Independent Auditors' Report

INDEPENDENT AUDITOR'S REPORT

To the Honorable Mayor and
City Council Members
City of Oldsmar, Florida Community Redevelopment Agency

Report on the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities, of the City of Oldsmar, Florida's Community Redevelopment Agency (the CRA), as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the CRA's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities of the City of Oldsmar, Florida's Community Redevelopment Agency, as of September 30, 2023, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the CRA and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the CRA's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City of Oldsmar, Florida’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the CRA’s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information – Management’s Discussion and Analysis

Accounting principles generally accepted in the United States of America require that the management’s discussion and analysis on pages 1-7 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management’s responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information and Other Required Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the CRA’s basic financial statements. The accompanying required supplementary information of the Budgetary Comparison Schedule – Community Redevelopment Agency (page 21) is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Budgetary Comparison Schedule is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated April 25, 2024, on our consideration of the CRA’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the CRA’s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the CRA’s internal control over financial reporting and compliance.

Management's Discussion and Analysis

**COMMUNITY REDEVELOPMENT AGENCY
CITY OF OLDSMAR**

MANAGEMENT’S DISCUSSION AND ANALYSIS

The Management’s Discussion and Analysis (MD&A) of the Community Redevelopment Agency (CRA) is designed to provide an objective and easy to read analysis for the fiscal year ended September 30, 2023.

The CRA was formally established in October 1994, with the adoption of Resolution No. 94-22 by the Oldsmar City Council. Pursuant to Section 163 Part III, Florida Statutes, the CRA is comprised of the five (5) members of the Oldsmar City Council. In 1996, the Oldsmar Community Redevelopment Plan (Town Center Plan) was adopted, and the Oldsmar CRA Trust Fund was established.

The primary function of the CRA, under this Town Center Plan is the rehabilitation, conservation, redevelopment (or combination thereof) of the designated geographic area through the implementation of the City’s Community Redevelopment Plan. The Oldsmar City Council functions as the Community Redevelopment Agency Board and performs the legislative and governing duties and responsibilities of the Agency. The Planning and Redevelopment Director performs the day to day administrative duties as Director of the Agency under the oversight and supervision of the City Manager.

The information contained in this MD&A is only a component of the entire financial statement report. We encourage readers to consider the information presented here in conjunction with all sections of the report, including the notes and required supplementary information provided.

FINANCIAL HIGHLIGHTS

- The assets of the CRA exceeded its liabilities at the close of the most recent fiscal year by \$8,091,344 (net position).
- The CRA’s total net position increased by \$683,950 or 8.45%, which was mostly attributable to the acquisition of real property as well as continued progress on capital projects.
- The CRA’s tax increment revenues – city portion increased by \$44,326 and the county portion increased by \$21,500, for a total increase of \$65,826 or approximately 8.9%.

OVERVIEW OF THE FINANCIAL STATEMENTS

The CRA’s financial statements are comprised of three major components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. Each is discussed below. This report also contains other supplementary information in addition to the basic financial statements themselves.

1. **Government-wide Financial Statements.** The CRA’s government-wide financial statements provide a broad overview of the CRA’s finances, in a manner similar to that of a private-sector entity. This section does not discuss individual Funds, and instead, focuses on Governmental Activities and are prepared using the accrual basis of accounting. There are two statements:

- a. **Statement of Net Position** (pg. 9). The Government-wide Statement of Net Position presents information on all CRA's assets and liabilities, with the difference between the two reported as net position.
- b. **Statement of Activities** (pg. 10). The Government-wide Statement of Activities presents information on why the CRA's net position changed during the fiscal year (the difference between revenues received and expenses incurred). All changes in net position are reported as soon as an underlying event occurs, regardless of the timing of the related cash flows. Thus, revenues and expenses are reported even if cash is not received or paid.

The CRA's government-wide financial statements present functions of the CRA that are principally supported by tax increment financing (governmental activities). The governmental activities of the CRA include general government activities and community development. The CRA has no business-type activities.

2. **Fund Financial Statements.** These are designed to provide readers with a more precise view of financial activity, unlike the government-wide statements, which focus on the CRA as a whole. A fund is a collection of resources, where a grouping of related accounts is used to control them. They have been segregated for a specific activity or objective. The CRA uses fund accounting to demonstrate compliance with legal requirements and to enhance accountability. The CRA utilized only one fund for the fiscal year ended September 30, 2023.

