## **INDEPENDENT AUDITOR'S REPORT**

To the Board of Commissioners  
Port of Palm Beach District  
Riviera Beach, Florida

### **Report on the Audit of the Financial Statements**

#### ***Opinion***

We have audited the accompanying financial statements of the business-type activities of the Port of Palm Beach District as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the Port of Palm Beach District's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of the Port of Palm Beach District, as of September 30, 2025, and the respective changes in financial position, and, where applicable, cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Port of Palm Beach District and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Port of Palm Beach District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

## INDEPENDENT AUDITOR'S REPORT – Continued

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Port of Palm Beach District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Port of Palm Beach District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### *Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 6 through 15, the schedule of changes in the total OPEB liability on page 58, and the pension schedules on pages 59 through 61, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

## INDEPENDENT AUDITOR'S REPORT – Continued

### ***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Port of Palm Beach District's basic financial statements. The accompanying schedule of expenditures of federal awards, and state financial assistance as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and Chapter 10.550, Rules of the Auditor General on pages 84 through 87 are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards and state projects are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

### ***Other Information***

Management is responsible for the other information included in the annual report. The other information comprises the introductory section on pages 1 and 2, accompanying schedules listed as other supplementary information on pages 62 through 67 and statistical sections on pages 68 through 78, but does not include the basic financial statements and our auditor's report thereon. Our opinion on the basic financial statements does not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

### ***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated June 11, 2026 on our consideration of the Port of Palm Beach District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Port of Palm Beach District's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Port of Palm Beach District's internal control over financial reporting and compliance.

## **PORT OF PALM BEACH DISTRICT Management's Discussion and Analysis**

As management of the Port of Palm Beach District (the Port), we offer readers of the Port's financial statements this narrative overview and analysis of the financial activities of the Port for the fiscal years ended September 30, 2025. The information presented should be read in conjunction with the financial statements, notes and supplemental schedules found in this report. **All amounts, unless otherwise indicated, are expressed in thousands of dollars.**

### **INTRODUCTION**

The Port consists of approximately 167 operational acres and is primarily a landlord port serving Palm Beach County, South Florida region, the United States, and the Caribbean. The Port is a self-supporting organization and generates revenues from port users to fund all operating expenses, debt service requirements and a portion of its capital projects. Capital projects are also funded by external financing including the issuance of municipal revenue bonds, awards of federal and state grants, and surplus operating funds above those needed to cover operating expenses and debt service.

The Port publishes a uniform tariff, which contains standardized rates for conducting various port activities on port-owned facilities including wharfage, dockage, transit, storage, warehousing and handling of cargo to and from vessels. In addition to the revenue generated from these activities, the Port leases its properties to various maritime and other businesses for which it collects rents and negotiated commodity rates, and in many instances receives certain guaranteed revenue streams.

### **FINANCIAL HIGHLIGHTS**

- The assets and deferred outflows of resources of the Port exceeded its liabilities and deferred inflows of resources at the close of the most recent fiscal year by \$181,117 (*net position*). Of this amount, \$29,661 (*unrestricted net position*) and is available to meet the Port's ongoing obligations to creditors.
- The Port's total net position increased by \$24,389. This increase consists of \$5,697 of income before contributions, and \$18,692 of capital contributions.
- At the end of the current fiscal year, unrestricted net position was 159% of total expenses and the return on unrestricted net position was 19%.

### **OVERVIEW OF THE FINANCIAL STATEMENTS**

This discussion and analysis are intended to serve as an introduction to the Port's basic financial statements. The Port's basic financial statements are comprised of two components: fund financial statements and notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Governmental accounting policy, practice and procedures fall under the auspices of the Government Accounting Standards Board ("GASB"). The Port's financial transactions and

## PORT OF PALM BEACH DISTRICT

### Management's Discussion and Analysis - Continued

subsequent statements are prepared according to the GASB Statement 34 reporting model, as mandated by the GASB. The purpose of the GASB 34 reporting model is to consolidate two basic forms of governmental accounting, governmental (such as municipalities) and proprietary (those entities that generate their own revenues and therefore are similar to a private business such as the Port).

**Fund Financial Statements.** A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Port, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The Port has only one fund category: proprietary fund.

**Proprietary Funds.** The Port maintains only one type of proprietary fund. *Enterprise funds* are used to report the same functions presented as *business-type activities* in the basic financial statements. The Port is considered a proprietary form of government, and its financial transactions are recorded in a single Enterprise Fund.

The basic financial statements report information about the Port using the full accrual accounting methods utilized by similar business activities in the private sector. The financial statements include a statement of net position, a statement of revenues, expenses, and changes in net position, and a statement of cash flows. Please refer to Note 1 to the accompanying financial statements for a summary of the Port's significant accounting policies.

The financial section of this annual report consists of three parts: MD&A, the basic financial statements, and notes to the financial statements. The basic financial statements include:

The ***Statement of Net Position*** presents financial information on all of the Port's assets, liabilities, and deferred inflows/outflows of resources, with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Port is improving or deteriorating.

The ***Statement of Revenues, Expenses and Changes in Net Position*** presents information showing how the Port's net position changed during the fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods.

The ***Statement of Cash Flows*** presents changes in cash and cash equivalents from operational, financing, and investing activities. This statement presents cash receipt and disbursement information without consideration of when earnings are recorded, when an obligation arises, noncash amortization expense or depreciation of capital assets.

The basic proprietary fund financial statements are on pages 16 - 20 of this report.

The ***Notes to the Financial Statements*** provide additional information that is essential to a full understanding of the data provided in the basic financial statements. The notes for the financial statements are on pages 21 - 57 of this report.

**PORT OF PALM BEACH DISTRICT**  
**Management's Discussion and Analysis - Continued**

**Other Information.** In addition to the basic financial statements and accompanying notes, this report also presents *required supplementary information* concerning the Port's progress in funding its obligation to provide pension and OPEB benefits to its employees, *other supplementary information*, and *statistical data*. This information is on pages 58 - 78 of this report.

**Financial Analysis**

As noted earlier, net position may serve over time as a useful indicator of the Port's financial position.

The following table reflects the condensed statement of net position, in actual dollars, as of September 30:

|                                                 | 2025           | 2024           | Change<br>Amount | %       |
|-------------------------------------------------|----------------|----------------|------------------|---------|
| Current and other assets                        | \$ 119,245,237 | \$ 106,898,918 | \$ 12,346,319    | 11.5%   |
| Capital assets, net                             | 153,681,123    | 127,466,225    | 26,214,898       | 20.57%  |
| Total assets                                    | 272,926,360    | 234,365,143    | 38,561,217       | 16.5%   |
| Total deferred outflows of resources            | 1,059,842      | 1,446,594      | (386,752)        | -26.7%  |
| Current liabilities                             | 8,922,040      | 7,457,940      | 1,464,100        | 19.6%   |
| Noncurrent liabilities                          | 4,858,083      | 9,882,910      | (5,024,827)      | -50.8%  |
| Total liabilities                               | 13,780,123     | 17,340,850     | (3,560,727)      | -20.5%  |
| Total deferred inflows of resources             | 79,088,955     | 61,743,071     | 17,345,884       | 28.1%   |
| Net position:                                   |                |                |                  |         |
| Invested in capital assets, net of related debt | 151,456,257    | 124,536,982    | 26,919,275       | 21.6%   |
| Restricted                                      | -              | 2,392,373      | (2,392,373)      | -100.0% |
| Unrestricted                                    | 29,660,867     | 29,798,461     | (137,594)        | -0.5%   |
| Total net position                              | \$ 181,117,124 | \$ 156,727,816 | \$ 24,389,308    | 15.6%   |

Current and other assets increased by approximately \$12,346 due to strong overall operating revenues. This was primarily due to an increase of \$17,005 in GASB Statement No. 87, *Leases*, lease receivable from additional leases and options to extend the leases, \$2,546 for decreases in cash, from operating and investing activities, \$1,551 decreases in grants receivable from federal and state grants and a \$657 decrease in trade receivables primarily due from additional Teeters cash and sale of capital assets receipts and a remaining \$95 increase in the current and other assets. Capital and right to use leased assets, net increased by \$26,215 primarily from the MARAD and FDOT PIDP, Port intermodal rail yard, cargo transfer facility and other significant infrastructure improvements projects.

Current and noncurrent liabilities decreased by approximately \$3,561 primarily from decreases of \$3,933 in revenue bonds, capital appreciation and accrued interest due to normal debt service payments and no new bond issuances. Increases in accounts and contracts and leases payables,

**PORT OF PALM BEACH DISTRICT**  
**Management's Discussion and Analysis - Continued**

compensated absences, and other post-employment benefits mostly offset decreases in unearned revenue and the FRS and HIS pension plan's net pension liability and by the remaining \$372.

Pension related items of deferred outflows decreased approximately \$387 and deferred inflows increased by approximately \$17,346, and net pension liability decreased approximately \$1,001 to \$4,237 as of September 30, 2025, for the Port's proportionate share, as a result of expected and actual experience, assumptions and proportion changes, projected and actual earnings and methods used by the FRS actuary in performing the annual GASB calculations to meet the parameters set by GASB Statement No. 68, *Accounting and Financial Reporting for Pensions*, which was implemented in FY 2015. Additional information on the Port's pension related items is in Note 8, in the accompanying notes to the financial statements.

Lease related items of deferred inflows increased by approximately \$17,005 from additional leases and options to extend the leases and meet the parameters set by GASB Statement No. 87, *Leases*, which was implemented in FY 2022. Additional information on the Port's lease related items is in Note 6, in the accompanying notes to the financial statements.

By far the largest portion of the Port's net position as of September 30, 2025, (\$151,456 or 83.6%) an increase of \$26,919 from the previous FY 2024, reflects its net investment in capital assets (e.g., land, buildings, slips, wharfs, improvements, equipment, vehicles, furniture and fixtures and construction in progress, net of accumulated depreciation) less any related debt used to acquire those assets that is still outstanding. These assets are not available for future spending. Although the Port's net investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from operations, since the capital assets themselves cannot be used to liquidate these liabilities.

In addition, a portion of the Port's net position as of September 30, 2025, (\$0), represents the reserve for maximum debt service, sinking, renewal and replacement, and business development funds that are restricted in accordance with existing bond covenants. The remaining balance of the

**PORT OF PALM BEACH DISTRICT**  
**Management's Discussion and Analysis - Continued**

Port's net position is unrestricted and may be used to meet the Port's ongoing obligations to creditors. At the end of FY 2025, the Port's unrestricted net position was (\$29,661 or 16.4%), a decrease of \$138 or 0.5% from FY 2024.

The Port's total net position increased by approximately \$24,389 or 15.6% in FY 2025. Of this amount, approximately \$5,697 represents income before capital contributions and approximately \$18,692 represents capital contributions from federal, state and private sources. There is no assurance that these capital contributions from other sources will continue in the future.

