## Report of Independent Auditor

To the Members of the Governing Board  
St. Johns County Airport Authority  
St. Augustine, Florida

### Report on the Audit of the Financial Statements

#### **Opinion**

We have audited the accompanying financial statements of St. Johns County Airport Authority (the “Authority”) as of and for the years ended September 30, 2023 and 2022, and the related notes to the financial statements, which collectively comprise the Authority’s basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Authority, as of September 30, 2023 and 2022, and the changes in financial position and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Authority, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority’s ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

#### **Auditor’s Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## ***OTHER MATTERS***

### ***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, schedule of proportionate share of net pension liability, and schedule of employer contributions be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audits of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### **Supplementary Information**

Our audits were conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Authority's basic financial statements. The accompanying schedule of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards and state financial assistance is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

### **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated April 10, 2024, on our consideration of the Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

## **MANAGEMENT'S DISCUSSION AND ANALYSIS**

# ST. JOHNS COUNTY AIRPORT AUTHORITY MANAGEMENT'S DISCUSSION AND ANALYSIS

SEPTEMBER 30, 2023 AND 2022

---

This Discussion and Analysis of the St. Johns County Airport Authority's (the "Authority") financial performance provides an overview and cursory look at the financial activities of the Authority for fiscal years ending September 30, 2023 and 2022. The reader is encouraged to read this section in conjunction with the Authority's financial statements contained elsewhere in this document.

Highlights of the fiscal 2023 and 2022 financial statements, with references to 2021 financial statements for comparative purposes, include:

- Total Net Position decreased by \$1,835,039 for the year ended September 30, 2023, as compared to a decrease of \$1,796,365 for the year ended September 30, 2022. There was an increase in total net position of \$619,069 for the year ended September 30, 2021.
- Operating income before depreciation expense was \$966,666 for the year ended September 30, 2023, as compared to \$1,539,126 for the year ended September 30, 2022. Operating income before depreciation expense was \$1,608,546 for the year ended September 30, 2021.
- Operating expense, excluding depreciation, was \$4,638,852 for the year ended September 30, 2023, as compared to \$3,910,238 for the year ended September 30, 2022. Operating expense, excluding depreciation, was \$3,218,450 for the year ended September 30, 2021.
- Capital contribution revenue was \$2,005,785 for the year ended September 30, 2023, as compared to \$1,383,642 for the year ended September 30, 2022. Capital contribution revenue was \$3,841,105 for the year ended September 30, 2021.
- Capital contribution revenue was \$3,053,089 less than depreciation expense for fiscal year 2023 and \$3,343,926 for fiscal year 2022. Capital contribution revenue was \$1,038,746 less than depreciation expense for fiscal year 2021.
- No grant revenue related to the Coronavirus response was received in fiscal year 2023. Non-capital grant revenue related to the Coronavirus response of \$22,000 and \$43,162 was received in fiscal years 2022 and 2021, respectively.

## Overview of the Basic Financial Statements

### Statements of Net Position

This financial statement includes all of the Authority's assets, liabilities, and deferred inflows/outflows of resources. This information is developed and presented using the accrual basis of accounting. Accrual accounting is similar to that used in most private sector businesses wherein all current-year revenues and expenses are recorded without regard to when cash is received or paid. The difference between assets plus deferred outflows and liabilities plus deferred inflows results in net position which can be used to measure the Authority's financial position.

### Statements of Revenue, Expenses, and Changes in Net Position

The second financial statement, which again uses an accrual accounting basis, reflects the increases and decreases in net position for the period. Over significant periods of time, this information (increases and decreases) can be useful in assessing the overall financial health of the Authority.

**ST. JOHNS COUNTY AIRPORT AUTHORITY**  
**MANAGEMENT'S DISCUSSION AND ANALYSIS**

SEPTEMBER 30, 2023 AND 2022

**Statements of Cash Flows**

The last financial statement reflects changes in the cash position of the Authority. Management continually monitors the status of cash-on-hand. The Authority's ability to minimize the need to borrow capital development funds continues to have significant, positive implications with regard to long-term cash flow and overall debt obligations.

Net position, end of year	<u>\$ 83,721,350</u>	<u>\$ 85,556,389</u>	<u>\$ 87,352,754</u>

**Overall Financial Position and Results of Operations**

The Authority started several large renovation projects during fiscal year 2019, which were ongoing throughout fiscal year 2023. In fiscal year 2023, additions to capital projects in process were approximately equal to completions of capital projects. These projects are largely funded by capital grant proceeds. As portrayed in the financial statements, the Authority has total net position of \$83,721,350, of which \$4,729,464 is unrestricted as of September 30, 2023, as compared to \$85,556,389 total net position, of which \$3,963,566 was unrestricted, as of September 30, 2022.

The total net position decreased by \$1,835,039 during fiscal year 2023, primarily due to increases in general and administrative expenses, salaries and fringe benefits, and depreciation expense, which was partially offset by unrealized gain on investments. Total net position decreased \$1,796,365 during fiscal year 2022, primarily as a result of capital grant activity. Lease revenue makes up most of operating revenues, which was \$4,055,765 in fiscal year 2023, as compared to \$3,906,078 in fiscal year 2022. Fuel sales, flowage fees, and surcharges decreased from the prior year by \$52,358 as a result of the cessation of commercial flight activity; this was partially offset by increases in fuel prices as compared to the prior year. Operating expenses, excluding depreciation, were \$4,638,852 in fiscal year 2023, as compared to \$3,910,238 in 2022.

