INDEPENDENT AUDITOR'S REPORT

The Honorable Members of the City Council Ocala Community Redevelopment Agency Ocala, Florida

Opinions

We have audited the accompanying financial statements of the governmental activities and the major fund of the Ocala Community Redevelopment Agency (the CRA), a component unit of the City of Ocala, Florida (the City) as of and for the year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the CRA's financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the CRA as of September 30, 2022, and its changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the CRA, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the CRA's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

The Honorable Members of the City Council Ocala Community Redevelopment Agency Ocala, Florida

INDEPENDENT AUDITOR'S REPORT

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the CRA's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that
 raise substantial doubt about the CRA's ability to continue as a going concern for a reasonable period
 of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis (MD&A) and the budgetary comparison information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

The Honorable Members of the City Council Ocala Community Redevelopment Agency Ocala, Florida

INDEPENDENT AUDITOR'S REPORT

We have applied certain limited procedures to the MD&A and the budgetary comparison information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the MD&A and the budgetary comparison information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 11, 2023, on our consideration of the CRA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the effectiveness of the CRA's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the CRA's internal control over financial reporting and compliance.

Purvis Gray

May 11, 2023 Ocala, Florida

This supplement to the Independent Auditor's Report and Financial Statements has been developed in accordance with the Government Accounting Standards Board Statement No. 34. It is intended to provide the readers of this report with a general overview of the financial activities of the Ocala Community Redevelopment Agency (the CRA). The CRA provides the following discussion and analysis of the CRA's financial activities for the fiscal year ended September 30, 2022. Management's Discussion and Analysis is designed to: (a) assist the reader to focus on significant financial issues, (b) provide an overview of the CRA's financial activities, (c) identify changes in the CRA's financial position, (d) identify material deviations from the financial plan, and (e) identify individual fund issues or concerns. We encourage readers to consider the information presented here in conjunction with the CRA's financial statements.

The CRA

The CRA is comprised of four subareas: Downtown, North Magnolia, West Ocala, and East Ocala. The CRA was created pursuant to Chapter 163.356, Florida Statutes, City Ordinance 2009, and City Resolutions 88-37, 88-52, and 89-44. The West Ocala and East Ocala subareas were created by the revised City Ordinance 2016-2 and City Resolutions 2016-1 and 2016-4. The Governing Board of the CRA is the City Council (the Council). The City of Ocala (the City) is responsible for the CRA's operations; therefore, the City exercises significant influence over its operations and fiscal management. The CRA is considered a component unit for financial reporting purposes and is presented as a blended major governmental fund within the City's overall basic financial statements.

These financial statements are presented for the purpose of complying with state law, specifically Florida Statute Section 163.387(8)(a), which requires separate audited financial statements for each Ocala Community Redevelopment Agency that has revenues or expenditures that exceed \$100,000.

Financial Highlights

- The liabilities of the CRA exceeded its assets at the close of the most recent fiscal year by \$1,148,695.
- The CRA's fund balance decreased by \$2,128,252 as a result of 2022 operations.
- Revenues for fiscal year 2022 were \$510,660 while expenditures totaled \$4,078,988. In addition, the CRA transfers funds to the City's general fund to cover the payroll-related expenditures and liabilities, which are allocated to the CRA based on a percentage of the work performed by the City employees. Transfers for fiscal year 2022 totaled \$56,042.
- For the period ended September 30, 2022, actual revenues were less than budgeted revenues by \$488,603 while actual expenditures were \$4,642,272 less than budgeted expenditures.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the CRA's basic financial statements, which are comprised of the following four (4) components:

- Government-Wide Financial Statements
- Fund Financial Statements
- Notes to the Financial Statements
- Required Supplementary Information

Government-Wide Financial Statements

The *government-wide financial statements* are designed to provide readers with a broad overview of the CRA's finances, in a manner similar to a private-sector business.

The *Statement of Net Position* presents financial information on all of the CRA's assets and liabilities, with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the CRA is improving or deteriorating.

The *Statement of Activities* presents information showing how the CRA's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported for some items that will only result in cash flows in future fiscal periods.

The government-wide financial statements listed above distinguish functions of the CRA that are principally supported by ad-valorem taxes and intergovernmental revenues (*governmental activities*) from other functions that are intended to recover all, or a significant portion, of their costs through user fees and charges (*business-type activities*). The governmental activity of the CRA is community redevelopment.

The government-wide financial statements include only the activities of the CRA. However, the CRA is considered a blended component unit the City and, as such, the financial information of the CRA is included in the City's Annual Comprehensive Financial Report for each fiscal year.

Fund Financial Statements

A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The CRA uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds

Governmental funds are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows* and *outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating the CRA's *near-term* financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the CRA's *near-term* financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balance provide a reconciliation to facilitate this comparison between *governmental funds*.