Governmental Funds. The Governmental Funds are used to account for the same functions reported as governmental activities in the Government-wide Financial Statements. However, unlike the Government-wide Financial Statements, these focus on short-term inflows and outflows of spendable resources, as well as on spendable resources available at year-end. This information is useful in evaluating the CRA's short-term financial condition.

The focus of the Fund Financial Statements is comparatively narrow (versus the government-wide), it is appropriate to compare fund information to its component counterpart in the governmental activities section of the government-wide financial statements. Doing so will assist the reader in understanding the long-term impact of the CRA's short-term decisions. The Governmental Funds Total column requires a reconciliation because of the difference in measurement focus, which is reflected on the page following each Governmental Fund Financial Statement (pages 12 and 14).

3. **Notes to the Financial Statements.** The notes provide additional information that is essential to the process of developing a complete understanding of the information presented in the government-wide and fund financial statements.

Required Supplementary Information (other than MD&A)

In addition to the basic financial statements described above, this report also presents certain required supplementary information, including a budgetary comparison schedule. The CRA adopts a budget for its governmental fund. The budgetary comparison statement has been provided with a legally adopted budget to demonstrate compliance with the budget and provides an analysis of significant budget variances (if any). Required supplementary information is located just after the notes to the financial statements (pg. 21).

GOVERNMENT-WIDE FINANCIAL STATEMENT ANALYSIS

Statement of Net Position

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. The CRA's total net position increased by \$683,950 at the close of fiscal year ended September 30, 2023.

The most significant component of net position for the CRA is net investment in capital assets, which reflects the value of capital assets held, net of accumulated depreciation, less any outstanding debt obligations associated with acquiring such capital assets. During fiscal year 2023, capital assets increased by \$723,847 due to the acquisition of real property (land) in the amount of \$495,893 as well as continued progress on the St. Petersburg Drive Improvement project, a Forward Pinellas priority, totaling \$361,392. Partially offsetting this increase, depreciation expense on such assets amounted to \$133,438.

The following table reflects a summarized version of the Statement of Net Position, when compared to the prior fiscal year.

Table 1
Statement of Net Position
As of September 30, 2023 and 2022
(000's)

	<u>Net Position</u>	
	<u>2023</u>	<u>2022</u>
Current and other assets	\$ 2,981	\$ 3,015
Capital assets	5,128	4,404
Total assets	<u>8,109</u>	<u>7,419</u>
Current liabilities	18	12
Total liabilities	18	12
Net Position:		
Net investment in capital assets	5,128	4,404
Restricted	2,963	3,003
Total net position	<u>8,091</u>	<u>7,407</u>
Total Liabilities and net position	<u>\$ 8,109</u>	<u>\$ 7,419</u>

For more detailed information, see the Statement of Net Position (page 9).

Governmental Activities

Governmental activities increased the CRA’s net position by \$683,950 in fiscal year 2023, representing an increase in property values within the CRA. Program revenues increased by \$31,731 or 7.6%, due to an increase in multimodal impact fee revenue of \$10,231 as well as an increase in the County portion of the tax-increment revenue of \$21,500. General revenues saw a total increase of \$132,344 or 39.2%, with the City portion of the tax-increment revenue increasing \$44,326, and a significant increase in investment income totaling \$88,018 as a result of rapidly rising interest rates.

Community redevelopment operational expenses increased slightly in the amount of \$7,376 or 7.62% while depreciation expense decreased by \$15,876 or -10.63%.

The following schedule compares the revenues and expenses for the current and previous fiscal year.

**Table 2
Changes in Net Position**

	Governmental Activities	
	2023	2022
Revenues		
Program Revenues:		
Charges for services	\$ 11,760	\$ 1,529
Capital Grants/Contributions	440,147	418,647
General Revenues:		
Property Taxes	368,883	324,557
Investment Income	100,864	12,846
Total Revenues	921,654	757,579
Expenses		
Community /Redevelopment	104,266	96,890
Depreciation	133,438	149,314
Total Expenses	237,704	246,204
Excess Revenue Over Expenses	683,950	511,375
Net Position, October 1	7,407,394	6,896,019
Ending Net Position	\$8,091,344	\$7,407,394

For more detailed information, see the Statement of Activities (page 10).