**ST. JOHNS COUNTY AIRPORT AUTHORITY  
MANAGEMENT'S DISCUSSION AND ANALYSIS**

SEPTEMBER 30, 2023 AND 2022

---

***Capital Assets and Debt Administration***

*Capital Assets* – Additions to the Authority's capital assets were less than the prior year due to the completion of projects from the prior year and new projects being in the start-up phase. More details regarding the asset and depreciation position of the Authority is provided in the Note 5 to the financial statements. The composition of capital assets as of June 30, is as follows:

	<b>Year</b>		
	<b>2023</b>	<b>2022</b>	<b>2021</b>
Land	\$ 19,375,641	\$ 19,375,641	\$ 19,375,641
Construction in progress	1,603,401	1,413,292	7,224,223
Furniture and equipment	4,811,487	4,656,901	4,238,158
Buildings	58,114,382	58,039,099	53,879,581
Airport improvements	71,282,927	69,245,280	65,567,379
Total capital assets	155,187,838	152,730,213	150,284,982
Less accumulated depreciation	76,164,787	71,105,913	66,378,343
Total capital assets, net	\$ 79,023,051	\$ 81,624,300	\$ 83,906,639

*Debt Administration* – The Authority has no long-term debt. Pension and compensated absence liabilities are summarized in Note 6 to the financial statements.

***Significant Economic Factors or Conditions***

The Authority's operations consist primarily of lease revenue and the expenses necessary to operate and maintain the facilities. There were no commercial flight operations at the Authority during fiscal year 2023. From November 2021 through June 2022, Elite Airways offered commercial flights at the Authority. The cessation of commercial flight operations resulted in a fiscal 2023 decrease in overall aircraft activity and related revenues at the Authority. We are not currently aware of any other conditions that are expected to have a significant effect on the Authority's financial position or results of operations.

***Contacting the Authority's Financial Management***

This financial report is designed to provide a general overview of the Authority's finances. If you have any questions about this report or need additional information please contact the Finance Manager at 4796 U.S. 1 North, St. Augustine, Florida, 32095.

The accompanying notes to the financial statements are an integral part of this statement.

**ST. JOHNS COUNTY AIRPORT AUTHORITY**  
**NOTES TO THE FINANCIAL STATEMENTS**

SEPTEMBER 30, 2023 AND 2022

---

**Note 1—Reporting entity**

The St. Johns County Airport Authority (the “Authority”) is an independent district which was created by Chapter 63-1853, laws of Florida, in June 1963 for the purpose of owning and operating airport facilities in St. Johns County, Florida. The Authority is governed by an independent body consisting of five members (the “Board”), all of which are elected by the citizens of St. Johns County, Florida.

**Note 2—Summary of significant accounting policies**

The financial statements have been prepared in conformity with U.S. generally accepted accounting principles (“U.S. GAAP”) as applied to governmental units. The Governmental Accounting Standards Board (“GASB”) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

*Basis of Presentation* – The transactions of the Authority are reported as an enterprise fund. Enterprise funds, a proprietary fund type, are used to account for activities in a manner similar to private-sector business enterprises. The Authority’s operating revenues result from exchange transactions. Exchange transactions are those in which each party receives and gives up essentially equal value. Nonoperating revenues, such as grants and investment earnings, result from non-exchange transactions or ancillary activities.

*Measurement Focus* – The Authority uses the economic resources measurement focus.

*Basis of Accounting* – The financial statements have been prepared on the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when liabilities are incurred, regardless of the timing of the related cash flows.

*Investments* – The Authority invests temporarily idle resources pursuant to the provisions of Section 218.415, Florida statutes, which limits the investment choices to only certain identified investments as defined in that statute. As of September 30, 2023 and 2022, the Authority’s investments consisted of amounts in the Florida Safe Investment Pool (“Florida SAFE”) and in the local Government Surplus Funds Trust Fund (“Florida PRIME”).

*Capital Assets* – Capital assets are stated at cost if purchased and at acquisition value if contributed. The Authority uses a capitalization threshold of \$10,000 for all classes of capital assets. Upon sale or retirement of depreciable assets, the related cost and accumulated depreciation are removed from the accounts and any gain or loss is included in nonoperating revenue (expense). Depreciation is computed using the straight-line method over the estimated useful lives of the related assets, which are summarized as follows:

Airport improvements	10 – 40 years
Buildings	5 – 50 years
Furniture and equipment	5 – 25 years

*Lease Receivables* – The Authority’s lease receivables are measured at the present value of lease payments expected to be received during the lease term.

*Allowance for Doubtful Accounts* – The Authority did not have an allowance for doubtful accounts at September 30, 2023 or 2022.

*Fuel Inventory and Prepaid Items* – Fuel inventory is stated on the first-in, first-out basis. Prepaid items consist principally of insurance prepayments.

**ST. JOHNS COUNTY AIRPORT AUTHORITY**  
**NOTES TO THE FINANCIAL STATEMENTS**

SEPTEMBER 30, 2023 AND 2022

---

**Note 2—Summary of significant accounting policies (continued)**

*Tenant Deposits* – Tenant deposits represent deposits in advance of leasehold improvements to be provided by the tenant. To the extent deposits exceed amounts required for leasehold improvements, the excess will be credited against rent for the tenant beginning September 30, 2023.

*Pensions* – For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions and pension expense, information about the fiduciary net position of the Florida Retirement System Pension Plan and Health Insurance Subsidy Program, and additions to/deductions from the plans' fiduciary net position have been determined on the same basis as they are reported by the plans. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

*Deferred Outflows/Inflows of Resources* – A deferred outflow of resources is a consumption of net assets that are applicable to a future reporting period. A deferred inflow of resources is an acquisition of net assets that are applicable to a future reporting period. The Authority has deferred outflows of resources and deferred inflows of resources related to pensions, which are discussed in a subsequent note.

