, including inflation.

Mortality rates for healthy active lives were based on the PubG.H–2010 for Employees for females and on the PubG.H–2010 for Employees, set back one year, for males. Mortality rates for healthy retiree lives were based on the PubG.H–2010 for Healthy Retirees for females and on the PubG.H–2010 (Below Median) for Healthy Retirees, set back one year, for males. Mortality rates for beneficiary lives were based on the PubG.H–2010 for Healthy Retirees for females and on the PubG.H–2010 for Healthy Retirees, set back one year, for males. The mortality rates for disabled lives were based on the PubG.H–2010 for Disabled Retirees, set forward three years.

**COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF FORT MYERS, FLORIDA
(A COMPONENT UNIT OF THE CITY OF FORT MYERS, FLORIDA)
NOTES TO FINANCIAL STATEMENTS**

NOTE 8 – PENSION PLAN – CONTINUED

All rates are projected generationally with Mortality Improvement Scale MP-2018. The above referenced mortality assumption rates were mandated by Chapter 2015-157, Laws of Florida. The law mandates the use of the assumptions used in either of the two most recent actuarial valuations of the Florida Retirement System. The above rates are those outlined in Milliman's July 1, 2021 FRS valuation report for non-special-risk employees, with appropriate adjustments made based on plan demographics.

The most recent actuarial experience study used to review the other significant assumptions was dated August 20, 2019.

The long-term expected rate of return on Plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expenses and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the Plan's target asset allocation as of September 30, 2022 are summarized in the following table:

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
Domestic equity	45.0%	7.50%
International equity	15.0%	8.50%
Intermediate fixed income	20.0%	2.50%
Global bond	5.0%	3.50%
Real estate	10.0%	4.50%
GTAA	5.0%	3.50%
Total	<u>100.0%</u>	

Discount Rate

The discount rate used to measure the total pension liability was 7.25 percent. The projection of cash flows used to determine the discount rate assumed that Plan member contributions will be made at the current contribution rate and that City contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the Plan's fiduciary net position was projected to be available to make all projected future benefit payments of current Plan members. Therefore, the long-term expected rate of return on the Plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the Net Pension Liability to Changes in the Discount Rate

The following presents the net pension liability of the CRA, calculated using the discount rate of 7.25%, as well 1% higher and 1% lower than the current rate:

	1% Decrease 6.25%	Current Discount Rate 7.25%	1% Increase 8.25%
Net pension liability	\$ 1,492,806	\$ 1,093,345	\$ 757,749

(A COMPONENT UNIT OF THE CITY OF FORT MYERS, FLORIDA)
NOTES TO FINANCIAL STATEMENTS

NOTE 8 – PENSION PLAN – CONTINUED

Changes of Assumptions

For the measurement date of September 30, 2022, there were no changes of assumptions.

Pension Plan Fiduciary Net Position

Detailed information about the pension plan's fiduciary net position is available in the separately issued financial statements of the City of Fort Myers, Florida.

Payable to the Pension Plan

At September 30, 2022, the CRA did not have any amounts outstanding for contributions to the Plan required for the year ended September 30, 2022.

NOTE 9 – OTHER POSTEMPLOYMENT BENEFIT PLAN

Employees of the CRA are eligible to participate in the City's other postemployment benefit plan (OPEB Plan). All full-time employees of the City, including employees of the CRA, who satisfy the disability, early or normal retirement provisions of the applicable Retirement Plan may be eligible for certain other postemployment benefits (OPEB) through the City's single employer defined benefit plan.

The OPEB Plan is administered by the City and is currently funded on a pay-as-you-go basis. There is no separate trust through which benefits for retirees are funded. No assets are accumulated or earmarked for this purpose. All approved benefits are paid by the City when due.

The Plan does not issue a separate financial report.

Benefits Provided

OPEB benefits include access to coverage for the retiree and dependents under the Medical and Prescription Plans as well as participation in the Dental, Vision and Life Insurance group plans sponsored by the City for employees. Eligible retirees may choose among the same Medical Plan options available for similarly situated active employees of the City. Dependents of retirees may be covered, at the retirees' option, the same as dependents of similarly situated active employees. The total premium amount charged for covering employees and retirees and their dependents is the same without regard to the age or gender of the member.

The City extends postemployment benefits to retirees and the benefits are continued at the discretion of the City, which reserves the right (subject to State Statute and any collective bargaining agreements) to change or terminate benefits and to change contributions required from retirees in the future as circumstances change.

**COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF FORT MYERS, FLORIDA
(A COMPONENT UNIT OF THE CITY OF FORT MYERS, FLORIDA)
NOTES TO FINANCIAL STATEMENTS**

NOTE 9 – OTHER POSTEMPLOYMENT BENEFIT PLAN – CONTINUED

OPEB Liability, OPEB Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

At September 30, 2022, the CRA reported a liability of \$156,836 for its proportionate share of the total OPEB liability. The total OPEB liability was measured as of September 30, 2021 rolled forward to September 30, 2022, and was determined by an actuarial valuation as of September 30, 2021. The CRA's proportion of the total OPEB liability was based on the CRA's proportion of related benefit expenditures. At September 30, 2022, the CRA's proportion was .86 percent.

For the year ended September 30, 2022, the CRA recognized its proportionate share of OPEB expense of \$9,223. At September 30, 2022, the CRA reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Benefits paid after the measurement date experience	\$ 6,534	\$ –
Changes of assumptions	–	15,073
Net difference between projected and actual earnings	14,726	7,227
Balance as of September 30, 2022	\$ 21,260	\$ 22,300

Deferred outflows of resources of \$6,534 results from benefits paid after the measurement date and will be recognized as a reduction in the total OPEB liability during the year ended September 30, 2023.

Amounts reported as deferred inflows of resources related to OPEB will be recognized in pension expense as follows:

Year Ending September 30		
2023	\$	(4,116)
2024		(3,534)
2025		(2,692)
2026		(797)
2027		1,654
Thereafter		1,911
	\$	(7,574)

COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF FORT MYERS, FLORIDA
(A COMPONENT UNIT OF THE CITY OF FORT MYERS, FLORIDA)
NOTES TO FINANCIAL STATEMENTS

NOTE 9 – OTHER POSTEMPLOYMENT BENEFIT PLAN – CONTINUED

Actuarial Assumptions

The total OPEB liability in the September 30, 2021 actuarial valuation was determined using the following actuarial assumptions and other inputs, applied to all periods in the measurement, unless otherwise specified:

The total OPEB liability was rolled forward twelve months from the valuation date to the measurement date using standard actuarial techniques. The actuarial cost method used was entry age normal.

- **Discount Rate**
2.19%. The discount rate was based on the tax-exempt municipal bond rate based on an index of 20-Year general obligation bonds with an average AA/Aa credit rating or higher as of the measurement date. The municipal bond rate of 2.19% is based on the daily rate of Fidelity Investments' "20-Year Municipal GO AA Index" closest to but not later than the measurement date. The discount rate was 2.41% as of the beginning of the measurement year.
- **Inflation**
2.25%.
- **Salary Increases**
For general employees, 5.00% – 10.00% depending on service, including inflation.
- **Healthcare Cost Trend Rates**
Based on the Getzen model, with trend starting at 8.00% for 2022 (to reflect actual premiums), then 5.75% for 2023 and gradually decreasing to an ultimate trend rate of 3.75%.
- **Mortality Rates**
Mortality rates were based on the mortality tables used in the July 1, 2021 actuarial valuation of the Florida Retirement System. The rates were derived from adjusted Pub-2010 mortality tables published by the Society of Actuaries with generational mortality improvements using scale MP-2018. Adjustments to reference tables are based on the results of a statewide experience study covering the period 2013 through 2018.
- **Changes in Benefits**
There were no changes in benefits since the prior measurement date.
- **Changes in Assumptions**
Changes in assumption and other inputs include the change in the discount rate from 2.41% to 2.19% to reflect changes in the yields on 20-year general obligation municipal bonds; updated medical costs and premiums based on actual premium information; and the lowering of the long-term healthcare cost trend assumption from 3.99% to 3.75%.

NOTES TO FINANCIAL STATEMENTS**

NOTE 9 – OTHER POSTEMPLOYMENT BENEFIT PLAN – CONTINUED

Sensitivity of the Total OPEB Liability to Changes in the Discount Rate

The following presents the CRA’s proportionate share of the total OPEB liability of the Plan, as well as what the CRA’s proportionate share of the total OPEB liability would be if it were calculated using a discount rate that is 1–percentage point lower (1.19 percent) or 1–percentage–point higher (3.19 percent) than the current discount rate:

	1% Decrease 1.19%	Current Discount Rate Assumption 2.19%	1% Increase 3.19%
Total OPEB liability	\$ 177,813	\$ 156,836	\$ 139,264

Sensitivity of the Total OPEB Liability to Changes in the Healthcare Cost Trend Rates

The following presents the CRA’s proportionate share of the total OPEB liability of the Plan, as well as what the CRA’s proportionate share of the total OPEB liability would be if it were calculated using healthcare cost trend rates that are 1–percentage–point lower or 1–percentage–point higher than the current healthcare cost trend rates:

	1% Decrease	Current Healthcare Rate Assumption	1% Increase
Total OPEB liability	\$ 136,309	\$ 156,836	\$ 182,429

NOTE 10 – RISK MANAGEMENT

The CRA is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. As a blended component unit of the City, the CRA participates in the City’s risk management internal service fund to mitigate these risks. Under the City’s risk management internal service fund, settlements have not exceeded insurance coverage for the past twenty–one years and settled claims have not exceeded the insurance provided by third–party carriers in any of the past three years. Further information on the City’s risk management internal service fund can be found in the footnotes to the City’s Annual Comprehensive Financial Report.