Special Revenue Funds

Special revenue funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditures for specified purposes other than debt service or capital projects. The CRA's expendable financial resources and the related liabilities are accounted for through a special revenue fund.

Restricted Fund Balance

Fund balance should be reported as *restricted* when constraints are placed on the use of resources such as enabling legislation, which authorizes the government to access, levy, charge, or otherwise mandate payment of resources.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

Required Supplementary Information

Included in this section of the report is the Budgetary Comparison Schedule.

Government-Wide Financial Analysis

Statement of Net Position

As noted earlier, net position may serve over time as a useful indicator of the CRA's financial position. In the case of the CRA, liabilities exceeded assets by \$1,148,695 (*net position*) as of the close of the most recent fiscal year, a decrease of \$2,128,252 in comparison with the prior year. This was primarily due to significant construction on a project in the current year.

The following table reflects a summary of the *Statement of Net Position* for the current and prior year:

Community Redevelopment Agency

	 2022	 2021
Assets		
Equity in Pooled Cash and Investment Fund	\$ 5,933,254	\$ 8,887,275
Accrued Interest Receivable	18,877	22,082
Prepaids	1,113	-
Total Assets	 5,953,244	 8,909,357
Liabilities and Fund Balances		
Liabilities		
Accounts Payable and Accrued Liabilities	16,833	474,122
Due to Primary Government	478,065	477,018
Interfund Advances Payable to Primary Government	6,400,000	6,878,065
Retainage on Contracts	207,041	100,595
Total Liabilities	 7,101,939	7,929,800
Net Position		
Restricted	3,796,450	979,557
Unrestricted	 (4,945,145)	 -
Total Net Position	\$ (1,148,695)	\$ 979,557

Statement of Activities

The following table reflects the *Statement of Activities* for the current and prior year:

Community Redevelopment Agency

	2022		 2021	
Revenues				
Property Tax	\$	999,263	\$ 893,504	
Investment Income		(488,603)	(22,873)	
Miscellaneous		-	 15,000	
Total Revenues		510,660	 885,631	
Expenditures				
Current:				
General Government		-	18,047	
Economic Environment		375,578	 575,053	
Total Expenditures		375,578	 593,100	
Excess of Revenues Over Expenditures		135,082	 292,531	
Other Financing Sources (Uses)				
Transfers In from Primary Government		1,496,118	1,337,772	
Transfers Out to Primary Government		(56,042)	(60,763)	
Capital Outlay Contributed to Primary Government		(3,703,410)	 (3,713,085)	
Total Other Financing Sources (Uses)		(2,263,334)	 (2,436,076)	
Net Change in Net Position		(2,128,252)	(2,143,545)	
Net Position, Beginning of Year		979,557	3,123,102	
Net Position, End of Year	\$	(1,148,695)	\$ 979,557	

As of the end of the fiscal year 2022, the CRA's net position was (\$1,148,695), a decrease of \$2,128,252 from the prior year. This decline was attributed to significant construction projects in the current year. The funding for these projects is expected to be received in future years from grants and incremental tax revenues.

Financial Analysis of the CRA's Funds

Governmental Funds

The focus of the CRA's *governmental funds* is to provide information on *near-term* inflows, outflows, and balances of *spendable resources*. Such information is useful in assessing the CRA's financing requirements. In particular, *unassigned fund balance* may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

The CRA's fund balance of \$3,796,450 is restricted for redevelopment projects within the CRA district. The deficit fund balance of \$4,945,145 is unrestricted.

Property taxes totaling \$2,495,381 represented approximately 100% of all revenues. This amount includes both Marion County and the City's portion of the tax increment financing revenues, which amounts to \$999,263 and \$1,496,118, respectively. Property tax revenue increased \$264,105, or 12% from the previous year. The increase in tax increment financing revenues received by the CRA in the current year resulted from increased property values within the CRA district.

Capital Assets and Debt Administration

The CRA's capital assets are considered to be property of the City and, therefore, are included as capital assets in the City's government-wide financial statements. Capital asset activity for the year ended September 30, 2022, can be found in the City's audited financial statements.

The CRA has two interfund advances payable, involving the West Ocala and Downtown subareas and multiple funds of the City. The interfund advances payable are related to redevelopment projects within each subarea's boundaries. Additionally, both interfund advances payable were approved through City Budget Resolutions. For further detail regarding the CRA's interfund advances payable, see Note 5.

Budgetary Highlights

An annual budget is prepared for the CRA and approved by the Council and adopted through a Budget Resolution. The legal level of control is maintained at the fund level. During 2022, the Council approved a supplemental budget appropriation to provide for unanticipated requirements of the period. This appropriation caused an increase from the original budget of \$6,445,952 for Economic Development and Capital Outlay expenditures, and a decrease of \$5,873 for total revenues. Budget appropriations may not be legally exceeded on a fund basis. Appropriations lapse at the end of the fiscal year. The budget is adopted on a basis consistent with generally accepted accounting principles.