A deferred inflow of resources is recorded for the leases. The deferred inflow of resources is recorded at the initiation of the lease in an amount equal to the initial recording of the lease receivable. The deferred inflow of resources is amortized into revenue on the straight-line bases.

*Net Position* – The Authority classifies its net position into the following three categories:

*Net Investment in Capital Assets* – This represents the Authority's total investment in capital assets, net of accumulated depreciation, reduced by the outstanding balances of bonds that are attributable to the acquisition, construction, or improvement of those assets. Deferred outflows of resources and deferred inflows of resources that are attributable to the acquisition, construction, or improvement of those assets or related debt are also included in this component of net position.

*Restricted* – The restricted component of net position consists of restricted assets reduced by liabilities and deferred inflows of resources related to those assets. Generally, a liability relates to restricted assets if the asset results from a resource flow that also results in the recognition of a liability or if the liability will be liquidated with the restricted assets reported. The Authority did not report any restricted net position as of September 30, 2023 or 2022.

*Unrestricted* – The unrestricted component of net position is the net amount of the assets, deferred outflows of resources, liabilities, and deferred inflows of resources that are not included in the determination of net investment in capital assets or the restricted component of net position.

When an expense is incurred that can be paid using either restricted or unrestricted resources, the Authority's policy is to first apply the expense towards restricted resources and then towards unrestricted resources.

*Risk Management* – The Authority maintains insurance coverage on all types of insurable risks. Settled claims resulting from these risks have not exceeded insurance coverage in any of the past three years.

*Use of Estimates* – The preparation of financial statements in conformity with U.S. GAAP requires management to make various estimates. Actual results could differ from those estimates.

**ST. JOHNS COUNTY AIRPORT AUTHORITY**  
**NOTES TO THE FINANCIAL STATEMENTS**

SEPTEMBER 30, 2023 AND 2022

**Note 2—Summary of significant accounting policies (continued)**

*Change in Accounting Principle* – In fiscal year 2023, the Authority implemented the provisions of GASB Statement No. 96, *Subscription-Based Information Technology Arrangements*. This standard provides guidance and addresses how costs associated with subscription-based information technology arrangements are accounted for and disclosed. In accordance with this standard, a subscriber is required to recognize a liability and an intangible right-to-use asset. The adoption of this statement did not have a material impact to the Authority's financial statements.

**Note 3—Cash deposits and investments**

The Authority's deposits are held in financial institutions that qualify as public depositories and, accordingly, are entirely insured or collateralized under Chapter 280 of the Florida Statutes.

The Authority's investments consist of:

	<u>2023</u>	<u>2022</u>
Florida SAFE - Stable NAV Fund	\$ 3,032,758	\$ 843,385
Florida SAFE - Variable NAV Fund	75,875	1,882,339
Florida SAFE - Term Series Fund	499,107	-
Florida PRIME	41,066	39,868
	<u>\$ 3,648,806</u>	<u>\$ 2,765,592</u>

The Authority does not have a formal investment policy, but adheres to the statutory investment policy provisions of Section 218.415, Florida Statutes, which specifies allowable investments and limits risk exposure. Investments held adhere to credit risk ratings and are diversified to the extent practicable to control the risk of loss resulting from overconcentration of assets in a specific maturity, issuer, instrument, dealer, or bank through which financial instruments are bought and sold.

*Custodial Credit Risk* – This is the risk that in the event of the failure of the counterparty, the Authority will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. The Authority's cash deposits are held by banks that qualify as a public depository under the Florida Security for Community Deposits Act as required by Chapter 280, Florida Statutes. The Authority's cash deposits are fully insured by the Public Deposits Trust Fund.

*Interest Rate Risk* – Interest rate risk is the risk of changes in market interest rates adversely affecting the fair value of an investment. Generally, the longer the maturity of an investment the greater the sensitivity of its fair value to changes in market interest rates. The Authority does not have a policy that addresses its exposure to interest rate risk.

*Credit Risk* – Credit risk is the risk that a security or a portfolio will lose some or all of its value due to a real or perceived change in the ability of the issuer to repay its debt. This risk is generally measured by the assignment of a rating by a nationally recognized statistical rating organization. The Authority does not have a policy that addresses its exposure to credit risk.

*Concentration of Credit Risk* – Concentration of credit risk is defined as the risk of loss attributed to the magnitude of a government's investment in a single issuer. The Authority does not have a policy that addresses its exposure to concentration of credit risk.

**ST. JOHNS COUNTY AIRPORT AUTHORITY**  
**NOTES TO THE FINANCIAL STATEMENTS**

SEPTEMBER 30, 2023 AND 2022

---

**Note 3—Cash deposits and investments (continued)**

***Florida Surplus Asset Trust Fund (Florida SAFE)***

Florida SAFE is organized pursuant to Florida Statute 163.01. Florida SAFE is overseen by a Board of Trustees comprised of Florida local government officials, who are themselves participants in Florida SAFE. Florida SAFE is uninsured and has three investment pools in which the Authority participates: a Stable NAV Fund, a Variable NAV Fund, and a Term Series Fund.