The following table reflects the condensed revenue and expense data and changes in net position, in actual dollars, for the years ended September 30:

|                               | <b>FY 2025</b> | <b>FY 2024</b> | <b>Change</b> |          |
|-------------------------------|----------------|----------------|---------------|----------|

**PORT OF PALM BEACH DISTRICT**  
**Management's Discussion and Analysis - Continued**

Key elements of the increase in net position for the fiscal year ended September 30, 2025, are as follows:

- Total operating revenues (fees and charges for services) amounted to \$22,450, an decrease of approximately \$423 or 1.8%. The net operating revenues achieved a compound annual growth rate of approximately 6.9% over the last five years.
- The Port had increases in the following: cargo related items of approximately \$324 million or 2.9%, primarily from tonnage increases in cement, and recyclable metal; leases/rents and storage decreased approximately \$3 or 0.0%, primarily from storage that offset increases in annual contract escalation clauses, and additional space assignments; passenger and parking revenues, decreased by approximately (311) or -6.8%, primarily from cruise passenger counts decreased by 20.2% to 306 from the previous fiscal year of 383 as a result of the cruise line changing the itinerary to different islands in the Bahamas, Key West and Mexico which reduced the monthly sailing days; the remaining operating revenues, which consist of licenses, permits, identification badging, and other miscellaneous items decreased by approximately \$(423) or -56.6%, primarily due to cash collections from a previous tenant, Teeters that was written-off as bad debt last FY 2024, this was a normal FY 2025 for miscellaneous items. Wharfage, dockage and related cargo revenues, passenger and parking charges, and leases/rent and related storage are the largest portion of the Ports operating revenues, accounting for approximately 98.5%.
- Investment earnings decreased by approximately \$45 or 3.0% as the target range for the federal funds interest rate and the Port's money market mutual fund and bank managed earnings rate was lowered by the Federal Reserve board which accounted for the decrease in earnings, that offset additions to the Port investing additional monies to the money market mutual fund from increased operating income. The federal funds rate target rate dropped to 4.0% - 4.25% at the end of FY 2025.
- Other non-operating revenues increases by approximately \$421 primarily from FEMA Port Security sub-recipient grant reimbursements.
- Operating Expenses (including depreciation and amortization) increased approximately \$1,423 or 8.9%, primarily from increases in salaries, and payroll taxes, increasing approximately 353 or 7.0% and benefits, (see paragraph below). Operating expenses (excluding salaries, payroll taxes and benefits) increased by approximately \$1,055 or 11.3%. The most significant increases were Security – contract services; Engineering & Maintenance – Buildings & Grounds, Utilities – water, Janitorial services, and supplies; and Depreciation – new assets.
- Salaries, payroll taxes and benefits (employee costs) represent the largest portion of the Port's operating expenses before depreciation and amortization, at approximately 54.5% and increased by approximately \$368 or 5.0%. This was primarily due to additional positions, budget, promotions and market rate increases at 7.0%; a 14.5% increase in premiums for the group health insurance costs which increased at approximately 316 or

**PORT OF PALM BEACH DISTRICT**  
**Management's Discussion and Analysis - Continued**

37.0%, and FRS retirement costs decreased by approximately \$301 or -38.0% from the decrease in net pension liability caused by the annual adjustments in actuarial assumptions, experience, and investment gains and earnings, and proportions by the FRS per the requirements of GASB Statement No. 68, see Note 8, in the accompanying notes to the financial statements.

- Capital contributions from federal MARAD PIDP and state FDOT Seaport grants for capitalized projects increased by approximately \$15,024. The significant main project underway in FY 2025, was the MARAD PIDP - FDOT intermodal rail yard, cargo transfer facility infrastructure improvements.

## CAPITAL ASSETS

**Capital assets:** The Port's capital assets as of September 30, 2025 and 2024 amounted to approximately \$153,681 and \$127,466, respectively (net of accumulated depreciation). This investment in capital assets includes land, buildings, facility and infrastructure improvements and equipment, furniture and fixtures, intangibles and construction work in progress.

Additions to capital assets for the fiscal year ended September 30, 2025, amounted to approximately \$2,842, accumulated depreciation was \$99,410, and depreciation and amortization expense of was \$4,511.

The Port has several current major capital projects in progress and are as follows:

The Port is redeveloping the intermodal rail yard and cargo transfer facility and other significant infrastructure improvements. The project is being funded by the Federal Maritime Administration Port Infrastructure Development Program (MARAD) grant for \$26,448 and FDOT Seaport matching grants of \$19,711, both with a 50/50 required match. Design/built criteria, planning,

**PORT OF PALM BEACH DISTRICT**  
**Management's Discussion and Analysis - Continued**

bidding, permitting, and engineering services began in FY 2021, and rail supplies were purchased in FY 2022. Engineering and construction management services and the western portion of the rail rehabilitation were awarded in FY 2023 and were completed in FY 2024 and moved from construction in progress to capital assets of \$3,783. Construction of the eastern portion of the rail rehabilitation and cargo transfer facility and other significant infrastructure improvements began in FY 2024. The construction projects will be in phases and completed in FY 2026 for approximately \$33,113.

The Port purchased six parcels (1.17 acres) for approximately \$1,185 in FY 2022 with no grant funding. This was the start of an expansion project to purchase additional lots as they become available in the 10<sup>th</sup> and 11<sup>th</sup> Steet portion on the north boundary of the Port. The Port needs additional land for cargo laydown area and office/warehousing for its current and future tenants. Additionally, the Port purchased one parcel (0.17 acre) for \$197 in FY 2024, and two parcels (0.32 acres) for \$988, in FY 2025, in FY 2026 the Port will purchases additional lots based on scope, pricing and availability of willing sellers next to additional land owned by the Port. Funded by FDOT providing a 50/50 matching grant of \$7,347 million, and the Florida Department of Commerce has provided a 67/33 matching grant of \$750.

The Cathodic Protection for Metal Sheet Piles grant is funded by FDOT providing a 75/25 match grant of \$1,333 with an approximate cost of 1,344 for purchase and installing anodes, system design, consulting, diving and installation services. The Warehouse 13 rehabilitation grant is funded by FDOT providing a 50/50 matching grant of \$1,500 with an approximate cost of \$1,665 for construction, design, consulting, and construction management services. The Container Yard Improvements grant is funded by FDOT providing a 50/50 match grant of \$2,900 with an approximate cost of \$1,042 for repair and replacement of a stormwater culvert pipe and box which includes construction, consulting engineering, and construction management services. Additional costs may be needed.

The Port started in FY 2024, the \$939 phase 2 rehabilitation to the Maritime Office Complex (MOC) and Cruise Terminal (CT) HVAC system and was completed in FY 2025, the \$1,185 phase 3a rehabilitation started and will be completed in FY 2026; the \$1,810 Mullin's Property Improvements for building demolition, drainage system, building site walls, asphalt paving and fencing, to upgrade an unimproved area, and will be completed in FY 2026; the \$1,794 million MOC/CT elevator moderation is scheduled to start in FY 2025 and will be completed in FY 2026; these projects are funded by the renewal and replacement budget.

The Port's capital program is funded primarily through the Florida Department of Transportation Seaport matching grant programs and the U.S. Department of Transportation MARAD matching grants programs, Port facility fees and charges for services, public and private contributions, non-operating revenues, and revenue bond issues. Additional information on the Port's capital assets can be found in Note 4, in the accompanying notes to the financial statements.

The following table shows capital assets by category, in actual dollars, for the years ended September 30:

**DEBT ADMINISTRATION**

**Long-term debt:** The Port had outstanding revenue bonds of approximately \$1,199 as of September 30, 2025. This amount, \$1,199 is current and will mature by September 1, 2026. The decrease in the total revenue bonds, noted below, was due to regular scheduled principal payments and no new issuances this fiscal year. The Port's outstanding revenue bonds are secured by a first lien upon and a pledge of the operating revenues. The Port's outstanding revenue bonds have a rating of "Baa2" with a stable outlook by Moody's Investors Service. Additional information on the Port's long-term debt is in Note 4, in the accompanying notes to the financial statements.

The Port of Palm Beach District is required by the terms of the Series 2002 Revenue Refunding Bonds to generate sufficient Net Revenues to maintain a minimum ratio of 110% to the debt service requirement for that year. In FY 2025 and 2024, the Port met this requirement.

The following table shows the outstanding debt of revenue bonds, in actual dollars, for the years ended September 30:

|                        | <u>2025</u>         | <u>2024</u>         | <u>Change</u>         |               |

**Management's Discussion and Analysis - Continued**

**ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND RATES**

For FY 2026, the Port has budgeted the following:

- Net operating revenues (fees and charges for services) of \$24,011 due to projected cruise-parking, cargo related business and lease-rents at a 5.6% increase.
- Operating expenses of \$18,675 (including \$4,428 for depreciation and amortization) are based on the level of service expectations at the departmental level at a 2.9% increase.
- Non-operating revenues of \$1,214 which is mostly investment earnings offsetting interest on revenue bonds.
- The Port's cash reserves, diverse revenue stream and its long-standing practice of including minimum tonnage and inflation increases, and financial guarantees in many of its agreements with tenants and customers, combined with continued income before capital contributions budgeted at over \$6,550. The Port will continue to meet all financial obligations including maintaining its debt service coverage ratio.

**Requests for Information**

This financial report is designed to provide a general overview of the Port of Palm Beach District's finances for all those with an interest in the government's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to:

**PORT OF PALM BEACH DISTRICT**  
**Notes to the Financial Statements**  
**September 30, 2025**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Financial Reporting Entity and General Overview**

The Port of Palm Beach District (the “Port”) is an independent special taxing district established in 1915 under the provisions of Chapter 7081 of the Laws of Florida, as amended; and, as such, is a political sub-division of the State of Florida. The Port’s district is located in Palm Beach County, Florida and covers a land area of 971 square miles, or approximately half of the Palm Beach County land area. The Port derives the major portion of its operating revenues from wharfage, dockage, passenger charges, and rental income; it is a major modal point for the shipment of bulk sugar, molasses, containerized cargo, and break-bulk items.

The Port is a “public enterprise fund” operated through a Board of five Port Commissioners, each elected by districtwide vote, and is administrated by an Executive Director.

As required by generally accepted accounting principles, these financial statements include the Port (the primary government) and its component units. Component units are legally separate entities for which the Port is financially accountable. The Port is financially accountable if:

- a) it appoints a voting majority of the organization’s governing board and (1) it is able to impose its will on the organization or (2) there is a potential for the organization to provide specific financial benefits to or impose specific financial burdens on the Port, or
- b) the organization is fiscally dependent on the Port and (1) there is a potential for the organization to provide specific financial benefits to the Port or (2) impose specific financial burdens on the Port.

Organizations for which the Port is not financially accountable are also included when doing so is necessary in order to prevent the Port’s financial statements from being misleading.

Based upon application of the above criteria, the Port of Palm Beach District has determined that there are no legally separate entities to consider as potential component units.

**Basis of Presentation**

**Proprietary Fund Type**

All activities of the Port are accounted for within a single proprietary (enterprise) fund. Proprietary funds are used to account for operations that are financed and operated in a manner similar to private business enterprises, where the intent of the governing body is that the costs (including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

**PORT OF PALM BEACH DISTRICT**  
**Notes to the Financial Statements**  
**September 30, 2025**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)**

**Basis of Presentation**

**Proprietary Fund Type**

A proprietary fund distinguishes operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with principal ongoing operations. The Port's principal operating revenues are wharfage, dockage, and rental income. Program-specific grants (operating and capital) include revenues arising from voluntary non-exchange transactions that are restricted for use in a particular program, namely grants to repair and/or purchase, construct or renovate capital assets in association with a specific program and are recognized when earned. Grant receivable is recorded when the Port has a right to reimbursement under the related grant. Operating expenses for enterprise funds include cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

**Measurement Focus**

The accounting and financial reporting treatment applied by the Port is determined by "measurement focus". Measurement focus is a term used to describe which transactions are recorded within the financial statements. The transactions of the Port are accounted for on a flow of economic resources measurement focus. With this measurement focus, financial activity is reported in essentially the same manner as in commercial accounting where net income and capital maintenance are measured.

**Basis of Accounting**

Basis of accounting refers to the timing when transactions are recognized in the accounts and reported in the financial statements. The transactions of the Port are accounted for using the accrual basis of accounting in accordance with Generally Accepted Accounting Principles. Under the accrual basis of accounting, revenues are recognized when they are earned, and expenses are recorded when a liability is incurred, regardless of the timing of the related cash flow. Non-capital grants and similar items are recognized as revenue when all eligibility requirements imposed by the provider are met.

In the statement of cash flows for proprietary funds, cash is defined as currency on hand and demand deposits with banks or other financial institutions. It also includes other accounts that have the general characteristics of demand deposits in that the customer may deposit or withdraw funds at any time without prior notice or penalty. Cash equivalents are short-term (i.e., original maturity is three months or less), highly liquid investments that are readily convertible to known amounts of cash and are so near to their maturity that they present an insignificant risk of changes in value because of changes in interest rate.

**PORT OF PALM BEACH DISTRICT**  
**Notes to the Financial Statements**  
**September 30, 2025**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)**

**Cash and Cash Equivalents**

Florida Statutes authorize the Port to invest in Local Government Surplus Funds Trust Fund (Florida PRIME), external investment pools, or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act, Securities and Exchange Commission (SEC) registered money market funds with the highest credit quality rating, interest-bearing time deposits or savings accounts in qualified public depositories and direct obligations of the U.S. Treasury.