Economic Factors and Future Developments

The CRA will continue to plan projects and infrastructure improvements that align with its redevelopment priorities for the designated subareas within the district. The CRA will continue to implement the community's shared development goals through its redevelopment strategies and critical tasks.

Request for Information

This financial information is designed to present users with a general overview of the CRA's finances for all those with an interest in its finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Finance Department, 201 SE 3rd Street, Ocala, Florida 34471, or telephone (352) 629-2489.

Note 1 - Summary of Significant Accounting Policies

The Ocala Community Redevelopment Agency's (the CRA) financial statements are prepared in accordance with generally accepted accounting principles, as applicable to governments. The following is a summary of the more significant policies:

Reporting Entity

The CRA was created pursuant to Chapter 163.356, Florida Statutes, City Ordinance 2009, and City Resolutions 88-37, 88-52, and 89-44. The West Ocala and East Ocala subareas were created by the revised City Ordinance 2016-2 and City Resolutions 2016-1 and 2016-4. The purpose of the CRA is to establish the redevelopment priorities and carry out the activities for the designated geographic boundaries within the CRA subareas. The Governing Board of the CRA is the City Council (the Council). The City of Ocala (the City) is responsible for the CRA's operations; therefore, the City exercises significant influence over its operations and fiscal management. The CRA is considered a component unit for financial reporting purposes and is presented as a blended major governmental fund within the City's overall basic financial statements.

Financial Statements

These financial statements are presented for the purpose of complying with state law, specifically Florida Statutes, Section 163.387(8)(a), which requires separate audited financial statements for each Community Redevelopment Agency that has revenues or expenditures that exceed \$100,000.

Entity-wide financial statements are prepared at the City-wide level by the City and include the CRA. Copies of that report can be obtained from the City's Office of Budget and Finance.

Measurement Focus, Basis of Accounting, and Financial Statement Presentation

Government-Wide Financial Statements

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of the related cash flows. Property taxes are recognized as revenue in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Fund Financial Statements

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting, except for debt service expenditures, which are recorded only when payment is due.

Considering that the fund statements are presented on a different measurement focus and basis of accounting than the government-wide governmental activities column, a reconciliation is sometimes necessary to explain the adjustments needed to reconcile the fund based financial statements to the governmental activities column of the government-wide presentation.

Tax increment financing revenue, when levied, for and interest associated with the current fiscal period, are both considered to be measurable and have been recognized as revenues of the current fiscal year, if available.

When both restricted and unrestricted resources are available for use, it is the CRA's policy to use restricted resources first, and then unrestricted resources as they are needed.

The CRA reports the special revenue fund as a major governmental fund. The special revenue fund is used to account for all financial resources received by the CRA. The special revenue fund serves as the primary operating fund of the CRA. The CRA does not have any non-major funds.

Budgetary Requirements

An annual budget is prepared for all funds of the City, including the CRA. The budget amounts presented in the accompanying financial statements are as originally adopted, or as legally amended, by the Council during the year ended September 30, 2022. The City Manager is authorized to transfer budgeted amounts within the fund; however, any budget amendments that alter the total expenditures of the fund must be approved by the Council. During 2022, the Council approved supplemental budget appropriations to provide for unanticipated requirements of the period. Budget appropriations may not be legally exceeded on a fund basis. Appropriations lapse at the end of each fiscal year. The budget is adopted on a basis consistent with generally accepted accounting principles. The budgetary comparisons reflect only those activities for which legally adopted budgets are prepared. For the year ended September 30, 2022, no expenditures exceeded the budget at the fund level for the CRA.

Assets, Liabilities, and Net Position

Equity in Pooled Cash and Investments

The CRA participates in the City's pooled cash investment fund, which allows the CRA to pool monies with the various funds of the City for investment purposes. Interest income earned as a result of pooling is allocated to the CRA based on its equity in the pool at the end of each month. All investments are stated at fair value, based on quoted market prices at the end of the fiscal year.

Due To/Due From Other Funds

Amounts receivable from, or payable to, other funds are reflected in the accounts of the fund until liquidated, which is usually within one year. Any residual balances outstanding between the government activities and business-type activities are reported in the City's government-wide statements as "internal balances".

At the close of the fiscal year, the CRA had two interfund advances payable for redevelopment and infrastructure projects. For further detail, see Note 5.