The Stable NAV Fund is an external investment pool that seeks but does not guarantee to maintain a constant net asset value at \$1.00 per share and meets all of the necessary criteria to elect to measure all of the investments at amortized cost. Therefore, the Authority's investment in Florida SAFE's Stable NAV Fund is reported at amortized cost. The Stable NAV Fund is rated by Standard & Poor's and has a rating of AAAM at September 30, 2023 and 2022. The weighted average maturity ("WAM") for Florida SAFE's Stable NAV Fund was 44.71 days at September 30, 2023, and 28.00 days at September 30, 2022. The weighted average life ("WAL") was 66.59 days at September 30, 2023, and 40.00 days at September 30, 2022.

The Variable NAV Fund is an external investment pool where the net asset value of the fund will fluctuate as the value of securities held by the fund fluctuates. Therefore, the Authority's investment in Florida Safes Variable NAV Fund is reported at net asset value per share. The Variable NAV Fund is rated by Standard & Poor's and had a rating of AAaf/S1 at September 30, 2023 and 2022. The Variable NAV Fund does not have an established WAM or WAL, but targets an average maturity of about one year.

The Stable NAV Fund has no redemption fees or maximum transaction amounts. The Variable NAV Fund requires a minimum participant investment balance of \$250,000 but has no minimum transaction amount, so long as withdrawals do not cause the investment balance to fall below the minimum. All withdrawals from the Variable NAV Fund may only be made on the third Wednesday of each month upon at least two weeks advance written notice to the Trust. The Indenture of Trust for both Funds provides for limited situations in which a participant's access to 100% of the account value is restricted. The Trustees have the authority to resume participant access to the Fund when the situation causing the restriction has been resolved.

The Term Series Fund consists of separate portfolios of specifically identified investments with a fixed investment term and a designated maturity of at least seven (7) days and no more than three (3) years. Although investors in certain Term Series portfolios may have redemption rights, Term Series portfolios are intended to be held until maturity. Shares in certain Term Series investments may be redeemed prior to the maturity date of that Series upon a seven days' advance notice of redemption to the Operational Manager and a penalty will likely be assessed. Each Term Series portfolio may have a weighted average maturity equal to its duration. Any loss in one Term Series portfolio shall not impact other Term Series portfolios. As of September 30, 2023 the Authority's Term Series investments were in United States Treasury notes.

***Investment in State Pool (Florida PRIME)***

The Authority also invests surplus funds in the State Board of Administration's Local Government Surplus Funds Trust Fund. The Florida PRIME is administered by the Florida State Board of Administration ("SBA"), which provides regulatory oversight. The powers and duties of the SBA are defined in Florida Statute 218.409. In addition, Chapter 19-7 of the Florida Administrative Code identifies the rules and regulations governing the administration of the Florida PRIME. These rules provide guidance and establish the general operating procedures for the administration of the pool.

**ST. JOHNS COUNTY AIRPORT AUTHORITY**  
**NOTES TO THE FINANCIAL STATEMENTS**

SEPTEMBER 30, 2023 AND 2022

**Note 3—Cash deposits and investments (continued)**

The Florida PRIME is an external investment pool that meets all of the necessary criteria to elect to measure all of the investments in Florida PRIME at amortized cost. Therefore, the Authority's investment in the Florida PRIME is reported at amortized cost. The fair value of the position in the pool is equal to the value of the pool shares. The Florida PRIME is rated by Standard & Poor's and had a rating of AAAM at September 30, 2023 and 2022. The WAM of the Florida PRIME was 35 days at September 30, 2023, and 21 days at September 30, 2022. The WAL for Florida PRIME was 75 days at September 30, 2023, and 72 days at September 30, 2022.

The Florida Prime does not impose redemption fees or maximum transaction amounts. Florida statutes do provide for situations in which a participant's access to 100% of the account value is limited. The maximum amount of time provided to limit access is 15 days.

**Note 4—Lease receivable**

A significant portion of the Authority's buildings and related land are leased to tenants under leases subject to Federal Aviation Administration regulations and other non-regulated leases. These leases are generally for a term of 10 years and allow the lessees to renew for varying periods. The leases generally provide for annual rent increases that are based on changes in the consumer price index.

The Authority recognized \$158,550 and \$135,851 of lease revenue and \$9,077 and \$9,739 of interest revenue related to non-regulated leases for the years ended September 30, 2023 and 2022, respectively. The amounts presented in the financial statements for lease receivables and lease related deferred inflows relate to non-regulated leases.

The principal and interest requirements to maturity for the non-regulated lease receivables at September 30, 2023 are as follows:

<b>Year Ending September 30</b>	<b>Principal</b>	<b>Interest</b>	<b>Total</b>
2024	\$ 162,996	\$ 8,008	\$ 171,004
2025	164,743	6,829	171,572
2026	166,519	5,637	172,156
2027	123,538	4,540	128,078
2028	110,069	3,735	113,804
2029-2033	244,502	11,428	255,930
2034-2038	190,416	4,431	194,847
2039	24,118	58	24,176
	<b>\$ 1,186,901</b>	<b>\$ 44,666</b>	<b>\$ 1,231,567</b>

**Regulated Leases**

The Authority has leasing agreements for aeronautical use of the Authority's airfield, terminal, and other facilities, as defined by the Federal Aviation Administration, which qualify to be treated as regulated, without recording corresponding lease receivables and deferred inflows of resources, in accordance with the requirements of U.S. GAAP. The Authority leases land and buildings to third parties under these agreements.