Florida PRIME is administered by the Florida State Board of Administration, which provides regulatory oversight. The Port's investment in Florida PRIME is reported at amortized cost. The fair value of the Port's position in Florida PRIME is equal to the value of pooled shares. Florida PRIME is managed by the Florida State Board of Administration and issues annual audited financial statements, which are available on its website: <https://prime.sbafla.com>.

The Port also invests in Florida Cooperative Liquid Assets Securities System (FLCLASS). FLCLASS is a common law trust organized as an independent local government investment pool authorized under section 218.415, Florida Statutes, and offers a short-term investment program with the objective of maintaining a net asset value (NAV) of \$1 per share. FLCLASS is managed by a Board of Trustees. FLCLASS issues annual audited financial statements, which are available on its website: <https://www.flclass.com>.

Cash and cash equivalents include cash deposits and short-term investments with original maturities of three months or less from the date of acquisition.

**Deposits and Investments**

Investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value is a market-based measurement, not an entity-specific measurement. For some assets and liabilities, observable market transactions or market information might be available; for others, it might not be available. However, the objective of fair value measurement in both cases is the same, that is, to determine the price at which an orderly transaction to sell the asset or to transfer the liability would take place between market participants at the measurement date under current market conditions. Fair value is an exit price at the measurement date from the perspective of a market participant that controls the asset or is obligated for the liability. The Port categorizes investments reported at fair value in accordance with the fair value hierarchy established by GASB Statement No. 72, *Fair Value Measurement and Application*.

**Restricted Assets**

In accordance with the 2002 Revenue Bond covenants and resolutions of the Board of Commissioners, certain resources (consisting of cash and investments) are to be used only for specified purposes. When both restricted and unrestricted resources are available for use, it is the

**PORT OF PALM BEACH DISTRICT**  
**Notes to the Financial Statements**  
**September 30, 2025**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)**

Port's policy to use restricted resources first, then unrestricted resources as they are needed. Certain equity balances are to be restricted as follows:

*Renewal and replacement* -net position reserved for renewal and replacement represent the excess of restricted assets required for renewal or replacement of capital assets over the related liabilities payable from restricted assets.

*Business development* -net position reserved to pay the expenses of promoting trade and commerce represent the excess of restricted assets required to pay the expenses of promoting trade and commerce over the related liabilities payable from restricted assets.

*Bond sinking funds* - net position reserved for revenue bond debt service represent the excess of restricted assets required for debt service under bond covenants over the related liabilities payable from restricted assets.

**Accounts Receivable**

The Port records accounts receivable at estimated net realizable value. Accordingly, accounts receivable at September 30, 2025 are shown net of allowances for doubtful accounts. The Port maintains an allowance for uncollectible accounts at a level which management believes is sufficient to cover potential credit losses.

**Prepaid Items**

Payments made to vendors for services that will benefit future periods are reported as prepaid items using the consumption method by recording an asset for the prepaid amount and reflecting an expense in the year in which the services are consumed.

**Property and Equipment**

Property and equipment are carried at cost, if purchased and at estimated fair value for assets contributed, less accumulated depreciation. The Port defines capital assets as assets with an initial individual cost of more than \$5,000 and an estimated useful life in excess of two years.

Costs for maintenance, repairs, minor renewals and betterments are expensed as incurred. Major renewals and betterments are treated as property additions. When property is disposed, the cost and related accumulated depreciation are eliminated from the accounts and any gain or loss on the disposition is reflected in the Statement of Revenue, Expenses and Changes in Net Position. Interest incurred during the construction phase of capital assets is included as part of the capitalized value of the assets constructed. Depreciation is computed on a straight-line basis and the useful lives range from five to fifty years on the buildings and improvements and from three to twenty years on machinery, equipment and furniture. The Port recognizes amortization on intangible assets and the useful live is ten years for the master plan. Land and related land rights are not depreciated.

**PORT OF PALM BEACH DISTRICT**  
**Notes to the Financial Statements**  
**September 30, 2025**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** - (Continued)

**Leases**

The Port is a lessee for noncancellable leases of equipment. The Port recognize a lease liability and an intangible right-to-use lease assets (lease asset) in the financial statements. The Port recognizes lease assets and liability with an initial value of \$35,000 or more.

At the commencement of a lease, the Port initially measures the lease liability at the present value of payments expected to be made during the lease term. Subsequently, the lease liability is reduced by the principal portion of the lease payment made. The lease asset is initially measured as the initial amount of the lease liability, adjusted for lease payments made at or before the lease commencement date, plus certain initial direct costs. Subsequently, the lease asset is amortized on a straight-line basis over its useful life.

Key estimates and judgments related to leases include how the Port determines 1) the discount rate it uses to discount the expected lease payments to present value, 2) lease term, and 3) lease payments.

- The Port uses the interest rate charged by the lessor as the discount rate. When the interest rate charge by the lessor is not provided, the Port generally uses its estimated incremental borrowing rate as the discount rate for leases.
- The lease term includes the noncancellable period of the lease. Lease payments included in the measurement of the lease liability are composed of fixed payments and purchase option price that the Port is reasonable certain to exercise.

The Port monitors changes in circumstances that would require a remeasurement of its lease and will remeasure the lease asset and liability if certain changes occur that are expected to significantly affect the amount of the lease liability.

Lease assets are reported with other capital assets and lease liabilities are reported with long-term debt on the statement of net position.

The Port is a lessor for noncancellable leases of land, terminals, parking space and building space. The Port recognizes a lease receivable and deferred inflow of resources in the financial statements.

At the commencement of a lease, the Port initially measures the lease receivable at the present value of payments expected to be received during the lease term. Subsequently, the lease receivable is reduced by the principal portion of lease payment received. The deferred inflow of resources is initially measured as the initial amount of the lease receivable, adjusted for lease payments received at or before the lease commencement date. Subsequently, the deferred inflow of resources is recognized as revenue over the life of the lease term.

Key estimates and judgments include how the Port determines the discount rate it uses to discount the expected lease receipts to present value, lease term, and lease receipts.

**PORT OF PALM BEACH DISTRICT**  
**Notes to the Financial Statements**  
**September 30, 2025**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** - (Continued)

**Leases** - (Continued)

- The Port uses the incremental borrowing rates as discount for the leases.
- The lease term includes the noncancellable period of the lease. Lease receipts includes in the measurement of the lease receivable is composed of fixed payments from the lessee.

The Port monitors changes in circumstances that would require a remeasurement of its lease and will remeasure the lease receivable and deferred inflows of resources if certain changes occur that are expected to significantly affect the amount of the lease receivable.

**Deferred Outflow of Resources**

In addition to assets, the Statement of Net Position will sometimes report a separate section for Deferred Outflows of Resources. Deferred Outflows of Resources represent the usage of net position applicable to future periods and will not be recognized as an expense until the future period to which it applies. The Port only has three items that qualify for reporting in this category. The deferred amount on bond refunding, and the pension related items.

The deferred loss on current and advance refunding of bonds is being amortized, using the straight-line method, and reported as a component of interest expense through the year 2025. The amortization period of deferred losses on refunding of debt is the remaining life of the old debt or the life of the new debt, whichever is shorter.

In addition to liabilities, the Statement of Net Position will sometimes report a separate section for Deferred Inflows of Resources. Deferred Inflows of Resources represent the acquisition of net position applicable to future periods and will not be recognized as revenue until the future period to which it applies. The Port has pension related items and certain leases in accordance with GASB Statement No.87 that qualify for reporting as Deferred Inflows of Resources.

**Unearned Revenue**

Resources that do not meet revenue recognition requirements are recorded as unearned revenue. Unearned revenue consists primarily of unearned lease revenue.

**Compensated Absences**

The Port accrues a liability for compensated absences, as well as certain other salary costs associated with the payment of compensated absences. Paid Time Off (PTO) leave is an inclusive time off program for regular, full time employees intended for use in connection with holidays, vacations, sickness, personal business, family care, bereavement and other needs that may require time off from work. PTO is accrued as a liability as the benefits are earned by the employees.

**PORT OF PALM BEACH DISTRICT**  
**Notes to the Financial Statements**  
**September 30, 2025**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)**

**Other Post-Employment Benefits**

The Port obtains actuarial valuation reports for its postemployment benefit plan and records the OPEB liability as required under GASB 75, *Accounting and Financial Reporting for Post-Employment Benefits Other than Pensions*. Disclosure information required by GASB 75 is found in Note 9.

**Net Position**

Net position is the residual of all other elements presented in a statement of net position. It is the difference between (a) assets plus deferred outflows of resources and (b) liabilities and deferred inflows of resources. Net position is reported in the following three components:

*Net investment in capital assets* -This component of net position consists of capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.

*Restricted net position* -Net position is reported as restricted when constraints placed on net position use are either externally imposed by creditors, grantors, contributors, or laws or regulations of other governments; or are imposed by law through constitutional provisions or enabling legislation.

*Unrestricted net position* – This component of net position consists of net position that does not meet the definition of “restricted” or “net investment in capital assets”.

**Revenues and expenses**

Wharfage, rentals, dockage, parking, switching, passenger charges, and other revenues for the use of, and privileges at the Port’s facilities are reported as operating revenues when earned and expenses are recorded when incurred. Receipts from operating grants, investment earnings, gains resulting from disposition of assets, and any revenue item not earned in the ordinary course of business are reported as non-operating revenues.

**Grants**

Grants restricted for capital acquisition and construction are recorded as capital contributions. Other grant revenue is classified as non-operating revenue. They are considered earned when all applicable eligibility requirements have been met and it is earned by the Port.

**Estimates**

The financial statements and related disclosures are prepared in conformity with accounting principles generally accepted in the United States. Management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and revenue and expenses during the period reported. These estimates include assessing the collectability of accounts receivable, and useful lives and impairment of tangible and intangible assets, among others.

**PORT OF PALM BEACH DISTRICT**  
**Notes to the Financial Statements**  
**September 30, 2025**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (Continued)

**Estimates** – (Continued)

Estimates and assumptions are reviewed periodically, and the effects of revisions are reflected in the financial statements in the period they are determined to be necessary. Actual results could differ from those estimates.

**Budgetary Accounting**

The Port's enabling legislation requires adoption of an annual operating budget. The Port adopts an annual operating, capital improvement and renewal and replacement budget resolution prior to September 30, for the next ensuing fiscal year. The Port's budgets are prepared on the accrual basis of accounting which is consistent with generally accepted accounting principles. Operating budgets for the enterprise fund are based on level of service expectations. Capital improvement and renewal and replacement projects are budgeted to provide control over authorized project expenses and ensure legal compliance. The budget is prepared and controlled at the departmental level.

Monthly financial statements, which compare actual performance with budget, are presented to the Commissioners for review and approval of the financial status and to measure the effectiveness of the budgetary controls.

The Commissioners are not required to present a budget comparison in its financial statements.

The budget and any amendments which require a change in total appropriations of any department are approved by the Port's Board. The Executive Director is authorized to transfer budgeted amounts within the departments.

**General Obligation Bonds and Taxes**

The Port shall have the power and is authorized to issue general obligation bonds to finance the cost or part of the cost of the construction, acquisition, reconstruction, extension, repair or improvement of any works, projects, properties, improvements, or other purposes, except for the payment of current expenses, which the Port has statutory authority to construct, acquire or undertake.

The Port is also authorized and empowered to levy upon all the real and personal taxable property of said Port's district a special tax sufficient in amount to pay the interest becoming due and payable annually upon any bonds issued, or money borrowed or to be borrowed by the said Port, for which the full faith and credit of the Port is pledged (general obligation bonds), and in addition, a special tax not exceeding two (2) mills on the dollar of the assessed valuation of taxable property in the Port's district or two hundred thousand (\$200,000.00) dollars, whichever is smaller, in each year to pay the costs of operation, maintenance and other purposes of the Port under statutory authority. The Port does not have any general obligation bonds outstanding and has not levied property taxes since the fiscal year ended 1975 and does not expect to do so in the foreseeable future.

**PORT OF PALM BEACH DISTRICT**  
**Notes to the Financial Statements**  
**September 30, 2025**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (Continued)

**Determination of Operating versus Non-Operating Revenues and Expenses**

The Port derives the largest portion of its operating revenues from vessel traffic and cargo moving through the port and across its docks. Additionally, the Port is considered a landlord port in that it leases its properties to various cargo operations in return for rental payments and financial guarantees from those operators.