Capital Assets

Capital assets include property, plant, equipment, and infrastructure assets (e.g., roads, bridges, sidewalks, and similar items). The CRA's capital assets are considered to be property of the City and, therefore, are included as capital assets in the City's government-wide financial statements. Capital asset activity for the year ended September 30, 2022, can be found in the City's audited financial statements. As the capital assets are retained by the City, the CRA contributes capital to the general fund for capital outlay related to the CRA's redevelopment and infrastructure projects.

Interfund Activity and Contributions

During the course of normal operations, the CRA has various transactions with other funds. Interfund transactions are reflected as loans or transfers. Loans are reported as receivables and payables as appropriate and are subject to elimination upon consolidation. Interfund payables and receivables are non-interest bearing. Interfund advances are liquidated in accordance with the Council's resolution and may bear interest. All other interfund transactions are treated as transfers. Transfers between the CRA and other governmental or proprietary funds are netted as part of the City's reconciliation to the government-wide presentation.

The CRA transfers funds to the general fund to cover a portion of payroll-related expenses and liabilities incurred by City employees for work performed for the CRA.

Capital outlay is contributed by the CRA to the general fund for capital outlay incurred for the CRA's redevelopment and infrastructure projects.

Nature and Purpose of the Fund Balance

In the fund financial statements, the governmental fund reports fund classifications that comprise a hierarchy based primarily on the extent to which the CRA is bound to honor constraints on the specific purposes for which amounts in the fund can be spent. Amounts that are restricted to specific purposes either by: a) constraints placed on the use of resources by creditors, grantors, contributors, or laws or regulations of other governments; or b) imposed by law through constitutional provisions or enabling legislation, are classified as restricted fund balances. Amounts that can only be used for specific purposes pursuant to constraints imposed by the Council through an ordinance or resolution are classified as committed fund balances. Amounts that are constrained by the CRA's intent to be used for specific purposes but are neither restricted nor committed are classified as assigned fund balances. Assignments are made by the Council or the City Manager. Non-spendable fund balances include amounts that cannot be spent because they are either: a) not in spendable form, or b) legally or contractually required to be maintained intact. Unassigned fund balance represents fund balance that is not restricted, committed, or assigned to specific purposes within the CRA.

Unspent tax increment financing revenues are restricted for future redevelopment projects and are reported as restricted fund balance in the financial statements. Unassigned fund balance, if any, represents fund balance that has not been restricted, committed, or assigned to specific purposes within the CRA.

Net Position

The government-wide statements utilized a net position presentation. Restricted net position are unspent tax increment financing revenues that are restricted for future redevelopment projects. Unrestricted net position represents the net position of the CRA that is not restricted for any project or purpose.

Other Significant Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Payroll-Related Expenses and Liabilities

The employees that manage or are involved in day-to-day operations of the CRA are employees of the City. A percentage of these employees' payroll-related expenses and liabilities is covered by the CRA through a transfer of funds to the general fund. Payroll-related activity for the year ended September 30, 2022, can be found in the City's audited financial statements.

Note 2 - Explanation of Certain Differences Between the Government-Wide and Fund Financial Statements

Statement of Net Position and Governmental Fund Balance Sheet

The statement of net position and governmental fund balance sheet includes a reconciliation between fund balance - total governmental funds and net position of governmental activities as reported in the government-wide statement of net position.

Statement of Activities and Governmental Fund Statement of Revenues, Expenditures, and Changes in Fund Balance

The statement of activities and governmental fund statement of revenues, expenditures, and changes in fund balance includes a reconciliation between the capital outlay of the governmental fund and the capital outlay contributed to the primary government as reported in the government-wide statement of activities.

Note 3 - Cash, Cash Equivalents, and Investments

Equity in Pooled Cash and Investments

The CRA participates in the City's cash and investment pool. At September 30, 2022, the carrying amount of the CRA's deposits was \$5,933,254. The City's deposits, consisting of interest and non-interest bearing accounts, are entirely insured by federal deposit insurance or by collateral held by the City's agent pursuant to the *Florida Security for Public Deposits Act* as required by Chapter 280, Florida Statutes. Additionally, the City's deposits are held by a bank that qualifies as a public depository, pursuant to the same Act. All qualified public depositories must deposit with the State Treasurer eligible collateral in such amounts as required by the Act. Qualified public depositories are required to assume mutual responsibility against loss caused by default or insolvency of other qualified public depositories.

Cash equivalents consist of:

- 1) Amounts placed with the State Board of Administration for participation in the Local Government Funds Trust Fund investment pool created by Section 218.405, Florida Statutes. The investment amount is reported at amortized cost. The Florida PRIME investment pool has weighted average days to maturity of 64 days as of September 30, 2022.
- 2) Amounts placed with the Florida Fixed Income Trust is a commingled pool designed to provide a high level of current income consistent with low volatility of net asset value and provide positive holding period return time horizons of 1-3 years or greater. The City's investment policy adheres to current Florida Investment Statutes under Chapter 218.415.
- 3) Amounts placed with Florida Local Government Investment Trust as intergovernmental investment pool created by an inter-local agreement under Florida Statute 163.01.

