FRED R. WILSON MEMORIAL LAW LIBRARY
ADDENDUM TO INDEPENDENT AUDITORS' MANAGEMENT LETTER
SEPTEMBER 30, 2025

Board of Trustees
Fred R. Wilson Memorial Law Library
Sanford, Florida

Purpose of this Addendum

This addendum supplements our Independent Auditors' Management Letter dated March 12, 2026, for the year ended September 30, 2025. It is issued in response to the request of the Auditor General, State of Florida, dated June 19, 2026, for a statement on whether a property assessed clean energy (PACE) program operated within the Library's geographical boundaries. Except as stated here, our management letter and our reports dated March 12, 2026, are unchanged.

Other Matters – Property Assessed Clean Energy (PACE) Programs

As required by Section 10.554(1)(i)6., Rules of the Auditor General, and Sections 163.081 and 163.082, Florida Statutes, we report the following.

Based on inquiry of management, the Library has not established, participated in, or administered a property assessed clean energy (PACE) program, and management is not aware of any PACE program operating within the geographical boundaries of the Library during the fiscal year ended September 30, 2025.

Our audit procedures were not designed to identify PACE programs operating within the Library's geographical boundaries, and we performed no procedures on this matter beyond inquiry of management.

Purpose of this Addendum Letter

This addendum is intended solely for the information and use of the Florida Auditor General, the Board of Trustees of the Fred R. Wilson Memorial Law Library, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.