Fund Financial Statement Analysis

As noted earlier, the CRA uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

The focus of the CRA's governmental fund is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the CRA's financing requirements.

Differences between Special Revenue Fund operations and governmental activities is the accounting presentation for capital outlay. Capital outlay is accounted for as an expenditure in the Special Revenue Fund and, to the extent it relates to capital asset additions (property and equipment), is replaced by depreciation expense on the statement of activities.

As of the end of the fiscal year, the purchase of two properties located in the Community Redevelopment Agency area and the timing of capital projects led to a decrease in fund balance of \$39,897, to a total of \$2,963,486.

BUDGETARY HIGHLIGHTS

Actual revenues realized in the amount of \$921,654 during FY 2023 were slightly above budget of \$873,900 resulting in a nominal 5.46% variance. Differences between the final budget and actual operating expenditure categories are summarized as follows:

Original budget compared to final budget.

- The difference between the original and the final amended budget for appropriations (expenditures) in the CRA was an increase of \$740,685 due to encumbrance (purchase order) carryovers from the prior fiscal year of \$205,685, and additional capital outlay in the amount of \$535,000 for land purchases.

Final budget compared to actual results.

- The expenditures in the CRA were under budget by \$653,034 reflecting a positive variance between the final amended budget for appropriations and the actual expenditure. Of this amount, savings of \$169,229 can be attributed to effective cost control measures and the timing of capital projects in operating expenditures. Additionally, there were savings of \$432,990 in capital expenditures and \$50,815 in reserve for improvements due to the timing of planned capital projects.

(Space left blank intentionally)

CAPITAL ASSETS

Capital Assets

The CRA's investment in capital assets for its governmental activities as of September 30, 2023 was equal to \$5.1 million (net of accumulated depreciation). This investment in capital assets includes land and land rights, buildings, improvements, and infrastructure. The net increase in the CRA's investment in capital assets for the fiscal year was 16.4%, or \$723,847. During the current year, the CRA acquired 2 parcels of land for \$495,893 with the goal of revitalizing urban areas and addressing problems associated with blight. In addition, continued progress was made on the St. Petersburg Drive Improvement project in the amount of \$361,392. Partially offsetting this increase is depreciation expense on held capital assets during the fiscal year.

The CRA's investment in capital assets is summarized in the following table for the past two fiscal years.

Table 3
Capital Assets at Year-end
(Net of Depreciation)
(000's)

	<u>Governmental</u> <u>Activities</u>	
	<u>2023</u>	<u>2022</u>
Land and land rights	\$ 3,256	\$ 2,760
Buildings	185	185
Improvements other than Buildings	2,872	2,872
Less:		
Accumulated Depreciation	<u>(1,872)</u>	<u>(1,738)</u>
Sub-Total	4,441	4,079
Work in Progress	687	325
Total	<u>\$ 5,128</u>	<u>\$ 4,404</u>

Additional information on all capital assets can be found in Note C of the notes to the financial statements.

(Space left blank intentionally)

ECONOMIC FACTORS

In accordance with the City Council's priorities for the fiscal year, the City placed significant importance on encouraging economic development. Work on economic development in the CRA continued throughout the fiscal year. Increasing residential property values is expected to contribute to improving overall economic conditions and realizing the Council's vision of a lively and prosperous downtown area. The area currently features several retail centers, a mixed-use facility, multiple restaurants, and hotels. In the upcoming year, the City will maintain its focus on engaging the community and developers in discussions about the vacant City-owned land near the Library and City Hall. These discussions will guide future efforts in the downtown area and have the potential to benefit both the community and the City's financial future.

FINANCIAL CONTACT

The CRA's financial statements are designed to present users (citizens, taxpayers, customers, investors and creditors) with a general overview of the CRA's finances and to demonstrate the CRA's accountability. If you have questions about the report or need additional financial information, contact the Director of Administrative Services or Accounting Administrator at City Hall at 100 State Street West, Oldsmar, Florida 34677-3655, telephone (813) 749-1100.