Investments

The CRA's investments follow the City's investment guidelines, as defined by the City Ordinance and the written investment policy that is approved by the Council. The investment policy specifies limits by instrument and issuer (within instrument) and establishes a diversified investment strategy, minimum credit quality, and authorized institutions available as counterparties. Implementation and direction of investment strategies, within policy limits, are established by an internal investment committee and managed by external financial manager.

The fair values of the CRA's fixed maturity investments fluctuate in response to changes in market interest rates. Increases in prevailing interest rates generally translate into decreases in fair values of those instruments. Fair values of interest rate-sensitive instruments may also be affected by the credit worthiness of the issuer, prepayment options, relative values of alternative investments, the liquidity of the instrument, duration of the instrument, and other general market conditions.

A. Derivatives

The CRA has no derivative instruments in its portfolio at September 30, 2022. Pursuant to the City's investment policy guidelines, derivative instruments are authorized, but limited in use if only the Chief Financial Officer has sufficient understanding or expertise.

B. General Investment Guidelines

The City's comprehensive investment policy was adopted on December 8, 1992, and amended on September 5, 1995 and September 17, 2013. Pursuant to Section 218.415, the investment policy establishes permitted investments, asset allocation limits, issue limits, credit rating requirements, and maturity limits to protect the cash and investment assets. The City's investment policy allows for the following investments: local government investment pools, United States government securities, United States government agency securities, federal instrumentalities, interest bearing time certificates of deposit or saving accounts, repurchase agreements, commercial paper, bankers' acceptances, state and/or local government taxable and/or tax exempt debt, money market mutual funds, intergovernmental investment pools, corporate obligations or corporate notes, collateralized mortgage obligations, mortgage-backed securities, asset-backed securities, Yankee securities, Eurodollar securities, money market mutual funds, bond funds, and any investment security authorized by Florida Statutes 218.415.

The City's investment policy also requires that investments be rated as follows: corporate notes, state and local government debt, general obligation or revenue bonds rated BBB by Standard & Poor's (S&P) or Moody's Rating Services (Moody's); commercial paper rated at least Prime-2 by Moody's or A-3 by S&P; mortgage and ABS rated AAA or equivalent by Moody's or S&P; or money market mutual funds comprised of only those investment instruments authorized in the policy. The City's policy does not require a minimum rating for U.S. Government securities, agencies, or federal instrumentalities.

C. Third-Party Portfolio Managers

Pursuant to the City's investment policy, third-party managers were set up in the following investment pool tiers:

- Pool I (short-term investments) duration of one to three years.
- Pool II (short intermediate investments) duration of one to five years.
- Pool III (intermediate investments) duration of one to ten years.

The City's independent advisors provide performance measurement services, which: (a) compares individual manager performances to their respective monthly index, (b) compares manager performance to their respective industry peer group quarterly, and (c) reviews portfolio compliance. Each manager has a goal of exceeding their respective benchmark, net of fees, over a market cycle. Each manager has an individual policy limitation that, when combined, does not exceed 10% for each sector. The effective duration of the portfolio shall not exceed 120%, nor be less than 50% of the target benchmark.

The benchmarks for each portfolio were chosen to better reflect the investments held in the account. Pool I is measured against Bank of America Merrill Lynch 1-3 Year Unsubordinated U.S. Treasury/Agencies index, Pool II is benchmarked against Bank of America Merrill Lynch 1-5 Year Government/Corporate index, and Pool III is compared to the Bank of America Merrill Lynch 1-10 Year Domestic Master index.

Security Type	Average Rating	Fair Value	Effective Duration (In Years)
Carrying Value of Cash	N/A	\$ 1,377,057	N/A
Treasury Investment Portfolio	AA+	4,151,274	2.66
SBA Florida PRIME	AAAm	200,831	72 days
Florida Fixed Income Trust	AAAf/S1	 204,092	83 days
Total		\$ 5,933,254	1.93

The CRA utilizes "effective duration" as a measurement of interest rate risk and as of September 30, 2022, the Treasury investment portfolio had an overall effective duration of 1.93 years. The Treasury investment portfolio had the following investment types and effect duration presented in terms of years at September 30, 2022.

