ADDENDUM TO INDEPENDENT AUDITORS' MANAGEMENT LETTER

This letter constitutes an addendum to our original Independent Auditors' Management Letter dated January 7, 2025, with the purpose of outlining additional matters in connection with our audit of Hillsborough County Industrial Development Authority (the "Authority"), as of and for the year ended September 30, 2024.

Additional Matters

Section 10.554(1)(i)6, *Rules of the Auditor General*, requires identification of all program administrators and third-party administrators of the Authority's property assessed clean energy ("PACE") program. There was no such PACE program operating within the Authority's geographical boundaries, and accordingly, there are no parties to identify. It is management's responsibility to determine if a PACE program has been implemented in its geographical boundary.

All other matters of our original Independent Auditors' Management letter will apply to this addendum. This addendum is effective as of the date of this letter.

Sincerely,

A handwritten signature in cursive script that reads "Prida Guida & Perez".