Notes to the Financial Statement

NOTES TO FINANCIAL STATEMENTS

September 30, 2023

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Oldsmar Community Redevelopment Agency (the CRA) was formally established in October 1994, with the adoption of Resolution No. 94-22 by the Oldsmar City Council, pursuant to Section 163 Part III, Florida Statutes. In 1996, the Oldsmar Community Redevelopment Plan (Town Center Plan) was adopted, and the Oldsmar CRA Trust Fund was established. Although legally separate, the five (5) members of the City Council serve as the CRA Board and City management has operational responsibility for the CRA.

The accounting and reporting policies of the CRA, relating to the funds included in the accompanying financial statements, conform to generally accepted accounting principles as applicable to governmental units. The following is a summary of the more significant of the CRA's governmental accounting and reporting policies.

Defining the Financial Reporting Entity: In accordance with Governmental Accounting Standards Board Statement Nos. 14 and 61, the financial reporting entity includes the primary government, organizations for which the primary government is financially accountable and other organizations for which, if excluded, would cause the reporting entity's financial statements to be misleading or incomplete. Financial accountability is defined as the appointment of a voting majority to an organization's board or if the organization is fiscally dependent on the primary government and there is a potential for those organizations either to provide specific financial benefits to, or to impose specific financial burdens on, the primary government, the primary government is financially accountable. The CRA has determined that there are no component units that meet the criteria for inclusion in the CRA's financial statement. The City of Oldsmar is considered to be financially accountable for the CRA, and therefore, has appropriately blended it's component unit in the annual comprehensive financial report as a Special Revenue Fund. The separate financial statements can be obtained from the City website at myoldsmar.com.

Basic Financial Statements – GASB No. 34: The CRA's basic financial statements include both the government-wide (reporting the CRA as a whole) and fund financial statements. Both the government-wide and fund financial statements categorize primary activities as governmental.

The Government-wide Statement of Net Position presents in columnar format the Governmental activities of the CRA and reflects, on the full accrual basis, all long-term assets and receivables as well as long-term liabilities.

The Government-wide Statement of Activities presents the direct cost for each functional activity and applies program revenues and grants to arrive at a net cost for the identified functions. There are no indirect costs for allocation. Program revenues must be directly associated with the government function. Operating grants and contributions include operating-specific and discretionary (either operating or capital) grants and contributions, while the capital grants and contributions column reflects the Pinellas County portion of the tax increment revenue. The overall combined net costs of governmental functions are further supported by general revenues of the CRA.

Separate financial statements are provided for governmental funds. A reconciliation is provided which briefly explains adjustments necessary to reconcile the results of governmental fund accounting to the government-wide presentations.

Basis of Accounting and Measurement Focus: Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements, regardless of the measurement focus applied.

Governmental activities are accounted for in the government-wide financial statements using the economic resources measurement focus and the accrual basis of accounting. Conversely, governmental funds employ the current financial resources measurement focus and the modified accrual basis of accounting for these same activities.

Under the modified accrual basis, revenues are recognized in the accounting period when they become measurable and available. Revenues are generally considered available when they are received in cash (unless legally restricted to some future period) or when earned and expected to be collected within 60 days after year-end to pay liabilities of the current

NOTES TO FINANCIAL STATEMENTS

September 30, 2023

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

period. Expenditures are recognized at the time liabilities are incurred, if measurable. Interest and principal payments on general long-term debt are recognized when paid.

Fund Accounting: In order to ensure observance of limitations and restrictions on the use of the resources available, the financial records and accounts are maintained in accordance with the principles of fund accounting. The financial transactions of the CRA are recorded in individual funds. Each fund is accounted for by providing a separate set of self-balancing accounts that comprises its assets, liabilities, net position, revenues and expenditures.

The Fund Financial Statements are presented to emphasize the major funds of the CRA. GASB No. 34 sets forth criteria for the determination of major funds. Based on the criteria of GASB No. 34 the Community Redevelopment Agency Fund has determined that there are no separate major funds. Fund financial statements are prepared on the modified accrual basis for governmental activities and the accrual basis for business-type activities.

Non-current Governmental Assets and Liabilities: GASB No. 34 eliminates the presentation of Account Groups, but provides for these records to be maintained and incorporates the information into the Governmental column in the government-wide Statement of Net Position.

Interfund Receivables and Payables: There were no interfund receivables or payables during the year.

Cash and Cash Equivalents: The CRA considers all highly liquid investments (including restricted assets) with maturities of three months or less when purchased to be cash equivalents. Deposits with the FL CLASS, which are investments, are considered to be cash equivalents.