NOTE 11 – RELATED PARTY TRANSACTIONS

The CRA is a blended component unit of the City of Fort Myers, Florida (the City). During 2022, the CRA received \$2,363,143 of tax increment funds from the City. The CRA compensates the City for personnel services and shared direct and indirect expenses totaling \$934,437 and \$399,700, respectively for the year ended September 30, 2022.

**COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF FORT MYERS, FLORIDA
(A COMPONENT UNIT OF THE CITY OF FORT MYERS, FLORIDA)
NOTES TO FINANCIAL STATEMENTS**

NOTE 12 – CONTINGENCIES

The CRA is a defendant in various lawsuits which are in different stages in the legal process. The CRA does not believe the outcome of these cases will have a material effect on its financial position.

NOTE 13 – COMMITMENTS FROM OPERATING AGREEMENTS

The City and the CRA entered into a lease and development agreement with a local foundation with the intent of creating a technology hub to unite the nonprofits in the region. The agreement includes substantial rehabilitation of the Southwest Florida Museum of History to its original design and character as a train station, plus the construction of a second stand-alone building connected to the train station that will be architecturally distinctive while providing an energy-efficient environment with state-of-the-art technology serving as a technology hub. To fund the rehabilitation and new construction, the foundation secured a \$10,000,000 allocation of New Market Tax Credits via an A Note and a B Note.

During the New Market Tax Credit seven year compliance period, the foundation shall pay all interest only payments due on the A Note and the B Note associated with the transaction. Upon the maturity of the A Note, the City shall pay to the foundation the amounts necessary to satisfy the principal balance due not to exceed \$7,300,000. The foundation and its support organization shall utilize the funds to satisfy the principal balance due on the A Note.

The City agrees to budget and appropriate funds in its annual budget process to pay off the loan after the seven-year period with the issuance of long-term debt in order to ensure funding of the A Note. The funds pledged to cover the debt are to be secured by non-ad valorem revenues of the City.

In conjunction with this agreement, the City and the CRA entered into a subsidy and funding agreement with the foundation to provide financial assistance for the renovation, development, and operation of the property. The subsidy amounts from the CRA have been paid in full. The City will provide an annual waiver of the non-profit requirement to pay 10 to 15 percent of the market rate rent.

The lease term is forty years, commencing December 12, 2016, and expiring December 11, 2056, with annual payments of \$1. There is a right to renew for five additional ten-year terms. The lease and development agreement contain criteria in the event of termination, to include ninety days written notice.

NOTE 14 – TAX ABATEMENTS

The CRA determined the use of tax increment rebates and other incentives are necessary to encourage development within the CRA's redevelopment areas. The terms and conditions of the tax increment rebate are provided for in a Development Agreement that is approved by the CRA Board of Commissioners during a public meeting. In such an agreement, the CRA agrees to provide financial support for a project by providing to the developer the increment revenue payment attributable to said project. The increment revenue payment attributable to a project is based on the increase in property taxes above the base year value of the project site. The amount of increment revenue that the agency receives for the project site each year from the "taxing authorities", as that term is defined in Section 163.340(2), Florida Statutes, will be 95% of the difference between the final assessment roll of taxable real property prepared by the Lee County Property Appraiser of Lee County, Florida, for the project

**COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF FORT MYERS, FLORIDA
(A COMPONENT UNIT OF THE CITY OF FORT MYERS, FLORIDA)
NOTES TO FINANCIAL STATEMENTS**

NOTE 14 – TAX ABATEMENTS – CONTINUED

site in a given year minus the base year defined above multiplied by the applicable millage rate for each taxing authority. The project payment to the developer will then be calculated by multiplying the approved rebate percentage for a specific year of the project by the amount of tax increment the CRA receives for the project site in a particular fiscal year as described above. The agreed upon rebate percentage of the tax increment received will be rebated if the total real estate taxes are paid prior to delinquency. If the taxes are not paid timely, there is no rebate of the property tax increment.