Total Treasury Portfolio (Pools I, II, III)

Security Type	Average Rating	Fair Value	Weighted Average Maturity Years
U.S. Treasury Bond/Note	AA+	\$ 1,648,103	2.27
Federal Agency Bond/Note	AA	384,646	0.65
Mortgage Backed Pass-Through Security	AA+	534,183	8.82
Corporate Notes	A+	1,228,626	1.69
ABS/CMBS	AAA	256,248	0.86
GSE Collateralized Mortgage Obligations	AA	8,009	0.00
Municipal Bond/Note	AA+	19,616	1.40
Money Market Mutual Fund	A-1	 71,843	0.00
Total Treasury Portfolio - Pools I, II, and III		\$ 4,151,274	2.66

D. Interest Rate Risk

Interest rate risk exists when there is a possibility that changes in interest rates could adversely affect an investment's fair value.

The City's investment policy sets limits for investment maturities to match known cash needs and anticipated cash flow requirements. Investments of bond reserves, construction funds, and other non-operating funds, "core funds", shall have a term appropriate to the need for the funds and in accordance with debt covenants, but in no event shall exceed seven years. No more than 50% of the City's total investment portfolio shall be placed in securities maturing more than three years.

POOL I - Short-Term Investments:

Security Type	Average Rating	F	air Value	Weighted Average Maturity Years
U.S. Treasury Bond/Note	AA+	\$	384,621	1.95
Federal Agency Bond/Note	AA+		136,131	1.01
Mortgage Backed Pass-Through Security	AA		63,173	5.47
Corporate Notes	А		415,544	1.96
Municipal Bond/Note	AA-		19,616	1.40
Asset Backed Securities	AAA		208,024	3.80
GSE Collateralized Mortgage Obligations	AA+		8,009	8.89
Money Market Mutual Fund	A+		23,763	0.00
Sub-Total Pool I		\$	1,258,881	2.32

Waightad

Waightad

POOL II - Short Intermediate Investments:

Security Type	Average Rating		Fair Value	Weighted Average Maturity Years
U.S. Treasury Bond/Note		'	748,852	1.44
Federal Agency Bond/Note	AA	Ŷ	248,515	0.46
Mortgage Backed Pass-Through Security	AA		31	0.00
Corporate Notes	A		678,784	0.77
Money Market Mutual Fund	AAA		1,665	0.00
Sub-Total Pool II		\$	1,677,847	1.02

POOL III - Intermediate Investments:

Security Type	Average Rating	F	air Value	Average Maturity Years
U.S. Treasury Bond/Note	AA+	\$	514,630	3.72
Mortgage Backed Securities	AA+		470,979	9.27
Corporate Notes	A-		134,298	5.64
ABS/MBS	AAA		48,224	4.57
Money Market Mutual Fund	A-1		46,415	0.00
Sub-Total Pool III		\$	1,214,546	5.98
Total of Pools I, II, and III		\$	4,151,274	2.39

E. Credit Risk

Credit risk is the risk that an issuer of a debt security will not fulfill its obligation to the holder of the investment. This risk is measured by the assignment of a rating to each debt security by a nationally recognized credit rating agency. The City's investment policy limits investments to those described above.

F. Custodial Credit Risk

For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the CRA will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party.

The City's investment policy, pursuant to Section 218.415(18), Florida Statutes, requires securities, except for certificates of deposits, shall be held with a third-party custodian; and all securities purchased by, and all collateral obtained by the City should be properly designated as an asset of the City. The securities must be held in an account separate and apart from the assets of the financial institution. A third-party custodian is defined as any bank depository chartered by the federal government, the State of Florida, or by a national association organized and existing under the laws of the United States which is authorized to accept and execute trusts, and which is doing business in the State of Florida. Certificates of deposits will be placed in the provider's safekeeping department for the term of the deposit.

As of September 30, 2022, the CRA's investment portfolio was held with a third-party custodian as required by the City's investment policy.

G. Concentration of Credit Risk

Assets held are diversified to control the risk of loss resulting from over concentration of assets in a specific maturity, a specific issuer, a specific instrument, a class of instruments, or a dealer through whom these instruments are bought and sold.

The City's investment policy has established asset allocation and issuer limits on the following investments, which are designed to reduce concentration of credit risk of the CRA's investment portfolio and must be observed by investment managers.

	Sector A	Individual Issue/	
-	Minimum	Maximum	– Fund Limit
U.S. Treasury and Federal Agencies	35%	None	None
Corporate Debt Obligations	None	50%	5%
Mortgage/Asset Backed Securities	None	30%	5%
Municipal Securities	None	20%	5%
Certificates of Deposit	None	20%	5%
Repurchase Agreements	None	25%	15%
Local Government Investment Pools	None	25%	25%
Participation in Collateral or Otherwise			
Collateralized Debt Instruments (Issuer Level)	None	20%	5%
Participation in Collateral or Otherwise			
Collateralized Debt Instruments (Security Level)	None	None	5%
Money Market Mutual/Trust	None	30%	15%
Yankee and Euro Dollars Securities	None	15%	3%

As of September 30, 2022, the CRA's investment portfolio was in compliance with all diversification requirements of the City's investment policy.