Prepaid Items: Payments made to vendors that will benefit periods beyond September 30, 2023 are recorded as prepaid items under the consumption method of accounting.

Budgets and Budgetary Accounting: The CRA follows these procedures in establishing the budgetary data reflected in the financial statements:

- a) In July, the City Manager submits to the City Council a proposed budget for the ensuing fiscal year. It contains proposed expenditures and the means to finance them, including a proposed property tax millage rate.
- b) Public Hearings are conducted to obtain taxpayer comments on the proposed budget and property tax millage rate.
- c) The budget serves as legal authorization for all expenditures. Budgeted expenditures may not legally exceed appropriations on a departmental level.
- d) The City Manager is authorized to transfer budgeted amounts between line items of individual departments. Transfers across departmental lines and changes in overall fund appropriations require City Council approval.
- e) The budget is reviewed on a periodic basis, and revisions to the original budget may be approved by City Council when deemed necessary. Budget revisions were approved for fiscal year 2023 in the Community Redevelopment Agency Fund. All budget amounts presented in the accompanying supplemental information reflect the original budget and the amended budget.
- f) All appropriations lapse at fiscal year-end except for issued but unreceived purchase orders for capital expenditures, which become automatic re-appropriations in the new year unless canceled. These re-appropriations are included in the amended budget amounts in the budget to actual comparison schedules.

NOTES TO FINANCIAL STATEMENTS

September 30, 2023

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

- g) Budgets are adopted on a financial flow basis (depreciation is excluded and capital outlay is included) and as a result is not consistent with GAAP.

Property Taxes: The CRA's primary source of revenue is tax-increment funds. This revenue is computed by applying the respective operating tax rates for the City and the County multiplied by the increased value of property located within the boundaries of the redevelopment areas of the CRA in excess of the base property value, minus 5%. The total taxable value of property in the redevelopment area has risen dramatically from 1996 through 2022. In 1996 (the base year), the taxable value of the redevelopment area applied to the City's millage rate was \$16,876,400 and in 2022 it was \$112,752,351. Similarly, in 1996 (the base year), the taxable value of the redevelopment area applied to the County's millage rate was \$16,876,400 and in 2022 it was \$113,023,407. Based upon the millage rates and the dramatic increase in taxable values the tax increment has grown significantly during the same period. The City portion of the tax-increment funds in Fiscal Year 2023 (based on the 2022 tax year) was \$368,883 and the County portion was \$440,147. The County portion is reflected as Capital Grants and Contributions in the Statement of Activities and as Intergovernmental revenue in the Statement of Revenues, Expenditures and Changes in Fund Balance.

Capital Assets: Capital assets are recorded at historical cost if purchased or at acquisition value if donated. The CRA has elected to capitalize infrastructure improvements such as streets, bridges and drainage systems. The CRA's capitalization levels are \$2,000 on tangible personal property and \$10,000 for land, buildings and improvements. Interest costs incurred during construction of infrastructure improvements is expensed as incurred as per GASB Statement No. 89. Costs incurred that significantly extend the useful life of an asset are capitalized. Costs incurred for repairs and maintenance are expensed as incurred. Depreciation on depreciable assets is provided on the straight-line method over the following estimated useful lives: Buildings – 20 to 50 years, Improvements – 7 to 50 years and Equipment – 3 to 12 years. Depreciation charged to expense for the year amounted to \$133,438.

Net Position: The government-wide financial statements utilize a net position presentation. Net Position is presented in three components – net investment in capital assets, restricted and unrestricted. The net investment in capital assets component consists of capital assets less accumulated depreciation and any related long-term debt. The restricted component of net position consists of restricted assets reduced by liabilities and deferred inflows of resources related to those assets. The unrestricted component of net position is the net amount of assets, deferred outflows of resources, liabilities, and deferred inflows of resources that are not included in the determination of net investment in capital assets or the restricted components of net position. When both restricted and unrestricted resources are available for use, it is the option of the CRA to use restricted resources first, then unrestricted resources as they are needed.

Fund Balances: The CRA has implemented Governmental Accounting Standards Board Statement (GASB) No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*, effective September 30, 2011. The CRA's fund balances are presented in the following categories:

Restricted: fund balances are reported as restricted when constraints placed on the use of resources are either (a) externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or (b) imposed by law through constitutional provisions or enabling legislation.