The expense associated with operating revenue generation is recorded in eight major categories: general expenses, engineering and maintenance, security, administration, business development, operations, depreciation, and amortization.

The Port receives certain other revenue such as interest income and grant revenue that it categorizes as non-operating revenues. These types of revenue are not a direct result of vessel traffic or cargo movement. Additionally, non-operating expenses include, among others, the interest portion of debt service payments, amortization of deferred loss on refunding and amortization of bond discounts.

**Recently Issued and adopted Accounting Pronouncements**

In June 2022, the GASB issued Statement No. 101, *Compensated Absences*, which was effective for the Port in fiscal year 2025. The objective of this statement is to better meet the information needs of financial statement users by updating the recognition and measurement guidance for compensated absences. That objective is achieved by aligning the recognition and measurement guidance under a unified model and by amending certain previously required disclosures. The adoption of this statement did not have a material impact on the Port's financial statements and did not result in a cumulative effect adjustment to beginning net position.

In December 2023, the GASB issued Statement No. 102, *Certain Risk Disclosures*, which was effective for the Port in fiscal year 2025. The objective of this statement is to better meet the information needs of financial statement users by providing enhanced disclosure about risks related to a government's vulnerabilities due to certain concentrations or constraints. The adoption of this statement did not have a material impact on the Port's financial statements.

In April 2024, the GASB issued Statement No. 103, *Financial Reporting Model Improvements*, which will be effective for the Port in fiscal year 2026. The objective of this statement is to improve key components of the financial reporting model to enhance its effectiveness in providing information that is essential for decision making and assessing a government's accountability. This statement also addresses certain application issues.

In September 2024, the GASB issued Statement No. 104, *Disclosure of Certain Capital Assets*, which will be effective for the Port in fiscal year 2026. The objective of this statement is to provide the users of government financial statements with essential information about certain types of capital assets. This statement requires certain types of capital assets to be disclosed separately in the capital asset note disclosures required by GASB Statement No. 34, Basic Financial Statements and Management Discussions and Analysis for State and Local Governments. This statement also requires additional disclosures for capital assets held for sale.

**PORT OF PALM BEACH DISTRICT**  
**Notes to the Financial Statements**  
**September 30, 2025**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (Continued)

**Subsequent Events**

Managements has evaluated subsequent events through June 11, 2026, the date the financial statements were available, and does not believe there are any additional events or transactions to be disclosed in these financial statements.

**NOTE 2 – DEPOSITS AND INVESTMENTS**

**Deposits**

As of September 30, 2025, the Port's bank balance for deposits in Qualified Public Depositories was \$2,000,797 and the related book balance totaled \$1,915,679.

In addition to insurance provided by the Federal Depository Insurance Corporation, deposits are held in banking institutions approved by the State Treasurer of the State of Florida to hold public funds.

Under Florida Statutes Chapter 280, Florida Security for Public Deposits Act (the Act), the State Treasurer requires all Florida qualified public depositories to deposit with the Treasurer or other banking institution eligible collateral. In the event of failure of a qualified public depository, the remaining public depositories would be responsible for covering any resulting losses.

*Custodial credit risk* – For deposits, custodial credit risk is the risk that, in the event of the failure of a depository financial institution, the Port will not be able to recover deposits or will not be able to recover collateral securities that are in the possession of an outside party. The Port requires all deposits to be in Qualified Public Depositories to control custodial credit risk. As of September 30, 2025, the Port's deposits are considered insured for custodial credit risk purposes.

**Investments**

The Port has adopted an investment policy in accordance with Florida Statutes 218.415 (17). The policy authorizes investments in direct obligations of the U.S. Treasury, interest-bearing time deposits or savings accounts in qualified public depositories, the Local Government Surplus Funds Trust Fund, or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act, as provided in Florida Statutes 163.01 and Securities and Exchange Commission registered money market funds with the highest credit rating from a nationally recognized rating agency.

The Port is authorized to invest Revenue, Renewal and Replacement and Port Development account deposits with institutions participating in the State's security program under Chapter 280 of the Florida Statutes, and obligations of, or guaranteed by, the United States Government. The Port is authorized to invest the bond proceeds and the sinking fund account deposits in the following: (1) U.S. obligations; (2) obligations fully and unconditionally secured by the full faith and credit of the United States of America; (3) bonds, debentures, notes or other evidence of indebtedness issued or guaranteed by the non-full faith and credit of U.S. governmental agencies; (4) mortgaged-backed securities and senior debt obligations; (5) certificates of deposit secured by collateral in (1) or (2) above; (6) certificates of deposit, savings accounts, deposit account or money market deposits fully insured by FDIC; (7) commercial paper rated in the single highest classification; (8) money market funds registered under

**NOTE 2 – DEPOSITS AND INVESTMENTS** (Continued)

**Investments** – (Continued)

the Federal Investment Company Act; (9) pre-refunded municipal bonds rated in the single highest classification; (10) investment agreements; (11) bonds or notes issued by any state or municipality rated in the two highest long term categories; (12) units of participation in the Local Government Surplus Funds Trust Fund; (13) federal funds or banker's acceptances; (14) repurchase agreements; (15) other forms of investments approved in writing by the Credit Facility Issuer.

GASB Statement No. 72, *Fair Value Measurement and Application*, requires governments to disclose the fair value hierarchy for each type of asset or liability measured at fair value in the notes to the financial statements. The standard also requires governments to disclose a description of the valuation techniques used in the fair value measurement and any significant changes in valuation techniques. GASB 72 establishes a three-tier fair value hierarchy.

The hierarchy is based on valuation inputs used to measure the fair value as follows:

Level 1: Inputs are directly observable, quoted prices in active markets for identical assets or liabilities

Level 2: Inputs are other than quoted prices included within Level 1 that are for the assets or liability, either directly or indirectly. These inputs are divided from corroborated by observable market data through correlation or by other means.

Level 3: Inputs are unobservable inputs used only when relevant Level 1 and Level 2 inputs are unavailable.

The level in which an asset is assigned is not indicative of its quality but an indication of the source of valuation inputs.

Money market funds are exempt from reporting under the fair value hierarchy, and the fair value is measured at amortized cost.

The investment of public funds in Florida PRIME is governed by Section 218.407, Florida Statutes. Florida PRIME is subject to the regulatory oversight of the State of Florida. This investment pool consists of bank instruments, asset-backed securities and commercial paper.

The investment of public funds in FLCLASS is governed by Section 218.415, Florida Statutes. FLCLASS is under the direction of a Board of Trustees. This investment pool consists of commercial paper, bank deposits, asset backed commercial paper, repurchase agreements, collateralized bank deposits, and money market funds.

**PORT OF PALM BEACH DISTRICT**  
**Notes to the Financial Statements**  
**September 30, 2025**

**NOTE 2 – DEPOSITS AND INVESTMENTS** (Continued)

**Investments** – (Continued)

Although the pool operates in a manner similar to a money market fund, it is classified as an external investment pool. The dollar-weighted average days to maturity of Florida PRIME and FLCLASS were 47 and 42 days, respectively, as of September 30, 2025.

As of September 30, 2025, the Port held the following investments in money market funds, which are reported as cash and cash equivalents in the statement of net position:

| Investment Measured at<br>Amortized Cost | Moody's Standard &<br>Poor's Credit Rating<br>and S&P Global<br>Ratings | Fair Value<br>Level  | Weighted average<br>Maturity |
|------------------------------------------|-------------------------------------------------------------------------|----------------------|------------------------------|
| Wells Fargo Institutional                |                                                                         |                      |                              |

| Morgan Stanley Institutional             | Aaa-mf                                                                  |                      |                              |
| Liquidity Funds Portfolio                | AAAm                                                                    | 475,128              | Less than 60 days            |
|                                          |                                                                         | <u>\$ 36,628,037</u> |                              |

The Wells Fargo Allspring Government Money Market Fund (Institutional Class Shares) is a money market fund registered with the Securities and Exchange Commission. The Fund seeks current income, while preserving capital and liquidity. The Fund invests in high-quality, short-term money market instruments that consist of U.S. Government obligations and repurchase agreements collateralized by U.S. Government obligations. An investment in the Fund is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. The shares are measured at amortized cost.

The Morgan Stanley Institutional Liquidity Fund Treasury Portfolio (Institutional Share Class) is a money market fund registered with the Securities and Exchange Commission. The Portfolio seeks preservation of capital, daily liquidity, and maximum current income. The Portfolio invests in liquid, high-quality debt securities issued by the U.S. Treasury. The management team follows an investment process that seeks to select maturities based on the shape of the money market yield curve and on expectations as to future shifts in the level and shape of the curve, taking into consideration such factors as current short-term interest rates, Federal Reserve policy regarding interest rates, and U.S. economic activity. An investment in the Portfolio is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. The shares are measured at amortized cost.

**PORT OF PALM BEACH DISTRICT**  
**Notes to the Financial Statements**  
**September 30, 2025**

**NOTE 2 – DEPOSITS AND INVESTMENTS** (Continued)

**Investments** – (Continued)

*Interest rate risk* – Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The Port does not have a formal investment policy that limits investment maturities as a means of managing exposure to fair value losses arising from increasing interest rates.

*Credit risk* – Credit risk is the risk that an issuer or other counter party to an investment will not fulfill its obligations. The Port's investment policies limit its investments to high quality investments to control credit risk.

*Concentrations of credit risk* – Concentration of credit risk is defined as the risk of loss attributed to the magnitude of an investment in a single user. The Port places no limit on the amount they may invest in any one issuer.

*Custodial credit risk* – For investments, custodial credit risk is the risk that, in the event of the failure of the counterparty to a transaction, the Port will not be able to recover the value of investment or collateral securities that are in the possession of an outside party. At September 30, 2025, the Port's investments consisted of open-end money market mutual funds which are not subject to custodial credit risk because they are not evidenced by securities that exist in physical or book entry form.

A reconciliation of deposits and investments as of September 30, 2025, is as follows:

|                                            |                      |
|--------------------------------------------|----------------------|

**PORT OF PALM BEACH DISTRICT**  
**Notes to the Financial Statements**  
**September 30, 2025**

**NOTE 5 – LONG-TERM LIABILITIES**

**Revenue Bonds**

The Port is authorized to issue Revenue Bonds for the purpose of constructing and financing modern Port facilities. As of September 30, 2025, the following Revenue Bonds were outstanding:

- \$9,576,835 Revenue Refunding Bonds, Series 2002

These bonds are payable from and secured by a first lien upon and a pledge of the gross revenues derived from the operation of the Port facilities on parity with the parity bonds and any pari passu additional bonds hereafter issued. Principal and interest paid for the year ended September 30, 2025, totaled \$4,350,000 and pledged gross revenues were \$23,908,557. As of September 30, 2025, principal and interest to maturity in September 2026 to be paid from pledged future revenues totaled \$4,350,000.

The pledge of the gross revenues derived from the operation of the Port facilities will not constitute a lien upon the Port facilities, or any part thereof, or any other property of the Port. The revenue bonds will not constitute an indebtedness of the Port, payable by general or special taxation, and the holders of the bonds shall not have the right to require or compel the exercise of the ad valorem taxing power of the Port, or the taxation of real estate of the Port for the payment of the principal of or interest on the bonds. Payment of the principal and interest on the bonds will be insured by a municipal or financial guaranty insurance policy issued by an insurer simultaneously with the issuance of the bonds.

The Revenue Bond indentures require that monthly deposits be made to restricted accounts for the payment of bond principal and interest, and that certain reserve accounts be maintained. The Bond indentures also require the Port to fix, establish, maintain and collect rates, fees, rents or other charges for the services and facilities of the Port which will be sufficient at all times to (a) pay the cost of maintaining, repairing and operating the Port property; (b) provide reserves for replacement of property and equipment; (c) provide for Business Development; and (d) pay debt service, sinking fund and reserve requirements, and additionally requires that rates be maintained and revised so that Net Revenues are at least 125% of the maximum annual debt service requirements for all the Port's Revenue Bonds. Notwithstanding the foregoing, Net Revenues, less all Supplemental Revenues, shall always be adequate to pay, in each year, at least 110% of the maximum annual debt service requirements for all the Port's Revenue Bonds. The Port's bond counsel is of the opinion that the 125% test would not apply if the Port had no Supplemental Revenues. Net revenues are gross revenues, after deduction only of operating expenses plus supplemental revenues. Supplemental Revenues are all revenues received by the Port pursuant to Section 320.20(3) Florida Statutes, as amended and supplemented and any other moneys received or accrued to the Port including but not limited to recurring grants (either federal or state) or State sharing revenues. For the fiscal year ended September 30, 2023, the Port had no supplemental revenues. As of September 30, 2025, the Port was in compliance with the bond covenants.