H. Foreign Currency Risk

The CRA is not exposed to this type of risk.

I. Fair Value Measurement

The CRA measures and records its investments using fair value measurement guidelines established in accordance with Governmental Accounting Standards Board (GASB) Statements. GASB defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques.

These guidelines recognize a three-tiered fair value hierarchy, in order of highest priority, as follows:

- Level 1: Investments whose values are based on unadjusted quoted prices for identical investments in active markets that the CRA has the ability to access.
- Level 2: Investments whose inputs other than quoted market prices are observable either directly or indirectly.
- Level 3: Investments whose inputs are unobservable.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the entire fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs. The CRA does not have any investments that are measured using Level 3 inputs.

The following table summarizes the CRA's investments with the fair value hierarchy at September 30, 2022:

	F	air Value	 Level 1	Level 2		
U.S. Treasury Bond/Note	\$	1,648,103	\$ 1,648,103	\$	-	
Federal Agency Bond/Note		384,646	-		384,646	
Mortgage Backed Pass-through Security		534,183	-		534,183	
Corporate Notes		1,228,626	-		1,228,626	
ABS/MBS		256,248	-		256,248	
GSE Collateralized Mortgage Obligations		8,009	-		8,009	
Municipal Bond/Note		19,616	-		19,616	
Toal Investments at Fair Value	\$	4,079,431	\$ 1,648,103	\$	2,431,328	
Investment Measured at Net Asset Value (NAV)						
Money Market Mutual Fund		71,843				
	\$	4,151,274				

Debt securities categorized as Level 1 are valued based on prices quoted in active markets for those securities. Debt securities categorized as Level 2 are valued using a matrix pricing technique that values securities based on their relationship to benchmark quoted prices.

Note 4 - Tax Increment Financing Revenue

The CRA is primarily funded through tax increment financing revenue. The tax increment revenue is calculated by applying the adopted millage rate to the increase in current year taxable assessed valuations within the designated CRA districts, using the year in which they were established as the "base year". The City and Marion County are required to contribute the following percentages of the incremental property taxes levied each year to the four subareas:

	City of Ocala	Marion County
Downtown	95%	95%
North Magnolia	95%	95%
West Ocala	75%	75%
East Ocala	75%	75%

Note 5 - Interfund Activity

As of the close of the most recent fiscal year, the CRA had three interfund advances payable. The interfund advances payable between the West Ocala subarea and the City's General Fund, Water Resources Fund, and Electric Fund were approved by Budget Resolution 2019-180 for the construction of the Ocala Community Center at Reed Place. The Ocala Community Center is located within the West Ocala subarea's boundaries. The interfund advances payable between the Downtown subarea and the City's Electric Fund were approved by Budget Resolution 2018-136 for the purchase of the Marion County Judicial Center parking lot. The Marion County Judicial Center parking lot is located within the Downtown subarea's boundaries.

The following tables reflect the interfund advances payable and amounts due to the primary government for the current year:

Project		Septe	mber 30, 2022	Interes Rate
Subarea	Description			
West Ocala	Community Center Construction	\$	6,400,000	2.0%
		\$	6,400,000	
	Due to Primary Government			
	Due to Primary Government Project	Septe	mber 30, 2022	
Subarea		Septe	mber 30, 2022 Balance	
Subarea West Ocala	Project	Septe\$	-	
	Project Description		Balance	

Interfund Advances Payable to Primary Government

Note 6 - Deficit Net Position

As of September 30, 2022, the CRA had a deficit unrestricted net position of \$4,945,145. This is related to construction projects within the West Ocala Redevelopment subarea.

OTHER REPORTS

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Honorable Members of the City Council Ocala Community Redevelopment Agency Ocala, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the Ocala Community Redevelopment Agency (the CRA) as of and for the year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the CRA's financial statements and have issued our report thereon dated May 11, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the CRA's internal control over financial reporting (internal control) as a basis for designing auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness on the CRA's internal control. Accordingly, we do not express an opinion on the effectiveness of the CRA's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we would consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

The Honorable Members of the City Council Ocala Community Redevelopment Agency Ocala, Florida

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the CRA's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, non-compliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with such provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the CRA's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the CRA's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE WITH SECTIONS 163.387(6) AND (7), FLORIDA STATUTES

The Honorable Members of the City Council Ocala Community Redevelopment Agency Ocala, Florida

We have examined the Ocala Community Redevelopment Agency's (the CRA) compliance with the requirements of Sections 163.387(6) and (7), Florida Statutes, as of and for the year ended September 30, 2022, as required by Section 10.556(10)(f), *Rules of the Auditor General*. Management is responsible for the CRA's compliance with those requirements. Our responsibility is to express an opinion on the CRA's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the CRA complied, in all material respects, with the requirements referenced above. An examination involves performing procedures to obtain evidence about whether the CRA complied with the specific requirements. The nature, timing, and extent of procedures selected depend on our judgement, including an assessment of the risk of material non-compliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Our examination does not provide a legal determination on the CRA's compliance with specific requirements.