Committed: fund balances reported as committed represent amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the government's highest level of decision-making authority, in this case by City Council adopted Ordinance. Committed fund balances also include contractual obligations to the extent that existing resources in the fund have been specifically committed for use in satisfying those contractual requirements.

NOTES TO FINANCIAL STATEMENTS

September 30, 2023

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Interfund Activity: Interfund activity is reported as either loans, services provided, reimbursements or transfers. Loans are reported as interfund receivables and payables as appropriate and are subject to elimination upon consolidation. Services provided, deemed to be at market or near market rates, are treated as revenues and expenditures. Reimbursements are when one fund incurs a cost, charges the appropriate benefiting fund and reduces its related cost as a reimbursement. All other interfund transactions are treated as transfers. There was no interfund activity during the year.

NOTE B – CASH, POOLED CASH, CASH EQUIVALENTS AND INVESTMENTS

The CRA maintains cash, pooled cash, and cash equivalent accounts.

Deposits: Florida Statutes require that all depositories holding public funds collateralize deposits in excess of FDIC insurance with the State Treasurer. All of the CRA's deposits are covered by the Florida Security for Deposits Act, Chapter 280, and are considered insured for risk categorization. At year end, the carrying amount of the CRA's deposits was \$860,232.

Cash equivalents and investments: Florida Statutes authorize the CRA to invest in the local government investment pool, mutual fund securities limited to U.S. Government obligations, obligations of the U.S. Treasury and U.S. agencies, interest-bearing time deposits and savings accounts in banks and savings and loans provided such deposits are at authorized public depositories that provide full collateralization, and money market funds of investment companies. In addition, the CRA, pursuant to Resolution 2018 – 01, may also invest in (1) Florida Municipal Investment Trust Funds, (2) Obligations of government-sponsored enterprises, and (3) Taxable or tax-exempt government bonds, notes or other obligations of investment grade quality. The CRA does not participate in any securities lending transactions nor has it used, held or written derivative financial instruments.

Florida Cooperative Liquid Assets Securities System (FLCLASS) is an external local government investment pool created by interlocal agreement under Florida Statute 163.01. The pool is supervised by an appointed Board of Trustees comprised of eligible participants of the program. The Board acts as the liaison between the participants, the custodian, and the program administrator. The fund is an S&P AAAM rated money market product offering a fiscally conservative option for Florida local governments. The objective of the fund is to provide investors with liquidity, stable share price and as high a level of current income as is consistent with the preservation of principal and liquidity. The CRA's amount on deposit with FLCLASS at September 30, 2023 is \$2,121,454.

Interest Rate Risk: The CRA minimizes interest rate risk, relating to the decline in fair value of securities due to rising interest rates, by investing funds in government investment pool, short-term certificates of deposit and government sponsored enterprise bonds, thereby avoiding the need to sell securities in the secondary market prior to maturity. The weighted average days to maturity of the FL CLASS at September 30, 2023 was 43 days.

Credit Rate Risk: The CRA minimizes credit risk losses due to default of a security issuer or backer by diversifying its investments between issuers and limiting investments to certificates of deposit, SBA Florida Prime, FL SAFE, FL CLASS and government sponsored enterprise bonds.

NOTES TO FINANCIAL STATEMENTS

September 30, 2023

NOTE D – NET POSITION

The government wide statement of net position reports \$2,963,486 of restricted net position.

NOTE E - COMMITMENTS

At September 30, 2023, uncompleted construction projects totaled \$14,875 and that amount is included within the restricted fund balance.

NOTE F – SUBSEQUENT EVENTS

The CRA has evaluated whether any events have occurred subsequent to September 30, 2023 and before the issuance of the financial statements that would have an impact on the CRA's financial condition as of September 30, 2023 or would influence the conclusions reached by a reader of the financial statements regarding the CRA's overall financial condition. Management has evaluated such events and determined there were no events through April 25, 2024 that should be disclosed.

Other Reports

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

The Honorable Mayor
and City Council Members
City of Oldsmar, Florida Community Redevelopment Agency

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities of the City of Oldsmar, Florida's Community Redevelopment Agency (the CRA) as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the CRA's basic financial statements, and have issued our report thereon dated April 25, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the CRA's internal control over financial reporting (internal control) to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the CRA's internal control. Accordingly, we do not express an opinion on the effectiveness of the CRA's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the CRA's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the CRA's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Wells, Houser & Schatzel, P.A.