**PORT OF PALM BEACH DISTRICT**  
**Notes to the Financial Statements**  
**September 30, 2025**

**NOTE 5 – LONG-TERM LIABILITIES** (Continued)

**Revenue Refunding and Improvement Bonds, Series 2002**

On December 18, 2002, the Port issued \$9,576,835 of Revenue Refunding and Improvement Bonds, Series 2002. The issue includes \$4,535,000 of current interest bonds, with interest rates of 3.00% to 4.00%, and \$5,041,835 of capital appreciation bonds, with approximate yield to maturity of 5.40% to 5.51%. Interest on the current interest bonds is paid semiannually on March 1 and September 1. Interest on the capital appreciation bonds bear interest only at maturity, which maturity amount includes both the original principal amount and interest compounded semi-annually on each March 1 and September 1, commencing March 1, 2003 maturing September 1, 2022 through September 1, 2026. Principal payments on the current interest are due each September 1 through 2012 and the capital appreciation bonds each September 1 beginning 2022 through 2026. The proceeds were used to refund the outstanding Port Revenue Refunding Bonds, Series 1992 on a current refunding basis, pay and defease a portion of the Revenue Improvement Bonds, Series 1996A on an advance refunding basis, to finance all or a portion of the costs of additions, extensions, improvements to the Port Facilities of the Port designated as the 2002 project, and to pay the costs of issuing the 2002 Bonds, including the cost of obtaining a bond insurance policy. The 2002 bonds are not subject to redemption prior to their stated maturity dates. The remaining current interest bonds and all the capital appreciation bonds are tax exempt. The tax-exempt bonds are not subject to alternative minimum tax.

Debt service requirements to maturity are as follows at September 30, 2025:

| <b><u>Year Ending<br/>September 30</u></b> | <b><u>Principal</u></b> | <b><u>Interest</u></b> | <b><u>Total Debt Services</u></b> |
|--------------------------------------------|-------------------------|------------------------|-----------------------------------|
| 2026                                       | \$ 1,199,382            | \$ 3,150,618           | \$ 4,350,000                      |
|                                            | <u>\$ 1,199,382</u>     | <u>\$ 3,150,618</u>    | <u>\$ 4,350,000</u>               |

**Bond Insurers**

The Revenue Refunding and Improvement Bonds, Series 2002 issued by the Port in prior years are insured by Syncora Guarantee, Inc., (formerly XL Capital Assurance). Fitch Ratings, Moody's Investors Service, and Standard & Poor's Rating Service have all withdrawn ratings on Syncora Guarantee, Inc.

**PORT OF PALM BEACH DISTRICT**  
**Notes to the Financial Statements**  
**September 30, 2025**

**NOTE 5 – LONG-TERM LIABILITIES** (Continued)

**Events of Default**

In the event of a default in the payment of the principal of or interest on the Revenue Bonds, the bondholders shall be entitled to the appointment of a receiver of the port facilities by any court of competent jurisdiction.

The receiver is authorized and empowered to take over, operate and manage and control such port facilities and to collect the revenues derived from the use of such port facilities to the same extent and in all the same manner as the District is authorized to do. The receiver shall operate and manage and control such port facilities only under the supervision and direction of the appropriate circuit court of the State of Florida, and such operation, management and control shall be in the name of the district and such port facilities shall be deemed to be in the district's control and management through such court and its duly appointed receiver for the joint protection of the district and the bondholders.

**Interest Expense**

Total interest costs incurred during the year ended September 30, 2025, was \$416,725. Total interest paid during the year was \$3,080,844.

**Changes in Long-Term Liabilities**

Long-term liability activity for the year ended September 30, 2025, is as follows:

**PORT OF PALM BEACH DISTRICT**  
**Notes to the Financial Statements**  
**September 30, 2025**

**NOTE 6 – COMMITMENTS**

**Contractual Commitments**

As of September 30, 2025, the Port had contractual commitments for the following major projects:

| <u>Project</u>                          | <u>Contract Balance</u> |
|-----------------------------------------|-------------------------|
| Port Infrastructure Development Project | \$ 2,514,809            |
| Mullins Property Drainage & Paving      | 69,418                  |
| MOC/CT Elevatore Modernization          | 207,517                 |
| Ciller Plant - MOC/CT HVAC Phase 2      | 2,056,718               |
| Total                                   | <u>\$ 4,848,462</u>     |

**Collective Bargaining Agreement**

The Port's workforce is made up of approximately 56 staff and 5 Commissioners. The majority of the Port's non-management maintenance, railroad and security employees are union employees, which represents approximately 50% of the total. The Port renewed its collective bargaining agreement with the National Association of Government Employees, effective as of October 1, 2022, for a three-year period ending September 30, 2025. The agreement is automatically renewed for an additional year unless either party gives notice of termination. The agreement defines both employee and management rights, including holidays, leaves of absence, work assignments, schedule, performance evaluation, wages, overtime, pension and health insurance benefits. The union is prohibited by law from going on strike and has also agreed not to strike, but to settle any questions or disputes through collective bargaining, grievance and arbitration procedures, or the Public Employees Relations Commissions or other appropriate governmental agency and the courts in the event of alleged unfair labor practices or other improper conduct.

**Security Services Agreement**

On April 19, 2017, the Port entered into an agreement with a security company to provide professional security services for all areas of the Port twenty-four hours a day seven days a week. Such services include without limitation the control of access to the Port, coordinated with Port security, police and fire personnel for the benefit of the Port and such other security services and activities as are generally provided for similar areas and as may be agreed between the parties and contained in a procedural manual written by the security company and approved by the Port. The term of this contract is for three (3) years and is renewable for up to three (3) additional one-year terms based on mutual agreements of both parties. However, the Port cancelled this contract and went out to bid and awarded a new security company with an agreement on January 17, 2022, with similar terms, as previously mentioned. The security company bills the Port weekly at the contract hourly rates for services provided. For the fiscal year ended September 30, 2025, the Port incurred costs of \$660,750 pursuant to the agreements.

**PORT OF PALM BEACH DISTRICT**  
**Notes to the Financial Statements**  
**September 30, 2025**

**NOTE 6 – COMMITMENTS** (Continued)

**Grant Programs**

The Port participates in federal and state assisted grant programs that are subject to review and audit by the grantor agencies. Entitlement to these resources is conditional upon compliance with terms and conditions of the grant agreement and applicable federal and state regulations. Any disallowance resulting from a regulatory audit may become a liability to the Port. Assessments from such audits, if any, are recorded when the amounts of such assessments become reasonably determinable.

**Commitments Under Leases**

**The Port as Lessee**

The Port has recorded the right-to-use lease assets as a result of implementing GASB Statement No. 87. The right-to-use lease assets are initially measured at an amount equal to the initial measurement of the related lease liability plus any lease payment made. The right-to-use lease assets are amortized on a straight-line basis over the shorter of the life of the asset or of the related lease.

Future payment requirements related to the Port's lease liability under lease agreement at September 30, 2025, are as follows:

| <b>Year Ending<br/>September 30</b> | <b>Principal<br/>Payments</b> | <b>Interest</b> | <b>Total</b>     |
|-------------------------------------|-------------------------------|-----------------|------------------|
| 2026                                | \$ 11,211                     | \$ 1,790        | \$ 13,001        |
| 2027                                | 8,635                         | 1,440           | 10,075           |
| 2028                                | 4,289                         | 771             | 5,060            |
| 2029                                | 394                           | 53              | 447              |
| <b>Total</b>                        | <b>\$ 24,529</b>              | <b>\$ 4,054</b> | <b>\$ 28,583</b> |

**The Port as Lessor**

The Port is a lessor for various leases including vacant land, buildings, terminals, offices and commercial space for periods up to approximately 30 years. Generally, the leases are long-term leases that provide for minimum annual rentals and/or wharfage guarantees. (See also Note 10). Most leases contain a provision for periodic rental increases based on the Consumer Price Index. During the year ended September 30, 2025, the Port recognized \$6,319,620 of lease revenue. At September 30, 2025, the Port recorded a lease receivable of \$77,873,770 and a deferred inflow of resources of \$78,002,016 related to the leases.

**NOTE 7 – DEFERRED COMPENSATION PLAN**

Employees of the Port may participate in a deferred compensation plan adopted under the provisions of Internal Revenue Code Section 457 -Deferred Compensation Plans with Respect to Service for State and Local Governments. The deferred compensation plan is available to all employees of the Port. Under the plan, employees may elect to defer a portion of their salaries and avoid paying taxes on the deferred portion until the withdrawal date. The deferred compensation amount is not available for withdrawal by employees until termination, retirement, death, or unforeseeable emergency. A third party administers the deferred compensation plan.

In 1999, the Port Adopted GASB-32, *Accounting and Financial Reporting for Internal Revenue Code Section 457 Deferred Compensation Plans*. The Port modified its Deferred Compensation Plan to conform with the changes in the Internal Revenue Code brought about by the Small Business Job Protection Act of 1996 (the “Act”). The Act requires that eligible deferred compensation plans established and maintained by governmental employers be amended to provide that all assets of the plan be held in trust, or under one or more appropriate annuity contracts or custodial accounts, for the exclusive benefit of plan participants and their beneficiaries. As a result of this change, these plan assets are no longer property of the Port and will no longer be subject to the claims of the Port’s general creditors. Because the Port has little administrative involvement and does not perform the investing function for funds in the Plan, the Port’s activities do not meet the criteria for inclusion in the fiduciary funds of a government.

**PORT OF PALM BEACH DISTRICT**  
**Notes to the Financial Statements**  
**September 30, 2025**

**NOTE 8 – FLORIDA RETIREMENT SYSTEM**

**General Information**

All full-time employees participate in the Florida Retirement System (FRS). The FRS was created in Chapter 121, Florida Statutes, to provide a defined benefit pension plan for participating public employees. The FRS was amended in 1998 to add the Deferred Retirement Option Program (DROP) under the defined benefit plan and amended in 2000 to provide a defined contribution plan alternative to the defined benefit plan for FRS members effective July 1, 2002. This integrated defined contribution pension plan is the Florida Retirement System Investment Plan. Chapter 112, Florida Statutes, established the Retiree Health Insurance Subsidy (HIS) Program, a cost sharing multiple-employer defined benefit pension plan, to assist retired members of any state administered retirement system in paying the costs of health insurance.

Provisions relating to the FRS are established by Chapters 121 and 122, Florida Statutes; Chapter 112, Part IV, Florida Statutes; Chapter 238, Florida Statutes; and FRS Rules, Chapter 60S, Florida Administrative Code; wherein eligibility, contributions, and benefits are defined and described in detail. Such provisions may be amended at any time by further action from the Florida Legislature. The FRS is single retirement system administered by the Florida Department of Management Services, Division of Retirement, and consists of the two cost-sharing, multiple-employer defined benefit plans and other nonintegrated programs.

The State of Florida annually issues a publicly available financial report that includes financial statements and required supplementary information for the FRS. The latest available report may be obtained by writing to the State of Florida Division of Retirement, Department of Management Services, P.O. Box 9000, Tallahassee, Florida 32315-9000 or calling 877-377-1737. The report is also available at the Florida Department of Management Services' web site [dms.myflorida.com](https://dms.myflorida.com).

**Significant Accounting Policies**

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Florida Retirement System Pension Plan (FRSP) and the Florida Retirement System Health Insurance Subsidy Program and additions to/deduction from the FRSP and HIS fiduciary net position have been determined on the same basis as they are reported by FRSP and HIS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

**PORT OF PALM BEACH DISTRICT**  
**Notes to the Financial Statements**  
**September 30, 2025**

**NOTE 8 – FLORIDA RETIREMENT SYSTEM** (Continued)

**Plan Description**

The FRS Pension Plan is a cost-sharing multiple-employer defined benefit pension plan, with a Deferred Retirement Option Program (DROP) for eligible employees. The general classes of membership are as follows:

- Regular Class
- Special Risk Class
- Elected Officials Class
- Senior Management Service Class

Employees enrolled in the Plan prior to July 1, 2011, vest at six years of creditable service and employees enrolled in the Plan on or after July 1, 2011, vest at eight years of creditable service. All vested members enrolled prior to July 1, 2011 are eligible for normal retirement benefits at age 62 or at any age after 30 years of service. All vested members, enrolled in the Plan on or after July 1, 2011, are eligible for normal retirement at age 65 or any age after 33 years of service.