In our opinion, the CRA complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2022.

This report is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, the CRA, its management, and the Council of Directors of the City of Ocala, Florida, and is not intended to be, and should not be, used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE WITH SECTION 218.415, FLORIDA STATUTES

The Honorable Members of the City Council Ocala Community Redevelopment Agency Ocala, Florida

We have examined the Ocala Community Redevelopment Agency's (the CRA) compliance with the requirements of Section 218.415, Florida Statutes, as of and for the year ended September 30, 2022, as required by Section 10.556(10)(a), *Rules of the Auditor General*. Management is responsible for the CRA's compliance with those requirements. Our responsibility is to express an opinion on the CRA's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the CRA complied, in all material respects, with the requirements referenced above. An examination involves performing procedures to obtain evidence about whether the CRA complied with the specific requirements. The nature, timing, and extent of procedures selected depend on our judgement, including an assessment of the risk of material non-compliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Our examination does not provide a legal determination on the CRA's compliance with specific requirements.

In our opinion, the CRA complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2022.

This report is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, the CRA, it's management, and the Council of Directors of the City of Ocala, Florida, and is not intended to be, and should not be, used by anyone other than these specified parties.

MANAGEMENT LETTER

The Honorable Members of the City Council Ocala Community Redevelopment Agency Ocala, Florida

Report on the Financial Statements

We have audited the financial statements of the Ocala Community Redevelopment Agency (the CRA) as of and for the fiscal year ended September 30, 2022, and have issued our report thereon dated May 11, 2023.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards,* issued by the Comptroller General of the United States; and Chapter 10.550, *Rules of the Auditor General.*

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards;* and Independent Accountant's Report on examination conducted in accordance with American Institute of Certified Public Accountants *Professional Standards,* AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, *Rules of the Auditor General.* Disclosures in those reports and schedule, which are dated May 11, 2023, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings and recommendations made in the preceding annual financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., *Rules of the Auditor General*, requires that the name or official title and legal authority for the primary government be disclosed in the Management Letter, unless disclosed in the notes to the financial statements (see Note 1 of the CRA's financial statements as of and for the year ended September 30, 2022, for this information).

Financial Condition and Management

Sections 10.554(1)(i)5.a. and 10.556(7), *Rules of the Auditor General*, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the CRA has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and identify the specific condition(s) met. In connection with our audit, we determined that the CRA did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

CERTIFIED PUBLIC ACCOUNTANTS

The Honorable Members of the City Council Ocala Community Redevelopment Agency Ocala, Florida

MANAGEMENT LETTER

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), *Rules of the Auditor General*, we applied financial condition assessment procedures. It is management's responsibility to monitor the CRA's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same.

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Special District Component Units

Section 10.554(1)(i)5.d., *Rules of the Auditor General*, requires, if appropriate, that we communicate the failure of a special district that is a component unit of a county, municipality, or special district, to provide the financial information necessary for proper reporting of the component unit, within the audited financial statements of the county, municipality, or special district in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we determined that all special district component units provided the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes.

As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, *Rules of the Auditor General*, the CRA reported the following information that was not subject to auditing procedures:

- The total number of district employees compensated in the last pay period of the district's fiscal year as 0.
- The total number of independent contractors to whom non-employee compensation was paid in the last month of the district's fiscal year as 1.
- All compensation earned by or awarded to employees, whether paid or accrued, regardless of contingency as \$0.
- All compensation earned by or awarded to non-employee independent contractors, whether paid or accrued, regardless of contingency as \$2,238,390.
- Each construction project with a total cost of at least \$65,000 approved by the district that is scheduled to begin on or after October 1 of the fiscal year being reported, together with the total expenditures for such project are related to the Mary Sue Rich Community Center project for \$2,238,390.
- A budget variance based on the budget adopted under Section 189.016(4), Florida Statutes, before the beginning of the fiscal year being reported if the district amends a final adopted budget under Section 189.016(6), Florida Statutes; see schedule of Revenues, Expenditures, and Changes in Fund Balance - Budget and Actual as presented in the financial statements for the year ended September 30, 2022.

The Honorable Members of the City Council Ocala Community Redevelopment Agency Ocala, Florida

MANAGEMENT LETTER

Additional Matters

Section 10.554(1)(i)3., *Rules of the Auditor General*, requires us to communicate non-compliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, federal and other granting agencies, the Honorable Mayor, and City of Ocala City Council and management, and is not intended to be, and should not be, used by anyone other than these specified parties.

Purvis Gray