**ST. JOHNS COUNTY AIRPORT AUTHORITY**  
**NOTES TO THE FINANCIAL STATEMENTS**

SEPTEMBER 30, 2023 AND 2022

**Note 4—Lease receivable (continued)**

As of September 30, 2023, the remaining amount of expected future minimum payments receivable under regulated lease agreements are as follows:

<u>September 30</u>	<u>Principal</u>
2024	\$ 2,822,115
2025	1,608,708
2026	650,682
2027	522,713
2028	522,713
2029-2033	1,862,393
2034-2038	456,913
2039-2043	198,944
2044-2048	26,985
	<u><u>\$ 8,672,166</u></u>

These regulated leases for land and buildings provide respective tenants with exclusive use of the leased asset. The Authority recognized \$3,820,788 and \$3,760,488 of regulated lease revenue related to these leases for the years ended September 30, 2023 and 2022, respectively.

**Note 5—Capital assets and depreciation**

Capital asset activity for the year ended September 30, 2023 are as follows:

	<u>Balance</u> <u>2022</u>	<u>Increases</u>	<u>Decreases</u>	<u>Balance</u> <u>2023</u>
Capital assets not being depreciated:

**ST. JOHNS COUNTY AIRPORT AUTHORITY**  
**NOTES TO THE FINANCIAL STATEMENTS**

SEPTEMBER 30, 2023 AND 2022

---

**Note 7—State of Florida pension plans**

***Defined Benefit Plans***

The Authority participates in two defined benefit pension plans that are administered by the state of Florida, Department of Management Services, Division of Retirement. The plans provide retirement, disability, or death benefits to retirees or their designated beneficiaries. Chapter 121, Florida Statutes, establishes the authority for benefit provisions. Changes to the law can only occur through an act of the Florida legislature. The state of Florida issues a publicly available financial report that includes financial statements and required supplementary information for the plans. That report is available from the Florida Department of Management Services' website ([www.dms.myflorida.com](http://www.dms.myflorida.com)).

The Florida Retirement System ("FRS") Pension Plan is a cost-sharing, multiple-employer, defined benefit pension plan with a Deferred Retirement Option Program ("DROP") available for eligible employees. The FRS was established and is administered in accordance with Chapter 121, Florida Statutes. Retirees receive a lifetime pension benefit with joint and survivor payment options. FRS membership is compulsory for employees filling regularly established positions in a state agency, county agency, state university, state college, or district school board, unless restricted from FRS membership under Sections 121.053 or 121.122, Florida Statutes, or allowed to participate in a defined contribution plan in lieu of FRS membership. Participation by cities, municipalities, special districts, charter schools, and metropolitan planning organizations is optional.

The Retiree Health Insurance Subsidy ("HIS") Program is a cost-sharing, multiple-employer, defined benefit pension plan established and administered in accordance with Section 112.363, Florida Statutes. The benefit is a monthly payment to assist retirees and surviving beneficiaries of the state-administered retirement systems in paying their health insurance costs. To be eligible to receive a HIS benefit, a retiree, under a state administered retirement system, must provide proof of eligible health insurance coverage, which can include Medicare.

***Benefits Provided***

Benefits under the FRS pension plan are computed on the basis of age and/or years of service, average final compensation, and service credit. Credit for each year of service is expressed as a percentage of the average final compensation. For members initially enrolled before July 1, 2011, the average final compensation is the average of the five highest fiscal years' earnings; for members initially enrolled on or after July 1, 2011, the average final compensation is the average of the eight highest fiscal years' earnings. The total percentage value of the benefit received is determined by calculating the total value of all service, which is based on the retirement plan and/or class to which the member belonged when the service credit was earned.

Eligible retirees and beneficiaries receive a monthly HIS payment equal to the number of years of service credited at retirement multiplied by \$7.50. The minimum payment is \$45 and the maximum payment is \$225 per month, pursuant to Section 112.363, Florida Statutes.

**ST. JOHNS COUNTY AIRPORT AUTHORITY**  
**NOTES TO THE FINANCIAL STATEMENTS**

SEPTEMBER 30, 2023 AND 2022

**Note 7—State of Florida pension plans (continued)**

**Contributions**

The contribution requirements of plan members and the employer are established and may be amended by the Florida legislature. Employees are required to contribute 3.00% of their salary to the FRS pension Plan. The employer's contribution rates as of September 30 were as follows:

	2023		2022	
	FRS	HIS	FRS	HIS
Regular class	11.57%	2.00%	10.19%	1.66%
Special risk class	30.67%	2.00%	26.11%	1.66%
Senior management service class	32.52%	2.00%	29.85%	1.66%
City, county, special district elected officers	56.68%	2.00%	55.28%	1.66%
DROP	20.79%	2.00%	16.94%	1.66%

The employer's contributions for the year ended September 30, 2023, were \$99,401 to the FRS pension plan and \$14,813 to the HIS program. Contributions for the year ended September 30, 2022 were \$97,358 to the FRS pension plan and \$11,292 to the HIS program.

**Pension Liabilities and Pension Expense**

In its financial statements for the year ended September 30, 2023, the Authority reported a liability for its proportionate share of the net pension liability of the FRS pension plan and its proportionate share of the net pension liability of the HIS program. The net pension liabilities were measured as of June 30, 2023. The Authority's proportions of the net pension liabilities were based on its share of contributions to the pension plans relative to the contributions of all participating entities, actuarially determined.