Section 121.091, Florida Statutes, permits employees eligible for normal retirement under the Plan to defer receipt of monthly benefit payments while continuing employment with an FRS employer. An employee may participate in DROP for a period not to exceed 60 months after electing to participate, except that certain instructional personnel may participate for up to 96 months. During the period of DROP participation, deferred monthly benefits are held in the FRS Trust Fund and accrue interest. The net pension liability does not include amounts for DROP participants, as these members are considered retired and are not accruing additional pension benefits.

**Benefits Provided**

Benefits under the Plan are computed on the basis of age and/or years of service, average final compensation, and service credit. Credit for each year of service is expressed as a percentage of the average final compensation. For members initially enrolled before July 1, 2011, the average final compensation is the average of the five highest fiscal years' earnings; for members initially enrolled on or after July 1, 2011, the average final compensation is the average of the eight highest fiscal years' earnings.

The total percentage value of the benefit received is determined by calculating the total value of all service, which is based on the retirement class to which the member belonged when the service credit was earned. Members are eligible for in-line-of-duty or regular disability and survivors' benefits.

**PORT OF PALM BEACH DISTRICT**  
**Notes to the Financial Statements**  
**September 30, 2025**

**NOTE 8 – FLORIDA RETIREMENT SYSTEM** (Continued)

The following table shows the percentage value for each year of service credit earned:

|                                                                   |       |
|-------------------------------------------------------------------|-------|
| Regular Class members initially enrolled before July 1, 2011      |       |
| Retirement up to age 62 or up to 30 years of service              | 1.60% |
| Retirement up to age 63 or with 31 years of service               | 1.63% |
| Retirement at age 64 or with 32 years of service                  | 1.65% |
| Retirement at age 65 or with 33 or more years of service          | 1.68% |
| Regular Class members initially enrolled on or after July 1, 2011 |       |
| Retirement up to age 65 or up to 33 years of service              | 1.60% |
| Retirement up to age 66 or with 34 years of service               | 1.63% |
| Retirement at age 67 or with 35 years of service                  | 1.65% |
| Retirement at age 68 or with 36 or more years of service          | 1.68% |
| Special Risk Class                                                |       |
| Service from December 1, 1970 through September 30, 1974          | 2%    |
| Service on or after October 1, 1974                               | 3%    |
| Elected Officials Class                                           | 3%    |
| Senior Management Service Class                                   | 2%    |

As provided in Section 121.101, Florida Statutes, if the member is initially enrolled in the FRS before July 1, 2011, and all service credit was accrued before July 1, 2011, the annual cost-of-living adjustment is 3 percent per year. If the member is initially enrolled before July 1, 2011, and has service credit on or after July 1, 2011, there is an individually calculated cost-of-living adjustment. The annual cost-of-living adjustment is a proportion of 3 percent determined by dividing the sum of the pre-July 2011 service credit by the total service credit at retirement multiplied by 3 percent. Plan members initially enrolled on or after July 1, 2011 will not have a cost-of-living adjustment after retirement.

***PENSION PLAN*** (Continued)

**Contributions**

Effective July 1, 2011, all enrolled members of the FRS, other than DROP participants, are required to contribute three percent of their salary to the FRS. In addition to member contributions, governmental employers are required to make contributions to the FRS based on state-wide contribution rates established by the Florida Legislature. These rates are updated as of July 1 of each year. The employer contribution rates by job class for the fiscal year ended September 30, 2025, were as follows:

| <b><u>Class</u></b>   | <b>Percent of Gross Salary<br/>October 1, 2024 to June 30,<br/>2025</b> |                        | <b>Percent of Gross Salary<br/>July 1, 2025 to September 30,<br/>2025</b> |                        |
|-----------------------|-------------------------------------------------------------------------|------------------------|---------------------------------------------------------------------------|------------------------|
|                       | <b><u>Employee</u></b>                                                  | <b><u>Employer</u></b> | <b><u>Employee</u></b>                                                    | <b><u>Employer</u></b> |
| HA, Regular           | 3.00                                                                    | 13.63                  | 3.00                                                                      | 14.03                  |

| HI, Elected Officials | 3.00                                                                    | 58.68                  | 3.00                                                                      | 54.57                  |
| DP, DROP              | -                                                                       | 21.13                  | -                                                                         | 22.02                  |

The employer contribution rates include a 2% HIS Plan subsidy. Except for the DROP, the rates also include 0.06% for administrative costs of the Public Employee Optional Retirement Program.

For the fiscal year ended September 30, 2025, the Port made contributions of \$601,709 to the Pension Plan and the Port's employees made contributions of \$108,921 for total contributions of \$710,630.

**Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions**

At September 30, 2025, the Port reported a liability of \$2,857,915 for its proportionate share of the Pension Plan's net pension liability. The net pension liability was measured as of June 30, 2025, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2025. The Port's proportionate share of the net pension liability was based on the Port's 2024-2025 fiscal year contributions relative to the 2024-2025 fiscal year contributions of all participating members. At June 30, 2025, the Port's proportionate share was 0.009208644 percent, which was a decrease of 0.000139926 percentage points from its proportionate share measured as of June 30, 2025.

**PORT OF PALM BEACH DISTRICT**  
**Notes to the Financial Statements**  
**September 30, 2025**

**NOTE 8 – FLORIDA RETIREMENT SYSTEM** (Continued)

**Actuarial Assumptions**

The total pension liability as of June 30, 2025 was determined using the following actuarial assumptions:

|                           |                                                                   |
|---------------------------|-------------------------------------------------------------------|
| Valuation date            | July 1, 2025                                                      |
| Measurement date          | June 30, 2025                                                     |
| Actuarial cost method     | Individual Entry Age                                              |
| Inflation                 | 2.4%                                                              |
| Salary increases          | 3.5%, average, including inflation                                |
| Investment rate of return | 6.7%, net of pension plan investment expense, including inflation |
| Mortality                 | Generational PUB-2010 with Projection Scale MP2021.               |

The actuarial assumptions that determined the total pension liability as of June 30, 2025, were based on the results of an actuarial experience study for the period July 1, 2018 through June 30, 2023.

The long-term expected rate of return of 6.7% was unchanged from 2023. This rate consists of two building block components: 1) a real return of 4.2%, consistent with the capital market outlook model developed by the outside investment consultant to the Florida State Board of Administration; and 2) a long-term average annual inflation assumption of 2.4% as adopted by the FRS Actuarial Assumption Conference. In the opinion of the FRS consulting actuary, Milliman, both components and the overall return assumption were determined to be reasonable and appropriate per Actuarial Standards of Practice.

For reference, the table below contains a summary of Milliman's assumptions for each of the asset classes in which the plan was invested at that time based on the long-term target asset allocation. Each asset class assumption is based on a consistent set of underlying real return assumptions from Milliman's model combined with the FRS Actuarial Assumption Conference's 2.4% inflation assumption. These assumptions are not based on historical returns but instead are based on a forward-looking capital market economic model.

| Assumed inflation - mean |                                      |                              | 2.4%                                                  |

(1) As outlined in the Plan's investment policy

**Discount Rate**

The discount rate used to measure the total pension liability was 6.7%, unchanged from the prior measurement date. The Pension Plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the discount rate for calculation of the total pension liability is equal to the long-term expected rate of return.

**Sensitivity of the Port's Proportionate Share of the Net Position Liability to Changes in the Discount Rate**

The following represents the Port's proportionate share of the net pension liability calculated using the discount rate of 6.7%, as well as what the Port's proportionate share of the net pension liability would be if it were calculated using a discount rate that is one percentage point lower (5.7%) or one percentage point higher (7.7%) than the current rate:

|                                                     | <b>1%<br/>Decrease<br/>(5.7%)</b> | <b>Current<br/>Discount Rate<br/>(6.7%)</b> | <b>1%<br/>Increase<br/>(7.7%)</b> |
|-----------------------------------------------------|-----------------------------------|---------------------------------------------|-----------------------------------|
| Port's proportionate share of net pension liability | \$5,608,614                       | \$2,857,915                                 | \$551,769                         |

**PORT OF PALM BEACH DISTRICT**

**September 30, 2025**

**NOTE 8 – FLORIDA RETIREMENT SYSTEM** (Continued)

**Pension Plan Fiduciary Net Position**

Detailed information regarding the Pension Plan's fiduciary net position is available in the separately issued FRS Pension Plan and Other State-Administered Systems Annual Comprehensive Financial Report.

**Payables to the Pension Plan**

At September 30, 2025, the Port reported a payable in the amount of \$47,729 for outstanding contributions to the Pension Plan required for the fiscal year ended September 30, 2025.

**RETIREE HEALTH INSURANCE SUBSIDY PROGRAM**

**Plan Description**

The HIS Plan is a cost-sharing multiple-employer defined benefit pension plan established under Section 112.363, Florida Statutes, and may be amended by the Florida legislature at any time. The benefit is a monthly payment to assist retirees of State-administered retirement systems in paying their health insurance costs and is administered by the Florida Department of Management Services, Division of Retirement.

**Benefits Provided**

For the fiscal year ended September 30, 2025, eligible retirees and beneficiaries received a monthly HIS payment of \$7.50 for each year of creditable service completed at the time of retirement, with a minimum HIS payment of \$45 and a maximum HIS payment of \$225 per month. To be eligible to receive these benefits, a retiree under a State-administered retirement system must provide proof of health insurance coverage, which may include Medicare.

**Contributions**

The HIS Plan is funded by required contributions from FRS participating employers as set by the Florida Legislature. Employer contributions are a percentage of gross compensation for all active FRS members. For the fiscal year ended September 30, 2025, the HIS contribution rate was 2%. The Port contributed 100% of its statutorily required contributions for the current and preceding three years. HIS Plan contributions are deposited in a separate trust fund from which payments are authorized. HIS Plan benefits are not guaranteed and are subject to annual legislative appropriation. In the event legislative appropriation or available funds fail to provide full subsidy benefits to all participants, benefits may be reduced or cancelled.

The Port's contributions to the HIS Plan totaled \$108,921 for the fiscal year ended September 30, 2025.

**Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions**

At September 30, 2025, the Port reported a liability of \$1,379,232 for its proportionate share of the HIS Plan's net pension liability. The net pension liability was measured as of June 30, 2025, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2025. The Port's proportionate share of the net pension liability was based on the Port's 2024-2025 fiscal year contributions relative to the 2024-2025 fiscal year contributions of all participating members. As of June 30, 2025, the Port's proportionate share was 0.01076058 percent, which was an decrease of 0.00005220 percentage points from its proportionate share measured as of June 30, 2023.

For the fiscal year ended September 30, 2025, the Port recognized pension expense of \$40,016. In addition, the Port reported deferred outflows of resources and deferred in flows of resources and deferred in flows of resources related to pension from the following sources:

| <u>Description</u>                                                                                                | <u>Deferred<br/>Outflows<br/>of Resources</u> | <u>Deferred<br/>Inflows<br/>of Resources</u> |

***RETIREE HEALTH INSURANCE SUBSIDY PROGRAM*** (Continued)

**Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions** (Continued)

The deferred outflows of resources related to the HIS Plan, totaling \$25,791 resulting from Port contributions to the HIS Plan subsequent to the measurement date, will be recognized as a reduction of the net pension liability in the fiscal year ended September 30, 2025. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to the HIS are as follows:

| <u>Year Ending September 30,</u> | <u>Amount</u>       |
|----------------------------------|---------------------|
| 2026                             | \$ (62,261)         |
| 2027                             | (74,542)            |
| 2028                             | (62,759)            |
| 2029                             | (50,295)            |
| 2030                             | (32,378)            |
| Thereafter                       | <u>-</u>            |
| Total                            | <u>\$ (282,235)</u> |

**Actuarial Assumptions**

The total pension liability as of June 30, 2025 was determined using the following actuarial assumptions:

|                           |                                                     |
|---------------------------|-----------------------------------------------------|
| Valuation date            | July 1, 2024                                        |
| Measurement date          | June 30, 2025                                       |
| Inflation                 | 2.40%                                               |
| Salary increases          | 3.50%, average, including inflation                 |
| Municipal bond rate       | 5.20%                                               |
| Investment rate of return | N/A                                                 |
| Mortality                 | Generational PUB-2010 with Projection Scale MP-2021 |
| Actuarial cost method     | Individual Entry Age                                |

The actuarial assumptions used in the July 1, 2025, valuation were based on the results of an actuarial experience study for the period July 1, 2018 through June 30, 2023.