For the fiscal year ended September 30, 2022, the City of Fort Myers abated property taxes totaling \$1,043,646. The City entered into the following tax abatement agreements:

Project Name (Developer)	Effective Date of Agreement	Rebate Amount (%)	Number of Years	Maximum Amount of Rebate Payment	Rebate Payments as of 9/30/2021	Purpose
GRW, LLC.; Orthopedic Specialists of SW Florida; The MacSydney Company, LLC.	11/13/2010; amended 11/8/2013	Amendment reduced the rebate percentages by 10% for each year beginning in calendar year 2014.	21 years	95% from 2003–2014; payment decreases by 10% each year through calendar year 2023, for which the final rebate will be 5%.	\$ 124,114	Construction, operation and maintenance of a medical office facility.

Note 1 – Summary of Significant Accounting Policies

The City is required to establish a budgetary system and an approved annual budget for the CRA Fund. The City's budgeting process is based on estimates of cash receipts and cash expenditures that are approved by the City Council. The budget approximates a basis consistent with accounting principles generally accepted in the United States of America (generally accepted accounting principles).

Changes in benefits: There were no changes in benefits since the prior measurement date.

Changes in assumptions: The discount rate was changed from 2.41% to 2.19% to reflect changes in the yields on 20-year general obligation municipal bonds; updated medical costs and premiums based on actual premium information; and the lowering of the long-term healthcare cost trend assumption from 3.99% to 3.75%.

OTHER AUDITOR'S REPORTS

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS

To the Board of Commissioners
Community Redevelopment Agency of the City of Fort Myers, Florida
Fort Myers, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and governmental fund of the Community Redevelopment Agency of the City of Fort Myers, Florida (CRA), a component unit of the City of Fort Myers, Florida, as of and for the year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the CRA's basic financial statements, and have issued our report thereon dated March 2, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the CRA's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the CRA's internal control. Accordingly, we do not express an opinion on the effectiveness of the CRA's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the CRA's financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the CRA's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the CRA's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the CRA's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

MANAGEMENT LETTER

To the Board of Commissioners
Community Redevelopment Agency of the City of Fort Myers, Florida
Fort Myers, Florida

Report on the Financial Statements

We have audited the financial statements of the Community Redevelopment Agency of the City of Fort Myers, Florida (CRA), a component unit of the City of Fort Myers, Florida, as of and for the fiscal year ended September 30, 2022, and have issued our report thereon dated March 2, 2023.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards* and our Independent Accountant's Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated March 2, 2023, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no prior findings or recommendations.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. This information is disclosed in the notes to the financial statements.

Financial Condition and Management

Section 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the CRA met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, we determined that the CRA was not in a state of financial emergency as it did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures for the CRA. It is management's responsibility to monitor the CRA's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same.

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Special District Component Units

Section 10.554(1)(i)5.c., Rules of the Auditor General, requires, if appropriate, that we communicate the failure of a special district that is a component unit of a county, municipality, or special district, to provide the financial information necessary for proper reporting of the component unit within the audited financial statements of the county, municipality, or special district in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we did not note any special district component units that failed to provide the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes.

Specific Information for a Dependent Special District

As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, Rules of the Auditor General, the CRA reported:

- a) The total number of CRA employees compensated in the last pay period of the CRA's fiscal year was 8.
- b) The total number of independent contractors to whom nonemployee compensation was paid in the last month of the CRA's fiscal year was 0.
- c) All compensation earned by or awarded to employees, whether paid or accrued, regardless of contingency was \$556,692.
- d) All compensation earned by or awarded to nonemployee independent contractors, whether paid or accrued, regardless of contingency was \$0.
- e) Each construction project with a total cost of at least \$65,000 approved by the CRA that is scheduled to begin on or after October 1 of the fiscal year being reported, together with the total expenditures for such project was \$0, as there were no such projects.
- f) A budget variance based on the budget adopted under Section 189.016(4), Florida Statutes, before the beginning of the fiscal year being reported if the CRA amends a final adopted budget under Section 189.016(6), Florida Statutes. The budget variance schedule is presented on page 45.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Board of Commissioners and applicable CRA management, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE

To the Board of Commissioners
Community Redevelopment Agency of the City of Fort Myers, Florida
Fort Myers, Florida

We have examined the Community Redevelopment Agency of the City of Fort Myers, Florida's (CRA), (a component unit of the City of Fort Myers, Florida) compliance with Section 218.415, Florida Statutes, regarding the investment of public funds, and Sections 163.387(6) and (7), Florida Statutes, regarding community redevelopment agencies, during the year ended September 30, 2022. Management of the CRA is responsible for the CRA's compliance with the specified requirements. Our responsibility is to express an opinion on the CRA's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the CRA complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the CRA complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the examination engagement.

Our examination does not provide a legal determination on the CRA's compliance with specified requirements.

In our opinion, the CRA complied in all material respects, with the aforementioned compliance requirements for the year ended September 30, 2022.

This report is intended solely for the information and use of the CRA and the Auditor General of the State of Florida, and is not intended to be and should not be used by anyone other than these specified parties.