	FRS	HIS
Net pension liability - 2023	\$ 871,254	\$ 345,478
Net pension liability - 2022	\$ 837,658	\$ 196,633
Proportion at:		
Current measurement date	0.002186507%	0.002175374%
Prior measurement date	0.002251282%	0.001856500%
Pension expense - 2023	\$ 287,760	\$ 171,233
Pension expense - 2022	\$ 126,024	\$ 5,691

**ST. JOHNS COUNTY AIRPORT AUTHORITY**  
**NOTES TO THE FINANCIAL STATEMENTS**

SEPTEMBER 30, 2023 AND 2022

**Note 7—State of Florida pension plans (continued)**

***Deferred Outflows/Inflows of Resources Related to Pensions***

At September 30, 2023, the Authority reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	FRS		HIS	
	Deferred Outflows of Resources	Deferred Inflows of Resources	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 81,803	\$ -	\$ 5,058	\$ 811
Changes of assumptions	56,796	-	9,083	29,937
Net difference between projected and actual earnings on pension plan investments	36,386	-	178	-
Changes in proportion and differences between employer contributions and proportionate share of contributions	48,064	26,586	44,803	14,324
Employer contributions subsequent to the measurement date	17,813	-	3,211	-
	<u>\$ 240,862</u>	<u>\$ 26,586</u>	<u>\$ 62,333</u>	<u>\$ 45,072</u>

At September 30, 2022, the Authority reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	FRS		HIS	
	Deferred Outflows of Resources	Deferred Inflows of Resources	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 39,784	\$ -	\$ 5,968	\$ 865
Changes of assumptions	103,161	-	11,271	30,419
Net difference between projected and actual earnings on pension plan investments	55,310	-	285	-
Changes in proportion and differences between employer contributions and proportionate share of contributions	67,549	19,764	18,680	23,733
Employer contributions subsequent to the measurement date	23,597	-	2,708	-
	<u>\$ 289,401</u>	<u>\$ 19,764</u>	<u>\$ 38,912</u>	<u>\$ 55,017</u>

**ST. JOHNS COUNTY AIRPORT AUTHORITY**  
**NOTES TO THE FINANCIAL STATEMENTS**

SEPTEMBER 30, 2023 AND 2022

**Note 7—State of Florida pension plans (continued)**

Deferred outflows of resources related to employer contributions paid subsequent to the measurement date and prior to the employer’s fiscal year-end will be recognized as a reduction of the net pension liability in the reporting period ending September 30, 2024. Other pension related amounts reported as deferred outflows of resources and deferred inflows of resources will be recognized in pension expense as follows:

<b><u>Years Ending September 30,</u></b>	<b><u>FRS</u></b>	<b><u>HIS</u></b>
2024	\$ 34,633	\$ 739
2025	2,957	4,456
2026	147,030	5,168
2027	8,991	103
2028	2,852	2,096
Thereafter	-	1,488
	<b><u>\$ 196,463</u></b>	<b><u>\$ 14,050</u></b>

***Actuarial Assumptions***

The total pension liability for each of the defined benefit plans was measured as of June 30, 2023 and determined by an actuarial valuation dated July 1, 2023. The individual entry age normal actuarial cost method was used for each plan, along with the following significant actuarial assumptions:

	<b><u>FRS</u></b>	<b><u>HIS</u></b>
Inflation	2.40%	2.40%
Salary increase	3.25%	3.25%
Investment rate of return	6.70%	3.65%

Mortality assumptions for the FRS pension plan were based on PUB2010 base tables varies by member category and sex, projected generationally with Scale MP-2018. Mortality assumptions for the HIS program were based on Generational PUB2010 with Projection Scale MP-2018.

For both plans, the actuarial assumptions were based on the results of an actuarial experience study for the period July 1, 2013, through June 30, 2018.

**ST. JOHNS COUNTY AIRPORT AUTHORITY**  
**NOTES TO THE FINANCIAL STATEMENTS**

SEPTEMBER 30, 2023 AND 2022

**Note 7—State of Florida pension plans (continued)**

The long-term expected investment rate of return was not based on historical returns, but instead was based on a forward-looking capital market economic model. Each asset class assumption is based on a consistent set of underlying assumptions, and includes an adjustment for the inflation assumption. For the FRS Pension Plan, the table below summarizes the consulting actuary's assumptions based on the long-term target asset allocation:

Asset Class	Target Allocation	Annual Arithmetic Return	Compound Annual (Geometric) Return
Cash	1.0%	2.9%	2.9%
Fixed income	19.8%	4.5%	4.4%
Global equity	54.0%	8.7%	7.1%
Real estate	10.3%	7.6%	6.6%
Private equity	11.1%	11.9%	8.8%
Strategic investments	3.8%	6.3%	6.1%
	100%		

**Discount Rate**

The discount rate used to measure the total pension liability for the FRS pension plan was 6.70% for both the July 1, 2023 and 2022 actuarial valuations. FRS' fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the discount rate for calculating the total pension liability is equal to the long-term expected rate of return.

Because the HIS program is essentially funded on a pay-as-you-go basis, municipal bond rates of 3.65% and 3.54% were used the July 1, 2023 and 2022 actuarial valuations, respectively, to determine the total pension liability for the program. The Bond Buyer General Obligation Bond 20-Bond Municipal Bond Index was used as the applicable municipal bond index.