**September 30, 2025**

**NOTE 8 – FLORIDA RETIREMENT SYSTEM** (Continued)

***RETIREE HEALTH INSURANCE SUBSIDY PROGRAM*** (Continued)

**Discount Rate**

The discount rate used to measure the total pension liability as of June 30, 2025 was 5.20%, which increased from the discount rate of 3.93% as of June 30, 2024. In general, the discount rate for calculating the total pension liability is equal to the single rate equivalent to discounting at the long-term expected rate of return for benefit payments prior to the projected depletion date. Because the HIS benefit is essentially funded on a pay-as-you-go basis, the depletion date is considered to be immediate, and the single equivalent discount rate is equal to the municipal bond rate selected by the HIS Plan sponsor. The Bond Buyer General Obligation 20-Bond Municipal Bond Index was adopted as the applicable municipal bond index.

**Sensitivity of the Port's Proportionate Share of the Net Position Liability to Changes in the Discount Rate**

The following represents the Port's proportionate share of the net pension liability calculated using the discount rate of 5.20%, as well as what the Port's proportionate share of the net pension liability would be if it were calculated using a discount rate that is one percentage point lower (4.20%) or one percentage point higher (6.20%) than the current rate:

|                                                     | <b>1% Decrease<br/>(4.20%)</b> | <b>Current<br/>Discount Rate<br/>(5.20%)</b> | <b>1% Increase<br/>(6.20%)</b> |
|-----------------------------------------------------|--------------------------------|----------------------------------------------|--------------------------------|
| Port's proportionate share of net pension liability | \$1,555,307                    | \$1,379,232                                  | \$1,231,562                    |

**Pension Plan Fiduciary Net Position**

Detailed information regarding the HIS Plan's fiduciary net position is available in the separately issued FRS Pension Plan and Other State-Administered Systems Comprehensive Annual Financial Report.

**Payables to the Pension Plan**

At September 30, 2025, the Port reported a payable in the amount of \$7,420 for outstanding contributions to the HIS Plan required for the fiscal year ended September 30, 2025.

**NOTE 8 – FLORIDA RETIREMENT SYSTEM** (Continued)

***INVESTMENT PLAN***

**Plan Description**

The Florida Retirement System Investment Plan is a defined contribution retirement plan qualified under Section 401(a) of the Internal Revenue Code. The Florida Legislature enacted the Plan during the 2000 legislative session, and amendments to the Plan can only be made by an act of the Florida Legislature. The Plan is administered by the State Board of Administration of Florida. The Investment Plan is reported in the SBA's annual financial statements and in the State of Florida Comprehensive Annual Financial Report.

As provided in Section 121.4501, Florida Statutes, eligible FRS members may elect to participate in the Investment Plan in lieu of the FRS defined benefit plan. Port employees participating in DROP are not eligible to participate in the Investment Plan. Employer and employee contributions, including amounts contributed to individual member's accounts, are defined by law, but the ultimate benefit depends in part on the performance of investment funds. Benefit terms, including contribution requirements, are established and may be amended by the Florida Legislature.

**Funding Policy**

The Investment Plan is funded with the same employer and employee contribution rates as the defined benefit Pension Plan. Contributions are directed to individual member accounts, and the individual members allocate contributions and account balances among various approved investment choices. Costs of administering the Investment Plan, including the FRS Financial Guidance Program, are funded through an employer contribution of 0.06 percent of payroll and by forfeited benefits of plan members.

Participating employers are required to make contributions based upon statewide contributions rates. The contribution rates by job class for the Port's employees for the fiscal year ended September 30, 2025, are as follows:

| <b><u>Class</u></b>   | <b>Percent of Gross Salary<br/>October 1, 2024 to June 30,<br/>2025</b> |                        | <b>Percent of Gross Salary<br/>July 1, 2025 to September 30,<br/>2025</b> |                        |
|-----------------------|-------------------------------------------------------------------------|------------------------|---------------------------------------------------------------------------|------------------------|
|                       | <b><u>Employee</u></b>                                                  | <b><u>Employer</u></b> | <b><u>Employee</u></b>                                                    | <b><u>Employer</u></b> |
| HA, Regular           | 3.00                                                                    | 13.63                  | 3.00                                                                      | 14.03                  |
| HM, Senior Management | 3.00                                                                    | 34.52                  | 3.00                                                                      | 33.24                  |

**PORT OF PALM BEACH DISTRICT**  
**Notes to the Financial Statements**  
**September 30, 2025**

**NOTE 8 – FLORIDA RETIREMENT SYSTEM** (Continued)

***INVESTMENT PLAN*** (Continued)

**Funding Policy** – (Continued)

For all membership classes, employees are immediately vested in their own contributions and are vested after one year of service for employer contributions and investment earnings. If an accumulated benefit obligation for service credit originally earned under the Pension Plan is transferred to the Investment Plan, the member must have the years of service required for Pension Plan vesting (including the service credit represented by the transferred funds) to be vested for these funds and the earnings on the funds. Nonvested employer contributions are placed in a suspense account for up to five years. If the employee returns to FRS-covered employment within the five-year period, the employee will regain control over their account. If the employee does not return within the five-year period, the employee will forfeit the accumulated account balance. For the fiscal year ended September 30, 2025, information on the amount of forfeitures was unavailable from the SBA; however, management believes that these amounts, if any, would be immaterial to the Port.

After termination and applying to receive benefits, the member may rollover vested funds to another qualified plan, structure a periodic payment under the Investment Plan, receive a lump sum distribution, leave the funds invested for future distribution, or any combination of these options. Disability coverage is provided; the member may either transfer the account balance to the Pension Plan when approved for disability retirement to receive guaranteed lifetime monthly benefits under the Pension Plan or remain in the Investment Plan and rely upon that account balance for retirement income.

The Port's Investment Plan pension expense totaled \$157,438 for the fiscal year ended September 30, 2025, and as of the fiscal year end the Port reported a payable in the amount of \$13,934 for outstanding contributions to the Investment Plan.

***SUMMARY DATA***

The following table provides a summary of significant information related to the Florida Retirement System defined benefit plans for the year ended September 30, 2025.

|                                                       | <b>Pension<br/>Plan</b> | <b>HIS<br/>Plan</b> | <b>Total</b>  |
|-------------------------------------------------------|-------------------------|---------------------|---------------|
| Proportionate share of total pension liability        | \$ 22,434,143           | \$ 1,472,877        | \$ 23,907,020 |
| Proportionate share of plan fiduciary net position    | 19,576,227              | 93,645              | 19,669,872    |
| Proportionate share of net pension liability          | 2,857,915               | 1,379,232           | 4,237,147     |
| Proportionate share of deferred outflows of resources | 953,030                 | 106,812             | 1,059,842     |
| Proportionate share of deferred inflows of resources  | 723,684                 | 363,256             | 1,086,940     |
| Pension expense                                       | 340,523                 | 40,016              | 380,539       |

**PORT OF PALM BEACH DISTRICT**  
**Notes to the Financial Statements**  
**September 30, 2025**

**NOTE 9 – OTHER POSTEMPLOYMENT BENEFITS (OPEB)**

**General information about the OPEB Plan**

Retirees of the Port pay an amount equal to the actual premium for health insurance charged by the carrier. The premium charged includes an implied subsidy, as the amount charged for all participants (active employee or retiree) is the same, regardless of age. Under GASB 75, an implied subsidy is considered other post-employment benefits (OPEB).

**Plan Description**

The Port provides a single employer defined benefit health care plan to all of its employees. The plan allows its employees and their eligible beneficiaries, at their own cost, to continue to obtain health, dental and other insurance benefits upon retirement. The benefits of the plan are in accordance with Florida Statutes, which are the legal authority for the plan. The Board can only amend benefit provisions. The Board approves the port's annual budget and, therefore, indirectly approves the annual costs associated with the Healthcare Plan. The Port has not established a trust fund for the Healthcare Plan and there are no assets accumulated in a trust. The Port does not issue standalone financial statements for the Healthcare Plan. All financial information related to the Healthcare Plan is accounted for in the Port's basic financial statements.

**Contributions**

The Port does not directly make contributions to the plan on behalf of retirees. Retirees and their beneficiaries pay the same group rates as are charged to the Port for active employees by its healthcare provider. However, the Port's actuaries, in their actuarial valuation, calculate an offset to the cost of these benefits as an Employer Contribution, based upon an implicit rate subsidy. This offset equals the total age-adjusted costs paid by the Port or its active employees for coverage of the retirees and their dependents for the year net of the retiree's own payments for the year.

**Plan Membership**

The following table provides a summary of the participants in the plan as of September 30, 2025:

|                                                                     |           |
|---------------------------------------------------------------------|-----------|
| Active plan members                                                 | 57        |
| Inactive plan members or beneficiaries currently receiving benefits | <u>9</u>  |
| Total members                                                       | <u>66</u> |

**Discount Rate**

The Port does not have a dedicated trust to pay retiree healthcare benefits. For plans that do not have assets held in a dedicated trust, the discount rate should equal the tax-exempt municipal bond rate based on an index of 20-year general obligation bonds with an average rating equivalent of a Moody's Aa2 and a Standard & Poor's AA as of the measurement date. As of the measurement date of September 30, 2025, the municipal bond rate was 4.50% based on the daily rate of Municipal Market 20-Year Municipal General Obligation Index closest to but not later than the measurement date. The discount rate as of the beginning of the measurement year was 3.82%.

**PORT OF PALM BEACH DISTRICT**  
**Notes to the Financial Statements**  
**September 30, 2025**

**NOTE 9 – OTHER POSTEMPLOYMENT BENEFITS (OPEB)** (Continued)

**OPEB Liability, OPEB Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB**

As of September 30, 2025, the Port reported a total OPEB liability of \$215,281. For the fiscal year ended September 30, 2025, the Port recognized OPEB expense of \$112,607. As of September 30, 2025, the Port did not report any deferred outflows of resources or deferred in flows of resources related to OPEB.

**Actuarial Methods and Assumptions**

The total OPEB liability was calculated using the Alternative Measurement Method in accordance with the GASB Statement No. 75 methodology.

Significant methods and assumptions were as follows:

|                             |                                                                                                                                                                 |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Valuation date              | September 30, 2025                                                                                                                                              |

**NOTE 9 – OTHER POSTEMPLOYMENT BENEFITS (OPEB)** (Continued)

**Sensitivity of the Total OPEB Liability to Changes in the Discount Rate**

The following table presents the total OPEB liability of the Port calculated using the single discount rate of 4.5% as well as what the Port's total OPEB liability would be if it were calculated using a discount rate one percentage point lower or one percentage point higher than the current rate.

|                      | <b>1%<br/>Decrease<br/>(3.5%)</b> | <b>Current<br/>Discount Rate<br/>(4.5%)</b> | <b>1%<br/>Increase<br/>(5.5 %)</b> |
|----------------------|-----------------------------------|---------------------------------------------|------------------------------------|
| Total OPEB liability | \$235,106                         | \$215,281                                   | \$198,034                          |

**Sensitivity of the Total OPEB Liability to Changes in the Healthcare Trend Rates**

The following table presents the total OPEB liability of the Port calculated using the assumed trend rates as well as what the Port's total OPEB liability would be if it were calculated using trend rates that are one percentage point lower or one percentage point higher than the assumed trend rates.

|                      | <b>1%<br/>Decrease</b> | <b>Current<br/>Healthcare<br/>Trend Rate<br/>Assumption</b> | <b>1%<br/>Increase</b> |
|----------------------|------------------------|-------------------------------------------------------------|------------------------|
| Total OPEB liability | \$195,867              | \$215,281                                                   | \$237,468              |

**NOTE 10 – MAJOR CUSTOMERS**

The Port had revenue from two major customers providing more than 10% each of the Port facilities revenue during the fiscal year ended September 30, 2025. The Port facilities total revenue from these customers were as follows:

| <b>Description</b>                          | <b>Total<br/>Revenue</b> |
|---------------------------------------------|--------------------------|
| Tropical Shipping USA, LLC / Birdsall, Inc. | \$ 7,734,919             |
| Paradise Cruise Line (Multi-Day Cruise)     | 6,127,282                |
| Total                                       | <u>\$ 13,862,201</u>     |

**NOTE 11 – RISK MANAGEMENT**

The Port is exposed to various risks and losses related to alleged torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Port manages and mitigates these risks through the purchase commercial insurance to cover the risk of loss for general liability, property and casualty, comprehensive crime and flood and fire. In the past three years, there have been no claims that have exceeded the Authority's insurance coverage.