INDEPENDENT AUDITOR'S MANAGEMENT LETTER

Honorable Mayor and
City Council Members
City of Oldsmar, Florida Community Redevelopment Agency

Report on the Financial Statements

We have audited the financial statements of the City of Oldsmar, Florida's Community Redevelopment Agency (the CRA), as of and for the fiscal year ended September 30, 2023 and have issued our report thereon dated April 25, 2024.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.550, Rules of the Florida Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Reports on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*, and Independent Accountant's Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.556(10)f and 10.556(10)a, Rules of the Auditor General. Disclosures in those reports, which are dated April 25, 2024, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address significant findings and recommendations made in the preceding annual financial report. There were no such items pertaining to the CRA disclosed in the preceding annual financial audit report of the City of Oldsmar, Florida.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The City of Oldsmar, Florida, Community Redevelopment Agency, was created pursuant to Florida Statute 163.356 and City Resolution 94-22. The CRA has no component units.

Financial Condition and Management

Section 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the CRA has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, we determined that the CRA, did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures for the CRA. It is management's responsibility to monitor the City of Oldsmar, Florida's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by the same.

Section 10.554(1)(i)(2), Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Special District Component Units

Section 10.554(1)(i)5.c. Rules of the Auditor General, requires that we determine, if appropriate, that we communicate the failure of a special district that is a component unit of a county, municipality, or special district, to provide the financial information necessary for proper reporting of the component unit with the audited financial statements of the county, municipality, or special district with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we did not note any special district component units that failed to provide the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes.

As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, Rules of the Auditor General, the Oldsmar Community Redevelopment Agency reported:

- a. The total number of district employees compensated in the last pay period of the Agency’s fiscal year as \$-0-.
- b. The total number of independent contractors to whom nonemployee compensation was paid in the last month of the Agency’s fiscal year as \$-0-.
- c. All compensation earned by or awarded to employees, whether paid or accrued, regardless of contingency as \$-0-.
- d. All compensation earned by or awarded to nonemployee independent contractors, whether paid or accrued, regardless of contingency as \$-0-.
- e. Each construction project with a total cost of at least \$65,000 approved by the district that is scheduled to begin on or after October 1 of the fiscal year being reported, together with the total expenditures for such project. There were two such projects – (1) St. Petersburg Drive Improvements \$361,392 and (2) Downtown Mobility Study - \$-0-.
- f. A budget variance based on the budget adopted under Section 189.016(4), Florida Statutes, before the beginning of the fiscal year being reported if the district amends a final adopted budget under 189.016(6), Florida Statutes, is reflected on page 21 of the CRA AFR as a Budgetary Comparison Schedule.

Additional Matters

Sections 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, City Council Members, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANT'S REPORT
REGARDING COMPLIANCE REQUIREMENTS IN RULES OF
THE AUDITOR GENERAL 10.556(10)f

Honorable Mayor and
City Council Members
City of Oldsmar, Florida Community Redevelopment Agency

We have examined the City of Oldsmar, Florida's Community Redevelopment Agency (the CRA's) compliance with the requirements of Section 163.387(6) and (7), Florida Statutes during the year ended September 30, 2023. Management is responsible for the CRA's compliance with those requirements. Our responsibility is to express an opinion on the CRA's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the CRA's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the CRA's compliance with specified requirements.

In our opinion, the City of Oldsmar, Florida Community Redevelopment Agency complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2023.

This report is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, City Council Members, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANT'S REPORT
REGARDING COMPLIANCE REQUIREMENTS IN RULES
OF THE AUDITOR GENERAL 10.556(10)a

Honorable Mayor and
City Council Members
City of Oldsmar, Florida Community Redevelopment Agency

We have examined the City of Oldsmar, Florida Community Redevelopment Agency (the CRA's) compliance with the requirements of Section 218.415, Florida Statutes during the year ended September 30, 2023. Management is responsible for the CRA's compliance with those requirements. Our responsibility is to express an opinion on the CRA's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the CRA's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the CRA's compliance with specified requirements.

In our opinion, the City of Oldsmar, Florida's Community Redevelopment Agency complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2023.

This report is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, City Council Members, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.