**ST. JOHNS COUNTY AIRPORT AUTHORITY**  
**NOTES TO THE FINANCIAL STATEMENTS**

SEPTEMBER 30, 2023 AND 2022

**Note 7—State of Florida pension plans (continued)**

**Sensitivity Analysis**

The following tables demonstrate the sensitivity of the net pension liability to changes in the discount rate. The sensitivity analysis shows the impact to the employer's proportionate share of the net pension liability if the discount rate was 1.00% higher or 1.00% lower than the current discount rate:

	FRS			HIS		
	Current			Current		
	1.00% Decrease (5.70%)	Discount Rate (6.70%)	1.00% Increase (7.70%)	1.00% Decrease (2.65%)	Discount Rate (3.65%)	1.00% Increase (4.65%)
Authority's proportionate share of the net pension liability at September 30, 2023	\$ 1,488,279	\$ 871,254	\$ 355,038	\$ 394,137	\$ 345,478	\$ 305,144
	1.00% Decrease (5.70%)	Current Discount Rate (6.70%)	1.00% Increase (7.70%)	1.00% Decrease (2.54%)	Current Discount Rate (3.54%)	1.00% Increase (4.54%)
Authority's proportionate share of the net pension liability at September 30, 2022	\$ 1,448,672	\$ 837,658	\$ 326,778	\$ 226,078	\$ 196,633	\$ 173,189

**Pension Plans' Fiduciary Net Position**

Detailed information about the pension plans' fiduciary net position is available in the State's separately issued financial reports.

**Defined Contribution Plan**

Pursuant to Chapter 121, Florida Statutes, the Florida legislature created the Florida Retirement Investment Plan ("FRS Investment Plan"), a defined contribution pension plan qualified under Section 401(a) of the Internal Revenue Code. The FRS Investment Plan is an alternative available to members of the Florida Retirement System in lieu of the defined benefit plan. There is a uniform contribution rate covering both the defined benefit and defined contribution plans, depending on membership class. Required employer contributions made to the plan totaled \$54,904 and \$59,242 for the years ended September 30, 2023 and 2022, respectively.

	<u>\$ 7,560,000</u>	<u>\$ 1,356,849</u>	<u>\$ 6,203,151</u>

**Note 9—Risk management**

The Authority purchases commercial insurance to cover risk of loss for general liability, property and casualty, comprehensive crime, and flood and fire.

The Authority is exposed to various risks and losses related to alleged torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Authority manages the exposure to these risks through the purchase of commercial insurance.

In the past three years, there have been no claims that have exceeded the Authority's insurance coverage.

## **COMPLIANCE AND SINGLE AUDIT**

**Report of Independent Auditor on Internal Control over Financial Reporting  
and on Compliance and Other Matters Based on an Audit of Financial Statements  
Performed in Accordance with Government Auditing Standards**

To the Members of the Governing Board  
St. Johns County Airport Authority  
St. Augustine, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of St. Johns County Airport Authority (the "Authority"), as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements, and have issued our report thereon dated April 10, 2024.

**Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. We identified a deficiency in internal control, described in the accompanying schedule of findings and questioned costs as item 2023-001 that we consider to be a material weakness.

**Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Authority's Response to Findings**

*Government Auditing Standards* requires the auditor to perform limited procedures on the Authority's response to the finding identified in our audit and described in the accompanying schedule of findings and questioned costs. The Authority's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

*Cherry Bekaert LLP*

Orlando, Florida  
April 10, 2024

## **Report of Independent Auditor on Compliance for the Major Federal Program and on Internal Control over Compliance Required by the Uniform Guidance**

To the Members of the Governing Board  
St. Johns County Airport Authority  
St. Augustine, Florida

### **Report on Compliance for the Major Federal Program**

#### ***Opinion on the Major Federal Program***

We have audited the St. Johns County Airport Authority's (the "Authority") compliance with the types of compliance requirements identified as subject to audit in the *U.S. Office of Management and Budget (OMB) Compliance Supplement* that could have a direct and material effect on the Authority's major federal program for the year ended September 30, 2023. The Authority's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Authority complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended September 30, 2023.

#### ***Basis for Opinion on the Major Federal Program***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Our responsibilities under those standards and the Uniform Guidance are further described in the *Auditor's Responsibilities for the Audit of Compliance* section of our report.

We are required to be independent of the Authority and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of the Authority's compliance with the compliance requirements referred to above.

#### ***Responsibility of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Authority's federal program.

#### ***Auditor's Responsibilities for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Authority's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Authority's compliance with the requirements of the major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards* and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Authority's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Authority's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### **Report on Internal Control over Compliance**

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the *Auditor's Responsibilities for the Audit of Compliance* section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

*YEAR ENDED SEPTEMBER 30, 2023*

---

**Note 1—Basis of presentation**

*Reporting Entity* – The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance (the “Schedule”) includes the federal and state award activity of the St. Johns County Airport Authority (the “Authority”) for the year ended September 30, 2023 in accordance with the Uniform Guidance. Since the Schedule presents only a select portion of the operations of the Authority, it is not intended to, and does not, present the financial position, changes in net position, or cash flows of the Authority.

**Note 2—Summary of significant accounting policies**

Expenditures reported in the Schedule are reported on the accrual basis of accounting.

**Note 3—Indirect cost rate**

The Authority has not elected to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

**SCHEDULE OF FINDINGS AND QUESTIONED COSTS (CONTINUED)**

SEPTEMBER 30, 2023

---

**Part II – Financial Statement Findings**

2023-001 Internal Control Over Financial Reporting

**Criteria:** Management is responsible for the preparation and fair presentation of its financial statements in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”); this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Condition:** During the current year, we noted the following groups of transactions that required adjustment in order for the financial statements to achieve fair presentation:

- a. The St. Johns County Airport Authority’s (the “Authority”) equity in the Florida SAFE investment pool was not adjusted to reflect the fair value provided by the pool on September 30, 2023. As a result, an audit adjustment was proposed to increase the recorded value of the Authority’s interest in the pool and recognize investment income in the approximate amount of \$41,000.
- b. An audit adjustment pertaining to a fiscal 2022 accrual was posted by management but not reversed in fiscal 2023. To correct the balance of two construction in progress projects, an audit adjustment was proposed to increase construction in progress by approximately \$31,000.
- c. The cost of a strategic business plan was incorrectly recorded as construction in progress. To correct this error, an adjustment was proposed to decrease construction in progress and increase expense by approximately \$250,000.
- d. As it pertains to unregulated leases, the balance of leases receivable and deferred inflows were not adjusted to reflect the actual September 30, 2023 balances. As a result, an audit adjustment was proposed to increase leases receivable and deferred inflows in the approximate amount of \$55,000.
- e. The balance of accrued wages payable was not adjusted to reflect the actual balance on September 30, 2023. As a result, an audit adjustment was proposed to increase salary expense and wages payable by approximately \$25,000.