**PORT OF PALM BEACH DISTRICT**  
**Notes to the Financial Statements**  
**September 30, 2025**

**NOTE 11 – RISK MANAGEMENT** (Continued)

Florida Statutes limit the Port's maximum loss for most liability claims to \$200,000 per person and \$300,000 per occurrence under the Doctrine of Sovereign Immunity. However, under certain circumstances, a plaintiff can seek to recover damages in excess of statutory limits by introducing a claims bill to the Florida Legislature. The limits addressed in Florida Statutes do not apply to claims filed in Federal courts.

**NOTE 12 – CAPITAL CONTRIBUTIONS**

For the year ended September 30, 2025, the Port recognized capital contributions of \$18,692,393, composed primarily of federal and state grants used for various capital projects.

GASB Statement No. 63 was implemented in fiscal year 2013 and identifies net position as the residual of all other elements presented in a statement of financial position. It further requires the "Capital asset, net of debt" now be titled "Net investment in capital assets" and the last line of the statements, previously called "Net assets" now be titled "Net position".

(1) Ending net position was restated due to prior period adjustments that were made to comply with GASB Statement No. 75 that was adopted in fiscal year 2018.

(2) Beginning net position was restated due to prior period errors that were made in accounting for the voluntary employee insurance deductions.

(1) Gross Revenues includes operating revenues and investment earnings.

(2) Operating Expenses do not include depreciation and amortization.

(3) Net revenues are gross revenues after deduction of operating expenses less supplemental revenues.

(4) Net revenues less all supplemental revenues shall always be adequate to pay, in each year, at least 110% of the annual debt service.

## COMPLIANCE SECTION

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED  
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE  
WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Commissioners  
Port of Palm Beach District  
Riviera Beach, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities of the Port of Palm Beach District, as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the Port of Palm Beach District's basic financial statements, and have issued our report thereon dated June 11, 2026.

**Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Port of Palm Beach District's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Port of Palm Beach District's internal control. Accordingly, we do not express an opinion on the effectiveness of the Port of Palm Beach District's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that were not identified.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED  
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE  
WITH *GOVERNMENT AUDITING STANDARDS* - Continued**

**Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Port of Palm Beach District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Port of Palm Beach District's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR  
FEDERAL PROGRAM AND MAJOR STATE PROJECT AND REPORT ON INTERNAL  
CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND  
CHAPTER 10.550, RULES OF THE AUDITOR GENERAL**

To the Board of Commissioners  
Port of Palm Beach District  
Riviera Beach, Florida

**Report on Compliance for Each Major Federal and State Project**

***Opinion on Each Major Federal Program and State Project***

We have audited the Port of Palm Beach District's compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* and in the State of Florida's Department of Financial Services *State Projects Compliance Supplement* that could have a direct and material effect on each of the Port of Palm Beach District's major federal programs and state projects for the year ended September 30, 2025. The Port of Palm Beach District's major federal programs and state projects are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

In our opinion, the Port of Palm Beach District, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended September 30, 2025.

***Basis for Opinion on Each Major Federal and State Project***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and the State of Florida Chapter 10.550, *Rules of the Auditor General*. Our responsibilities under those standards, the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*, are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Port of Palm Beach District and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program and state project. Our audit does not provide

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR  
FEDERAL PROGRAM AND STATE PROJECT AND REPORT ON INTERNAL CONTROL  
OVER COMPLIANCE REQUIRED BY CHAPTER 10.550, RULES OF THE AUDITOR  
GENERAL – Continued**

a legal determination of the Port of Palm Beach District's compliance with the compliance requirements referred to above.

***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Port of Palm Beach District's federal programs and state projects.

***Auditor's Responsibilities for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Port of Palm Beach District's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*, will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Port of Palm Beach District's compliance with the requirements of each major federal program and state project as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance and the Chapter 10.550, *Rules of the Auditor General*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Port of Palm Beach District's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Port of Palm Beach District's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*, but not for the purpose of expressing an opinion on the effectiveness of the Port of Palm Beach District's internal control over compliance. Accordingly, no such opinion is expressed.

**INDEPENDENT AUDITOR’S REPORT ON COMPLIANCE FOR EACH MAJOR  
FEDERAL PROGRAM AND STATE PROJECT AND REPORT ON INTERNAL CONTROL  
OVER COMPLIANCE REQUIRED BY CHAPTER 10.550, RULES OF THE AUDITOR  
GENERAL – Continued**

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

**Report on Internal Control over Compliance**

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program and state project on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program and state project will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program and state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor’s Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*. Accordingly, this report is not suitable for any other purpose.

**NOTE 1 - BASIS OF PRESENTATION**

The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance (the "Schedule") presents the expenditures activity of all federal awards and all state financial assistance projects activity of the Port of Palm Beach District for the year ended September 30, 2025. The information in the schedules is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and the requirements of the Florida Single Audit Act. Because the Schedule present only a selected portion of the expenditures of the Port, it is not intended to and does not present the financial position, changes in net position or cash flows of the Port. Some amounts presented in these schedules may differ from amounts presented in or used in the preparation of the basic financial statements. The Port's reporting entity is defined in Note 1 of the Port's basic financial statements. All federal awards and state financial assistance received directly from federal, state and indirectly through state agencies, as well as amounts passed through other government agencies are included in the accompanying schedule of expenditures of federal awards and state financial assistance.

**PORT OF PALM BEACH DISTRICT**  
**Schedule of Expenditures of Federal Awards and State Financial Assistance - Continued**  
**September 30, 2025**

**NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES**

Expenditures are recognized on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance and the Florida Department of Financial Services' State Projects Compliance Supplement, wherein certain types of expenditures are not allowed or are limited as to reimbursement. The Port did not have any loan programs and did not receive any Federal or State non – cash assistance for the fiscal year ended September 30, 2025.

**NOTE 3 - INDIRECT COST RATE**

The Port did not recover its indirect costs using the 15% de minimis indirect cost rate provided under Section 200.414 of the Uniform Guidance.

**NOTE 4 - CONTINGENCIES**

Grant monies received and disbursed by the Port are for specific purposes and are subject to review by the grantor agencies. Such audits may result in requests for reimbursement due to disallowed expenditures. Based upon prior experience, the Port does not believe that such disallowances, if any, would have a material effect on the financial position of the Port. As of June 11, 2026 management is not aware of any material questioned or disallowed costs as a result of grant audits in process or completed; however, the possible disallowance by a governmental agency of any item charged to a program or project cannot be determined at this time.

There were no findings and questioned costs noted during the prior year.

## **MANAGEMENT LETTER IN ACCORDANCE WITH THE RULES OF THE AUDITOR GENERAL OF THE STATE OF FLORIDA**

To the Board of Commissioners  
Port of Palm Beach District  
Riviera Beach, Florida

### **Report on the Financial Statements**

We have audited the financial statements of the Port of Palm Beach District, as of and for the fiscal year ended September 30, 2025, and have issued our report thereon dated June 11, 2026.

### **Auditor's Responsibility**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; the audit requirements of the title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements of Federal Awards* (Uniform Guidance); and Chapter 10.550, Rules of the Auditor General.

### **Other Reporting Requirements**

We have issued our Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*; Independent Auditor's Report on Compliance for Each Major Federal Program and State Project and Report on Internal Control over Compliance; Schedule of Findings and Questioned Costs; and Independent Accountant's Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports and schedule, which are dated June 11, 2026, should be considered in conjunction with this Management Letter.

### **Prior Audit Findings**

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding financial audit report. No findings and recommendations were made in the preceding financial audit report.

**MANAGEMENT LETTER IN ACCORDANCE WITH  
THE RULES OF THE AUDITOR GENERAL OF THE STATE OF FLORIDA – Continued**

**Official Title and Legal Authority**

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this Management Letter, unless disclosed in the notes to the financial statements. This information was disclosed in Note 1 to the financial statements. There are no component units included in the Port of Palm Beach District's financial statements.

**Financial Condition and Management**

Sections 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the Port of Palm Beach District met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, we determined that the Port of Palm Beach District did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures for the Port of Palm Beach District. It is management's responsibility to monitor the Port of Palm Beach District's financial condition, and our financial condition assessment was based in part on representations made by management and review of financial information provided by same. Our assessment was done as of the fiscal year end. The results of our procedures did not disclose any matters that are required to be reported.

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

**Property Assessed Clean Energy (PACE) Programs**

As required by Section 10.554(1)(i)6.a., Rules of the Auditor General, the Port of Palm Beach District's management represented that the PACE program authorized pursuant to Section 163.081 or Section 163.082, Florida Statutes, did not operate within the Port of Palm Beach District's geographical boundaries during the fiscal year under audit.

**Special District Component Units**

Section 10.554(1)(i)5.c, Rules of the Auditor General, requires, if appropriate, that we communicate the failure of a special district that is a component unit of a county, municipality, or special district, to provide the financial information necessary for proper reporting of the component unit within the audited financial statements of the county, municipality, or special district in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we did not note any special district component units that failed to provide the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes.

**MANAGEMENT LETTER IN ACCORDANCE WITH  
THE RULES OF THE AUDITOR GENERAL OF THE STATE OF FLORIDA – Continued**

As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)7, Rules of the Auditor General, the Port of Palm Beach District, reported:

- a. The total number of district employees compensated in the last pay period of the district's fiscal year as 55.
- b. The total number of independent contractors to whom nonemployee compensation was paid in the last month of the district's fiscal year as 2.
- c. All compensation earned by or awarded to employees, whether paid or accrued, regardless of contingency as \$4,928,125.
- d. All compensation earned by or awarded to nonemployee independent contractors, whether paid or accrued, regardless of contingency as \$241,552.
- e. Each construction project with a total cost of at least \$65,000 approved by the district that is scheduled to begin on or after October 1 of the fiscal year being reported, together with the total expenditures for such project as reported in note 6 – Contractual Commitments page 38.
- f. A budget variance based on the budget adopted under Section 189.016(4), Florida Statutes, before the beginning of the fiscal year being reported if the district amends a final adopted budget under Section 189.016(6), Florida Statutes as presented in this report, page 67, Schedule of Revenues and Expenses – Budget to Actual. The budget was not amended during the year.

**Additional Matters**

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or fraud, waste, or abuse, that has occurred, or is likely to have occurred, that has an effect on the financial statements that is less than material but warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

**Purpose of this Letter**

Our Management Letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Board of Commissioners, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

## **INDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE WITH THE REQUIREMENTS OF SECTION 218.415, FLORIDA STATUTES**

To the Board of Commissioners  
Port of Palm Beach District  
Riviera Beach, Florida

We have examined the Port of Palm Beach District's compliance with the requirements of Section 218.415, Florida Statutes during the year ended September 30, 2025. Management is responsible for the Port of Palm Beach District's compliance with those requirements. Our responsibility is to express an opinion on the Port of Palm Beach District's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Port of Palm Beach District complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Port of Palm Beach District complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgement, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Port of Palm Beach District's compliance with the specified requirements.

We are required to be independent and to meet our ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

In our opinion, the Port of Palm Beach District complied, in all material respects, with Section 218.415, Florida Statutes for the year ended September 30, 2025.

This report is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and Florida House of Representatives, the Florida Auditor General, applicable management, and the Board of Commissioners, and is not intended to be and should not be used by anyone other than these specified parties.

West Palm Beach, Florida