**Context:** The conditions noted were present in multiple accounting cycles.

**Effect:** The accounting records as originally provided were not sufficient to provide for the preparation and fair presentation of the financial statements without the recording of the aforementioned audit adjustments. If these conditions are not addressed, a material error in the financial accounting records could go undetected by management and not be corrected on a timely basis.

**Cause:** The Authority’s procedures for financial statement preparation and review were not sufficient to identify the above conditions.

**Recommendation:** We recommend the Authority review its current policies, procedures, and internal controls over accounting and financial reporting including the year-end closing processes. Review procedures and internal controls should be designed to identify potential U.S. GAAP departures and should include an additional focus on year-end reconciliations to ensure proper recognition and presentation of the Authority’s financial position and the results of its operations.

**Management’s Response:** We agree with the auditor’s findings and will implement procedures to strengthen our year end closing.

**Part III – Federal Awards Findings and Questioned Costs**

There were no findings required to be reported by 2 CFR 200.516(a).

**ST. JOHNS COUNTY AIRPORT AUTHORITY**  
**SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS**

*SEPTEMBER 30, 2023*

---

**Summary of Prior Audit Findings:**

There were no findings required to be reported by 2 CFR Section 200.516(a) in the prior year.

## **OTHER REPORTS**

## Independent Auditor's Management Letter

To the Members of the Governing Board  
St. Johns County Airport Authority  
St. Augustine, Florida

### Report on the Financial Statements

We have audited the financial statements of the St. Johns County Airport Authority (the "Authority") as of and for the fiscal years ended September 30, 2023 and 2022, and have issued our report thereon dated April 10, 2024.

### Auditors' Responsibility

We conducted our audits in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"); and Chapter 10.550, Rules of the Auditor General.

### Other Reporting Requirements

We have issued our Report of Independent Auditor on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*; Report of Independent Auditor on Compliance for the Major Federal Program and on Internal Control over Compliance Required by the Uniform Guidance; Report of Independent Accountant on an examination conducted in accordance with AICPA Professional Standards AT-C section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General; and the Schedule of Findings and Questioned Costs. Disclosures in those reports and schedule, which are dated April 10, 2024, should be considered in conjunction with this management letter.

### Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding financial audit report. There were no findings or recommendations made in the proceeding financial audit report.

### Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. Such information is disclosed Note 1 to the financial statements.

### Financial Condition and Management

Sections 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the Authority has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific conditions met. In connection with our audit, we determined the Authority did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures for the Authority. It is management's responsibility to monitor the Authority's financial condition, and our financial condition assessment was based in part on representations made by management and review of financial information provided by same.

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

**Specific Information**

As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, Rules of the Auditor General, the Authority provided the following information (unaudited):

- a. The total number of Authority employees compensated in the last pay period of the Authority's fiscal year as 12.
- b. The total number of independent contractors to whom nonemployee compensation was paid in the last month of the Authority's fiscal year as zero.
- c. All compensation earned by or awarded to employees, whether paid or accrued, regardless of contingency as \$859,211.
- d. All compensation earned or awarded to nonemployee independent contractors, whether paid or accrued, regardless of contingency as zero.
- e. Each construction project with a total cost of at least \$65,000 approved by the Authority that is scheduled to begin on or after October 1 of the fiscal year being reported, together with the total expenditures for such project as described below:

<b>Project</b>	<b>Approved Amount</b>	<b>Completed to Date</b>
Design New T-Hangars	\$2,320,000	\$37,500
Security Fencing and Gate Replacement	\$1,500,000	\$86,317

- f. A budget variance based on the budget adopted under Section 189.016(4), Florida Statutes, before the beginning of the fiscal year being reported if the Authority amends a final adopted budget under Section 159.016(6), Florida Statutes, as zero. There were no budget amendments during the fiscal year.

**Additional Matters**

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

**Purpose of this Letter**

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Members of the Governing Board of the St. Johns County Airport Authority, and applicable management, and is not intended to be, and should not be, used by anyone other than these specified parties.

## **Report of Independent Accountant on Compliance with Local Government Investment Policies**

To the Members of the Governing Board  
St. Johns County Airport Authority  
St. Augustine, Florida

We have examined the St. Johns County Airport Authority's (the "Authority") compliance with the requirements of Section 218.415, Florida Statutes (the "specified requirements"), during the year ended September 30, 2023. Management is responsible for the Authority's compliance with the specified requirements. Our responsibility is to express an opinion on the Authority's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Authority complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Authority complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Our examination does not provide a legal determination on the Authority's compliance with specified requirements.

In our opinion, the Authority complied, in all material respects, with local government investment policy requirements of Section 218.415, Florida Statutes, during the year ended September 30, 2023.

The purpose of this report is to comply with the audit requirements of Section 218.415, Florida Statutes, and Rules of the Auditor General.
